### **Special Education Open House**

On August 6th we offered an Open House at South Campus to our freshman students with IEPs, and their families. Families enjoyed refreshments and a presentation by Mr. Matt Shanahan with important information about MCHS. Students were then given time to meet their case manager, walk their schedule, and find their locker. Thank you to Mr. Matt Shanahan, Shawn Mannion, and the South Special Education Department for offering this special night to our students and families.

### **Freshman Experience**

Freshmen Experience was August 7th from 7:35 am to 10:00 am. We welcomed over 600 freshmen who were able to meet fellow students, teachers, and administrators. Mr. Kevin Murphy, Assistant Principal at South Campus, was instrumental in the organization and execution of this experience. Thank you to Mr. Anthony Babich, Mr. Chris Erickson, Mrs. Katie Cassidy, and Dr. Kristina Brown for their support through NHS and Connections Crew. In addition, thank you to Mrs. Hillary Holden, Mr. Matt Williams, and all the activity and athletic sponsors that volunteered their time to showcase what we offer for students to get involved. Finally, thank you to John Taylor and his crew from HES for their hard work and effort to make sure South Campus was ready for students and staff.

### **Institute Days**

Our first two institute days were August 12th and August 13th. The days included general sessions, department meetings, teacher work time, mentor meetings, dual credit teacher and co-teacher meetings. Professional development included an Artificial Intelligence presenter, including smaller sessions for those that were introductory versus advanced in AI. In addition, our staff was trained on our new absence software, Red Rover, and the counselors were trained on Xello (4 year planning software). Finally, on day 2, our School Improvement Team presented their activities for the year in the areas of Consistency, Culture & Climate, and Involvement, and the School Resource Officers presented on "I Love You Guys" and building safety. Thank you to all of our presenters for their efforts in creating meaningful days for our staff.

Board Report

August 20, 2024

1. **Budget** - The FY25 budget hearing is scheduled for the September 21st meeting at 6 pm. The required notices have been published in the newspaper. We will see an increase in our Evidence Based Funding by approximately \$1 million dollars due to transitioning into Tier 1 funding from Tier 2 funding. Offsetting some of that increase is a decrease in our Corporate Personal Property Replacement Tax (CPPRT) of approximately \$330,000 dollars.
2. **Busing** - Transportation continues to be a challenge. We are able to get all of our students to school on time. The routes home are taking a little longer than we would like and we are working on adjustments to alleviate that.
3. **Transportation Negotiations** - We are meeting weekly for the next several weeks. Negotiations are slow but that is normal for first time contracts.
4. **Admin Building** - We have occupied the admin building with our administrative offices and Minooka Academy. Punch list items are being worked on albeit at a slower pace than we would like.
5. **Central Campus Offices/Hallway/Gym Remodel** - Except for the gym we are able to occupy the spaces that were remodeled. Unfortunately, without the windows and doors in place for offices and conference rooms we cannot use the space fully as intended. For example, privacy and security of documents are an issue until the windows and doors are installed.
6. **Stifel Bond Discussion** - Our bond issue representative from Stifel, Kevin Heid, is working on new bond issuance numbers for the CTE / Fieldhouse projects. Mr. Heid will address the Board at their September meeting.

### **New Teacher Orientation & Mentoring Program**

This year MCHS will be welcoming 15 new teachers into the district. New Teacher Orientation took place on Thursday, August 8th. Our new staff members spent the day learning about MCHS, the community, and our students. Thank you to the MCHS students, staff, and administrators that participated in the orientation. A special thank you to mentor leaders, Mr. Brad Dorick and Mr. Andres Torres, for organizing and facilitating the new teacher orientation.

### **Administrative Meeting Summary**

The first full administrative team meeting took place on Tuesday, August 6th. The meeting allowed all members of the MCHS administrative team to share information about the start of the school year, review goals for the upcoming school year, and celebrate any accomplishments from the summer. The team had time to review the plan for Teacher Institute days and discuss future events that will be taking place in August and September.

### **Final Exams**

Last year the School Improvement Team surveyed the staff regarding our current end of semester exam procedures. Based on staff feedback we will be returning to district wide, comprehensive final exams across both campuses. Exams will be worth 15% of the overall student grade and exemptions will be given to seniors that have earned an A in both semesters of a year long course, and for students that have taken the AP exam for their AP course. Teachers and course teams will determine what format and content covered in the final exam for each course.

### **Exchange Students for 24-25 School Year**

This year MCHS will host two exchange students for the 2024-2025 school year. These students will enter the year as Juniors at Central Campus. One of our exchange students is from Germany and the other student is from France.

**DISCUSSION**

**Building and Grounds**

**Facility Update:**

The Central and South Campus Additions presentation was provided in the board packet for review. Dr. Schiffbauer discussed in the presentations the rationale of the Industrial Technology addition and Field House addition, the design phase, construction timeline, as well as the timeline for finances. Dr. Schiffbauer emphasized that the project is well within the district's debt capacity and district's current tax rate will be maintained. He added that the Field House would be an asset to the community as a rental space and collaborating with Channahon Park District to utilize the space. Mrs. Hrechko voiced her concern for the Reach program's access and offered a suggestion if the project could include an awning for drop off and pick up for inclement weather. Dr. Schiffbauer stated that due to building code, a fire suppression system would be required and could be discussed with the architects. Mr. Juskiewicz had concerns regarding parking at South<sup>10</sup>Campus but also had clarification that the expansion of the storm detention areas is included in the agreement. Dr. Schiffbauer added that at

South Campus there is an additional 40 acres to the south of the projected Field House and there is an option for additional parking if needed. In addition, Mr. Juskiewicz was concerned if there is an option to plan for phasing improvements for growth at Central Campus as well as update science rooms which are adjacent to the CTE addition. Depending on cost he would like to maximize as much that can be done in this first phase. Mr. Hoyt inquired about air conditioning in the Field House. Dr. Schiffbauer stated that he will provide board information on the costs with and without air conditioning and estimates for electricity usage for the Field House. He will also provide information on alternative options such as fans. There were no additional questions or concerns raised.

#### DLA Contract:

The Memorandum of Understanding and AIA Document for the project was provided in the board packet for review. Mr. Troy stated that the master agreement that the district has already entered into with DLA anticipates a long-term agreement. In turn, Memorandum of Understandings would then be added. Mr. Troy pointed out that the cost of the architect fees would be 8% of the project which is estimated at \$5.2 million dollars. Once bids are out the district is then committed.

#### Nicholas and Associates Contract:

The Nicholas and Associates Contract and AIA Document was provided in the board packet for review. Mr. Troy reported that Nicholas and Associates construction management fees are 3.5 % of the total construction costs plus fixed general condition costs equates to approximately \$4.3 million dollars.

Mr. Troy recapped that the cost of the project is \$65 million dollars plus \$9.5 million in architect and construction management fees which equates to \$74.5 million dollars. He anticipates financing \$77 million dollars to cover all costs. The DLA MOU and Nicholas and Associates contract are recommended for action at the June 12<sup>th</sup> Regular board meeting. Mr. Juskiewicz voiced his concern against the 8% fee of the project and feels that it takes away the districts control to hold the contractors accountable over their costs during design. In his experience in the municipal world, he feels that it is unheard of to have a percentage construction. He urged board members to consider having the MOU modified with a more detailed scope and fee. Mr. Grzetich inquired if this is standard practice for a percentage fee in education projects. Mr. Troy recalled that there were 8 projects by percentage and that it is standard practice. Dr. Schiffbauer agreed that they reviewed a number of contracts with other districts by DLA and Nicholas and Associates and it was standard as well as projects in in his prior district. There was discussion in regards to requesting another proposal from DLA. The majority of board members felt that this would affect the timeline of the project and this is currently the competitive percentage rate with area school district projects. Mr. Spivey, Mr. Shepard, Mr. Grzetich, Mrs. Hrechko, Mr. Brozovich and Mr. Hoyt agreed unanimously to proceed with board action at next week's regular meeting for the MOU with DLA and the contract with Nicholas and Associates.

Mr. Juskiewicz believes that in his professional opinion this should not be approved as presented because he feels there are contradictions between the Master Service Agreement and the Memorandum of Understanding. He also feels it is a lack of scope and schedule and could potentially cause cost and schedule over runs. Mrs. Hrechko asked Dr. Schiffbauer's opinion on past experiences. Dr. Schiffbauer added that in his experiences it is common and standard in education. He also added that he and Mr. Troy had conversations with DLA regarding a more specific schedule and will be addressed during the attorney review. Board members agreed to proceed with action.

22.1	22	Extension of Time to the Project	John Troy (MINOOKA COMMUNITY HIGH SCHOOL)	May 7, 2024	High	Open
<p><b>Description</b> CCC requested project time extension due to</p> <p><b>The Exterior Site Work:</b> CCC mobilized on October 1, 2023, and was not released to start site work until October 26, 2023. This delay pushed the concrete work into the winter conditions. This required additional work and additives to the concrete which CCC provided pricing for. This cost was discussed and was decided to push the concrete pours into the Spring. This was also thought to be the plan to pour the concrete as the RFP for the dumpster enclosure design was ongoing. This work was figured to be done in the Spring as well. The design of the trash enclosure and approval delayed the site work as well. CCC has taken upon ourselves to be pro-active in pricing up options to get this work completed in a timely manner.</p> <p><b>Upgrades to the Elevator Interior Cab:</b> the upgrades to the interior cab design have pushed the schedule out as the skeleton of cab was not identified as a result the project schedule has been affected. This has been discussed for several weeks in our OAC meeting. Again, more values engineering to provide the most cost-effective solutions to the client has pushed the elevator schedule scope out past the substantial completion date.</p> <p><b>RFI 37 Ceiling Heights effected by MEP Equipment in the Ceiling:</b> April 18, 2024, for the 2nd floor ceiling heights due to the amount/sizes of MEP and fire sprinkle design. A possible solution was purposed to lower the soffit 2" to accommodate all of the MEP &amp; Fire Sprinkler systems. Other options have now been discussed and is still in the design phase to maintain as much ceiling height as possible.</p> <p>Time extension verbally accepted until June 6, 2024 in this meeting by the district.</p>						
<p><b>Official Documented Meeting Minutes</b> District will send signed letter extension.</p>						
<p><b>Previous Meeting Minutes</b></p> <p><b>Jun 18, 2024</b> CCC to send reminder email to Mr. Troy on updated extension of time due to the additional elevator mech room scope.</p> <p><b>Jun 11, 2024</b> CCC sent time extension letter to district due to elevator mechanical room items.</p> <p><b>Jun 4, 2024</b> Time extension letter to be submitted by June 5th by CCC to the district.</p>

22.1	22	Extension of Time to the Project	John Troy (MINOOKA COMMUNITY HIGH SCHOOL)	May 7, 2024	High	Open
<p><b>Description</b> CCC requested project time extension due to</p>						
<p><b>The Exterior Site Work:</b> CCC mobilized on October 1, 2023, and was not released to start site work until October 26, 2023. This delay pushed the concrete work into the winter conditions. This required additional work and additives to the concrete which CCC provided pricing for. This cost was discussed and was decided to push the concrete pours into the Spring. This was also thought to be the plan to pour the concrete as the RFP for the dumpster enclosure design was ongoing. This work was figured to be done in the Spring as well. The design of the trash enclosure and</p>						

approval delayed the site work as well. CCC has taken upon ourselves to be pro-active in pricing up options to get this work completed in a timely manner.

**Upgrades to the Elevator Interior Cab:**

the upgrades to the interior cab design have pushed the schedule out as the skeleton of cab was not identified as a result the project schedule has been affected. This has been discussed for several weeks in our OAC meeting. Again, more values engineering to provide the most cost-effective solutions to the client has pushed the elevator schedule scope out past the substantial completion date.

**RFI 37 Ceiling Heights effected by MEP Equipment in the Ceiling:**

April 18, 2024, for the 2nd floor ceiling heights due to the amount/sizes of MEP and fire sprinkle design. A possible solution was purposed to lower thew soffit 2" to accommodate all of the MEP & Fire Sprinkler systems. Other options have now been discussed and is still in the design phase to maintain as much ceiling height as possible.

Time extension verbally accepted until June 6, 2024 in this meeting by the district.

**Previous Meeting Minutes**

**Jul 2, 2024**

Extension letter to be executed.

**Jun 25, 2024**

District will send signed letter extension.

**Jun 18, 2024**

CCC to send reminder email to Mr. Troy on updated extension of time due to the additional elevator mech room scope.

22.1	22	Extension of Time to the Project	John Troy (MINOOKA COMMUNITY HIGH SCHOOL)	May 7, 2024	High	Open
<b>Description</b> CCC requested project time extension due to						
<b>The Exterior Site Work:</b> CCC mobilized on October 1, 2023, and was not released to start site work until October 26, 2023. This delay pushed the concrete work into the winter conditions. This required additional work and additives to the concrete which CCC provided pricing for. This cost was discussed and was decided to push the concrete pours into the Spring. This was also thought to be the plan to pour the concrete as the RFP for the dumpster enclosure design was ongoing. This work was figured to be done in the Spring as well. The design of the trash enclosure and approval delayed the site work as well. CCC has taken upon ourselves to be pro-active in pricing up options to get this work completed in a timely manner.						
<b>Upgrades to the Elevator Interior Cab:</b>						

the upgrades to the interior cab design have pushed the schedule out as the skeleton of cab was not identified as a result the project schedule has been affected. This has been discussed for several weeks in our OAC meeting. Again, more values engineering to provide the most cost-effective solutions to the client has pushed the elevator schedule scope out past the substantial completion date.

## 2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

*New/Unpublished Section*

**NEW**

Discrimination and harassment on the basis of race, color, or national origin [PRESSPlus1](#) negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

### Examples of Prohibited Conduct [PRESSPlus2](#)

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

### Making a Report or Complaint; Investigation Process [PRESSPlus3](#)

Individuals are encouraged to promptly report claims or incidences of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. [PRESSPlus4](#) To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

### Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which: [PRESSPlus5](#)

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

### Policy Posting and Distribution

This policy shall be posted on the District's website. [PRESSPlus6](#) The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, [PRESSPlus7](#) and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website [PRESSPlus8](#) and including an age-appropriate summary of the policy in the student handbook(s). [PRESSPlus9](#)

### Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

## Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

## **PRESSPlus Comments**

PRESSPlus 1. This policy is created in response to 105 ILCS 5/22-95 (final citation pending), added by P.A. 103-472, the Racism-Free Schools Law (RFSL). The law requires school districts to have a written policy (or policies) in place by 8-1-24 that prohibit discrimination and harassment based on race, color, and national origin, as well as retaliation. Like other non-discrimination and harassment policies in the PRM, this new policy utilizes the existing complaint process in sample policy 2:260, *Uniform Grievance Procedure*.

The policy must contain the following: (1) descriptions of various forms of discrimination and harassment based on race, color, and national origin, including examples; (2) the district's internal process for filing a complaint regarding a violation of the policy; (3) an overview of the district's prevention and response program that includes procedures for responding to complaints of discrimination and harassment based on race, color, and national origin and retaliation; (4) potential remedies for a violation of the policy; (5) a prohibition on retaliation for making a complaint or participating in the complaint process; (6) the legal recourse available to the Ill. Dept. of Human Rights (IDHR) and federal agencies if a district fails to take corrective action; and (7) directions on how to contact IDHR.

For more information, see the PRESS Issue 114 Update Memo and the footnotes of sample policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com). **Issue 114, March 2024**

PRESSPlus 2. Required by 105 ILCS 5/22-95(b)(1)(A) (final citation pending), added by P.A. 103-472, eff. 8-1-24. The examples of discrimination and harassment under this subhead are based on definitions provided by the U.S. Dept. of Education's Office for Civil Rights, see

PRESSPlus 3. Required by 105 ILCS 5/22-95(b)(1)(B) (final citation pending), added by P.A. 103-472, eff. 8-1-24. **Issue 114, March 2024**

PRESSPlus 4. Required by 105 ILCS 5/22-95(b)(1)(F). **Issue 114, March 2024**

PRESSPlus 5. Items 1-6 must be addressed in a district's procedures for responding to complaints of discrimination and harassment based on race, color, and national origin. See sample administrative procedure 2:270-AP, *Prevention and Response Program for Complaints of Discrimination and Harassment Based on Race, Color, and National Origin*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com). **Issue 114, March 2024**

PRESSPlus 6. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to post this policy in their website if one exists. If the district does not maintain a website, strike this sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 7. 105 ILCS 5/22-95(b)(2) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires this policy to be "posted in a prominent and accessible location and distributed in such a manner as to ensure notice of the policy to all employees." A district website or staff intranet site qualifies as a prominent and accessible location. If a district does not maintain a website and/or staff intranet, delete ~~District website~~ and/or ~~staff intranet site~~ from this sentence, as applicable, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 8. If the district does not maintain a website, delete ~~posting it on the District's website~~ and from the sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 9. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to publish the policy in student handbook(s). The law also requires a district to annually distribute a "summary of the policy in accessible, age-appropriate language" to students and parents/guardians. The summary may, but does not have to be, included in a student handbook to satisfy the annual distribution requirement. For ease of administration, this sample policy refers to inclusion in the student handbook(s). Districts may find it cumbersome to include both the policy and an age-appropriate summary of the same policy in a handbook. Consult the board attorney for guidance if the district would like to include a hyperlink to the policy, rather than the full text of the policy in the handbook. The Ill. Principals Association maintains a handbook service that coordinates with PRESS material, Online Model Student Handbook (MSH), at: [www.ilprincipals.org/msh](http://www.ilprincipals.org/msh). **Issue 114, March 2024**

### **2:125 Board Member Compensation; Expenses**

#### Board Member Compensation Prohibited [PRESSPlus1](#)

School Board members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

#### Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

#### Regulation of School District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Superintendent will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

#### Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

#### Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with [Article 23 of the School Code](#); and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Superintendent or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development* and other professional development opportunities that are encouraged by the School Code (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

### Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

### Credit and Procurement Cards

Credit and procurement cards shall not be issued to Board members.

### Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian

complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

### Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

### Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

### Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

### Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

#### Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

#### Appointing a Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, ~~one of~~ each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

### **2:265 Title IX Grievance Procedure**

*Title has been updated. Original Title: Title IX Sexual Harassment Grievance Procedure*

Sexual harassment<sup>PRESSPlus1</sup> affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

#### Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in [20 U.S.C. §1092\(f\)\(6\)\(A\)\(v\)](#), *dating violence* as defined in [34 U.S.C. §12291\(a\)\(11\)](#), *domestic violence* as defined in [34 U.S.C. §12291\(a\)\(12\)](#), or *stalking* as defined in [34 U.S.C. §12291\(a\)\(36\)](#).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

#### Definitions from [34 C.F.R. §106.30](#)

*Complainant* means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

*Education program or activity* includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

*Formal Title IX Sexual Harassment Complaint* means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

*Respondent* means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

*Supportive measures* mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

### Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

### Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

### **Title IX Coordinator:**

#### Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R. §106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
  - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about

the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.

6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

### Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

### Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

## **PRESSPlus Comments**

PRESSPlus 1. The policy title only is changed to delete the term *sexual harassment* in anticipation of Title IX rulemaking. The U.S. Department of Education is expected to release final Title IX regulations within the next few months. It is expected that the scope of the updated regulations will be expanded to apply to all sex discrimination allegations, not merely to allegations of sexual harassment (as current regulations do). **Issue 114, March 2024**

### 2:70-E Exhibit - Checklist for Filling Board Vacancies by Appointment

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at:

[www.iasb.com/law/vacancies.cfm](http://www.iasb.com/law/vacancies.cfm). [PRESSPlus1](#)

**Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11.

**Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).**

**Develop a list of qualifications for appointment of a person to fill the vacancy.**

Guidelines	Explanation
At a minimum, a candidate must meet the following qualifications: <ul style="list-style-type: none"> <li>• Be a United States citizen</li> <li>• Be at least 18 years of age</li> </ul>	558

<ul style="list-style-type: none"> <li>• Be a resident of Illinois and District for at least one year immediately preceding the appointment</li> <li>• Be a registered voter</li> <li>• Not be a child sex offender</li> <li>• Not hold an incompatible public office</li> <li>• Not have a prohibited interest in any contract with the District</li> <li>• Not be a school trustee</li> <li>• Not hold certain types of prohibited State or federal employment</li> </ul>	<p>While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB’s <i>Recruiting School Board Candidates</i>, available at: <a href="http://www.iasb.com/training/recruiting.cfm">www.iasb.com/training/recruiting.cfm</a></p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs Regarding Conflict of Interest and Incompatible Offices</i> (ICSA), available at: <a href="http://www.iasb.com/IASB/media/Documents/COI_FAQ.pdf">www.iasb.com/IASB/media/Documents/COI_FAQ.pdf</a>.</p>
<p>When additional qualifications apply, the following items may be included in the Board’s list of qualifications:</p> <ul style="list-style-type: none"> <li>• Meet all qualifications based upon the distribution of population among congressional townships in the district.</li> <li>• Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas.</li> </ul>	<p>Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district’s incorporated and unincorporated areas. 105 ILCS 5/10-11.</p> <p><b>Note:</b> If a vacancy for an area of residence remains unfilled, a board must submit a proposition at the next general election for the election of a board member at large. 105 ILCS 5/10-10.5(c).</p>

**Decide who will receive completed vacancy applications.**

Guidelines	Explanation
The Board President will	559

<p>accept applications.</p> <p>The Board will discuss, at an open meeting, its process to review the applications and who will contact applicants for an interview.</p>	<p>Who accepts vacancy applications is at the Board’s sole discretion. According to Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>, the Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent’s secretary if the Board determines that it is more convenient. Who accepts the applications must be decided prior to posting the vacancy announcement.</p>
---	---

**Create the Board member vacancy announcement.**

<b>Announcement</b>	<b>Explanation</b>
<p><b>School District _____ Board Member Vacancy</b></p> <p>The School District is accepting applications to fill the vacancy resulting from [reason for vacancy] of [former Board member’s name].</p>	<p>The contents of a vacancy announcement, how it is announced, and where it is posted are at the Board’s sole discretion.</p> <p>The Board may want to announce the vacancy and its intent to fill it by appointment during an open meeting. The announcement may be posted on the District’s website and in the local newspaper(s).</p>
<p>The individual selected will serve on the School Board from the date of appointment to [date].</p>	<p>The length of the appointment depends upon when during the term of office the vacancy occurred. See 105 ILCS 5/10-10 and Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i>, to determine the length of the appointment.</p>
<p>The School District [School District’s philosophy or mission statement].</p>	<p>See Board policy 1:30, <i>School District Philosophy</i>, for the District’s mission statement that is specific to the community’s goals.</p>

- Publicize the vacancy announcement by placing it on the District’s website, announcing it at a meeting, and/or advertising it in the local newspaper(s).**
- Accept and review applications from prospective candidates (see Decide who will receive completed vacancy applications above).**
- Contact appropriate applicants for interviews (see Decide who will receive completed vacancy applications above).**
- Develop interview questions.**

<b>Interview Questions</b>	<b>Explanation</b>
Why do you want to be a Board member?  What specific skills would you bring to the Board?  Please give specific examples of your ability in interpersonal relationships and teamwork.  What do you see as the role of a Board member?  What have you done to prepare yourself for the challenges of being a Board member?  Please describe your previous community or nonprofit experiences.  What areas in the district would you like to see the Board strengthen?	<p>Interview questions are at the Board’s sole discretion. This list is not exhaustive, but it may help the Board tailor its questions toward finding a candidate who will approach Board membership with a clear understanding of its demands and expectations along with a constructive attitude toward the challenge. The Board may also want to consider allowing an equal amount of time for each interview.</p> <p>See IASB’s Recruiting School Board Candidates, available at: <a href="http://www.iasb.com/training/recruiting.cfm">www.iasb.com/training/recruiting.cfm</a></p> <p>A prospective candidate to fill a vacancy may raise other specific issues that the Board will want to cover during an interview.</p>

<p>What is your availability to meet the time, training commitments, and other responsibilities required for Board membership?</p> <p>Describe what legacy you would like to leave behind.</p>	
--	--

**Conduct interviews with candidates (interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(3)).**

Interview Plan	Explanation
<p>In each interview, the Board President will:</p> <p>Introduce Board members to the candidate at the beginning of the interview.</p> <p>Describe the Board’s interview process, selection process, and ask the candidate if he or she has questions about the Board’s process for filling a vacancy by appointment.</p> <p>Describe the District’s philosophy or mission statement.</p> <p>Describe the vacancy for the candidate by reviewing the: (1) qualifications, and (2) general duties and responsibilities of the Board and the Board members, including fiduciary responsibilities, conflict of interest, ethics and gift ban, and general Board member development.</p> <p>Begin asking the interview questions that the Board developed.</p> <p>Ask the candidate whether he or she has any questions for the Board.</p> <p>Thank the candidate and inform the candidate when the Board expects to make a decision and how the candidate will be contacted regarding the Board’s decision.</p>	<p>The Board President will lead the Board as it interviews prospective candidates. See Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>. The president presides at all meetings. 105 ILCS 5/10-13.</p> <p>The Board may also want to consider allowing an equal amount of time for each interview.</p>

**Fill vacancy by a vote during an open meeting of the Board before the 60th day (105 ILCS 5/10-10).**

**Assist the appointed Board member in filing his or her statement of economic interest (5 ILCS 420/4A-105(c)).**

**Announce the appointment to District staff and community.**

Announcement	Explanation
<p>The Board appointed [<i>appointee's name</i>] to fill the vacancy on the Board.</p> <p>The appointment will be from [<i>date</i>] to [<i>date</i>].</p> <p>The Board previously established qualifications for the appointee in a careful and thoughtful manner. [<i>Appointee's name</i>] meets these qualifications and has demonstrated the willingness to accept the duties and responsibilities of a Board member. [<i>Appointee's name</i>] brings a clear understanding of the demands and expectations of being a Board member along with a constructive attitude toward the challenge.</p>	<p>The contents of the appointment announcement and length of time it is displayed are at the Board's sole discretion. The Board may want to consider announcing the appointment during its meeting and also by posting it in the same places that it posted the vacancy announcement.</p> <p>See Board policy 8:10, <i>Connection with the Community</i>.</p>

**Administer the Oath of Office and begin orientation.**

Guidelines	Explanation
<p>See Board policy 2:80, <i>Board Member Oath and Conduct</i>.</p>	<p>Each individual, before taking his or her seat on the Board, must take an oath in substantially the form given in 105 ILCS 5/10-16.5.</p>
<p>See Board policy 2:120, <i>Board Member Development</i>, and exhibit 2:120-E1, <i>Guidelines for Serving as a Mentor to a New School Board Member</i>.</p>	<p>Orientation assists new Board members to learn, understand, and practice effective governance principles. ### **2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use**

The Open Meetings Act (OMA) requires the School Board to discuss District business only at a properly noticed Board meeting. [5 ILCS 120/](#). Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*. [PRESSPlus1](#)

#### Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not forward email received from another Board member.

#### When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." [5 ILCS 140/2](#). Email sent or received by an individual Board member may be, depending on

the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

**First**, the communication pertains to the transaction of public business, and

**Second**, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in *City of Champaign v. Madigan*, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
  - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
  - b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
  - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
  - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
  - e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

#### When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. [50 ILCS 205/](#). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board

member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

**Important:** Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. [50 ILCS 205/4](#).

### **2:160-E Exhibit - Checklist for Selecting a Board Attorney**

The School Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms. The Board may also select an attorney without using an RFP process and adapt this checklist. The Board may also adapt this checklist and use it for an application process, if the Board seeks an inhouse attorney. For more information, call the Ill. Association of School Board's (IASB) Office of General Counsel; see its current phone numbers at [www.iasb.com/about-us/staff/#office-general-counsel](http://www.iasb.com/about-us/staff/#office-general-counsel). [PRESSPlus1](#)

#### **Determine what type of legal services the District needs.**

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorneys or outside attorneys/law firms. Many districts use a combination of these services. Many districts also use multiple attorneys/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. Some boards also approve a panel of attorneys and allow the administration to choose which attorney to use.
2. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
  - District's size;
  - Any past and current experiences with legal matters;
  - Complexity of the District's legal needs;
  - Availability of expertise; and
  - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

#### **Develop a list of qualifications necessary for providing quality legal services to the District.**

1. Review Board policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align procurement for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
  - Licensed to practice law in Illinois and in good standing with the Ill. Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
  - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
  - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of

Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.

- Experience in all aspects of contract, employment, and school law
- Experience that meets the District's needs, including litigation experience in State and federal courts
- Membership in professional associations, such as, the Ill. Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
- Demonstrated knowledge of and ability to apply professional responsibility rules
- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

#### **Develop the RFP.**

1. Insert the list of qualifications that the Board developed.

2. Include the following information:

- The deadline for responses to be submitted
- The location (address or email) where responses should be sent
- A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
- Significant information about the District (see Board policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals)
- The scope of work, e.g., "The Board Attorney will provide legal advice concerning [*typical duties, specific duties, excluded duties*]."
- Qualifications
- Details about interviews and presentations

3. Specify what responders must include in their responses, such as the following:

- Cover letter, complete name, address, and legal structure (if the responder is a law firm)
- The individuals who prepared the response, including their titles
- If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
- A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
- A summary of the responder's relevant experience representing public schools
- A writing sample
- An assurance that the responder meets the RFP's qualifications
- References including current or past clients

#### **Announce the RFP.**

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail or email it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the ICSA is on the IASB website, [www.iasb.com](http://www.iasb.com). A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Ill. State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert District's name] School Board Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve either *at will* or from the date of appointment to [date]. The length of the appointment is at the Board's discretion.
4. State the School District's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned by [certain time and date] to [name and title of person receiving applications].

**Receive and manage responses to the RFP.**

1. Review Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

**Develop interview questions if the Board interviews attorneys or law firms.**

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
  - What do you see as your role as Board Attorney?
  - How many other school districts do you currently represent?
  - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
  - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school districts?
  - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
  - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *Ill. Rules of Professional Conduct*, at [www.illinoiscourts.gov/supremecourt/rules/art\\_viii/default\\_new.asp](http://www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp), require

attorneys to represent the Board in its capacity as the governing body for the District. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, sample policy 2:160, *Board Attorney*.

- How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- How would you manage a situation in which the Board and Superintendent are in conflict? How about a divided Board? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Will you try to shape Board decisions or do you have a whatever the Board decides philosophy? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Do you provide your school Board clients with any updating services gratis?
- How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
- Will you be handling this business personally, i.e., will you delegate to your associates or partners?
- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a school district in a matter involving the rights of disabled students? ...involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services, engagement letter, or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services, engagement letter, or a retainer agreement.

**Develop an interview protocol.** Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP. See 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:

- Introduce Board members to the responder
- Describe the Board’s interview process, selection process, and ask the responder if he or she has questions about the Board’s process for selecting its attorney
- Describe the District’s philosophy or mission statement
- Describe the Board Attorney position by reviewing the RFP
- Begin asking the interview questions (see *Develop interview questions*, above)
- Ask the responder whether he or she has any questions for the Board
- Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board’s decision

**Conduct a reference check and other background investigation(s).**

1. The Board President may perform this check or direct the Superintendent to:
  - Check the ARDC’s master roll of attorneys as “Authorized to Practice Law” (To do this, enter the attorney’s name into the ARDC’s registration and public disciplinary records database at: [www.iardc.org/Lawyer/Search](http://www.iardc.org/Lawyer/Search).)
  - Click on the attorney’s name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen
  - If disciplinary actions are listed, ask the attorney or law firm for more information
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

**Enter into a written agreement or engagement letter with the selected attorney or law firm.**

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAO 14-02).
2. Discuss the fee arrangements with the responder and decide:
  - Whether to enter into a fee arrangement and/or a retainer agreement (**Note:** Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services or an engagement letter that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.)
  - The appropriate scope of services
3. Review the written contract or memorialized relationship (*agreement for legal services or engagement letter*) for these provisions:
  - Fee arrangement
  - Scope of services

- Which attorneys will be providing legal services
- A statement that the Board controls all legal decisions
- A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it
- Board's right to terminate the services of the attorney and law firm at any time for any reason

4. Approve the *agreement for legal services or engagement letter* during an open Board meeting.

**Announce the appointment to District staff and community.**

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
  - The Board appointed [attorney's name or law firm name] as the Board Attorney
  - The appointment will begin on [date] for [length of time]
  - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner, e.g., "[Attorney or lawfirm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge."

## Capital Asset Policy

### **INTRODUCTION**

#### **Purpose**

The purpose of this capital asset policy is to provide control and accountability over capital assets, and to gather and maintain information needed for the preparation of financial statements. The Minooka Community High School District #111 capital asset policy is herein established to safeguard assets and to insure compliance with GASB34 for governmental financial reporting.

#### **Overview**

This policy is herein established to safeguard and address the Minooka Community High School District #111's investment in property, which comprises a significant resource. This policy is meant to ensure compliance with various accounting and financial reporting standards including Generally Accepted Accounting Principles (GAAP), and Governmental Accounting, Auditing, and Financial Reporting (GAAFR).

Further, this policy is meant to reflect the Minooka Community High School District #111's desire to meet the reporting requirements set forth in the Governmental Accounting Standards Board (GASB) Statement No. 34. Specifically, the GASB Statement No. 34 states that governments should provide additional disclosures in their summary of significant accounting policies including the policy for capitalizing assets and for estimating the useful lives of those assets which is used to calculate the depreciation expense. The Statement also requires disclosure of major classes of assets, beginning and end-of-year balances, capital acquisition, sales/dispositions, and current-period depreciation expense.

### **INVENTORY, VALUING, CAPITALIZING, AND DEPRECIATION**

#### **Inventory**

Responsibility for control of capital assets will rest with the Finance Department. The Finance Department shall ensure that such control is maintained by establishing an inclusive capital asset inventory schedule. Asset purchases, which fall below the capitalization threshold, will not be included in the capital asset inventory.

The Finance Department will be responsible for control of capital assets for their district. The Finance Department shall ensure that such control is maintained by establishing a capital asset inventory schedule. The inventory schedule will include the following for each asset:

- Asset Description – A description of the asset (serial #, model#)
- Asset Classification (Land and Land Improvements, Building and Building Improvements, Vehicles, Machinery and Equipment, and Infrastructure Assets)
- Department name and physical location of asset
- Date asset was purchased/acquired and or disposed
- Cost of Asset
- Method of acquisition (purchased or donated)
- Estimated useful life

This list will be maintained, updated, and reviewed by the Finance Department on an ongoing basis.

## Valuing Capital Assets

Capital assets should be valued at cost or historical costs, plus those costs necessary to place the asset in its location (i.e. freight, installation charges.) In the absence of historical costs information, a realistic estimate will be used. Donated assets will be recorded at the estimated current fair market value.

## Capitalizing

### *When to Capitalize Assets:*

Assets are capitalized at the time of acquisition. To be considered a capital asset for financial reporting purposes an item must be at or above the capitalization threshold (see schedule-page 3 & 4) and have a useful life of at least one year.

### *Assets not Capitalized:*

Capital assets below the capitalization threshold (see schedule-page 3 & 4) on a unit basis but warranting "control" shall be inventoried at the department level and an appropriate list will be maintained.

Capital Assets should be capitalized if they meet the following criteria:

- Tangible
- Useful life of more than one year (benefit more than a single fiscal period)
- Cost exceeds designated threshold (see schedule-page 3 & 4) Capital Assets include the following major classes of assets:

**Land and Land Improvements** – Capitalized value is to include the purchase price plus costs such as legal fees and filing fees; improvements such as parking lots, fences, pedestrian bridges, landscaping.

**Building and Building Improvements** – Costs include purchase price plus costs such as legal fees and filing fees; improvements include structures and all other property permanently attached to, or an integral part of the structure. These costs include re-roofing, electrical/plumbing, carpet replacement, and HVAC.

**Vehicles** – Costs include purchase price plus costs such as title & registration.

**Machinery and Equipment** – Assets included in this category are heavy equipment, traffic equipment, generators, office equipment; phone system, and kitchen equipment.

**Infrastructure Assets** – Infrastructure Assets are long-lived capital assets that are stationary in nature and normally can be preserved for a significantly greater number of years than most capital assets.

## Depreciation

Depreciation is computed on a straight-line method with depreciation computed on a monthly basis from the month of acquisition. Additions and improvements will only be capitalized if the cost either enhances the asset's functionality or extends the asset's useful life.

Projects in process will be added to the asset base as the projected expenses are incurred. However, the project will first need to meet its individual threshold

**Capital Assets Useful Lives are as follows:**

	<u>Useful Life</u>	<u>Capitalization Threshold</u>
Land (and Inexhaustible Land Improvements)	N/A	\$ 1
Site Improvements	20	15,000
Buildings		
Buildings	40	50,000
Building Improvements		50,000
HVAC	20	
Re-Roofing	20	
Electrical/Plumbing	20	
Carpet Replacement	10	
Vehicles		
Vehicles – General	7	10,000
Machinery & Equipment Heavy Equipment	15	25,000
Recreational Equipment	20	
Generators	20	
Furniture & Fixtures Office Furniture	20	10,000
Office Equipment	5	
Phone System	10	
Kitchen Equipment	10	
Infrastructure	50	250,000

**OTHER**

**Removing Capital Assets from Inventory**

Capital assets are to be removed from inventory once they are obsolete or claimed as surplus property. The item must be removed from the inventory listing and approved for disposal by the Board of Education.

**Donations or Transfer**

The Finance Department must add additions and deletions from donated or transferred assets to the inventory listing.

## Surplus Property

The Finance Department will report all capital assets classified as surplus. Minooka Community High School District #111 will have an auction or sealed bid as needed to sell the surplus property.

## Lost or Stolen Property

When suspected or known losses of inventoried assets occur, the Finance Department should conduct a search for the missing property.

### **4:190 Targeted School Violence Prevention Program**

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all District staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self. [PRESSPlus1](#)
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self. [PRESSPlus2](#)
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

## Questions and Answers:

\*\*\*Required Question 1. For districts that have a practice of providing instruction in life-saving techniques and first-aid in their staff development programs, insert the following optional paragraph that restates 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800:

"An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator."

Persons performing CPR are generally exempt from civil liability if they are trained in CPR (745 ILCS 49/10); persons performing automated external defibrillation are generally exempt from civil liability if they were trained and acted according to the standards of the American Heart Association (745 ILCS 49/12).

Would the board like to add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800?

No. (Default)

Yes. (IASB will add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800.)

## **PRESSPlus Comments**

PRESSPlus 1. This policy is rewritten due to Public Act 103-542, which significantly streamlines school in-service training requirements into eight categories. Though P.A. 103-542 was to be effective on 1-1-24, most of its changes become operative on 7-1-24. As a result, legislative action during Veto Session amended the effective date of P.A. 103-542 to 7-1-24. For more information, see the footnotes of sample policy 5:100, *Staff Development Program*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com).

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. **Issue 114, March 2024**

The court held that a teacher's failure to dial 911 immediately upon a student's asthma attack was willful and wanton conduct, subjecting the school district to liability under the Local Governmental and Governmental Employees Tort Immunity Act.

PRESSPlus 5. From 6-30-23 through 7-1-24, 105 ILCS 5/10-22.39(g), added by P.A. 103-128, requires that at least once every two years, all District personnel be trained on methods to respond to trauma, including instruction on how to respond to an incident involving life-threatening bleeding and, if applicable, how to use a school's trauma kit. See 105 ILCS 5/10-20.85, added by P.A. 103-128, for a definition of *trauma kit*. To avoid confusion between trauma related to life-threatening bleeding and trauma as defined in 105 ILCS 5/3-11(b), added by P.A. 103-413, this policy uses the phrase *trauma bleeding control kit* instead of *trauma kit*.

Beginning with the 2024-25 school year, training on life-threatening bleeding must be completed within six months of employment and renewed within two years. Beginning with the 2027-28 school year, training on life-threatening bleeding must be completed within six months of employment and renewed at least once every five years thereafter. 105 ILCS 5/10-22.39(b-5)(7), added by P.A. 103-542, eff. 7-1-24. **Issue 114, March 2024**

PRESSPlus 6. Optional. These in-services and/or trainings are required by State and/or federal law but are not required to be specified in board policy. Putting this optional list into the policy will help the board monitor that the required in-service and training topics are being covered. While it is possible to *pick and choose*, this practice is likely to add more confusion to an already confusing responsibility. Unless noted, the School Code does not mandate the frequency with which the training must occur. Several other trainings that are mentioned in laws other than the School Code are addressed in other sample policies and procedures. **Issue 114, March 2024**

## *Document Status: Adopted as Presented by IASB*

### **5:20 Workplace Harassment Prohibited**

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*; [PRESSPlus1](#) 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

#### Sexual Harassment Prohibited

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

#### Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors, and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must

stop.

### Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

An employee may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the claim according to that policy, in addition to any response required by this policy.

The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

### Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Nondiscrimination Coordinator or designee shall consider whether action under **Board** policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged workplace harassment that does not require action under Board policies 2:265, *Title IX Sexual Harassment Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated, regardless of whether a written report or complaint is filed.

#### Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

#### Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

#### Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and/or the Ill. Human Rights Act ([775 ILCS 5/](#)).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

#### Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to

report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this policy available in the District's administrative office, and including this policy in the appropriate handbooks.

### **5:35 Compliance with the Fair Labor Standards Act**

#### Job Classifications [PRESSPlus1](#)

The Superintendent will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

#### Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

#### Overtime

**Please refer to the applicable collective bargaining agreement(s).**

**For employees not covered by a current applicable bargaining agreement:**

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

#### Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

#### Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law,

the latter shall control.

### **5:40 Communicable and Chronic Infectious Disease**

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Illinois Department of Public Health rules, and School Board policies. [PRESSPlus1](#)

The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. ### **5:180 Temporary Illness or Temporary Incapacity**

Please refer to the applicable collective bargaining agreement(s). [PRESSPlus1](#)

#### **For employees not covered by a current applicable bargaining agreement:**

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

PRESSPlus 1. 105 ILCS 5/22-96, added by P.A. 103-46 and amended by P.A. 103-564, requires school districts, when hiring or assigning educators for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those

areas. The law also requires educators in these areas to obtain short-term approval if they are not licensed in the content area, or, if no short-term approval is available, they must meet criteria specified by the Ill. State Board of Education (ISBE). Educators must obtain an endorsement in the area being taught prior to the end of the short-term approval period to continue to maintain the educator's employment for subsequent school years. In the alternative, educators do not need to be licensed, obtain short-term approval, or meet other ISBE requirements if they meet the requirements of Title 23 of the Illinois Administrative Code except for Section 1.710. **Issue 115, June 2024**

### **5:310 Compensatory Time-Off**

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, [29 U.S.C. §201 et seq.](#), and (2) are not represented by an exclusive bargaining representative. [PRESSPlus1](#)

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

#### Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

### **7:180 Prevention of and Response to Bullying, Intimidation, and Harassment**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, <sup>PRESSPlus1</sup> pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge ~~status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability,~~ order of protection status, ~~status of being homeless, or actual or potential marital or parental status, including pregnancy,~~ association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

#### Definitions from [105 ILCS 5/27-23.7](#)

*Bullying* includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

*Bullying* may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public

humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

*Cyberbullying* means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

*Restorative measures* means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

*School personnel* means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

### Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the [First Amendment to the U.S. Constitution](#) or under [Section 3 of Article I of the Illinois Constitution](#).
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted at [www.mchs.net](http://www.mchs.net) under Students & Parents/Anonymous Tip Center; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

In addition, the policies below address the equal educational opportunities, health, safety, and general welfare of students within the District. These policies are not a complete list, and depending on the factual context, another policy not specifically listed may apply:

1. 2:260, *Uniform Grievance Procedure*, contains the process for an individual to seek resolution of a complaint. A student may use this policy to complain about bullying. The District Complaint Manager shall address the complaint promptly and equitably.
2. 2:265, Title IX Grievance Procedure, contains the process that must be followed for complaints of Title IX harassment. [PRESSPlus1](#)

PRESSPlus 1. Updated in response to a five-year review. **Issue 114, March 2024**

**TRANSITIONAL MATH PARTNERSHIP AGREEMENT BETWEEN**

Joliet Junior College District 525 ("COLLEGE")

AND  
111 ("DISTRICT")

THIS TRANSITIONAL MATH PARTNERSHIP AGREEMENT ("Agreement") is entered as of the date of execution by both the College and the District for the establishment, implementation, and delivery of transitional math instruction to the District's students in accordance with the Postsecondary and Workforce Readiness Act ("PWR Act") (110 ILCS 148 et seq) and the Statewide Transitional Math Competencies and Policies jointly agreed upon by the Illinois State Board of Education ("ISBE"), the Illinois Community College Board ("ICCB"), and the Illinois Board of Higher Education ("IBHE"), (the "Statewide Competencies and Policies"). In this Agreement, both the College and the District are referred to as the "Parties," and each, a "Party."

The Parties agree as follows:

**1. Transitional Math Courses**

- A. Course Offerings. In accordance with the terms of this Agreement, the PWR Act, and the Statewide Competencies and Policies, the Parties agree to collaboratively establish the following transitional math courses to be delivered by the District:

Transitional Math Pathway	High School(s) Where Offered	High School Course Title & ISBE SIS Code	Outcome College Math Course(s) for Placement by number and name and IAI code (if applicable)
<b>STEM</b>			Math 119 Technical Math Math 123 Math for Elementary Teachers I * Math 127 Math for General Education (M1 904) Math 128 Elementary Statistics (M1 902) Math 131 College Algebra Math 138 Pre-Calculus I
<b>Quantitative Literacy and Statistics</b>			Math 119 Technical Math Math 127 Math for General Education (M1 904) Math 128 Elementary Statistics (M1 902)
<b>Technical Math</b>			Math 119 Technical Math

\* The student must also meet a geometry prerequisite satisfied by a grade of C or better each semester over two semesters of high school geometry OR by taking a JJC placement exam OR by taking MATH 095 Geometry at JJC.

*[Each high school can decide an appropriate title for the course. STEM SIS code: 02055A001; Quantitative Literacy and Statistics SIS code: 02201A001; Technical Math SIS code: 02153A001]*

- B. Approved Curriculum Documentation, Assessment Structure, and Grading Policies. The District will ensure that each transitional math course is offered in accordance with the curriculum documentation, assessment structure, and grading policies (collectively, "Course Documentation") approved by the Parties. Course Documentation must meet the requirements of the Statewide Competencies and Policies and any additional requirements established by the Statewide portability panel for portability approval established pursuant to the PWR Act (the "Statewide Portability Panel"). Upon approval by both Parties, the Course Documentation will be deemed to be incorporated into this Agreement.

A grade of C is defined to be a minimum of 70%.

Courses offered over two semesters must have a grade of C or better each semester the course is offered.

Grades need to adhere to the below ranges (overall percentage should total to 100%):

Quizzes	0% - 15% of overall grade
Projects*	25%-35%
Formatives (includes homework)	0% - 25%
Exams	40% - 70%
Final Exam	15% - 20% (total percentage if there are two exams)

\* At least 25% of the overall grade must come from authentic contextualized problems or rich mathematical problems that require deeper connections and stress conceptual understanding. While these problems may be best suited to exploration in a project, they may also be incorporated in the homework, quiz, or exam categories of the gradebook. Instructors who do not allocate at least 25% to the project category must elaborate on the individual instructor syllabus (required document for portability submission) in the Problem/Project-based learning narrative section how s/he intends to meet the minimum of 25% of the overall grade to come from such authentic tasks. Teachers should provide examples of such tasks that would appear on homework, tests, etc. in addition to providing an example of larger projects in the course. Additionally, teachers who do not have at least 25% of the overall grade in the project category need to maintain documentation for the points/percentage of the overall grade allocated to those individual tasks that occur on homework, quizzes, etc. to be able to justify at the conclusion of the course how 25% of the overall grade was devoted to such authentic tasks.

Additional grading policies:

- A single assessment may not be more than 50% of the final grade in the course.
- Course contains at least three exams and a cumulative final exam.
- Exams are closed-book, no-note, individual assessments. Exams cover multiple objectives (i.e. a unit).
- For one exam, one of the following can be offered: test corrections, redo exam, take-home test, lowest score dropped, or lowest score replaced by final exam percentage.
- Graphing calculators are not permitted on exams. Only scientific calculators that cannot simplify radicals are permitted.
- Quizzes may be open-note, partner/group, or take-home. However, it is recommended most quizzes meet the criteria of exams (i.e. closed book, etc.)
- Any unexcused graded assessments will be recorded as zero points.

- Retake or redo homework or quizzes are not permitted.
  - Up to the lowest two quiz scores can be dropped.
  - Up to the lowest three homework scores can be dropped.
  - Projects can be redone without limit.
  - The final exam score is never dropped nor curved.
  - For yearlong courses, the final exam given at the end of second semester is cumulative for the course.
  - If the pathway has a common final exam available, that final exam must be given at the end of the course. The scantrons or a data file with the applicable final exam data must be returned to the College's primary contact listed in 6B within one week of the conclusion of the course.
  - Extra credit is strongly discouraged. If extra credit is given, it must be limited to 5% of the overall grade and must align to course objectives.
  - At the conclusion of the course, the District instructors will complete a data file provided by the College. The file will include but is not limited to final exam scores and final course grade. The file will be emailed to the College's primary contact listed in 6B within one week of the conclusion of the course.
- C. College Enrollment. The College will ensure that any student successfully completing a transitional math course in accordance with the grading policies in the Course Documentation is eligible to enroll in the applicable outcome college math course identified in the table above without any further placement test or other prerequisite requirement, provided the enrollment occurs within 18 months of the transitional math course completion as indicated on the high school transcript.

## 2. Teacher Qualifications and Supports

- A. Teacher Qualifications. The District will ensure that all teachers of transitional math courses are certified to teach high school math. However, if the transitional math instruction is integrated with other academic content (such as in a senior year capstone course) or taught through a competency-based instructional model, the role of the high school math teacher or community college math instructor can vary from those in a traditional course and must be addressed in the Course Documentation.
- B. Professional Development and Other Supports. The Parties will jointly ensure that teachers of transitional math courses have the appropriate skills or experience, or receive relevant and applicable professional development, prior to teaching a transitional math course. Further, the College will provide a qualified and experienced instructor as a resource person and liaison for each high school transitional math teacher. Liaisons serve in a support role, and do not evaluate high school teachers.

## 3. Student Eligibility for Courses

- A. College Readiness Criteria. The District will use the criteria set forth in the Statewide Competencies and Policies for determining the college readiness of high school juniors in mathematics.
- B. Transitional Math Placement. In accordance with the Statewide Competencies and Policies, the District will advise and promote transitional math course placement to each high school student who is not deemed ready for college mathematics based on his or her performance through

their junior year but who is otherwise eligible to take a transitional math courses in his or her senior year. Any exceptions to the eligibility requirements must be agreed upon in advance by both the College and the District.

**4. Other District Commitments**

- A. Summative Assessments. The District will ensure all summative assessments are kept secure. The District will maintain all graded summative assessments for two years.
- B. Transcripting and Reporting. The District will indicate transitional math completion on the student's transcript in accordance with requirements adopted by the Statewide Portability Panel. The District will use appropriate transitional math course codes for the reporting of transitional math enrollments and grades to ISBE.
- C. Advising Supports. The District will provide advising supports to students during their junior year to ensure they are aware of the availability of dual credit or transitional math courses, as applicable to the student's readiness level, and are selecting an option appropriate to the student's pathway.

**5. Other College Commitments**

- A. Statewide Portability. The Parties agree to pursue and maintain statewide portability approval through the Statewide Portability Panel for all transitional math courses offered through this Agreement. The College will, on behalf of the partnership between the Parties, submit this Agreement and Course Documentation to the Statewide Portability Panel to establish and maintain statewide portability of the transitional math courses offered through this Agreement, and will collaborate with the District to resolve any issues raised through the portability approval process.
- B. State Procedures for Recognizing Completion. The College will abide by State policies and procedures for the recognition of successful completion of transitional math courses for student placement and portability of the completion determination.

**6. Other Terms**

- A. Data Collection and Sharing. District data will support enrollment, retention, and results for students enrolled in transitional math courses. JJC will examine outcomes in the subsequent college-level math courses that will inform ongoing adjustments to the transitional math courses. The Parties will protect the confidentiality of information concerning students in accordance with all applicable Federal and State laws regarding such information, including but not limited to, the Family Education Rights and Privacy Act (20 U.S.C. § 1232g) and the Illinois Schools Student Records Act (105 ILCS 10/1 et seq.).
- B. Primary Contacts and Notifications. The Parties hereby designate the following individuals as having primary responsibility for the management and administration of this Agreement ("Primary Contacts"):

For the College:	Transition Math Coordinator transitionmath@jjc.edu 815-280-2519
------------------	---

For the District: [Name]  
[Title of Primary Contact]  
[Email of Primary Contact]  
[Phone # of Primary Contact]

The Parties will ensure that the Primary Contacts are included on all correspondence regarding the administration of this Agreement.

- C. Disputes. The Parties agree to seek to collaboratively resolve any disputes regarding this Agreement through the Primary Contacts identified in Section 6.B, above. In the event any such dispute cannot be timely resolved, the Primary Contacts will refer the dispute to the College's President and the District's superintendent for resolution. If the dispute can still not be resolved, then pursuant to 110 ILCS 148/55(c), the Parties will refer the dispute to ISBE and ICCB. The resolution of the dispute by authorized representatives of ISBE and ICCB will be binding on the Parties.
- D. Indemnification. To the extent permitted by law, Parties will indemnify, defend and hold harmless their trustees, individually and collectively and their affiliates, officers, agents and employees from any and all liabilities, damages (regardless of type or amount), claims, demands, actions, costs, suits or matters, including attorneys' fees, arising out of or related to the performance of the work under this Agreement, whether based upon or claimed to be based upon statutory, contractual, tort or other liability of any indemnity hereunder, provided that no party shall be indemnified for claims arising from such party's own negligence, and the provisions of this Article shall not be construed to require indemnification of any party for or against such party's own negligence or to require any indemnification which would make the provisions of this Article void or unenforceable.
- E. Amendment. This Agreement may be amended at any time by the written agreement of both Parties.
- F. Term and Termination. This Agreement will remain in effect unless terminated by either Party. Any termination will be effective upon the completion of the transitional courses then being offered and the notification of the termination to ISBE and ICCB of the termination, provided the Parties will adhere to all commitments set forth in this Agreement relating to students enrolled in such courses.
- G. Applicable Law and Severability. This Agreement shall be governed in all respects by the laws of the State of Illinois. If any provision of this Agreement shall be held or deemed to be or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, ordinance, rule of law or public policy, or for any reason, such circumstance shall not have the effect of rendering any other provision or provisions contained herein invalid, inoperative or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses, or sections contained in this Agreement shall not affect the remaining portions of this agreement or any part thereof. In the event that this Agreement is determined to be invalid by a court of competent jurisdiction, it shall be terminated immediately.

The Parties hereby confirm their agreement to the terms set forth herein.

If this box is checked the following language applies:  
The retail buyer hereunder has been informed by the retail seller that his contract will be sold and assigned by the retail seller to, N/A, (a licensed Sales Finance Agency) and that the said Sales Finance Agency has a substantial interest in the business of the retail seller and that pursuant to law the retail buyer may assert all defenses equally against the retail seller and said N/A Sales Finance Agency.

Purchaser agrees that this Agreement includes all of the terms and conditions on all pages of this Agreement hereof, that this Agreement cancels and supersedes any prior agreement including oral agreements, and as of the date below comprises, with any retail installment sale contract, the complete and exclusive statement of the terms of the agreement relating to the subject matters covered by this Agreement.

If Purchaser is buying the Vehicle for cash (this includes a Purchaser arranging his or her own financing from a party other than dealer), this Agreement is not binding upon either Dealer or Purchaser until signed by an authorized Dealer representative.

If Purchaser is buying the Vehicle in a credit sale transaction with Dealer evidenced by a signed retail installment sale contract, this Agreement is binding when the retail installment sale contract is signed, but will not remain binding if a third party finance source does not agree to purchase the retail installment sale contract executed by Purchaser and Dealer based on this Agreement. See paragraph 13 on page 4 of this Agreement.

Agreement to Arbitrate: By signing below, you agree that, pursuant to the Arbitration Provision on page 5 of this agreement, you or we may elect to resolve any dispute by neutral, binding arbitration and not by a court action. See the Arbitration Provision for additional information concerning the agreement to arbitrate.

## ADDITIONAL TERMS AND CONDITIONS

1. These definitions apply to this Agreement.
- "Agreement" means this Vehicle Buyer's Order.
- "Dealer," "us," "our" and "we" mean or refer to the authorized Dealer named on page 1 of this Agreement and who becomes a party to this Agreement by accepting it.
- "Manufacturer" means the corporation that manufactured the Vehicle.
- "Purchaser" and "you" mean or refer to the party or parties executing this Agreement as Purchaser and Co-Purchaser.
- "Trade-in" is the used vehicle that Purchaser intends to use as part of the consideration for the purchase price of the Vehicle or otherwise is to be transferred to Dealer.
- "Vehicle" is the vehicle or chassis that is the subject of this Agreement.

We are not the Manufacturer's agent. You and we are the sole parties to this Agreement. References in this Agreement to Manufacturer are for the purpose of describing certain contractual relationships between the Manufacturer and us relating to new vehicles.

2. The Manufacturer may change our price of new vehicles without notice. If that happens with regard to new vehicles of the series and body type of the Vehicle before we deliver it to you, we may change the cash delivered price of the Vehicle to you accordingly. If we do, you may cancel this Agreement. If you cancel, we shall return any Trade-in to you, unless we have sold it. You agree to pay reasonable storage and repair charges. If we have sold the Trade-in, we shall pay you the sale price, less a sales commission of 15% and any expense in storing, insuring, conditioning or advertising it for sale.

3. If you don't deliver your Trade-in to us until we deliver the Vehicle to you, we will reappraise the Trade-in at that time, subject to applicable law. The reappraised value will be the allowance for the Trade-in. If the reappraised value is lower than the amount shown in this Agreement, you may cancel this Agreement. You must exercise your right to cancel before we deliver the Vehicle to you and you surrender the Trade-in to us.

4. You agree to give us satisfactory evidence of title to any Trade-in when you deliver it to us. You warrant any Trade-in to be your property. You warrant that the Trade-in is free and clear of all liens and encumbrances unless otherwise noted in this Agreement, and that the Trade-in has never had a salvage or "branded" title. You represent that the Trade-in's mileage shown in this Agreement is the actual mileage on the Trade-in unless you have noted other mileage on this Agreement. You authorize us to rely on this representation in entering into this transaction. If you provide false information, you will repurchase the related Trade-in from us for the full price allowed to you plus all costs we incur in resolving this matter including but not limited to reconditioning costs, legal fees, court and collection costs.

5. If you fail or refuse to accept delivery of the Vehicle or comply with this Agreement, we may keep as liquidated damages any cash deposit you made, to the extent not prohibited by law. We may reimburse ourselves for any expenses and losses we incur or suffer as a result of your failure or refusal. Such expenses and losses may include our reasonable attorneys' fees. This section doesn't apply if you cancel this Agreement under section 2 or 3.

6. The Manufacturer may change the design of any vehicle, chassis, accessories, or parts at any time without notice and without obligation. The Manufacturer may also make the same or any similar change upon any vehicle, chassis, accessories, or parts already bought by or shipped to us or being manufactured or sold in accordance with our orders. If the Manufacturer makes such a change, we have no obligation to you to make the same or any similar change in the Vehicle or its parts either before or after we deliver the Vehicle to you.

7. We aren't liable for failure to deliver or delay in delivering the Vehicle where such failure or delay is due, in whole or in part, to any cause beyond our control or without our fault or negligence.

8. The Vehicle price doesn't include sales taxes, use taxes or

occupational taxes based on sales volume (federal, state or local), unless expressly so stated. You agree to pay, unless prohibited by law, any such taxes imposed on or that apply to the transaction reflected by this Agreement, regardless of who has primary liability for the tax.

9. If this Agreement shows a charge for Credit Insurance, this paragraph applies. The Credit Insurance provisions in any retail installment contract you later sign related to this Agreement will apply. If such insurance is wholly or partly unavailable under the designated policy, we will deduct the applicable part of the Credit Insurance charge shown in this Agreement and the related finance charge from the total amount you owe. If such insurance does not become effective, we will notify you of that fact. This Agreement and any related retail installment contract you sign shall otherwise remain fully effective, to the extent provided by applicable law.

10. You agree to sign such agreements or documents as we may require to effect the terms and conditions of payment shown in this Agreement.

11. Payoff information shown on pages 1 and 2 of this Agreement is provided by you and/or your lienholder. Should the actual payoff(s) be less, we will refund the difference to you. If the payoff(s) is more, you agree to remit the difference to us within three business days of notification of the difference.

12. This Agreement is an agreement to buy the Vehicle. If there is a Balance Due Dealer, your obligation to buy and our obligation to sell the Vehicle are expressly conditioned upon you obtaining financing for the Balance Due Dealer. You have two business days from the date of this Agreement to obtain such financing. If you pay us with a check that is dishonored or unpaid for any reason, we may, at our sole option, declare this Agreement null and void and retake the Vehicle, or make claims against you on the check. In addition, to the extent permitted by law, we will charge you a \$25 returned check charge.

13. If for any reason you and we do not complete the Vehicle sale and purchase, financing is not obtained, or this Agreement is declared void, this section applies. You will return the Vehicle to us. You will pay us on demand all reasonable charges and expenses for any damage to the Vehicle. We will comply with all laws and return the Trade-in and your down payment to you. If, through inadvertence, we have sold the Trade-in, we shall pay you the sale price. If you fail to return the Vehicle within 24 hours of notice, you agree that we may, solely at our option, cancel the sale and retake immediate possession of the Vehicle and, in addition to those charges specified above, you agree to pay us all reasonable expenses we incur in connection with retaking the Vehicle, including attorneys' fees and other expenses to the extent permitted by applicable law.

14. If this Agreement shows that any part of the transaction is to be financed, we may assist in submitting credit applications to third parties. Unless we have committed to do so in writing, we will not lend you money or finance this transaction regardless of any notation to the contrary on any other document. No agent, employee or manager of ours can change this policy.

15. In the event that any of the terms and conditions of this Agreement are inconsistent with the terms and conditions of any retail installment agreement between Purchaser and Seller, the terms of such retail installment agreement shall apply.

### 16. SERVICING AND COLLECTION CONTACTS

In consideration of our extension of credit to you, you agree to provide us your contact information for our servicing and collection purposes. You agree that we may use this information to contact you in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems, as the law allows. You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you. You agree to allow our agents and service providers to contact you as agreed above.

You agree that you will, within a reasonable time, notify us of any change in your contact information.

**ARBITRATION PROVISION**

**PLEASE REVIEW - IMPORTANT - AFFECTS YOUR LEGAL RIGHTS**

- 1. EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN YOU AND US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.**
- 2. IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.**
- 3. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.**

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, any allegation of waiver of rights under this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this Vehicle, this Agreement or any resulting transaction or relationship (including any such relationship with third parties who do not sign this Agreement) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator only on an individual basis and not as a plaintiff in a collective or representative action, or a class representative or member of a class on any class claim. The arbitrator may not preside over a consolidated, representative, class, collective, injunctive, or private attorney general action. You expressly waive any right you may have to arbitrate a consolidated, representative, class, collective, injunctive, or private attorney general action. You or we may choose the American Arbitration Association ([www.adr.org](http://www.adr.org)) or National Arbitration and Mediation ([www.namadr.com](http://www.namadr.com)) as the arbitration organization to conduct the arbitration. If you and we agree, you or we may choose a different arbitration organization. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Seller is a party to the claim or dispute, in which case the hearing will be held in the federal district where this transaction was originated. We will pay the filing, administration, service, or case management fee and the arbitrator or hearing fee up to a maximum of \$5,000, unless the law or the rules of the chosen arbitration organization require us to pay more. You and we will pay the filing, administration, service, or case management fee and the arbitrator or hearing fee over \$5,000 in accordance with the rules and procedures of the chosen arbitration organization. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control. Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate any related or unrelated claims by filing any action in small claims court, or by using self-help remedies, such as repossession, or by filing an action to recover the vehicle, to recover a deficiency balance, or for individual or statutory public injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this Agreement. If any part of this Arbitration Provision, other than waivers of class rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. You agree that you expressly waive any right you may have for a claim or dispute to be resolved on a class basis in court or in arbitration. If a court or arbitrator finds that this class arbitration waiver is unenforceable for any reason with respect to a claim or dispute in which class allegations have been made, the rest of this Arbitration Provision shall also be unenforceable.

To whom it may concern,

The Driver's Education program is looking to purchase a new vehicle for the fleet driver's education cars that we currently have. The purpose of this purchase would be to aid in the completion of behind the wheel lessons during the school year and throughout the summer. Recently the school disposed of and removed a vehicle from our fleet leaving us short a vehicle for the school year. In addition to these things, the purchase of a new vehicle will allow for the continued success of our summer driver's education program. We will be able to continue to help all students meet the criteria for the Graduated Driver's Licensing Program.

If you have any questions or concerns please contact me.

## 2:270 Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited

*New/Unpublished Section*

**NEW**

Discrimination and harassment on the basis of race, color, or national origin [PRESSPlus1](#) negatively affect a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from such discrimination and harassment is an important District goal. The District does not discriminate on the basis of actual or perceived race, color, or national origin in any of its education programs or activities, and it complies with federal and State non-discrimination laws.

### Examples of Prohibited Conduct [PRESSPlus2](#)

Examples of conduct that may constitute discrimination on the basis of race, color, or national origin include: disciplining students more harshly and frequently because of their race, color, or national origin; denying students access to high-rigor academic courses, extracurricular activities, or other educational opportunities based on their race, color, or national origin; denying language services or other educational opportunities to English learners; and assigning students special education services based on a student's race, color, or national origin.

Harassment is a form of prohibited discrimination. Examples of conduct that may constitute harassment on the basis of race, color, or national origin include: the use of racial, ethnic or ancestral slurs or stereotypes; taunts; name-calling; offensive or derogatory remarks about a person's actual or perceived race, color, or national origin; the display of racially-offensive symbols; racially-motivated physical threats and attacks; or other hateful conduct.

### Making a Report or Complaint; Investigation Process [PRESSPlus3](#)

Individuals are encouraged to promptly report claims or incidences of discrimination or harassment based on race, color, or national origin to the Nondiscrimination Coordinator, a Complaint Manager, or any employee with whom the student is comfortable speaking. Reports under this policy will be processed under Board policy 2:260, *Uniform Grievance Procedure*.

Any District employee who receives a report or complaint of discrimination or harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of discrimination or harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

This policy does not impair or otherwise diminish the existing rights of unionized employees to request an exclusive bargaining representative to be present during any investigatory interviews, nor does this policy diminish any rights available under an applicable collective bargaining agreement, including, but not limited to, a grievance procedure.

If the District fails to take necessary corrective action to stop harassment based on race, color, or national origin, further relief may be available through the Ill. Dept. of Human Rights (IDHR) or the U.S. Dept. of Education's Office for Civil Rights. [PRESSPlus4](#) To contact IDHR, go to: <https://dhr.illinois.gov/about-us/contact-idhr.html> or call (312) 814-6200 (Chicago) or (217) 785-5100 (Springfield).

### Prevention and Response Program

The Superintendent or designee shall establish a prevention and response program to respond to complaints of discrimination based on race, color, and national origin, including harassment, and retaliation. The program shall include procedures for responding to complaints which: [PRESSPlus5](#)

1. Reduce or remove, to the extent practicable, barriers to reporting discrimination, harassment, and retaliation;
2. Permit any person who reports or is the victim of an incident of alleged discrimination, harassment, or retaliation to be accompanied when making a report by a support individual of the person's choice who complies with the District's policies and rules;
3. Permit anonymous reporting, except that an anonymous report may not be the sole basis of any disciplinary action;
4. Offer remedial interventions or take such disciplinary action as may be appropriate on a case-by-case basis;
5. Offer, but do not require or unduly influence, a person who reports or is the victim of an incident of harassment or retaliation the option to resolve allegations directly with the accused; and
6. Protects a person who reports or is the victim of an incident of harassment or retaliation from suffering adverse consequences as a result of a report of, investigation of, or a response to the incident.

### Policy Posting and Distribution

This policy shall be posted on the District's website. [PRESSPlus6](#) The Superintendent shall annually inform staff members of this policy by posting it in a prominent and accessible location such as the District website, employee handbook, staff intranet site, [PRESSPlus7](#) and/or in other areas where policies and rules of conduct are made available to staff. The Superintendent shall annually inform students and their parents/guardians of this policy by posting it on the District's website [PRESSPlus8](#) and including an age-appropriate summary of the policy in the student handbook(s). [PRESSPlus9](#)

### Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, up to and including discharge.

Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to remedial action and/or disciplinary action, including but not limited to, suspension and expulsion consistent with Board policy 7:190, *Student Behavior*.

Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to remedial and/or disciplinary action.

## Retaliation Prohibited

Retaliation against any person for bringing complaints, participating in the complaint process, or otherwise providing information about discrimination or harassment based on race, color, or national origin is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*).

Individuals should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

## **PRESSPlus Comments**

PRESSPlus 1. This policy is created in response to 105 ILCS 5/22-95 (final citation pending), added by P.A. 103-472, the Racism-Free Schools Law (RFSL). The law requires school districts to have a written policy (or policies) in place by 8-1-24 that prohibit discrimination and harassment based on race, color, and national origin, as well as retaliation. Like other non-discrimination and harassment policies in the PRM, this new policy utilizes the existing complaint process in sample policy 2:260, *Uniform Grievance Procedure*.

The policy must contain the following: (1) descriptions of various forms of discrimination and harassment based on race, color, and national origin, including examples; (2) the district's internal process for filing a complaint regarding a violation of the policy; (3) an overview of the district's prevention and response program that includes procedures for responding to complaints of discrimination and harassment based on race, color, and national origin and retaliation; (4) potential remedies for a violation of the policy; (5) a prohibition on retaliation for making a complaint or participating in the complaint process; (6) the legal recourse available to the Ill. Dept. of Human Rights (IDHR) and federal agencies if a district fails to take corrective action; and (7) directions on how to contact IDHR.

For more information, see the PRESS Issue 114 Update Memo and the footnotes of sample policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com). **Issue 114, March 2024**

PRESSPlus 2. Required by 105 ILCS 5/22-95(b)(1)(A) (final citation pending), added by P.A. 103-472, eff. 8-1-24. The examples of discrimination and harassment under this subhead are based on definitions provided by the U.S. Dept. of Education's Office for Civil Rights, see

PRESSPlus 3. Required by 105 ILCS 5/22-95(b)(1)(B) (final citation pending), added by P.A. 103-472, eff. 8-1-24. **Issue 114, March 2024**

PRESSPlus 4. Required by 105 ILCS 5/22-95(b)(1)(F). **Issue 114, March 2024**

PRESSPlus 5. Items 1-6 must be addressed in a district's procedures for responding to complaints of discrimination and harassment based on race, color, and national origin. See sample administrative procedure 2:270-AP, *Prevention and Response Program for Complaints of Discrimination and Harassment Based on Race, Color, and National Origin*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com). **Issue 114, March 2024**

PRESSPlus 6. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to post this policy in their website if one exists. If the district does not maintain a website, strike this sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 7. 105 ILCS 5/22-95(b)(2) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires this policy to be "posted in a prominent and accessible location and distributed in such a manner as to ensure notice of the policy to all employees." A district website or staff intranet site qualifies as a prominent and accessible location. If a district does not maintain a website and/or staff intranet, delete ~~District website~~ and/or ~~staff intranet site~~ from this sentence, as applicable, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 8. If the district does not maintain a website, delete ~~posting it on the District's website~~ and from the sentence, and use the Save Status "Adopted with Additional District Edits." **Issue 114, March 2024**

PRESSPlus 9. 105 ILCS 5/22-95(b)(3) (final citation pending), added by P.A. 103-472, eff. 8-1-24, requires districts to publish the policy in student handbook(s). The law also requires a district to annually distribute a "summary of the policy in accessible, age-appropriate language" to students and parents/guardians. The summary may, but does not have to be, included in a student handbook to satisfy the annual distribution requirement. For ease of administration, this sample policy refers to inclusion in the student handbook(s). Districts may find it cumbersome to include both the policy and an age-appropriate summary of the same policy in a handbook. Consult the board attorney for guidance if the district would like to include a hyperlink to the policy, rather than the full text of the policy in the handbook. The Ill. Principals Association maintains a handbook service that coordinates with PRESS material, Online Model Student Handbook (MSH), at: [www.ilprincipals.org/msh](http://www.ilprincipals.org/msh). **Issue 114, March 2024**

### **2:125 Board Member Compensation; Expenses**

#### Board Member Compensation Prohibited [PRESSPlus1](#)

School Board members provide volunteer service to the community and may not receive compensation for services, except that a Board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

#### Roll Call Vote

All Board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Board.

#### Regulation of School District Expenses

The Board regulates the reimbursement of all travel, meal, and lodging expenses in the District by resolution. No later than approval of the annual budget and when necessary, the Superintendent will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the District's budget and other financial considerations.

Money shall not be advanced or reimbursed, or purchase orders issued for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

#### Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Board may only be approved by it when:

1. The Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Board meeting.

#### Advancements

The Board may advance to its members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with [Article 23 of the School Code](#); and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Superintendent or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Superintendent: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the District any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to its members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that allowed compliance with the mandatory trainings described in policy 2:120, *Board Member Development* and other professional development opportunities that are encouraged by the School Code (see the **Reimbursements and Purchase Orders** subhead, below). Expense advancements and vouchers shall be presented to the Board in its regular bill process.

### Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, Board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, Board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Board in its regular bill process.

### Credit and Procurement Cards

Credit and procurement cards shall not be issued to Board members.

### Standardized Expense Form(s) Required

All requests for expense advancement, reimbursement, and/or purchase orders in the District must be submitted on the appropriate itemized, signed standardized form(s). The form(s) must show the following information:

1. The amount of the estimated or actual expense, with attached receipts for actual incurred expenses.
2. The name and office of the Board member who is requesting the expense advancement or reimbursement. Receipts from group functions must include the names, offices, and job titles of all participants.
3. The date(s) of the official business on which the expense advancement or reimbursement will be or was expended.
4. The nature of the official business conducted when the expense advancement or reimbursement will be or was expended.

### Types of Official Business for Expense Advancements, Reimbursements, and Purchase Orders

1. Registration. When possible, registration fees will be paid by the District in advance.
2. Travel. The least expensive method of travel will be used, providing that no hardship will be caused to the Board member. Board members will be reimbursed for:
  - a. Air travel at the coach or economy class commercial airline rate. First class or business class air travel will be reimbursed only if emergency circumstances warrant. The emergency circumstances must be explained on the expense form and Board approval of the additional expense is required. Fees for the first checked bag will be reimbursed. Copies of airline tickets and baggage receipts must be attached to the expense form.

- b. Rail or bus travel at actual cost. Rail or bus travel costs may not exceed the cost of coach airfare. Copies of tickets must be attached to the expense form to substantiate amounts.
  - c. Use of personal automobiles at the standard mileage rate approved by the Internal Revenue Service for income tax purposes. The reimbursement may not exceed the cost of coach airfare. Mileage for use of personal automobiles in trips to and from transportation terminals will also be reimbursed. Toll charges and parking costs will be reimbursed.
  - d. Automobile rental costs when the vehicle's use is warranted. The circumstances for such use must be explained on the expense form.
  - e. Taxis, airport limousines, ride sharing or other local transportation costs.
3. Meals. Meals charged to the School District should represent mid-fare selections for the hotel/meeting facility or general area, consistent with the maximum allowable reimbursement amount set by the Board. Tips are included with meal charges. Expense forms must explain the meal charges incurred. Alcoholic beverages will not be reimbursed.
  4. Lodging. Board members should request conference rate or mid-fare room accommodations. A single room rate will be reimbursed. Board members should pay personal expenses at checkout. If that is impossible, deductions for the charges should be made on the expense form.
  5. Miscellaneous Expenses. Board members may seek reimbursement for other expenses incurred while attending a meeting sponsored by organizations described herein by fully describing the expenses on the expense form, attaching receipts.

#### Additional Requirements for Travel Expenses Charged to Federal and State Grants

All Board member expenses for travel charged to a federal grant or State grant governed by the Grant Accountability and Transparency Act ([30 ILCS 708/](#)) must comply with Board policy 5:60, *Expenses*, and its implementing procedures. Travel expenses include costs for transportation, lodging, meals, and related items.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this grievance procedure. The Complaint Manager will not require a student or parent/guardian

complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parents/guardians); this includes mediation.

### Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

### Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

### Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager shall process and review the complaint according to Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy. For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Complaint Manager shall process and review the complaint according to that policy, in addition to any response required by this policy.

### Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. If the Complainant is a student under 18 years of age, the Complaint Manager will notify his or her parents/guardians that they may attend any investigatory meetings in which their child is involved. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

### Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall mail his or her written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall mail its written decision to the Complainant and the accused by registered mail, return receipt requested, and/or personal delivery as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

### Appointing a Nondiscrimination Coordinator and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, ~~one of~~ each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator and the Complaint Managers.

### **2:265 Title IX Grievance Procedure**

*Title has been updated. Original Title: Title IX Sexual Harassment Grievance Procedure*

Sexual harassment<sup>PRESSPlus1</sup> affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

#### Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in [20 U.S.C. §1092\(f\)\(6\)\(A\)\(v\)](#), *dating violence* as defined in [34 U.S.C. §12291\(a\)\(11\)](#), *domestic violence* as defined in [34 U.S.C. §12291\(a\)\(12\)](#), or *stalking* as defined in [34 U.S.C. §12291\(a\)\(36\)](#).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

#### Definitions from [34 C.F.R. §106.30](#)

*Complainant* means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

*Education program or activity* includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

*Formal Title IX Sexual Harassment Complaint* means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

*Respondent* means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

*Supportive measures* mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

### Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

### Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

### **Title IX Coordinator:**

Kristi Boe, Human Resources Director

### Processing and Reviewing a Report or Complaint 691

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

#### Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R. §106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
  - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about

the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.

6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

### Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

### Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

## **PRESSPlus Comments**

PRESSPlus 1. The policy title only is changed to delete the term *sexual harassment* in anticipation of Title IX rulemaking. The U.S. Department of Education is expected to release final Title IX regulations within the next few months. It is expected that the scope of the updated regulations will be expanded to apply to all sex discrimination allegations, not merely to allegations of sexual harassment (as current regulations do). **Issue 114, March 2024**

### 2:70-E Exhibit - Checklist for Filling Board Vacancies by Appointment

The School Board fills a vacancy by either appointment or election. The Board uses this checklist for guidance when it must fill a vacancy by appointment. Some items contain guidelines along with explanations. For more information, see *Answers to FAQs: Vacancies on the Board of Education*, published by a committee of the Ill. Council of School Attorneys (ICSA), and available at:

[www.iasb.com/law/vacancies.cfm](http://www.iasb.com/law/vacancies.cfm). [PRESSPlus1](#)

**Confirm that the Board must fill the vacancy by appointment.**

Guidelines	Explanation
Review Board policy 2:70, <i>Vacancies on the School Board - Filling Vacancies</i> , to determine if a vacancy on the Board occurred and, if so, whether the successor will be selected by election or Board appointment. Consult the Board Attorney as needed.	Filling a vacancy by Board appointment or election depends upon when the vacancy occurred. If a vacancy occurs with less than: (1) 868 days remaining in the term of office, or (2) 88 days before the next regularly scheduled election for the vacant office, no election to fill the vacancy is held and the appointee serves the remainder of the term. At all other times, an appointee serves until the next regular school election, at which election a successor is elected to serve the remainder of the unexpired term. See 105 ILCS 5/10-10.
In the event a seat on the board goes unfilled at an election, consult the Board Attorney to determine (1) how long the seat can be <i>held over</i> by the incumbent member, and (2) the process by which the Board will fill the seat.	The School Code partially addresses the concept of a <i>holdover seat</i> ; it states “no elective office...becomes vacant until the successor of the incumbent of such office has been appointed or elected, as the case may be, and qualified.” 105 ILCS 5/10-11.

**Notify the Regional Superintendent of the vacancy within five days of its occurrence (105 ILCS 5/10-10).**

**Develop a list of qualifications for appointment of a person to fill the vacancy.**

Guidelines	Explanation
At a minimum, a candidate must meet the following qualifications: <ul style="list-style-type: none"> <li>• Be a United States citizen</li> <li>• Be at least 18 years of age</li> </ul>	695

<ul style="list-style-type: none"> <li>• Be a resident of Illinois and District for at least one year immediately preceding the appointment</li> <li>• Be a registered voter</li> <li>• Not be a child sex offender</li> <li>• Not hold an incompatible public office</li> <li>• Not have a prohibited interest in any contract with the District</li> <li>• Not be a school trustee</li> <li>• Not hold certain types of prohibited State or federal employment</li> </ul>	<p>While the School Code does not expressly set forth eligibility requirements for appointment to a Board vacancy, the Board may want to use the qualifications for elected Board members listed in 105 ILCS 5/10-3 and 5/10-10.</p> <p>For guidance discussing other qualifications that the Board may want to consider, see IASB’s <i>Recruiting School Board Candidates</i>, available at: <a href="http://www.iasb.com/training/recruiting.cfm">www.iasb.com/training/recruiting.cfm</a></p> <p>For guidance regarding conflict of interest and incompatible offices, see <i>Answers to FAQs Regarding Conflict of Interest and Incompatible Offices</i> (ICSA), available at: <a href="http://www.iasb.com/IASB/media/Documents/COI_FAQ.pdf">www.iasb.com/IASB/media/Documents/COI_FAQ.pdf</a>.</p>
<p>When additional qualifications apply, the following items may be included in the Board’s list of qualifications:</p> <ul style="list-style-type: none"> <li>• Meet all qualifications based upon the distribution of population among congressional townships in the district.</li> <li>• Meet all qualifications based upon the distribution of population among incorporated and unincorporated areas.</li> </ul>	<p>Board members of some community unit school districts may be subject to historical residential qualifications based on the distribution of population among congressional townships in the district or between the district’s incorporated and unincorporated areas. 105 ILCS 5/10-11.</p> <p><b>Note:</b> If a vacancy for an area of residence remains unfilled, a board must submit a proposition at the next general election for the election of a board member at large. 105 ILCS 5/10-10.5(c).</p>

**Decide who will receive completed vacancy applications.**

Guidelines	Explanation
The Board President will	696

<p>accept applications.</p> <p>The Board will discuss, at an open meeting, its process to review the applications and who will contact applicants for an interview.</p>	<p>Who accepts vacancy applications is at the Board's sole discretion. According to Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>, the Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts the applications must be decided prior to posting the vacancy announcement.</p>
---	---

**Create the Board member vacancy announcement.**

<b>Announcement</b>	<b>Explanation</b>
<p><b>School District _____ Board Member Vacancy</b></p> <p>The School District is accepting applications to fill the vacancy resulting from [reason for vacancy] of [former Board member's name].</p>	<p>The contents of a vacancy announcement, how it is announced, and where it is posted are at the Board's sole discretion.</p> <p>The Board may want to announce the vacancy and its intent to fill it by appointment during an open meeting. The announcement may be posted on the District's website and in the local newspaper(s).</p>
<p>The individual selected will serve on the School Board from the date of appointment to [date].</p>	<p>The length of the appointment depends upon when during the term of office the vacancy occurred. - Publicize the vacancy announcement by placing it on the District’s website, announcing it at a meeting, and/or advertising it in the local newspaper(s).**
- Accept and review applications from prospective candidates (see Decide who will receive completed vacancy applications above).**
- Contact appropriate applicants for interviews (see Decide who will receive completed vacancy applications above).**
- Develop interview questions.**

<b>Interview Questions</b>	<b>Explanation</b>
Why do you want to be a Board member?  What specific skills would you bring to the Board?  Please give specific examples of your ability in interpersonal relationships and teamwork.  What do you see as the role of a Board member?  What have you done to prepare yourself for the challenges of being a Board member?  Please describe your previous community or nonprofit experiences.  What areas in the district would you like to see the Board strengthen?	<p>Interview questions are at the Board’s sole discretion. This list is not exhaustive, but it may help the Board tailor its questions toward finding a candidate who will approach Board membership with a clear understanding of its demands and expectations along with a constructive attitude toward the challenge. The Board may also want to consider allowing an equal amount of time for each interview.</p> <p>See IASB’s Recruiting School Board Candidates, available at: <a href="http://www.iasb.com/training/recruiting.cfm">www.iasb.com/training/recruiting.cfm</a></p> <p>A prospective candidate to fill a vacancy may raise other specific issues that the Board will want to cover during an interview.</p>

<p>What is your availability to meet the time, training commitments, and other responsibilities required for Board membership?</p> <p>Describe what legacy you would like to leave behind.</p>	
--	--

**Conduct interviews with candidates (interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(3)).**

Interview Plan	Explanation
<p>In each interview, the Board President will:</p> <p>Introduce Board members to the candidate at the beginning of the interview.</p> <p>Describe the Board’s interview process, selection process, and ask the candidate if he or she has questions about the Board’s process for filling a vacancy by appointment.</p> <p>Describe the District’s philosophy or mission statement.</p> <p>Describe the vacancy for the candidate by reviewing the: (1) qualifications, and (2) general duties and responsibilities of the Board and the Board members, including fiduciary responsibilities, conflict of interest, ethics and gift ban, and general Board member development.</p> <p>Begin asking the interview questions that the Board developed.</p> <p>Ask the candidate whether he or she has any questions for the Board.</p> <p>Thank the candidate and inform the candidate when the Board expects to make a decision and how the candidate will be contacted regarding the Board’s decision.</p>	<p>The Board President will lead the Board as it interviews prospective candidates. See Board policy 2:110, <i>Qualifications, Term, and Duties of Board Officers</i>. The president presides at all meetings. 105 ILCS 5/10-13.</p> <p>The Board may also want to consider allowing an equal amount of time for each interview.</p>

**Fill vacancy by a vote during an open meeting of the Board before the 60th day (105 ILCS 5/10-10).**

**Assist the appointed Board member in filing his or her statement of economic interest (5 ILCS 420/4A-105(c)).**

**Announce the appointment to District staff and community.**

Announcement	Explanation
<p>The Board appointed [<i>appointee's name</i>] to fill the vacancy on the Board.</p> <p>The appointment will be from [<i>date</i>] to [<i>date</i>].</p> <p>The Board previously established qualifications for the appointee in a careful and thoughtful manner. [<i>Appointee's name</i>] meets these qualifications and has demonstrated the willingness to accept the duties and responsibilities of a Board member. [<i>Appointee's name</i>] brings a clear understanding of the demands and expectations of being a Board member along with a constructive attitude toward the challenge.</p>	<p>The contents of the appointment announcement and length of time it is displayed are at the Board's sole discretion. The Board may want to consider announcing the appointment during its meeting and also by posting it in the same places that it posted the vacancy announcement.</p> <p>See Board policy 8:10, <i>Connection with the Community</i>.</p>

**Administer the Oath of Office and begin orientation.**

Guidelines	Explanation
<p>See Board policy 2:80, <i>Board Member Oath and Conduct</i>.</p>	<p>Each individual, before taking his or her seat on the Board, must take an oath in substantially the form given in 105 ILCS 5/10-16.5.</p>
<p>See Board policy 2:120, <i>Board Member Development</i>, and exhibit 2:120-E1, <i>Guidelines for Serving as a Mentor to a New School Board Member</i>.</p>	<p>Orientation assists new Board members to learn, understand, and practice effective governance principles. ### **2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use**

The Open Meetings Act (OMA) requires the School Board to discuss District business only at a properly noticed Board meeting. [5 ILCS 120/](#). Other than during a Board meeting, a majority or more of a Board-quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This *Guidance* assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*. [PRESSPlus1](#)

#### Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a *do not reply/forward* alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."**
2. Board members are permitted to discuss any matter except District business with each other, whether in person or by telephone or email, regardless of the number of members participating in the discussion. For example, they may discuss league sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone or email, that is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone or email. Stated another way, a Board member may discuss District business in person or by telephone or email with only one other Board member at a time. However, a Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls or emails to, Board members individually.
5. A Board member should include a *do not reply/forward* alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."**
6. Board members should not forward email received from another Board member.

#### When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a *public record* as defined by FOIA, unless a specific exemption applies. A public record is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." [5 ILCS 140/2](#). Email sent or received by an individual Board member may be, depending on

the content and circumstances, subject to disclosure as a *public record* (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the email is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

**First**, the communication pertains to the transaction of public business, and

**Second**, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in *City of Champaign v. Madigan*, 992 N.E.2d 629 (Ill.App.4th 2013).

The following *examples* describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
  - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work **would not be a public record**. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
  - b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
  - c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
  - d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
  - e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine when a specific communication must be disclosed pursuant to a FOIA request.

#### When Must Electronic Communications Be Retained?

Email that qualifies under FOIA as a *public record* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. [50 ILCS 205/](#). An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board

member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

**Important:** Do not destroy any email concerning a topic that is being litigated without obtaining the Board attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally notify their clients at the beginning of a legal proceeding not to destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. [50 ILCS 205/4](#).

### **2:160-E Exhibit - Checklist for Selecting a Board Attorney**

The School Board selects and retains the Board Attorney(s). The Board may use this checklist for guidance when it selects and retains attorney(s) and/or law firms for legal services. This checklist is designed for the Board to use a request for proposal (RFP) process to seek outside attorneys/law firms. The Board may also select an attorney without using an RFP process and adapt this checklist. The Board may also adapt this checklist and use it for an application process, if the Board seeks an inhouse attorney. For more information, call the Ill. Association of School Board's (IASB) Office of General Counsel; see its current phone numbers at [www.iasb.com/about-us/staff/#office-general-counsel](http://www.iasb.com/about-us/staff/#office-general-counsel). [PRESSPlus1](#)

#### **Determine what type of legal services the District needs.**

1. Review Board policy 2:160, *Board Attorney*. **Note:** Critically analyze whether the District's legal needs are best served by in-house attorneys or outside attorneys/law firms. Many districts use a combination of these services. Many districts also use multiple attorneys/law firms for their specialties, e.g., different law firms for bond counsel, special education, or labor law. Some boards also approve a panel of attorneys and allow the administration to choose which attorney to use.
2. Consider the following factors to analyze the type(s) of legal services needed for the District including, but are not limited to:
  - District's size;
  - Any past and current experiences with legal matters;
  - Complexity of the District's legal needs;
  - Availability of expertise; and
  - Cost of outside fees compared to internal staff expenses for an in-house arrangement.

#### **Develop a list of qualifications necessary for providing quality legal services to the District.**

1. Review Board policy 4:60, *Purchases and Contracts*. **Note:** While State law exempts hiring an attorney from bidding requirements (105 ILCS 10-20.21(a)), the Board may want to review its procurement processes and align procurement for legal services to its non-bidding-related standards for purchases, e.g., avoiding favoritism, staying within the District's budget, etc.
2. Develop the list of qualifications. The major qualifications include, but are not limited to:
  - Licensed to practice law in Illinois and in good standing with the Ill. Attorney Registration and Disciplinary Commission (ARDC) (see checklist item *Conduct a reference check and other background investigations*, below)
  - Member of the District's assigned United States district court and the Seventh Circuit Court of Appeals
  - Substantive knowledge and experience in the legal areas matching District's needs, e.g., bidding, civil rights, collective bargaining, education reform, employment law, Freedom of

Information Act, Open Meetings Act, other records laws, special education, student rights, etc. **Note:** This list of knowledge and experience must be created by the District's identified needs and may change from time to time.

- Experience in all aspects of contract, employment, and school law
- Experience that meets the District's needs, including litigation experience in State and federal courts
- Membership in professional associations, such as, the Ill. Council of School Attorneys (ICSA) and education law sections of bar associations, etc.
- Demonstrated knowledge of and ability to apply professional responsibility rules
- Accessibility for the District's identified needs, e.g., evening Board meetings, phone calls, etc.
- Ability to declare that representation of the District will be to the exclusion of all other clients having potential conflicts with the District's interests
- When additional qualifications apply, list those qualifications for providing legal services. This may include specialties such as bond counsel, etc.

#### **Develop the RFP.**

1. Insert the list of qualifications that the Board developed.

2. Include the following information:

- The deadline for responses to be submitted
- The location (address or email) where responses should be sent
- A statement that the Board is soliciting proposals from qualified lawyers and law firms to provide legal services to the School District
- Significant information about the District (see Board policy 1:30, *School District Philosophy*, for the District's mission statement that is specific to the community's goals)
- The scope of work, e.g., "The Board Attorney will provide legal advice concerning [*typical duties, specific duties, excluded duties*]."
- Qualifications
- Details about interviews and presentations

3. Specify what responders must include in their responses, such as the following:

- Cover letter, complete name, address, and legal structure (if the responder is a law firm)
- The individuals who prepared the response, including their titles
- If different from above, the identity of and directory information for the individuals who have authority to answer questions regarding the submitted proposal
- A proposed fee schedule, e.g., "Respondents may combine set fees and hourly fees. If hourly fees are proposed, please provide the minimum time increment for billing purposes. If a retainer agreement is proposed, please specifically describe options."
- A summary of the responder's relevant experience representing public schools
- A writing sample
- An assurance that the responder meets the RFP's qualifications
- References including current or past clients

#### **Announce the RFP.**

1. Title the announcement. **Note:** How and where the RFP is announced are at the Board's sole discretion. The Board may want to announce the RFP during an open meeting, post it on the District's website, mail or email it to local law firms, and/or place it in the local newspaper(s) or other legal publications. A directory of those lawyers belonging to the ICSA is on the IASB website, [www.iasb.com](http://www.iasb.com). A printed copy is available upon request. Inclusion in the directory does not represent an IASB endorsement. Some attorneys who practice school law do not belong to ICSA. Other online sources, such as the Ill. State Bar Association, also maintain directories of information about attorneys. The Board may want to title the announcement "The [Insert District's name] School Board Requests Proposals to Provide Legal Services."
2. Announce that the Board seeks an attorney or law firm to serve as its Board Attorney.
3. Inform the reader that the attorney or law firm selected will serve either *at will* or from the date of appointment to [date]. The length of the appointment is at the Board's discretion.
4. State the School District's philosophy or mission statement.
5. Insert the RFP location and contact information with the beginning date and time.
6. Tell prospective responders that completed RFPs must be returned by [certain time and date] to [name and title of person receiving applications].

**Receive and manage responses to the RFP.**

1. Review Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*. The Board President is a logical officer to accept the applications, but this task may be delegated to the Secretary or Superintendent's secretary if the Board determines that it is more convenient. Who accepts applications is at the Board's sole discretion and should be decided by the Board prior to posting the RFP announcement.
2. The Board will discuss, at an open meeting, its process to review the applications and who will contact RFP responders for an interview.
3. The designated person will contact RFP responders for interviews.

**Develop interview questions if the Board interviews attorneys or law firms.**

1. Interview questions are at the Board's discretion.
2. A prospective attorney or law firm to fill the Board Attorney position may raise other specific issues that the Board will want to cover during an interview.
3. The following non-exhaustive list of interview questions may help the Board tailor its questions toward finding an attorney or law firm with an approach to the role of the Board Attorney that the Board desires:
  - What do you see as your role as Board Attorney?
  - How many other school districts do you currently represent?
  - What kind of legal services do you provide to your school clients? Please explain how your other experience is relevant to this position.
  - How many years of experience does your firm (or, the attorney) have? How long have you been practicing law? How long have you been representing school districts?
  - What methods will you use to ensure all members of the Board, which is your client, remain informed? See the discussion about the *Ill. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
  - How would you manage a situation in which the Board feels strongly about its position but you believe that position is not legally supportable? The *Ill. Rules of Professional Conduct*, at [www.illinoiscourts.gov/supremecourt/rules/art\\_viii/default\\_new.asp](http://www.illinoiscourts.gov/supremecourt/rules/art_viii/default_new.asp), require

attorneys to represent the Board in its capacity as the governing body for the District. The responders should be discussing these rules, specifically Rule 1.7 (Conflict of Interest: Current Clients) and Rule 1.13 (Organization as Client), among others, in their answers to this question. See also, sample policy 2:160, *Board Attorney*.

- How would you manage a situation in which the Board's interest may be or become adverse to one or more of its members? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- How would you manage a situation in which the Board and Superintendent are in conflict? How about a divided Board? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- If the Board did something that you had advised against, could you still defend the Board's action? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Will you try to shape Board decisions or do you have a whatever the Board decides philosophy? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Do you give clients specific recommendations or do you advise them of the available options and let the client decide? See the discussion about the *III. Professional Rules of Conduct* in f/n 2 of sample policy 2:160, *Board Attorney*.
- Do you provide your school Board clients with any updating services gratis?
- How do you keep your Board clients apprised of litigation and other legal matters you are handling for them?
- Will you be handling this business personally, i.e., will you delegate to your associates or partners?
- Can anyone else in your firm handle our inquiries when you are unavailable?
- How do you keep current on school law?
- When do you tell your school clients to contact you regarding a matter with possible legal repercussions?
- Have you represented a school district in a matter involving the rights of disabled students? ...involving disabled employees? ... involving a student expulsion? ... involving a teacher dismissal? ... involving an employee's contract or dismissal? ... involving a building contract or bidding matter? ... Can you tell us about that case?
- How do you bill? How are you to be paid? Please explain your rates and/or fees. The subject of billing should cover whether the attorney or law firm prepares a budget for representation and its method for billing in detail, including the date and time, what work was performed, and who worked on the project, along with expenses.
- Did you bring a written agreement for legal services, engagement letter, or a retainer agreement? If yes, please review it for us now. If not, please explain the options for a written agreement for legal services, engagement letter, or a retainer agreement.

**Develop an interview protocol.** Interviews may occur in closed session pursuant to 5 ILCS 120/2(c)(1).

1. The Board President will lead the Board as it interviews responders to its RFP. See 105 ILCS 5/10-13 stating that the Board President presides at all meetings and Board policy 2:110, *Qualifications, Term, and Duties of Board Officers*.
2. The Board may also want to consider allowing an equal amount of time for each interview.
3. Discuss the following items with each responder during the interview:

- Introduce Board members to the responder
- Describe the Board’s interview process, selection process, and ask the responder if he or she has questions about the Board’s process for selecting its attorney
- Describe the District’s philosophy or mission statement
- Describe the Board Attorney position by reviewing the RFP
- Begin asking the interview questions (see *Develop interview questions*, above)
- Ask the responder whether he or she has any questions for the Board
- Thank the responder and inform him or her when the Board expects to make its decision and how the responder will be contacted regarding the Board’s decision

**Conduct a reference check and other background investigation(s).**

1. The Board President may perform this check or direct the Superintendent to:
  - Check the ARDC’s master roll of attorneys as “Authorized to Practice Law” (To do this, enter the attorney’s name into the ARDC’s registration and public disciplinary records database at: [www.iardc.org/Lawyer/Search](http://www.iardc.org/Lawyer/Search).)
  - Click on the attorney’s name to review whether any disciplinary actions are pending or resolved; current and prior actions will appear at the bottom of the screen
  - If disciplinary actions are listed, ask the attorney or law firm for more information
2. There are other online attorney review services available. These services may be overly subjective and/or the attorney may have control over the content in these services. Always check with the ARDC.
3. Call references provided by the responder.

**Enter into a written agreement or engagement letter with the selected attorney or law firm.**

1. All *agreements for legal services* should be in writing. At minimum, the agreement should provide the fee arrangement and the scope of services. *Agreements for legal services* and individual billing statements from the Board Attorney are subject to disclosure pursuant to a Freedom of Information Act request (PAO 14-02).
2. Discuss the fee arrangements with the responder and decide:
  - Whether to enter into a fee arrangement and/or a retainer agreement (**Note:** Attorneys typically bill by a pre-determined percentage of the hour, e.g., in one-tenth of an hour increments. Many districts enter into a retainer agreement for legal services or an engagement letter that requires them to pay the attorney a pre-determined fee every month. In return, the attorney provides a pre-determined amount of legal services whenever the district needs him or her. Districts find this useful because (1) they can budget for legal expenses, (2) legal advice is available up to the pre-determined amount for lower fees, and (3) this arrangement often provides for an enhanced, long-term relationship with the attorney.)
  - The appropriate scope of services
3. Review the written contract or memorialized relationship (*agreement for legal services or engagement letter*) for these provisions:
  - Fee arrangement
  - Scope of services

- Which attorneys will be providing legal services
- A statement that the Board controls all legal decisions
- A statement that the attorney and his or her law firm have no conflicts of interest or, if a conflict exists, that the Board understands the conflict and waives it
- Board's right to terminate the services of the attorney and law firm at any time for any reason

4. Approve the *agreement for legal services or engagement letter* during an open Board meeting.

**Announce the appointment to District staff and community.**

1. The contents of the announcement and length of time it is displayed are at the Board's sole discretion.
2. The Board may want to consider announcing during an open meeting. See Board policy 8:10, *Connection with the Community*.
3. The Board may want to include the following information in its announcement:
  - The Board appointed [attorney's name or law firm name] as the Board Attorney
  - The appointment will begin on [date] for [length of time]
  - The Board previously established qualifications for the Board Attorney in a careful and thoughtful manner, e.g., "[Attorney or lawfirm's name] meets these qualifications and has demonstrated the willingness to accept its duties and responsibilities. [Attorney or law firm's name] brings a clear understanding of the demands and expectations of the Board Attorney position along with a constructive attitude toward the challenge."

## Capital Asset Policy

### **INTRODUCTION**

#### **Purpose**

The purpose of this capital asset policy is to provide control and accountability over capital assets, and to gather and maintain information needed for the preparation of financial statements. The Minooka Community High School District #111 capital asset policy is herein established to safeguard assets and to insure compliance with GASB34 for governmental financial reporting.

#### **Overview**

This policy is herein established to safeguard and address the Minooka Community High School District #111's investment in property, which comprises a significant resource. This policy is meant to ensure compliance with various accounting and financial reporting standards including Generally Accepted Accounting Principles (GAAP), and Governmental Accounting, Auditing, and Financial Reporting (GAAFR).

Further, this policy is meant to reflect the Minooka Community High School District #111's desire to meet the reporting requirements set forth in the Governmental Accounting Standards Board (GASB) Statement No. 34. Specifically, the GASB Statement No. 34 states that governments should provide additional disclosures in their summary of significant accounting policies including the policy for capitalizing assets and for estimating the useful lives of those assets which is used to calculate the depreciation expense. The Statement also requires disclosure of major classes of assets, beginning and end-of-year balances, capital acquisition, sales/dispositions, and current-period depreciation expense.

### **INVENTORY, VALUING, CAPITALIZING, AND DEPRECIATION**

#### **Inventory**

Responsibility for control of capital assets will rest with the Finance Department. The Finance Department shall ensure that such control is maintained by establishing an inclusive capital asset inventory schedule. Asset purchases, which fall below the capitalization threshold, will not be included in the capital asset inventory.

The Finance Department will be responsible for control of capital assets for their district. The Finance Department shall ensure that such control is maintained by establishing a capital asset inventory schedule. The inventory schedule will include the following for each asset:

- Asset Description – A description of the asset (serial #, model#)
- Asset Classification (Land and Land Improvements, Building and Building Improvements, Vehicles, Machinery and Equipment, and Infrastructure Assets)
- Department name and physical location of asset
- Date asset was purchased/acquired and or disposed
- Cost of Asset
- Method of acquisition (purchased or donated)
- Estimated useful life

This list will be maintained, updated, and reviewed by the Finance Department on an ongoing basis.

## Valuing Capital Assets

Capital assets should be valued at cost or historical costs, plus those costs necessary to place the asset in its location (i.e. freight, installation charges.) In the absence of historical costs information, a realistic estimate will be used. Donated assets will be recorded at the estimated current fair market value.

## Capitalizing

### *When to Capitalize Assets:*

Assets are capitalized at the time of acquisition. To be considered a capital asset for financial reporting purposes an item must be at or above the capitalization threshold (see schedule-page 3 & 4) and have a useful life of at least one year.

### *Assets not Capitalized:*

Capital assets below the capitalization threshold (see schedule-page 3 & 4) on a unit basis but warranting "control" shall be inventoried at the department level and an appropriate list will be maintained.

Capital Assets should be capitalized if they meet the following criteria:

- Tangible
- Useful life of more than one year (benefit more than a single fiscal period)
- Cost exceeds designated threshold (see schedule-page 3 & 4) Capital Assets include the following major classes of assets:

**Land and Land Improvements** – Capitalized value is to include the purchase price plus costs such as legal fees and filing fees; improvements such as parking lots, fences, pedestrian bridges, landscaping.

**Building and Building Improvements** – Costs include purchase price plus costs such as legal fees and filing fees; improvements include structures and all other property permanently attached to, or an integral part of the structure. These costs include re-roofing, electrical/plumbing, carpet replacement, and HVAC.

**Vehicles** – Costs include purchase price plus costs such as title & registration.

**Machinery and Equipment** – Assets included in this category are heavy equipment, traffic equipment, generators, office equipment; phone system, and kitchen equipment.

**Infrastructure Assets** – Infrastructure Assets are long-lived capital assets that are stationary in nature and normally can be preserved for a significantly greater number of years than most capital assets.

## Depreciation

Depreciation is computed on a straight-line method with depreciation computed on a monthly basis from the month of acquisition. Additions and improvements will only be capitalized if the cost either enhances the asset's functionality or extends the asset's useful life.

Projects in process will be added to the asset base as the projected expenses are incurred. However, the project will first need to meet its individual threshold

**Capital Assets Useful Lives are as follows:**

### **4:190 Targeted School Violence Prevention Program**

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all District staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self. [PRESSPlus1](#)
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self. [PRESSPlus2](#)
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

## Questions and Answers:

\*\*\*Required Question 1. For districts that have a practice of providing instruction in life-saving techniques and first-aid in their staff development programs, insert the following optional paragraph that restates 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800:

"An opportunity shall be provided for all staff members to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques and first aid, including the Heimlich maneuver, cardiopulmonary resuscitation, and the use of an automated external defibrillator, in accordance with a nationally recognized certifying organization. Physical fitness facilities' staff must be trained in cardiopulmonary resuscitation and use of an automated external defibrillator."

Persons performing CPR are generally exempt from civil liability if they are trained in CPR (745 ILCS 49/10); persons performing automated external defibrillation are generally exempt from civil liability if they were trained and acted according to the standards of the American Heart Association (745 ILCS 49/12).

Would the board like to add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800?

No. (Default)

Yes. (IASB will add the optional paragraph shown above, restating 105 ILCS 5/3-11, 105 ILCS 110/3, and 77 Ill.Admin.Code §527.800.)

## **PRESSPlus Comments**

PRESSPlus 1. This policy is rewritten due to Public Act 103-542, which significantly streamlines school in-service training requirements into eight categories. Though P.A. 103-542 was to be effective on 1-1-24, most of its changes become operative on 7-1-24. As a result, legislative action during Veto Session amended the effective date of P.A. 103-542 to 7-1-24. For more information, see the footnotes of sample policy 5:100, *Staff Development Program*, available at PRESS Online by logging in at [www.iasb.com](http://www.iasb.com).

This policy contains items on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment, is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. **Issue 114, March 2024**

PRESSPlus 2. Sexual misconduct under Faith's Law is defined in 105 ILCS 5/22-85.5(c), added by P.A. 102-676. **Issue 114, March 2024**

PRESSPlus 3. This list of in-service trainings is required by State law but only numbers 4, 5(d), and 7 are required to be specified in board policy. **Issue 114, March 2024**

PRESSPlus 4. Consult the board attorney about whether:

1. All asthma action plans should require immediate 911 calls based upon In re Estate of Stewart, 406 Ill.Dec. 345 (2nd Dist. 2016); In re Estate of Stewart, 412 Ill.Dec. 914 (Ill. 2017) (school district's appeal denied). The court held that a teacher's failure to dial 911 immediately upon a student's asthma attack was willful and wanton conduct, subjecting the school district to liability under the Local Governmental and Governmental Employees Tort Immunity Act.
2. The duties and responsibilities of the district when it asks for but does not receive an asthma action plan from a parent/guardian and the logistics of distributing any received plans to those employees who need to know based upon Stewart, above.

PRESSPlus 5. From 6-30-23 through 7-1-24, 105 ILCS 5/10-22.39(g), added by P.A. 103-128, requires that at least once every two years, all District personnel be trained on methods to respond to trauma, including instruction on how to respond to an incident involving life-threatening bleeding and, if applicable, how to use a school's trauma kit. See 105 ILCS 5/10-20.85, added by P.A. 103-128, for a definition of *trauma kit*. To avoid confusion between trauma related to life-threatening bleeding and trauma as defined in 105 ILCS 5/3-11(b), added by P.A. 103-413, this policy uses the phrase *trauma bleeding control kit* instead of *trauma kit*.

Beginning with the 2024-25 school year, training on life-threatening bleeding must be completed within six months of employment and renewed within two years. Beginning with the 2027-28 school year, training on life-threatening bleeding must be completed within six months of employment and renewed at least once every five years thereafter. 105 ILCS 5/10-22.39(b-5)(7), added by P.A. 103-542, eff. 7-1-24. **Issue 114, March 2024**

PRESSPlus 6. Optional. These in-services and/or trainings are required by State and/or federal law but are not required to be specified in board policy. Putting this optional list into the policy will help the board monitor that the required in-service and training topics are being covered. While it is possible to *pick and choose*, this practice is likely to add more confusion to an already confusing responsibility. Unless noted, the School Code does not mandate the frequency with which the training must occur. Several other trainings that are mentioned in laws other than the School Code are addressed in other sample policies and procedures. **Issue 114, March 2024**

## *Document Status: Adopted as Presented by IASB*

### **5:20 Workplace Harassment Prohibited**

The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Harassment of students, including, but not limited to, sexual harassment, is prohibited by Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Sexual Harassment Grievance Procedure*; 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*; [PRESSPlus1](#) 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; and 7:185, *Teen Dating Violence Prohibited*.

The District will take remedial and corrective action to address unlawful workplace harassment, including sexual harassment.

#### Sexual Harassment Prohibited

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

#### Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors, and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must

stop.

### Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

An employee may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the claim according to that policy, in addition to any response required by this policy.

The Superintendent shall insert into this policy the names, office addresses, email addresses, and telephone numbers of the District's current Nondiscrimination Coordinator and Complaint Managers. The Nondiscrimination Coordinator also serves as the District's Title IX Coordinator.

### Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Nondiscrimination Coordinator or designee shall consider whether action under **Board** policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged workplace harassment that does not require action under Board policies 2:265, *Title IX Sexual Harassment Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated, regardless of whether a written report or complaint is filed.

#### Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

#### Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

#### Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and/or the Ill. Human Rights Act ([775 ILCS 5/](#)).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

#### Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to

report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this policy available in the District's administrative office, and including this policy in the appropriate handbooks.

### **5:35 Compliance with the Fair Labor Standards Act**

#### Job Classifications [PRESSPlus1](#)

The Superintendent will ensure that all job positions are identified as either "exempt" or "non-exempt" according to State law and the Fair Labor Standards Act (FLSA) and that employees are informed whether they are "exempt" or "non-exempt." "Exempt" and "non-exempt" employee categories may include certificated and non-certificated job positions. All non-exempt employees, whether paid on a salary or hourly basis, are covered by minimum wage and overtime provisions.

#### Workweek and Compensation

The workweek for District employees will be 12:00 a.m. Saturday until 11:59 p.m. Friday. Non-exempt employees will be compensated for all hours worked in a workweek including overtime. For non-exempt employees paid a salary, the salary is paid for a 40-hour workweek even if an employee is scheduled for less than 40 hours. "Overtime" is time worked in excess of 40 hours in a single workweek.

#### Overtime

**Please refer to the applicable collective bargaining agreement(s).**

**For employees not covered by a current applicable bargaining agreement:**

A non-exempt employee shall not work overtime without his or her supervisor's express approval. All supervisors of non-exempt employees shall: (1) monitor overtime use on a weekly basis and report such use to the business office, (2) seek the Superintendent or designee's written pre-approval for any long term or repeated use of overtime that can be reasonably anticipated, (3) ensure that overtime provisions of this policy and the FLSA are followed, and (4) ensure that employees are compensated for any overtime worked. Accurate and complete time sheets of actual hours worked during the workweek shall be signed by each employee and submitted to the business office. The business office will review work records of employees on a regular basis, make an assessment of overtime use, and provide the assessment to the Superintendent. In lieu of overtime compensation, non-exempt employees may receive compensatory time-off, according to Board policy 5:310, *Compensatory Time-Off*.

#### Suspension Without Pay

No exempt employee shall have his or her salary docked, such as by an unpaid suspension, if the deduction would cause a loss of the exempt status. Licensed employees may be suspended without pay in accordance with Board policy 5:240, *Suspension*. Non-licensed employees may be suspended without pay in accordance with Board policy 5:290, *Employment Termination and Suspensions*.

#### Implementation

The Superintendent or designee shall implement the policy in accordance with the FLSA, including its required notices to employees. In the event of a conflict between the policy and State or federal law,

the latter shall control.

### **5:40 Communicable and Chronic Infectious Disease**

The Superintendent or designee shall develop and implement procedures for managing known or suspected cases of a communicable and chronic infectious disease involving District employees that are consistent with State and federal law, Illinois Department of Public Health rules, and School Board policies. [PRESSPlus1](#)

An employee with a communicable or chronic infectious disease is encouraged to inform the Superintendent immediately and grant consent to being monitored by the District's Communicable and Chronic Infectious Disease Review Team. The Review Team, if used, provides information and recommendations to the Superintendent concerning the employee's conditions of employment and necessary accommodations. The Review Team shall hold the employee's medical condition and records in strictest confidence, except to the extent allowed by law.

An employee with a communicable or chronic infectious disease will be permitted to retain his or her position whenever, after reasonable accommodations and without undue hardship, there is no substantial risk of transmission of the disease to others, provided an employee is able to continue to perform the position's essential functions. An employee with a communicable and chronic infectious disease remains subject to the Board's employment policies including sick and/or other leave, physical examinations, temporary and permanent disability, and termination.

### **5:180 Temporary Illness or Temporary Incapacity**

Please refer to the applicable collective bargaining agreement(s). [PRESSPlus1](#)

**For employees not covered by a current applicable bargaining agreement:**

A temporary illness or temporary incapacity is an illness or other capacity of ill-being that renders an employee physically or mentally unable to perform assigned duties. During such a period, the employee can use accumulated sick leave benefits. However, income received from other sources (worker's compensation, District-paid insurance programs, etc.) will be deducted from the District's compensation liability to the employee. The School Board's intent is that in no case will the employee, who is temporarily disabled, receive more than 100 percent of his or her gross salary.

Those insurance plans privately purchased by the employee and to which the District does not contribute, are not applicable to this policy.

If illness, incapacity, or any other condition causes a teacher or other licensed employee to be absent in one school year, after exhaustion of all available leave, for more than 90 consecutive work days, such absence may be considered a permanent disability and the Board may begin dismissal proceedings subject to State and federal law, including the Americans with Disabilities Act. The Superintendent may recommend this paragraph's use when circumstances strongly suggest that the teacher or other licensed employee returned to work intermittently in order to avoid this paragraph's application. This paragraph shall not be considered a limitation on the Board's authority to take any action concerning an employee that is authorized by State and federal law.

Any employee may be required to have an examination, at the District's expense, by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant if the examination is job-related and consistent with business necessity.

PRESSPlus 1. 105 ILCS 5/22-96, added by P.A. 103-46 and amended by P.A. 103-564, requires school districts, when hiring or assigning educators ~~for~~ for physical education, music, or visual arts, to prioritize the hiring or assigning of educators who hold an educator license and endorsement in those

areas. The law also requires educators in these areas to obtain short-term approval if they are not licensed in the content area, or, if no short-term approval is available, they must meet criteria specified by the Ill. State Board of Education (ISBE). Educators must obtain an endorsement in the area being taught prior to the end of the short-term approval period to continue to maintain the educator's employment for subsequent school years. In the alternative, educators do not need to be licensed, obtain short-term approval, or meet other ISBE requirements if they meet the requirements of Title 23 of the Illinois Administrative Code except for Section 1.710. **Issue 115, June 2024**

### **5:310 Compensatory Time-Off**

This policy governs the use of compensatory time-off by employees who: (1) are covered by the overtime provisions of the Fair Labor Standards Act, [29 U.S.C. §201 et seq.](#), and (2) are not represented by an exclusive bargaining representative. [PRESSPlus1](#)

Employees may be given 1-1/2 hours of compensatory time-off in lieu of cash payment for each hour of overtime worked. Other than as provided below, at no time may an employee's accumulated compensatory time-off exceed 240 hours, which represents compensation for 160 hours of overtime. An employee whose work regularly includes public safety, emergency response, or seasonal activities may accumulate a maximum of 480 hours of compensatory time, which represents compensation for 320 hours of overtime. If an employee accrues the maximum number of compensatory time-off hours, the employee: (1) is paid for any additional overtime hours worked, at the rate of one and one-half times the employee's regular hourly rate of pay, and (2) does not accumulate compensatory time-off until the employee uses an equal amount of accrued time-off.

An employee who has accrued compensatory time-off shall be permitted to use such time in at least half-day components provided such requests do not unduly disrupt the District's operations. The employee's supervisor must approve a request to use compensatory time-off.

Upon termination of employment, an employee will be paid for unused compensatory time at the higher of:

1. The average regular rate received by such employee during the last three years of employment; or
2. The final regular rate received by such employee.

Compensatory time-off is time during which the employee is not working and is, therefore, not counted as "hours worked" for purposes of overtime compensation.

#### Implementation

The Superintendent or designee shall implement this policy in accordance with the FLSA. In the event of a conflict between the policy and the FLSA, the latter shall control.

### **7:180 Prevention of and Response to Bullying, Intimidation, and Harassment**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, religion, sex, national origin, ancestry, physical appearance, socioeconomic status, academic status, [PRESSPlus1](#) pregnancy, parenting status, homelessness, age, marital status, physical or mental disability, military status, sexual orientation, gender-related identity or expression, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school-sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school. This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

#### Definitions from [105 ILCS 5/27-23.7](#)

*Bullying* includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
2. Causing a substantially detrimental effect on the student's or students' physical or mental health;
3. Substantially interfering with the student's or students' academic performance; or
4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

*Bullying* may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public

humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

*Cyberbullying* means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. *Cyberbullying* includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of *bullying*. *Cyberbullying* also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of *bullying*.

*Restorative measures* means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the Ill. Human Rights Act.

*School personnel* means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards.

### Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12.

1. The District uses the definition of *bullying* as provided in this policy.
2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the [First Amendment to the U.S. Constitution](#) or under [Section 3 of Article I of the Illinois Constitution](#).
3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted at [www.mchs.net](http://www.mchs.net) under Students & Parents/Anonymous Tip Center; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

## Document Status: Draft Update

### 7:10-E Exhibit - Equal Educational Opportunities Within the School Community

The School District welcomes diversity in its schools. Board Policy 7:10, Equal Educational Opportunities cites the many civil rights laws that guarantee equal education opportunities to all students. In addition, the policies below address the equal educational opportunities, health, safety, and general welfare of students within the District. These policies are not a complete list, and depending on the factual context, another policy not specifically listed may apply:

1. 2:260, Uniform Grievance Procedure, contains the process for an individual to seek resolution of a complaint. A student may use this policy to complain about bullying. The District Complaint Manager shall address the complaint promptly and equitably.
2. 2:265, Title IX Grievance Procedure, contains the process that must be followed for complaints of Title IX harassment. [PRESSPlus1](#)
3. 2:270, Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited, prohibits any person from discriminating against or harassing a student based on race, color, or national origin.
4. 6:65, Student Social and Emotional Development, requires that social and emotional learning be incorporated into the District's curriculum and other educational programs.
5. 7:10, Equal Educational Opportunities, requires that equal educational and extracurricular opportunities be available to all students without regard to, among other protected statuses, sex, sexual orientation, and gender identity.
6. 7:20, Harassment of Students Prohibited, prohibits any person from harassing, intimidating, or bullying a student based on an actual or perceived characteristic that is identified in the policy including, among other protected statuses, sex, sexual orientation, and gender identity.
7. 7:130, Student Rights and Responsibilities, recognizes that all students are entitled to rights protected by the U.S. and Illinois Constitutions and laws for persons of their age and maturity in a school setting.

**INTERGOVERNMENTAL AGREEMENT  
BETWEEN MINOOKA CHSD 111 AND CUSD 308 FOR  
ACCESS TO SPECIAL EDUCATION PROGRAMS AND SERVICES  
2024-2027**

**THIS INTERGOVERNMENTAL AGREEMENT** (“Agreement”) is entered into on the date on which it is fully signed, by and between the Board of Education of Minooka Community High School District No. 111 (“Minooka”) and the Board of Education of Community Unit School District No. 308 (“D308”) (individually, each a “Party,” and collectively, “the Parties”).

**WHEREAS**, this Agreement is authorized by, and entered into in compliance with, Article VII, Section 10 of the Illinois Constitution and the Illinois *Intergovernmental Cooperation Act*, 5 ILCS 220/1, *et seq.*; and

**WHEREAS**, D308 operates the East View Academy (EVA) Program, a public K-12 therapeutic day school designed to provide an academic curriculum with intensive behavioral and emotional supports; a Deaf and Hard of Hearing (DHH) Program; and the STARS Program for students with autism and other developmental delays; and

**WHEREAS**, Minooka wishes to have access to send students to D308’s EVA Program, DHH Program, and STARS program, and D308 wishes to allow such access by Minooka on the terms as set forth in this Agreement; and

**WHEREAS**, the Parties believe it is in their best and mutual interests and agree to such access as set forth in this Agreement.

**NOW, THEREFORE**, in consideration of the terms and conditions contained in this Agreement and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Term.** The term of this Agreement is three (3) years, beginning July 1, 2024 and terminating on June 30, 2027.
2. **Minooka’s Access to D308 Programs.**
  - a. During the term of this Agreement, Minooka may place its students in D308’s EVA Program, DHH Program, or STARS Program upon request, provided that: (i) sufficient space is available in the program as determined by D308, and (ii) the student meets the program admissions criteria as determined by D308, and (iii) the Student Referral Process forms are submitted to D308’s Executive Director of Special Education and approval is granted.
  - b. Minooka students placed in D308’s EVA Program, DHH Program, or STARS Program also have access to Extended School Year (“ESY”) programs and services. By April 15 of each year, Minooka will communicate with D308 (via

the ESY student registration form) regarding its students' attendance for the upcoming ESY term. D308 will rely on this information to make staffing decisions. If a student's registration form is returned and the student does not attend ESY, Minooka will be billed for the full ESY term. In the event a student's placement for the following school year is changed after April 15, Minooka will be responsible for 100% of the student's ESY tuition.

**3. Program Services.** For Minooka students placed in D308's EVA Program, DHH Program, or STARS Program:

- a. Program services will be provided by D308 in accordance with each student's IEP, except as otherwise stated herein.
- b. Assessments and reevaluations will be conducted by D308 with the exception of a parent/guardian or other parties request for an IEE or an IEP team decision to offer a private evaluation at public expense. In these instances, Minooka's local educational agency representative will determine approval for such an evaluation, and all costs incurred are solely at the expense of Minooka.
- c. IEP meetings will be attended by appropriate D308 program staff and a representative of Minooka who will serve as the local educational agency representative.
- d. Minooka is responsible for providing any individual assistive technology devices or equipment identified in a student's IEP, and for providing any related training. Any such device or equipment will be procured by (and remain the property of) Minooka.
- e. D308 will supply an individual (1:1) aide for any Minooka student who has an IEP providing for such an aide, subject to reimbursement from Minooka as set forth below. D308 will assign individual (1:1) aids based on the student's best interest.
- f. D308 will seek approval from Minooka for any additional services or equipment provided to their students.
- g. Transportation to and from D308's programs will be secured and funded by Minooka.

**4. Tuition and Reimbursement.**

- a. For each Minooka student enrolled in D308's EVA Program, DHH Program, or STARS Program, Minooka will pay tuition equal to D308's per pupil cost for the program as calculated via ISBE form 50-66A (Special Education Tuition Cost Sheet), attached hereto as Exhibit A, and ISBE form 50-66C (Special Education Tuition Bill and Claim Computation), attached hereto as Exhibit B.

- b. In addition, for each Minooka student enrolled in D308's EVA Program, DHH Program, or STARS Program, Minooka will reimburse D308 for the following costs: all salary, stipends and benefits for all individual (1:1) aides assigned to any Minooka student (minus the Evidence Based Funding-Personnel offset included on line 33 of the ISBE form 50-66A Special Education Tuition Cost Sheet).
- c. In the event a Minooka student who is assigned an individual (1:1) aide is no longer enrolled in a D308 program during the course of a school year, D308 will make every attempt to reassign the aide. Reassignment of the aide will release Minooka from responsibility for the costs associated in section 4b.
- d. Minooka retains the right to submit Medicaid Fee for Service claims for all of their students enrolled in D308's programs.

**5. Billing Statements and Payments.**

- a. By February 1st of each year, Minooka will notify D308 in writing of the number of Minooka students anticipated to attend each D308 program for the upcoming school year.
- b. By June 15th of each year, D308 will establish the actual final costs and issue an invoice to Minooka. The costs will be calculated based on student enrollment and the ISBE form 50-66A Special Education Tuition Cost Sheet. Minooka will pay the final invoice by September 30th of each participating year in accordance with the *Local Government Prompt Payment Act (50 ILCS 505/1, et seq.)*. Any such balance will be paid by Minooka in accordance with the *Local Government Prompt Payment Act (50 ILCS 505/1, et seq.)*
- c. By October 30th of each year, D308 will send a tuition estimate to Minooka for total projected costs for that school year.

**6. Responsibility Retained by Minooka.** The terms of this Agreement notwithstanding, for each Minooka student placed in D308's EVA Program, DHH Program, or STARS Program, Minooka remains the student's resident school district for all purposes, remains ultimately responsible for the student's educational services, remains responsible for providing the student with a free appropriate public education in the least restrictive environment, and remains solely responsible for any and all costs associated with due process, state complaint, mediation or other costs associated with the student's placement.

**7. Student Policies.** Students placed in one of the programs identified in this Agreement are subject to all policies and procedures related to student rights and responsibilities applicable to students in the attendance center where the program is located.

8. **Termination of Placement or Services.** Minooka or D308 may terminate an individual student's placement in D308's EVA Program, DHH Program, or STARS Program upon thirty (30) days' prior written notice to the other Party. A Notice of Withdrawal form will be submitted to D308's Executive Director of Special Education.
9. **Student Records.** The Parties will prepare records and reports in accordance with the *Individuals with Disabilities Education Act* and Article 14 of the Illinois *School Code* and furnish such documents to each other for each Minooka student attending a D308 program.
10. **Notice of Decreased Staffing Needs.** The Parties acknowledge that D308 utilizes the information to be provided by Minooka by February 1st each year (regarding Minooka students anticipated to attend each D308 program for the upcoming school year), to make annual program staffing decisions. In the event actual student enrollment is significantly lower than the Minooka's communicated projected enrollment, the Parties will collaborate to renegotiate the administrative fee charged to Minooka to address the impact of D308 costs as a result of staffing overages. Minooka will provide one (1) year written notice to D308 in the event it plans to completely cease enrolling its students in any of the D308 programs.
11. **Indemnification.** For purposes of this Section 11, "Loss" is defined as any and all liabilities, damages, claims, demands, judgments, causes of action, costs, expenses (including reasonable attorneys' fees), and losses relating to any Minooka student placed in a D308 program and/or relating to any act or omission of either Party in implementing this Agreement and/or otherwise relating to this Agreement.

Each Party agrees to indemnify, defend and hold harmless the other Party and its board members, employees, volunteers and agents, against and from any Loss to the extent the Loss arises out of the acts or omissions of the indemnifying party.

In addition, notwithstanding any other provision of this Agreement, Minooka specifically agrees to indemnify, defend and hold harmless D308 and its board members, employees, volunteers and agents, against and from any Loss to the extent the Loss is based upon or arises out of claims relating to the placement, FAPE, or alleged procedural requirements applicable to any Minooka student placed in a D308 program.

12. **No Third-Party Beneficiaries.** This Agreement is entered into solely for the benefit of the contracting Parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person or entity who is not a party to this Agreement, or to acknowledge, establish or impose any legal duty to any third party.
13. **Amendments.** This Agreement may be modified or amended only by a written agreement executed by Minooka and D308.

14. **Contractual Capacity.** Each Party agrees that it has entered into this Agreement voluntarily and knowingly and with the full and complete authority and contractual capacity to do so.
15. **Effect of Agreement.** This Agreement inures to the benefit of and binds each of the Parties, as well as each of their respective successors and assigns.
16. **Complete Understanding.** This Agreement sets forth all of the promises, agreements, conditions, and understandings between the Parties related to the matters addressed in this Agreement. No other promises, agreements, or understandings, whether oral or written, expressed or implied, exist between the Parties.
17. **Governing Law.** This Agreement is to be construed in accordance with the laws of the State of Illinois.
18. **Execution.** This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument. Facsimile and PDF copies of the Parties' signatures on this Agreement shall be deemed originals.

If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer’s order shall be deemed acceptance of the Proposal subject to these Terms and Conditions. If Customer’s order is expressly conditioned upon Company’s acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company’s Terms and Conditions attached or referenced serves as Company’s notice of objection to Customer’s terms and as Company’s counteroffer to perform in accordance with the Proposal and Company Terms and Conditions. If Customer does not reject or object in writing to Company within 10 days, Company’s counteroffer will be deemed accepted. Customer’s acceptance of performance by Company will in any event constitute an acceptance by Customer of Company’s Terms and Conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or Terms and Conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability, other than Customer’s obligation to pay for Services provided by Company to the date of cancellation.

**4. Fees and Taxes.** Fees for the Services (the “Service Fees”) are as set forth in the Proposal. Except as otherwise stated in the Proposal, Service Fees are based on performance during regular business hours. In consideration of this Agreement, the School District shall pay to the YMCA at the commencement of this Agreement a one-time fee of four-hundred-fifty thousand dollars (\$450,000) to cover the cost of expanding the pool seating to accommodate high school swim spectators. In addition, the School District shall be responsible for the payment of any miscellaneous charges, expenses or fees outside the normal course for the use of the Pool Facilities, including without limitation: (i) custodial costs for required custodial service if the School District uses the Pool Facilities during periods other than those specifically identified herein; and (ii) costs of correction of damages beyond normal wear and tear attributable to the School District's use of the Pool Facilities.

7. Annual Meeting. The YMCA and the School District shall meet on or about March 1 of each year to discuss, review, advise and consult with each other concerning the use of the swimming pool and the relationship and performance of each party under the terms of this Agreement.
8. Insurance. The School District shall provide no later than 60 days prior to its first use of the Pool Facilities, and shall maintain at its expense during the term of this Agreement comprehensive public liability insurance for the joint protection of the YMCA and the School District against claims for bodily injury, death and property damage arising in any way out of the use of the YMCA by the School District. The insurance shall be maintained at such limits as are reasonably recommended by the YMCA's insurance carrier, which limits may be subject to adjustment on an annual basis. The YMCA shall be named as an additional insured and the School District shall provide to YMCA a copy of the actual insurance policy. 11. Assignment. Neither the School District nor the YMCA shall assign this Agreement.

In such event of the YMCA shall reimburse the School District with a proration of the amount paid under paragraph 5 for the term left on the contract.
13. Default.
  - a. It is the intent of the parties to work cooperatively and proactively to resolve any disputes or controversies that may arise between them. For this reason, the parties agree that except for defaults arising under subsection (D) below, in the event that either party believes the other to be in breach of any provision of this

Agreement, the School District Superintendent or YMCA Chief Executive Officer shall notify the other party's Chief Official of the asserted breach and shall attempt to resolve the asserted breach through cooperative action and in good faith. Such cooperative action may include, but need not be limited to:

- i. establishment of agreed upon procedures to address recurring problems or problems likely to recur; and
    - ii. in cases where the parties are not able to come to initial agreement, referral of the dispute for consideration to the parties' governing boards prior to delivery of notice of default. In the event that (1) any dispute remains outstanding for more than forty-five (45) days after notice of an asserted breach has first been served, or (2) the other party fails to cooperate in attempting to resolve the asserted breach, the party asserting such breach may then deliver notice of default as provided below.
  - b. In the event that one party believes the other to be in default under this Agreement and has cooperatively attempted to resolve the dispute resulting in such default under subsection (A) without success, that party acting through its chief executive officer, shall notify the other party in writing and allow the other party forty-five (45) days from the date of receipt of the notice to cure the default. If the default is not then cured, the party having sent the notice of default may terminate the Agreement by serving written notice on the other party effective one hundred twenty (120) days after receipt of the notice by the other party. No waiver of any default shall be implied by the failure of either party to give notice of default, and no express waiver shall affect any other default except the one specified in the waiver. In such event of termination, the YMCA shall reimburse the School District with a proration of the amount paid under paragraph 5 for the term left on the contract.
  - c. During the forty-five (45) day cure period set forth above, the School District's Superintendent and the YMCA's Chief Executive Officer shall meet promptly to attempt to resolve any claimed default. In the event that such dispute is not resolved within thirty (30) days following the date of receipt of the default notice as a result of that meeting, the parties' governing board's shall schedule a joint special meeting prior to the expiration of the forty-five(45) day cure period in order to attempt to resolve the dispute in good faith. This provision shall not require either party to settle or compromise any dispute, but rather sets forth a mutual duty to make a good faith attempt only to resolve such dispute.
  - d. In addition, if the YMCA reasonably believes the School District to be in default such that the health or safety of users of the Pool Facilities is endangered, the YMCA shall have the right to suspend the School District's right to use the Pool Facilities until such default is cured.
14. Compliance with Laws. The Parties shall comply with all applicable federal, state and local laws, rules and regulations. The Parties shall not discriminate against any individual for any unlawful reason. Any breach of the foregoing shall constitute a material breach of this Agreement.

15. Notices. All notices required or permitted to be given hereunder shall be in writing and may be delivered by hand, facsimile, private carrier or registered or certified mail. Notices delivered by hand or by private carrier shall be deemed given on the day of receipt. Notices delivered by facsimile shall be effective upon receipt of confirmation of transmission. All notices shall be addressed, if to YMCA, to the Chief Executive Officer at the principal office of the YMCA and if to the School District, to the Superintendent at the address of School District.
16. Attorney Fees. If suit or action is brought to enforce this Agreement or any provision hereof, or to rescind or disaffirm this Agreement or any provision hereof, the prevailing party shall be entitled to recover reasonable attorney's fees and expenses, both trial and appellate, in addition to its costs and disbursements allowed by law, which shall include the costs of any discovery proceedings.
17. Binding Effect. This Agreement shall be binding upon, and shall inure to the benefit of, the parties and their respective successors and assigns.
18. Severability. If any provision of this Agreement, or the application of such provision to any person or circumstance, shall be held invalid, the remainder of this Agreement, or the application of such provisions to persons or circumstances other than those to which it is held invalid, shall not be affected thereby and shall continue in full force and effect.
19. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois.
20. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.
21. Entire Agreement. This Agreement supersedes any prior contract or arrangement only of the particular subject of the Agreement between the parties hereto, and represents the complete agreement of the parties hereto.
22. Amendments. No alterations to or modifications of the terms or the provisions of this Agreement shall be effective unless such alteration or such modification is reduced in writing and is then properly executed by the parties hereto.
23. Waiver. Any waiver by a party hereto of a breach of any term or condition of this Agreement shall not be considered as a waiver of any subsequent breach of the same or any other term or condition hereof.
24. No Other Legal Relationship Created. Nothing contained in this Agreement shall be deemed or construed as creating a relationship of principal and agent or of partnership or of a joint venture between the parties hereto.

25. Rights and Remedies Cumulative. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by either party shall not preclude or waive its right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

IN WITNESS WHEREOF, each of the parties have duly executed this Agreement on the day and date set forth above.

## Property Schedule No. 6

### Master Tax-Exempt Lease/Purchase Agreement

---

This **Property Schedule No. 6** is entered into as of the Commencement Date set forth below, pursuant to that certain Master Tax-Exempt Lease/Purchase Agreement (the "Master Agreement"), dated as of May 1, 2020, between American Capital Financial Services, Inc., and Minooka Community High School District #111.

1. Entire Agreement; Interpretation. The terms and conditions of the Master Agreement are incorporated herein by reference as if fully set forth herein. The Master Agreement, this Property Schedule and the associated documents hereto constitute the entire agreement between Lessor and Lessee with respect to the Property and supersede any purchase order, invoice, request for proposal, response or other related document. Reference is made to the Master Agreement for all representations, covenants and warranties made by Lessee in the execution of this Property Schedule, unless specifically set forth herein. In the event of a conflict between the provisions of the Master Agreement and the provisions of this Property Schedule, the provisions of this Property Schedule shall control. All capitalized terms not otherwise defined herein shall have the meanings provided in the Master Agreement.
2. Commencement Date. The Commencement Date for this Property Schedule is August 1, 2024.
3. Property Description and Payment Schedule. The Property subject to this Property Schedule is described in Exhibit 1 hereto. Lessee shall not remove such property from the locations set forth therein without giving prior written notice to Lessor. The Lease Payment Schedule for this Property Schedule is set forth in Exhibit 1.
4. Lessee's Certificate. The Lessee's Certificate is attached as Exhibit 3.
5. Proceeds. Lessor shall disburse the proceeds of this Property Schedule in accordance with the instructions attached hereto as Exhibit 4.
6. Acceptance Certificate. The form of Acceptance Certificate is attached as Exhibit 5.
7. Additional Purchase Option Provisions. In addition to the Purchase Option provisions set forth in the Master Agreement, Lease Payments payable under this Property Schedule shall be subject to prepayment in whole at any time by payment of the applicable Termination Amount set forth in Exhibit 1 (Payment Schedule) and payment of all accrued and unpaid interest through the date of prepayment.
8. Private Activity Issue. Lessee understands that among other things, in order to maintain the exclusion of the interest component of Lease Payments from gross income for federal income tax purposes, it must limit and restrict the rights private businesses (including, for this purpose, the federal government and its agencies and organizations described in the Code § 501(c)(3)) have to use the Property. Each of these requirements will be applied beginning on the later of the Commencement Date or date each portion of the Property is placed in service and will continue to apply until earlier of the end of the economic useful life of the property or the date the Agreement or any tax-exempt obligation issued to refund the Property Schedule is retired (the "Measurement Period"). Lessee will comply with the requirements of Section 141 of the Code and the regulations thereunder which provide restrictions on special legal rights that users other than Lessee or a state or local government or an agency or instrumentality of a state or local government (an "Eligible User") may have to use the Property. For this purpose, special legal rights may arise from a management or service agreement, lease, research agreement or other arrangement providing any entity except an Eligible User the right to use the Property. Any use of the Property by a user other than an Eligible User is referred to herein as "Non-Qualified Use". Throughout the Measurement Period, all of the Property is expected to be owned by Lessee. Throughout the Measurement Period, Lessee will not permit the Non-Qualified Use of the Property to exceed 10%.
9. Bank Qualification and Arbitrage Rebate. Attached as Exhibit 6.
10. Expiration. Lessor, at its sole determination, may choose not to accept this Property Schedule if the fully executed, original Master Agreement (including this Property Schedule and all ancillary documents) is not received by Lessor at its place of business by August 1, 2024.

*(Page intentionally left blank. Signature page to follow)*

IN WITNESS WHEREOF, Lessor and Lessee have caused this Property Schedule to be executed in their names by their duly authorized representatives as of the Commencement Date above.
