Dear FOIA Officer,

Under the Illinois Freedom of Information Act (5 ILCS 140), I am requesting access to and copies of the following records regarding staffing contractors hired by Gurnee School District 56 over the past three (3) years.

Please provide records or documents detailing the following information:

- The names of the staffing contractors awarded/hired to fill roles for school psychologists and any other certified professional teachers.
 - The rate that was paid (e.g., hourly, daily, or total contract rate) to each respective contractor for these roles.
 - The term (duration and specific dates) of each awarded contract.
- If possible, I prefer to receive this information in an electronic format (such as PDF or Excel) sent to my email address at ankit@askconsultation.com.

I am requesting these records for non-commercial purposes. If there are any fees associated with this request for searching or copying these records, please inform me beforehand if the cost will exceed \$20.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for your time and prompt attention to this matter.

Sincerely,

Ankit Patel

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140)

Scope of Request:

All products from: Edgenuity, Accelerate Education, Bright Thinker, Pearson, Stride, Edmentum, Imagine Learning, Subject AI.

We are looking for records from 2022 to now that capture the pricing details of any engagement, which may include (where applicable) subscription terms, licensing fees, per-unit costs, and implementation charges.

Specifically, we are seeking:

- Contracts, service agreements, or order forms
- Purchase orders tied to the listed vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

We are glad to accept records in whatever format your office finds easiest to produce, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records already maintained by your office

If portions of the responsive records fall under an exemption, please withhold only those portions and produce the rest.

This request is being submitted for commercial purposes. We are willing to work within whatever procedures Gurnee School District No. 56 uses for handling such requests, and are happy to clarify, narrow, or adjust the scope to reduce the burden on your office.

Please direct responsive records to The Data Branch at the following contact:

Good afternoon, Mr. Brennan,

This email is in response to your Freedom of Information Act (FOIA) request regarding vendor purchasing records from 2022 to the present.

After reviewing the District's records, we located responsive documents for one of the vendors listed in your request. Please see the attached records. The District did not locate responsive records for the remaining vendors.

Please let me know if you have any questions.

Thank you,
Aurora Orozco

AGREEMENT BETWEEN THE GURNEE POLICE
DEPARTMENT, THE VILLAGE OF GURNEE AND
THE BOARD OF EDUCATION GURNEE SCHOOL
DISTRICT 56**

This agreement is entered into between the Gurnee Police ("the Police Department"), The Village of Gurnee ("the Village"), and the Warren Township High School District 56 Board of Education, School District 56 ("the School District").

WHEREAS, the Illinois School Code, 105 ILCS 5/10-20.14, requires the School District parent-teacher advisory committee, in cooperation with local law enforcement agencies, to work with the board of education to develop "policy guideline procedures" for the establishment and maintenance of a reciprocal reporting system between the School District and local law enforcement agencies regarding criminal offenses committed by students; and

WHEREAS, under the Illinois School Student Records Act, 105 ILCS 10/6, school student records are considered confidential, and no school student records or information contained therein may be released, transferred, or disclosed except as permitted by the Student Records Act; and

WHEREAS, under the Juvenile Court Act of 1987, 705 ILCS 405/1-7, law enforcement records are considered confidential, and the inspection and copying of such records that relate to a minor who has been arrested or taken into custody before their 17th birthday are restricted to those exceptions in the Juvenile Court Act; and

WHEREAS, the Illinois School Student Records Act, 105 ILCS 10 /6(a)(6.5), and the General Education Provisions Act, 20 U.S.C. 1232g, authorize school districts to release student records and information to law enforcement officers when necessary for the discharge of their official duties prior to adjudication of the student and upon written certification that the information will not be disclosed to any other party except as provided under law or order of the court; and

WHEREAS, the Juvenile Court Act, 705 ILCS 405/1-7(A)(8)(A), authorizes law enforcement agencies to allow appropriate school officials to inspect and copy law enforcement records under a reciprocal reporting system for certain offenses and under certain specified circumstances; and

WHEREAS, the Board of Education of the School District and the Police Department agree that enhanced communication between these entities under a reciprocal reporting agreement would promote the safety and well-being of students and community residents; and

WHEREAS, the School District and the Police Department are authorized to enter into this agreement pursuant to the Illinois School Code, 105 ILCS 5/10- 20. 14, the Illinois Constitution, art. VII, § 1.O. (a) et seq., and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq.

NOW THEREFORE, the School District, the Village, and the Police Department hereby agree as follows:
