PUBLIC COMMENT IN BOARD MEETINGS

Individuals who wish to address the Board may do so during the Public Comment portion of the regularly scheduled meetings. Individuals will have the opportunity to address the Board during the Preliminary Actions of the board meeting. Individual remarks will be limited to a maximum of three minutes. If a group or organization wishes to address the Board on a topic, the School Board reserves the right to require designation of one or more spokespersons to speak on behalf of the group or organization. The Board generally reserves up to 30 minutes to facilitate public comment.

The comment segment of the meeting is not intended to be a time for debate.

Issues newly raised in remarks may be acted upon at a subsequent Board meeting, not the meeting at which they are raised. Employees, students, and School Board members are covered by the Data Privacy Laws and concerns and/or complaints about either are inappropriate to address during an open forum at a public meeting. Concerns and/or complaints about students or employees should be addressed to the administration. Complaints about School Board members should be directed to the School Board Chair and/or the Superintendent.
