Parchment comes to MCHS

MCHS is partnering with Parchment to provide a convenient platform to help institutions and individuals securely send and receive credentials, such as transcripts and diplomas. Parchment has a long and successful history with the Illinois Students Assistance Commission (ISAC).

Thank you to **Matt Wikoff, Jen Mayfield, Stephanie Ledesma, and Bobbi White** for supporting this initiative.

Supporting 1:1 Initiatives: Spotlight Wes Anderson

MCHS continues to support our 1:1 initiative for our students. Specifically, Wes Anderson, our Instructional Technologist has been instrumental supporting our Class of 2025 with Freshmen Technology Training. He has met with every English 1 section to create Khan Academy and College Board accounts. Further, Wes taught students how to print and change their MCHS password. In addition he has partnered with our Special Education Department meeting with every Freshman Self-Contained class to do a lesson titled "Staying Organized with Google"

#MCHSproud

- Thank you **Michelle Fernandez** for her role in supporting instructional plans for students on quarantine with organization and communication.
- Thank you to **Jason Allen, Melissa Hoffert, Sharon Richardson, Joe Pacetti, and Jamie Soliman** for their collaborative work navigating the new evaluation law.

Curriculum and Instruction

Foreign Exchange students

This August we welcomed three foreign exchange students to Minooka Community High School. Per the [Foreign Exchange Student Program Parameters](#), all three students are from an approved organization. Student applications were submitted and approved through the Director of Curriculum and Instruction. Due to the COVID-19 pandemic, all health guidelines were followed for students to travel to the United States. All three students attend classes at Central Campus. I have contacted each family to see how the students are adjusting to MCHS and answered any questions they had at that time.

AP/Dual Credit/Seal of Biliteracy

At the September 15th Board of Education meeting, I will present data related to Advanced Placement, Dual Credit, and the Seal of Biliteracy. The Advanced placement information will review our five-year trends and student scholars. Dual Credit will focus on our course offerings and potential college credit

that students can earn. Finally, I will introduce the Seal of Biliteracy data and what benefits the seal offers our students.

Curriculum Guide Review

The Department Chairs and I use time during our weekly meetings this month to discuss curriculum guide changes and new course proposals. In addition, individual meetings with each Department Chair are ongoing to discuss specifics to their department. All curriculum guide revisions and additions will be presented to the Board of Education at the curriculum committee meeting.

Finance

Clarius/Lion Electric- Abatement Agreement - On Friday I met with the representative from Clarius (the building owner) and Lion Electric to discuss the Clarius indemnification provision of the abatement agreement. The parties discussed possibly doing a Lion Electric corporate guarantee instead of the indemnification agreement. Lion Electric will provide a draft of the agreement for consideration in the parties next discussion.

Storm Damage - The district roofs and athletic fields sustained damage from the storm on Tuesday, September 7th. On Saturday, September 11th, our insurance adjuster will be on site to evaluate the damage. Emergency repairs and inspections have been conducted to ensure the building is safe for occupancy.

A heartfelt thank you to all our staff for doing a great job keeping our students safe.

Assessment

Planning is underway for the Illinois Science Assessment (ISA) and the PSAT/NMSQT. The ISA team met to discuss how to administer the test with the least possible disruption to instruction. Due to the low percentage of senior students who take a science course, it was inevitable that we would be disrupting multiple content areas to administer this test. Therefore, it was decided to administer the test to all seniors at one time, during first and second block on September 22nd, with a make-up day of September 29th.

PSAT/NMSQT tests have been ordered. Information and a link for families to sign up for the test will go out on Friday, September 10th. Sign up will close on October 8th.

CALL TO ORDER

Due to the topic of discussion and the anticipated audience attendance, the meeting was held in the PAC (Performing Arts Center). The meeting was called to order at 5:30 p.m. by Board President Mike Brozovich. A physical quorum was present with the following board members answering roll call: Laura Hrechko, Mike Brozovich, Dustin Heap, Dee Crye, Terry Spivey, Jim Grzetic, and Matt Shepard. Additionally present were Kenny Lee, John Troy, Bryan Zwemke, as well as school attorney John Fester. The Pledge of Allegiance was recited.

OPENING STATEMENT BY BOARD

President Mike Brozovich began with an opening statement noting that the mask mandate is in effect and so applies to the meeting, board members and audience alike. He requested that everyone please wear their masks and that one would be provided for anyone who needed. Mr. Brozovich added that in attendance this evening was legal counsel John Fester to provide a legal opinion so that the board could make informed decisions. He asked that the audience remain calm and act professionally and again, to please comply with the mandate, and also to adhere to the time limit so that everyone who wished would have a chance to speak.

PUBLIC COMMENTS

The public comment section lasted nearly two hours, until 7:19 p.m., allowing all persons who requested to speak to do so (24 people). In attendance in the audience was approximately 120 people.

Colin Keppner, Minooka resident, and spouse of teacher, addressed the board to request that the mask mandate guidelines be followed and that a lawsuit not be pursued. He stated that the District is legally responsible to follow them and that a lawsuit would take away funds from other student services. He added that mask wearing does not have adverse effects.

Dave Barney, MEA President, stated that on July 21, the board unanimously approved a resolution to follow the CDC/IDPH guidelines. He stated that the teachers union is not in favor of refusing to follow the guidelines or with suing the Governor, and they would not be complicit or responsible for consequences of such.

Student Evelyn Maruszak spoke against the motion to move forward with lawsuit.

Alumni Jacob Pursell concurred with those who want to follow the mask mandate guidelines, noting that the pros far outweigh the cons.

Twenty-five-year veteran social studies teacher Dennis Grosskopf, stated that he was not here to talk for or against the mandate or lawsuit but to talk about how to move forward from this and have the best learning/working environment possible. He added that the board members took an oath to protect the school from this and it is no longer about learning.

Robin English, cited the Resolution that was passed by the board on July 21, which stated that should local health data require mitigations, the BOE would not hesitate to make such changes to ensure the health and safety of all students and staff. She continued that last year the community was begging for in-person instruction, and this allows that to happen, and that money spent on a lawsuit would be better spent elsewhere.

Nurse Traci Keyster spoke on the statistics of CoVid, asking if anyone on the board or in the audience felt that they had a higher education or felt that they were more qualified than the experts to make these decisions. She asked what was the harm in starting the school year off right, getting the students back to in-person safely. She also noted that the harm in not being safe could mean people dying.

Alumni Jimmy Holmes addressed the board noting disappointment in the meetings not being livestreamed and stating that he believes the District should not sue the State of Illinois and the Governor. He also noted extreme discontent with the current board and felt that there has been recklessness with money.

Eric Schmitz, a parent and community member, stated that he is an army combat vet which gives him a unique perspective on the government. He stated that he believes the mask mandate should be left up to individual choices and he asked for the mandate to be especially taken off the buses.

Jen Monson, community member and parent, stated that she fully supports the District pursuing a lawsuit as she is against the mask mandate and that the emergency is over.

Dr. Jennifer Thomas stated that since March of 2020, she has served on a CoVid response team. She continued that the students benefit from in-person learning and that the teachers need to be empowered to do what they do best. She stated that masking is one of the tools that can be used against CoVid and that they are not harmful to us, inconvenient maybe, but not harmful. She pleaded that a way be found for everyone to work together and if people have concerns, they should trust and talk to their health care provider to get accurate information.

Social studies teacher Trevor Shields spoke in favor of masking, noting that if it gets everyone in the building, why would the guidelines not be followed.

Next to speak was Joleen McCarty stating that on July 21 the board passed two resolutions. Yes, the first regarded the guidelines, but the second was to ask for local control. She continued that it was her preference to proceed with suing the Governor.

Alumni Owen Quast, noted that he was a candidate for the last election. He stated that masks work and that he believes it is in the best interest of everyone to keep the mask requirement and to drop the pursuit of a lawsuit.

Kerri Fuhrman stated that she believes rights are being infringed upon. She continued that if parents, students feel safer with the masks, then by all means they should be worn by those individuals, but if not, parents should have the right to freely decide. She added that she believes that regular masks are not effective and that only N-95 masks are shown to provide protection.

At 6:43 p.m., Jill Berscheia addressed the board, asking the Board to please vote yes for the lawsuit.

Chuck Owen stated that he believes the data is skewed noting that he believes the percentage of those vaccinated is far higher than stated once you take out those who are ineligible. He concluded with stating that any teacher who is scared, should find the door.

Student Zak Brown spoke in favor of making the masks optional stating that it is better for people to be allowed to make up their own minds. He added that masks interfere with breathing and so make it difficult to participate in sporting activities and can also cause other irritations.

Caysee Brown concurred with her brother, Zak, and stated that she believes a mandate is unconstitutional.

Zach Jantz, alumni, stated that his mother works at a hospital and has seen the very real and very devastating effects that CoVid can have on patients. He noted that this takes a toll on health care workers and puts them at risk. He concluded that it is selfish and entitlement for individuals to put others through that.

Jim Burjek, alumni, addressed the board regarding the racism he has seen at the school and believes that more time and effort should be dedicated to those problems. He stated that the board should listen to the teachers and to the students and also to the experts who he believes collectively express being in favor of the mandate.

Ian Talley, student, noted disappointment for the ridiculing that had been happening during the meeting and stated that he opposes the lawsuit and he strongly encouraged the Board to follow the mandate.

Mike Dane noted that he believes the Governor is a bureaucracy, as well as President Biden, and that communism is here in

this country and it needs to be stopped. He stated that he is in favor of pursuing a lawsuit.

Ruthie Pieta, a parent and an educator, stated that she is supportive of taking legal action against the mask mandates and that she wants masks to be optional. She stated that she believes the Governor is over-reaching and that she values freedom.

At this time, 7:19 p.m., and as all who requested to speak were allowed, the public comment section was closed.

DISCUSSION

Recently Implement Mask Mandate for K-12 Education:

Discussion took place regarding the mask mandate and consensus was reached to publicly share the Opinion Letter from the school attorney, John Fester. Mr. Fester addressed some concerns and questions that had been raised by board members and also during public comments.

- Regarding lunch times, he stated that yes, masks would need to be removed during eating and that other precautions could be taken during that time such as more distancing, staggering lunch times, etc. He added that as long as the District was doing their best to follow the guidelines, the risk for liability would be low.
- Mr. Fester explained Tort Immunity which provides municipalities with a level of protection against reckless or willful neglect and also discussed Absolute Immunity. He continued that when there is a mandate, courts won't recognize local discretion to disregard it and insurance companies will not provide coverage for CoVid related items. So, there wouldn't be insurance coverage in a lawsuit and the District wouldn't have Tort Immunity either.
- Regarding consequences, Mr. Fester explained that the State Board has stated that they would enforce this mandate. Disregarding it could very well include Accreditation Status being revoked, licenses being suspended or revoked, sports and activities being unsupported through IHSA, loss of funding, to name a few. He stated the ISBE is an executive branch of the government and is under the authority of the Governor.
- Regarding the pursuit of a lawsuit, Mr. Fester said that he would advise against it and that as yet, there hasn't been a single case that has been successful. He added that the courts listen to the numbers provided by the CDC/IDPH and recognize State medical authorities.
- Mr. Fester noted that regarding quarantine rules there are three options available for staying in school. One being vaccination status, another being that quarantine timelines have changed, and there is also an option to elect to "Test to Stay" where a student tests at specific intervals and does not quarantine with negative results.
- When asked, Mr. Fester stated that he doesn't believe that there would be a judge that would rule that there isn't a pandemic anymore.
- Regarding medical exemptions, Mr. Fester explained that typically that results in using a face shield instead and more often than not, students would prefer the mask over the shield.
- Regarding student disciplinary actions, Mr. Fester explained that the mask mandate becomes a conduct rule and is enforced as such and after repeated infractions could end with suspension or expulsion.

At this time, Superintendent Kenny Lee stated that he would recommend that the BOE proceed with the July 21, 2021, resolution, and specifically follow Item number 8, which states: "Should local health data require increased mitigations (i.e. mask mandate, increased social distancing, changes in lunch service, remote learning, etc.) the Board of Education will not hesitate to make such changes to ensure the health and safety of all students and staff." Consensus was reached unanimously by the board to follow that recommendation. Therefore, there was no motion and no action needed for this at this time.

Potential Lawsuit Against Governor/State of Illinois:

When asked regarding the lawsuit, the board was in unanimous agreement that no action was needed at this time and until there is more information. There was also consensus that the District could not do it alone.

Audience members were encouraged to contact their local legislatures and if they had information to feel free to share it.

The request was made by a board member to officially reach out to other districts regarding a suit.

Mr. Brozovich noted that the District will continually monitor the situation, the data, the guidelines, etc.

ADJOURNMENT

PUBLIC COMMENTS

At the start of the public comment section, Mr. Heap announced a statement from the board. Mr. Heap commented that there was some confusion following Monday’s meeting with the final decision of the board regarding the mask mandate. Mr. Heap clarified that the board continued to support the resolution passed at the July meeting which was to follow the State’s stance and to go along with the mandate.

Additionally, Mr. Heap addressed concerns, and noted that an email was also sent from administration, stating that at no point was there action or a decision by the Board that would affect the licensure of administrators or teachers.

Karen Styrna, MCHS teacher, addressed the board. Mrs. Styrna noted that she is honored and privileged to serve the community and loves her job and students. She continued that she is here to note concerns as she was under the impression that there was interest by the board in banding together with other schools and defy the mask mandate. She stated that she fears the consequences of such and begged the board to consider what is best for students and the community. She added that there is too much at risk with defying the mandate whether alone or with other schools.

Melissa Caruso, MCHS social worker, addressed the board noting that she is in agreement and does not believe that the district should go against the mandate or sue the Governor. She added that she doesn’t want the school to lose any funding or for students not to be able to participate in IHSA activities.

MCHS Spanish teacher Hannah Keppner expressed concerns regarding the discussions about banding together and joining other schools in an attempt to sue the Governor. She asked that the Board please let go of the idea. She continued that it is important to have consistency this year and to try to keep everyone safe from this virus which is still very real. She stated that she is not willing to risk safety to defy the mandate or to risk the funding, etc. that could come as consequences. The mandate is only put in place to protect everyone, she added.

At this time, Vice-President Dustin Heap spoke as he wanted to reiterate that discussion the board had on Monday night regarding banding together with other schools was not related to defying the mask mandate, but related to legal action that would not affect funding or licenses. He stated that at no point did the board decide to move against the mandate, but just possibly discussing legal action.

Next to speak during public comments was MEA President Dave Barney. Mr. Barney first thanked the board and administration for the email sent out to staff noting that the board’s position is now clear and would not be putting staff at

risk for consequences of defying the mandate. He added that did help to put peoples' minds at ease. He continued that he still wished to convey concerns because the matter was not put to rest at the last meeting, yet was set aside for a meeting down the road. He stated that he wants the staff and students to get back to normal and that wearing masks would not keep that from happening, however lawsuits could.

MCHS social studies teacher Chris Williamson addressed the board to speak about the ramifications from Monday night's meeting. He stated that he worries for the integrity of the board after the lack of decorum at that meeting. He noted that he watched the live streaming of the meeting where he found a decent portion of the meeting to be disruptive and contrary to procedure. He continued that it is the responsibility of the board to maintain order and it was not. Lastly, Mr. Williamson stated that he felt that the defiance during Monday's meeting contributed to defiance by students regarding the mask mandate upon return to school. He stated that the school is not a place for a political debate around masks, and allowing politics to enter the schools could potentially be a disruptive environment.

MCHS teacher Katie Meadows shared her disappointment in how the opening of this school year went. She noted worries and distractions due to the uncertainty of the board's position and the issue of a lawsuit not being dismissed. She continued that she is not willing to risk all that could be involved. She noted that she feels the past few years have been a constant battle with administration and the board, the school's reputation has been tarnished, and teacher morale is low as the school is continuously surrounded in controversy.

Next to speak was alumni Todd Hoffart. Mr. Hoffart is an ICU Nurse at Christ Advocate Hospital and he addressed the board to provide information on the virus from a medical standpoint. Mr. Hoffart noted that speaking is a mode of transmission for the virus and that masking is the body's primary defense available at this time for stopping the virus from entering through the respiratory airway. He noted some of the many difficulties with curbing the spread of this virus stating that asymptomatic transmission and the incubation period are very hard to battle. Mr. Hoffart concluded with sharing some of the repercussions of this disease, noting the damage that it does to one's lungs, and that stating that some people only come back to 50% of their former lung capacity.

Alumni Audrey Hoffart, an Occupational Therapist, also shared insight on the virus as a medical professional. Ms. Hoffart stated that this virus is an agonizing disease and is deadly. She noted the hardships that come with families not being able to visit their loved ones in the hospital and so people die alone. She stated that the Delta variant is coming which could lead to dire consequences, and that the board members were elected to keep everyone safe. She concluded by stating that the district has zero tolerance for other safety concerns, so why would this be any different.

MEMORANDUM OF UNDERSTANDING

RE: Teacher Start Times, Quarantine Teaching

WHEREAS, the MINOOKA EDUCATION ASSOCIATION (MEA), IEA-NEA, and the BOARD OF EDUCATION OF MINOOKA COMMUNITY HIGH SCHOOL DISTRICT NO. 111 (“BOARD”) are parties to a negotiated Collective Bargaining Agreement (the “CBA”) covering the period 2020/2021 – 2022/2023; and

WHEREAS, Due to the Covid pandemic there is a need for students to go directly to their classrooms in the morning upon arrival to school.

WHEREAS, there has been a request by teachers to be allowed to work remotely on days when they are quarantining due to Covid.

NOW THEREFORE, the BOARD OF EDUCATION, the MINOOKA EDUCATION ASSOCIATION, agree as follows:

1. The foregoing recitals are hereby incorporated into this Agreement.
2. Teachers are expected to report and be available for supervision of the students in their classrooms at least 15 minutes prior to the first bell. The administration recognizes that some flexibility is necessary in this regard for special circumstances such as child care and other personal matters. The administration will work with individual teachers with these special circumstances so that their start time is not overly burdensome.
3. With the increase in vaccinations and current quarantine guidelines it is expected that the need to quarantine will be low. However, in the event that a quarantine is necessary, per the IDPH and Grundy County Health Department, the administration shall use its discretion in determining if teachers who are required to quarantine or need to stay home due to their child’s need to quarantine will be allowed to work in a quarantine setting. In making this decision the administration will, in a fair and equitable manner, consider the effectiveness of the teacher in a quarantine setting, substitute coverage available, and the best interests of the students. Those who need to be off for reasons other than quarantine and not related to COVID, shall not benefit from this paragraph.
4. The parties acknowledge that the Covid landscape is constantly changing and therefore agree that if circumstances change that they will meet to negotiate any necessary amendments to this agreement.
5. This Memorandum of Understanding is non-precedential and may not be used by either party as evidence of a practice, or for any other reason in any future dispute between the parties, except to enforce the provisions of this agreement.

6. This Memorandum of Understanding represents the parties' full and complete agreement with respect to the subject matter contained herein. No other promises or understandings exist between the parties. This Memorandum of Understanding is effective on the latest date of signatures set forth below-.

7. This Memorandum of Understanding creates no private right of action.
