Superintendent Report
September 22, 2025

Our school year is in full swing. While the heat we have been experiencing over the past few weeks is unusual, we appreciate everyone's flexibility in adjusting schedules and activities. Student events have looked a little different because of the weather, and we thank you for your cooperation.

While we continue to adapt our day-to-day schedules, it is important to remember that the calendar is not slowing down. Please mark your calendars for Parent/Teacher Conferences on October 30th and 31st. While these are still over a month away, they will be here before we know it.

Each year, the district expands its partnership with local law enforcement, and this year is no exception. Our School Resource Officers are helping spread the word about the Collinsville Police Department P.I.N. Sticker Program. P.I.N. stands for "Potentially Impaired or Non-Verbal Person." This voluntary and completely free program allows community members to register a potentially impaired or non-verbal individual in their household by using the attached QR code distributed to families last week. Once registered, families will receive a colored sticker for their home and/or car, and the information will be shared with local police, fire, and EMS. This ensures that first responders are properly prepared to communicate with and assist each individual they encounter.

In the spring of 2023, the State appropriated $25 M for the expansion and renovation of the CAVC. In April 2024, $8 M of this appropriation was allocated to CUSD #10 through a DCEO grant. A grant agreement for these funds was executed in March 2025, and construction began in late June 2025 with a scheduled completion date in the fall of 2026. Reimbursements for upfront costs started in August 2025, with the first check of $900,000, and reimbursements will continue until the initial $8 M is fully expended.

The second release of funds, $8 M, was verbally allocated for release on September 11th. Once the paperwork is processed in the House and Office of Business and Management, DCEO will reach out to district staff and we will complete the necessary paperwork for the grant funding to be released as expense reports are submitted. To date, $16 M of the $25 M appropriation has been allocated to the district which will suffice the project until the Spring of 2026. I am grateful for the regular communication with Representative Stuart, the Speaker's staff, the Governor's staff and DCEO over the past two years. We will continue these conversations in the future to ensure the final allotment is released in early 2026 allowing the full CAVC Expansion and Renovation to be completed.

The CAVC Expansion and Renovation represents a significant investment that will enhance career opportunities for students, strengthen workforce development, support economic growth in the Metro East, and establish a direct pipeline of qualified employees. The pipeline of employees created will support our CAVC partners, who

have committed more than $1.5 million in private contributions, as well as for other employers throughout the region.

Our district is fortunate to have outstanding partnerships with organizations throughout our community and I would like to highlight two of them in this communication: the Collinsville Area Community Foundation (CACF) and the Tote Me Home Program. The CACF's annual report, which details the foundation's vision and mission, recognizes donors, and highlights its continued growth is available on their website. Please take a look and help spread the word about the foundation's important work, both in our schools and our communities.

Additionally, the Tote Me Home Program distributes hundreds of meals each weekend to students throughout the school year. Their partnership with the Collinsville Food Pantry is invaluable; but like any organization, they need support. They are currently hosting a cereal drive through October 31st, with collection boxes placed throughout the community, including the YMCA, Bert's, Kruta's, the Senior Center, Laura Buick, and the Collinsville Library. If you would like to assist, please consider dropping off cereal at one of the collection sites or directly at the Collinsville Food Pantry.

Caseyville Elementary was evaluated by a panel of school administrators and architects and selected as one of the top 25 facilities to be on display at the 2025 Joint Annual Conference of IASB/IASA/IASBO in Chicago on November 21st through the 23rd for their Educational Environments Exhibition. Criteria for selection include instructional effectiveness, recreational use, energy efficiency and safety. A point to note, the new facility is 30% more efficient per square foot than the previous facility and the building blends culture and multiple languages into the educational setting. I want to compliment the Board, Mrs. Clark and Mr. DeWitte for all their efforts on this project along with FGM and Holland.

Call to Order

1. A public hearing was held by the Board of Education of Collinsville Community Unit School District No. 10 on the evening of Monday, August 18, 2025, at 6:30 p.m., at the Unit #10 Administrative Annex, 123 West Clay Street, Collinsville, Illinois.

Roll Call

2. Those members present were: Michele Stutts; Dennis Craft, Treasurer; Jane Soehlke, Vice President; Vicki Reulecke, Secretary; and Gary Peccola, President. Absent were Jennifer Hasamear and Lori Billy.

Purpose of Hearing

3. Mr. Peccola said the purpose of the hearing was to provide an opportunity for public input with respect to the proposed 2025-26 Collinsville Area Vocational Center budget. Notice of the hearing was published in the local newspaper according to law and the tentative budget has been on display for at least thirty days.

Comments by Mrs. Hadjan and Dr. Craft

4. Mrs. Hadjan reported the only change made from the original tentative budget was to update the beginning fund balance to the unaudited balance from June 30, 2025. Other than adjustments for the increased tuition rate, she kept revenue projections for this budget about the same as last year. Expenses will be higher due to salary and benefit increases. No new programs were added for this year, but there may be some next year after the CAVC expansion is complete. Once this budget is approved, she will file it with Madison and St. Clair Counties, and the Illinois State Board of Education (ISBE).

   Dr. Craft commended Mrs. Hadjan for doing a very good job navigating the budget process again this year. He is looking forward to completion of the CAVC expansion which will bring more opportunities for additional programming.

Opportunity for Public Input

5. Mr. Peccola provided an opportunity for public input and no one sought to be recognized.

Adjournment

6. There being no further comments, Mr. Peccola declared the hearing adjourned at 6:34 p.m.

Reports

Superintendent's Report

6. Dr. Skertich's report focused on the sixth annual State of the District Report highlighting information from the administrative team regarding communication, curriculum, programs and initiatives, facilities, finances, special education and health programs, student services and technology. The report provides an overview of what is going on in the district from the directors' standpoint and contains a lot of good information for district families. The next phase will be development of action steps at building levels to work towards the goals that were developed as part of the strategic planning project. The report will go out to district families tomorrow and will be available on the district's website.

(Continued)

The second week of school is underway and the year is off to a really good start. Dr. Skertich commended the central administrators, building principals, custodians, teachers and all staff members for working hard to make this the best start to a school year he has seen in the past seven years.

Financial Report

7. Mrs. Hadjan reviewed the financial summary for the four main operating funds as of July 31, 2025, which is 8.33% into the fiscal year, noting that the report is based on unaudited figures. She shared beginning fund balances, revenue, expenditures and ending fund balance figures for those funds. She said there are currently no plans to use any Working Cash Funds for this fiscal year. Mrs. Hadjan reviewed snapshot reports for the Unit budget and the AVC budget that give additional details with respect to revenue and expenditures. CAVC tuition billing statements will go out next month and Unit 10's payment will be included in the August board bills.

Student Services Report

8. Mr. Brad Hyre summarized some of the highlights in his written report to the board. As of today, total enrollment is 5,594, which is up 12 from the same time last year. The sixth day count will be taken on Wednesday. Early Childhood, Pre-K and K-4 enrollment numbers are up slightly, but grades 5-8 and CHS are both down, which mirrors national and state trends. Currently 189 students are displaced from their home schools. 102 students are placed in other buildings for special education services and 41 are placed for language service needs. CLEAR Batch residence verification system has been very effective in annually verifying parent/guardian residency within the district and identifying inconsistencies. Kahok Academy has moved into the CHS library, and Mr. Hyre will share more information on it and the Success Center in the spring. The school year is off to a good start and Mr. Hyre expressed appreciation to his staff, the administrative team, principals, teachers, staff and the Board of Education for all of their dedication and hard work to help students.

Budget Committee Update

9. Dr. Craft reported the Budget Committee met on August 11, 2025 and covered a number of items. Mr. Hyre shared a proposal from Parchment covering digitization of student records currently held on microfilm and slides at a cost of $110,638. The project will be a big undertaking, but is something that needs to be done to preserve and protect student records. Mr. DeWitte gave an update on summer projects throughout the district and said all

buildings would be ready for the students' return. Mr. Robinson reported the district is fully staffed with certified personnel for the new year. Dr. Craft said he was taken aback by the increased personnel numbers over the past few years. Mr. Robinson will provide more detailed information, but Dr. Craft said it is something that needs to be monitored closely. Mr. Robinson proposed an increase in the daily rate for non-certified substitutes, and the committee was in agreement. Mrs. Hadjan shared preliminary information with respect to the 2025-26 tentative Unit 10 budget which will be on the agenda at the September 22, 2025 board meeting. The next budget committee meeting is scheduled for Monday, September 15, 2025 at 5:00 p.m.

10. Mr. Peccola said the following Freedom of Information Requests had been received:

9.1. 2025-26 Collinsville Community Unit School District No. 10 Final Budget

ITEM: 9.1
EXH. E 9.1

BOARD AGENDA
September 22, 2025

TO: **Dr. Brad Skertich, Superintendent of Schools**

FROM: **Jamie Hadjan, Director of Finance**

DATE: **September 22, 2025**

RE: **2025-26 Collinsville Community Unit School District No. 10 Final Budget**

The final budget reflects changes due to an increase in Food Service Revenue, an increase in the Tort Transfer amount as well as additional revenue and expenses added in for the new CAVC building. Revenues are stated conservatively and are expected to come in higher. Expenditures are stated higher to account for any unforeseen expenses during the fiscal year.

I recommend approval of the following suggested motion:

> "I move that the Collinsville Community Unit School District No. 10 Budget for the 2025-26 fiscal year be adopted as presented and marked Exhibit "E 9.1" and that the resolution be made part of the Board minutes.
>
> WHEREAS, the Board of Education of Collinsville Community Unit School District No. 10, Counties of Madison and St. Clair, State of Illinois, caused to be prepared in tentative form a budget, and the Secretary of this Board has made the same conveniently available to public inspection for at least thirty days prior to final action thereon;
>
> AND WHEREAS, a public hearing was held as to such budget on the 22nd day of September 2025, notice of said hearing was given at least thirty days prior thereto as required by law, and all other legal requirements have been complied with;
>
> NOW THEREFORE, be it resolved by the Board of Education of said district as follows:
>
> Section 1: That the fiscal year of this School District be and the same hereby is fixed and declared to be beginning July 1, 2025, and ending June 30, 2026.
>
> Section 2: That the following budget containing an estimate of amounts available in each Fund, separately, and of expenditures from each be and the same is hereby adopted as the budget of this school district for said fiscal year."

DEFICIT BUDGET SUMMARY INFORMATION - Operating Funds Only (School Districts Only)

Direct Revenues	72,294,950	8,348,000	5,725,000	1,000,000	**87,367,950**
Direct Expenditures	74,435,985	11,136,900	7,011,450		**92,584,335**
Difference	(2,141,035)	(2,788,900)	(1,286,450)	1,000,000	**(5,216,385)**
Estimated Fund Balance - June 30, 2026	27,378,864	5,049,779	176,812	12,197,845	**44,803,300**

Unbalanced budget; however, a Deficit Reduction Plan is not required at this time.

A deficit reduction plan is required if the local board of education adopts (or amends) the 2025-2026 school district budget in which the "operating funds" listed above result in direct revenues (line 9, BudgetSum 2-4) being less than direct expenditures (line 19, BudgetSum 2-4) by an amount equal to or greater than one-third (1/3) of the ending fund balance (line 81, BudgetSum 2-4).

Note: *The balance is determined using only the four funds listed above. That is, if the estimated ending fund balance is less than three times the deficit spending, the district must adopt and file with ISBE a deficit reduction plan to balance the shortfall within three years.*

Per School Code (105 ILCS 5/17-1) - If the Deficit AFR Summary Information tab from the 2024-2025 Annual Financial Report (AFR) reflects a deficit as defined above, then the school district shall adopt and submit a deficit reduction plan (found here on page 23-27) to ISBE within 30 days after acceptance of the AFR.

The deficit reduction plan, if required, is developed using ISBE guidelines and format.

Part I: Achieving Student Growth and Making Progress Toward State Education Goals

The questions below allow you to indicate the strategic priorities and strategies that will drive your efforts to achieve student growth and make progress toward state education goals. These may involve investing in any combination of an Organizational Unit's core resources: time, money, people, and programs.

Collaboration Opportunity - Organizational Units may find that Part I is most easily and effectively completed if led by program leaders in consultation with finance leaders.

1) **What are the Organizational Unit's strategic goals for student success for the 2025-26 school year? What measures will be used to evaluate progress? (*No more than 2000 characters, including spaces.*)**

Goal 1: Student Growth will be monitored using Star Fall, Winter and Spring Benchmark Assessments. 75% of students are expected to show 50% SGP in Math and ELA. Goal 2: Student Discipline will be reduced by 10% from Fiscal Year 25 to Fiscal Year 26.

	Top Strategy 1	Top Strategy 2	Top Strategy 3
2) **Select the top three strategies that the Organizational Unit will employ to achieve student growth and make progress toward state education goals. (Select three different responses from the dropdown list.)**	Improve programs, curriculum, and/or learning tools	Maintain or expand pupil support services	Focus increased time and attention on special student groups

If "Other" was selected in question 2, please describe. (*No more than 1000 characters, including spaces.*)

Part II: Planned Use of Evidence-Based Funding

The questions below provide an opportunity to document the stakeholders with whom you consulted and the data you analyzed as you determined your strategic allocations of FY 2026 EBF dollars. Key statistics related to EBF distributions are provided for your reference. Form 50-36/50-39 is typically released before current-year appropriations are known. Therefore, the figures provided are for the prior fiscal year.

5) **Cost Factor Table**

The table below presents the regionally adjusted amount embedded in the Organizational Unit's FY 2025 Adequacy Target for each of the 34 cost factors in the Evidence-Based Funding model (Column F). Column G is required for all Organizational Units that receive at least $5,000 in Tier Funding, while column H is optional. Organizational Units may choose to provide additional narrative context in Columns I-M to elaborate on the figures included in the table. ISBE has produced guidance for populating the cost factor table. The guidance includes a definition for each cost factor, along with suggestions for using Employee Information System position codes and common expenditure accounts to support a determination of expenditures. This guidance is available at https://www.isbe.net/ebfspendingplan.

Column G: If the Organizational Unit will receive at least $5,000 in FY 2026 Tier Funding (as entered in Q2.1/cell G31), column G is required. Please indicate the Organizational Unit's planned expenditures in FY 2026 from Tier Funds only. Organizational Units are not expected to place a value in each cell. Rather, the table allows for the communication of priority investments with new state resources for the current fiscal year. During years in which there is no new Tier Funding, column G will not be required. During years in which Tier Funding is available, the amount of new Tier Funding entered in Q2.1/cell G31 above must equal the sum in cell G90 below. If some or all Tier Funding is invested outside of the cost factors, enter a dollar amount in cell G89 and provide additional context in the space for a narrative beginning in row 93.

Column H: Optionally, Organizational Units may populate column H with total planned expenditures in FY 2026 for each cost factor from all revenue sources (e.g., not just from EBF). By comparing the figures in column F to the figures entered in column H, the Organizational Unit may engage local stakeholders in productive dialogue about resource allocation decisions.

**The total is the Final Adequacy Target (adjusted for Regionalization Factor) calculated in the Full FY 2025 EBF Calculation file. Due to differences in rounding, this figure may vary slightly from the sum of the subtotals in this table.

Part III: Support for Special Student Groups

EBF statute sets aside specific allocations to be spent for special education, English learners, and low-income students. Per statue these designated funds must be spent on programs and services benefiting these specific student groups. Funds for English learners and low-income students must be spent in addition to, and not in lieu of, funding that supports general programs of instruction for all students. Funds attributable to special education must be used for the provision of special education facilities and services as outlined in ILCS 14-1.08. Current-year EBF amounts attributable to each of the special student groups must be reported in Question 1 below (cells G100-G102). If the Organizational Unit received at least $5,000 for any of the student groups, a response to Questions 2 through 4 below is required. For amounts less than $5,000, a response is optional for those questions. All other EBF funds may be spent in any manner deemed appropriate by the school district.

Collaboration Opportunity *- Organizational Units may find that questions in this section are most easily and effectively completed through collaboration between program leaders affiliated with each student group and finance leaders.*

Organizational Units should maintain supporting documentation (e.g., sign-in sheets, meeting agendas) to affirm the veracity of the below assurances. Responses in this section are only required if an Organizational Unit receives any amount of EBF dollars attributable to English learners.

Collaboration Opportunity *- Organizational Units may find that the plan assurances are most easily and effectively completed if led by program leaders.*

DATE: **September 22, 2025**

RE: **Consideration to Approve the Administrative Salary Compensation Report and Employee Compensation Package in Excess of $75,000**

Public Act 96-434 - Salary compensation report: On or before October 1st of each year, each school district in this State, including special charter districts, shall post on its Internet website, if any, an itemized salary compensation report for every employee in the district holding an administrative certificate and working in that capacity, including the district superintendent. The salary compensation report shall include without limitation base salary, bonuses, pension contributions, retirement increases, the cost of health insurance, the cost of life insurance, paid sick and vacation day payouts, annuities, and any other form of compensation or income paid on behalf of the employee. This report shall be presented at a regular school board meeting, subject to applicable notice requirements. In addition, each school district shall submit the completed report to the office of the district's regional superintendent of schools, which shall make copies available to any individual requesting them.

Public Act 97-609 effective January 1, 2012, requires all districts statewide to post on its web site within 6 days after approval of the budget, an itemized compensation report for every IMRF employee earning a TCP (Total Compensation Package) in excess of $75,000. In addition to the required posting, the report must be sent to the Regional Office of Education and presented as an information item at a regularly scheduled board meeting.

I recommend approval of the following suggested motion:

> "I recommend that the Board of Education accept the Administrative Salary Compensation Report pursuant to (P.A. 96-434) and the Employee Compensation Report pursuant to (P.A. 97-609) IMRF Employees with Total Compensation Package in Excess of $75,000."

RE: RECOMMENDATION FOR DIS GOLF CLUB

I am requesting approval that a Golf Squad golf club be established at Dorris Intermediate School. The following students requested the formation of the club: Connor McGinnis and Chloe Eggemeyer. Mr. Doug Hansel will be the faculty advisor for the club and there will be no stipend. The club's establishment would provide another extra curricular opportunity for the students at DIS.

If you have any questions, don't hesitate to contact me.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

 © Insurance Services Office, Inc., 2012

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

(a) The supervision, hiring, employment, training or monitoring of others by that insured; or

(b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph **(1)**, **(2)** or **(3)** above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **(1)** above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible; or

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;

(2) A watercraft you do not own that is:

(a) Less than 26 feet long; and

(b) Not being used to carry persons or property for a charge;

(3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;

(4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft; or

(5) "Bodily injury" or "property damage" arising out of:

(a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or

(b) The operation of any of the machinery or equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment".

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

(a) Any of the other insurance, whether primary, excess, contingent or on any other basis:

(i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

(b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

 © Insurance Services Office, Inc., 2012

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. **Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

10.6. Approval of Dual Enrollment Agreement with Southern Illinois University Edwardsville

Dual Enrollment Agreement between Collinsville Community Unit School District #10 and Southern Illinois University Edwardsville

The Board of Trustees of Southern Illinois University ("SIUE") and Collinsville Community Unit School District ("CUSD 10") agree that dual enrollment programs/courses are an appropriate alternative for high school students who are seeking to be challenged and have mastered (or nearly mastered) the complete high school curriculum and desire college-level coursework that is more rigorous than the high school curriculum. In addition, both SIUE and CUSD 10 believe that dual enrollment programs/courses can enhance and extend the high school curriculum while also avoiding unnecessary duplication in coursework as students transition from high school to college.

This agreement between SIUE and CUSD 10 to offer dual enrollment courses will be carried out in the spirit and understanding as outlined in the attachment. This agreement will commence on September 22, 2025 and may be continued and/or amended from year to year by mutual consent, but in no event extend beyond ten (10) years. Either party may terminate with a 90-day notice, provided that students currently enrolled in the program may continue until the end of the semester.

***This agreement may be amended by mutual agreement. Either party can terminate this agreement any year.**

The information in this attachment outlines the parameters of the dual enrollment that apply to all courses included in the agreement.

Admissions Requirements
Students interested in enrolling for dual enrollment in courses in this agreement will be admitted in accordance with SIUE's admission policy, including any unique conditions that apply to dual enrollment students.

Dual Enrollment Students
Students selected for enrollment in college level course must have appropriate academic qualifications, a high level of motivation, and adequate time to devote to studying a college-level course. The students' course selections are made in consultation with high school counselors and ordinarily are restricted to students in the junior and senior years of high school. Students who enroll in a dual enrollment course will be subject to meeting all mandatory training requirements.

Calendar
The proposed courses will be offered either online or at an SIUE campus and therefore, follow the calendar of the University and will need to be completed within the SIUE semester time frame.

Methods of Credit-Earning
Students will earn only college credit in dual enrollment courses. SIUE will process all information in accordance with past practice for awarding college credit. College credit will be posted on the student's transcript when earned, and each student will receive a college grade only at the appropriate intervals. Grades will be recorded as A, B, C, D or F. Students must receive a "C" or better in all courses used toward graduation, regardless of where they are taken if they would like the course to be counted toward a program.

Enrollment and Withdrawals
All dual enrollment students must be enrolled in the class by the first week of SIUE's semester. A student may withdraw from a course on or before the 10th class day (first two weeks of SIUE semester) and not receive a grade. From the 11th day until the Friday of the **10th** class week a student may withdraw with a grade of "'W." If a student quits attending and does not officially withdraw, a grade of "F" or "**WR**" or "**UW**" may be assigned for the class on SIUE's records. If there are extenuating circumstances, the student may appeal, following SIUE's late withdrawal policies.

Proposed Cost Structure
Students at CUSD 10 who meet the admission requirements stated above will be eligible to enroll in the course with tuition/fees waived. CUSD 10 will be responsible for covering half of the instructional costs for delivering the course. Students will not have access to full fee-based services except for access to the library. A transcript processing/request fee will be charged to students when requesting SIUE to issue proof of earning college credit for the dual enrollment course.

PROPOSAL FOR AN HISTORIC ILLINOIS BUILDING SURVEY MITIGATION OF JEFFERSON ELEMENTARY SCHOOL AT 152 BOSKYDELLS IN COLLINSVILLE, ILLINOIS

INTRODUCTION

This is a proposal for an Historic Illinois Building Survey mitigation investigation of Jefferson Elementary School at 152 Boskydells in Collinsville, Illinois. The HIBS mitigation proposed herein is in accordance with guidelines established by the Illinois State Historic Preservation Office (SHPO) regarding these types of investigations. This project will be carried out using personnel from the Department of Anthropology, University of Illinois at Urbana-Champaign with Dr. Kevin McGowan serving as Project Director and Ms. Marcy Prchal serving as Architectural Historian.

RESEARCH METHODOLOGY

The architectural documentation of the proposed project area will be carried out in three phases:

1. A literature and records search will be conducted at the University of Illinois and in Collinsville, Illinois. Special emphasis will be placed on learning the specific history of the school using available resources. This research will include the development of an historical context in which to evaluate the property structure focusing on the architect, the school's place in Collinsville, and the school's history.

2. The structure will be photographed both interior and exterior, with attention to structural detail. A comparison will be made between the original structure plans and the existing structure plans to document historical changes. A site plan map will be prepared and interior drawings of structure will be made, if not available. A review of the existing literature will be conducted to identify similar structures.

3. A 95 percent HIBS submittal will be prepared and submitted to the Illinois State Historic Preservation Office for review and comment. Upon receiving the comments, if needed, edits will be made and a 100 percent submittal will be prepared for the Illinois State Historic Preservation Office.

PERSONNEL AND SCHEDULING

The HIBS documentation of Jefferson Elementary School at 152 Boskydells in Collinsville, Illinois will be conducted under the supervision of Dr. Kevin McGowan with assistance from Ms. Marcy Prchal (Architectural Historian). The historic records documentation portion of the project will begin immediately following the acceptance of this proposal. Field research may proceed background research to facilitate project timelines. Two days will be spent researching the records at the Illinois Historical Survey and the University of Illinois to establish a context for the structures. An archival specialist

will also conduct research in Collinsville and Madison County repositories regarding the history of the property over a one-day period. All records will be evaluated to develop an historic context. This portion of the project will be done by a Project Specialist.

Field research will be conducted after the records search. Based on anticipated conditions, the project area will be examined by two researchers over a one-day period to document interior and exterior conditions and structural details. The Illinois SHPO will be contacted, in writing, at the conclusion of the field documentation for the building, that all of the information necessary to complete the HIBS documentation has been collected. Following the field work, all plan and photo materials will be processed to create a 95 percent submittal for review. The laboratory portion of the project should be completed within ten weeks. Upon comment from the Illinois State Historic Preservation Office, a 100 percent submittal will be prepared to be submitted to the Illinois State Historic Preservation Office and an electronic copy to Dr. Mark B. Skertich at Collinsville CUSD #10. The entire project should be completed in three months depending upon SHPO review time.
