2026-2027 School Year

Currently working with the MEA on the 2026-2027 school calendar. This calendar will be a little different than what we have done the last couple of years. We will be starting the school year a little later than we usually do to accommodate the completion of the CTE addition and the Fieldhouse.

Scoreboard Sponsorships

As of today, the District has collected \$52,250 in scoreboard sponsorships. I would like to thank all of our sponsors for their continued support of MCHS. I would also like to thank Aubrey Knight for all of her hard work securing these sponsorships.

Drill Week

All of our safety drills were conducted between September 8 and September 12. All buildings conducted their 3 Fire (Evacuation) drills, a Tornado (Shelter in Place) drill, and a Law Enforcement drill.

Clear Armor

Last week Channahon Police organized a meeting with Clear Armor. Clear Armor manufactures and installs a protective window film that can serve in a number of ways to protect the occupants of a building. The product they presented was very intriguing especially in the wake of the Minneapolis Catholic School shooting. On October 10, 2025 Clear Armor will be conducting a demonstration of their product at the Grundy County Sheriff's Department shooting range.

Open House

On Monday, August 25th, MCHS South and Central Campus opened its doors to parents for our yearly Open House event. Parents had the opportunity to meet their child's teachers, and teachers prepared presentations on course curriculum and expectations. Nearly 100% of our staff were in attendance this evening, while we had 100s of parents attend both campuses.

Homecoming 2025

During the week of September 29 - October 4 we will celebrate Homecoming! This week is exceptionally planned and organized by our Activities Director, Hillary Holden, and Student Council. Students and staff at MCHS will celebrate "Greekin' Out For Hoco" as they enjoy dress up days and nightly events. See the detailed list of activities [HERE](#). Thank you to all students and staff who will participate in some way to create a memorable Homecoming week!

SIT Work day

On September 11th, our School Improvement Team gathered for a full day workshop. Twenty staff members from all departments and buildings met at the District Office professional development room to review data, create school-wide activities/initiatives, survey staff, and collaborate with colleagues. The goal of our meeting was to create activities that directly relate to two of our strategic plan goals (Student Need & Experiences & High Expectations for Student & Staff).

Drill Week

The State of Illinois requires schools to perform annual drills to prepare students and staff in the event of an emergency. Drill week at MCHS was the week of September 8-12. During this week, we practiced three fire (evacuation) drills, one tornado (shelter in place) drill, and one law enforcement drill. Thank you to our Assistant Principals, Matt Wikoff and Kevin Murphy, on planning and scheduling drill week, and providing safety information to our staff.

Upcoming Dates

- September 26 - Staff Appreciation Night @ Football Game
- October 8 - Pre-ACT Testing Day
- October 9 - Student of the Term Breakfast

Board Report

September 11, 2025

1. **Transportation** - The addition of the contract bus drivers has had a positive impact on the transportation operations. We have also had an increase in bus driver applications. Sloane Dempsay and Kristie Boe will continue their work on trying to get new recruits in here and through the training and licensing process. This will hopefully allow us to rely less on the contract drivers.

2. **2025-2026 Budget** - The tentative 2025-2026 budget is in your Board packet. The budget has had minor tweaks since presented to the Board last month. The budget is being presented at the budget hearing at the start of the Board meeting and is on the agenda for the Board's consideration and approval. The revenue estimate increased substantially due to an increased EAV estimate for Will County of 11%. Previously I was estimating a 6% increase.

3. **Audit** - The Board's auditor has completed their work and has provided the district with a preliminary audit for our review. The audit process went smoothly much due to the work of Kathi Norman. We anticipate no significant deficiencies will be cited in the audit when it is presented to the Board next month.

4. **Construction** - We have worked our construction manager, Nicholas Construction, on Central campus classroom changes that will serve to expedite the construction in those areas. Nicholas believes they will have the Central campus addition under roof by the end of December. They also believe that they are on schedule to complete the project by the start of the next school year.

Lastly, the remaining ADA parking stalls concrete work has been completed.

Curriculum Guide Review

Department Chairs have begun the process of reviewing the Curriculum Guide and preparing changes for board approval at the Curriculum Committee meeting. Topics discussed include: changes to the current curriculum guide, new course proposals, archiving courses that are no longer running. This year's new courses will be focused on the new learning spaces that MCHS will have once construction is complete.

Fall Assessments

This fall we will be giving all Freshman, Sophomores, and Juniors a digital PreACT exam on Wednesday, October 8th. Seniors will not be in attendance that day and will be able to schedule college visits and job shadowing opportunities. We will run a modified testing schedule on October 8th at both campuses. Families and students have been sent information regarding the testing day on October 8th. Again, the purpose of providing all students with an online practice exam is to help prepare them for this format of testing in the Spring.

New Teacher Mentor Meeting

New teachers and their mentors met on Wednesday, September 3rd to review the MCHS process for evaluations as well as an overview of the observation process for teachers. Thank you to Brad Dorick and Andres Torres for running the meeting. A special thank you to our staff members that shared their thoughts on successful observations and classroom management strategies with our new teachers.

Materials for New Teaching Spaces

With the addition of the CTE wing at Central Campus and the Fieldhouse at South Campus, we have been working with staff to determine what equipment and supplies will be necessary to provide our students with the best learning experience possible.

Thank you to Athletic Director Matt Williams, CTE department chair Jon Calder, World Language, Music and Art department chair Jeff Easton, and PE department chair Matt Smith for their work to make sure we have everything ready once construction is complete.

We will be sharing information with the board in the coming months as we prepare to purchase new equipment and supplies for these spaces.

Press Packet 119 – Second Reading:

A second reading of Press Packet 119 was held and provided in the board packet for review. There were no questions or concerns for approval and adoption at the end of the regular meeting.

Tentative Budget:

The FY26 Tentative Budget was provided in the board packet for review. Mr. Troy stated that this is estimated based on an EAV growth of 6% as well as target a reduction in tax rate. He pointed out the significant revenues in the Transportation Fund, this is a result of taking over District 201's Transportation department, District 201 will be billed for the services and is reflective in an increase of revenue, conversely in the FY26 Expense there will be increase off setting expense for those revenues. Mr. Troy explained the FY 26 Expense transfers to the Capital for the Education, O&M, Transportation, and Working Cash funds are planned and anticipated deficits as a result of the planned fund transfers. The actual year end Fund Balance as of June 30, 2025 and estimated June 30, 2026 was discussed and are well within Board Policy 4:20 of a minimum of 15-20% of fund balance revenue ratio. The budget will continue to be adjusted and will be presented at the September Budget Hearing.

South Campus Kitchen Fryer:

The district received five kitchen fryer competitive bids. The bids were provided in the packet for review along with a recommendation awarding the new fryer bid to Douglas Equipment in the amount of \$32,550.07. There were no questions or concerns and it is anticipated for approval at the end of the regular meeting.

Dump Truck:

The district received six dump truck competitive bids. It was recommended to award the dump truck bid to Ron Tirapelli in the amount of \$74,865 due to lower bids that either did not meet the criteria or the resources needed for out of state pick up, time/travel expenses and immediate availability. There were no questions or concerns for approval at the end of the meeting.

Cafeteria Price Increases:

The revised cafeteria prices increase was provided in the board packet. Due to increased labor and food costs and the district running in a deficit it was the direction of board members at the July meeting to increase the cafeteria prices from the previously proposed 9.2% to 10 %. To: Board of Education
From: Dr. Robert Schiffbauer
Date: September 17, 2025
Subject: Foundation Report

The foundation held a meeting on September 10, 2025. Recently CIBC, the bank of the foundation, notified the foundation that CIBC would be closing its Minooka branch. By doing so, the closest CIBC branch is located in Worth. The foundation decided that it should look for another bank that is local. The next foundation meeting will be held on October 7, 2025 at 4:30.

Cardiac Emergency Response Plan

Objective

To establish a clear, coordinated, and efficient protocol for responding to cardiac emergencies in order to safeguard the health and well-being of students, staff, and visitors within the school district.

Key Personnel

- CPR-Certified Staff Members
 - Licensed School Nurse(s)
 - School Resource Officers (SROs)
 - Administrative Support Personnel (as needed)
-

Essential Equipment

- **Automated External Defibrillators (AEDs):** Strategically located throughout each campus for quick access
 - **Emergency Medical Kits:** Stocked with essential life-saving supplies
 - **Communication Devices:** Walkie-talkies, intercom systems, and other means for internal coordination
-

Emergency Protocol

1. Immediate Recognition and Alert

- **Identify Signs of Cardiac Distress:** Sudden collapse, unresponsiveness, abnormal breathing (e.g., gasping)
 - **Notify Key Responders:** Immediately alert nearby CPR-certified staff, school nurses, and SROs
 - **Activate Emergency Medical Services (EMS):** Call 911, clearly stating the condition of the individual and their exact location within the school
-

2. CPR and AED Administration

By CPR-Certified Staff or School Nurse:

- Initiate **CPR immediately**, following current American Heart Association (AHA) guidelines for chest compressions and rescue breaths
- Assign a responder to retrieve the **nearest AED**

Using the AED:

- Power on the device and follow audio/visual prompts
 - Ensure the individual's chest is dry and place the AED pads correctly
 - Allow the AED to analyze the heart rhythm
 - If a shock is advised, make sure no one is in contact with the individual before delivering the shock
 - Resume CPR immediately after shock delivery, or if no shock is advised, and continue until EMS arrives or signs of recovery are evident
-

Roles and Responsibilities

CPR-Certified Staff

- Provide immediate CPR and AED support

- Rotate with other trained personnel to maintain effectiveness
- Remain with the individual until advanced care arrives

School Nurse

- Assume primary leadership of the medical response
- Assist with CPR/AED administration and monitor the individual's condition
- Document vital details of the incident and provide follow-up care as needed

School Resource Officers (SROs)

- Secure the scene and maintain crowd control
- Initiate the **Standard Response Protocol "HOLD"** to keep hallways clear
- Facilitate swift entry and guidance for EMS personnel
- Assist with emergency care if certified

Post-Emergency Actions

Documentation and Reporting

- Record key incident details:
 - Time of collapse
 - Time CPR was initiated
 - AED application and number of shocks
 - Arrival time of EMS
- Submit incident reports to district administration and appropriate agencies

Debriefing and Emotional Support

- Conduct a structured debrief with all involved personnel

- Review response effectiveness and identify improvement areas
- Provide access to counseling or emotional support resources if needed

Equipment Review and Restocking

- Inspect AED and restock used supplies in emergency medical kits
- Replace batteries and pads as necessary to maintain equipment readiness

Parent and Administrative Notification

- Notify the individual's emergency contacts and parents (if applicable)
 - Communicate details to school and district leadership in accordance with privacy laws
-

Training, Drills, and Preparedness

Ongoing Training

- Conduct annual CPR/AED certification and recertification courses for designated staff
- Provide periodic refreshers on the use of undesignated emergency medications

Cardiac Emergency Drills

- Implement regular cardiac response drills as part of the school's emergency preparedness program
 - Evaluate performance and revise procedures based on drill outcomes and staff feedback
-

Communication Plan

Internal Communication

- Use school intercom and walkie-talkies to broadcast alerts and coordinate real-time responses

- Ensure all key personnel are informed immediately and assigned roles promptly

External Communication

- Establish a procedure for informing parents/guardians and the school community when appropriate
 - Ensure communications comply with **FERPA**, **HIPAA**, and other relevant privacy regulations
-

Conclusion

Minooka Community High School is committed to maintaining a safe and responsive environment for all individuals on campus. This **Cardiac Emergency Response Plan** is a critical component of the district's comprehensive safety strategy, emphasizing rapid action, trained personnel, and coordinated communication. Through regular training, preparedness drills, and post-incident evaluation, we aim to minimize risks and ensure the best possible outcomes in any cardiac emergency.

9th & 10th Grade English/Math Schedule 2026-2027

9/17/25

Proposal

Students would have Math and English everyday (Core, not electives)

All other courses would continue for 90 min every other day

Students would attend one class for 43 minutes, have a 4 minute passing period, and then attend the opposite class for 43 minutes.

Modify the current schedule in Powerschool to accommodate new schedule (Training already arranged with Powerschool).

Rationale

Student growth on standardized tests

of D's & F's

Opportunities to reteach/remediate quickly

Student retention, attention span, and difficulty mastering of content

Early intervention (9th/10th grade)

Feedback from teachers - ex: Current A/B schedule creates gaps (absences, days off, other)

Courses are foundation for student success in high school

Research

Research on schedules/periods - no direct correlation

Research on daily practice of skills (reading/writing/math) - direct correlation to increased student success

Research on frequency of feedback - direct correlation to increased student success

Greatest impact on student success will always be the teacher in the room

2nd greatest impact is how instructional time is used

Growth Report: Class of 2025 Spring Tests**FAQs****Getting the Most From Your Growth Report****What can I learn from a growth report?**

Growth reports track the growth of a group of students from test to test and project their performance on a future test. You can answer these questions:

- Do the year-over-year changes in this group's mean score meet expectations? Just compare their actual mean score with the projection based on their previous mean score.
- Is this group on track to be ready for college and career training programs? Just compare their mean score to the benchmark.
- Is this group expected to meet the benchmark on their next test? Just compare the mean score projected for their future test to the benchmark for that test.

How can College and Career Readiness Benchmarks help me?

Benchmarks help you understand your students' readiness for college and career training programs. Check to see which range the group's mean score is in:

- A mean score in the green range meets or exceeds the benchmark; the group is on track for college and career readiness
- A mean score in the yellow range is within one year's growth of the benchmark.
- A mean score in the red range is below the benchmark by more than one year's growth.

What can I do to improve college and career readiness at my school?

- Run an instructional planning report on the last test your students took to find out which skills they need to work on most. Drill down to see performance data on individual students.

Growth Report: Class of 2025 Spring Tests

- Encourage students to share their test scores with Official SAT Practice on Khan Academy®. They'll get personalized practice plans that help them focus on the areas they need to work on most. Learn more about Official SAT Practice at satpractice.org.

Growth Report Basics**What's the difference between long-term and paired-test growth reports?**

Long-term growth reports chart the progress of a group of students from year to year as they take different tests in the SAT Suite of Assessments. They provide a longer view of a smaller group of students. Paired-test growth reports, on the other hand, provide a shorter view of a larger group. Long-term growth reports work especially well for stable cohorts, graduating classes in which many of the students who took the first test stayed at your school and continued to test over the years.

What's the difference between measuring growth and tracking trends?

Growth reports show the progress of the same group from test to test. They don't compare the performance of different cohorts on the same test as a trend report would.

What's the relationship between the tests in the SAT Suite?

Each test in the SAT Suite measures the same skills and knowledge in a way that's appropriate for its intended grade. The tests also share a common score scale. A student who takes the PSAT/NMSQT and receives a Math section score of 500 would be expected to get a 500 on the SAT or the PSAT 8/9 if they'd taken those tests on the same day.

How does the College Board project score ranges?

We analyzed our score data to figure out how much school-level mean scores typically change between tests administered in consecutive grades. The projected growth you see in your report is based on the growth of schools who took the same tests your students took and had mean scores on the first test that were similar to your students' mean score.

Growth Report: Class of 2025 Spring Tests**Troubleshooting****Why doesn't the growth report include my whole cohort?**

Growth reports show how the same group of students scored on different tests. It's unlikely that every student in your cohort took every test included in the report—and students who didn't are excluded.

For instance, the class of 2021 might include 100 students who took the PSAT 8/9 in 9th grade and 120 who took the PSAT 10 in 10th grade. If only 90 students took both tests, the growth report for those two tests would calculate mean scores based on those 90 students.

Why don't I see data for all of the tests taken by this cohort?

When you ran this report, we advised you to exclude any tests taken by less than 20% of the cohort because including these tests would significantly reduce the number of students represented. We also excluded tests with fewer than 10 test takers because accurate projections can't be made with such a small group.

Why don't I see a projected score range?

There are two possible reasons:

- We can't project a score for one test if we don't have enough data on the previous test in the SAT Suite. It could be that your school didn't give the test to this cohort, or that there were fewer than 10 test takers in the cohort, or that less than 20% of the cohort took the test.
- Your cohort already took the SAT in the fall of 12th grade, which is the final test administration we provide projections for.

How can I run a more valuable growth report?

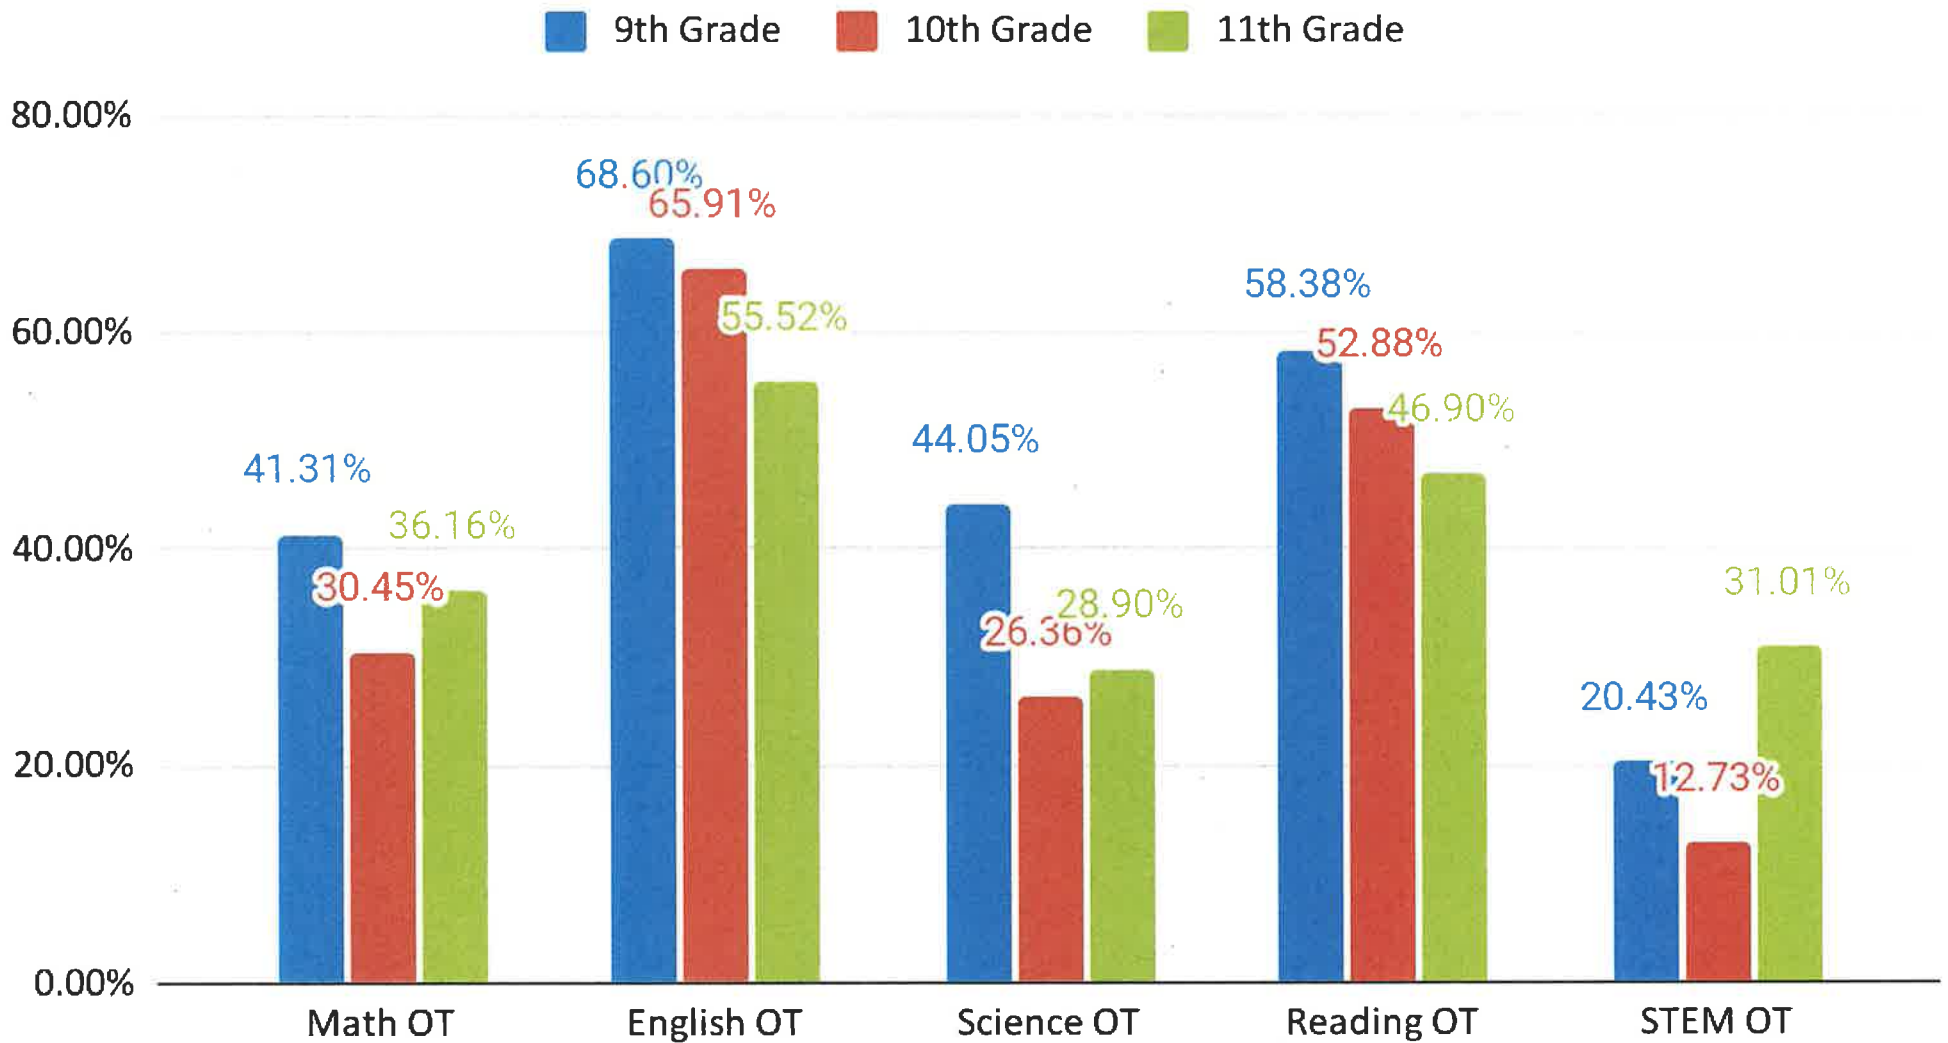

If your report doesn't represent as many students as you'd like, select fewer tests and rerun it. If your report doesn't include as many tests as you'd like, select more tests and rerun it.

TERMS AND CONDITIONS - SERVICE

"Company" shall mean Trane U.S. Inc. dba Trane for Company performance in the United States and Trane Canada ULC for Company performance in Canada.

1. Agreement. These terms and conditions ("Terms") are an integral part of Company's offer and form the basis of any agreement (the "Agreement") resulting from Company's proposal (the "Proposal") for the following commercial services as stated in the Proposal (collectively, the "Services"): inspection, maintenance and repair (the "Maintenance Services") on equipment (the "Covered Equipment"), specified Additional Work (if any), and, if included in the Proposal, Intelligent Services, Energy Assessment, and any other services using remote connectivity (collectively and individually referred to in these Terms as "Trane Digital Services"). **COMPANY'S TERMS ARE SUBJECT TO PERIODIC CHANGE OR AMENDMENT.**

2. Connected Services. In addition to these terms and conditions, the Connected Services Terms of Service ("Connected Services Terms"), available at <https://www.trane.com/TraneConnectedServicesTerms>, as updated from time to time, are incorporated herein by reference and shall apply to the extent that Company provides Customer with Connected Services, as defined in the Connected Services Terms.

3. Acceptance. The Proposal is subject to acceptance in writing by the party to whom this offer is made or an authorized agent ("Customer") delivered to Company within 30 days from the date of the Proposal. If Customer accepts the Proposal by placing an order, without the addition of any other terms and conditions of sale or any other modification, Customer's order shall be deemed acceptance of the Proposal subject to these Terms and Conditions. If Customer's order is expressly conditioned upon Company's acceptance or assent to terms and/or conditions other than those expressed herein, return of such order by Company with Company's Terms and Conditions attached or referenced serves as Company's notice of objection to Customer's terms and as Company's counteroffer to perform in accordance with the Proposal and Company Terms and Conditions. If Customer does not reject or object in writing to Company within 10 days, Company's counteroffer will be deemed accepted. Customer's acceptance of performance by Company will in any event constitute an acceptance by Customer of Company's Terms and Conditions. This Agreement is subject to credit approval by Company. Upon disapproval of credit, Company may delay or suspend performance or, at its option, renegotiate prices and/or Terms and Conditions with Customer. If Company and Customer are unable to agree on such revisions, this Agreement shall be cancelled without any liability, other than Customer's obligation to pay for Services provided by Company to the date of cancellation.

4. Fees and Taxes. Fees for the Services (the "Service Fees") are as set forth in the Proposal. Except as otherwise stated in the Proposal, Service Fees are based on performance during regular business hours. Charges for performance outside Company's normal business hours shall be billed separately according to the then prevailing overtime or emergency labor/labour rates. In addition to the stated Service Fees, Customer shall pay all taxes not legally required to be paid by Company or, alternatively, shall provide Company with an acceptable tax exemption certificate.

5. Payment. Payment is due upon receipt of Company's invoice. Service Fees shall be paid no less frequently than quarterly and in advance of performance of the Services. Company reserves the right to add to any account outstanding for more than 30 days a service charge equal to the lesser of the maximum allowable legal interest rate or 1.5% of the principal amount due at the end of each month. Without liability to Customer, Company may discontinue performance whenever payment is overdue. Customer shall pay all costs (including attorneys' fees) incurred by Company in attempting to collect amounts due or otherwise enforcing this Agreement.

6. Customer Breach. Each of the following constitutes a breach by Customer and shall give Company the right, without an election of remedies, to suspend performance or terminate this Agreement by delivery of written notice declaring termination. Upon termination, Customer shall be liable to the Company for all Services furnished to date and all damages sustained by Company (including lost profit and overhead): (a) Any failure by Customer to pay amounts when due; (b) any general assignment by Customer for the benefit of its creditors, Customer's bankruptcy, insolvency, or receivership; (c) Any representation or warranty furnished by Customer in connection with this Agreement is false or misleading in any material respect when made; or (d) Any failure by Customer to perform or comply with any material provision of this Agreement.

7. Performance. Company shall perform the Services in accordance with industry standards generally applicable in the state or province where the Services are performed under similar circumstances when Company performs the Services. Company may refuse to perform where working conditions could endanger property or put people at risk. Unless otherwise agreed by Customer and Company, at Customer's expense and before the Services begin, Customer will provide any necessary access platforms, catwalks to safely perform the Services in compliance with OSHA, state, or provincial industrial safety regulations or any other applicable industrial safety standards or guidelines. This Agreement presupposes that all major pieces of Covered Equipment are in proper operating condition as of the date hereof. Services furnished are premised on the Covered Equipment being in a maintainable condition. In no event shall Company have any obligation to replace Covered Equipment that is no longer maintainable. During the first 30 days of this Agreement, or upon initial inspection, and/or upon seasonal start-up (if included in the Services), if an inspection by Company of Covered Equipment indicates repairs or replacement is required, Company will provide a written quotation for such repairs or replacement. If Customer does not authorize such repairs or replacement, Company may remove the unacceptable equipment from the Covered Equipment and adjust the Service Fees accordingly. Customer authorizes Company to utilize Customer's telephone line or network infrastructure to connect to controls, systems and/or equipment provided or serviced by Company and to provide Services contracted for or otherwise requested by Customer, including remote diagnostic and repair service. Customer acknowledges that Company is not responsible for any adverse impact to Customer's communications and network infrastructure. Company may elect to install/attach to Customer equipment or provide portable devices (hardware and/or software) for execution of control or diagnostic procedures. Such devices shall remain the personal proprietary property of Company and in no event shall become a fixture of Customer locations. Customer shall not acquire any interest, title or equity in any hardware, software, processes, and other intellectual or proprietary rights to devices used in connection with the Services on Customer equipment. Company may remove such devices at its discretion. Parts used for any repairs made will be those selected by Company as suitable for the repair and may be parts not manufactured by Company.

10. Limited Warranty. Company warrants that: (a) the material manufactured by Company and provided to Customer in performance of the Services is free from defects in material and manufacture for a period of 12 months from the earlier of the date of equipment start-up or replacement; and (b) the labor/labour portion of the Maintenance Services and Additional Work has been properly performed for a period of 90 days from date of completion (the "Limited Warranty"). Company obligations of equipment start-up, if any are stated in the Proposal, are coterminous with the Limited Warranty period. Defects must be reported to Company within the Limited Warranty period. Company's obligation under the Limited Warranty is limited to repairing or replacing the defective part at its option and to correcting any labor/labour improperly performed by Company. If the Services are in connection with a U.S. Government contract, Customer certifies that it has provided and will provide current, accurate, and complete information, representations, and certifications to all government officials, including but not limited to the contracting officer and officials of the Small Business Administration, on all matters related to the prime contract, including but not limited to all aspects of its ownership, eligibility, and performance. Anything herein notwithstanding, Company will have no obligations to Customer unless and until Customer provides Company with a true, correct and complete executed copy of the prime contract. Upon request, Customer will provide copies to Company of all requested written communications with any government official related to the prime contract prior to or concurrent with the execution thereof, including but not limited to any communications related to Customer's ownership, eligibility, or performance of the prime contract.
