Goal 1: Develop plans to improve student performance, close the achievement gap and actively monitor the acquisition of college, career and cultural readiness skills.

Goal 2: Focus on learning programs aligned to local, state and national standards, incorporating critical thinking, applied learning, interdisciplinary curriculum, authentic career-connected programs and digital learning initiatives.

Goal 3: Provide time and resources for ongoing professional growth and development programs that focus on learning standards, diverse learners, assessment and data practices, instructional strategies, social-emotional learning and culturally responsive teaching.

Goal 4: Create inclusive school-community partnerships that develop life skills, foster social-emotional development, promote overall personal well-being and embrace learning and activity before, during and after school hours.
