RE: District Property Valuation Initial Report

Below you will find the preliminary report on the District's equalized property value. This report assumes a uniform property value change across any given municipality in the District, which is not necessarily true, but necessary until district-wide data is available in October. Following a 1.14% decrease in District-wide property values in 2021 this year's equalized value is expected to increase by approximately 11.98%. District certified property value will not be available until October 1; the given projected increase will be used for the initial budget and during the annual meeting.

# Initial 2022-23 District Budget to be used for the 2022 Annual Meeting

Education/Operations Committee of the Whole  
August 22, 2022

**Our Mission ... To advance student learning, achievement, and success.**

# Separate Agenda Items for the Initial 2022-23 District Budget

- [Set Annual Meeting date \(Item VIII in agenda, ACTION\)](#)
  - Board action is necessary to establish the time, date, and place for the Annual Meeting and Budget Hearing.
  - **Motion to approve Monday, September 26, 2022, as the date for the 2022-2023 Budget Hearing and Annual Meeting. The meeting will be held at 6:00 p.m. in the Nicholson Board Room at the Longfellow Administration Center, beginning with the Budget Hearing followed by the Annual Meeting.**
- [Share equalized value estimates \(Item IX in agenda, NO ACTION NEEDED\)](#)
  - Equalized property values for tax purposes represent statewide property values measured on a consistent basis w/o regard for local assessment or valuation practices.
  - School District equalized values are revealed in the middle of October, but estimates are needed for equalized mill rate estimates offered in the District budget booklet.
  - Last year property value in the District decreased by 1.14%. This year the property valuation is expected to increase by 11.98%.
- [Recommendation for 2022-2023 budget \(Item X in agenda, ACTION\)](#)
  - Board approval is needed to give proper notices and develop all necessary documents, including the District budget book, for presentation at the Annual Meeting and available prior to that event. Following the Sept. 12 Board meeting, the budget book will be available on our website. A draft version of the budget book is available in BoardBook documents.
  - Work will continue on the budget as priorities continue to develop and as the Wisconsin Dept. of Public Instruction and the Wisconsin Dept. of Revenue reveal more data regarding available revenue.

# Separate Agenda Items for the Initial 2022-23 District Budget (cont.)

- [Recommendation for 2022-2023 budget \(Item IX in agenda, ACTION\) \(continued\)](#)
  - Funding made available through ESSER (Federal Elementary and Secondary Schools Emergency Relief) will continue to be used during 2022-23 in the most responsible manner to optimize pandemic recovery with an eye on the eventual sunset of this funding source.
  - Salary increases included in this budget range from 4.5% - 6.23% by employee group.
    - Nutritional Services group: 6.23%
    - Administrative and Educational Support group: 5.78%
    - Maintenance and Custodial group: 4.82%
    - Teacher group: 4.70%
    - Municipal group: 4.57%
    - Administration group: 4.50%
  - Health insurance premiums are projected to remain flat for the 9th time in the last 10 years.
  - The budget presented here is a deficit budget.
  - **Motion to recommend to the Board of Education a preliminary 2022-2023 General Fund budget of \$111,939,464 for expenses and \$111,238,596 for revenue, for presentation at the Annual Meeting and Budget Hearing on September 26, 2022.**

# Separate Agenda Items for the Initial 2022-23 District Budget (cont.)

- [Recommendation for 2022-2023 tax levy \(Item XI in agenda, ACTION\)](#)
  - The mill rate has steadily decreased over time and is projected to decrease by 0.91, to 9.36 per \$1,000 of equalized value for this budget cycle.
  - The unusually large increase in property values significantly contributes to this decrease in mill rate while the full tax levy is projected to increase by 2.06%.
  - The budget includes continuation of the defeasance and debt prepayment strategy that has been successful in stabilizing the mill rate and saving taxpayers millions of dollars over the last several years.
  - **Motion to recommend to the Board of Education a projected tax levy of \$48,295,967 for presentation at the Annual Meeting and Budget Hearing on September 26, 2022.**

# 2022-2023 Budget Calendar

- May 23, Committee of the Whole
  - Committee approval of the initial 2022-2023 budget
- June 13, Board of Education
  - BOE approval of the initial 2022-2023 budget
- **August 22, Committee of the Whole**
  - **Share equalized value**
  - **Set Annual Meeting date**
  - **Recommendation for 2022-2023 budget and tax levy**
- September 12, Board of Education
  - Approve the 2022-2023 budget and tax levy for publication and presentation at Annual Meeting
- September 26, Board of Education and Committee of the Whole
  - Regularly scheduled Ed/Ops Committee meeting
  - Annual Meeting and Budget Hearing
- October 10, Board of Education
  - Full Board approvals from September Committee of the Whole
- October 24, Board of Education (Special Meeting)
  - Adopt final budget
  - Adopt District tax levy

**Motion to approve Monday, September 26, 2022, as the date for the 2022-2023 Budget Hearing and Annual Meeting. The meeting will be held at 6:00 p.m. in the Nicholson Board Room at the Longfellow Administration Center, beginning with the Budget Hearing followed by the Annual Meeting.**

# Share Equalized Value Estimates

- Property Values Assumed to Increase
  - Equalized value represents true property value on a consistent state-wide basis
  - District estimated equalized values are **up 11.98%** over last year, meaning there is considerably more property value to share in the tax burden of the District.
  - The District levies a tax to all eight municipalities in the District based on total equalized value of the District portion of each municipality.
  - Each municipality passes this levy on to individual property owners based on their respective assessment practices.
  - It is beyond the control of the District, whether individual taxpayers have increases or decreases in their tax bill; District control lies only in the total school tax levy.
  - For mill rate estimate purposes, the equalized value of property is assumed to **increase evenly by 11.98%** across the District for 2022-23.

## Recommendation for 2022-2023 budget (some challenges)

- Current State biennial budget includes a zero dollar per student revenue limit increase as well as a zero dollar per student categorical aid increase. Since 2011-12, this has only occurred during one other biennial budget.
- We are in the midst of a nation-wide labor shortage that makes attracting and retaining a high quality workforce of leaders that much more important.
- The rate of inflation is higher than it has been in more than a generation. The July 2022 rate is 8.52%.
- One-time ESSER III funding is available during the upcoming budget cycle for certain operational expenses. It will be difficult to balance the Federal expectation that these funds be used strictly for pandemic recovery and preparedness, with the State expectation that we use these funds to mitigate the damage of a weak biennial State budget.
- ESSER funding runs out following the 2023-24 budget and careful planning must include a combination of eliminating expenses funded with ESSER funds and determining alternative funding sources.

## Recommendation for 2022-2023 budget (some opportunities)

- Significant ESSER funding has yet to be committed.
- The recent success of a pair of referendum questions over the last two years offers some opportunity inside the general fund budget.
  - 2021 question allowing for an additional \$4MM in revenue limit capacity
  - 2022 question allowing for borrowing \$119.8MM for facility improvements
- Health insurance premiums are projected to remain flat for the 9th time in the last 10 years.
- The difficult labor market has led to some unfilled positions and budget savings during 2021-22 with some temporary budget relief also expected for 2022-23.
- A strong fund balance will help us achieve low interest rates during our upcoming debt issues while offering a level of comfort in considering a deficit budget for 2022-23.

# Recommendation for 2022-2023 budget (address challenges while leveraging opportunities)

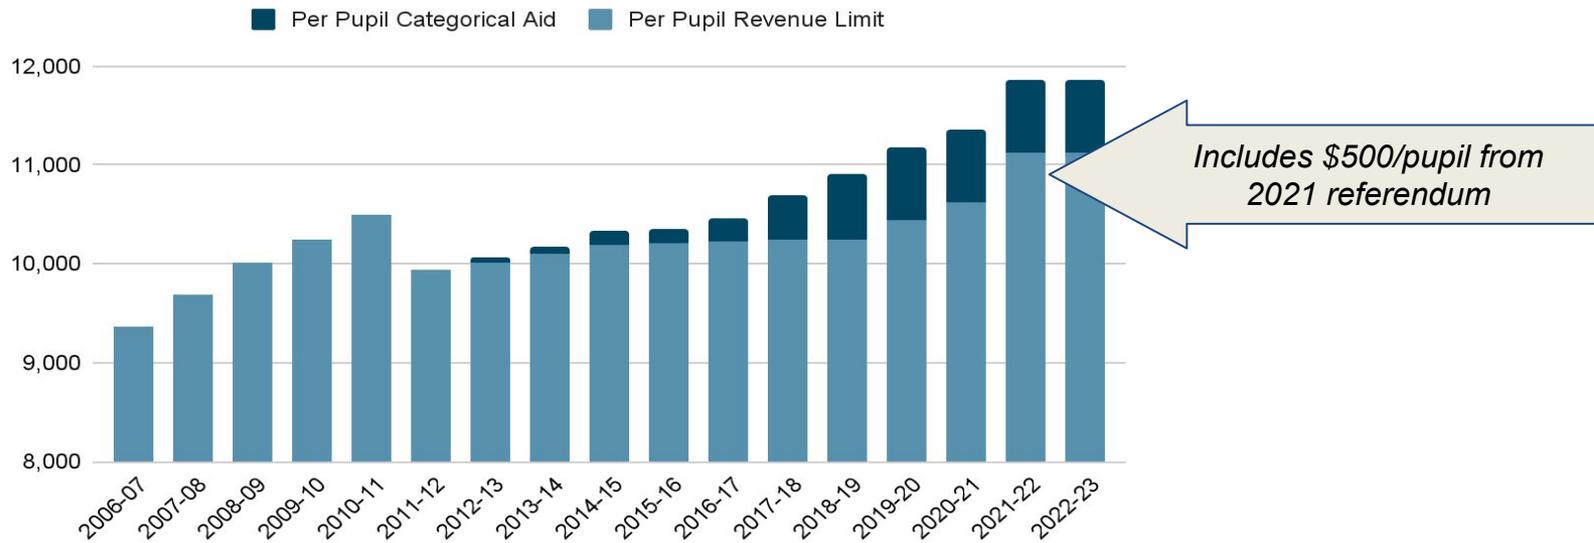

- Staffing plan is initially established and includes some additional staff in high need areas with some re-allocation to address immediate needs.
- Additional referendum revenue limit authority by way of the 2021 operational referendum continues to be allocated to pupil services staff, safety and security operational expenses, short term asset replacement, and budget support for areas underfunded over the past several years.
- An eye on immediate resource allocation funding our highest priorities with a long term strategic lens.
- Salary/wage increases of at least 4.50% for all employment groups.
  - Nutritional Services group increase of 6.23%
  - Administrative and Educational Support increase of 5.78%
  - Maintenance and Custodial group increase of 4.82%
  - Teacher group salary increases of 4.70%
  - Municipal group increase of 4.57%
  - Administration group increase of 4.50%.

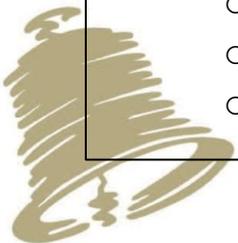

# Recommendation for 2022-2023 budget

- Two significant assumptions in operational revenue, the revenue limit and per pupil categorical aid, will be flat for the coming year per current state biennial budget.
- The 2021 successful referendum did increase the revenue limit by \$500/pupil in 2021-22.

## Sources of Operational Revenue

- During the next two months the following factors impacting the final budget will be revealed.
  - Final District staffing plan
  - Certified District property value
  - State equalization aid final certification
  - 3rd Friday pupil count certification
  - Wisconsin Parental Choice Program voucher costs

# Recommendation for 2022-2023 tax levy (history of levy and mill rate)

- The equalized property value in the District has been steadily increasing over the past ten years.
- This supports a slightly increasing property tax levy with a consistently declining mill rate.
- We will continue to engage in strategies to stabilize mill rates through managing debt repayment schedules while dealing with the irregularity of state biennial budgets and associated funding.

Tax Levy and Mill Rate

# Recommendation for 2022-2023 tax levy

## (Continuation of Defeasance and Debt Prepayment Strategy)

- Debt prepayment and defeasance are strategies leveraged to pay debt ahead of the regularly scheduled payments.
- This strategy has been used over the past five budget cycles and is recommended once again.
- During this five-year period over \$41 million of future debt has been retired.
- Also during this time period, taxpayers have saved over \$6.5 million of interest payments.
- This strategy can also be used as a final variable, once other factors determining the mill rate are established, to achieve a desired target mill rate or tax levy.
- While applying this strategy, the District mill rate has reacted as follows:
  - 2016-17            \$11.14 per \$1000 of equalized value
  - 2017-18            \$11.12            “
  - 2018-19            \$11.00            “
  - 2019-20            \$10.79            “

## 2022-23 Budget Overview

August 22, 2022  
Committee of the Whole  
Draft

## Revenue Highlights

The 2022-23 General and Special Education Funds have four major sources of revenues:

- **Local Property Tax is 25.52% of the revenue budget.**
- **State Equalization, Chapter 220 Aids, and Computer Aid (General State Aids) is 57.68% of the revenue budget.** Chapter 220 Aid represents intradistrict integration aid for our choice program and results in a decrease in the property tax levy.
- **Other State Aid is 8.24% of the revenue budget.** Per Pupil Adjustment Aid, ELL Aid, State Tuition, Transportation Aid, and Library Aid are included in other state aid.
- **Deductible Receipts fund the remaining 8.56% of the revenue budget.** Examples of deductible receipts are building rental fees, tuition received from other school districts, student fees, and grants.

The 2022-23 State Budget impacted District Revenues:

- The District's state equalization aid is estimated to increase 6.93% over prior year.
- The 2022-23 maximum revenue limit of \$11,121 per student increased from the 2021-22 base revenue limit of \$10,625 per student. Revenue limit exemptions increased due to the last year's referendum to exceed revenue limit of \$4,000,000.
- The per pupil adjustment aid is \$742/FTE for the 2022-23 fiscal year.

## Tax Levy

The Proposed 2022-23 Tax Levy consists of the levy for general fund operations, levy for the debt service funds, and levy for community service. The total levy is projected at \$48,295,967 for a dollar increase of \$972,958 and a percentage increase of 2.06% from the 2021-22 tax levy.

The gross mill rate will decrease to \$9.36 per thousand dollars of equalized property value. The mill rate on a home valued at \$100,000 would decrease \$91.

The general fund mill rate will decrease from \$7.33 to \$5.50, largely due to increased equalized property value and equalized aid. Fund 38 is used to account for debt service related to the energy efficiency phase II and III projects, this mill rate will decrease from \$.46 to \$.41. The fund 39 or referendum debt mill rate will increase from \$2.34 to \$3.32. The community service mill rate will decrease from \$.15 to \$.13.

The mill rate is based on the District's projected equalized valuation increasing 11.98%.

## Revenue Projection

**The Preliminary Revenue Projection in** General and Special Project Funds is \$119,763,062 with \$111,238,596 in the General Fund. Revenue in all funds is \$253,641,137. Final revenue numbers will be reevaluated before the final budget and levy are set in late October. Factors that would change the revenue projection along with the tax levy include:

- 1. September Membership Count-** part of the revenue cap calculation. The revenue budget is based on the revenue cap projection full-time equivalency (FTE) enrollment of 8,079 for 2022-2023. This number includes FTE's for summer school. The budget will be adjusted in September to reflect actual FTE at that time.
- 2. Equalization Aid** - calculated using the 2021-23 state budget and dependent on the final 2021-22 actual expenditures. It is an estimated amount based on the July 1<sup>st</sup> Aid Eligibility Worksheet along with 2021-22 unaudited expenditures.

Equalization Aid is projected to increase approximately \$4.1 million. The state equalization aid, the property tax, Chapter 220 aid, state aid for exempt computers and Fund 38 non-referendum approved debt service comprise the revenue limit which is \$95,003,108 which is a decrease of approximately \$1.2 million.

- 3. Grants** - approval and/or disapproval of grants and grant awards may occur after the annual budget is prepared. Additional grants awarded after the annual budget is approved will be added to revenues and expenses.

**State Grants (S1-S4)** - decreased due and lower allocations and carryover in existing grants

**Federal Grants (F1-F12)**- decreased due to decreases in Elementary and Secondary School Emergency Relief Fund I, Elementary and Secondary School Emergency Relief Fund II, and reduced Title funds available. The decreases were offset by the addition of Elementary and Secondary School Emergency Relief Fund III and an increased Flow Through allocation.

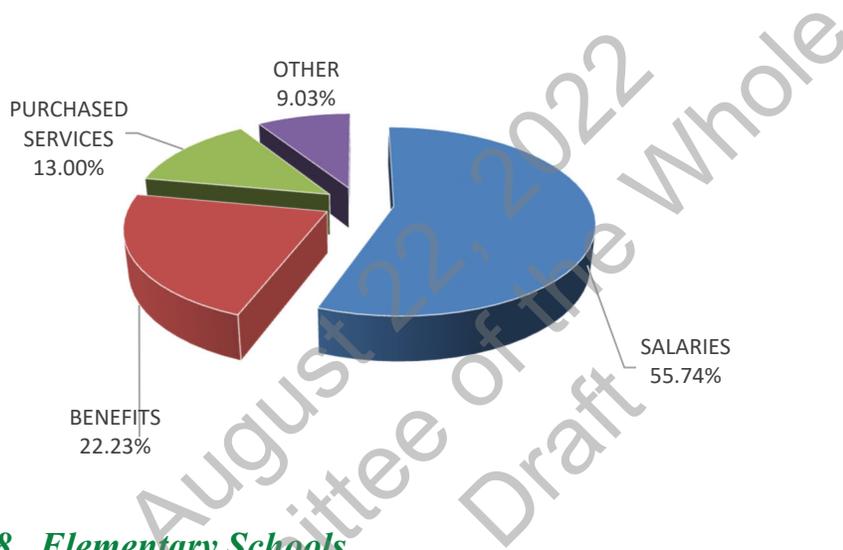

- 4. Transfer of Service** - transfer of service exemptions received in excess of the estimates by the Wausau School District would increase the revenue limit. If transfers of service exemptions are below estimates, the revenue limit would decrease.
- 5. Governmental Changes** - any changes made by the Joint Finance Committee, State Legislature, or the Governor to the school funding formula.
- 6. AGR - Achievement Gap Reduction Program** - is a program established to create performance objectives, including reducing the achievement gap between low-income students in that school and students in the same grade and subject statewide. The amount received is prorated among all low income pupils in participating grades and schools statewide. The AGR schools in the WSD implement instructional coaching for teachers provided by a licensed teacher; and 18:1 or 30:2 classroom ratios.

## Expenditure Highlights

The preliminary General and Special Education expenditure budget reflects the reconciliation plan previously approved by the Board.

The salary/benefit portion of the General (Fund 10) and Special Education (Fund 27) budgets, items K1 through L1, is \$93,860,944 and represents 77.97% of the budgets. Salaries increased 4.22% for these funds. The salary budgets increased \$2.7 million. All employees pay one-half of the WRS retirement contribution. The total benefits budget decreased 1.88%. The non-salary/benefit portion, items A1 through J7, is \$26,521,121 and makes up the remaining 22.03%.

### EXPENDITURES BY OBJECT

### *A1 – B8 Elementary Schools*

**Elementary School Budgets (A1- A14)** - are based on January membership counts with the budget allocation of \$88.12 per student. An additional \$500 is allocated to those schools with fewer than 200 students. Changes in individual budgets generally reflect the changing number of students in each school, with no elementary school receiving less than their January memberships. WSD 4K & Early Childhood Programs are funded at .6 FTE (\$52.87).

**Montessori Charter School (1-6) (A15 and C7)** - there are 88 elementary students and 3 middle school students in the Montessori Charter School with a budget allocation of \$7,212.80 and an additional \$88.12 per elementary student and \$110.90 per middle school student.

**Elementary Specialty Budgets (B1 – B6)** – includes Library, Music, Art, Physical Education, Gifted and Talented, and School Forest. The Library budget was increased to reflect the estimated aid eligibility for 2022-23.

**Four-Year-Old Kindergarten Budget (B7)** - the payments to partner sites that provide four-year-old Kindergarten are based on the number of children enrolled and number of certified teachers provided by the off-campus locations.

**Elementary User Fees (B8)**- are based on the previous year's user fee revenues.

### ***C1 – D13 Secondary Schools***

**John Muir (C1) and Horace Mann (C4)**- budgets reflect a decrease in the number of students at John Muir and decrease in the number of students at Horace Mann based on the January membership count. Middle schools receive an allocation of \$110.90 per student.

**Middle School Athletics (C2 and C5)** - budgets reflect a decrease in the number of students at John Muir and decrease in the number of students at Horace Mann based on the January membership count with an allocation of \$24.54 per student. The amount of the middle school user fees from the previous year are added to the per student allocation.

**Middle School Art Budgets (C3)** - this budget remained the same as the allocation for 2021-22.

**Enrich Excel Achieve Learning Academy Middle and High School (EEA Charter School) (C6 and D11)** - there are 8 middle school students and 46 high school students in the EEA Learning Academy with a budget allocation of \$7,212.80 and an additional \$110.90 per middle school student and \$139.73 per high school student.

**East High (D1) and West High (D2)** - budgets reflect an increase in the number of students at East High and an increase in the number of students at West High based on the January membership count. High schools receive an allocation of \$139.73 per student.

**High School Athletics (D5 and D6)** - the amount of the high school user fee revenues from the previous year are added to the high school athletics department base budgets. The base budget consists of a fixed amount per school and an allocation divided equally based on the total number of athletes participating in athletics at each school the previous school year.

**WAVE (A16, C8, D12 and D13)** – Wausau Area Virtual Education (WAVE) is a collaboration between the Wausau School District and Wisconsin Virtual School. WAVE is a tuition-free, virtual charter school that offers full and part time enrollment to students in grades K-12 living within the state of Wisconsin. Current Enrollment is 180 part-time/full-time students.

### ***E1 – E5 Pupil Services***

**Guidance and Juvenile Detention Center (E1)** - the Juvenile Detention Center serves over 400 students each year.

**District at Risk (E2)** - reflects the cost of per hour instruction set by the State for the program at Northcentral Technical College. NTC provides East and West High Schools with a total of 105 student slots throughout the school year, and provides a summer school program as well. These students receive an alternative education curriculum and the opportunity to graduate. School resource officers are also under this budget.

**Health Services (E3)** – includes regional childhood immunization network connect, First Aid and CPR classes, and other nursing services.

**Pupil Services (E4)** – this budget is used for student cumulative files and staff training.

**Medicaid School Based Services (E5)** – consulting services provided by Kompas Care.

### ***S1 – S4 and F1 – F12 Grant Overview***

Estimated non-salary/benefit expenses of grants are accounted for in these budgets. Known salaries and benefits funded by these grants are budgeted with all other salaries/benefits. Decreases in budgets may reflect the different allocation of total grants between non-salary and salaried portions, or a decrease in grant amounts or number of grants awarded.

Another variation occurs with budget carryovers. The budget may be less or more than the previous year depending on the amount carried over into this year and from next year to the following year. The budget will be adjusted for actual carryover after the 2021-2022 audit is completed.

Some grants operate on a calendar year or an adjusted year, i.e., November through the following October. The grant may end in December 2022 or at some other time during the year. Where possible, these are noted below. In addition, budget revisions to grants may be needed to cover salaries and benefits after staff adjustments. These changes are made before the budget becomes final in November.

### ***S1 – S4 State Grant Detail***

**Wisconsin Educator Effectiveness (S1)** - this grant provides local educational agencies \$80 per educator to implement the Wisconsin Educator Effectiveness System. The grant covers costs associated with system development, training, software, support, resources, and ongoing refinement.

**CTE Incentive Grant (S2)** - incentivizes school districts to support career and technical education (CTE) programming which results in an industry- recognized certification designed to mitigate workforce shortages in industries or occupations that are experiencing a workforce shortage as determined by the Department of Workforce Development (DWD) and the Wisconsin Technical College System (WTCS). Funds received from this grant will go to support those CTE programs, and assist pupils in graduating with industry recognized certifications in those industries and occupations.

**Assessment of Reading Readiness (S3)** - funds the per pupil cost of a selected assessment of literacy fundamentals. State statutes require each pupil enrolled in 4-year-old kindergarten to 2nd grade in a school district or in a charter school to be annually assessed for reading readiness.

**State Aid Transmitted from Intermediate Sources (S4)** - funding from Northcentral Technical College comes from a combination of state and federal grants. Supports Career and Technical Education programs that transition students into NTC programs through participation in high demand dual credit courses, NTC academies or dual credit professional development.

## ***F1 – F12 Federal Grant Detail***

**Carl D. Perkins Career and Technical Education (CTE) Act of 1998 (F1)** – provides federal support for Career and Technical Education programs and focuses on improving the academic and technical achievement of CTE students, strengthening the connections between secondary and postsecondary education and improving accountability. Perkins V affords states and local communities the opportunity to implement a vision for CTE that uniquely supports the range of educational needs of students-exploration through career preparation-and balances those students needs with the current and emerging needs of the economy.

**Title I - Improving Basic Programs (F2)** - are compensatory federally-funded programs designed to provide additional resources to schools with high poverty rates to improve student achievement in the core academic areas. The services are to be supplementary, not to supplant District responsibilities. Carry-overs are a factor in budgeted allocation differences.

**Title II A - Teacher and Principal Training and Recruiting (F3)** - is a federally funded grant used to increase student achievement through professional development activities, increasing the number of highly qualified teachers in the classroom and highly qualified principals in schools, and holding schools accountable for improvements in student achievement.

**Title III - English Language Acquisition (F4)** - this is federal funding to help develop programs for children and youth with limited English proficiency. These programs also encourage parental and community involvement to ensure that all students meet the same state academic standards. These funds are tied into our ACCESS for ELL' s assessment and are used to develop English and content area proficiency.

**Student Support and Academic Enrichment (SSAE) Title IV-A (F5)** - supports access to well-rounded education, improving school conditions for learning to ensure safe and healthy students, and effective use of technology to improve academic achievement and digital literacy.

**Flow Through, and IDEA Preschool Flow Through (F6, F10 and F11) Fund 27** - funds are provided to school districts on an entitlement basis for programs and services to children with disabilities ages 3-21. Funds may be used for staffing, educational materials, equipment, and other costs to provide special education and related services, as well as supplementary aids and services, to children with disabilities.

**Elementary and Secondary School Emergency Relief Funds (F7, F8 and F9)** - Congress set aside approximately \$13.2 billion of the \$30.75 billion allotted to the Education Stabilization Fund through the CARES Act for the Elementary and Secondary School Emergency Relief Fund (ESSER Fund). The Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA), was signed into law and provides an additional \$54.3 billion for the Elementary and Secondary School Emergency Relief Fund (ESSER II Fund). The American Rescue Plan (ARP) Act was signed into law and provides an additional \$122 billion for the Elementary and Secondary School Emergency Relief Fund (ESSER III Fund). The Department will award these grants to State educational agencies (SEAs) for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact that COVID-19 has had, and continues to have, on elementary and secondary schools across the Nation.

**Fresh Fruit and Vegetable Program (F12)** - funded by the United States Department of Agriculture (USDA). Implementation of this program helps increase student consumption of fresh produce and build lifelong healthy eating habits at Franklin Elementary.

## ***G1 – G9 Curriculum/Instruction***

**Education Department (G1)**- budget includes PK-12 texts, resources, materials, curriculum development, professional development and International Baccalaureate and Advanced Placement supports. The 2022-23 budget will help fund PK-5 mathematics resource adoption.

**Summer Learning (G2)**- academic summer classes for grades PK-12 related to instruction that is offered during the regular school year.

**Early College Credit Program (ECCP) and Start College Now Program (G3)**-per state law, funds for tuition, books, and fees for our students to take classes at UW-MC and other UW Colleges and NTC and other state Technical Colleges respectively. These programs replace the Youth Options and Course Options programs.

**Research (G4)** - is a budget covering District statistics. Expenses for such things as the school census, acquisition of birth records, and registration forms are included in this budget.

**EL - English Learners (G5)** - covers EL instructional costs not including salaries. All EL students are assessed in reading, writing, speaking, and listening every year. The budget allocation is \$18.13 per student with an English proficiency level of 1-4.

**Instructional Services (G6)** - is for instructional materials, curriculum assessment and development, and professional development.

**Technology (G7)** - this budget is used for expenses related to the operations of administrative and instructional technology systems. Examples of expenditures from this budget are: internet connection fees, workstation replacements and upgrades, tablets, networking equipment and district-wide software such as a student information system and library automation software. The budget includes \$200,000 for iPad lease.

**AmeriCorps Workers (G8)**- is used to assist the district with costs that are identified as needed to operate programming for our language learners, charter schools, and low SES students. Programming varies depending on host site placement and may include mentoring, tutoring, classroom support and small group instruction.

## ***H1 - H10 Operations/Buildings and Grounds***

**Pupil Transportation (H1 and H2)** - includes costs for all pupil transportation (excluding field trips). The 2022-23 contract and projected fuel prices were considered when estimating transportation costs.

**Buildings and Grounds Operations (H3)** - includes all building operating expenses other than utilities. The District cleans and maintains facilities encompassing approximately 1,900,500 square feet as well as approximately 400 acres on 22 sites. The District also owns approximately 480 acres of school forest property.

**Capital Projects (H4)** - includes HVAC upgrades, building envelopes, site improvements, plumbing, electrical, interior renovations, gym maintenance, and flooring.

**Operations and Print Shop (H5)** - costs related to centralized print shop located at the maintenance and operations building. The budget was based on the amount of revenue expected in 2022-23.

**Utilities (H6)** - the 2021-2022 costs, corresponding weather, and projected prices were considered when setting the 2022-23 utilities budget. The District is limiting the cost of utility increases by working with a third party to transport natural gas and leverage contract purchasing.

**Business/Central Office (H7)** - includes the following costs: District audit; data processing; security, printing of checks, financial software, payroll forms, purchase orders, etc.; and travel reimbursement to District teachers, administrators, and staff who use their personal auto for required travel between schools.

**Private School Voucher Program (H8)** - the Wisconsin Parental Choice Program allows families who qualify to receive vouchers for their children to attend participating private schools. Depending upon the number of students residing in a given district who are awarded vouchers, additional revenue limit shall be granted to allow the resident district to tax for these vouchers and apply the revenue towards the expense of the vouchers. The voucher revenue limit exemption and associated expense is projected to be approximately \$1,868,865.

**District Insurances (H9)** - includes workers' compensation, general liability, auto, umbrella, errors and omissions, crime, property, and boiler coverage.

**Transit of State Aid (H10)** - categorical aid returned to other districts for special education tuition paid in the prior year.

### ***J1 – J7 District-Wide***

**Instructional Equipment (J1)** - includes cost of replacing equipment at elementary schools. The replacements are done on an as needed basis.

**Board of Education/Supt's Office (J2) and Communications (J3)** - includes costs for: CESA administration and shared services; elections; legal fees and consultants to the board; District printing, postage, and advertising expenses; employee and volunteer recognition programs; and board and superintendent expenses.

**Human Resources (J4)**- includes expenses related to the operations of the Human Resources Department such as employee recruitment, screening and hiring, pre-employment physicals, criminal background checks, the employee assistance program, professional development of department staff, and technology-based systems that support efficient human resources management.

**Wellness (J5)** - supports a wellness program that engages, educates, and encourages employees to make healthy lifestyle choices beneficial to the employees and the District.

**Open Enrollment Tuition (J6)** - is the tuition paid for students open enrolling in other districts. We count these students for revenue limit purposes and receive state aid for them.

**Employment Services (J7)**-represents contracted services through an employment agency used by Buildings and Grounds, Technology, and Library Media departments in lieu of salary and benefits for certain part time, temporary and substitute employees.

### ***K1 – L1 Salaries and Benefits for Fund 10 and 27***

**Salaries and Benefits (KI-LI)** - \$93,860,944 includes estimated salary and benefit increases less budget reductions. Salaries were increased 4.22% due to referendum funds, ESSER funds, salary increases and other changes reflective of staffing adjustments.

#### **Benefits (LI)**

- Retirement for 2022-23 is based on the total contribution rate for qualifying salaries. The rate for 2023 is 13.6%. The rate for 2022 was 13.0%. The rate used in the budget for 2022-23 is 13.3%. All employee groups are required to pay one-half of the WRS rate (6.5% in 2022 and a projection of 6.8% in 2023).
- Health Insurance premiums did not increase July 2022. The insurance committee will monitor claims in 2022-23 and research benefit changes that may be needed in the future.
- Dental insurance premiums will remain the same as the 2021-22 rates. The dental rates have not been increased for twelve years.

	<h2>2022-23 Fund 38 Budget Detail</h2>
---	--

### **Non-Referendum Approved Debt Service Budget and Levy**

**In all debt service funds the budget and related levy are not equal. This is because the budget represents interest and principal payments made July 1 to June 30 in a fiscal year while the levy funds payments made between January 1 and December 31 of a calendar year.**

**Fund 38 is used to account for repayment of debt for non-referendum approved issues. The debt levy and repayment included in Fund 38 for 2022-23 corresponds to borrowing for Phase II and III of the energy efficiency projects. Although additional revenue limit authority is accessed for this levy, it is important to understand that Fund 38 debt levy is included inside the revenue limit.**

### **Debt Service Budget and Levy**

**The budget and levy for debt service are not equal. This is because the budget represents interest and principal payments made July 1, 2022 through June 30, 2023 and the debt service levy is for payments made between January 1, 2023 and December 31, 2023.**

	<p style="text-align: center;"><b>2022-23 Fund 46</b> <b>Long Term Capital Improvement</b> <b>Trust Fund</b></p>
---	--

A Long-term Capital Improvement Trust Fund allows the District to designate funds in a dedicated account to be used towards expenditures consistent with an approved long range capital improvement plan. The District's trust fund may only be funded through transfer from the General Fund (Fund 10), with the understanding that any such transferred funds would become available five years from the creation of this fund. There is a revenue budget of \$5,000 for Interest in 2022-23.

	<h2 style="color: blue;">2022-23 Fund 49 Capital Projects</h2>
---	--

Fund 49 is used to account for expenditures related to capital projects financed through debt issuance. When debt is issued for a particular project, all proceeds from the issue are represented as revenue in Fund 49, this practice has a tendency to overstate revenue when looking at the entire District budget for years in which debt was issued. Expenses appear in Fund 49 as the capital project progresses and expenses are incurred. Since revenue and expenses often times do not occur in the same fiscal year, they often times will not match.

2022-23 Capital Projects includes Energy Efficiency Phase III projects.

2022-23 Budget

## 2022-23 Fund 80 Budget Detail

**Community Service** - Funds were established to pay for activities that are accessible to the community at large.

The fund pays for costs associated with out-of-school enrichment programs (summer and school year), the planetarium, community literacy technology training and school resource officers.

Growing Great Minds (G2M) offers out-of-school enrichment programs at multiple sites throughout the Wausau School District and includes Kids on the Grow, Community Connection and Family University Network. These programs offer academic support (that complement established curriculum) and enrichment activities outside the normal school hours, for age appropriate community members. Adult programming, literacy activities and opportunities for family engagement are also provided.

The planetarium located at Wausau West High School is a unique learning environment presenting an opportunity to inform, engage and foster community collaborations that are mutually beneficial in both service and finance. The increasing demand for post-school day community usage is greater than what the District can currently provide. Funding 40% of the planetarium director position expenses will offer the ability to staff this resource on nights and during weekends and summers in an effort to provide for its expanded role in the community.

The School Resource Officer program is a robust partnership between the Wausau School District and the Wausau Police Department. The program includes 4 full-time SROs and 2 Therapy Dogs, along with the necessary training, support services, equipment and Core Values for effective service. The SROs authority, support and impact extends outside the District schools, in benefit of the Wausau community year-round.

Adequate maintenance of buildings and grounds necessary through expanded availability of District facilities for community use is not fully funded by minimal facility use fees that are charged based on policy. In order to ensure high quality facilities that are well maintained and safe as the community has come to expect, it is necessary to employ a seasonal employee(s) to perform a variety of buildings and grounds functions supported by the community service levy.

# Initial 2022-23 District Budget to be used for the 2022 Annual Meeting

Education/Operations Committee of the Whole  
August 22, 2022

**Our Mission ... To advance student learning, achievement, and success.**

# Separate Agenda Items for the Initial 2022-23 District Budget

- [Set Annual Meeting date \(Item VIII in agenda, ACTION\)](#)
  - Board action is necessary to establish the time, date, and place for the Annual Meeting and Budget Hearing.
  - **Motion to approve Monday, September 26, 2022, as the date for the 2022-2023 Budget Hearing and Annual Meeting. The meeting will be held at 6:00 p.m. in the Nicholson Board Room at the Longfellow Administration Center, beginning with the Budget Hearing followed by the Annual Meeting.**
- [Share equalized value estimates \(Item IX in agenda, NO ACTION NEEDED\)](#)
  - Equalized property values for tax purposes represent statewide property values measured on a consistent basis w/o regard for local assessment or valuation practices.
  - School District equalized values are revealed in the middle of October, but estimates are needed for equalized mill rate estimates offered in the District budget booklet.
  - Last year property value in the District decreased by 1.14%. This year the property valuation is expected to increase by 11.98%.
- [Recommendation for 2022-2023 budget \(Item X in agenda, ACTION\)](#)
  - Board approval is needed to give proper notices and develop all necessary documents, including the District budget book, for presentation at the Annual Meeting and available prior to that event. Following the Sept. 12 Board meeting, the budget book will be available on our website. A draft version of the budget book is available in BoardBook documents.
  - Work will continue on the budget as priorities continue to develop and as the Wisconsin Dept. of Public Instruction and the Wisconsin Dept. of Revenue reveal more data regarding available revenue.

# Separate Agenda Items for the Initial 2022-23 District Budget (cont.)

- [Recommendation for 2022-2023 budget \(Item IX in agenda, ACTION\) \(continued\)](#)
  - Funding made available through ESSER (Federal Elementary and Secondary Schools Emergency Relief) will continue to be used during 2022-23 in the most responsible manner to optimize pandemic recovery with an eye on the eventual sunset of this funding source.
  - Salary increases included in this budget range from 4.5% - 6.23% by employee group.
    - Nutritional Services group: 6.23%
    - Administrative and Educational Support group: 5.78%
    - Maintenance and Custodial group: 4.82%
    - Teacher group: 4.70%
    - Municipal group: 4.57%
    - Administration group: 4.50%
  - Health insurance premiums are projected to remain flat for the 9th time in the last 10 years.
  - The budget presented here is a deficit budget.
  - **Motion to recommend to the Board of Education a preliminary 2022-2023 General Fund budget of \$111,939,464 for expenses and \$111,238,596 for revenue, for presentation at the Annual Meeting and Budget Hearing on September 26, 2022.**

# Separate Agenda Items for the Initial 2022-23 District Budget (cont.)

- [Recommendation for 2022-2023 tax levy \(Item XI in agenda, ACTION\)](#)
  - The mill rate has steadily decreased over time and is projected to decrease by 0.91, to 9.36 per \$1,000 of equalized value for this budget cycle.
  - The unusually large increase in property values significantly contributes to this decrease in mill rate while the full tax levy is projected to increase by 2.06%.
  - The budget includes continuation of the defeasance and debt prepayment strategy that has been successful in stabilizing the mill rate and saving taxpayers millions of dollars over the last several years.
  - **Motion to recommend to the Board of Education a projected tax levy of \$48,295,967 for presentation at the Annual Meeting and Budget Hearing on September 26, 2022.**

# Share Equalized Value Estimates

- Property Values Assumed to Increase
  - Equalized value represents true property value on a consistent state-wide basis
  - District estimated equalized values are **up 11.98%** over last year, meaning there is considerably more property value to share in the tax burden of the District.
  - The District levies a tax to all eight municipalities in the District based on total equalized value of the District portion of each municipality.
  - Each municipality passes this levy on to individual property owners based on their respective assessment practices.
  - It is beyond the control of the District, whether individual taxpayers have increases or decreases in their tax bill; District control lies only in the total school tax levy.
  - For mill rate estimate purposes, the equalized value of property is assumed to **increase evenly by 11.98%** across the District for 2022-23.

## Recommendation for 2022-2023 budget (some challenges)

- Current State biennial budget includes a zero dollar per student revenue limit increase as well as a zero dollar per student categorical aid increase. Since 2011-12, this has only occurred during one other biennial budget.
- We are in the midst of a nation-wide labor shortage that makes attracting and retaining a high quality workforce of leaders that much more important.
- The rate of inflation is higher than it has been in more than a generation. The July 2022 rate is 8.52%.
- One-time ESSER III funding is available during the upcoming budget cycle for certain operational expenses. It will be difficult to balance the Federal expectation that these funds be used strictly for pandemic recovery and preparedness, with the State expectation that we use these funds to mitigate the damage of a weak biennial State budget.
- ESSER funding runs out following the 2023-24 budget and careful planning must include a combination of eliminating expenses funded with ESSER funds and determining alternative funding sources.

## Recommendation for 2022-2023 budget (some opportunities)

- Significant ESSER funding has yet to be committed.
- The recent success of a pair of referendum questions over the last two years offers some opportunity inside the general fund budget.
  - 2021 question allowing for an additional \$4MM in revenue limit capacity
  - 2022 question allowing for borrowing \$119.8MM for facility improvements
- Health insurance premiums are projected to remain flat for the 9th time in the last 10 years.
- The difficult labor market has led to some unfilled positions and budget savings during 2021-22 with some temporary budget relief also expected for 2022-23.
- A strong fund balance will help us achieve low interest rates during our upcoming debt issues while offering a level of comfort in considering a deficit budget for 2022-23.

# Recommendation for 2022-2023 budget (address challenges while leveraging opportunities)

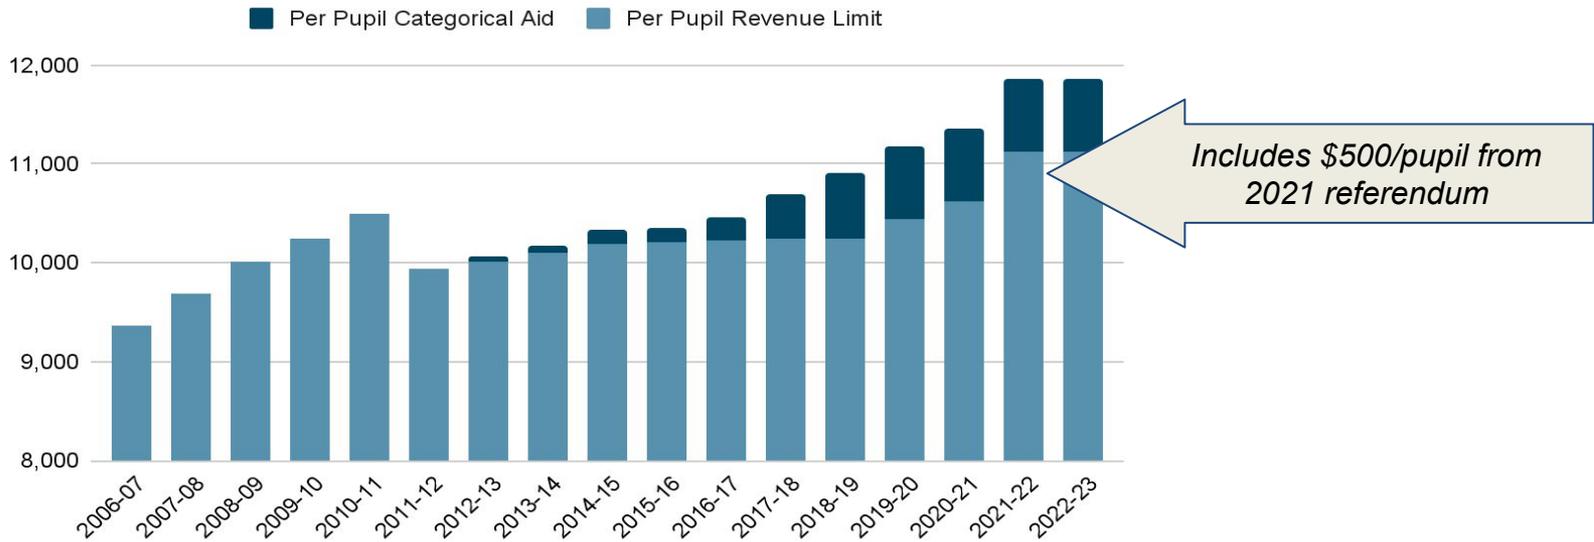

- Staffing plan is initially established and includes some additional staff in high need areas with some re-allocation to address immediate needs.
- Additional referendum revenue limit authority by way of the 2021 operational referendum continues to be allocated to pupil services staff, safety and security operational expenses, short term asset replacement, and budget support for areas underfunded over the past several years.
- An eye on immediate resource allocation funding our highest priorities with a long term strategic lens.
- Salary/wage increases of at least 4.50% for all employment groups.
  - Nutritional Services group increase of 6.23%
  - Administrative and Educational Support increase of 5.78%
  - Maintenance and Custodial group increase of 4.82%
  - Teacher group salary increases of 4.70%
  - Municipal group increase of 4.57%
  - Administration group increase of 4.50%.

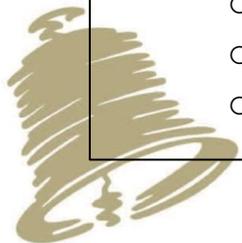

# Recommendation for 2022-2023 budget

- Two significant assumptions in operational revenue, the revenue limit and per pupil categorical aid, will be flat for the coming year per current state biennial budget.
- The 2021 successful referendum did increase the revenue limit by \$500/pupil in 2021-22.

## Sources of Operational Revenue

- During the next two months the following factors impacting the final budget will be revealed.
  - Final District staffing plan
  - Certified District property value
  - State equalization aid final certification
  - 3rd Friday pupil count certification
  - Wisconsin Parental Choice Program voucher costs

# Recommendation for 2022-2023 tax levy (history of levy and mill rate)

- The equalized property value in the District has been steadily increasing over the past ten years.
- This supports a slightly increasing property tax levy with a consistently declining mill rate.
- We will continue to engage in strategies to stabilize mill rates through managing debt repayment schedules while dealing with the irregularity of state biennial budgets and associated funding.

### Tax Levy and Mill Rate

# Recommendation for 2022-2023 tax levy (Continuation of Defeasance and Debt Prepayment Strategy)

- Debt prepayment and defeasance are strategies leveraged to pay debt ahead of the regularly scheduled payments.
- This strategy has been used over the past five budget cycles and is recommended once again.
- During this five-year period over \$41 million of future debt has been retired.
- Also during this time period, taxpayers have saved over \$6.5 million of interest payments.
- This strategy can also be used as a final variable, once other factors determining the mill rate are established, to achieve a desired target mill rate or tax levy.
- While applying this strategy, the District mill rate has reacted as follows:
  - 2016-17            \$11.14 per \$1000 of equalized value
  - 2017-18            \$11.12            “
  - 2018-19            \$11.00            “
  - 2019-20            \$10.79            “
  - 2020-21            \$10.29            “
  - 2021-22            \$10.27            “

# QUESTION OVERVIEW.

## WAUSAU ENVIRONMENTAL SCHOOL NEEDS ASSESSMENT

- 1. Are you interested in decreasing the amount of technology your student uses in learning, while increasing hands-on, experiential learning?**
- 2. Are you interested in your student spending at least 70% of their time outside of the classroom, learning math, science, language arts and history through nature-based activities?**
- 3. Would you like your student to have deeper, long-term relationships with their teachers? Often having the same teacher for prekindergarten & Kindergarten and then the same teacher for Grade 1- Grade 5.**

# QUESTION OVERVIEW.

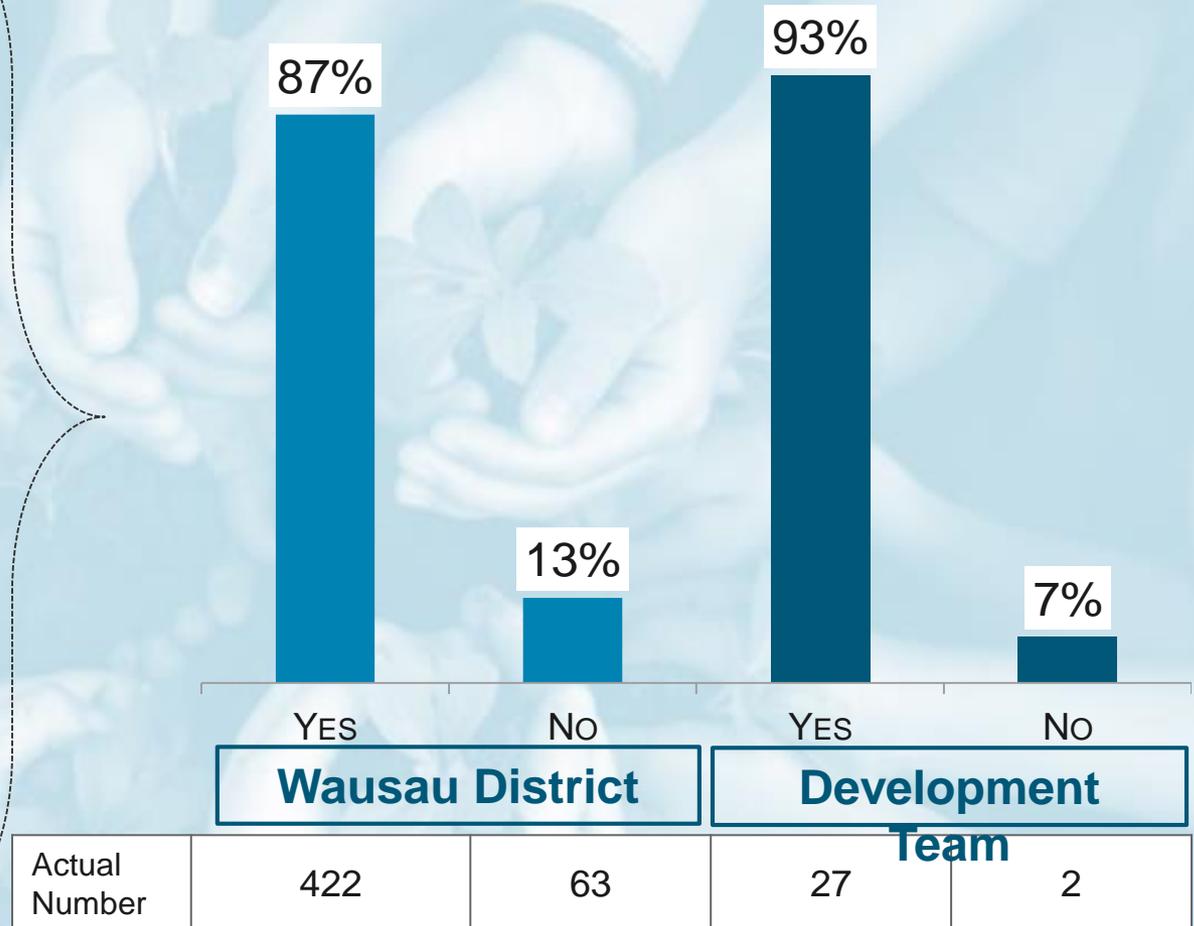

## WAUSAU ENVIRONMENTAL SCHOOL NEEDS ASSESSMENT

- 1. The Wausau Environmental Charter School will utilize the core principles of Public Waldorf Education. This curriculum decreases a young student's dependency on technology while engaging their natural curiosity through outdoor, nature-based learning. Teachers are skilled at supporting students' unique abilities through deeper relationships that follow students throughout elementary school. If the Wausau Environmental Charter School was available through the Wausau School District, how interested would you be in enrolling your elementary student?**
- 2. What grade will your student be entering in the 2022-2023 school year? (K-5)**
- 3. Is your student currently open enrolled outside of the Wausau School District?**
- 4. Would you like to be added to our newsletter for updates and how to be added to an early interest list? Please be sure to enter your email address below.\***

***Let's address these proactively!***

1. Inconsistent student success and access to programming
2. Inconsistent staffing across schools
3. Inconsistent staff working conditions across schools
4. Challenges with attracting and retaining quality staff
5. Declining enrollment
6. Unfavorable open enrollment trends
7. Continued long-term financial challenges

Our mission... advancing student learning, achievement, and success.

# ***Restructuring Subcommittees***

Our mission... advancing student learning, achievement, and success.

# *Subcommittee Update*

1. 30-40 people met eight times (June-August)
2. Membership intentionally small to begin. Included administration, school board, some staff, and engaged community members
3. Robust discussion and exploration
4. Significant education process
5. Creation of possible solutions
6. Analysis of some solutions
7. Current recommendation at this time is to seek broader input
8. Committee purpose changed from advisory to focus group

Our mission... advancing student learning, achievement, and success.

# ***What Did We Learn From the Subcommittees?***

1. Significant education is required to effectively engage in this conversation:
  - a. Finance
  - b. Transportation
  - c. Staffing
  - d. Programming
  - e. Enrollment and demographics
2. Based on the subcommittee conversations, there is merit to exploring structural solutions to the identified concerns
3. The listed concerns impact segments of our staff and students differently and some segments of our community are likely not impacted at all.

Our mission... advancing student learning, achievement, and success.

# **Proposed Goal Statement**

Improve resource management to address fiscal challenges and create more opportunities and equal expectations for all students, staff, and families.

Our mission... advancing student learning, achievement, and success.

# ***Proposed Engagement Process***

1. Engage school district staff immediately in September
2. Engage families in similar manner starting in October
3. Build awareness through informational videos shared with staff; given opportunities to have conversations with colleagues and administration.
4. Survey feedback will drive conversations.
5. Purpose of the staff feedback includes a better understanding of staff experiences and how proposed solutions are expected to impact them
6. Later engagement events will be developed based on feedback
7. Due to limited experiences of staff and families, this feedback can only be advisory to Board decisions

Our mission... advancing student learning, achievement, and success.

# ***Engagement Challenges***

## Challenges

1. Videos and surveys may feel impersonal
2. 1,200 employees
3. Time-sensitive decisions:
  - a. Pending building projects
  - b. These concerns require solutions

## Solutions

1. Include opportunities for dialogue with colleagues and administration
2. Combination of ratings and open response survey items can help bring employee experience to life.
3. Engage immediately

Our mission... advancing student learning, achievement, and success.

# ***Decision-Making Process***

1. Any district restructuring decisions must receive School Board approval
2. Programming and staffing decisions can be made by administration
3. Staff will be consulted and informed
4. Families will be consulted and informed

Our mission... advancing student learning, achievement, and success.
