Students

7:270 Administering Medicines to Students

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the District's procedures on dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed *School Medication Authorization Form (SMA Form)* is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

The Building Principal shall include this policy in the Student Handbook and shall provide a copy to the parents/guardians of students.

Self-Administration of Medication

A student may possess and self-administer an epinephrine injector, e.g., EpiPen®, and/or asthma medication prescribed for use at the student's discretion, provided the student's parent/guardian has completed and signed an *SMA Form*. The Superintendent or designee will ensure an Emergency Action Plan is developed for each self-administering student.

A student may self-administer medication required under a *qualifying plan*, provided the student's parent/guardian has completed and signed an *SMA Form*. A qualifying plan means: (1) an asthma action plan, (2) an Individual Health Care Action Plan, (3) an allergy emergency action plan^{III. Food Allergy Emergency Action Plan and Treatment Authorization Form, PRESSPlus1} (4) a plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or (5) a plan pursuant to the federal Individuals with Disabilities Education Act.

The District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication, including asthma medication or epinephrine injectors, or medication required under a qualifying plan. A student's parent/guardian must indemnify and hold harmless the District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of an epinephrine injector, asthma medication, and/or a medication required under a qualifying plan.

School District Supply of Undesignated Opioid Antagonists^{PRESSPlus2}

The Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of⁶

undesigned opioid antagonists and provide or administer them as necessary according to State law. Opioid antagonist means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration. Undesigned opioid antagonist is not defined by the School Code; for purposes of this policy it means an opioid antagonist prescribed in the name of the District or one of its schools or obtained by the District without a prescription. A school nurse or trained personnel, as defined in State law, may administer an undesigned opioid antagonist to a person when they, in good faith, believe a person is having an opioid overdose. Each building administrator and/or his or her corresponding school nurse shall maintain the names of trained personnel who have received a statement of certification pursuant to State law. See the website for the Ill. Dept. of Human Services for information about opioid prevention, abuse, public awareness, and a toll-free number to provide information and referral services for persons with questions concerning substance abuse treatment.

School District Supply of Undesigned Oxygen Tanks^{Q1}

In schools where the District maintains special educational facilities, the Superintendent or designee shall implement 105 ILCS 5/22-30(f) and maintain a supply of undesigned oxygen tanks in the name of the District and provide or administer them as necessary. The supply shall be maintained in accordance with manufacturer instructions and local fire department rules.

Administration of Medical Cannabis

The Compassionate Use of Medical Cannabis Program Act allows a *medical cannabis infused product* to be administered to a student by one or more of the following individuals:

1. A parent/guardian of a student who is a minor who registers with the Ill. Dept. of Public Health (IDPH) as a *designated caregiver* to administer medical cannabis to their child. A designated caregiver may also be another individual other than the student's parent/guardian. Any designated caregiver must be at least 21 years old and is allowed to administer a *medical cannabis infused product* to a child who is a student on the premises of his or her school or on his or her school bus if:
 - a. Both the student and the designated caregiver possess valid registry identification cards issued by IDPH;
 - b. Copies of the registry identification cards are provided to the District;
 - c. That student's parent/guardian completed, signed, and submitted a *School Medication Authorization Form - Medical Cannabis*; and
 - d. After administering the product to the student, the designated caregiver immediately removes it from school premises or the school bus.
2. A properly trained school nurse or administrator, who shall be allowed to administer the *medical cannabis infused product* to the student on the premises of the child's school, at a school-sponsored activity, or before/after normal school activities, including while the student is in before-school or after-school care on school-operated property or while being transported on a school bus.
3. The student him or herself when the self-administration takes place under the direct supervision of a school nurse or administrator.

Medical cannabis infused product (product) includes oils, ointments, foods, and other products that contain usable cannabis but are not smoked or vaped. Smoking and/or vaping medical cannabis is prohibited.

The product may not be administered in a manner that, in the opinion of the District or school, would create a disruption to the educational environment or cause exposure of the product to other students. A school employee shall not be required to administer the product.

Discipline of a student for being administered a product by a designated caregiver, or by a school nurse or administrator, or who self-administers a product under the direct supervision of a school nurse or administrator pursuant to this policy is prohibited. The District may not deny a student attendance at a school solely because he or she requires administration of the product during school hours.

Void Policy

The **School District Supply of Undesignated Opioid Antagonists** section of the policy is void whenever the Superintendent or designee is unable to obtain a supply of opioid antagonists due to a shortage, in which case the District shall make reasonable efforts to maintain a supply.

The **School District Supply of Undesignated Oxygen Tanks** section of the policy is void whenever the Superintendent or designee is, for whatever reason, unable to: (1) obtain for the District a prescription for oxygen tanks from a qualifying prescriber, [PRESSPlus3](#) or (2) fill the District's prescription for undesignated oxygen tanks.

The **Administration of Medical Cannabis** section of the policy is void and the District reserves the right not to implement it if the District or school is in danger of losing federal funding.

Questions and Answers:

***Required Question 1. 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24, permits a district maintaining special educational facilities to maintain a supply of undesignated oxygen tanks in a secure location that is accessible before, during, and after school where a person with developmental disabilities is most at risk, including but not limited to classrooms and lunchrooms. *Special educational facility* is not specifically defined in 105 ILCS 5/14-4.01; consult the board

attorney for advice regarding this term and if it is limited to separate buildings, self-contained classrooms, and/or programs attended solely by students with disabilities. For example, this option may not be available if a district utilizes a special education cooperative for all of its special education programming. There is a reference to *special education facilities* in 105 ILCS 5/14-12.01, which may provide some guidance; it addresses reimbursement for the construction and maintenance of “special education facilities designed and utilized to house instructional program, diagnostic services” and “other special education services for children with disabilities.” 105 ILCS 22-30(f), amended by P.A. 103-196, eff. 1-1-24, does not specify who can administer undesignated oxygen, nor does it specify any training requirements for its use in schools. To minimize potential liability and ensure proper administration, a best practice is to restrict who can administer undesignated oxygen to school nurses and other school personnel who have received appropriate training on the emergency use and storage of oxygen. See sample administrative procedure 7:270-AP2, *Checklist for District Supply of Undesignated Medication(s)*, available at PRESS Online by logging in at www.iasb.com.

Consult the board attorney about the consequences of informing the community that the district will obtain a prescription for a supply of undesignated oxygen tanks and implement a plan for their use, and then not doing it, as doing so may be fraught with legal liabilities. Also fraught with legal liabilities is if the district provides them, but does not have them accessible before, during, and after school where a person with development disabilities is most at risk as required by 105 ILCS 5/22-30(f), amended by P.A. 103-196, eff. 1-1-24. See *In re Estate of Stewart*, 406 Ill.Dec. 345 (2nd Dist. 2016) (denying tort immunity to district, finding its response to a student’s asthma attack was *willful* and *wanton* (which district disputed as a possible heart attack)); *In re Estate of Stewart*, 412 Ill.Dec. 914 (Ill. 2017)(school district’s appeal denied).

Does the district maintain special educational facilities for children with disabilities under 105 ILCS 5/14-4.01?

- No. (IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.)
 - Yes. If yes, does the board want the district to maintain a supply of undesignated oxygen tanks in the name of the District and provide or administer them as necessary? Type "yes" or "no." If no, IASB will delete the subhead regarding School District Supply of Undesignated Oxygen Tanks.):

PRESSPlus Comments

PRESSPlus 1. Updated in response to 105 ILCS 5/10-22.21b and 105 ILCS 5/22-30, amended by P.A. 103-175, replacing the retired *Illinois Food Allergy Emergency Action Plan and Treatment Authorization Form* with allergy emergency action plan in the School Code provisions regarding administration of medication to students. **Issue 113, October 2023**

PRESSPlus 2. Required by 105 ILCS 5/22-30(f), amended by P.A. 103-348, eff. 1-1-24. In the case of a shortage of opioid antagonists, a district must make reasonable efforts to maintain a supply. At least one opioid antagonist, a naloxone nasal spray, has been approved by the U.S. Federal Food and Drug Administration for over-the-counter, nonprescription use. A district must obtain a prescription for a supply of opioid antagonists from a *health care professional* with prescriptive authority under the Substance Use Disorder Act, 20 ILCS 301/5-23, unless it is able to secure a supply without a prescription. *Health care professional* means a physician licensed to practice medicine in all its branches, a licensed physician assistant with prescriptive authority, a licensed advanced practice registered nurse with prescriptive authority, or an advanced practice registered nurse who practices in a hospital or ambulatory surgical treatment center and possesses appropriate

clinical privileges in accordance with the Nurse Practice Act, 20 ILCS 301/5-23(d)(4). **Issue 113, October 2023**

PRESSPlus 3. 105 ILCS 22-30(f), amended by P.A. 103-196, eff. 1-1-24, provides that a physician, a physician assistant who has prescriptive authority under the Physician Assistant Practice Act of 1987 (225 ILCS 95/7.5), or an advanced practice registered nurse who has prescriptive authority under the Nurse Practice Act (225 ILCS 65-40) may prescribe undesignated oxygen tanks in the name of the district to be maintained for use when necessary. **Issue 113, October 2023**

5:20 Workplace Harassment Prohibited

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*; [PRESSPlus1](#) 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

Sexual Harassment Prohibited

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

The Superintendent shall use reasonable measures to inform staff members and applicants of this policy, which shall include reprinting this policy in the appropriate handbooks.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct which has the effect of humiliation, embarrassment or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors, and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be

made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

An employee may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the claim according to that policy, in addition to any response required by this policy.

The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Nondiscrimination Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged workplace harassment that does not require action under Board policies 2:265, *Title IX Sexual Harassment Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and*

Harassment on the Basis of Race, Color, and National Origin Prohibited), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and/or the Ill. Human Rights Act ([775 ILCS 5/](#)).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the

complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same sex. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with the parent(s)/guardian(s) of a student. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student, under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years or age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the

complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by first class U.S. mail or personal delivery as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by first class U.S. mail or personal delivery as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, **one of each of a different** gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

Board of Education

2:265 Title IX Grievance Procedure

Title has been updated. Original Title: Title IX Sexual Harassment Grievance Procedure

Sexual harassment [PRESSPlus1](#) affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in [20 U.S.C. §1092\(f\)\(6\)\(A\)\(v\)](#), *dating violence* as defined in [34 U.S.C. §12291\(a\)\(11\)](#), *domestic violence* as defined in [34 U.S.C. §12291\(a\)\(12\)](#), or *stalking* as defined in [34 U.S.C. §12291\(a\)\(36\)](#).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

Definitions from [34 C.F.R. §106.30](#)

Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

Education program or activity includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

Formal Title IX Sexual Harassment Complaint means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

Respondent means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

Supportive measures mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R. §106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
 - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
 - b. Receive training on the definition of sexual harassment, the scope of the District's

education program or activity, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.

4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

7:180 Prevention of and Response to Bullying, Intimidation, and Harassment

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

This paragraph (item #4) applies only ~~in cases in which~~ when a school administrator or teacher receives a report that bullying through this means has occurred ~~and~~; it does not require ~~a district or school to~~ staff or members to monitor any nonschool-related activity, function, or program.

This may include a process for commending or acknowledging students for demonstrating appropriate behavior.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the [First Amendment to the U.S. Constitution](#) or under [Section 3 of Article I of the Illinois Constitution](#).
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. 2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

New/Unpublished Section

NEW

Discrimination and harassment on the basis of race, color, or national origin [PRESSPlus1](#) negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

Examples of Prohibited Conduct [PRESSPlus2](#)

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

Making a Report or Complaint; Investigation Process [PRESSPlus3](#)

Individuals are encouraged to promptly report claims or incidences of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. [PRESSPlus4](#) To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which: [PRESSPlus5](#)

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

Policy Posting and Distribution

This policy shall be posted on the District's website. [PRESSPlus6](#) The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, [PRESSPlus7](#) and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website [PRESSPlus8](#) and including an age-appropriate summary of the policy in the student handbook(s). [PRESSPlus9](#)

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

PRESSPlus Comments

PRESSPlus 1. This policy is created in response to 105 ILCS 5/22-95 (final citation pending), added by P.A. 103-472, the Racism-Free Schools Law (RFSL). The law requires school districts to have a written policy (or policies) in place by 8-1-24 that prohibit discrimination and harassment based on race, color, and national origin, as well as retaliation. Like other non-discrimination and harassment policies in the PRM, this new policy utilizes the existing complaint process in sample policy 2:260, *Uniform Grievance Procedure*.

The policy must contain the following: (1) descriptions of various forms of discrimination and harassment based on race, color, and national origin, including examples; (2) the district's internal process for filing a complaint regarding a violation of the policy; (3) an overview of the district's prevention and response program that includes procedures for responding to complaints of discrimination and harassment based on race, color, and national origin and retaliation; (4) potential remedies for a violation of the policy; (5) a prohibition on retaliation for making a complaint or participating in the complaint process; (6) the legal recourse available to the Ill. Dept. of Human Rights (IDHR) and federal agencies if a district fails to take corrective action; and (7) directions on how to contact IDHR.

PRESSPlus 4. Required by 105 ILCS 5/22-95(b)(1)(F). **Issue 114, March 2024**

PRESSPlus 5. Items 1-6 must be addressed in a district's procedures for responding to complaints of discrimination and harassment based on race, color, and national origin. See sample administrative procedure 2:270-AP, *Prevention and Response Program for Complaints of Discrimination and Harassment Based on Race, Color, and National Origin*, available at PRESS Online by logging in at www.iasb.com. **Issue 114, March 2024**

PRESSPlus 6. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to post this policy in their website if one exists. If the district does not maintain a website, strike this sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 7. 105 ILCS 5/22-95(b)(2) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires this policy to be "posted in a prominent and accessible location and distributed in such a manner as to ensure notice of the policy to all employees." A district website or staff intranet site qualifies as a prominent and accessible location. If a district does not maintain a website and/or staff intranet, delete ~~District website~~ and/or ~~staff intranet site~~ from this sentence, as applicable, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 8. If the district does not maintain a website, delete ~~posting it on the District's website~~ and from the sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 9. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to publish the policy in student handbook(s). The law also requires a district to annually distribute a "summary of the policy in accessible, age-appropriate language" to students and parents/guardians. The summary may, but does not have to be, included in a student handbook to satisfy the annual distribution requirement. For ease of administration, this sample policy refers to inclusion in the student handbook(s). Districts may find it cumbersome to include both the policy and an age-appropriate summary of the same policy in a handbook. Consult the board attorney for guidance if the district would like to include a hyperlink to the policy, rather than the full text of the policy in the handbook. The Ill. Principals Association maintains a handbook service that coordinates with PRESS material, Online Model Student Handbook (MSH), at: www.ilprincipals.org/msh. **Issue 114, March 2024**

Questions and Answers:

***Required Question 1. For districts that have a practice of providing instruction in life-saving techniques and first-aid in their staff development programs, insert the following optional paragraph that restates 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800:

"An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator."

Persons performing CPR are generally exempt from civil liability if they are trained in CPR (745 ILCS 49/10); persons performing automated external defibrillation are generally exempt from civil liability if they were trained and acted according to the standards of the American Heart Association (745 ILCS 49/12).

Would the board like to add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800? 64

No. (Default)

Yes. (IASB will add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800.)

PRESSPlus Comments

PRESSPlus 1. This policy is rewritten due to Public Act 103-542, which significantly streamlines school in-service training requirements into eight categories. Though P.A. 103-542 was to be effective on 1-1-24, most of its changes become operative on 7-1-24. As a result, legislative action during Veto Session amended the effective date of P.A. 103-542 to 7-1-24. For more information, see the footnotes of sample policy 5:100, *Staff Development Program*, available at PRESS Online by logging in at www.iasb.com.

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. **Issue 114, March 2024**

PRESSPlus 2. Sexual misconduct under Faith's Law is defined in 105 ILCS 5/22-85.5(c), added by P.A. 102-676. **Issue 114, March 2024**

PRESSPlus 3. This list of in-service trainings is required by State law but only numbers 4, 5(d), and 7 are required to be specified in board policy. **Issue 114, March 2024**

PRESSPlus 4. Consult the board attorney about whether:

1. All asthma action plans should require immediate 911 calls based upon In re Estate of Stewart, 406 Ill.Dec. 345 (2nd Dist. 2016); In re Estate of Stewart, 412 Ill.Dec. 914 (Ill. 2017) (school district's appeal denied). The court held that a teacher's failure to dial 911 immediately upon a student's asthma attack was willful and wanton conduct, subjecting the school district to liability under the Local Governmental and Governmental Employees Tort Immunity Act.
2. The duties and responsibilities of the district when it asks for but does not receive an asthma action plan from a parent/guardian and the logistics of distributing any received plans to those employees who need to know based upon Stewart, above.

Issue 114, March 2024

PRESSPlus 5. From 6-30-23 through 7-1-24, 105 ILCS 5/10-22.39(g), added by P.A. 103-128, requires that at least once every two years, all District personnel be trained on methods to respond to trauma, including instruction on how to respond to an incident involving life-threatening bleeding and, if applicable, how to use a school's trauma kit. See 105 ILCS 5/10-20.85, added by P.A. 103-128, for a definition of *trauma kit*. To avoid confusion between trauma related to life-threatening bleeding and trauma as defined in 105 ILCS 5/3-11(b), added by P.A. 103-413, this policy uses the phrase *trauma bleeding control kit* instead of *trauma kit*.

Beginning with the 2024-25 school year, training on life-threatening bleeding must be completed within six months of employment and renewed within two ⁶⁵years. Beginning with the 2027-28 school year,

training on life-threatening bleeding must be completed within six months of employment and renewed at least once every five years thereafter. 105 ILCS 5/10-22.39(b-5)(7), added by P.A. 103-542, eff. 7-1-24. **Issue 114, March 2024**

PRESSPlus 6. Optional. These in-services and/or trainings are required by State and/or federal law but are not required to be specified in board policy. Putting this optional list into the policy will help the board monitor that the required in-service and training topics are being covered. While it is possible to *pick and choose*, this practice is likely to add more confusion to an already confusing responsibility. Unless noted, the School Code does not mandate the frequency with which the training must occur. Several other trainings that are mentioned in laws other than the School Code are addressed in other sample policies and procedures. **Issue 114, March 2024**

5:35 Compliance with the Fair Labor Standards Act

Job Classifications [PRESSPlus1](#)

The Superintendent will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

Overtime

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law, the latter shall control.
