

**Shared Key
Interests**

1. Advance student learning, achievement, and success by keeping it at the heart and as the filter for our decision making.

2. Utilize research-based curricula that reflects 21st Century themes and applications and are responsive to the needs and potential of all students, preparing them for a global society.

3. Provide real-life, diverse learning opportunities with practical applications in the classroom and beyond.

4. Inform and engage the community in shaping educational strategy and formulating responses to change.

5. Attract, retain, and develop a high quality, diverse, creative, and innovative workforce of leaders.

6. Provide safe, secure, flexible, inviting, and well-maintained environments that nurture student well-being and enhance teaching and learning.

7. Identify, integrate, and expand technology to foster adaptability and maximize learning for all.

8. Foster mutually beneficial partnerships and collaborations that expand learning opportunities and resources.
