Revised Proposal

Lincoln, Adams, Kathryn Jones Harrison, Garfield, and Bessie Colman Elementary Schools become schools serving kindergarten through 6th grade.

Mountain View Elementary becomes a kindergarten through 8th-grade school.

Linus Pauling Middle School becomes a 7th through 8th-grade school and is renamed Corvallis Junior High, allowing students to develop a new mascot and school culture.

Cheldelin Middle and Letitia Carson Elementary Schools close.

Students currently enrolled at Letitia Carson Elementary will be distributed as follows:

- Students living in the Mountain View boundary who are attending Letitia Carson on a transfer, and those students living east of Highway 99W, will attend Mountain View K-8.
- Students living in the Garfield boundary who are attending Letitia Carson on a transfer, or because they are unable to participate in the dual language immersion program, will attend Kathryn Jones Harrison.
- Students living west of Highway 99W will attend Bessie Coleman.

Kathryn Jones Harrison will become Garfield's “sister school.” This means that students who move into the Garfield boundary after 2nd grade and are unable to participate in the dual language immersion program will be placed at Kathryn Jones Harrison.

Cheldelin gyms continue to be accessed by teams and the community.

The school board reviews the feasibility of two high schools during the 2028-29 school year or when enrollment falls below 2,025 students.

Revised Proposal: Capacity Adjustment

Cheldelin Middle School and Letitia Carson Elementary Closure

***100% utilization rate indicates that the current enrollment is exactly equal to the Capacity Adjustment. In other words, the number of students aligns with the maximum planned space available after accounting for program designations and standard capacity limits. The school facility is operating at its designated, optimized capacity.**
