E. Student Growth & Experience

2025 School Board Update

Corvallis
SCHOOL DISTRICT

Student Growth and Experience

CELEBRATIONS & SUCCESSES FROM 2024/25

Goal 1: Increase 3rd-Grade Reading Scores

- **Curriculum Implementation:** The district monitored the implementation of the core ELA/SLA curriculum in K-2 classrooms, documenting evidence of implementation across various months (e.g., 12 out of 17 classrooms showed evidence in October).
- **Teacher Training:** There was a strong focus on professional development in the Science of Reading. 54 elementary participants in 40 hours of university coursework on the science of reading.
- **Data Monitoring:** We added a new assessment program, Amplify, to assess and monitor student growth.

Goal 2: Increase 9th-Grade Math Credit Completion

- **School-Specific Success:** February 2025 data highlighted strong completion rates at individual high schools, with CHS at 94% and CVHS at 91%.
- **Process Improvements:** The use of academic data in Student Support Teams (SST) and rounding for math curriculum implementation.
- **Intervention Cycles:** Staff engaged in "Plan-Do-Study-Act" (PDSA) cycles to evaluate the success rate of math interventions assigned to students.

Goal 3: Increase Graduation Rates

- **Team Integration:** Academic data were used within Student Support Teams (SSTs) to support student progress.
- **Strategic Reviews:** "Rounding" conversations were conducted regarding Algebra and Language Arts intervention strategies.
- **Data Analysis:** The district began reviewing semester data on dually identified students to monitor academic achievement.

HIGHLIGHT: WHAT WE ARE EXCITED ABOUT THIS YEAR

Expanding Teacher Professional Learning: Designed and delivered focused PD in the science of reading and research-based math practices that emphasize conceptual understanding, discourse, and formative assessment.

Coherent Instructional Supports: Aligning curriculum resources, coaching, and assessment tools so teachers receive consistent guidance across science, reading, and math rather than disconnected initiatives.

Streamlining Student Support Systems: Reviewed and simplified referral processes, intervention pathways, and progress-monitoring tools to ensure students receive the right support at the right time.

Integrating Department Collaboration: Bringing together curriculum, assessment, MTSS, and student services into a single coordinated team to reduce silos and improve communication with schools.

Equity-Driven Planning: Used disaggregated data and community voice to shape future programming that expands access to rigorous coursework and culturally responsive instruction.

Community Partnerships: Collaborating with families and community organizations to better understand student experience and remove barriers to learning.

Future-Focused Program Design: Began planning new educational pathways and learning models that prepare students for post-secondary success while honoring the diverse strengths of Corvallis learners.
