## Student Activities Report

Highlights of the month:

JULY 2024

**The Next Four Years:** Administration and staff from the Morton West Freshman Academy welcomed hundreds of families into the Freshman Academy over two days on July 29th and 30th. The event consisted of a Family Engagement presentation, opportunities for families to work on lunch applications, learn about Skyward, meet with the PTO, receive their laptops, take class photos, get ID photos taken, and take a photograph with Morty. These families set goals for their students, engaged on shared commitments between the school and parents, and discussed the Portrait of a Morton Graduate.

## Student Activities Report

Highlights of the month:

AUGUST 2024

### Sophomore Experience Event

On August 12th, all incoming Sophomores were invited to attend the **Sophomore Experience Day** event at Morton East. Students were able to meet their teachers and peers as they followed the Half Day schedule. Teachers prepared lessons that focused on strengthening students' SEL skills. Examples of these skills include: *Time Management, Task Completion, Social Difficulties, Organizing Work, Managing Attention and Materials*. Students then attended the assembly where they were encouraged to participate in exciting games, watch performances provided by the cheerleading team, dance team, Mariachi and Folkloric. The Dean of Students also provided students with skits that emphasized the importance of attendance, behavior and the dress code.

### Morton East Open House

We will be hosting students and families at our Open House event on August 14, 2024. There will be informational sessions presented by the building Principal, Mr. Gamboa and fellow Assistant Principals. These presentations will cover student and parent resources and supports in place. We will be discussing the Portrait of a Morton Graduate and how we can continue to support students.

### Class Meetings

Morton East held their first class meeting sessions with students this week. Students listened to our Assistant Principal of Student Activities, Dean of Students and Counselors.

## Student Activities Report

Highlights of the month:

**AUGUST 2024**

### NHS Students

Our National Honor Society students have done an outstanding job this August. They have shown their leadership skills starting with the Festival Ignite event where they helped welcome all of our Morton District 201 teachers! NHS students also assisted teachers and administration on our Sophomore Experience Day and Open House. They were able to assist students by helping to translate, help sophomores find their classes and locate different areas in the building!

Please find below a summary of this past July's professional development, curriculum design, and personnel updates for each of the departments.

**English Learners and Modern Languages Department- Melody Becker, Director**

**Curriculum Updates-**

- Each PLT worked together on curriculum refinement this summer. They uploaded their common materials to a shared curriculum Teams page to ease access and organization of the common syllabus, common assessments, and unit designs. The goal for this work is to maintain a common vision for the work in our department and also to help new teachers to learn about Morton's curriculum for our community.
- In July, the AP test scores were released. The AP Spanish/Chinese Language and Literature teachers and students continue to demonstrate their capacity! Their hard work and dedication throughout the school year clearly shines, even though the learning format and testing environment were different this year!

**Professional Development –**

- The LSS Directors planned professional development for the beginning of the year for all staff members.
- Our Curriculum Steering Committee and Lead Teachers collaborated throughout the summer to advise the district on upgrades for the curriculum, grading and telling the story of student learning.
- 80 EL Support teachers and content teachers spent the afternoon of August 12<sup>th</sup> learning different models of collaboration and planned for the new year.

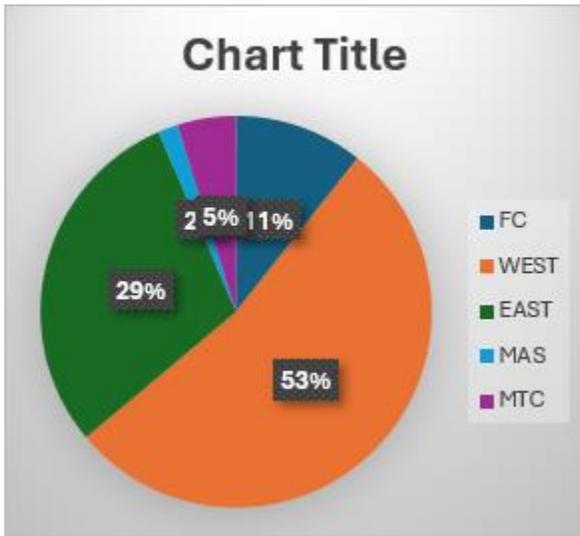

**Student and Staff Accolades –**

- We are excited to welcome our new teachers in the English Learners and Modern Languages departments.
- Modern Language Teachers offered enrichment during Summer Bridge. This is a great opportunity to expose students to our department's offerings as incoming freshman.
- This summer our Academia Bilingüe and English 1.5 students and teachers continued strengthening their academic Language skills in Spanish and English and building their leadership skills.
- Stefano Crancich and Erika Zacarias served as AP Readers for the AP Spanish Language and Culture exam. The teachers enjoy serving in this role because they are able to understand the expectations of the AP Exam deeply and they can see real examples of student work. The teachers share that this experience informs their planning and instruction for the upcoming year.

**Special Education – Carol Best, Executive Director of Student Support**

**Department Updates:**

District 201 has been busy getting ready to welcome back 1031 Special Education students. See chart below:

SPED is excited to be working with SAFEWAY our new bus company to ensure our students are transported safely and on time to school. We have been working hard to ensure drop off times are aligned with our new bell schedule.

At the recent Morton 201 job fair the SPED department was able to secure many Teacher Assistants that were ALL Alumni and living in our Berwyn and Cicero community.

## CTE Department – Colleen Del Monaco, Director

### Curriculum Updates –

During the month of July, CTE curricular teams wrapped up their changes and edits to for the 24-25 school year. Two new courses, Accounting IV and Teaching Methods, were developed to add to the Accounting and Education and Training Pathways. Everyone has worked hard this summer to welcome our students back in August!

### Student and Staff Accolades –

Culinary Arts teacher, Yves Chambaz traveled with Morton East 2024 graduate Arturo Cervantes, to Seattle, Washington to participate and compete at the National Family, Career and Community Leaders of America (FCCLA) Conference. Arturo earned 1<sup>st</sup> place in the IL State FCCLA conference last spring to qualify to compete at the National level.

Morton East Graduate – Class of 2024 – On Saturday July 13<sup>th</sup>, 2024 Samantha Lopez was one of 48 hard-working students that attended Tunnel in Chicago to celebrate \$115,000 in scholarships being awarded from the Illinois Restaurant Association Education Foundation (IRAIEF) toward their post-secondary Hospitality and/or Culinary education. Samantha was awarded \$2,000 and will be a freshman at Kendall College at NLU this fall, pursuing her AAS in Culinary Arts. Samantha was part of the Morton East ProStart team for the State Invitational, this past March, where they placed 4<sup>th</sup>. Sam was an instrumental part of the team in her 3 years enrolled in Culinary Arts at Morton, helping run events and taking a leadership role in lab.

Morton West students explored all things CTE during Summer Bridge, completing various lessons in Engineering, Culinary Arts, Graphic Arts and the Education Pathway. Students were able to build relationships with their peers as they worked together through group projects.

## **Science Department- Eric Bjornstad, Director**

### **Curriculum Updates –**

- Chemistry (Honors and Core), Earth Science, and Zoology all revised their skill-based assessments for next year, bringing better CFA/CA alignment and rigor to each of the courses.
- Astronomy, Anatomy & Physiology, and Human Body Systems are set to begin skill-based grading and reporting this coming school year
- Physics, Principles of Biomedical Science, STEM Physics, and AP Environmental are set to begin skill-based curriculum renewal this school year

### **Professional Development –**

- Six staff members completed the AMTA Chemistry modeling workshop this summer. They received firsthand experience in creating a more student-centered classroom as it relates to a vertically aligned skill (modeling) across the department
- OpenSciEd successfully held a week-long workshop, with faculty of U of I extension providing instruction to professionals from across the Chicagoland area

### **Student and Staff Accolades –**

Kevin O'Toole and Mario Valdivia have been supervising extensive improvements to the FC Gardens, along with 4 additional interns employed by the US Forest Service.

Jessica Joyce Cervantes was hired as our new Biliteracy Chemistry teacher, who will be co-teaching with Kimberly Dominguez at Eat Campus.

## **English – Mark Sujak, Director**

### **Curriculum Updates**

- Summer 2024 was a big year for curriculum development! We had three large projects going on throughout the summer:
  - English I – As the English Department transitions to skills-based instruction and assessment, the English I curriculum was the first to receive a complete overhaul. The curriculum team was comprised of teachers from each grade level, representing core, honors, AP, EL, and SpEd, to create a foundational curriculum that will prepare students for the challenges of high school and the world at large.
  - AP Seminar English 10 – This year will also be the first year our sophomores will participate in AP Seminar English 10, which will replace our current English II Honors course. After completing the weeklong required training to teach the course, the teachers worked tirelessly to develop a rigorous and structured course sequence that would allow for student success.
  - AP Language and Composition – After working on the English I curriculum, some of the AP Language and Composition teachers felt inspired to bring some of the ideas to their own curriculum, focusing on increased opportunities for skills-based instruction and assessment.

### **Professional Development -**

- We will continue working with our Achieve3000 project manager, Meghan Kelly, to capitalize on our gains from last year to start this year even stronger! We will begin the year by refreshing our best practices and instructional strategies using Achieve3000 and find those pockets where we can continue to grow.
- ChalkTalk will also continue this year, with an increased focus on usage. Based on the data from last year, students that received instruction through ChalkTalk in multiple classes and formats saw the most score growth. While we still want to continue focusing on delivering lessons with fidelity, a primary focus this year will be working on increasing the frequency and opportunities for students to engage more in the ChalkTalk platform.

### **Student and Staff Accolades –**

- Our AP Seminar English 10 team completed a grueling, weeklong training that prepared them for supporting students through two large performance tasks, as well as trained them to score student presentations to be submitted as part of the AP Exam. Here are the teachers that completed the training:

- East
  - Candice Daly
  - Logan Brown
  - Jeremy Robinson
  - Cynthia Belmares
  - Sofia Gonzalez
  
- West
  - Antonella Palazzolo
  - Kathy Abdul
  - Anna Djikas
  - Constandina Kyriakoulis
  - Jorie Grande
  - Daisy Ruiz

## **Math Department - Megan Holub, Director**

### **Curriculum Updates**

The Mathematics Department had several curriculum teams that worked this past Spring & Summer. We worked on decelerating our Integrated Math I Honors course. The Integrated Math I Core, STEM and Honors teams made alignments and cleaned up our Skills-Based assessments and rubrics. Additional content area teams are taking this product, improving it and sharing the results. There will be a time for teachers to discuss and share their work with the department.

**Hanover Updates:** The Math Department will be working with Hanover Research this year as they dive deeper into our Integrated Pathways. Megan Holub has met with the Hanover team and will continue to meet with them through the year.

Together we will be developing medium and long-term goals. We will be evaluating the implementation of our Math curriculum through benchmarking and data analysis. The consultants will be recommending feasible projects within the Math Department. The Hanover team will provide a timeline and visual representation of projects, with flexible check-ins and potential surveys to assess teacher responsiveness.

They will analyze data from this year compared to next and will deliver the finalized Logic Model by the end of the month. Additionally, they are considering projects like culture and climate surveys, and will use resources such as peer district comparisons and a digital portal for project management.

Megan Holub and Dr. Josh McMahon will be meeting with the Hanover consultants once per month. Our next scheduled meeting is on Tuesday, August 13<sup>th</sup>.

### **Great things we've done:**

**AP Precalculus Bootcamp:** Since AP Precalculus will be running this year, we held an optional bootcamp for students. Jim Dobrzanski and Alex Payne taught this at East and West. See photos below:

**AP Precalculus Institute:** Morton had 20 teachers attend the AP Institute that was held at Morton West High School, free of charge! Since we had 20 or more teachers attend, AP Collegeboard sends a consultant to our district and did not charge teachers to attend. The training was an excellent way to start this new course.

### **Professional Development**

**The Math Department held several Professional Development opportunities this summer for new and returning teachers. There was a fantastic outcome of teachers in attendance. See below for a description of the PD that was offered.**

**Engagement, Discourse & Ownership PD:** The Math teachers did a book study on Building Thinking Classrooms last school year. We are going to continue using this book as a reference to include more engagement and discourse in our Math classrooms. We enjoyed a day of PD with about 20 Math Teachers on ways to incorporate this type of learning and teaching into our classrooms.

**TI-Nspire Training:** Teachers attended a professional development on our TI-Nspire calculators. Every teacher has a class set of calculators that they have students use. Our department has not been trained on these calculators in about 10 years, so it was a nice way to get everyone caught up on these devices.

**We Are Morton Presentation:** Melody Becker, Colleen Del Monaco, Megan Holub, and Samantha Skubal presented on the Portrait of a Morton Grad, which included student panel and reflection on the student responses. Photos below:

FROM THE OFFICE OF  
**Dr. Josh McMahon**  
Assistant Superintendent for Educational Programs

**Carnegie Professional Learning:** A group of Mathematics Teachers that consisted of all new teachers and several returning teachers attended a full day of Carnegie Learning Professional Development. We had a total of 18 teachers attend the 2 days of PD This took place at Morton West on Wednesday, August, 2<sup>nd</sup>. Photos below:

### Student and Staff Recognition

**Physical Education / Health / Driver Education – Clay Reagan, Director**

**Curriculum Updates –**

Freshman Center teacher will be piloting a new “track” program for their students this year. Students will have the opportunity to choose between a sports track and a fitness-based track for the activity throughout the semester. Unit plans and assessment rubric were created for each track. Heart rate monitors will be used as another form to collect data and allow our students to receive instant feedback, as well as allowing them to self-assess and create goal throughout the semester.

We continue to work with Morton College toward offering dual credit in several of our PE classes.

**Professional Development –**

On July 25<sup>th</sup> three teachers and myself did a three hour training for our new Polar Heart rate monitors. We will be using them this year with our freshman classes and selected fitness based classes as work through logistics and grading.

On August 1, 2, 5, 6 we welcomed 55 new teachers to Morton with our New Staff Orientation Training. Staff participated in four days of PD delivered by our administrative and security team. All of the participants completed training in PLC, Classroom Environment, ProAct Training, and participated in our Morton student panel activity.

On August 2, 5, 6 we hosted our second year staff. All staff members participated in ProAct Training and Danielson Evaluation training.

On August 12 four teachers participated in PLT4M training. PLT4M is an online strength training program that helps teachers design sport specific training programs and allows teacher to track data after each workout that the students do.

**Student and Staff Accolades –**

We are pleased to welcome Sarah Llort, Phil Gary, Christian Arenas, and Nate Munoz to our PE/Health staff.

**Innovation and Accountability- Samantha Skubal, Director  
Professional Development -**

- Biliteracy and Instructional Coaches
  - The Coaches provided a variety presentations to the new and returning staff to kick off the school year, highlighting the amazing things they have to offer to assist teachers in providing inclusive and engaging instruction to students.
  
- Innovation
  - Festival Ignite 2024
    - This year’s festival ignite saw over 50 educators in the district providing over 40 sessions to our staff on our first Opening Institute Day. Staff were provided PD ranging from learning the new features of Formative, to understanding the BARR model, to engaging instructional practices, and even a little bit of cardio to get our educator SEL in for the day. Staff presentations were engaging and relevant. Shout out to everyone who presented and made the day happen!
    - [Click here](#) to see the program for the day!

**Student and Staff Accolades –**

- Festival Ignite 2024
  - Thanks to all of the presenters for Festival Ignite! The day does not happen without all of you! This year, we had a wide variety of educators from every department and building represented in our sessions! Great work everyone!
  - Also would like to shout out Sally Walsh, Jackie Guzman, and the West Maintenance and Clerical teams for dropping everything to ensure the day was set up and ran smoothly, and for all of the work they all did prior to the day to help make it happen. Appreciate you SO much!
  - Thanks too to all of the administrators from around the district for helping get set up and for serving corn dogs, freeze pops, etc. to the staff in the cafeteria! You are the best!
  - Finally, thanks to Emerson Steinhaus and Mark Sujak for helping make the Opening Keynote happen by ensuring the lights were set up and the music was playing! Appreciate you both!

### **Summer Curriculum Work**

Over the summer break, 27 teachers from the department worked for 232 hours revising our curriculum to better align with the district's skill-based vision. The revisions also align with the "college ready" pillar of our Portrait of a Morton graduate, and the skills needed to reach it. The work completed was:

- World History has fully completed their new curriculum for the start of the 24-25 school year. This includes 16 new formative assessments, 8 new common assessments, revised skills-based syllabus, and a skills-based scope and sequence document.
- United States History has revised their entire first semester assessments to better align with their current course skills. This includes 8 formative assessments and 4 common assessments. The team also revised the sequence of the skills to better fit the needs of the students.
- AP Psychology created a new course syllabus, created a first semester pacing guide, aligned the gradebook to new skill standards, added assessments to GoFormative, and added curriculum resources to the department Teams page.
- AP Human Geography revised formative assessments to support their course skills, updated their scope and sequence, and organized curriculum resources for new AP Human Geography teachers.
- Digital Photography revised the units of study to better support the new skill standards.

### **New Teachers**

With many retirements, comes many new teachers. The department is excited to welcome eleven new teachers to the family!

#### **Morton East High School**

### Freshman Center

- Itzel Gonzalez is from Loyola University and will be teaching World History to our Bilingual students.

### **Marching Band:**

Under the direction of Andy Boland, the Morton Marching Band held its first ever summer camp in over 10 years. The entire student marching band is committed to providing a more interactive experience during our football half-time shows. It takes a few years to develop the skills necessary to produce an exceptional performance, and the Morton Marching Band is committed to reaching that goal.

To the left, a student drum major helps lead a group of students as they practice their marching skills. The drum major is also practicing his leadership skills, which aligns with the “life ready” pillar of the Portrait of a Morton Graduate.

To the right, a large section of marching band students are led by Andy Boland, and Assistant Marching Band Director Kendall Ruff.

### A. EDUCATIONAL IMPACT STATEMENT

J. Sterling Morton HSD 201 intends to construct a CTE Center on district owned property adjacent to the Morton Alternative School and Morton Freshman Center. The CTE Center will provide students with direct access to career pathways in a hands-on learning environment that will allow them to start earning certifications while still in high school. The district will conduct a Request for Qualifications (RFQ) for an architect for this new facility. The district is seeking an architect with experience in designing CTE campuses to bring their expertise in creating spaces that cater to the unique needs of vocational training programs.
