Health & Resource Fair

Our sixth annual Health & Resource Fair was held on August 14 at Corvallis Junior High, with 700 attendees. We again partnered with Casa Latinos Unidos, Samaritan Health Services, Benton County Health Services, and InterCommunity Health Network-Coordinated Care Organization to host this event.

- Over 250 children were measured for Operation School Bell
- 20 dental screenings
- 60 medical appointments, including 57 sports physicals
- 27 hearing screenings
- 59 vision screenings
- 197 school verifications
- 30 assists with bus/My Ride K-12 registration

We also provided access to prescheduled language testing and had 31 community agencies on hand to provide local resources for families.

Welcome Back Rally

We hosted our annual back-to-school rally on Thursday, August 27. This year, the Oregon State University School of Education generously covered the cost of using LaSells Stewart Center at OSU for our rally, and Toyota of Corvallis paid for lunch for all of our staff.

One focus of this year's rally was things that make staff "Happy and Proud" to work for the Corvallis School District. Staff shared videos talking about things that they are happy and proud of.

Thanks to the Corvallis Public Schools Foundation and local businesses, we awarded 39 educator grants this year!

Welcome to the 2026-27 School Year

Last week was the first week of the 2026-27 school year. Across our schools:

- Kindergartners visited the school garden to pick tomatoes and beans for tasting and to take home to share with their families.
- Junior High students mingled with their new classmates and saw the school mascot, the Panther, in costume for the first time.
- Students had indoor and some outdoor recess because of the rain, and our staff came up with creative plans to make it happen.
- First graders talked about their favorite games and sports in PE.
- High school students discussed the characteristics of living things in biology class.

- 6th- and 7th-graders started zero-period Choir and Orchestra.
- Second graders made beetles that shared facts about them.

Preparation for 2026-27 School Year

We want to extend a big “thank you” to our district staff who worked over the summer to get everything ready for the start of the 2026-27 school year for our students. Thank you to our staff from our Business Services, Facilities, Food & Nutrition Services, Human Resources, Student Growth & Experience, and Technology Services departments!

E-Rate

E-Rate is a federal program that provides school districts and libraries with discounts on telecommunications and internet access. This access goes well beyond what we typically think of when we think of the internet. Includes our: HVAC Systems, lighting, access control on our doors for safety, accounting for school meals, our student information systems that provide vital information to staff regarding student supports, including medical plans.

E-Rate is the fifth-largest source of federal funding for school districts. Currently, the FCC is reviewing E-Rate from top to bottom. If school districts receive a smaller reimbursement, or no reimbursement at all, we will still need to pay for these services.

I want to encourage board members to go to the website erate.aasa.org to provide feedback to the FCC. From the website, you can learn more about what E-Rate does and even the amount of rebate we have received over the past five years. It is one way you can advocate for public education across the country.

2026 Local Option Levy Update

The Local Option Levy has been assigned Measure number 2-160. The funds from the levy are used for:

- Teachers at all schools to sustain or reduce class sizes
- Music, physical education, and art teachers at all K-6 schools
- Vocational and technical education opportunities for students
- School counselors and social workers
- Instructional coaches and mentors to improve teaching and learning
- Extracurricular athletics and activities

More information is on our website at: www.csd509j.net/2026-local-option-levy

YOUR VOICE IS NEEDED

Take action to protect E-Rate.

Your voice matters. The priority ask is for members to file comments with the FCC by **October 13**. It is important to weigh in with Congress, as well, but that is less time sensitive at this moment.

ACT NOW • WRITE THE FCC

Share your E-Rate feedback with the FCC with your own numbers.

Use our letter builder to compose your response to the FCC's proposal. Personalize the letter with data specific to your district/library from the map, and include information on how you use E-Rate and how it supports myriad aspects of your district and library operations.

VI. PIPER SANDLER & CO. BOND UPDATE
Presenter: Brendan Watkins

PIPER | SANDLER

Pension Obligation Bonds: Presentation to Corvallis School District 509J

September 10, 2026

POBs: How do they work?

- Concept is to borrow to reduce unfunded pension liabilities.
- Bond proceeds are deposited into Side Accounts (SAs) and invested with PERS fund; if returns exceed borrowing rate, jurisdictions generally save.
- POBs must be sold on taxable basis, so borrowing rates are higher than on capital borrowings.
- SAs are drawn down and provide 'rate credit' against overall PERS rates over ~20 years.
- From 1996-2022, over 150 Oregon jurisdictions issued POBs for over \$8 billion.
- Generally positive PERS returns since borrowings means most, but not all, have realized savings.

PERS Historic Investment Performance

OIC manages PERS' investments.

Average Rates of Return (1970-2024):

Regular account earnings:	9.93%
Tier One Crediting:	9.21%
Tier Two Crediting:	9.03%
Variable Crediting:	10.84%
Avg. SA return 2007-2024:	7.60%

1 Year earnings thru 7/31/2026: 8.74%

“Expected value of POB strategy is positive”

ECONW Assessment - June 2026

Probability that NPV is more than \$0

Current estimated borrowing rate: 5.50%-5.75%

Poor rate of return is not the only risk

- Timing of earnings matter; early negative returns are hard to overcome.
- Rate credits will not be consistent:
 - ✓ SAs cause 'doubling down' of investment performance.
 - ✓ Earnings variability causes volatility, even if overall earnings rate exceeds bond rate.
 - ✓ Payroll growth will be different from assumption, leading to rate credit variability.
 - ✓ Changes in OPERF assumed rate of return changes UALs and rate credits, at least temporarily.
- Debt service is fixed but rate credit is variable: some years may have savings, others may not.
- **Holding reserves is crucial!**

Existing Pension Bonds and Side Accounts

- Borrowed \$24.3 million in 2002 and \$4.6 million in 2005.
- All in interest rates were 5.60% and 4.77%, respectively.
- 2005 Bonds matured June 2016, 2002 Bonds mature June 2028.
- Faster than assumed payroll growth (6.77% annual growth from 2021 to 2024) accelerated both SAs drawdown.
- Both SAs are projected to expire Summer 2027.
- **District has saved \$25.6 million, net of debt service, through December 2024!**

POBs take a while to complete...

Many additional steps to issue POBs vs. Capital Bonds:

- Extra education of all stakeholders to discuss risks. **IN PROCESS**
- ✓ Statistical assessment required. **DONE**
- Legal documentation, including:
 - Borrowing Resolutions.
 - Intercept and Trust Agreements for pools.
 - Disclosure document.
- Request to Milliman to calculate payoff amounts. Base cost is \$1,000, plus \$250 for each payoff date selected.
- Bond Rating.
- If market cooperates, sale and closing.
- Send funds to PERS. Payroll rates generally reduced immediately.

Can take 9-12 months from start to finish.

What about fees?

- Most fees do not take effect until and unless bonds are sold.
- Fees that could be incurred regardless include:
 - ✓ ECONorthwest Assessment Fee (~\$2,500) **DONE**
 - Milliman calculation fee (~\$2,500)
 - Rating fee. Fee is incurred once rating is assigned, but there is grace period. Amount TBD based on bond size (and number of participants in a pool).
- Overall fees vary by amount of issue, number of participants, general market conditions. We are estimating ~1.50% for underwriting, legal, trustee, rating and miscellaneous fees.

Potential Timeline – SD and CC Bond Pools

Potential Timeline – SD and CC Bond Pools

December 2026

- Finalize documentation: disclosure, trust, intercept agreements.
- Rating and due diligence process.

January 2027

- Receive payoff letters from Milliman
- Final Opt-in forms to Piper
- **Week of January 18 - Bond sale for CCs**
- **Week of January 25 - Bond sale for SDs**

February 2027

- Week of Feb 8th - Bond closing for CCs
- Week of Feb 15th – Bond closing for SDs
- Funds sent to PERS no later than Feb 25
- **March 1, 2027 – Payroll rates reduced**

Concluding Thoughts

- SAs and POBs introduce more volatility for borrowers.
- Volatility can cause cash flow issues, even when savings are positive.
- Assessment results suggest achieving success with POB is potentially within reach.
- Current interest rates are higher than assessed levels, but may decline should national and international events stabilize.
- Given long lead time on a POB issue, it may make sense to get ready and wait for market conditions to improve.

Annual Report: Integrated Guidance 2025-2026

Prepared for: Corvallis School Board

Prepared by: Byron Bethards, Director of Student Growth and Experience

Meeting date: September 10, 2026

Background

Integrated Guidance aligns planning, investments, implementation, and reporting across state and federal education funding streams. Corvallis School District's 2025-27 plan connects these resources to five School Board priorities: Excellent Learning Experience, Equitable Systems, Relevant and Engaging Learning, Healthy Communities, and Responsible Stewardship of Resources. As part of this process, districts are required to review their progress annually, respond to two narrative questions, present the report to their governing board, and make it available to the public.

During 2025-26, the district monitored implementation through progress markers, expenditures, student outcome data, and feedback from students, staff, families, and community partners. The district also reviewed disaggregated data to determine whether strategies were improving access, experiences, and outcomes for focal and historically underserved student groups. Districtwide averages alone cannot show whether all students are benefiting equitably. Disaggregating data helps us identify which systems, practices, and investments are producing positive results and where further improvement is needed.

This reporting occurs as Oregon implements a new accountability system established through Senate Bill 141. For the 2026-27 school year, the state is transitioning from the previous Longitudinal Performance Growth Targets, or LPGTs, to Performance Growth Targets, or PGTs. The new framework establishes shared statewide expectations across seven common measures while allowing districts to develop local targets that reflect their starting points and community contexts. This change strengthens the connection among planning, investments, student outcomes, and continuous improvement

Oregon Department of Education - Question 1.

As you review your progress markers/overall reflection responses and reflect on plan implementation, how do you see your progress contributing to the Outcomes and Strategies in your plan and your Longitudinal Performance Growth Targets (LPGT)/Local Optional Metrics (LOM)?

Discuss at least one Outcome where you have seen progress in implementation.

As we review our progress markers and reflect on the first year of the 2025-27 Integrated Guidance Plan, Corvallis School District sees strong progress in building the intervention and student-support systems needed to improve long-term student outcomes. One area of progress is in creating exceptional learning experiences where all students learn at high levels, with academic rigor achieved through both challenge and support and with attention to students' unique and intersecting identities, histories, accessibility needs, abilities, and disabilities.

The strategies connected to this outcome include adopting and implementing culturally relevant curricula, using the 5 Dimensions of Teaching and Learning Framework, and tracking key academic indicators. Our 2025-26 progress-marker review shows that several foundations supporting this outcome are taking hold:

- Ninth-grade scheduling and credit-bearing course access are reviewed with attention to focal student groups and students who are emerging in bilingualism.
- Student agency and voice are increasingly elevated through student-centered approaches.
- Financial stewardship is aligned with needs and disaggregated data.
- Data teams have time and access to timely, disaggregated information that supports decisions affecting district and school systems and focal populations.
- Comprehensive, evidence-informed, culturally responsive literacy planning and professional learning.

Early Literacy as an Example of Progress

Early literacy shows how these systems contribute to the district's student growth and achievement outcomes. The district's goal is to increase third-grade reading scores as measured by ELA OSAS. Supporting strategies include culturally relevant curricula, high-quality professional development, science of reading training, and school-level data teams.

The district has moved beyond a primary focus on purchasing materials toward sustained implementation through collaborative planning, professional learning communities, literacy coaching, and intervention. As of 2026, 121 licensed staff members have participated in university-level coursework and training in the Science of Reading, including 90% of K-2 teachers and all intervention specialists. For the 26-27 school year, the district is offering professional learning on the Science of Reading to a cohort of classified staff members.

Core materials include Collaborative Literacy, Benchmark Advance, and Benchmark Adelante. The district also uses SIPPS, Camino al Éxito/El Próximo Paso, Lexia, and Heggerty for intervention materials. Assessment platforms such as Renaissance STAR, mCLASS DIBELS 8th Edition, and mCLASS Lectura are investments used to collect student benchmark and progress-monitoring data. These resources provide multiple ways to identify needs and deliver targeted support, including support in Spanish.

Oregon Department of Education - Question 2.

Where have you experienced barriers, challenges, or impediments to progress toward your Outcomes and Strategies in your plan that you could use support with?

Discuss at least one Outcome where you have seen challenges or barriers to implementation.

One of our most significant challenges is moving from strong district systems and structures to consistent implementation and measurable impact for students across all schools and student groups during a time of organizational change.

Staff capacity and competing priorities remain significant barriers. Sustained improvement requires protected time for professional learning, collaboration, data analysis, intervention planning, and follow-through. The district is implementing multiple connected strategies during a period of staffing, budget, organizational, and programmatic change. Although data-team structures, early literacy work, student voice, ninth-grade scheduling review, and financial stewardship are areas of strength, several interdependent practices need improvement:

- Consistent use of equity tools within continuous-improvement cycles and decisions.
- Visibility and consistency of culturally sustaining, welcoming, trauma and SEL informed learning climates.
- Identifying, analyzing, and addressing systemic barriers that may disconnect students from their educational goals.
- Two-way family communication, including communication in primary family languages about attendance, literacy and mathematics, and advanced coursework.

Many necessary structures exist to impact the noted areas of needed improvement, but their use and impact are not yet equally consistent across schools, grade levels, programs, and student groups. Schools have different structures, staffing, student needs, and implementation contexts. The district must provide clear expectations and aligned supports while preserving enough flexibility for schools to respond to their students and communities.

Highlighted Improvement Area: Access to Advanced Mathematics Coursework

A priority area for continued improvement is equitable access to advanced coursework, particularly for advanced mathematics learners at the junior high and high school levels. The district has established grade-level, enhanced, and accelerated pathways that can provide earlier access to Geometry and Algebra II, along with multiple ways to demonstrate or complete prerequisite learning. However, access can still be affected by the clarity and timing of family communication, the use of challenge assessments, prerequisite expectations, scheduling, and elective tradeoffs. The district needs to continue monitoring enrollment and outcomes across pathways, disaggregated by student group, while strengthening differentiated instruction, flexible entry and re-entry points, and clear communication about all available options to ensure every learner has access to appropriately challenging coursework and a pathway that supports continued growth.

Board Policy KNA—Immigration Enforcement on District Property—New—First Read

Background

This new policy is required. In 2026, the Oregon Legislature adopted three bills related to federal immigration enforcement in schools: Senate Bill (SB) 1538, SB 1594, and House Bill (HB) 4079.

These new laws required the Oregon Attorney General's Office to publish model school board policies. Districts must adopt a policy that is consistent with the Attorney General's model policies by September 30, 2026.

The district-adopted policy must:

- Designate an individual to be the primary contact for immigration enforcement;
- Include requirements for notifying students who attend the school and parents/guardians of students attending the school when federal immigration officials are confirmed to be on school property for enforcement purposes;
- Include requirements for notifying staff of the school when federal immigration officials are confirmed to be on school property for enforcement purposes;
- Provide an option for community-based service providers to receive notice when a federal immigration authority is confirmed to be on school property for immigration enforcement;
- Include training requirements for designated individuals;
- Be included in the student handbook and in culturally appropriate languages on the district's website; and
- Include any other requirements provided by law.

Immigration Enforcement on District Property

The district complies with state and federal law, including Oregon Revised Statute (ORS) 180.805 and ORS 181.826, and this policy and accompanying administrative regulations KNA-AR(1) – Interactions with Immigration Enforcement and KNA-AR(2) – Federal Immigration Enforcement Request Log when responding to requests from federal immigration authorities regarding immigration enforcement.

Absent a judicially authorized subpoena, warrant, or court order, district staff must not allow federal immigration authorities access to the district's records or facilities not open to the public for the purposes of immigration enforcement and must verify the validity of any subpoena, warrant, or court order involving immigration enforcement presented to them by federal immigration authorities to ensure it is judicially authorized. The superintendent or designee must review and approve any response to a request involving immigration enforcement. The district will provide ongoing training to designated staff to ensure compliance with this policy.

This policy will be made available in the student handbook and on the district's website. The district will ensure this policy and accompanying administrative regulations are provided to staff.

Designation of Primary Point of Contact

The Superintendent is the primary point of contact for coordinating interactions with federal immigration authorities occurring in the district and will act as the immigration liaison. The Assistant Superintendent shall serve as an alternative point of contact if the immigration liaison is absent from the district or otherwise unavailable.

The immigration liaison's responsibilities include:

1. Serving as the district's representative during encounters with federal immigration authorities;
2. Confirming when federal immigration authorities have entered school property for immigration enforcement purposes;
3. Ensuring federal immigration authorities engaging in enforcement activities at the district have notice of relevant district policies: JO/IGBAB – Education Records/Records of Students with Disabilities, JOA – Directory Information, JOB – Personally Identifiable Information and this policy;

4. Assisting staff in performing their duties in response to immigration enforcement efforts, including ensuring compliance with all district policies and procedures related to interactions with federal immigration authorities and immigration enforcement efforts;
5. Reviewing and responding to requests from federal immigration authorities, in coordination with, and under the direction of, the superintendent or designee;
6. Facilitating the district's compliance with lawful immigration enforcement efforts in a manner that does not unnecessarily disrupt the school environment or invade the privacy of students, staff, or volunteers;
7. Providing notice as required in this policy when a federal immigration authority has been confirmed to have entered school property for immigration enforcement.

Required Notice

When a federal immigration authority is reported to have entered school property for the purpose of immigration enforcement, the immigration liaison shall confirm whether federal immigration authorities have entered school property for immigration enforcement and, when confirmed, shall provide notice as follows:

1. Notice must be provided to:
 - a. Students who attend the school where the federal immigration authority is confirmed to be on school property for immigration enforcement and who are in grades 7 and above;
 - b. Parents or guardians of students attending the school where the federal immigration authority is confirmed to be on school property for immigration enforcement;
 - c. Staff of the school where the federal immigration authority is confirmed to be on school property for immigration enforcement; and
 - d. Community-based service providers that have requested to receive notice when a federal immigration authority is confirmed to be on school property for immigration enforcement. Community-based service providers can request to receive such notifications by contacting the immigration liaison at the district office.
2. Notice must include:
 - a. The general location of the federal immigration authority; and
 - b. Whether classes or school operations were affected by the presence of the federal immigration authority. The district may include resources available to those impacted by immigration enforcement actions.

3. Notice must not disclose:

- a. Personally identifiable information;
- b. Other information that may not be legally disclosed; or
- c. Other information when the disclosure may threaten the health or safety of students or staff of the district or is prohibited by a court order.

The required notice will be provided as expeditiously as possible using existing methods used for providing electronic communications.

Unless otherwise prohibited by law or court order, the district will make reasonable efforts to provide notice to a student, or to the parent or guardian of a student, when the district has provided information related to the student to a federal immigration authority.

Confidentiality of School Records

Except when required by a judicially authorized warrant, subpoena, or order, Oregon law prohibits the district from disclosing protected information to federal immigration authorities for the purpose of enforcing federal immigration laws. Protected information includes information relating to a person's:

1. Address;
2. Workplace or hours of work;
3. School or school hours;
4. Contact information, including telephone number, electronic mail address or social media account information;
5. Known associates or relatives; and
6. Date, time or location of the person's hearings, proceedings or appointments with a public body that are not matters of public record.

Oregon law also prohibits sharing any of the above information about a person's relatives or known associates with federal authorities for immigration enforcement purposes.

Oregon law generally prohibits the district from sharing or disclosing citizenship or immigration status or country of birth information that the district collects, unless one of the following exceptions applies:

1. The disclosure is required by state or federal law (other than federal immigration law);
2. The disclosure is required by a judicially authorized warrant, order, or subpoena;
3. The information being shared with a person concerns only that person or their dependents; or
4. The information is aggregated and not personally identifiable.

In addition to the prohibitions described above, federal and state laws make records and information related to students confidential and permit disclosure only in limited circumstances. The district's policies with respect to student records can be found in Board policies JO/IGBAB – Education Records/Records of Students with Disabilities, JOA – Directory Information and JOB – Personally Identifiable Information. To ensure compliance with applicable federal and state law, the district's staff shall not disclose any school records or information to federal immigration authorities except as provided in these policies.

Staff must also maintain the confidentiality of school records and other information about students, staff, and volunteers when communicating with other students, parents, or community members about immigration enforcement activities involving students, staff, or volunteers of the district or occurring on district property. Staff should direct anyone with questions about immigration enforcement activities occurring on district property to the immigration liaison.

Training

The district will provide the immigration liaison and alternate immigration liaison with training as follows:

1. The training must include information on the requirements of House Bill 4079 (2026), any applicable model policies published by the Attorney General, and this policy; and
2. The training must be provided at the time of designation and at least once every two years thereafter.

Upon the adoption of this policy and not less than once every two years thereafter, the district will provide training to all current district staff of one hour or more regarding federal and state laws, and the district's policies, relating to interacting with federal immigration authorities and responding to immigration enforcement efforts. The district will provide the required training to all new staff within 30 days of beginning employment.

 - (1) Provide federal immigration authorities with records or information about students, staff, or volunteers;
 - (2) Confirm whether a student, staff member, or volunteer is present or make the student, staff member, or volunteer available;
 - (3) Allow access to non-public areas of the district’s facilities or property;
 - (4) Sign documents presented by federal immigration authorities; or
 - (5) Give consent to any immigration enforcement action.
 - b. Staff may not interfere with lawful immigration enforcement actions or physically obstruct federal immigration authorities in any manner. However, staff should immediately report to the immigration liaison if they observe any conduct or enforcement activities by federal immigration authorities that violate state or federal law, or district policies, or that otherwise present a security threat or potential danger to students, staff, volunteers, or visitors.
 - c. Staff who receive a request related to immigration enforcement must immediately notify the immigration liaison. The immigration liaison is responsible for interacting with the federal immigration authorities until the matter is concluded or the federal immigration authorities have been referred to the superintendent or designee.
 - d. The immigration liaison or alternate immigration liaison should meet the federal immigration authorities at the school door or other area designated by the superintendent or designee for this purpose.
 - e. The immigration liaison shall provide federal immigration authorities with a copy of this policy and explain that school staff are required to follow these steps in this policy. The immigration liaison should inform the immigration authorities that school staff must contact the office of the superintendent or designee for guidance before providing access to school facilities, records, or other information.

- f. The immigration liaison should direct another staff member to contact the superintendent or designee while the immigration liaison remains with the federal immigration authorities.
- g. The immigration liaison must document the request from federal immigration authorities to the fullest extent possible under the circumstances. At a minimum, the documentation shall include the following information, if available:
 - (1) The name, badge number, and agency of the law enforcement officer making the request;
 - (2) The number of officers present;
 - (3) Time, date, and location of the request;
 - (4) The nature of the request;
 - (5) The source of authority for the request, including whether the request is administratively or judicially authorized;
 - (6) Whether the request requires an immediate response;
 - (7) The identification of witnesses present; and
 - (8) How the encounter concluded.
- h. The immigration liaison shall direct another staff member to transmit copies, photos, or other documentation provided by federal immigration authorities to the superintendent or designee, along with other information documented pursuant to this policy. The superintendent or designee must approve any response to a law enforcement request related to immigration enforcement as provided in Section 3 of this administrative regulation.

2. Determination of Validity of Judicial Warrant, Subpoena or Order

- a. If presented with a warrant, subpoena or order by federal immigration authorities, the immigration liaison shall verify the validity of the warrant, subpoena or order by determining whether the warrant, subpoena or order is judicially authorized. An administrative warrant, subpoena, order or other legal process that has not been authorized by a judicial officer does not authorize the district to provide law enforcement with access to records or information, or facilities for purposes of immigration enforcement.

A judicially authorized warrant, subpoena or order contains the following key features:

- (1) A caption, near the top of the document, identifying the court that issued the order (typically the federal district court for the District of Oregon);
- (2) A signature block, near the end of the document, including the name of the person who signed the order, and identifying that individual as a judge, magistrate, clerk of court, or other person signing on behalf of a judge or magistrate, and the date of the signature; and
- (3) An indication that the warrant, subpoena or order has not expired.

Examples of warrants and subpoenas are available in the Attorney General's model policies.

- b. The immigration liaison shall notify the superintendent or designee of the warrant, subpoena or order and whether the warrant, subpoena or order appears on its face to be judicially authorized.
- c. The immigration liaison should request a copy of the warrant, subpoena or order and transmit a copy of the warrant, subpoena or order for review by the superintendent or designee, or legal counsel.
- d. The superintendent or designee shall make the final determination regarding the validity of any warrant, subpoena or order and whether, and to what extent, federal immigration will have access to district records or information, or facilities. If the superintendent or designee is uncertain as to the validity or scope of the warrant, subpoena or order, the superintendent or designee should immediately consult legal counsel or a statewide or regional education organization.

3. Approval of Response by Superintendent

- a. The immigration liaison shall notify the superintendent or designee of a request related to immigration enforcement prior to responding to the request. The superintendent or designee will only honor requests from immigration enforcement officers or other agencies enforcing federal immigration laws if the request is judicially authorized. If the superintendent or designee is uncertain as to the lawfulness or scope of the request, the superintendent or designee should immediately consult legal counsel or a statewide or regional education organization prior to approving a response.
- b. If the superintendent or designee determines that a response is not authorized by a judicial subpoena issued as part of a court proceeding or by another compulsory court-issued legal process, such as a warrant, the superintendent or designee shall direct the immigration liaison to decline the request.

Upon direction of the superintendent or designee, the immigration liaison shall decline the request, refer the federal immigration enforcement authorities to the superintendent or designee, and request that they leave the premises.

The immigration liaison shall ensure that the information documented pursuant to this administrative regulation is submitted to the Oregon Criminal Justice Commission as provided in ORS 181A.826.

- c. If the request is accompanied by a subpoena, warrant or order that appears on its face to be judicially authorized, the superintendent or designee must review and approve the immigration liaison of district's response to the request.

The superintendent or designee shall ensure that the district's response provides no greater access to records or information, or facilities, than that required by the subpoena, warrant or order.

- d. If the request involves a warrant that appears to be valid and authorizes the arrest of a particular person, the superintendent shall direct the immigration liaison to request that the arrest be conducted in a manner that is the least disruptive to the school

environment and to the person's wellbeing, which may include bringing the arrestee to the federal immigration authorities.

4. School-Sponsored Events

If federal immigration authorities appear at a school-sponsored event open to the general public (e.g., field trip, athletic event, band event), staff should document their observations, notify the immigration liaison, and follow any guidance provided by the immigration liaison. When alerted to the presence of federal immigration authorities at a school-sponsored event, the immigration liaison shall notify the superintendent or designee.

5. School Transportation/Buses

If federal immigration authorities request to board a school bus or other vehicle transportation, the driver should ask them to wait outside the bus/vehicle, close the doors, and immediately call the immigration liaison and follow any guidance provided by the immigration liaison. The immigration liaison shall notify the superintendent or designee and coordinate an approved response as outlined in this policy

6. Volunteers

The district will determine which volunteers need to receive training or materials regarding this administrative regulation.

XI. CONSOLIDATED ACTION (8:40 p.m.)*

XI.A. Resolution No. 26-0901 - Supplemental Budget for Special Revenue Fund

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Lauren Wolfe, Director of Finance
Meeting Date: September 10, 2026

Resolution No. 26-0901: Supplemental Budget

ACTION REQUESTED

Background

Oregon's local budget law allows the district to make a supplemental budget during the fiscal year for which the original budget was adopted. The proposed supplemental budget is summarized below. Changes in appropriations for each fund do not exceed 10% of total appropriations for that fund, so a public hearing is not required prior to adoption.

Proposed changes in the **Special Revenues Fund** recognize an appropriation transfer from Contingency to Interfund Transfer. During the fiscal year, money budgeted and appropriated as contingency must be transferred to another appropriation category before it can be expended. This transfer represents 100% of the Contingency within the Special Revenues Fund, so a supplemental must be adopted. This transfer corrects the original Budget Resolution, where the \$494,000 should have been listed under the Interfund Transfer category, not Contingency. This supplemental budget reflects only a technical fix, is budget-neutral, and has no net impact on the fund's overall financial position.

ACTION REQUESTED:

Accept the proposed adjustments and adopt a resolution amending appropriations in the Special Revenue Fund.

WHEREAS, ORS 294.471 provides for a governing body to make supplemental budgets for the fiscal year in certain cases;

BE IT RESOLVED, that the School Board of Corvallis School District 509J hereby adopts a supplemental budget to the 2026-27 budget for the Special Revenue Fund as set forth below, and that the amounts for the 2026-27 fiscal year and for the purposes shown below are hereby amended as follows:

XI.B. Resolution No. 26-0902 - Emergency Procurement Declaration

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Kim Patten, Operations Director
Meeting Date: September 10, 2026

ACTION REQUESTED

Resolution No. 26-0902: Emergency Procurement Declaration and Documentation for Crescent Valley High School Plumbing Services

Background

The Board is the Local Contract Review Board (LCRB) for the district. The LCRB may make the written findings required by law for exemptions from competitive bidding requirements.

Pursuant to Policy DJC Bidding Requirement, ORS 279C.320(1) and ORS 279B.080, in an emergency procurement, the district is not required to follow general procurement requirements. In situations of emergency, the LCRB or designee may authorize an emergency procurement to require prompt execution of a contract to remedy the condition, which authorizes the direct award of contracts to promptly mitigate property loss, remedy active hazards, and prevent operational disruptions. The district must ensure competition for the contract that is reasonable and appropriate under the circumstances. The district must document the nature of the emergency and the method used for the selection of the contractor.

On August 22, 2026, a water leak was discovered at Crescent Valley High School, resulting in exterior water flow and localized interior entry flooding. District maintenance personnel contained the hazard by isolating the fire suppression system and deployed drying equipment to prevent further interior property damage. Subsequent work identified a damaged underground pipe beneath the exterior entrance landing requiring saw-cutting, digging, and pipe replacement.

The District directly retained HR Mechanical Services, LLC. HR Mechanical Services, LLC has previously provided plumbing services to the District and was able to respond promptly to the emergency.

This board document serves as the formal designation for emergency procurement and documentation of the nature of the emergency and the method used for the selection of the contractor to complete all necessary facility repairs.

ACTION REQUESTED:

Adopt the attached resolution authorizing the Emergency Procurement Declaration and Documentation for Crescent Valley High School Plumbing Services.

ATTACHED:

Resolution No. 26-0902

Emergency Procurement Declaration and Documentation
for Crescent Valley High School Plumbing Services
Resolution No. 26-0902

Whereas, The Board is the Local Contract Review Board (LCRB) for the district, and pursuant to ORS 279C.320(1), ORS 279B.080, and District Policy DJ, the LCRB or its designee may authorize an emergency procurement waiving standard competitive bidding requirements when emergency circumstances require immediate action; and

Whereas, On August 22, 2026, a main water line failure was discovered at Crescent Valley High School, requiring immediate containment and repair to prevent property damage and ensure facility operations, for which the District directly retained HR Mechanical Services, LLC—a firm with previous district experience capable of responding promptly;

Be It Resolved, Corvallis School District 509J approves this document as the formal emergency procurement designation—documenting the emergency conditions and selection of HR Mechanical Services, LLC.

ADOPTED by the Board of Directors of Corvallis School District 509J in Benton and Linn Counties, Oregon, at its regular meeting this 10th day of September, 2026.

XI.C. Declare Budget Committee Vacancy

Corvallis

SCHOOL DISTRICT

Prepared for: Corvallis School Board
Prepared by: Lauren Wolfe, Finance Director
Meeting Date: September 10, 2026

Budget Committee Vacancies

ACTION REQUESTED

Background

Pursuant to board policy DBEA, "Budget Committee," and prior to October 1 each year, the board will identify vacant budget committee positions that must be filled by board appointment.

The budget committee has 14 members: seven elected school board members and seven citizens appointed to three-year terms by the board. The school board appoints citizen members by open vote as openings occur. As of September 1, staff has identified the following committee vacancies:

- Three (3) three-year term appointments, due to the completion of terms by Jessica Munster and Seth Purcell, along with the vacant District Diversity Equity and Inclusion (DEDI) Committee representative.

In accordance with [OAR 581-022-2307](#), the District is seeking at least one member of the District Diversity Equity and Inclusion (DEDI) Committee to serve on the Budget Committee, and current DEDI Committee members will be given priority during the appointment process. DEDI representation on the Budget Committee helps align the district's equity lens with financial processes, increasing understanding of fiscal priorities and strengthening underrepresented voices. This ensures budgets reflect equity and provides greater accountability to students, families, and communities.

Openings on the Budget Committee will be advertised through customary district communication channels; committee members completing terms are eligible for re-appointment should they apply. The recruitment schedule for these budget committee vacancies is proposed as follows:

- September 10, 2026– publicly identify vacant budget committee positions and approve recruitment calendar
- Mid-September to mid-October 2026 – advertise budget committee vacancies and solicit applications
- October 29, 2026 – deadline for first review of applications (positions are open until filled)
- November 5, 2026 – appoint budget committee members during board meeting

MOTION REQUESTED:

"I move that the Board identifies four vacancies on the 2027 Budget Committee and approves the recruitment schedule, as presented by staff."

Director Largent suggested that the board prioritize developing an AI policy for the upcoming school year. Director Hawkins expressed deep gratitude for the graceful and patient leadership of Luhui, Therese, and Shauna during a challenging year. She also raised the urgent need for the board to identify concrete, actionable strategies to rebuild community trust, noting that while previous methods like coffee hours were used during consolidation talks, the board needs to determine the most effective next steps for genuine engagement.

Director Al-Abdrabbuh reflected on a difficult but productive year, expressing confidence that the hard decisions made will ultimately leave students in a better place. Highlighting the distinction between community disagreement and outright mistrust, he stressed the importance of actively engaging underserved populations—such as attending the upcoming NAACP Juneteenth gathering—and noted that while the district performs exceptionally well compared to others nationwide, the focus must remain on continuous improvement.

Co-Vice Chair Tominey wished staff and students a restful and joyful summer, acknowledging recent graduations and promotions. Recognizing that the summer months can bring instability and hardship for some families, she praised the district's summer meal and support programs for maintaining vital connections and thanked the board members for their dedicated volunteer hours.

Chair Whitebear reminded the board to read *The Future is Disabled* for their August retreat, where they will also work with Kristen Miles on strategies for maintaining and rebuilding community trust. Acknowledging the emotional complexity—both a sense of loss and excitement—surrounding the upcoming restructuring of the district's K-6, K-8, and junior high schools, she emphasized the importance of staying student-centered amidst broader statewide K-12 budgetary challenges and concluded by thanking the board for trusting her to serve a final year as Chair.

<u>BOARD MEMBERS PRESENT</u> Luhui Whitebear, Ph.D., Chair Shauna Tominey, Ph.D., Co-Vice Chair Chris Hawkins, Co-Vice Chair Sami Al-Abdrabbuh, Ph.D. Judah Largent Bernie Wang (joined at 8:30 a.m.)	<u>EXECUTIVE STAFF PRESENT</u> Ryan Noss, Superintendent Melissa Harder, Assistant Superintendent Lauren Wolfe, Finance Director Byron Bethards, Ed.D., SG&E Director

II. WORK SESSION WITH OREGON SCHOOL BOARDS ASSOCIATION

Kristen Miles, Director of Board Development with Oregon School Boards Association, facilitated the discussion. (The work session agenda and slides are posted online with the informational packet of this meeting and will be filed with the official 2026-27 Board records.)

The board reflected on recent progress, challenges, and perceptions surrounding their work. Key insights included:

- Maintaining community trust by ensuring board goals and values remain visible through challenging and controversial decisions.
- Communicating how decisions are made – sharing data, research, and community input – can shift community perception positively and foster a deeper understanding of board actions.
- There is a difference between education (informing the community on what and why) and advocacy (persuading for a position); clear communication of intentions is very important to better manage public perception.

- The concept of a uniform versus a unified board was emphasized: board members may disagree but must collectively support decisions after votes to maintain a healthy governance culture.
- Trust, respect, and communication were identified as foundational pillars allowing effective governance and community confidence.

Chair Whitebear was excused from the meeting for a work commitment and returned to the retreat during lunch.

III. LUNCH

At 11:00 a.m., Co-Vice Chair Tominey called for a recess for lunch. The meeting reconvened at 12:09 p.m. No formal action or board discussion took place during the recess.

IV. BOOK STUDY - THE FUTURE IS DISABLED: PROPHECIES, LOVE NOTES AND MOURNING SONGS

Director Largent facilitated a discussion on the book *The Future is Disabled*. The discussion centered on disability justice, challenging traditional compliance-driven models in favor of a culture of collective care and systemic inclusion. Board members explored how practices originating from the disability community benefit all students and imagined a future where personalized education plans are universally accessible rather than deficit-based or administratively cumbersome.

V. RESOLUTION NO 26-0801 CALLING MEASURE ELECTION

Finance Director Lauren Wolfe joined the meeting to present Resolution 26-0801 to renew the Local Option Levy for five years. She highlighted the levy's impact, the essential programs the funds support, and answered Board questions. MOTION:

It was moved by Director Largent and seconded by Co-Vice Chair Hawkins that Resolution No. 26-0801 be adopted to call a measure election on November 3, 2026, to submit to the electors of the district the question of authorizing a five-year local option levy renewal.

Evaluation of the Superintendent

The Board will formally evaluate the superintendent's job performance at least once each year. The evaluation will be based on the superintendent's administrative job description, any applicable standards of performance, Board policy, and progress in attaining any goals for the year established by the superintendent and/or the Board.

Additional criteria for the evaluation, if any, will be developed at a public board meeting prior to conducting the evaluation. The superintendent will be notified of the additional criteria prior to the evaluation.

The Board's discussion and conferences with and about the superintendent and their performance will be conducted in an executive session unless the superintendent requests a session open to the public¹. Such an executive session will not include a general evaluation of any district goal, objective, ~~or operation~~ or of any directive to personnel concerning district goals, objectives, operations, or programs. Results of the evaluation will be written and placed in the superintendent's personnel file.

At the Board's discretion, it may notify the superintendent in writing of specific areas to be remedied, and the superintendent may be given an opportunity to correct the problem(s). Where the Board provided written notice pursuant to the prior sentence, if the Board determines the superintendent's performance remains unsatisfactory, the Board may dismiss or non-renew the superintendent pursuant to Board policy, the superintendent's employment contract, and state law and rules. In those situations where the superintendent's employment contract includes an evaluation, dismissal, or non-renewal provision, it shall take precedent over this policy.

END OF POLICY

¹ Notice must be provided to the superintendent in accordance with OAR 199-0040-0030. The superintendent must receive written notice of the meeting no less than one business day or 24 hours, whichever is greater, in advance of the meeting. The notice must include:

Veteran and State Servicemember Preference

Oregon law requires the district to grant a preference to qualified and eligible veterans, disabled veterans, state servicemembers, and former state servicemembers at each stage during the hiring or promotion process who claim a preference. To be **qualified** for preference, an applicant must meet the minimum qualifications and any other special qualifications required for the position sought. To be **eligible** for preference¹, an applicant must provide certification that they are a veteran, disabled veteran, state servicemember, or former state servicemember as defined by Oregon law².

The district is not obligated to hire or promote a qualified and eligible veteran, disabled veteran, state servicemember, or former state servicemember. The district is obligated to interview all minimally qualified veterans or disabled veterans, and is also obligated to hire or promote a qualified or eligible veteran, disabled veteran, state servicemember, or former state servicemember if the individual is equal to or better than the top candidate after the preference has been applied.

All job postings or announcements will include a concise list of minimum qualifications and any special qualifications required for the position. Job postings will include a statement that the district's policy is to provide a preference as required by Oregon law, and the job posting will require applicants to provide certification³ of eligibility for preference, in addition to other requested materials.

In the event the district chooses not to appoint an applicant covered by this administrative regulation, the district shall provide the reasons it chose not to appoint the applicant for the position upon a written request from the applicant.

¹ See Oregon Revised Statute (ORS) 408.235.

² See Oregon Revised Statute (ORS) 408.225 for definitions of veteran, disabled veteran, state servicemember, or former state servicemember.

³ An applicant claiming veteran's or disabled veteran's preference will submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) or a certification that the veteran is expected to be discharged or released from active duty under honorable conditions not later than 120 days after the submission of the certification. A disabled veteran may also submit a copy of their letter from the U.S. Department of Veterans Affairs, unless the information is included in the DD Form 214/215 or a certification that the veteran is expected to be medically separated from active duty under honorable conditions not later than 120 days after the submission of the certification. (OAR 839-006-0465) An applicant claiming to be a former state servicemember must meet the definition of "former state servicemember." An applicant is treated as a former state servicemember if they meet the definition, except for the requirement that the applicant was discharged or released under honorable conditions and submits certification that the individual is expected to be discharged or released from Oregon National Guard under honorable conditions no later than 120 days after the submission of the certification. (ORS 408.235).

Filing a Complaint

A veteran, disabled veteran, state servicemember or former state servicemember is encouraged to contact Human Resources if there are any concerns or questions concerning the application of or the process used for preference.

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity⁵;

⁵ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R.

4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic Violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. The report can be made at any time.

Rynda Gregory, Human Resources Administrator is designated as the Title IX Coordinator and can be contacted at 541-757- 4433. The Title IX Coordinator will coordinate the district’s efforts to comply with its responsibilities related to this policy. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive measures⁷ to the complainant and by following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);

⁶ (Title 34 C.F.R. § 106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator or the Assistant Secretary¹¹, or both.

Neither the district or any person may retaliate¹² against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the district student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Sick Leave - Personal Illness and Injury Leave *

Sick leave entitlement is allowed to accrue at the rate of 10 days each school year for each "school employee"¹ for personal illness or injury will accrue per or one day per month employed, whichever is greater, as provided by Oregon Revised Statutes 332.507, law, and as determined by the district's collective bargaining agreements and Non-Represented Employees Salary and Benefits Document. Twelve-month employees will accrue 1 day per month or 12 days each year.

In accordance with state law, this leave will accumulate without limit.

The district reserves the right to require proof of personal illness or injury from all employees (five or more consecutive days of absence), including a medical examination by a physician chosen and paid for by the district. Sick leave in excess of five consecutive work days shall require a certificate from the employee's attending physician, naturopathic physician, or practitioner that the employee's illness or injury prevents the employee from working. Any employee refusing to submit to such an examination or to provide other evidence as required by the district shall be subject to appropriate disciplinary action, up to and including dismissal.

If the teacher is still unable to return to work the following August 1 by their first contracted day of the next school year, the Board may terminate the teacher's employment, subject to state and federal laws regarding family illness and medical leave.

Board Policy GCBDD/GDBDD—Sick Time*—Revision—First Read

Background

This is a highly recommended policy revision. Oregon's Sick Time Law (ORS 653.601-653.661) requires employers to provide paid sick time to employees. Sick Time is differentiated from Sick Leave, which is addressed in district employees' collective bargaining agreements and the Non-Represented Employees Salary and Benefits Agreement. School districts are required to have practices and procedures to implement the requirements of this law.

Updates to Policy GCBDD/GDBDD include revised allowable reasons for the use of Sick Time, the addition of PFMLI (commonly known as Paid Leave Oregon), and new legal references. Because the Corvallis School District contracts with a substitute staffing agency and therefore does not maintain sick time balances for substitutes, references to substitute staff were removed from this policy.

Sick Time*

~~Oregon Senate Bill 454 mandating paid sick time went into effect on January 1, 2016. This law is independent from sick leave under ORS 332.507.~~ Oregon's Sick Time Law (ORS 653.601-653.661) requires employers to provide paid sick time to employees. School districts are required to have practices and procedures in place to implement this law's requirements.

Nothing in this policy impacts the district's sick leave obligation under Sick Leave for School Employees law (ORS 332.507), the district's collective bargaining agreements, or Non-Represented Employees Salary and Benefits Document, except where those agreements are silent or not in effect regarding sick time requirements. Licensed, classified, and non-represented employee groups should refer to their appropriate bargaining agreement for all applicable leave.

~~For the purpose of this policy "employee" means an individual who is employed by the district and who is paid on an hourly, stipend, or salary basis and for whom withholding is required under Oregon Revised Statute (ORS) 316.162-316.221. The definition does not include volunteers or independent contractors.~~ "Employee" means an individual who renders personal services at a fixed rate to the district if the district either pays or agrees to pay for personal services or permits the individual to perform personal services. The definition does not include volunteers, independent contractors, or others excluded by law.

Employees qualify to begin earning and accruing sick time on the first day of employment with the district.

Paid sick time of 40 hours shall be front-loaded to an employee who falls within the following groups at the beginning of each year: Licensed and non-represented staff who are 0.5 FTE or greater, coaches, and seasonal stipends.

Paid sick time shall accrue at the rate of one hour of paid sick time for every 30 hours worked for an employee who falls within the following groups: Licensed and non-represented staff who are 0.49 FTE or less, classified staff, ~~both licensed and classified substitutes~~, student employees, and non-regular/timecarded employees.

If an individual falls into more than one group identified above, sick time will be accrued at the rate of the primary position. If an employee's bargaining agreement grants equal or greater sick leave benefits, then no additional sick time is accrued.

An employee may carry up to 40 hours of unused sick time from one year to the subsequent year. An employee is limited to using no more than 40 hours of sick time in a year.

Sick time shall be taken in hourly increments for all employee groups, ~~except licensed substitutes who will take sick time in minimum four hour increments~~, and may be used for the employee's or a family member's¹ mental or physical illness, injury or health condition, need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition, or need for preventive care, or for reasons consistent with the Family and Medical Leave Act (FMLA), Paid Family and Medical Leave Insurance (PFMLI), or Oregon Family Leave (OFLA). ~~Sick time may also be used in the event of a public health emergency.~~

Sick time earned by an employee may also be used for the following reasons:

1. In the event of a public health emergency compliant with ORS 653.616;
2. To donate accrued sick time to another employee if the other employee uses the donated sick time for a purpose consistent with ORS 653.616;
3. To donate blood in connection with a voluntary program for the donation of blood that is approved or accredited by the American Association of Blood Banks or the American Red Cross; or
4. For leave to address domestic violence, harassment, sexual assault, bias, or stalking under ORS 659A.272 (safe leave).

The use of sick time may not lead to, or result in, an adverse employment action against the employee.

The district reserves the right, after five consecutive days of absence, to require ~~proof of personal illness or injury from an employee, including a medical examination by a physician chosen and paid for by the district~~ verification or certification in accordance with law of the need for the sick time, including a medical verification or certification paid for by the district. ~~An employee refusing to submit to such an examination or to provide other evidence as required by the district,~~ If an employee fails to provide verification or certification or fails to provide other evidence as required by the district, the employee shall be subject to appropriate disciplinary action, up to and including dismissal.

When the reason for sick time is consistent with FMLA/~~OFLA~~ PFMLI, or OFLA leave, the sick time and the FMLA/~~OFLA~~ PFMLI, or OFLA leave may run concurrently.

When the reason for sick time is consistent with ORS 332.507, the sick time and leave pursuant to ORS 332.507 may run concurrently.

If the reason for sick time is a foreseeable absence, the district may require the employee to provide advance notice of his or her intention to use sick time within ten days of the requested sick time, or as soon as practicable. When an employee uses sick time for a foreseeable absence, they shall take reasonable effort to schedule the sick time in a manner that does not unduly disrupt the operations of the district (e.g., grading deadlines, in-service training, mandatory meetings).

¹“Family member” is defined by the Oregon Family Leave Act (OFLA).

If the reason for sick time is unforeseeable, such as an emergency, accident, or sudden illness, the employee shall notify the district as soon as practicable.

~~The district shall establish a standard process to track the eligibility for sick time of a substitute.~~
