4:140 Waiver of Student Fees

The Superintendent will recommend to the Board for adoption what fees, if any, will be charged for the use of textbooks, consumable materials, extracurricular activities, and other school fees. Students will pay fines for loss of school books or other school-owned materials.

Fees for textbooks , other instructional materials, ~~and driver education~~, as well as fines for the loss or damage of school property ^{PRESSPlus1} are waived for students who meet the eligibility criteria for a fee waiver contained in this policy. In order that no student be denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines and charges , the Superintendent will recommend to the Board for adoption what additional fees and fines , if any, the District will waive for students who meet the eligibility criteria for fee waiver. ~~Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.~~

Notification

The Superintendent shall ensure that a notice of waiver applicability is provided to parents/guardians with every bill for fees and/or fines ,^{PRESSPlus2} and that applications for fee waivers are widely available and distributed according to State law and Ill. State Board of Education (ISBE) rule, and that provisions for assisting parents/guardians in completing the application are available.

Eligibility Criteria

A student shall be eligible for a fee and fine waiver when:

The student currently lives in a household that meets the same income ~~free lunch or breakfast eligibility~~ guidelines, with the same limits based on household size, that are used for the free meals program established by the federal government pursuant to the National School Lunch Act, 42 U.S.C. §1758; 7 C.F.R. Part 245 et seq. ; or
2. The student's parents/guardians are veterans or active-duty military personnel with income at or below 200% of the federal poverty line ,^{PRESSPlus3} or ~~The student or student's family is currently receiving aid under Article IV of The Illinois Public Aid Code (Aid to Families with Dependent Children).~~
3. The student is homeless, as defined in the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11434a) ,^{PRESSPlus4}

- Seasonal unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

Verification

[PRESSPlus5](#)

If a student receiving a waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

Determination and Appeal

The Superintendent or designee will notify the parent(s)/guardian(s) promptly as to whether the fee waiver request has been granted or denied. PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/10-20.13, amended by P.A. 102-805, eff. 1-1-23, requiring districts to waive fees and fines, including fines for the loss of school property, for all eligible students. While districts are only required to waive fines for the *loss* of school property and not the *damage* of school property, this policy extends fine waivers to both for ease of implementation and to encourage students to return school property even if damaged (instead of claiming property is lost to avoid a fine). **Issue 110, October 2022**

PRESSPlus 4. Updated in response to 105 ILCS 5/10-20.13(b), amended by P.A. 102-805, eff. 1-1-23, adding homeless children and youth as students eligible for fee and fine waivers.

Students

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

A student's parents/guardians shall present proof that the student was examined by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant and received the immunizations against, and screenings for, preventable communicable diseases, as required by the Department of Public Health (IDPH) rules:

1. Within one year before entering kindergarten or the first grade;
2. Upon entering the sixth and ninth grades; and
3. Whenever a student first enrolls in a District school, regardless of the student's grade.

Proof of immunization against meningococcal disease is required for students in grade 6.

A student enrolling in the School District from a school outside the United States shall also present proof that he/she is tuberculosis free prior to enrollment. In addition, whenever any enrolled student tests positive for tuberculosis, any other student living in the home must undergo testing and present proof that he/she is tuberculosis free in order to continue attendance.

1. As required by State law: The required health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant that their child was risk-assessed or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza, influenza vaccinations, meningococcal disease, and meningococcal vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, physician's assistant, registered nurse or nurse practitioner, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school will request that the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second or sixth grade fails to present proof by May 15, the school will request that the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases

from which the student is not protected.

2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment. The Board of Education is empowered, at its discretion, to require, at its own expense, that a homeless child submit to an examination by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant and receive the immunizations against and screening for, preventable, communicable diseases, as otherwise required by the Department of Public Health.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by a school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This item (4) applies only in cases in which a school administrator or teacher receives a report that bullying through this means has occurred and it does not require a district or school to staff or monitor any nonschool-related activity, function, or program.

Definitions from [105 ILCS 5/27-23.7](#)

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is

meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school counselors, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the following requirements:

1. Using the definition of *bullying* as provided in this policy, the Superintendent or designee shall emphasize to the school community that: (1) the District prohibits bullying, and (2) all students should conduct themselves with a proper regard for the rights and welfare of other students. This may include a process for commending or acknowledging students for demonstrating appropriate behavior.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the [First Amendment to the U.S. Constitution](#) or under [Section 3 of Article I of the Illinois Constitution](#).
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an

anonymous report.

5. The Superintendent or designee shall promptly investigate and address reports of bullying, by, among other things:
 - a. Making all reasonable efforts to complete the investigation within 10 school days after the date the report of the incident of bullying was received and taking into consideration additional relevant information received during the course of the investigation about the reported incident of bullying.

- b. Involving appropriate school support personnel and other staff persons with knowledge, experience, and training on bullying prevention, as deemed appropriate, in the investigation process.

The Superintendent or designee shall investigate whether a reported act of bullying is within the permissible scope of the District's jurisdiction and shall require that the District provide the victim with information regarding services that are available within the District and community, such as counseling, support services, and other programs.

- 6. The Superintendent or designee shall use interventions to address bullying, which may include, but are not limited to, school social work services, restorative measures, social-emotional skill building, counseling, school psychological services, and community-based services.
- 7. A reprisal or retaliation against any person who reports an act of bullying **is prohibited**. Any person's act of reprisal or retaliation will be subject to disciplinary action, up to and including discharge with regard to employees, or suspension and/or expulsion with regard to students.
- 8. A student will not be punished for reporting bullying or supplying information, even if the District's investigation concludes that no bullying occurred. However, a person who is found to have falsely accused another of bullying, as a means of retaliation, as a means of bullying, or provided false information will be treated as either: (a) *bullying*, (b) student discipline up to and including suspension and/or expulsion, and/or (c) both (a) and (b) for purposes of determining any consequences or other appropriate remedial actions.
- 9. The District's bullying prevention and response plan is based on the engagement of a range of school stakeholders, including students and parents/guardians.
- 10. The Superintendent or designee shall post this policy on the District's website, if any, and include it in the student handbook, and, where applicable, post it where other policies, rules, and standards of conduct are currently posted. - 11. Pursuant to State law and policy 2:240, *Board Policy Development*, the Board monitors this policy every two years by conducting a review and re-evaluation of this policy to make any necessary and appropriate revisions. include one of the following:

- 1) An updated version of the policy with the amendment/modification date included in the reference portion of the policy;
- 2) If no revisions are deemed necessary, a copy of board minutes indicating that the policy was re-evaluated and no changes were deemed to be necessary, or a signed statement from the board; or
- 3) A signed statement from the Board President indicating that the Board re-evaluated the policy and no changes to it were necessary.

The Superintendent or designee must post the information developed as a result of the policy re-evaluation on the District's website, or if a website is not available, the information must be provided to school administrators, Board members, school personnel, parents/guardians, and students. Reviews and re-evaluations in years they are due must be submitted to ISBE by September 30.

12. The District's bullying prevention plan must be consistent with other Board policies.

7:285 Anaphylaxis Prevention, Response, and Management Program

School attendance may increase a student's risk of exposure to allergens that could trigger anaphylaxis. Students at risk for anaphylaxis benefit from a Board of Education policy that coordinates a planned response in the event of an anaphylactic emergency. Anaphylaxis is a severe systemic allergic reaction from exposure to allergens that is rapid in onset and can cause death. Common allergens include animal dander, fish, latex, milk, shellfish, tree nuts, eggs, insect venom, medications, peanuts, soy, and wheat. A severe allergic reaction usually occurs quickly; death has been reported to occur within minutes. An anaphylactic reaction can also occur up to one to two hours after exposure to the allergen.

While it is not possible for the District to completely eliminate the risks of an anaphylactic emergency when a student is at school, an Anaphylaxis Prevention, Response, and Management Program using a cooperative effort among students' families, staff members, students, health care providers, emergency medical services, and the community helps the District reduce these risks and provide accommodations and proper treatment for anaphylactic reactions.

The Superintendent or designee shall develop and implement an Anaphylaxis Prevention, Response, and Management Program for the prevention and treatment of anaphylaxis that:

1. Fully implements the Ill. State Board of Education (ISBE)'s model policy required by the School Code that: (a) relates to the care and response to a person having an anaphylaxis reaction, (b) addresses the use of epinephrine in a school setting, (c) provides a full food allergy and prevention of allergen exposure plan, and (d) aligns with [105 ILCS 5/22-30](#) and [23 Ill.Admin.Code §1.540](#).
2. Ensures staff members receive appropriate training, including: (a) an in-service training program for staff who work with students that is conducted by a person with expertise in anaphylactic reactions and management, and (b) training required by law for those staff members acting as *trained personnel*, as provided in [105 ILCS 5/22-30](#) and [23 Ill.Admin.Code §1.540](#).
3. Follows and references the applicable best practices specific to the District's needs in the Centers for Disease Control and Prevention's *Voluntary Guidelines for Managing Food Allergies in Schools and Early Care and Education Programs* and the *National Association of School Nurses Allergies and Anaphylaxis Resources/Checklists*.
4. Provides annual notice to the parents/guardians of all students to make them aware of this policy.
5. Complies with State and federal law and is in alignment with Board policies.

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board monitors reviews and makes any necessary updates to this policy at least once every three years ~~by conducting a review and reevaluation of this policy to make any necessary and appropriate revisions.~~ The Superintendent or designee shall assist the Board with its ~~reevaluation and assessment of this policy's outcomes and effectiveness.  - b. Ill. State Board of Education (ISBE)-recommended guidelines and educational materials for staff training and professional development, along with ISBE-recommended resources for students containing age-appropriate educational materials on youth suicide and awareness, if available pursuant to *Ann Marie's Law* on ISBE's website.
3. Methods of intervention, including procedures that address an emotional or mental health safety plan for use during the school day and at school-sponsored events for a student identified as being at increased risk of suicide including those students who: (A) suffer from a mental health disorder; (B) suffer from a substance abuse disorder; (C) engage in self-harm or have previously attempted suicide; (D) reside in an out-of-home placement; (E) are experiencing homelessness; (F) are lesbian, gay, bisexual, transgender, or questioning (LGBTQ); (G) are bereaved by suicide; or (H) have a medical condition or certain types of disabilities. School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials, for disciplinary or special education purposes regarding a particular student.
4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students, ~~and~~ parents/guardians, ~~and when applicable, the Ill. Dept. of Children and Family Services' Office of Education and Transition Services,~~ [PRESSPlus1](#) certain rights, including the right to inspect, copy, and/or challenge school student records. The information contained in school student records shall be kept current, accurate, clear and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but parent(s)/guardian(s) shall have the right to opt-out of the release of directory information regarding his or her child. The District will comply with State or federal law with regard to release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform students and their parents/guardians of their rights regarding school student records.

General Personnel

5:120 Employee Ethics; Code of Professional Conduct; and Conflict of Interest

Title has been updated. Original Title: Employee Ethics; Conduct; and Conflict of Interest

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others. [PRESSPlus1](#)

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any. [PRESSPlus2](#)

Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct. [PRESSPlus3](#)

The Superintendent or designee shall identify employee conduct standards [PRESSPlus4](#) that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy. [PRESSPlus5](#)
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and policies 2:265, *Title IX Sexual Harassment Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*. [PRESSPlus6](#)
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:

- a. Transporting a student;
 - b. Taking or possessing a photo or video of a student; and
 - c. Meeting with a student or contacting a student outside the employee's professional role.
4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*. [PRESSPlus7](#)
 5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following: [PRESSPlus8](#)
 - a. Violates expectations and guidelines for employee-student boundaries. [PRESSPlus9](#)
 - b. Sexually harasses a student.
 - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926). [PRESSPlus10](#)
 - d. Engages in *grooming* as defined in 720 ILCS 5/11-25. [PRESSPlus11](#)
 - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* [PRESSPlus12](#) is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
 - i. A sexual or romantic invitation.
 - ii. Dating or soliciting a date.
 - iii. Engaging in sexualized or romantic dialog.
 - iv. Making sexually suggestive comments that are directed toward or with a student.
 - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
 - vi. A sexual, indecent, romantic, or erotic contact with the student.

Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

1. Superintendent;
2. Building Principal;
3. Head of any department;
4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
5. Hearing officer;
6. Any employee having supervisory authority for 20 or more employees; and
7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used

in any manner for promoting a political candidate or issue.

Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, “no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee’s immediate family;
2. An employee’s partner; [PRESSPlus13](#) or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

Outside Employment

Employees shall not engage in any other employment or in any private business during regular working hours or at such other times as are necessary to fulfill appropriate assigned duties.

PRESSPlus Comments

PRESSPlus 1. This policy is renamed in response to Faith's Law, 105 ILCS 5/22-85.5, added by P.A. 102-676, so its title explicitly references an employee code of professional conduct. It is rewritten to set forth expectations more clearly for employee behavior, including maintaining appropriate boundaries with students.

This policy largely cites 105 ILCS 5/22-85.5, a small portion of the *Faith's Law* package. *Faith's Law* is the entirety of Public Act 102-676, which closed significant legal loopholes related to combating grooming by: (1) broadening the definition of grooming prohibited by the Criminal Code of 2012 (720 ILCS 5/11-25); (2) authorizing the Ill. Dept. of Children and Family Services to investigate grooming allegations under the Abused and Neglected Child Reporting Act (325 ILCS 5/3); and (3) requiring the Ill. State Board of Education (ISBE) to, by 7-1-23, develop and maintain a resource guide for students, parents/guardians, and teachers about sexual abuse response and prevention resources available in their community (105 ILCS 5/2-3.188). A *Faith's Law* trailer bill, P.A. 102-702, eff. 7-1-23, further combats grooming by amending School Code provisions related to district and third-party contractor hiring practices, suspension and revocation of employee licenses, and criminal history records checks for prospective and current employees. **Issue 110, October 2022**

PRESSPlus 5. 105 ILCS 5/22-85.5(d)(1), added by P.A. 102-676; 23 Ill.Admin.Code Part 22. 105 ILCS 5/22-85.5(d)(1) requires boards to incorporate ISBE's *Code of Ethics for Illinois Educators* in their policies. Prior to this law requiring boards to incorporate the *Code* by reference, this policy incorporated it to demonstrate a board's commitment to the *Code's* principles, potentially allowing a board to enforce the *Code* independently from any action taken by the State Superintendent. **Issue 110, October 2022**

PRESSPlus 6. 105 ILCS 5/22-85.5(d)(5), added by P.A. 102-676, requires districts to reference required employee training related to child abuse and educator ethics in its employee professional conduct policy. **Issue 110, October 2022**

PRESSPlus 7. Required by 105 ILCS 5/22-85.5(d)(4), added by P.A. 102-676. See also 105 ILCS 5/10-23.13(b), amended by P.A. 102-610. **Issue 110, October 2022**

PRESSPlus 11. 720 ILCS 5/11-25(a), amended by P.A. 102-676, defines *grooming* as follows: "A person commits grooming when he or she knowingly uses a computer on-line service, Internet service, local bulletin board service, or any other device capable of electronic data storage or transmission, performs an act in person or by conduct through a third party, or uses written communication to seduce, solicit, lure, or entice, or attempt to seduce, solicit, lure, or entice, a child, a child's guardian, or another person believed by the person to be a child or a child's guardian, to commit any sex offense as defined in Section 2 of the Sex Offender Registration Act, to distribute photographs depicting the sex organs of the child, or to otherwise engage in any unlawful sexual conduct with a child or with another person believed by the person to be a child. As used in this Section, 'child' means a person under 17 years of age." **Issue 110, October 2022**

PRESSPlus 12. Required by 105 ILCS 5/22-85.5(d)(2), added by P.A. 102-676. This definition of *sexual misconduct* is adapted from 105 ILCS 5/22-85.5(c), added by P.A. 102-676. It results from collaboration to implement some recommendations of the *Make Sexual and Severe Physical Abuse Fully Extinct (Make S.A.F.E.) Taskforce* and was endorsed by Stop Educator Sexual Abuse Misconduct & Exploitation (S.E.S.A.M.E.), a national organization working to prevent sexual exploitation, abuse, and harassment of students by teachers and other school staff. 4:55 Use of Credit and Procurement Cards

The Superintendent and employees designated by the Superintendent are authorized to use District credit and procurement cards to simplify the acquisition, receipt, and payment of purchases and travel expenses incurred on the District's behalf. Credit and procurement cards shall only be used for those expenses that are for the District's benefit and serve a valid and proper public purpose; they shall not be used for personal purchases. Cardholders are responsible for exercising due care and judgment and for acting in the District's best interests. [PRESSPlus1](#)

The Superintendent or designee shall manage the use of District credit and procurement cards by employees. It is the Board's responsibility, through the audit and approval process, to determine whether District credit and procurement card use by the Superintendent is appropriate.

In addition to the other limitations contained in this and other Board policies, District credit and procurement cards are governed by the following restrictions:

1. Credit and/or procurement cards may only be used to pay certain job-related expenses or to make purchases on behalf of the Board or District or any student activity fund, or for purposes that would otherwise be addressed through a conventional revolving fund.
2. The Superintendent or designee shall instruct the issuing bank to block the cards' use at unapproved merchants.
3. Each cardholder, other than the Superintendent, may charge no more than \$500 in a single purchase and no more than \$1000 within a given month without prior authorization from the Superintendent or designee.
4. The Superintendent or designee must approve the use of a District credit or procurement card whenever such use is by telephone, fax, and the Internet. Permission shall be withheld when the use violates any Board policy, is from a vendor whose reputation has not been verified, or would be more expensive than if another available payment method were used.
5. The consequences for unauthorized purchases include, but are not limited to, reimbursing the District for the purchase amount, loss of cardholding privileges, and, if made by an employee, discipline up to and including discharge.
6. All cardholders must sign a statement affirming that they are familiar with this policy.
7. The Superintendent or designee shall implement a process whereby all purchases using a District credit or procurement card are reviewed and approved by someone other than the cardholder or someone under the cardholder's supervision.
8. Cardholders must submit the original, itemized receipt to document all purchases.
9. No individual may use a District credit or procurement card to make purchases in a manner contrary to State law, including, but not limited to, the bidding and other purchasing requirements in [105 ILCS 5/10-20.21](#), or any Board policy.
10. The Superintendent or designee shall account for any financial or material reward or rebate offered by the company or institution issuing the District credit or procurement card and shall ensure that it is used for the District's benefit.

The committee reviews such issues as administration of medication in the schools, reciprocal reporting between the School District and local law enforcement agencies regarding criminal offenses committed by students, student discipline, disruptive classroom behavior, school bus safety procedures, and the dissemination of student conduct information. Committee reports and recommendations are made to the Board of Education as requested by the Board.

- Behavioral Interventions Committee

2:250 Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. [PRESSPlus1](#)

Freedom of Information Officer

The Superintendent shall serve as the District's Freedom of Information Officer and assumes all the duties and powers of that office as provided in FOIA and this policy. The Superintendent may delegate these duties and powers to one or more designees but the delegation shall not relieve the Superintendent of the responsibility for the action that was delegated. The Superintendent or designee(s) shall report any FOIA requests and the status of the District's response to the Board at each regular Board meeting.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary materials pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District.

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. All requests for inspection and copying shall immediately be forwarded to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; or
3. Complying with the request would be unduly burdensome.

Within 5 business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to 5 business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made or agree with the person in writing on a compliance period.

Notwithstanding the above, the Freedom of Information Officer shall respond to requests for *commercial purposes* and to *recurrent requesters* (as those terms are defined in Section 2 of FOIA) according to Sections 3.1 and 3.2 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Copying Fees

Persons making a request for copies of public records must pay any applicable copying fee. The Freedom of Information Officer shall, as needed, recommend a copying fee schedule for the Board's approval. Copying fees, except when fixed by statute, are reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. No copying fee shall be charged for the first 50 pages of black and white, letter or legal sized copies. No copying fee shall be charged for electronic copies other than the actual cost of the recording medium.

Fees for Responding to a Request for a Commercial Purpose

In addition to copying fees, persons making a request for a *commercial purpose*, as defined in FOIA, must pay a fee of \$10 for each hour spent by personnel in searching for and retrieving the record. However, no fees shall be charged for the first 8 hours spent by personnel in searching for or retrieving a requested record. The District also charges the actual cost of retrieving and transporting public records from an off-site storage facility when the public records are maintained by a third-party storage facility under contract with the District. Whenever the District charges any fees to a requester making a commercial request, the Freedom of Information Officer shall provide the requester with an accounting of all fees, costs, and personnel hours in connection with the request for public records.

Access

The inspection and copying of a public record that is the subject of an approved access request is permitted at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, a description of the District and the methods for requesting a public record.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g. a litigation hold), District auditor, or other individual authorized by the School Board or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.
