4:10 Fiscal and Business Management

The Business Manager is responsible for the School District's fiscal and business management. This responsibility includes annually preparing and presenting the District's statement of affairs to the Board of Education and publishing it before December 1, as required by State law.

The Superintendent shall ensure the efficient and cost-effective operation of the District's business management through the use of computers, computer software, data management, communication systems, and electronic networks, including electronic mail, the Internet, and security systems. Each person using the District's electronic network shall complete an *Authorization for Access to the District's Electronic Network*.

Budget Planning

The District's fiscal year is from July 1 until June 30. The Superintendent shall present to the Board of Education, no later than the first regular meeting in August, a tentative budget with appropriate explanation. This budget shall represent the culmination of an ongoing process of planning for the fiscal support needed for the District's educational program. The District's budget shall be entered upon the Ill. State Board of Education's (ISBE) *School District Budget Form*. To the extent possible, the tentative budget shall be balanced as defined by ISBE guidelines. The Superintendent shall complete a tentative deficit reduction plan if one is required by ISBE guidelines.

Preliminary Adoption Procedures

After receiving the Superintendent or designee's proposed budget, the Board of Education sets the date, place, and time for:

1. A public hearing on the proposed budget, and
2. The proposed budget to be available to the public for inspection.

The Board of Education Secretary or designee shall make arrangements to publish a notice in a local newspaper stating the date, place, and time of the proposed budget's availability for public inspection and the public hearing. The proposed budget shall be available for public inspection at least 30 days before the time of the budget hearing.

At the public hearing, the proposed budget shall be reviewed including the cash reserve balance of all funds held by the District related to its operational levy and, if applicable, any obligations secured by those funds. [PRESSPlus1](#) and the public shall be invited to comment, question, or advise the Board of Education.

Final Adoption Procedures

The Board of Education adopts a budget before the end of the first quarter of each fiscal year (September 30), or by such alternative procedure as State law may define. To the extent possible, the budget shall be balanced as defined by ISBE; if not balanced, the Board will adopt a deficit reduction

plan to balance the District's budget within three years according to ISBE requirements.

The Board of Education adopts the budget by roll call vote. The budget resolution shall be incorporated into the meeting's official minutes. Board of Education members' names voting yea and nay shall be recorded in the minutes.

The Superintendent or designee shall perform each of the following:

5. Make all preparations necessary in order for the Board to timely file its Certificate of Tax Levy, including preparations to comply with the Truth in Taxation Act, and file a Certificate of Tax Levy with the County Clerk on or before the last Tuesday in December. The Certificate lists the amount of property tax money to be provided for the various funds in the budget.
6. Submit the annual budget, a deficit reduction plan if one is required by ISBE guidelines, and other financial information to ISBE according to its requirements.

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/17-1.3, added by P.A. 102-895, requiring districts to disclose this cash reserve balance information “at the public hearing at which the district certifies its budget and levy for the taxable year.” The statute does not specify the manner in which the disclosure must be made; for ease of administration, the added text manages disclosure at the budget hearing by including it in the budget review. To provide evidence of compliance, consider as a best practice recording this disclosure in the board meeting minutes and/or presenting it in writing. The term *operational levy* is not defined in the statute, but it may refer to a district’s *operating funds*, which Ill. State Board of Education rules define as the Educational, Operations and Maintenance, Transportation, and Working Cash funds. 23 Ill. Admin.Code §100.20. Consult the board attorney for guidance. **Issue 110, October 2022**

PRESSPlus 2. Required by 105 ILCS 5/17-1.3, added by P.A. 102-895. Consult the board attorney about the meaning of the *public hearing* for the levy and if the disclosure must always be made at the board meeting at which the board certifies the district’s levy, or only in those instances where notice and a *public hearing* are required by the Truth in Taxation Law. 35 ILCS 200/18-70. Similar to the disclosure of cash reserves made at the budget hearing, a district may want to manage compliance for the levy hearing by incorporating the information into the presentation of the levy at the board meeting. **Issue 110, October 2022**

5:20 Workplace Harassment Prohibited

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, [PRESSPlus1](#) color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

Sexual Harassment Prohibited

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

The Superintendent shall use reasonable measures to inform staff members and applicants of this policy, which shall include reprinting this policy in the appropriate handbooks.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct which has the effect of humiliation, embarrassment or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors, and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be

made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

An employee may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the claim according to that policy, in addition to any response required by this policy.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Nondiscrimination Coordinator or designee shall consider whether action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any other alleged workplace harassment that does not require action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Conduct, and Conflict of Interest*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or policy 2:260, *Uniform Grievance Procedure*.

Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act ([5 ILCS 430/](#)), the Whistleblower Act ([740 ILCS 174/](#)), and the Ill. Human Rights Act ([775 ILCS 5/](#)).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for

participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this policy available in the District's administrative office, and including this policy in the appropriate handbooks.

6:15 School Accountability

According to the Illinois General Assembly, the primary purpose of schooling is the transmission of knowledge and culture through which students learn in areas necessary to their continuing development and entry into the world of work. To fulfill that purpose, the Ill. State Board of Education (ISBE) prepared *State Goals for Learning with accompanying Illinois and PRESSPlus1 Learning Standards*.

The Board of Education gives priority in the allocation of resources, including funds, time, personnel, and facilities, to fulfilling this purpose.

Quality Assurance

The Board continuously monitors student achievement and the quality of the District's work. The Superintendent shall supervise the following quality assurance components, in accordance with State law and ISBE rules, and continuously keep the Board informed:

1. Prepare each school's quality assurance appraisal, whether internal or external, to assess each school's continuous school improvement.
2. Continuously assess the District's and each school's overall performance in terms of both academic success and equity. This includes, without limitation, a thorough analysis of ISBE's balanced accountability measure and each school's Multiple Measure Index and corresponding Annual Measurable Objective provided by ISBE.
3. If applicable, develop District and School Improvement Plans, present them for Board approval, and supervise their implementation.
4. Prepare a school report card, present it at a regular Board meeting, and disseminate it as provided in State law.
5. In accordance with [105 ILCS 5/2-3.153](#), annually administer a climate survey on the instructional environment within the school to, at minimum, students in grades 4 through 8 and teachers.

The Superintendent shall make regular assessment reports to the Board, including projections whether the District and each school is or will be making adequate yearly progress as defined in State law. The Superintendent shall seek Board approval for each District and/or school improvement plan and otherwise when necessary or advisable.

The Superintendent will ensure:

1. Each school building complies with this policy;

- Schools will support and promote an active lifestyle for students.
- Physical education will be taught in all grades and shall include a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. See policies 6:60, *Curriculum Content* and 7:260, *Exemption from Physical Education*.
- During the school day, all students will be required to engage in a physical education course as required by Illinois Law, unless otherwise exempted. See policies 6:60, *Curriculum Content* and 7:260, *Exemption from Physical Education*.

Exempted Fundraising Day (EFD) Requests

All food and beverages sold to students on the school campuses of participating schools during the school day must comply with the "general nutrition standards for competitive foods" specified in federal law.

ISBE rules prohibit EFDs for grades 8 and below in participating schools.

6:65 Student Social and Emotional Development

Social and emotional learning (SEL) is defined as the process through which students enhance their ability to integrate thinking, feeling, and behaving to achieve important life tasks. Students competent in SEL are able to recognize and manage their emotions, establish healthy relationships, set positive goals, meet personal and social needs, and make responsible and ethical decisions.

The Superintendent shall incorporate SEL into the District's curriculum and other educational programs consistent with the District's mission and the goals and benchmarks of the Ill. Learning Standards. The Ill. Learning Standards include three goals for students:

1. Develop self-awareness and self-management skills to achieve school and life success.
2. Use social-awareness and interpersonal skills to establish and maintain positive relationships.
3. Demonstrate decision-making skills and responsible behaviors in personal, school, and community contexts.

The incorporation of SEL objectives into the District's curriculum and other educational programs may include but is not limited to:

1. Classroom and school-wide programming to foster a safe, supportive learning environment where students feel respected and valued. This may include incorporating scientifically based, age-and-culturally appropriate classroom instruction, District-wide, and school-wide strategies that teach SEL skills, promote optimal mental health, and prevent risk behaviors for all students.
2. Staff development and training to promote students' SEL development. This may include providing all personnel with age-appropriate academic and SEL and how to promote it.
3. Parent/Guardian and family involvement to promote students' SEL development. This may include providing parents/guardians and families with learning opportunities related to the importance of their children's optimal SEL development and ways to enhance it.
4. Community partnerships to promote students' SEL development. This may include establishing partnerships with diverse community agencies and organizations to assure a coordinated approach to addressing children's mental health and SEL development.
5. Early identification and intervention to enhance students' school readiness, academic success, and use of good citizenship skills. This may include development of a system and procedures for periodic and universal screening, assessment, and early intervention for students who have significant risk factors for social, emotional, or mental health conditions that impact learning.
6. Treatment to prevent or minimize mental health conditions in students. This may include building and strengthening referral and follow-up procedures for providing effective clinical services for students with social, emotional, and mental health conditions that impact learning. This may include student and family support services, school-based behavioral health services, and school-community linked services and supports.
7. Assessment and accountability for teaching SEL skills to all students. This may include implementation of a process to assess and report baseline information and ongoing progress about school climate, students' social and emotional development, and academic performance.

7:50 School Admissions and Student Transfers To and From Non-District Schools

Age

To be eligible for admission, a child must be five years old on or before September 1 of that school term. Children who enter first grade must be six years of age on or before September 1 of that school year. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public accredited preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

The Superintendent or designee shall evaluate out of state transfers, if state law differs from Illinois, on a case by case basis.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent.

Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Building Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case shall be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Principal shall so refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye and Dental Examinations, Immunizations, and Exclusion of Students*. Parent(s)/guardian(s) are encouraged to have their child undergo a dental examination.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedures, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law. [PRESSPlus1](#)

Student Transfers to and from Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. The Superintendent is delegated all authority granted to the Board of Education in order to implement this policy, subject to specific Board action to the contrary. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

7:70 Attendance and Truancy

Definitions

Truant - A "truant" is a child subject to compulsory school attendance and who is absent without valid cause from such attendance for a school day or portion thereof.

Valid cause for absence - A child may be absent from school because of illness (including mental or behavioral health of the student), observance of a religious holiday, death in the immediate family, attendance at a civic event, PRESSPlus1 family emergency, situations beyond the control of the student as determined by the Board, other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety.

Chronic or habitual truant - A "chronic or habitual truant" is a child who is subject to compulsory school attendance and who is absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

Truant minor - A child to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs, and other school and community resources have been provided and have failed to result in the cessation of chronic truancy or have been offered and refused.

Compulsory School Attendance

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 8 in the public school regardless of age. Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant), (3) any child lawfully and necessarily employed, and (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

Unauthorized Unexcused Vacations

Parents are highly discouraged from taking vacations outside of the District's planned vacation times. Time out of school can be harmful to a child's progress, growth, and success in school. If a parent decides to take an extended vacation or a vacation when school is scheduled, it is not the responsibility of the teaching staff to prepare work for the trip.

Students who are on vacation for more than ten consecutive, regularly scheduled school days will be

disenrolled. Upon return, parents will need to re-register their child(ren). Student grades will reflect missed assignments, tests, labs, performances, and other class learning activities.

Truancy

The School District will determine if the student is a truant, chronic or habitual truant, or a truant minor. The Superintendent shall direct the appropriate School District staff to develop diagnostic procedures to be used for identifying the cause(s) of unexcused student absenteeism. The diagnostic procedures shall include, but not be limited to, interviews with the student, his or her parent(s)/guardian(s), and any school official(s) or other people who may have information.

The following supportive services may be offered to truant or chronically truant students:

- parent-teacher conferences
- student and/or family counseling
- information about community agency services

If truancy continues after supportive services have been offered, the Building Principal shall refer the matter to the Superintendent. The Superintendent may call upon the resources of outside agencies, such as the juvenile officer of the local police department or the truant office of the North Cook Intermediate Service Center. The Board of Education, Superintendent, School District administrators, and teachers shall assist and furnish such information as they have to aid truant officers.

No punitive action, including out-of-school suspensions, expulsions, or court action shall be taken against a chronic truant for his or her truancy unless available supportive services and other school resources have been provided to the student.

Absence Notification

A student's parent(s)/guardian(s) must: (1) upon the child's enrollment, provide telephone numbers to the Building Principal and update them as necessary, and (2) authorize all absences and notify the school in advance or at the time of the child's absence.

If a student is absent without prior authorization by the parent(s)/guardian(s), the Building Principal or designee shall make a reasonable effort to notify the parent(s)/guardian(s) of the child's absence within 2 hours after the first class by telephoning the numbers given.

Student Employment

The Superintendent shall develop procedures, and present them to the Board of Education for its information, for excusing from attendance those students necessarily and lawfully employed.

Monitoring [PRESSPlus2](#)

Pursuant to State law and policy 2:240, Board Policy Development, the Board updates this policy at least once every two years. The Superintendent or designee shall assist the Board with its update.

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/26-1 and 5/26-2a, amended by P.A. 102-891, eff. 1-1-23, requiring that, subject to Ill. State Board of Education (ISBE) guidelines, middle and high school students be permitted one school day-long excused absence per school year to engage in a *civic event*, defined as “an event sponsored by a non-profit organization or governmental entity that is open to the public. *Civic event* includes, but is not limited to, an artistic or cultural performance or educational gathering that supports the mission of the sponsoring non-profit organization. Schools may require students to provide an appropriate administrator with reasonable advance notice of the intended absence and documentation of participation. **Issue 110, October 2022**

PRESSPlus 2. Updated in response to 105 ILCS 5/22-92(b), added by P.A. 102-157 and renumbered by P.A. 102-813; 23 Ill.Admin.Code §207.30(a), requiring that every two years a board update its absenteeism and truancy policy and file it with the Ill. State Board of Education and the regional superintendent of schools [or Intermediate Service Center Executive Director, whichever is appropriate].

The policy must contain all requirements of 105 ILCS 5/22-92, indicate the date of adoption (by month, day, and year) and any revision dates, and be filed electronically by September 30 each review year through ISBE’s Web Application Security (IWAS) system. 23 Ill.Admin.Code §§207.20(a), 207.30(a). If, after review and re-evaluation of the policy, the district determines that no updates are necessary, either a copy of board minutes clearly indicating the policy was re-evaluated and no changes were deemed necessary or a signed statement from the board president indicating the policy was re-evaluated and no changes were deemed necessary must be submitted to IWAS. 23 Ill.Admin.Code §207.30(a)(3). ISBE has stated that for districts that update the adoption date listed on a policy whenever the policy is updated, the date of adoption is sufficient to also indicate the revision date. See ISBE's *Absenteeism and Truancy Policy FAQ*, at: www.isbe.net/Documents/Absenteeism-Truancy-Policy-FAQ.pdf.

ISBE rules implementing this requirement were published in the Ill. Register in October 2022 but provide that “[n]o later than September 30, 2022, or no later than September 30 of the first full school year a school becomes subject to this Part, each school or district must file the policy through the State Board of Education’s Web Application Security (IWAS), and must submit an updated policy every two years thereafter by no later than September 30 of the year due.” 23 Ill.Admin.Code §207.30(a). ISBE informed the **PRESS** Editors that due to the late publication date, the submission deadline for the 2022-2023 school year is extended to 1-13-23, and the September 30 submission deadline is not operative until the 2023-2024 school year. **Issue 110, October 2022**

Board of Education

2:105 Ethics and Gift Ban

Prohibited Political Activity

The following precepts govern political activities being conducted by District employees and Board of Education members:

1. No employee shall intentionally perform any “political activity” during any “compensated time,” as those terms are defined herein.
2. No Board member or employee shall intentionally use any District property or resources in connection with any political activity.
3. At no time shall any Board member or employee intentionally require any other Board member or employee to perform any political activity: (a) as part of that Board member’s or employee’s duties, (b) as a condition of employment, or (c) during any compensated time off, such as, holidays, vacation, or personal time off.
4. No Board member or employee shall be required at any time to participate in any political activity in consideration for that Board member or employee being awarded additional compensation or any benefit, whether in the form of a salary adjustment, bonus, compensatory time off, continued employment or otherwise; nor shall any Board member or employee be awarded additional compensation or any benefit in consideration for his or her participation in any political activity.

A Board member or employee may engage in any activity that: (1) is otherwise appropriate as part of his or her official duties, or (2) is undertaken by the individual on a voluntary basis that is not prohibited by this policy.

Limitations on Receiving Gifts

Except as permitted by this policy, no Board member or employee, and no spouse of or immediate family member living with a Board member or employee shall intentionally solicit or accept any “gift” from any “prohibited source,” as those terms are defined herein, or that is otherwise prohibited by law or policy. No prohibited source shall intentionally offer or make a gift that violates this policy.

The following are exceptions to the ban on accepting gifts from a prohibited source:

1. Opportunities, benefits, and services that are available on the same conditions as for the general public.
2. Anything for which the Board member or employee, or his or her spouse or immediate family member, pays the fair market value.
3. Any: (a) contribution that is lawfully made under the Election Code, or (b) activities associated with a fundraising event in support of a political organization or candidate.
4. Educational materials and missions.
5. Travel expenses for a meeting to discuss business.

6. A gift from a relative, meaning those people related to the individual as father, mother, son, daughter, brother, sister, uncle, aunt, great aunt, great uncle, first cousin, nephew, niece, husband, wife, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister, and including the father, mother, grandfather, or grandmother of the individual's spouse and the individual's fiancé or fiancée.
7. Anything provided by an individual on the basis of a personal friendship unless the recipient has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the recipient or his or her spouse or immediate family member and not because of the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the recipient shall consider the circumstances under which the gift was offered, such as: (a) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals; (b) whether to the actual knowledge of the recipient the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and (c) whether to the actual knowledge of the recipient the individual who gave the gift also at the same time gave the same or similar gifts to other Board members or employees, or their spouses or immediate family members.
8. Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are: (a) consumed on the premises from which they were purchased or prepared; or (b) catered. "Catered" means food or refreshments that are purchased ready to consume which are delivered by any means.
9. Food, refreshments, lodging, transportation, and other benefits resulting from outside business or employment activities (or outside activities that are not connected to the official duties of a Board member or employee), if the benefits have not been offered or enhanced because of the official position or employment of the Board member or employee, and are customarily provided to others in similar circumstances.
10. Intra-governmental and inter-governmental gifts. "Intra-governmental gift" means any gift given to a Board member or employee from another Board member or employee, and "inter-governmental gift" means any gift given to a Board member or employee from an officer or employee of another governmental entity.
11. Bequests, inheritances, and other transfers at death.
12. Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the listed exceptions is mutually exclusive and independent of every other.

A Board member or employee, his or her spouse or an immediate family member living with the Board member or employee, does not violate this policy if the recipient promptly takes reasonable action to return a gift from a prohibited source to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under [26 U.S.C. §501\(c\)\(3\)](#).

Enforcement

The Board President and Superintendent shall seek guidance from the Board attorney concerning compliance with and enforcement of this policy and State ethics laws. The Board may, as necessary or prudent, appoint an Ethics Advisor for this task.

Written complaints alleging a violation of this policy shall be filed with the Superintendent or Board President. If attempts to correct any misunderstanding or problem do not resolve the matter, the Superintendent or Board President shall, after consulting with the Board attorney, either place the

alleged violation on a Board meeting agenda for the Board's disposition or refer the complainant to Board policy 2:260, *Uniform Grievance Procedure*. A Board member who is related, either by blood or by marriage, up to the degree of first cousin, to the person who is the subject of the complaint, shall not participate in any decision-making capacity for the Board. If the Board finds it more likely than not that the allegations in a complaint are true, it shall notify the State's Attorney and/or consider disciplinary action for the employee.

Complaints of Sexual Harassment Made Against Board Members by Elected Officials

Pursuant to the State Officials and Employees Ethics Act ([5 ILCS 430/70-5](#)), members of the Board and other elected officials are encouraged to promptly report claims of sexual harassment by a Board member. Every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available. Board members and elected officials should report claims of sexual harassment against a member of the Board to the Board President or Superintendent. If the report is made to the Superintendent, the Superintendent shall promptly notify the President, or if the President is the subject of the complaint, the Vice President. Reports of sexual harassment will be confidential to the greatest extent practicable.

When a complaint of sexual harassment is made against a member of the Board by another Board member or other elected official, the Board President shall appoint a qualified outside investigator who is not a District employee or Board member to conduct an independent review of the allegations. If the allegations concern the President, or the President is a witness or otherwise conflicted, the Vice President shall make the appointment. If the allegations concern both the President and Vice President, and/or they are witnesses or otherwise conflicted, the Board Secretary shall make the appointment. The investigator shall prepare a written report and submit it to the Board.

If a Board member has engaged in sexual harassment, the matter will be addressed in accordance with the authority of the Board.

The Superintendent will post this policy on the District website and/or make this policy available in the District’s administrative office.

Board of Education

2:265 Title IX Sexual Harassment Grievance Procedure

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in 20 U.S.C. §1092(f)(6)(A)(v), *dating violence* as defined in 34 U.S.C. §12291(a)(11~~9~~), *domestic violence* as defined in 34 U.S.C. §12291(a)(12~~8~~), or *stalking* as defined in 34 U.S.C. §12291(a)(36~~9~~). [PRESSPlus1](#)

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from [34 C.F.R. §106.30](#)

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Title IX Coordinator:

Name

Dr. Dominick Lupo, Assistant Superintendent

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics*; *Code of Professional Conduct*; and *Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R. §106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:

- a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
 5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
 6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
 7. Include reasonably prompt timeframes for conclusion of the grievance process.
 8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
 9. Base all decisions upon the *preponderance of evidence* standard.
 10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
 11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
 12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

4:165 Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, *Curriculum Content*;
 - b. Information in policy 7:250, *Student Support Services*, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and employee-student^{PRESSPlus1} boundary violations pursuant to policy 5:120, *Employee Ethics*; Code of Professional Conduct; and *Conflict of Interest*;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 5:90, *Abused and Neglected Child Reporting*; 5:100, *Staff Development Program*; and 5:120, *Employee Ethics*; Code of Professional Conduct; and *Conflict of Interest*; and

3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and employee-student boundary violations with evidence-informed educational information that also includes:

- a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, *Employee Ethics*; Code of Professional Conduct; and *Conflict of Interest*, and how to prevent child sexual abuse from happening;
 - b. Methods for how to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, *Student Support Services*.
4. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

5:220 Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license ~~or short-term substitute license~~ and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 days beginning with the 2021-2022 through the 2022-2023 school year.^{PRESSPlus1} otherwise 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The Ill. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year, but not more than 100 paid days in the same classroom. Beginning July 1, 2023, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board of Education establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers^{PRESSPlus2}

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program.^{PRESSPlus3} Unless otherwise permitted by law,^{PRESSPlus4} short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Intermediate Service Center within five business days after the employment of a substitute teacher in an emergency situation.

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/21B-20(3), amended by P.A. 102-717. **Issue 110, October 2022**

PRESSPlus 2. [105 ILCS 5/21B-20\(4\)](#) governs Short-Term Substitute Teaching Licenses, which may be issued from 7-1-18 until 6-30-23. Short-Term Substitute Teaching Licenses are not eligible for endorsements. Applicants for a Short-Term Substitute Teaching License must hold an associate's degree or have completed at least 60 credit hours from a regionally accredited institution of higher education. Individuals who have had their Professional Educator License or Educator License with Stipulations suspended or revoked are not eligible to be short-term substitutes. *Id.* Short-term substitutes may not be hired for teacher absences lasting six or more days. [105 ILCS 5/21B-20\(4\)](#) repeals on 7-1-23.

PRESSPlus 3. [105 ILCS 5/10-20.67](#) requires boards to conduct this training. This requirement provides an opportunity for each board and the superintendent to examine all current policies, collective bargaining agreements, and administrative procedures on this subject. Each board may then want to have a conversation with the superintendent and direct him or her to develop a curriculum for a short-term substitute teacher training program that provides individuals who hold a Short-Term Substitute Teaching License with information on curriculum, classroom management techniques, school safety, and district and building operations. See also 5:220-AP, *Substitute Teachers*, and f/n 3 in 5:220-AP. These expectations will be most effective when they reflect local conditions and circumstances. Training and curriculum for a short-term substitute teacher training program may be subjects of mandatory collective bargaining, therefore consulting with the board attorney should be a part of this process. A district would commit an unfair labor practice by implementing new programs for staff without first offering to negotiate them with the applicable exclusive bargaining representative.

School boards may choose to also offer this training program to individuals who hold a Substitute Teaching License and/or substitute teachers holding a Professional Educator License. This provision repeals on 7-1-23.

PRESSPlus 4. Updated in response to 105 ILCS 5/21B-20(4), amended by P.A. 102-712, permitting short-term substitute teachers to substitute for a licensed teacher for up to 15 (rather than five) consecutive school days, if the Governor has declared a disaster due to a public health emergency, through 6-30-23. **Issue 110, October 2022**

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

FamilyChild Bereavement Leave [PRESSPlus2](#)

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq.*) to take familychild bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the FamilyChild Bereavement Leave Act. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee’s request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of ~~his or her child~~ the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one ~~child-covered family member~~ in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the FamilyChild Bereavement Leave Act. This policy does not create any right for an employee to take ~~familychild~~ bereavement leave that is inconsistent with the FamilyChild Bereavement Leave Act.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601 et seq.](#)).

Leaves to Serve as an Officer or Trustee of a Specific Organization

Upon request, the School Board will grant: (1) an unpaid leave of absence to a teacher who is elected to serve as an officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) 20 days of paid leave of absence per year to a trustee of the Teachers' Retirement System to attend meetings and seminars as described in [105 ILCS 5/24-6.3](#), and (3) a paid leave of absence for the local association president of a State teacher association that is an

exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in [105 ILCS 5/24-6.2](#).

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

COVID-19 Paid Administrative Leave [PRESSPlus5](#)

During any time when the Governor has declared a disaster due to a public health emergency under 20 ILCS 3305/7, paid administrative leave is available to eligible employees if the District, State or any of its agencies, or the local health department has issued guidance, mandates, or rules related to COVID-19 that restrict an employee from being on District property for a reason outlined in State law.

For an employee to be eligible for COVID-19 paid administrative leave, the employee must be fully vaccinated against COVID-19 [PRESSPlus6](#) as defined in 105 ILCS 5/10-20.83 (final citation pending).

[Q1](#)

The employee will receive as many days of administrative leave as required to abide by the public health guidance, mandates, and requirements issued by the Ill. Dept. of Public Health, unless a longer period has been negotiated with the exclusive bargaining representative.

As a condition of being granted COVID-19 paid administrative leave, an employee shall provide all documentation necessary to substantiate the employee's eligibility for the leave, as requested by the Superintendent or designee. [PRESSPlus7](#) An employee who is on COVID-19 paid administrative leave will receive the employee's regular rate of pay; the leave will not diminish any other leave or benefits of the employee. Employees may not accrue COVID-19 paid administrative leave.

Questions and Answers:

***Required Question 1. Does the board require fully vaccinated employees to participate in a district COVID-19 testing program?

No. (Default)

Yes. (IASB will add "and participate in the District's COVID-19 testing program" to the end of this sentence.)

PRESSPlus Comments

PRESSPlus 1. 105 ILCS 5/24-6, amended by P.A. 102-697, requires districts to return sick leave used by a fully vaccinated teacher for a qualifying COVID-19 related reason during the 2021-2022 school year, provided the teacher was "fully vaccinated against COVID-19" by 5-10-22. The law prohibits districts from rescinding the returned sick leave in the event the definition of "fully vaccinated against COVID-19" is later updated by the Centers for Disease Control and Prevention (CDC) or the Ill. Dept. of Public Health (IDPH) to include recommended booster doses. **Issue 110, October 2022**

PRESSPlus 2. Updated in response to the Family Child Bereavement Act, 820 ILCS 154/, amended by P.A. 102-1050, eff. 1-1-23, expanding the entitlement to unpaid bereavement leave to *covered family members*, and to include absences related to unsuccessful pregnancies and adoptions. The employer may require reasonable documentation as specified in 105 ILCS 154/10(d), amended by P.A. 102-1050, eff. 1-1-23, but may not require that an employee identify which specific category under item (4) in the first paragraph of this subhead pertains to the leave. **Issue 110, October 2022**

PRESSPlus 3. *Domestic partner*, when used to refer to an unmarried employee, includes: (1) the person recognized as the domestic partner of the employee under any domestic partnership or civil union law of a state or political subdivision of a state, or (2) an unmarried adult who is in a committed, personal relationship with the employee, who is not a domestic partner as described in item (1) and who the employee designates as that employee's domestic partner. 820 ILCS 154/5, amended by P.A. 102-1050, eff. 1-1-23. **Issue 110, October 2022**

PRESSPlus 4. Note the term *Significant Event* does not appear in the statute; it is included in this policy text as a shorthand term to refer to those events listed in 820 ILCS 154/10(a)(4). **Issue 110, October 2022**

PRESSPlus 5. Required by 105 ILCS 5/10-20.83 (final citation pending), added by P.A. 102-697. Whether some or all of the COVID-19 related reasons listed in 105 ILCS 5/10-20.83(b) and (c)

(final citation pending) apply will depend upon current health guidance and/or rules. The law requires that this leave also be provided retroactively to an employee for a qualifying reason *prior* to 4-5-22 if the employee was fully vaccinated by 5-10-22. The law prohibits districts from rescinding the paid leave if the definition of “fully vaccinated against COVID-19” is later updated by the CDC or IDPH to include recommended booster doses.

Consult the board attorney for guidance about whether the board must accommodate an employee’s religion or disability by exempting the employee from the COVID-19 vaccination prerequisite in 105 ILCS 5/10-20.83 (final citation pending), added by P.A. 102-697, and/or if the board and union may agree that this leave will extend to all unvaccinated employees. Title VII of the Civil Rights Act of 1964 requires employers to accommodate an employee’s sincere religious objection to an employer vaccination requirement unless doing so would be an “undue hardship” on the employer. 42 U.S.C §2000e(j). Similarly, the Americans with Disabilities Act requires an employer to exempt an employee with a disability (including pregnancy-related disability) from a safety-related standard, such as a vaccination requirement, unless the employee poses a *direct threat* to the health or safety of the employee or others while on the job. 29 C.F.R. §1630.2(r). See also the U.S. Equal Employment Opportunity Commission guidance document, *What You Should Know About COVID-19 and the ADA, the Rehabilitation Act, and Other EEO Laws*, at: www.eeoc.gov/wysk/what-you-should-know-about-covid-19-and-ada-rehabilitation-act-and-other-eeo-laws. **Issue 110, October 2022**

PRESSPlus 6. “Fully vaccinated against COVID-19” means: (1) two weeks after receiving the second dose in a two-dose series of a COVID-19 authorized for emergency use, licensed, or otherwise approved by the U.S. Food and Drug Administration (FDA), or (2) two weeks after receiving a single dose of a COVID-19 vaccine authorized for emergency use, licensed, or otherwise approved by the FDA. If the Centers for Disease Control and Prevention (CDC) later revises the definition of “fully vaccinated against COVID-19” to include booster doses, and the Ill. Dept. of Public Health (IDPH) adopts the CDC’s revised definition, then employees will have five weeks after IDPH’s action to receive a booster (if eligible) to remain eligible for COVID-19 paid administrative leave. 105 ILCS 5/10-20.83(g) (final citation pending), added by P.A. 102-697. **Issue 110, October 2022**

PRESSPlus 7. This sentence is optional. 105 ILCS 5/10-20.83(d) (final citation pending), added by P.A. 102-697. It is a best practice for boards to require appropriate documentation to verify employee eligibility for the leave benefit. **Issue 110, October 2022**

Educational Support Personnel

5:280 Duties and Qualifications

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to Board policies as they may be changed from time-to-time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Nonlicensed ~~certificated and Unlicensed~~ [PRESSPlus1](#) Personnel Working with Students and Performing Non-Instructional Duties

Nonlicensed ~~certificated and unlicensed~~ personnel performing non-instructional duties may be used:

1. For supervising study halls, long distance teaching reception areas used incident to instructional programs transmitted by electronic media, e.g., computers, video, and audio, detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities or for school activities connected to the academic program during any time in which the Governor has declared a disaster due to a public health emergency, in accordance with ISBE rule, [PRESSPlus2](#)
or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a nonlicensed ~~certificated~~ person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automatic External Defibrillator user according to rules adopted by the Illinois Department of Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

5:330 Sick Days, Vacation, Holidays, and Leaves

Please refer to the current agreement: Between the Board of Education, School District #74, Lincolnwood, Illinois and the Lincolnwood Support Staff Union, Local 1274 IFT/AFT, AFL-CIO for additional information, if applicable.

For employees not covered by this agreement:

Sick Days [PRESSPlus1](#)

Sick leave is defined in State law as personal illness, mental or behavioral complications, [PRESSPlus2](#) quarantine at home, illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent and/or designee shall monitor the use of sick leave.

Ten (10) month employees who work at least 600 hours per year receive 15 paid sick days of which 4 shall be considered personal days. Any personal days not used by the end of the employee work year accrue as sick days. Part-time employees will receive sick leave day(s) equivalent to their work day. Unused sick leave shall accumulate without limit.

All full-time twelve (12) month employees will receive 17 paid sick days and 4 personal days. Any personal days not used by June 30 accrue as sick days. Part-time employees will receive sick leave days equivalent to their work day. Unused sick leave shall accumulate without limit.

The Board may require a certificate from: (1) a physician licensed in Illinois, or any other state, to practice medicine and surgery in all any of its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, or (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, that of a spiritual advisor or practitioner of the employee such person's faith, as a basis for pay during leave after an absence of three (3) days for personal illness, or as it may deem necessary in other cases.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be

used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Sick Days - Retirement

Employees may receive a stipend for each unused sick day in excess of those applied toward their IMRF Retirement Plan upon retirement at the age fifty-five (55) or older. The stipend shall be 1/10 of the employee's per diem wage rate.

This payment will be made in the month after the month following the employee's date of retirement (e.g. an employee who retires as of June 15 will be paid in August).

Vacation

All full-time 12 month personnel shall be entitled to a paid vacation day allotment in accordance with the following schedule: Year One through Year Five, 15 Days; Year Six through Year Ten, 18 Days; Beyond Ten Years, 21 days.

Vacation time will be arranged by mutual agreement between classified office personnel and the Supervising Administrator. Said vacation days shall be used during the period July 1 of the current year to the end of July of the following year (13 months). On August 1 of each year, up to five (5) unused vacation days shall be rolled into the employee's sick leave accumulation and any remaining unused days shall be forfeited unless an exception for an extension is granted by the employee's supervisor.

Holidays

The District will observe all State and federal holidays as identified in the School Code, unless waived exemptions apply. At the discretion of the Superintendent, personnel may be granted additional days off with prior notice. A holiday will not cause a deduction from an employee's time or compensation.

Leaves for Service in the Military and General Assembly

Educational support personnel shall receive the same military and General Assembly leaves that are granted professional staff.

Bereavement Leave

Educational support personnel receive bereavement leave on the same terms and conditions granted professional staff.

An eligible employee is entitled to a school visitation leave on the same terms and conditions granted professional staff.
