RE: Eisenhower School Library (Temporary) Mural

Dear Amy,

It was great to see you last week, and to talk through the Eisenhower Library Wall. I had some correspondence with the signage company about the graphic options, and am sharing the pricing along with my proposal so that you have the overall cost. I believe the tree theme graphics would be fastest turnaround on my end as I would need to prepare the mural artwork for print files at a larger resolution. I am including a schematic approach for the wall that would be achieved utilizing vinyl wallcovering (Option A.)

I also looked at simplifying the artwork and doing handpainted silhouettes of the trees, grass etc. and then have the signage provider install vinyl decals for lettering, animals and birds etc.

This option is shown in the proposal as (Option B.)

Please let me know if you have any questions.

Kind regards,

WHEREAS, the Group desires to use portions of the Schools for purposes of holding SunGroup educational spiritual activities; and

WHEREAS, the School District has determined that the Group’s use of the School for SunGroup educational spiritual activities on agreed upon dates and hours would not interfere with the School District’s delivery of educational services to its students and residents, and has further determined that such use may enhance delivery of such educational services to the community; and
