Re: Academic Excellence Award – 2011 Illinois Honor Roll

Dear Principal:

Congratulations! Your school has earned an Academic Excellence Award! The Illinois State Board of Education commends you and your faculty on all the good work required to sustain academic excellence in your school.

Across the state, 438 schools earned the Academic Excellence Award for 2011. Many of these schools receive national recognition for their long-time exemplary performance.

To earn an Academic Excellence Award, a school must meet the following criteria:

- Schools must have made Adequate Yearly Progress in 2010 and 2011 as required by No Child Left Behind.
- In schools serving grades 8 and below, 90 percent of students must have met or exceeded state standards in both reading and mathematics for the three most recent school years;
- In high schools, 80 percent of students must have met or exceeded state standards in both reading and mathematics for the three most recent school years.

Enclosed you will find a certificate commemorating this award. At <http://www.ilhonorroll.niu.edu> you can learn more about the Illinois Honor Roll, which includes three categories of awards – Spotlight Schools, Academic Improvement and Academic Excellence. At this website, you will find a page devoted to your school and a customized logo for your use. Also, you will find the criteria for the awards and a full list of award winners.

We encourage you to celebrate your success and share your good news with students, parents and all community partners. Again, I extend my congratulations and very best wishes for continuing success.

District webmaster: Post this template (including the explanatory paragraphs) on the District's website and update the table as information is provided.

All Illinois school board members must receive training in *professional development leadership* (P.A. 97-8) and the *Open Meetings Act* (P.A. 97-504). Mandatory training will also be required after the new teacher evaluation requirements are implemented in each school district. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains mandatory and non-mandatory training and development activities that were completed by each Board member. When the training was provided by the Illinois Association of School Boards, the acronym "IASB" follows the listed activity.

Name	Development and Training Activity and Provider	Date Completed (beginning in 2012 unless otherwise noted)

The Illinois Association of School Boards (IASB) is a voluntary organization of local boards of education dedicated to strengthening the Illinois public schools through local citizen control. Although not a part of State government, IASB is organized by member school boards as a private not-for-profit corporation under authority granted by Article 23 of the School Code. The mission of the IASB is excellence in local school governance in support of quality public education.

For more information regarding IASB and its programs visit www.iasb.com.
