Subject: **HS Science Honors Materials Approval**

Executive Summary

This memo recommends the adoption of McGraw-Hill *Inspire Science* as the core resource for Honors Biology, Honors Chemistry, and Honors Physics. This recommendation is based on the program's robust scope and sequence, which addresses higher-level scientific concepts and provides the rigorous scientific thinking principles and mathematical integration essential for honors-level coursework. This adoption ensures vertical alignment and college readiness for our high-achieving science students. The total cost of \$108,633 is included in the 2025–26 curriculum budget. Curriculum mapping is currently underway and will continue through the 2026-27 school year.

High School Honors Science Materials

McGraw-Hill *Inspire Science* will be adopted as the core resource for High School Honors Biology, Chemistry, and Physics. This selection follows an extensive review of materials conducted to find a program suited for the increased rigor, deep foundational learning, and accelerated pace of our honors tracks.

The decision to adopt *Inspire Science* is driven by its focus on advanced scientific concepts and its sophisticated scope and sequence. The program challenges students to apply complex logic and quantitative analysis to scientific phenomena, effectively bridging the gap between standard coursework and Advanced Placement (AP) expectations or post-secondary STEM fields.

Inspire Science will be implemented with an emphasis on inquiry-based learning and the three dimensions of NGSS (Disciplinary Core Ideas, Crosscutting Concepts, and Science and Engineering Practices). We will utilize the program's digital and print components to support the ongoing revision of our honors-level assessments and laboratory protocols. Appendix A provides an overview of the scope and sequence for these three core honors courses.

Honors Science Budgetary Considerations

The 2025–26 curriculum budget was developed to accommodate the adoption of these high school science materials. The quote included in Appendix B is for a total of \$108,633. This quote covers a six-year implementation plan, providing both teachers and students with comprehensive digital access and updated print materials to support the honors curriculum through 2032.

Next Steps

- **Spring 2026:** Continued revision of curriculum maps, pacing guides, and honors-level assessments to align with the new materials. Professional learning for high school staff will occur during departmental meetings and Professional Learning Communities (PLCs).
- **Fall 2026:** Full implementation of revised curriculum maps and assessments for Biology Honors.
- **Fall - Winter 2026:** Development of the Chemistry and Physics Honors courses, with full implementation scheduled for the 2027-28 school year.

Recommendation

The proposed materials will be available for public review starting on April 2, 2026. After the required review period, a recommendation for approval will be brought before the Board of Education at the May 21, 2026 Board of Education meeting for the amount of \$108,633, securing these resources through the 2031-2032 school year. Anyone interested in reviewing the materials can contact Mr. Brian Truax or Dr. Amy MacCrimble for further details.

Subject: **MS Social Studies Materials Approval**

Executive Summary

This memo recommends the adoption of updated Social Studies materials for grades 6–8 to support the ongoing revision of the middle school curriculum. Following a review of current instructional needs and student achievement data, we recommend renewing our partnership with National Geographic for 6th Grade World History (updated copyright) as well as continuing our partnership with McGraw-Hill for 7th and 8th Grade U.S. History. These resources provide the necessary digital flexibility and primary source depth to support our revised curriculum maps. The total investment of \$242,998.00 is included in the 2025–26 curriculum budget, with full implementation scheduled for fall 2026.

Middle School Social Studies Materials

The Middle School Social Studies department is currently engaged in a targeted revision of curriculum maps, pacing, and assessment practices. To support these revisions, the following materials have been selected based on their alignment with Illinois Social Science Standards and their ability to foster inquiry-based learning:

We will continue our partnership with National Geographic for World History by moving to their most recent copyright for 6th grade. This renewal allows for access to updated global data, including current geographic data, geopolitical shifts, and updated archeological findings, while maintaining a familiar interface for staff. The continued use of high-quality National Geographic media and cartography supports visual literacy, which has proven effective in supporting our diverse learners and improving content-area reading comprehension. Staff will also benefit from enhanced digital tools and updated primary source sets.

To support the specific revisions in our 7th and 8th-grade Social Studies sequence, we will maintain our McGraw-Hill resources. These materials continue to support our literacy work while allowing us to build a foundational understanding of US History and civics. Our revisions align with our student-centered inquiry work, and their robust library of diverse primary sources remains essential for the 7th and 8th-grade focus on evidence-based argumentation and historical analysis. These materials are intended to support a revision of our existing curriculum, not a complete replacement, as teachers will utilize these resources to update current units, refine assessments, and better integrate literacy and inquiry-based practices. Appendices A and C provide an overview of these materials.

Budgetary Considerations

The 2025–2026 curriculum budget was developed to cover the costs of these renewals and adoptions. We are seeking a six-year contract for both publishers to ensure resource stability and predictable budgeting through the 2031-2032 school year.

- **National Geographic (6th Grade):** \$87,095.00
- **McGraw-Hill (7th & 8th Grade):** \$155,903.00

Total Recommended Investment: \$242,998.00

The contract includes full digital access for all students and teachers, as well as updated physical classroom sets to support differentiated instruction. Detailed quotes are included in Appendix B and D.

Next Steps

- **Spring 2026:** Continued revision of curriculum maps, pacing, and assessments.
- **Summer 2026:** Finalization of digital rosters and distribution of physical materials to buildings.
- **Fall 2026:** Full implementation of revised curriculum maps and assessments for Grades 6–8.

Recommendation

The proposed materials will be available for public review starting on April 2, 2026. Following the mandated review period, a recommendation for formal approval will be brought before the Board of Education at the meeting for the May 21, 2026 amount of **\$242,998.00**. This adoption will solidify our Social Studies resources for the next six years, ensuring our students have access to high-quality, modern historical and geographic materials. Anyone interested in reviewing the materials or discussing the curriculum revision process can contact Mr. Brian Truax or Dr. Amy MacCrimble for further details.

Date: April 2, 2026

Subject: **Monthly Fiscal Updates**
Committee of the Whole Meeting, April 2, 2026
Finance Committee

Listed below are major tasks and/or projects the Fiscal Department has been working on during the month.

GENERAL

During the month, Fiscal's primary projects included:

- ✓ **February month-end Close** - See the Preliminary Year-end Executive Summary

- ✓ **Skyward Implementation** – During the month the Fiscal, Payroll and HR teams were working diligently on the implementation. In addition, the District's Administration Assistants that use the District's financial software were trained on the use of Skyward, including how to create Purchase orders moving forward. All went very well. Over the next several months we will continue to train our staff through videos and possible lunch and learns.

- ✓ **Final Tax Computations** – During the month the District received the final tax extensions from both McHenry and Kane County. See below.

Tax Extension Summary - In accordance with the Property Tax Extension Law, the District extended additional property taxes at 2.9% for Levy Year 2025.

In late March, the District received the final tax extensions from Kane and McHenry County. **The final 2025 combined equalized assessed valuation approximates \$2.303B, a 10.4% increase over prior year.** After the county board of review assessment challenges and final new construction numbers, this amount is approximately \$63.0M or 2.8% more than the preliminary estimate of \$2.240B discussed at the December Levy Hearing.

Furthermore, final new construction for both counties approximates \$59.9M, and approximates the preliminary estimate of \$60M. New construction was driven by the increase in residential new construction. **As a result, the 2025 limiting tax rate of \$3.90 is 4.4% lower than prior year's \$4.08.**

- ✓ **FY27 Budget & 5 Year Plan** – An update of the Budget will be shared at the Fiscal Workshop next week.

SPECIFIC TASKS TO ADDRESS DURING MAY

- **May 1:** Statement of Economic Interests must be filed with the county clerk by board members and school employees required to complete the Statement (5 ILCS 420/4A-105).
- **May 6:** Fourth transmission of Special Education Funding and Child Tracking (FACTS) is electronically filed with the Illinois State Board Education (105 ILCS 5/14-7.02, 5/14-7.02b, and 5/14-7.03).

OTHER TASKS THAT COULD BE ADDRESSED DURING MAY

Subject: Regional Safe School Program Participation Extension

Executive Summary

Huntley Community School District 158 has an Intergovernmental Agreement with the McHenry County Regional Office of Education for utilization of the McHenry County Regional Safe Schools Program. The Administration would like to extend the validity period of the current Intergovernmental Agreement to include July 1, 2026 to June 30, 2027. Enclosed you will find a Resolution Authorizing Participation through the McHenry County Regional Safe School Program and extending the validity period of the current agreement.

Regional Safe School Programs across Illinois operate through a combination of grant funding, general state aid, and school district fees. Similar to previous years, funding for the Regional Safe School Program (RSSP) has been included in the Illinois State budget. The Regional Safe School per diem rate will be \$45 a day for FY27 (July 1st, 2026) and invoiced based on any district 158 student participation in the program. Funding is currently proposed in our FY27 budget to account for participation for Huntley 158 students.

RE: Resolution On Health Insurance for Substitute Employees
and Policy Amendments

Executive Summary

Under the employer shared responsibility provisions of the Affordable Care Act (ACA), certain employers (called applicable large employers or ALEs) must either offer minimum essential coverage that is “affordable” and that provides “minimum value” to their full-time employees (and their dependents), or potentially make an employer shared responsibility payment to the IRS.

The Board of Education has a longstanding policy of providing compensation but not health insurance benefits to substitute teachers and other substitute employees.

In order to maintain this longstanding policy and ensure continued compliance with ACA requirements, the administration is recommending the adoption of a Resolution On Health Insurance for Substitute Employees and amendments to the following Board policies:

- 5:30, *General Personnel*
- 5:220, *Professional Personnel*

Recommendation

Administration recommends that the Board of Education adopt the Resolution On Health Insurance for Substitute Employees and move the policies forward for a first reading by the Board at the next Regular BOE meeting.

Please contact me or Mrs. Woods with any questions.

General Personnel

Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/21B-80(c).

All applicants must complete a District application in order to be considered for employment.

Former Employees

It shall be the policy of the District that former employees shall not be eligible for reemployment with the District in a substitute capacity until a minimum of twenty-six (26) consecutive weeks have elapsed from their effective date of separation.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current, comprehensive job description for each position or job category, however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, or any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant’s credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant’s current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant’s previous employers about claim(s) made or benefit(s) received under the Workers’ Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination.

Drug Testing

The District is a drug-free workplace as provided in policy 5:50, *Drug- and Alcohol-Free Workplace, E-Cigarette, Tobacco, and Cannabis Prohibition*. Upon receipt of a contingent offer of employment, applicants must complete pre-employment drug testing which shows no positive result of cannabis, illegal drugs, or alcohol. Applicants to whom a contingent offer is made whose pre-employment drug

test returns positive for illegal drugs or alcohol will be ineligible for employment and will have their contingent offer of employment revoked.

Applicants to whom a contingent offer is made whose pre-employment drug test returns positive for cannabis may be ineligible for employment and are subject to having their contingent offer of employment revoked. Applicants who test positive for cannabis will be afforded a reasonable opportunity to explain a positive result for cannabis. The District has sole discretion in determining whether to revoke the contingent offer of employment.

No applicant will be tested under this policy without his or her consent. However, the failure or refusal of any applicant for employment to consent to such testing will be treated as a failure to complete the application process, precluding any consideration of the applicant for employment.

Cannabis means marijuana, hashish, and other substances that are identified as including any parts of the plant *Cannabis sativa* and including derivatives or subspecies, such as Indica, of all strains of cannabis, whether growing or not; the seeds thereof, the resin extracted from any part of the plant; and any compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin, including tetrahydrocannabinol (THC) and all other naturally produced cannabinol derivatives, whether produced directly or indirectly by extraction; however, “cannabis” does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks (except the resin extracted from it), fiber, oil or cake, or the sterilized seed of the plant that is incapable of germination.

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Professional Personnel

Substitute Teachers

The Superintendent may employ substitute teachers as necessary to replace teachers who are temporarily absent.

A substitute teacher must hold either a valid teaching or substitute license and may teach in the place of a licensed teacher who is under contract with the Board. There is no limit on the number of days that a substitute teacher may teach in the District during the school year, except as follows:

1. A substitute teacher holding a substitute license may teach for any one licensed teacher under contract with the District only for a period not to exceed 90 paid school days in any one school term.
2. A teacher holding a Professional Educator License or Educator License with Stipulations may teach for any one licensed teacher under contract with the District only for a period not to exceed 120 paid school days.

The III. Teachers' Retirement System (TRS) limits a substitute teacher who is a TRS annuitant to substitute teaching for a period not to exceed 120 paid days or 600 paid hours in each school year through June 30, 2026, but not more than 100 paid days in the same classroom. Beginning July 1, 2026, a substitute teacher who is a TRS annuitant may substitute teach for a period not to exceed 100 paid days or 500 paid hours in any school year, unless the subject area is one where the Regional Superintendent has certified that a personnel shortage exists.

The Board establishes a daily rate of pay for substitute teachers. Substitute teachers receive only monetary compensation for time worked and no other benefits.

Short-Term Substitute Teachers

A short-term substitute teacher must hold a valid short-term substitute teaching license and have completed the District's short-term substitute teacher training program. Unless otherwise permitted by law, short-term substitutes may teach no more than five consecutive school days for each licensed teacher who is under contract with the Board.

Former Employees

See policy 5:30, General Personnel

It shall be the policy of the District that former employees shall not be eligible for reemployment with the District in a substitute capacity until a minimum of twenty-six (26) consecutive weeks have elapsed from their effective date of separation.

Emergency Situations

A substitute teacher may teach when no licensed teacher is under contract with the Board if the District has an emergency situation as defined in State law. During an emergency situation, a substitute teacher is limited to 30 calendar days of employment per each vacant position. The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30 calendar-day period, the District makes a written request to the ROE for a 30 calendar-day extension and the extension is granted by the ROE.
