Tentative Budget      Business Manager Pflug reported that the tentative budget was presented last month and noted that there were few changes from when the budget was presented. We changed the interest amounts for each fund and medicaid was coming in higher. For expenditures, personnel changes due to vacancies that were filled and shifting some accounts were the only changes. We still ended up with deficit balances in the O&M fund, IMRF fund, and the tort fund. Overall we are projecting positive fund balances for FY23. No questions were asked.

#### BOE Meeting

1. Roll Call
2. Pledge of Allegiance
3. Public Open Forum
  - 3.1 Recognition of Visitors –President Gorman and Dr. Stirn welcomed guests and thanked guests attending remotely.
  - 3.2 Public Comments – No public comment.
4. Action Items
  - 4.1 Consent Agenda– Business Manager Pflug reviewed the revenues and expenditures. Impact fees were received for 15 home starts totaling \$116,694 and there were no transition fees this month. The bills payable report for both Northern Kane and Central are normal. We expect the auditors will be here next month to present the audits for both Central and Northern Kane. Business Manager Pflug is applying for the school maintenance program grant which will match \$50,000 to put in a generator at HBT.
  - 4.2 Adopt the Final Budget for 2022-2023– A public hearing was held at 5:50 tonight to review the revisions to the FY23 budget. Once approved, the budget will be uploaded to ISBE and the District website and delivered to all the counties.

- 4.3 Overnight Trip for Shrek Musical - This trip was presented last month. Three students will participate in the state production.
  - 4.4 IESA State Cross Country Overnight Trip – Eighth grader Danny Burke will participate in the middle school cross country meet in Bloomington, IL.
  - 4.5 Veterinary Affiliation Agreements – There are five new affiliation agreements and one site renewal which occurs annually for our veterinary externship program.
  - 4.6 Intergovernmental Agreement for School Resource Officer – The agreement is between the Kane County Sheriff's office and the District to provide a School Resource Officer. The agreement will run through 2025 at which time it can be renewed or terminated by either party with 30 days notice. We reinstated splitting the cost with the Sheriff's office. We were able to include in the agreement some School Resource Officer district specific trainings.
5. Information Items
- 5.1 Enrollment Report – This report is cleaner from the start of the year. We are up 146 students since last year at this time.
  - 5.2 Committee Reports
    - a. CCC – They are discussing how to support teachers with diversity. Resource libraries are in each building but we are looking to provide additional support. They also discussed grading policies within grade level groups. Younger students are showing the effects of the COVID year. The secondary level is looking towards more personalized learning, such as offering choices of novels. They are encouraging teachers to adjust their plans depending on the needs of their students. Other districts are moving to standards-based grading, so we are trying to figure out what that looks like. They are working towards increasing student engagement in their learning.
    - b. Diversity, Equity and Inclusion Committee – This District-level committee meets weekly since August and includes administrators from all levels, teachers, and high school students. The mission is to bring awareness on the issues of diversity, equity and inclusion. Students in the committee will give a keynote at the Institute Day in March as well as participate in breakout sessions. There has been great discussion and engagement from the students. They are motivated to transform both students and staff in the District. We are also looking to have a culture event later this year. The focus is on 6-12 this year, moving to elementary next year. We are looking to start a mentoring program to support middle school students who may be struggling with their identity.
6. Freedom of Information Act
- 6.1 We had a request from SmartProcure for employee contact information. We were able to comply with the request in part, providing only District contact information, not personal contact information.
7. Executive Session
- 7.1 Return to Open Session
  - 7.2 Action Items from Closed Session
  - 7.3.1 The personnel report for October 18, 2022 was approved

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness, including mental or behavioral health of the student, **not to exceed 5 days (without a medical note) and after 2nd mental health day used the student may be referred to the appropriate student support personnel**, observance of a religious holiday, death in the immediate family, **attendance at a civic event (middle/high school student only) provided a 3 day notice is given to building administration and student provides documentation of participation**, family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to **the Election Code ~~policy 7:90, Release During School Hours~~** (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe.

#### Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and School Board policy. The program shall include but not be limited to:

1. **Any child "necessarily and lawfully employed" may be exempted from attendance by the superintendent "on certification of the facts by and the recommendation of the school board." 10 ILCS 5/26-1. The policy's language serves to delegate this "certification of the facts" to the superintendent or designee. The following option allows a board to consider and include specific criteria in the policy: ~~A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.~~**

**A student may be excused at the Superintendent's discretion, when: (1) the student has a last period study hall, (2) the parent/guardian provides written permission, (3) the student's employer provides written verification of employment, (4) the student provides evidence of a valid work permit, or (5) other reason deemed justifiable by the Superintendent.**

3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings.
4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification.
5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem.
7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Board policy 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*.
8. A process for the collection and review of chronic absence data and to:
  - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and
  - b. Encourage the habit of daily attendance and promote success.
9. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement.
10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered.
11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records.
12. An acknowledgment that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student.
13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies.
14. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. The student must provide documentation of his/her dropout status for the previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.

~~15. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student.~~

Monitoring

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board updates this policy at least once every two years. The Superintendent or designee shall assist the Board with its update.

## Memorandum

To: Dr. Todd Stirn, Superintendent, Board of Education  
From: Daina Pflug, Business Manager  
Subject: 2022 Proposed Tax Levy  
Date: November 21, 2022

---

Attached is information relating to the proposed 2022 tax levy. The Board will be asked to adopt a tentative tax levy resolution for the next school year. In December, a truth in taxation public hearing will be held prior to the regular board meeting and then the Board will be asked to adopt the final tax levy.

Enclosed is an analysis of the history of district EAV and new construction numbers, the estimated 2022 EAV, estimated tax rate, and the increase in new dollars over the previous year's extension. We are anticipating approximately \$3,767,264 in new operating dollars, which is a 7.99% increase. There will be an increase in the debt service extension as our bond payments increase from \$8,294,950 to \$8,745,400. The total operating and debt service extension will be approximately \$59,621,192 if the estimated total EAV is close to \$922,500,000 and new construction is near \$25,600,000, which are the most recent numbers provided by the Kane County Tax Extension officer.

As in past years, it is necessary to request a higher amount than what we anticipate receiving to ensure full access to dollars that are generated through new construction EAV. The law provides that a district cannot receive more than what it is entitled. A district cannot receive more than what was requested in each fund.

Since the proposed operating extension is more than a 5% increase, we are required to publish a Truth in Taxation notice and conduct a public hearing.

RE: Veterinarian Affiliation Agreements

---

As part of the National Association of Veterinary Technicians in America (NAVTA) program requirements for students to obtain their Veterinarian Assistant certificate students are required to complete 100 hours of externships. We are currently working with many different animal clinics to seek partnerships for these opportunities for our students. These agreements ensure that students receive practical experiences that meet educational standards, and ensure an appropriate learning environment away from the students' school that matches the career focus. I am seeking approval for the following sites:

Kountry Pet Resort - Established

Ruffner's Luxury Pet Boarding - NEW

Batavia Animal Clinic - NEW

# Standard Affiliation Agreement

Dear Batavia Animal Clinic

Thank you for allowing our students to complete their required externship hours at your facility.

Prior to our students beginning their externship visits at your facility, we will need this Affiliation Agreement completed. Please review this Affiliation Agreement document and place an electronic signature in the designated area. Once all required signatures are obtained, an electronic copy of this document will be shared with you for your records.

Please reach out with any questions or concerns you have regarding this document.

The Facility must notify the District in advance of any specific requirements for the Facility, such as dress code, uniforms, or other workplace rules.

**3. Emergency treatment of students.** In case of emergency at a non-hospital site, standard procedure will be followed. The District may provide the Facility with specific protocols to be followed for emergency treatment of an individual student, if necessary. It is the student's responsibility to bear the cost of the emergency treatment.

**4. Designation of liaison to the District; communications relating to placements.** The Facility shall designate a liaison responsible for coordinating the placements. Notwithstanding the foregoing, the Facility and the District agree and understand that the availability of clinical placements at the Facility during the term of this Agreement may periodically be affected by a variety of factors. In such event, the Facility may reduce the number of students eligible to participate in the clinical education program with prior notice to the District and adequate time for the District to reassign the student(s) to another clinical site. The Facility agrees further to accommodate students of the District who are similarly displaced from other clinical affiliates of the District to the extent that clinical space is available at the Facility.

RE: 2023-2024 School Calendar

---

A calendar committee composed of district and building administrators drafted a school calendar for 2023-2024. We tried to align our calendar to the Mid-Valley Special Education Cooperative, Regional Pathway districts, and the Fox Valley Athletic Conference calendars. I am recommending that we adopt a calendar with the first day of student attendance on Monday, August 14th for Kindergarten-12th grade and Thursday, August 17th for early childhood. The last day of student attendance will be Monday, May 20th and the last teacher workday will be Tuesday, May 21st. The calendar has five emergency days at the end of the year. The spring break in this calendar aligns with the Fox Valley Athletic Conference as well as the Mid-Valley Special Education Cooperative. In addition, the calendar contains 87 days in each semester.

The calendar meets the requirements set forth by the Illinois School Code.

RE: FFA Chapter - Model of Excellence Winner and Top 3 Chapter

Central Community Unit School District 301 student Samantha Alvarez has won the National FFA's 2022 National Championship award, and the Central Burlington FFA chapter was honored as a Model of Excellence winner during the 95th National FFA Convention & Expo.

Samantha Alvarez serves as the first ever National Award Winner at the FFA Nationals. She competed against 25 other state winners and over 700 projects in total.

Meanwhile, the Central Burlington FFA was named as a Top 3 Chapter in the United States. Across America, 650 chapters applied for this honor. Only ten (10) high school chapters across America are chosen as Model of Excellence chapters. Criteria for the National FFA Model of Excellence chapters include exhibiting exemplary qualities in all categories of growing leaders, building communities and strengthening agriculture. The Central chapter was among those 10 finalists invited to compete on the Finals Hall stage in front of more than 15,000 people at Lucas Oil Stadium in Indianapolis this past weekend. The four students a part of this team were Samantha Alvarez, Olivia Ufnal, Ray Gray & Haley Podzimek.

Congratulations to all of the fine students who competed, especially Samantha. And kudos to the team of Mr. Robinson, Mr. Dalen and Mrs. Ballard on their hard work.
