DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: Joseph Sieczkowski,
Executive Director of College & Career
Readiness

Presented at the following Board Meetings	Date
Board Operations Committee	
BOE 1st Reading	4/7/2026
BOE 2nd Reading	4/21/2026

SUBJECT: CTE Program Cosmetology Contract (Extension)

Background

Since 2013, D300 has worked with the ABC School of Cosmetology to provide students the opportunity to start, and in some cases complete, various cosmetology-related certifications upon graduating from high school through this dual credit opportunity. These programs include Cosmetology, Barber, Esthetics, and Nail Technology. ABC School of Cosmetology is an approved training facility that results in an Illinois license after completing all requirements. D300 receives discounted tuition as part of this contract.

For this extension, ABC School of Cosmetology has agreed to no changes in programming costs for each of the four programs they offer our students.

Administrative Recommendation

The administration recommends that the Board approve the one-year contract extension with the ABC School of Cosmetology.

Fiscal Impact

The fiscal impact will be dependent on the number of students who complete the application this spring. The Cosmetology, Barbering, and Esthetics programs each cost the District \$1,000 per student per semester with the Nail Technician program being \$1,100 per student per semester. If student interest remains the same or decreases for the next school year, this will result in no additional tuition costs at ABC School of Cosmetology for D300.

ATTENTION: DIANE WHITE

ABC School of Cosmetology & Nail Technology, Ins. Is looking forward to the opportunity of continuing the partner ship with District 300 with the Vocational Educational Program. It's hard to believe that we have been partnering since 2013. Happy 10th Anniversary!!! Please find below a current request regarding the fee schedule for the District. If you have any questions and or concern's please feel free to contact us.

We will as always provide invoices of all tuition for registered D300 dual-credit students according to the following rates due to ABC from D300:

COS	01	COSMETOLOGY	101	(150 HOURS)	\$1100 per student
COS	02	COSMETOLOGY	102	(150 HOURS)	\$1100 per student
BAR	01	BARBER	101	(150 HOURS)	\$1100 per student
BAR	02	BARBER	102	(150 HOURS)	\$1100 per student
EST	01	ESTHETICS	101	(150 HOURS)	\$1100 per student
EST	02	ESTHETICS	102	(150 HOURS)	\$1100 per student
NT	01	NAIL TECHNOLOGY	101	(150 HOURS)	\$1200 per student
NT	02	NAIL TECHNOLOGY	102	(150 HOURS)	\$1200 per student

Please note that the increase is due to the rise in operational costs. The cost of books and all supplies have doubled in most areas including the Beauty Industry. Each Barber, Esthetics and Nail Student receive a textbook and workbook. Cosmetology Students receive the textbook and two workbooks. The cost of shipping the books and supplies, rent, utilities, and the cost of payroll have also increase. The raise in the amount paid will help to off-set these areas. Any questions please feel free to contact either myself or Cindy Werba Administrator at 847-721-6424.

Looking forward to hearing from you and continuing this partnership with future D300 students.

Respectfully,

Cindy Heidemann

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: Joseph Sieczkowski,
Executive Director of College & Career
Readiness

Presented at the following Board Meetings	Date
Board Operations Committee	
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

SUBJECT: College & Career Exploration Platform Contract (Renewal)

Background

In 2022, District 300 adopted SchoolLinks as its comprehensive College and Career Readiness (CCR) platform, replacing previous systems such as Naviance and Career Cruising (Xello). This decision came at a time when CCR platforms had evolved significantly to integrate both college and career planning into a single, student-centered system; an area in which SchoolLinks has proven to be a leader. Over the past three years, SchoolLinks has been implemented across our middle and high schools and now serves as a central tool for college and career exploration, course planning, postsecondary goal setting, work-based learning tracking, and CCRI data collection aligned to ISBE requirements.

District 300 is requesting approval to renew a three-year contract with SchoolLinks to continue and expand the use of the platform. This includes maintaining key features such as the Graduation & Academic Success tools introduced during the current contract, which have strengthened our ability to connect students' academic planning with their postsecondary aspirations while providing a shared system for staff, students, and families to monitor progress toward graduation and beyond. Additionally, the District is seeking to add the NCAA Academic Eligibility Tracking feature to better support student-athletes in proactively meeting eligibility requirements and aligning their coursework with postsecondary athletic goals.

SchoolLinks is a critical resource in advancing D300's Strategic Plan, particularly Goal 2D: College and Career Readiness. The platform supports implementation of the Illinois PaCE Framework, enhances tracking of ESSA College & Career Readiness Indicators, and expands access to career pathways, early college credit, and work-based learning experiences. As utilization continues to grow, SchoolLinks will also strengthen the District's ability to use student interest and outcome data to inform future programming decisions, ensuring alignment between student aspirations and district offerings while supporting long-term program sustainability.

Administrative Recommendation

The administration recommends that the Board approve the renewal of SchoolLinks as our college and career readiness platform.

Terms and Conditions

1. **SCOPE OF WORK.** SchooLinks agrees to provide the SchooLinks services and products (the “Services” or “Site”) listed in the contract, in a prompt, timely and professional manner. SchooLinks agrees services will not begin and payments will not be made by Institution until the Agreement is fully executed, a purchase order has been issued by Institution to SchooLinks and an invoice has been submitted by SchooLinks to Institution.

2. **FEES.** Certain websites or features of SchooLinks are outside of Scope of Work, and may require a fee for access or use. Such fees are subject to the provisions of this section.

2.1 CHARGES AND PAYMENTS. Institution will pay all fees or charges to its account in accordance with the billing terms in effect at the time a fee or charge is due and payable. Service fees are non-refundable whether or not Institution actively uses the Service. Institution may add additional, optional features by request. SchooLinks reserves the right to change the fees, applicable charges and usage policies and to introduce new charges at any time, upon at least sixty (60) days prior notice to Institution; provided, however that such fees shall not become effective for Institution for services then in effect on Institution’s account until the next renewal period for Institution’s account.

2.2 BILLING AND RENEWAL. SchooLinks charges in advance for use of the Services, unless otherwise noted herein. SchooLinks will notify Institution of the opportunity to renew the Service approximately ninety (90) days or more prior to the subscription expiration date. District 300 will provide a purchase order for renewal of services for renewal or services. Service fees are exclusive of all taxes, levies, or duties imposed by taxing authorities, and Institution shall be responsible for payment of all such taxes, levies, or duties as may be applicable to the Service fees (exclusive of any taxes or similar fees that may be imposed on the net income of SchooLinks). If the number of active licenses exceeds the purchased number of licenses listed in the contract for the stated period, SchooLinks will include the excess

licenses, charged at the then-current rate as listed in the contract, in the next applicable Invoice charged to Institution.

2.3 BILLING INFORMATION. Institution agrees to provide SchooLinks with complete and accurate billing and contact information. This information includes legal name, street address, e-mail address, and name and telephone number of an authorized billing contact. Institution agrees to update this information within thirty (30) days of any change to it.

2.4 NON-PAYMENT AND SUSPENSION OF ACCESS AND SERVICE. Institution's account will be considered delinquent if payment in full is not received within sixty (60) days of the date of an invoice. SchooLinks reserves the right to suspend or terminate this Agreement and Institution's and Institution's Users access to the Service if Institution's account becomes delinquent. Delinquent invoices are subject to an interest of 1.5% per month on any outstanding balance, or the maximum permitted by law, whichever is less, plus all expenses of collection. Institution will continue to be charged during any period of suspension. If Institution or SchooLinks initiates termination of this Agreement, Institution will be obligated to pay the balance due on the account computed in accordance with Section 2.1 Charges and Payments. Institution agrees that SchooLinks may charge such unpaid fees to Institution's credit card, if applicable, or otherwise bill Institution for such unpaid fees. SchooLinks also reserves the right to impose a separate reconnection fee should Institution thereafter again request access to the Service.

3. TERMINATION OF AGREEMENT.

3.1 TERMINATION FOR CAUSE.

3.1.1 Any breach of payment obligations or unauthorized use of the Service by Institution or User will be deemed a material breach of this Agreement. SchooLinks, in its sole discretion, may terminate Institution's and Users' passwords, accounts or use of the Service if Institution or Users breach or otherwise fails to comply with this Agreement

3.1.2 If SchooLinks becomes insolvent or the subject of any proceeding under bankruptcy, insolvency or receivership law or makes an assignment for

the benefit of creditors, Institution shall thereupon have the right to terminate this Agreement by giving thirty (30) days written notice of such termination and specifying the effective date.

3.2 DATA RETENTION.

3.2.1 SchoolLinks agrees and acknowledges that Institution owns all Institution and User data hosted on the service by SchoolLinks. Institution agrees and acknowledges that SchoolLinks has no obligation to retain Institution Data, and may delete Institution Data, more than thirty (30) days after termination. Upon termination of this Agreement, or at the discretion of Institution, Institution may request in writing that Institution Data be deleted, and SchoolLinks shall comply with such written request within ninety (90) days of such written request. SchoolLinks has no obligation to retain Institution Data if Institution or Users have materially breached this Agreement and such breach has not been cured within thirty (30) days of notice of such breach. SchoolLinks has no obligation to retain InstitutionData if the account is delinquent, and such Institution Data may be irretrievably deleted. Prior to deletion, SchoolLinks may charge a reasonable fee, for which payment shall be made in advance, to transfer Institution Data to Institution in a reasonable manner.

3.2.2 In the event that a student graduates or withdraws from the Institution, SchoolLinks shall obtain separate and written confirmation from a legal guardian or student 18 years of age or older evidencing consent for that Information to be safely stored and maintained.

4. INSTITUTION AND USER RESPONSIBILITIES

4.1 INSTITUTION RESPONSIBILITIES. Institution is responsible for any and all activities (other than User purchases) that occur under Institution's and its Users' accounts. Institution shall: (i) maintain the confidentiality of Users' names and passwords; (ii) notify SchoolLinks immediately of any unauthorized use of any password or account or any other known or suspected breach of security; (iii) report to SchoolLinks immediately and use reasonable efforts to stop immediately any use of the Service inconsistent with the terms of the License provided in Section 3 herein that is known or suspected by Institution; (iv) assure that use of the Service shall at all times comply with

all applicable local, state, federal, and international laws, regulations, and conventions, including without limitation those related to data collection, use, disclosure and privacy; international communications; and the exportation of technical or personal data; (v) assure that use of the Service shall at all times conform to the terms and conditions of this Agreement; and (vi) not impersonate another user of the Service or provide false identity information to gain access to or use the Service.

4.2 USER RESPONSIBILITIES. Users are responsible for any and all activities that occur under their accounts. Users shall: (i) maintain the confidentiality of their names and passwords; (ii) notify Institution who provides Users' access immediately of any unauthorized use of any password or account or any other known or suspected breach of security; (iii) report to Institution who provides Users' access immediately and use reasonable efforts to stop immediately any use of the Service inconsistent with the terms of the License provided in Section 3 herein that is known or suspected by Users; (iv) use the Service in compliance with all applicable local, state, federal, and international laws, regulations, and conventions, as well as with the terms and conditions of this Agreement; and (v) not impersonate another user of the Service or provide false identity information to gain access to or use the Service. Users will not attempt to change any fields that are not intended for User modification. Any attempt by Users to view or manipulate the records of another User will be deemed a material breach and, in addition to exercising its termination rights under this Agreement, SchoolLinks may, in its discretion, inform any relevant authorities.

5. SECURITY.

5.1 The Service has security measures in place to help protect against the loss, misuse, and alteration of the data under SchoolLinks's control. When the Service is accessed using a supported web browser, Secure Socket Layer (SSL) technology protects information using both server authentication and data encryption to help ensure that data are safe, secure, and available only to authorized users. SchoolLinks also implements an advanced security method based on dynamic data and encoded session identifications, and hosts the Service in a secure server environment that uses a firewall and other advanced technology in an effort to prevent interference or access from

outside intruders. Finally, the Service requires unique account identifiers, usernames, and passwords that must be entered each time a Institution or User signs on. These safeguards help to prevent unauthorized access, maintain data accuracy, and ensure the appropriate use of data. The Internet, however, is not perfectly secure and SchoolLinks shall not be responsible for security breaches not reasonably within its control.

5.2 In the event of unauthorized access to Institution personal information, SchoolLinks shall provide notice to Institution within forty-eight (48) hours of discovery and the unauthorized access and in accordance with applicable laws, and will reasonably cooperate with Institution in providing any required notice to Institution End Users. SchoolLinks shall also provide Institution with information regarding the nature and scope of the unauthorized access, steps taken to mitigate the incident and safeguards to prevent similar incidents in the future.

5.3 FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

(“FERPA”). In the event Institution is subject to the provisions of the Family Educational Rights and Privacy Act (FERPA), the Parties agree as follows: (A) Institution appoints SchoolLinks as a "school official" as that term is used in FERPA §99.7(a)(3)(iii) and 99.31 (a)(1) and as interpreted by the Family Policy Compliance Office, and determines that SchoolLinks has a "legitimate educational interest," for the purpose of carrying out its responsibilities under the Agreement.

6. LIMITED WARRANTY, LIABILITY AND DAMAGES; INDEMNITY

6.1 WARRANTY DISCLAIMER THE SERVICE IS PROVIDED “AS IS” AND WITHOUT WARRANTY BY SCHOOLINKS AND, TO THE MAXIMUM EXTENT ALLOWED BY APPLICABLE LAW, SCHOOLINKS AND ITS AFFILIATED PARTIES EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, NON INFRINGEMENT, TITLE AND FITNESS FOR A PARTICULAR PURPOSE. Specifically, SchoolLinks makes no

warranty that the Service or the Site will meet Institution's requirements or that access to the same will be uninterrupted or error-free. You acknowledge and agree that SchoolLinks and its vendors and licensors do not operate or control the internet and that: (I) viruses, worms, Trojan horses, or other undesirable data or software; or (II) unauthorized users (e.g.hackers) may attempt to obtain access to and damage the content, websites, computers, or networks. Schoolinks will not be responsible for those activities.

6.2 LIMITED LIABILITY. NEITHER SCHOOLINKS NOR ITS AFFILIATED PARTIES WILL BE LIABLE TO INSTITUTION OR ANY THIRD PARTY FOR (A) ANY UNAUTHORIZED USE OF THE SERVICE OR SITE OR USE OR PURPOSES NOT INTENDED UNDER THIS AGREEMENT, OR (B) ANY LIABILITY OR DAMAGE CAUSED OR INITIATED BY THIRD PARTIES AND AFFECTING INSTITUTION'S COMPUTERS, COMMUNICATIONS FACILITIES, SOFTWARE, DATA OR SERVICES THAT MAY RESULT FROM USE OR ACCESS OF THE SERVICE OR THE SITE.

6.3 LIMITED DAMAGES AND REMEDIES. NEITHER SCHOOLINKS NOR ITS AFFILIATED PARTIES SHALL BE LIABLE TO INSTITUTION OR ANY SCHOOL FOR ANY CONSEQUENTIAL, INCIDENTAL, OR SPECIAL DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) ARISING OUT OF THE USE OR OF THE INABILITY TO USE THE SERVICE OR THE SITE. Because some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to Institution. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, IN NO EVENT SHALL SCHOOLINKS OR ITS AFFILIATED PARTIES BE LIABLE FOR DAMAGES OR MONETARY REMEDIES OF ANY KIND IN THE AGGREGATE UNDER THIS AGREEMENT THAT EXCEEDS THE LICENSE FEE PAID BY THE INSTITUTION IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE CLAIM OR CLAIMS GIVING RISE TO THE LIABILITY.

7. INDEMNITY. Institution agrees to indemnify and defend SchoolLinks and its agents, employees, representatives, licensors, affiliates, corporate parents

and subsidiaries from and against any and all claims, losses, demands, causes of actions and judgments (including attorneys' fees and court costs) of third parties (collectively, "Claims") arising, directly or indirectly, from or concerning any breach or alleged breach of this Agreement by Institution and to reimburse SchoolLinks on demand for any losses, costs or expenses it incurs as a result of any such Claims.

8. MISCELLANEOUS.

8.1 General Terms. SchoolLinks may use and disclose to third parties Institution's name and logo, and if Institution is a school district, the names of any affiliated schools as part of a list of SchoolLinks customers or references. Waiver of any breach under this Agreement does not waive future compliance with that provision, which remains in effect. If any part of this Agreement is held invalid or unenforceable, that portion shall be construed in a manner consistent with applicable law to reflect, as nearly as possible, the original intentions of the parties, and the remaining portions shall remain in full force and effect.

8.2 Remedies and Reserved Rights. SchoolLinks reserves the right at any time and from time to time to modify, temporarily suspend and limit access to the Service or the Site (or any part thereof) with or without notice to the Institution for maintenance or security or other reasons. Institution agrees that SchoolLinks shall not be liable to it or any third party for any modification, suspension, or limitation of the Service or Site. SchoolLinks also reserves the right at any time and from time to time to modify or terminate any of the content or curriculum of the Service or the Site. If SchoolLinks discovers any unauthorized access or use of the Service and/or Site, then SchoolLinks shall have the following remedies in addition to any and all other remedies that may be available to SchoolLinks: (a) if such unauthorized use may cause injury or physical damage to SchoolLink's computers, data or electronic files, the Site, the Service or a third party, then SchoolLinks has the reasonable right to suspend all or part of the Service or the Site access of Institution immediately without prior notice to protect itself or third parties, and SchoolLinks shall promptly notify Institution of the suspension and work together with Institution to cure the problem; and (b) if such unauthorized access or use would cause any other type of injury or damage to SchoolLinks

or a third party, then SchooLinks shall give Institution notice of the problem and no less than three (3) business days to cure the problem, and thereafter if the problem remains uncured SchooLinks has the right to suspend all or part of the Service or Institution's Site until the problem is cured; and terminate this Agreement immediately.

9. ENTIRE AGREEMENT AND AMENDMENT. This agreement constitutes the entire Agreement of the Parties, and it may not be changed, altered, amended, modified, or rescinded except by written agreement signed by the duly authorized representatives of the Parties.

10. ASSIGNMENT. Neither Party shall assign this Agreement without the other Party's prior written consent; except that SchooLinks may assign this Agreement without Institution's consent to an entity: possessing a controlling interest in SchooLinks; that is under common control with SchooLinks; or in which SchooLinks possesses a controlling interest. Irrespective of any assignment authorized by this Section, SchooLinks shall be legally bound by and subject to the Agreement, and any permitted SchooLinks assignee shall accept such assignment with the express written acknowledgement that it shall be bound by all terms and obligations set forth in this Agreement. Any prohibited assignment shall be void. This Agreement inures to the benefit of and will be binding upon Institution and SchooLinks and their respective successors and permitted assigns.

11. FORCE MAJEURE. Neither Party shall be liable for any delay or failure in performance due to acts of nature, terrorism, labor disputes, riots, war, fire, epidemics, disruption of utility services or other similar occurrences that are beyond its reasonable control ("Force Majeure"). However, in order to avail itself of such excuse, the Party must act diligently to remedy the cause of and to mitigate the impact of the delay or failure.

12. DISPUTE RESOLUTION. In the event of any dispute, claim, question, or disagreement arising from or relating to this Agreement or the breach thereof, the Parties hereto shall use their best efforts to settle the dispute,

claim, question, or disagreement. To this effect, the Parties shall consult and negotiate with each other in good faith, and recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to both Parties.

13. CHOICE OF LAW AND SEVERABILITY. This Agreement shall be interpreted in accordance with the laws of the County of Kane and the State of Illinois without giving effect to provisions governing the choice of law. If any provision of this Agreement is held by final judgment of a court of competent jurisdiction to be invalid, illegal, or unenforceable, the invalid, illegal, or unenforceable provision shall be severed from the remainder of this Agreement, and the remainder of this Agreement shall be enforced, except as modified to the minimum extent necessary to render the provision valid and enforceable.

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: Dr. Melanie Gravel, Assistant
Superintendent of C&I, PreK/Elem

Presented at the following Board Meetings	Date
Board Operations Committee	
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

SUBJECT: Elementary Digital Reading Subscription Contract (Renewal)

Background

The Scholastic Literacy Pro digital subscription provides a site-wide digital reading platform that serves the district's elementary schools, where students can access an ebook library and reading comprehension checks in both English and Spanish. We are requesting a one-year renewal of the Scholastic Literacy Pro subscription with Scholastic Inc. Key components of this proposal include:

- The coverage term will run from August 24, 2026, through August 23, 2027.
- The subscription provides site-wide access for our elementary schools.
- Student enrollment data will be rostered and synchronized via our Schoology Learning Management System.
- Scholastic has agreed to waive the \$3,582 digital onboarding and maintenance fee for the 2026-2027 school year.
- Scholastic has kept our rate the same for the last three years.

Because the total cost exceeds \$35,000, standard procurement rules typically require an Invitation to Bid (ITB). However, this type of purchase is exempt from the traditional bid requirements because it is a software product and a service that only one vendor can provide. As a result, the administration recommends waiving this requirement.

Administrative Recommendation

The Administration recommends that the Board approve the one-year renewal of the Scholastic Literacy Pro subscription.

Fiscal Impact

The total cost of \$73,573.50 will be funded from the Curriculum and Instruction Department, Fund 10 (Education Fund).

Background

Pearson Q-global / Q-interactive / DALs / Professional Development

Q-global is the web-based system from Pearson that we use for the administration of assessments as well as scoring and reporting for a variety of psychological, social-emotional, and speech assessments. Q-global is also an online system that is used to score tests administered in a paper format.

Q-interactive is used for the one-on-one administration of tests where the examiner controls the testing session. Tests are administered using two iPads, and the examiner administers the testing by reading instructions, recording examinee responses, and scoring items.

The Digital Assessment Library for Schools (DALs) provides unlimited use of over 40 assessments on Q-interactive and Q-global.

Pearson is releasing an updated assessment, the BASC-4, this summer. To better support assessment interpretation by school staff, Pearson will provide a 3-hour training for staff who utilize this assessment.

Lani Lawson - Love Your Classroom

District 300 has benefited from the general education classroom, professional development, and classroom coaching services provided by Lani Lawson and Love Your Classroom, LLC.

The Time to Thrive Classroom Coaching Model was created by a former classroom educator and current Board Certified Behavior Analyst (BCBA). District 300 is requesting twenty Classroom Coaching packages to be delivered to general education classrooms to provide training in behavior and build capacity. Last year, the focus was on Kindergarten. For the 2026-2027 school year, the focus will be on supporting

grades K-2. In addition, special education classroom coaching will be provided for up to 36 weeks of individualized behavioral coaching, tailored to the needs of self-contained special education programs.

The goal of this service is to provide educators across all instructional settings with research-based strategies that support positive behavioral outcomes. The model is designed to build educator confidence, strengthen capacity, and deliver ongoing, meaningful support. Evidence shows that classwide behavior change is both achievable and sustainable when evidence-based practices are applied consistently. Through this coaching model, educators will gain practical strategies to enhance student engagement, encourage respectful work completion, and foster positive collaboration among students.

Additionally, Love Your Classroom will support staff and students by conducting comprehensive functional behavior assessments and developing behavior intervention plans.

Finally, Love Your Classroom will provide professional development for district staff through their six-hour workshop, Teach. Train. Thrive, further promoting effective, research-based classroom practices.

Everway's N2Y with Unique Learning System assists us to:

- Synchronize the entire IEP team with automated daily data to streamline reporting, maintain compliance, and drive decisions.
- Empower teachers with differentiated lessons and behavior management tools to ensure students master their state's extended standards and demonstrate measurable results.

- Build positive family relationships and involvement through transparent school-to-home communication, timely reporting, and dedicated parent resources to improve student outcomes and minimize due process.

IN CONSIDERATION OF the recitals and the mutual covenants and agreements set forth in this Agreement, the parties agree as follows:

SECTION 1. CONSULTANT.

A. **Engagement of Consultant.** The School District desires to engage the Consultant to perform and to provide all necessary professional consulting services (the “Services”) as set forth in the Scope of Work (the “Scope”) attached as Exhibit A to this Agreement. The Consultant shall provide the Services pursuant to the terms and conditions of this Agreement. The term of this Agreement shall be from the Effective Date of July 1, 2026 until June 30 , 2027__ and may be renewed by mutual written agreement of the parties.

B. **Representations of Consultant.** The Consultant represents that it is sufficiently experienced and competent to perform the Services in a manner consistent with the standards of professional practice by recognized consultants providing services of a similar nature.

C. **Agreement Amount.** As compensation for administering the program, the School District will pay the Consultant the amounts set forth in the Scope to be paid in accordance with the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* The proposed expenses are set forth in Exhibit A to this Agreement. Any expenses that exceed \$500 shall be first approved in writing by the School District’s Superintendent.

D. **Claim in Addition to Agreement Amount.** If the Consultant desires to make a claim for additional compensation because of action taken by the School District, the Consultant shall provide written notice to the School District of such claim within 15 days after occurrence of such action as provided by Section 4.G, Notice, of this Agreement, and no claim for additional compensation shall be valid unless made in accordance with this Section. Any changes in the Agreement amount shall be valid only upon written amendment pursuant to Section 4.E, Amendment, of this Agreement. Regardless of the decision of the School District relative to a claim submitted by the Consultant, the Consultant shall proceed with all the work required to complete the Services under this Agreement as determined by the School District without interruption.

E. **Taxes, Benefits, and Royalties.** Each payment by the School District to the Consultant includes all applicable federal, state, and municipal taxes of every kind and nature applicable to the Services as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs,

The School District will review all such records to determine whether FOIA exemptions apply before disclosing the records, such that information properly exempt as proprietary or prohibited from release by other laws or exempt for other reasons will not be released. If the Consultant

February 24, 2025 Texthelp Inc legally merged with n2y LLC

Entity Update

As a result of the changes to our entity structure, our operating and contracting entity is Everway LLC EIN 26-2606260 as reflected on line 2 of the W9. This is the same EIN as previously held by n2y LLC.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

SUBJECT: K-8 Benchmark Assessment Service and Management Contract

Background

Since its initial approval in 2015, the i-Ready platform has served as an essential tool for monitoring student growth across our elementary and middle schools. This 11-year partnership has provided the district with a uniquely stable foundation, offering a consistent measure of progress that allows us to track performance trends over a decade. By analyzing longitudinal benchmark performance data, teachers are able to customize instruction to meet the unique needs of every student through personalized learning paths. These paths offer interactive lessons that target specific skill gaps, allowing teachers to use real-time data to reinforce classroom concepts and provide extra practice exactly where it is needed most. This integration of assessment and intervention provides the vital, long-term data in Literacy and Math necessary to ensure our K-8 curriculum effectively supports student success and long-term achievement within the D300 program.

Administrative Recommendation

The administration recommends the Board approve the renewal of a three-year contract for the i-Ready benchmark assessments and instruction tools.

Fiscal Impact

The three-year contract total is \$1,269,762.30 and will be funded by the Assessment budget.

Curriculum Associates®

Information on Professional Learning Sessions

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. In the event of a (i) government-declared public health emergency or (ii) weather event, that materially impacts in-person instruction, sessions may transition to a virtual format. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot safely reach a session site, or if adequate health safety measures cannot be put in place.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice.

Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: Dr. Frank Williams,
Chief Financial Officer

Presented at the following Board Meetings	Date
Board Operations Committee	4/7/2026
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

SUBJECT: Food Service Management Company Contract Extension

Background

The District is approaching the completion of its third year in partnership with OrganicLife, the District’s food service management company. OrganicLife began serving District 300 in August 2023 and has integrated seamlessly into our schools. The company continues to exceed expectations for students, staff, and administrators by expanding scratch-made menu options, increasing the variety of fresh fruits and vegetables offered, supporting student-led initiatives, and providing meaningful job training opportunities for students with special needs.

During the 2024–2025 school year, OrganicLife served approximately 2.2 million breakfast and lunch meals and is on pace to exceed that total during the 2025–2026 school year. In addition to meal service, OrganicLife also provides supervision staff to support schools with before-school and lunch supervision. This service is included as part of the contract and will continue under the proposed extension.

Rate increases are determined annually in accordance with guidance from the Illinois State Board of Education and may be based on one of three December Consumer Price Index (CPI) measures: CPI-U, CPI-U – Food Away from Home, or CPI-U – Food. Per the District’s contract, the rate adjustment is based on the December 2025 CPI-U for Food Away from Home, not to exceed 4%. The December 2025 CPI-U for Food Away from Home was 4.1%; however, the increase will be capped at 4% in accordance with the contract terms. This extension represents year four of the agreement, with one additional one-year extension remaining. State law requires the District to seek new proposals for food service management services after five years.

During years one and two of the contract, food management costs were \$8.1 million each year. For the current fiscal year (year three), the budget for food management costs is \$8.4 million. State and federal reimbursements through the School Nutrition Program, along with student meal fees, continue to support the financial stability of the program.

During years one and two of the contract, supervision staff costs totaled \$1 million. For the current fiscal year (year three), the budget for supervision costs is \$1.6 million.

Administrative Recommendation

The Administration recommends approving the one-year contract extension with OrganicLife for the 2026-2027 school year with a not to exceed increase of 4%.

Fiscal Impact

The estimated total for the food program in the 2026-2027 school year is \$8.7 million for fixed meal prices and \$1.4 million for alternate service labor costs. Total FY27 estimated cost for the OrganicLife contract would be \$10.1 million.

The Food Service Management Company (“FSMC”) shall comply with all Buy American requirements applicable to the commercial food program as outlined in [7 CFR 210.21\(d\)](#) and [7 CFR 220.16\(d\)](#), respectively. The FSMC shall maintain complete and accurate purchase records and supporting documentation identifying all non-domestic commercial food program purchases, including, for each such purchase, the food item and unit cost, as well as documentation of the total commercial food program purchases made during each school year.

The FSMC shall make such records and documentation available to the School Food Authority (“SFA”) no less than monthly during the school year, or more frequently upon request by the SFA. In addition, the FSMC shall provide the SFA with a written report aggregating: (i) total non-domestic commercial food program purchases; (ii) total domestic commercial food program purchases; and (iii) total commercial food program purchases.

Beginning with School Year 2031–2032 (July 1, 2031), the maximum allowable percentage of non-domestic purchases shall be further reduced to five percent (5%).

Failure to comply with the requirements of this provision shall constitute a material breach of this Agreement and may result in corrective action, remedies, or other enforcement measures as permitted under this Agreement and applicable federal and state regulations.

SUBJECT: Digital Boards for main gyms in Jacobs, Dundee-Crown, and Hampshire High Schools

Background

High school gymnasiums serve a much greater purpose than simply hosting athletic competitions. They are often the central gathering space for the entire school community, a place where students come together for assemblies, performances, testing, celebrations, and shared experiences that help shape school culture. From pep rallies that build school spirit to homecoming dances, the gymnasium functions as a true hub of activity that supports the academic, social, and emotional life of students. Because the space is used in so many different ways, the current scoreboards no longer fully meet the needs of these events or provide the flexibility required to support the wide range of activities that take place in the gym.

As the role of the gym has continued to expand, there is a clear need for modern digital boards that can support much more than traditional game scoring. Digital boards provide the flexibility to display announcements, presentations, videos, and real-time information, allowing the space to better serve students, staff, and the broader school community.

A committee consisting of the Athletic Directors, Executive Director of Finance, Director of Operations, Director of Physical Education, Health, and Driver Education, and the Chief Financial Officer met with three different companies. Using a rubric that included pricing and value, reputation and reviews, installation and support, warranty and maintenance, and advertising opportunities, the committee selected Digital Scoreboards, Inc. as the preferred partner.

Using the Omnia Cooperative Purchasing contract, the District obtained pricing from Digital Scoreboards, LLC for digital boards in each high school's main gym. Each gym will receive one (1) 15' x 9' digital display and one (1) 12' x 7' digital display to replace the existing bulb-based scoreboards. The existing scoreboards will then be repurposed and installed in middle schools that have the greatest need. Each board includes a seven-year warranty, seven-day-a-week customer support, and the ScoreVision software suite for athletic events. In addition, the displays include a curriculum package that allows students to learn how to create videos, manage graphics, and produce animations, giving students hands-on experience in game-day production as well as in the creation of digital content for other school

purposes. The digital boards will also provide an opportunity for local business advertising, with the District maintaining full approval rights over all advertising content.

By utilizing the Omnia Cooperative Purchasing contract (the digital boards fall under the technology exemption for bidding), the cost for each school is \$24,900 per year for seven (7) years (with payments due on July 1), for a total contract cost over the seven years per school of \$174,300 and a total seven year contract cost of \$522,900 to the District. However, as part of the advertising program, the District will receive a guaranteed, contracted payment from Digital Scoreboards, LLC of \$24,900 per year for seven (7) years (with payments received in June), totaling \$174,300 per school and \$522,900 to the District. As a result, the net cost of the digital boards over the seven-year period will be \$0. In addition to the annual guaranteed \$24,900 payment, the District will receive twenty-five (25) percent of advertising revenue for the first seven years. At the end of the seven year period, the District will own the boards, and the advertising revenue split will increase to 50/50 between the District and DS.

These digital boards will be utilized throughout the entire school year, not just during athletic events, to support assemblies, performances, testing, student recognitions, and other school-wide activities. By providing a flexible, year-round communication and presentation tool, the boards will enhance the overall student experience while strengthening the gymnasium's role as a central hub for the entire school community.

Administrative Recommendation

The Administration recommends purchasing digital scoreboards from Digital Scoreboards, LLC and entering into a seven (7) year agreement with DS Capital, a division of Digital Scoreboards, LLC, using the Omnia Cooperative Purchasing pricing. The agreement includes six new digital boards at an annual cost of \$74,700, for a total seven-year cost of \$522,900.

Fiscal Impact

The District will pay the annual payment of \$24,900 per school (totaling \$74,700) for Jacobs, Dundee-Crown, and Hampshire High Schools from the Education Fund (Fund 10). The corresponding annual reimbursement of \$24,900 per school (totaling \$74,700) will also be deposited into the Education Fund (Fund 10), with advertising revenue shared among the three high schools to help supplement programming.

2. Change Orders. The Agreement, including but not limited to the Products and Services, may only be altered, modified, superseded, or amended by a written document (“Change Order”) that specifically references the Agreement, sets forth the change, and is signed by an authorized Digital Scoreboards, LLC representative and authorized Buyer representative. Such document shall be referred to as a “Change Order.” In the event a Change Order is signed before Digital Scoreboards, LLC ships the Product to Buyer, Digital Scoreboards, LLC will include the additional cost of the Change Order in the sales invoice. 3. Price; Payment Terms. Buyer shall purchase the Products and Services from Digital Scoreboards, LLC at the price detailed in the Agreement (the “Price”) and on the payment terms set forth in the Agreement. Any deposit under the Agreement is non-refundable. The Price does not include fees for government-required inspections, special assessments, permits (including but not limited to installation permits), prevailing wages, bonds, tariffs, taxes (including sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any governmental authority on any amounts payable by Buyer), and Buyer shall be responsible for all such charges, costs and taxes; if applicable, upon Digital Scoreboards, LLC’s request, Buyer shall provide a tax exemption certificate in a form acceptable to Digital Scoreboards, LLC in advance of the delivery of the Product. In addition to all other remedies available under the Agreement (which Digital Scoreboards, LLC does not waive by the exercise of any rights hereunder), Digital Scoreboards, LLC shall be entitled to suspend the delivery of any Product or Service if Buyer fails to pay any amounts when due hereunder and such failure continues for three (3) days following written notice thereof. Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Digital Scoreboards, LLC, whether relating to Digital Scoreboards, LLC’s breach, bankruptcy, or otherwise, or arising under any other sales or service order or transaction between Digital Scoreboards, LLC and Buyer.

4. Termination. Either party may terminate this Agreement for cause should the other party materially breach its obligations hereunder and fail to remedy such breach within thirty (30) days of receipt of notice of breach. Buyer may terminate the Agreement for convenience upon thirty (30) days prior written notice. Buyer shall pay Digital Scoreboards, LLC, for all (a) materials and equipment fabricated and/or customized, (b) all design and/or professional services performed, and (c) all freight and handling charges incurred prior to receipt of notice of the termination (whether for cause or convenience).

5. Delivery, Title, and Risk of Loss. (a) For all orders in the Continental USA, the Product is sold FOB Digital Scoreboards, LLC's facility (the "Shipping Point"). Title to the Product passes to Buyer upon Digital Scoreboards, LLC's placement of the Product into the carrier's possession. Digital Scoreboards, LLC will insure the Product from risk of loss until it reaches the destination designated by Buyer (the "Destination"). Digital Scoreboards, LLC will, at its expense, put the Product in possession of a carrier at the Shipping Point and contract with the carrier for the shipment of the Product to the Destination. Buyer bears all other expenses and risks of transportation including, without limitation, loading and unloading, storage and freight. Buyer may not direct the Product to any destination other than that specified in the Agreement without the written permission of Digital Scoreboards, LLC. Delivery or shipping dates are approximate only and merely represent Digital Scoreboards, LLC's best estimate of time required to make delivery or shipment. Shipment dates are contingent on prompt receipt by Digital Scoreboards, LLC of all necessary manufacturing, shipping, and delivery information. Digital Scoreboards, LLC is not responsible for failure to meet estimated shipping dates and will not be liable for any loss, cost, damage, or expense whatsoever incurred by Buyer or its customers that may result therefrom. (b) For all orders Outside the Continental USA, the Product is sold FOB the Shipping Point; title to and risk of loss passes to Buyer upon Digital Scoreboards, LLC's placement of the Product into the carrier's possession and Digital Scoreboards, LLC will not insure the Product from risk of loss after placing the Product into the carrier's possession; except as otherwise stated in this Section 4(b), the provisions of Section 4(a) apply.

6. Services. 7. Site Access. Buyer is responsible for providing Digital Scoreboards, LLC with safe access to the location where the Product will be installed or has been installed (the "Site"), either through (1) providing an "Accessible Site", which means the Product is accessible through the use of: (a) a 20 foot or shorter ladder; (b) a secure catwalk or base; and (c) a guard rail or a safety lifeline which is securely attached to the support structure if the Product display is over 6 feet off the ground, or (2) furnishing the use or bearing the cost of a bucket or broom truck and any other machinery or equipment capable of providing safe access to the Site reasonably requested by Digital Scoreboards, LLC. In the event Digital Scoreboards, LLC arrives to the Site and Buyer has failed to provide an Accessible Site or otherwise provide safe access to the Site as reasonably requested by Digital Scoreboards, LLC, then Buyer will bear the cost of Digital Scoreboards, LLC's demobilization, delay, and remobilization; Digital Scoreboards, LLC will issue Buyer a Change Order including the invoice for such additional cost(s).

8. Installation and Subsurface Access. In the event Digital Scoreboards, LLC provides installation Services for the Product on behalf of Buyer at the Site, Buyer must have a representative on the Site prior to Digital Scoreboards, LLC's commencement of foundation work to direct the exact placement of the Product (the "Install"). Digital Scoreboards, LLC may rely on the direction of the representative. The Price quote for the Install is based on average bearing soil and assumes the absence of subsurface obstructions or high-water levels; in the event Digital Scoreboards, LLC encounters any subsurface obstruction, including but not limited to rock, abnormal soil, high water levels, or other unexpected subsurface conditions, Digital Scoreboards, LLC will suspend all Services related to the Install and will issue a Change Order for all additional charges incurred by Digital Scoreboards, LLC. Digital Scoreboards, LLC will have no obligation to proceed with the Install until Buyer accepts or acknowledges such Change Order in writing (which may be by email if permitted by applicable law).

Digital Scoreboards, LLC recommends that Buyer has the Existing Structure, and the proposed installation reviewed and certified by a licensed structural engineer. In the event changes to the Existing Structure are required prior to the Install, a Change Order will be required for all charges incurred by Digital Scoreboards, LLC, related to such changes to the Existing Structure.

10. Software. To the extent Buyer utilizes any Digital Scoreboards, LLC control or management software applications that are available on the Product (the “Software”), Digital Scoreboards, LLC grants to Buyer, for so long as Buyer owns Product, a limited, nontransferable, nonexclusive, non-sublicenseable license to (a) use the Software only as installed on and in connection with the Product; and (b) use the user documentation provided by Digital Scoreboards, LLC in connection with the Software as reasonably necessary for Buyer’s authorized use of the Software. In addition, Digital Scoreboards, LLC will provide standard support for such Software for one (1) year from the date of shipment of the Product from Digital Scoreboards, LLC’s facility, at no additional cost to Buyer. Buyer will not, directly or indirectly, (i) license, sell, redistribute, lease or otherwise transfer or assign the Software; (ii) alter or permit a third party to alter any part of the Software; (iii) use or permit the use of the Software for any unlawful purpose; (iv) reverse engineer or otherwise attempt to derive source code or other trade secrets from the Software; (v) use the Software in a way that could harm Digital Scoreboards, LLC’s network (including by transmitting or uploading any viruses, worms, Trojan horses or other malicious code); (vi) use the Software to try to gain unauthorized access to any service, data, account or network by any means; or (vii) use or permit the use of Software in any other way not expressly approved by Digital Scoreboards, LLC. Buyer may elect to license and use third-party software in connection with the Product. Except as otherwise set forth in a separate agreement with respect to such third-party software (which may be electronic terms of use or service that must be accepted by Buyer prior to installation or use of such third-party software), Digital Scoreboards, LLC shall have no obligations or liabilities with respect to such third-party software, Buyer’s use or operation thereof, or its interaction with the Software. In the event the third-party software modifies the Software, Digital Scoreboards, LLC will no longer have an obligation to provide support under this Section 9. Digital Scoreboards, LLC may terminate the licenses granted under this Section 9 immediately upon written notice of any material breach of the terms of this Section 9.

11. Intellectual Property. All drawings, know-how, designs, specifications, inventions, devices, developments, processes, copyrights and other information or intellectual property disclosed or otherwise provided to Buyer by Digital Scoreboards, LLC and all rights therein (collectively, “Intellectual Property”) will remain the property of Digital Scoreboards, LLC and its licensors or suppliers and will be kept confidential by Buyer in accordance with these Terms and Conditions. Other than the limited licenses granted herein with respect to the Software (if installed), Buyer has no claim to, nor ownership interest in, any Intellectual Property, and all such Intellectual Property, in whatever form and any copies thereof, shall be promptly returned to Digital Scoreboards, LLC upon its request or, if it is subject to a limited license hereunder, upon termination of such license in accordance with these Terms and Conditions.

12. Graphics. Buyer must approve all elements of custom graphics to be affixed to the Product no later than three (3) weeks prior to the Product’s scheduled shipping date. As collateral security for Buyer’s full payment to Digital Scoreboards, LLC of all amount(s) that may become due under this Agreement, Buyer hereby grants Digital Scoreboards, LLC a lien on and security interest in and to all of the right, title and interest of Buyer in, to and under the Product, wherever located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing until all non-recurring fees and costs have been paid. Buyer hereby irrevocably authorizes Digital Scoreboards, LLC at any time and from time to time while such security interest is in effect to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments necessary to perfect the foregoing security interest.

14. Limitation of Liability.

(a) IN NO EVENT SHALL DIGITAL SCOREBOARDS, LLC BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT, OR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES WITH RESPECT TO THE PRODUCTS, SERVICES OR THIS AGREEMENT, WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE AND STRICT LIABILITY), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT DIGITAL SCOREBOARDS, LLC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(b) IN NO EVENT SHALL DIGITAL SCOREBOARDS, LLC'S AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE AND STRICT LIABILITY), OR OTHERWISE, EXCEED THE TOTAL OF THE AMOUNTS PAID TO DIGITAL SCOREBOARDS, LLC FOR THE PRODUCTS OR SERVICES HEREUNDER, OR THE PURCHASE PRICE OF THE PRODUCT, WHICHEVER IS LESS.

(c) The limitation of liability set forth herein shall not apply to (i) liability resulting solely from Digital Scoreboards, LLC's gross negligence or willful misconduct and (ii) amounts paid or payable to third parties arising from death or bodily injury resulting solely from Digital Scoreboards, LLC's gross negligence or willful misconduct (collectively, the "Claims"). Digital Scoreboard, LLC's liability for all Claims is limited to the amounts available under Digital Scoreboard, LLC's applicable insurance policy(ies).

(b) Digital Scoreboards, LLC shall indemnify, defend, and hold harmless Buyer and its subsidiaries, officers, directors, shareholders, partners, representatives, employees, agents, subcontractors, insurers, and successors and assigns of each of the foregoing (collectively, the "Buyer Indemnitees") from any and all claims, payments, lawsuits, and losses, including, but not limited to, legal fees and costs, to the extent arising out of or relating to any negligent act or omission by Digital Scoreboards, LLC or its personnel, agents, subcontractors, or others engaged by Digital Scoreboards, LLC or under its control

(c) Nothing in this Section 15 shall require either party to indemnify, defend, or hold harmless the other for the acts or omissions of any third party not under the indemnifying party's control or the acts or omissions of the other party.

16. Delay, Force Majeure. Any period for delivery or service provided for in the Agreement is approximate and not a guarantee of a particular date or time frame. Under no circumstances will Digital Scoreboards, LLC be liable or responsible to Buyer for any failure or delay in fulfilling or performing any term of this Agreement when and to such extent such failure is caused or results from acts or circumstances beyond the reasonable control of Digital Scoreboards, LLC including, without limitation, fire; flood; earthquake; act of God; explosion; governmental action, war, invasion or hostilities (whether war is declared or not), or other civil unrest; national emergency; revolution; insurrection; epidemic; pandemic; lockouts; strikes or other labor disputes (whether or not relating to either party's workforce); restraints or delays affecting carriers; inability or delay in obtaining supplies of adequate or suitable materials; or telecommunication breakdown or power outage (each of the above, a "Force Majeure Event"). In a Force Majeure Event, Digital Scoreboards, LLC has the right to extend the date of delivery for a reasonable period of time after the period of delay (but in no case for less than the period of delay) and the right to apportion its products among its customers in a manner it deems equitable. Buyer is not relieved from accepting delivery at the agreed price when the causes interfering with delivery are removed.

17. Use of Image. Digital Scoreboards, LLC may use Buyer's name along with images of the Product and the Site for marketing and promotional purposes including but not limited to website and marketing materials, without compensation to Buyer.

18. Severability. In the event one or more of the provisions of this Agreement are for any reason be held to be invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, those provisions will not invalidate or otherwise affect any other provisions, and the Agreement will be construed as if the invalid, illegal or unenforceable provision was never a part of the Agreement.

19. Applicable Law, Limitations.

(a) This Agreement is being delivered in, performable in, and shall be governed, construed, enforced, and interpreted by, through and under by the laws of the state of Florida, without regard to conflict of laws principles that would cause the application of laws of another jurisdiction. For the purpose of any action or proceeding arising out of or relating to this Agreement, Buyer hereby irrevocably submits to the exclusive personal jurisdiction and venue of the Twelfth Judicial Circuit Court in and for Sarasota County, Florida, with respect to such dispute and agrees to waive any defenses to venue and jurisdiction including forum non conveniens, along with irrevocably agreeing that all claims in respect to such action or proceeding may be heard and determined exclusively in any such court. Buyer agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdiction by suit on the judgment or in any other manner provided by applicable law. Buyer irrevocably consents to the service of the summons and complaint and any other process in any action or proceeding relating to the transactions contemplated by this Agreement, on behalf of itself or its property, by personal delivery of copies of such process to such party. Nothing in this section shall affect the right of any party to serve legal process in any other manner permitted by applicable law. Notwithstanding the foregoing, Digital Scoreboards, LLC will have the right, and in addition to all other remedies available to it at law, in equity or under this Agreement, to affirmative or negative injunctive relief from a court of competent jurisdiction in the event Buyer violates or threatens to violate the terms of Sections 10 or 11. Buyer acknowledges that a violation of Sections 10 or 11 would cause irreparable harm and that all other remedies are inadequate. Any legal action pertaining to this Agreement, other than Buyer's failure to pay any amount(s) owed to Digital Scoreboards, LLC, or any indemnification required by Buyer hereunder, must be commenced within one (1) year of the event giving rise to the legal action.

(b) When the Buyer is a Governmental Entity. Notwithstanding the foregoing, if the Buyer is a governmental entity, the law of the state where Buyer is located shall apply to this Agreement, without regard to conflict of laws principles, and both parties shall comply with all applicable state law when performing the Agreement, regardless of whether such law is specifically enumerated in these Terms and Conditions. Further, if applicable law or the terms and conditions of an applicable cooperative purchasing agreement require it, venue shall be in the state or federal courts (as appropriate) of the state where the Buyer is located. Neither the one-year limitation on the initiation of legal actions stated above nor the doctrine of nullum tempus occurrit regi shall apply. All other provisions in Section 20(a) shall apply.

20. Cooperative Purchasing Agreements. The terms and conditions of the cooperative purchasing agreement being utilized by Buyer to enter into this Agreement (if any) are incorporated herein by reference as if set forth at length.

21. Order of Precedence. In the event of any inconsistency or conflict between the terms of the cooperative purchasing agreement through which Buyer is entering into the Agreement, these Terms and Conditions, and the Proposal, the terms of the cooperative purchasing agreement shall take precedence; followed by the Proposal, and then these Terms and Conditions. The terms and conditions of any purchase order shall have no effect and shall not be binding on Digital Scoreboards, LLC, unless such terms and conditions are expressly incorporated by reference into the Proposal.

24. No Waiver. All remedies of either party hereunder are cumulative and may, to the extent permitted by law, be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed to be an election of such remedy or to preclude the exercise of any other remedy. Any failure by a party to enforce or exercise any provision of this Agreement shall not constitute a waiver of that right or provision.

25. Independent Contractors. The Agreement is not intended by the parties to constitute or create a joint venture, partnership, corporation, agency, trust, employment relationship, formal business organization or other permanent association of any kind, other than the alliance that is specifically defined in the Agreement, and the rights and obligations of the parties shall be only those expressly stated in the Agreement. Neither party shall have the authority to bind the other.

SPONSORSHIP RIGHTS AND SERVICES AGREEMENT

This Sponsorship Rights and Services Agreement (“Agreement”) is entered into as of [Contract Date to Follow] (“Effective Date”) by and between DS Media, a media and advertising management company with its principal office located at 107 N. Main Street, Suite 3C, Columbia, IL 62236 (“DS Media”), and District 300, a public school district organized under the laws of the State of Illinois, with its principal office located at 2550 Harnish Dr. Algonquin, IL 60102 (“District”). For purposes of this Agreement, DS Media and District may hereinafter be referred to individually as a “Party” and collectively as the “Parties”. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Grant of Rights:

a. The District, hereby grants to DS Media the exclusive right to sell, manage, and coordinate advertising on the facilities described in **Exhibit A** (the “Designated Facilities”), including, but not limited to scoreboard signage, static or displays, banners, and any other advertising medium now existing or hereafter developed within or related to and within the Designated Facilities (collectively, the “Scoreboard”).

b. During the Term of this Agreement, District shall not directly or indirectly, solicit, authorize, or engage in the sale, display, or placement of any advertising on the Scoreboard within the Designated Facilities, except through DS Media.

c. District shall not (i) permit any third-party to place advertising, nor shall District place any advertising itself, without DS Media’s prior written approval; and (ii) enter into any agreement, arrangement, or understanding, whether formal or informal, that would conflict with DS Media’s exclusive rights under this Agreement.

2. Term and Termination:

a. **Term:** The initial term of this Agreement shall commence upon the Effective Date and shall continue in full force and effect for a period of seven (7) years (the “**Initial Term**”). This Agreement shall automatically renew for additional, consecutive, successive five (5) year periods subject to the terms of this agreement (“**Renewal Term**”, together with the Initial Term, the “**Term**”), unless either Party provides written notice to terminate this Agreement 30 days prior to expiration of the Term.

b. **Termination:** This Agreement may be terminated prior to the expiration of the Term only as follows:

(i) By mutual written agreement of the Parties;

(ii) DS Media may terminate this Agreement, in whole or in part, upon thirty (30) days’ written notice to the District if the District experiences, or DS Media reasonably determines it is likely to experience, a material decrease in advertising revenue related to the programs or facilities

covered by this Agreement. Such a decrease may result from, but is not limited to, significant reductions in attendance, cancellations or suspensions of activities, closures of facilities, or other material changes that diminish advertising exposure or audience reach. Additionally, DS Media may exercise this termination right if the District experiences a serious public relations issue, controversy, or other circumstance that, in DS Media's reasonable judgment, materially and adversely affects the reputation, goodwill, or marketability of the advertising program. Before exercising termination under this section, DS Media shall provide written notice to the District describing the circumstances giving rise to the concern. The parties shall have a good-faith opportunity during the notice period to discuss and, if possible, remedy the issue. In the event of termination under this section, DS Media shall have no further obligations under this Agreement following the effective date of termination. The District shall refund any prepaid amounts for advertising or services not yet provided on a pro rata basis as of the termination date; or

- (iii) By either Party, in the event of a material breach by the other Party, provided that the breaching Party fails to cure such breach within thirty (30) days after receiving written notice thereof, pursuant to Section 13.

c. Post-Termination Advertising Obligations: Notwithstanding the termination of this Agreement for any reason, the District acknowledges and agrees that it remains obligated to perform and cooperate in good faith with all active advertising or sponsorship obligations previously entered into by DS Media on the District's behalf during the Term ("Third-Party Advertising Agreements"), including without limitation, the continued display of Advertising Content (as hereafter defined). Upon termination, DS Media shall provide the District with notice of such obligations as necessary to enable compliance, and the District shall not unreasonably delay or interfere with such obligations. District agrees to indemnify DS Media regarding any claims arising with Third-Party Advertising Agreements under Section 12(b).

d. Effect of Insolvency, Dissolution, or Inability to Perform: In the event that DS Media ceases operations, becomes insolvent, or is otherwise unable to fulfill its obligations under this Agreement, DS Media, or its successors or authorized representatives, shall have the sole discretion to assign any Third-Party Advertising Agreements to District, subject to the terms and conditions of such agreements and in accordance with Section 18. If such an assignment occurs, the District shall be entitled to receive one hundred percent (100%) of any remaining Gross Revenue due under the assigned agreements, less any prorated Management Costs incurred in the year of assignment, as well as any reasonable administrative, collection, or other costs incurred by DS Media or its successors in effecting such assignment. The District's receipt of such Gross Revenue shall constitute its sole and exclusive remedy in connection with DS Media's inability to perform under this Agreement. DS Media shall have no further liability or obligations to District thereafter.

1. **Scoreboard Purchase:** District shall purchase desired Scoreboard from DS Media, as described in **Exhibit B** ("Scoreboard Purchase"). In consideration of Scoreboard Purchase, District shall pay DS Media a sum of Seventy-Four Thousand and Seven Hundred Dollars (\$74,700.00), due immediately on the Effective Date.

2. **Annual Reimbursement:** Provided that the District is not in breach or default of this Agreement, upon District's Scoreboard Purchase, DS Media shall reimburse the District Seventy-Four Thousand and Seven Hundred Dollars (\$74,700.00) annually during the Term (the "Reimbursement Payments"). The Reimbursement Payments shall be made in equal installments on or before **[Contract Date to Follow]** of each year. The Reimbursement Payments shall be subtracted from the Gross Revenue (as hereafter defined) in accordance with Section 5. If this Agreement is terminated under Section 2(b), DS Media shall have no further obligation to make Reimbursement Payments. In such event, the District shall be required to pay the prorated unpaid balance of the Scoreboard, calculated as the annual amount set forth in **Exhibit B** multiplied by the number of full and partial years remaining in the Term. This Section will not apply to any subsequent Renewal Term.

3. **Revenue Sharing:**

a. During Initial Term, following deduction from Gross Revenue (as defined below) and recoupment by DS Media, off the top, of the Management Costs and Reimbursement Payments, all remaining monies (the "Adjusted Revenue") shall be paid as follows:

- (i) Twenty-Five (25) Percent to the District; and
- (ii) Seventy-Five (75) Percent to DS Media.

b. During the Renewal Term, the Adjusted Revenue shall be paid as follows:

However, if the District fails to provide written approval in three (3) business days,

the Proposed Advertising Content shall be deemed approved. DS Media may proceed with causing the display of the Proposed Advertising Content upon either (i) receipt of the District's written approval; or (ii) deemed approval under this provision. Approved Proposed Advertising Content or Proposed Advertising Content that is deemed approved shall be referred to as "Advertising Content."

b. **List of Potential Advertisers:** Within thirty (30) days of the Effective Date, the District shall provide the DS Media with a list of potential advertisers within the school community, including but not limited to local businesses, boosters, and alumni organizations, (collectively, the "Potential Advertiser List"), in electronic format or another mutually agreed manner, to aid in outreach and maximize revenue opportunities. Following the initial provision of the Potential Advertiser List by the District, DS Media may request an updated Potential Advertiser List annually, and the District agrees to provide such updated list within a reasonable time upon request.

3. **Reporting and Payment:** DS Media shall provide the District with a written accounting of Gross Revenue and all amount payable to the District on an annual basis. Such accounting, along with any payment due to the District pursuant to the revenue share provisions in Section 5 shall be delivered no later than thirty (30) days following the anniversary of the Effective Date of this Agreement each year.

5. **Maintenance and Operations:**

a. **Maintenance:** DS Media shall be responsible for performing maintenance of and repairs necessary for the Scoreboard subject to the warranty in Section 11(b). The District shall promptly notify DS Media in writing of any issues requiring maintenance or repair. Failure by the District to promptly notify DS Media in writing of any defects and/or necessary repairs with respect to the Scoreboard shall constitute a material breach of this Agreement and may void any warranty obligations under Section 11(b) to the extent such failure results in increased damage or cost, as determined by DS Media in its sole discretion. The District shall not attempt to service, repair, or modify the Scoreboard without DS Media's prior written consent. Any unauthorized servicing, repair, or modification by the District may, at DS Media's sole discretion, void any warranty obligations under Section 11(b).

During the Term, DS Media, shall at its sole cost and expense, repair or replace any defective part of the Scoreboard within a reasonable time after written notice from the District, provided that such defect has not been caused by misuse, abuse, unauthorized modification, vandalism, or negligent operation by parties other than DS Media or its authorized agents. The warranty does not cover damage or failure resulting from a Force Majeure Event (as described in Section 17), improper or unauthorized installation, maintenance, or repair by persons other than DS Media or its agents, ordinary wear and tear beyond the normal life of the Scoreboard, or use of the Scoreboard for purposes other than those for which it was designed.

9. **Indemnification:**

- a. **DS Media:** DS Media shall indemnify, defend, and hold harmless the District, its officers, employees, and agents from and against any and all third-party claims for damages, losses, or expenses (including reasonable attorneys' fees) arising out of or related to:
 - (i) DS Media's gross negligence or willful misconduct in the performance of its obligations under this Agreement; or
 - (ii) Advertising Content placed by DS Media that materially breaches third-party intellectual property rights due to DS Media's gross negligence or

willful misconduct.

DS Media shall have no indemnification obligation for claims arising from:

- (i) District's own acts or omissions;
- (ii) Advertising Content approved, deemed approved, or provided by District; or
- (iii) Any direct, incidental, consequential, or punitive damages.

Notwithstanding the foregoing, DS Media's total liability for indemnification obligations under this Agreement shall be subject to the limitation of liability set forth in Section 15.

b. **District:** District shall indemnify, defend, and hold harmless DS Media, its officers, employees, and agents from and against any and all third-party claims for damages, losses, or expenses (including reasonable attorneys' fees) arising out of or related to:

- (i) District's negligence or willful misconduct in the performance of its obligations under this Agreement;
- (ii) Third-Party Advertising Agreements; or
- (iii) Incidents, injuries, or damages from sporting events or activities occurring at the Designated Facilities where Advertising Content is displayed.

District shall have no indemnification obligation for claims arising from:

- (i) DS Media's own acts or omissions; or
- (ii) Any direct, incidental, consequential, or punitive damages.

c. **Indemnification Procedure:** The indemnified Party will notify the indemnifying Party promptly upon its receipt of notice of a claim to which indemnification may apply, provided, however, that the indemnified Party's failure to provide prompt notice will not relieve the indemnifying Party of its obligations to indemnify pursuant to this Agreement unless the indemnifying Party is materially prejudiced by such failure. After accepting the defense of the claim, the indemnifying Party will have sole control of the defense of the claim and all negotiations for the settlement or compromise thereof at its own cost and expense, including the cost and expense of attorneys' fees and disbursements in connection with such defense, settlement, or compromise; provided, however, the indemnified Party will be entitled to participate in the same, at its own expense and with counsel of its choice. The indemnifying Party must not enter into a settlement of any or all the claims or admit liability or fault on behalf of the indemnified Party without the indemnified Party's prior written approval, which may not be unreasonably withheld or delayed. Each Party's indemnification obligations under this Section survive the early termination or expiration of this Agreement.

10. Default and Remedies:

a. **Cure Period and Procedure:** If either Party materially breaches this Agreement, then the non-breaching Party shall provide written notice of such breach. If the breaching Party fails to cure the breach within thirty (30) days after receipt of notice, the non-breaching Party may terminate this Agreement and pursue all remedies available at law or in equity, including

recovery of damages.

b. **Pro Rata Gross Revenue Share:** If this Agreement is terminated under this Section, the District shall remit the pro rata share of annual Gross Revenue to DS Media within thirty (30) days following termination.

11. **Confidentiality:** The Parties acknowledge that each Party may have access to and/or disclose certain Confidential Information under or in connection with this Agreement. "Confidential Information" means any secret, proprietary, non-public or confidential information of the disclosing Party, or its parents, subsidiaries, or affiliates, including, without limitation, pricing, advertiser information, sales strategies, Proposed Advertising Content, Advertising Content, customer lists and contact information, employee information, financial and statistical information, accounting information, hardware, firmware, software, systems, processes, formulae, inventions, discoveries, policies, guidelines, procedures, practices, disputes or litigation, that is designated or identified as confidential at the time of disclosure or should reasonably be understood by the receiving Party to be confidential under the circumstances. The Parties agree that the terms of this Agreement constitute Confidential Information. Each Party agrees not to disclose the other Party's Confidential Information to any individual or entity, except (a) when required by court order, process of law, governmental requirement, order, or regulation; (b) as necessary to their respective parents, subsidiaries, and affiliates, and each of their respective members, lenders, officers, directors, employees, financial advisors, accountants, auditors, counsel, and agents with a reasonable need to know such information in their representative capacities, and all persons acting by, through, under or in concert with any of them; (c) as may be required or appropriate to comply with applicable securities laws or other laws requiring disclosure; or (d) with prior written consent from the other Party. Violation of this Section constitutes an incurable material breach.

12. **Limitation of Liability:** Except for liability arising from (i) willful misconduct or gross negligence, (ii) indemnification obligations under Section 12, or (iii) DS Media's breach of confidentiality obligations under Section 14, in no event shall DS Media be liable to the District or any third-party for any indirect, incidental, consequential, special, punitive, or exemplary damages, including but not limited to loss of revenue, goodwill, or business opportunities, whether arising in contract, tort (including negligence), strict liability, or otherwise, even if DS Media has been advised of the possibility of such damages. Notwithstanding the foregoing, DS Media's total aggregate liability arising out of or relating to this Agreement shall in no event exceed the total amount of revenue share payments actually paid by DS Media to the District under this Agreement in the twelve (12) months preceding the event giving rise to such liability.

13. **Notices:** All notices to be given regarding this Agreement shall be effective only if in writing and given to the Parties with receipt of delivery by U.S. mail (first class certified mail, postage prepaid), personal delivery, or overnight/private courier to the listed addresses, referenced above. Notices shall be effective upon mailing (return receipt requested), deposit with a nationally recognized private courier service (with receipt of delivery), or by personal service on an owner/officer of the Parties (with receipt of service).

14. **Force Majeure:** No Party shall be liable for failure or other delay in performance of its

obligations under this Agreement and such failure or delay shall not constitute a breach under this Agreement to the extent such failure or delay is due to circumstances beyond its reasonable control, including acts of God (fires, floods, storms, hurricanes, earthquakes, tomadoes, pandemics, etc.), acts of public enemy, war, civil disturbance, sabotage, accidents, insurrections, blockades, embargoes, acts of any governmental or quasi-governmental authority or any other force majeure (collectively, "Force Majeure Events" and individually, a "Force Majeure Event").

15. Assignment:

a. **District:** The District shall not assign this Agreement without the prior written consent of DS Media.

b. **DS Media:** This Agreement, including all rights and obligations contained herein, shall be freely assignable by DS Media to its successors, heirs, or assigns without the prior written consent of the District. DS Media shall provide written notice to the District following any such assignment.

16. Miscellaneous Provisions:

a. **Dispute Resolution:** The Parties agree to attempt in good faith to resolve any dispute arising out of or relating to this Agreement through negotiation. If such negotiation fails, the Parties agree to submit the dispute to non-binding mediation before a mediator mutually agreed upon. If mediation is unsuccessful, either Party may pursue binding arbitration in Illinois under the rules of the American Arbitration Association, and judgment upon the award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.

b. **No Joint Venture:** It is mutually understood and agreed that DS Media and the District, and their respective partners, members, officers, directors, employees, representatives and agents are, at all times herein, acting and performing separately and independently of each other and are in no way or manner to represent themselves as agents or employees of the other. As such, no Party shall incur any expenses or create any liens or encumbrances in another Party's name or against another Party's interests. This Agreement shall not create a joint venture, partnership, or a relationship of principal and agent, or of employer and employee, between the Parties.

c. **Governing Law:** This Agreement shall be governed by and construed in accordance with the laws of Illinois.

d. **Compliance of Law:** By entering into this Agreement, the Parties hereto specifically intend to comply with all applicable laws, rules and regulations as they may be amended from time to time. In the event that any part of this Agreement is determined to violate applicable federal, state or local laws, rules or regulations, the Parties agree to negotiate in good faith revisions to the provision or provisions that are in violation.

e. **Entire Agreement:** DS Media and District each acknowledge that they have read this Agreement, understand it and agree to be bound by its terms and further agree that it is the

complete and exclusive statement of the agreement between the Parties, which supersedes all proposals, oral or written, and all other communications between the Parties relating to the subject matter in this Agreement.

f. **Severability:** If for any reason, any provision or provisions contained in this Agreement are held to be invalid, illegal or otherwise void, remaining provisions of this Agreement shall not be affected and shall continue in full force and effect.

g. **Amendment:** Any amendments or modifications to this Agreement must be in writing, as mutually agreed and signed by the Parties.

h. **Section Headings:** The Section headings contained in this Agreement are inserted for convenience of reference and in no way define, describe or limit the scope or intent of this Agreement or any provision hereof.

i. **Incorporation of Exhibits:** All exhibits and, if applicable, schedules to this Agreement and referred to herein are incorporated into this Agreement as though fully set forth herein.

j. **Counterparts:** This Agreement may be executed in counterparts, each of which shall be deemed an original, and which together shall constitute one and the same instrument.

k. **Execution:** The signatories to this Agreement warrant that they have full and binding authority to make the commitments contained herein on behalf of their respective entities.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their respective authorized representatives, effective as of the date set forth herein.

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: John Hummel,
Chief Technology Officer

Presented at the following Board Meetings	Date
Board Operations Committee	4/7/2026
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

SUBJECT: Technology Related Service Contract (Renewals)

Background: Mitel

This agenda item addresses the renewal of the ProCare Software Support for the district's Mitel MiVoice Business communications system. This system currently serves 29 district locations and includes components such as Mitel NuPoint on vMiCollab and Mitel UC Mobile. Maintaining this software support is necessary to ensure our communication infrastructure remains operational, secure, and fully supported in the event of technical challenges. We are bringing this to the Board for approval because the total cost of the renewal exceeds the threshold requiring Board authorization.

Proposal Details

We are proposing a one-year renewal of the ProCare Software Support agreement with B&B Networks, Inc. The coverage term will run from July 1, 2026, through June 30, 2027. Key components of this contract include:

- Standard support Monday through Friday from 8:00 a.m. to 5:00 p.m.
- 24x7 access to Mitel technical support for Critical (P1) issues through the Advantage Software Support program.
- Software upgrades are performed on a time-and-materials (T&M) basis.
- Last year's cost was \$64,428.87, which is an increase of 7.56% this year.

Because the total cost exceeds \$35,000, standard procurement rules require an Invitation to Bid (ITB). However, we are pursuing this as an exemption because technology services are exempt from the traditional bid requirements.

Administrative Recommendation:

The Administration recommends purchasing Mitel ProCare Software Support from B&B Networks, Inc. in the amount of \$69,299.33.

Fiscal Impact:

The total cost of \$69,299.33 will be funded from the Technology budget, Fund 10 (Education Fund).

Background: Tableau

This agenda item addresses an amendment to the Tableau Software Purchase Agreement with Custom Computer Specialists, LLC, originally effective on June 21, 2024. This amendment adjusts our current licensing structure by decreasing the number of Tableau Viewer licenses. We are bringing this item to the Board for approval because this is the annual renewal of this data analytics software.

Tableau is a powerful visual analytics and business intelligence platform that helps users see, understand, and interact with their data. It allows organizations to easily connect to various data sources, build interactive dashboards, and share actionable insights across teams to support data-driven decision-making that is used across all schools and departments in the district.

Proposal Details

We are proposing an amendment with Custom Computer Specialists, LLC that will take effect on July 1, 2026. This amendment will not impact the date terms of the original contract, which are June - May. Key components of this proposal include:

- A decrease in the number of Tableau Viewer licenses from 1,600 to 1,300.
- The continuation of 5 Tableau Creator Licenses.
- The continuation of 1 Tableau Data Management License.
- A per user price of \$53.50, which is a 7% or \$3.93 increase over current contract, for a total annual subscription fee of \$69,556.25. The current contract has a cost of \$79,312.50, which is \$49.57 per user.

In our total effort to review usage in all of our software subscriptions, we identified that we could reduce the license count for this software, lowering our total renewal costs for a savings of \$9,756.25.

Because the total cost exceeds \$35,000, standard procurement rules require an Invitation to Bid (ITB). However, we are pursuing this as an exemption because technology services are exempt from the traditional bid requirements.

Administrative Recommendation:

The Administration recommends approval of the agreement amendment with Custom Computer Specialists, LLC for Tableau software licenses in the amount of \$69,556.25.

Fiscal Impact:

The total cost of \$69,556.25 will be funded from the Data and Assessment budget, Fund 10 (Education Fund).

Background: PowerSchool

This agenda item addresses the renewal of our PowerSchool software subscriptions for Schoology Learning Management System (LMS), SmartFind Express, and Enrollment Analytics. These platforms are critical infrastructure for the district: Schoology serves as our primary learning management system for students and staff, SmartFind Express manages employee absences and substitute teacher fulfillment, and Enrollment Analytics provides our enrollment predictions and analytics. Maintaining these subscriptions is necessary to ensure continuous, uninterrupted access to these core educational and operational systems. We are bringing this to the Board for approval because the total cost of the renewal exceeds the \$35,000 threshold requiring Board authorization.

Proposal Details

We are proposing a 12-month subscription renewal with PowerSchool Group LLC. The coverage term will run from July 1, 2026, through June 30, 2027. Key components of this contract include:

- Schoology LMS Subscription and End User Support for 20,500 students.
- Lesson Planner for Schoology.
- SmartFind Express licensing for both substitute-eligible and non-substitute-eligible staff.
- Enrollment Analytics Hosted Subscription for 21,005 students.
- Last year's cost for these platforms was \$215,901.35. The proposal for FY27 is \$240,362.94, which is an increase of 11.33% or \$25,271.59.

We have reached the end of the original master agreement with PowerSchool. We are continuing to evaluate the PowerSchool suite of products to determine whether all of them still meet the district's needs.

Because the total cost exceeds \$35,000, standard procurement rules require an Invitation to Bid (ITB). However, we are pursuing this as an exemption because technology services are exempt from the traditional bid requirements.

Administrative Recommendation:

The Administration recommends purchasing Schoology, SmartFind Express, and Enrollment Analytics software subscriptions from the PowerSchool Group LLC, totaling \$240,362.94.

Fiscal Impact:

The total cost of \$240,362.94 will be funded from the Technology budget, Fund 10 (Education Fund).

Background: Lumio

This agenda item addresses the renewal of the district's Lumio Standard Plan software subscriptions. Lumio is a digital learning platform that enables teachers to transform lessons into active, collaborative learning experiences for students. Maintaining this subscription ensures that our educators can continue utilizing these interactive tools seamlessly in their classrooms. We are bringing this item to the Board for approval because the total cost of the renewal exceeds the \$35,000 threshold requiring Board authorization.

Proposal Details

We are proposing a one-year subscription renewal with Xerox IT Solutions. The coverage term will run from July 1, 2026, through June 30, 2027. Key components of this contract include:

- Renewal of 1,750 Lumio Standard Plan licenses at a unit price of \$23.26. The licenses are for all teachers K-12.
- Continuation of the existing license key to ensure uninterrupted service.
- Lumio kept our costs the same for the last two years at \$40,705.00.

Because the total cost exceeds \$35,000, standard procurement rules require an Invitation to Bid (ITB). However, we are pursuing this as an exemption because technology services are exempt from the traditional bid requirements.

Administrative Recommendation:

The Administration recommends purchasing Lumio Standard Plan subscription from Xerox IT Solutions in the amount of \$40,705.00.

Fiscal Impact:

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: John Hummel,
Chief Technology Officer

SUBJECT: Staff Laptop Purchase

Presented at the following Board Meetings	Date
Board Operations Committee	4/7/2026
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

Background:

This agenda item addresses the district-wide refresh of staff laptops. Historically, the district has maintained a 5-year replacement cycle for our LEAD staff devices. This year, to improve operational efficiency and ensure equitable access to reliable technology, we are taking the opportunity to align all staff groups onto the exact same 5-year hardware replacement cycle.

Currently, staff members are issued a wide variety of different Lenovo models (some with touch screen and some without). Moving forward, this refresh will transition all staff groups to a single, standardized touch-screen model. These new devices will be equipped with an Intel Core i7 processor and 32GB of RAM. With these robust specifications, the new laptops will more than meet the diverse technical and operational needs of all staff members across the district.

Consolidating our staff device fleets into a unified replacement cycle is highly beneficial for the district. It standardizes the hardware our educators and support staff use daily, drastically streamlining technical support, simplifying warranty management, and ensuring that all personnel have up-to-date, secure devices capable of running our current educational and operational platforms.

Proposal Details:

We are proposing the purchase of 3,500 Lenovo laptops from CDW Government LLC to fulfill this district-wide staff refresh. To ensure competitive pricing and hardware quality, the district conducted a formal Request for Proposals (RFP). The RFP was issued on February 20, 2026, and closed on March 12, 2026.

We received qualifying proposals from three vendors: CDW, Rialya Tech, and Pace Systems. As part of the comprehensive evaluation process, each vendor provided sample devices for our team to physically review and test. Based on evaluations of cost, technical compliance, vendor reputation and support, and lead time, the evaluation committee determined that CDW's proposal for Lenovo laptops offers the best value and functionality for the district.

The total cost for these devices is \$4,570,020.00, which includes 3,500 devices, white-glove service, and a 4-year Accidental Damage Program (ADP). We anticipate deploying these new laptops to staff during the first semester of the 2026-2027 school year.

Administrative Recommendation:

Administration recommends awarding the staff laptop purchase contract to CDW Government LLC at a cost of \$4,570,020.00.

Fiscal Impact:

The total cost of \$4,570,020.00 will be funded from the Technology budget, Fund 10 (Education Fund). \$3,000,000.00 will come from FY26 and \$1,570,020.00 will come from FY27.

CDW Lifecycle Solutions - Accidental Damage Protection (ADP)

Backed by AIG Insurance, an AM Best A-rated global insurer, CDW Lifecycle Solutions ADP reduces financial exposure by providing stable, insurance-backed coverage for device repair costs across the district's fleet.

Under our ADP, all devices are eligible for coverage, including new, existing, and devices not in good working order. No matter what your students throw at their devices, you'll have comprehensive protection for repairs, ensuring minimal disruption to learning.

Covered Losses

Mechanical/Electrical Failures: Coverage for failures due to defects in materials or workmanship that prevent the device from functioning as the manufacturer intended under normal usage. This includes all internal failures such as battery replacement, touch screen, hard drive, motherboard/daughterboard, camera, Bluetooth, Wi-Fi, system board, ports, keyboards, and more.

Accidental Damage from Handling (ADH): Protection against unexpected and unintentional damage caused by mishandling, such as drops or liquid spills.

Battery Replacement: Coverage for battery failure when degradation reduces full charge capacity below 50% of the original maximum.

OEM Extended Warranties

Take advantage of additional years of OEM warranties if offered at no cost. However, CDW Lifecycle Solutions ADP covers devices with or without manufacturer warranties.

Non-Eroding Coverage

CDW Lifecycle Solutions ADP offers unlimited, non-eroding coverage, meaning there's no limit on the number of claims per device, as long as each repair remains under the device's value. The implications are significant: schools can ensure continuous device functionality without the risk of coverage running out when they need it most.

What's Included with Lifecycle Solutions ADP?

Access to CDW's cloud-based software designed to facilitate ticketing and device management. Standard API integration with Incident IQ (IIQ) is available at no additional cost.

A designated Customer Success representative will be assigned for ongoing stewardship, recurring meeting cadence, and proactive review of best practices, analytics, and recommendations.

Proactive Account Support – Ongoing reviews, issue resolution, escalation management, and strategic recommendations tailored to your fleet

CDW will arrange pickup of damaged devices through a designated shipping carrier, unless otherwise agreed. All shipping materials and costs are included. Pickup, return shipping, and logistics are managed by the assigned Customer Success Manager, with support for unboxing, repacking, and scheduling shipments on the Customer's behalf.

Dear Vendor:

ADDENDUM 1

Laptop

Vendor Questions

Question: Should the white glove service cost be the additional cost per unit only?

Answer: Yes, a unit cost and extended unit cost is to be provided for the cost of the white glove service.

Question: How many demo devices are required?

Answer: One demo device is required per option that your firm is proposing.

Question: Will asset tags be provided?

Answer: Yes, asset tags and images to guide the placement of the asset tags will be provided to the awarded vendor.

Question: Will the District provide a disc or flash drive for laptop imaging?

Answer: Yes

Question: Can we use school property for the white glove service?

Answer: No

Question: How will experience and references be quantified?

Answer: Vendor reputation & support is worth 20% of the overall score. Warranty terms, past performance, experience and references would fall into this category for evaluation purposes.

Question: Will the recommended vendor be provided notification of the need for Alternate White Glove Service?

Answer: Yes, this would be discussed during the scope review meeting with the recommended vendor.

Question: When are demo devices due?

Answer: Per the timeline, demo devices are due at 11am CT on Thursday, 3/12/26.

Question: Do you use software to manage your fleet?

Answer: Yes, Ivanti is used.

Question: Does the warranty/ADP need to be provided by the manufacturer?

Answer: No, a firm can partner with another firm to provide the required warranty/ADP services.

Question: Can you provide a sample and proposal for only one type of device?

Answer: Yes

Question: Please advise if it's mandatory to send samples or can we also submit our proposal without submitting samples.

Answer: Samples (demo devices) are required.

Question: How are you planning to decommission your current devices? If you are planning on getting rid of your current devices, is that something you would need assistance with? If so, what is the device count and specs on the current devices?

Answer: A decision has not been made at this time.

Question: Are you accepting AMD equivalent models or intel only?

Answer: Per the Scope of Work, the processor is to be Intel Core i5 or i7 (14th Gen or newer preferred) or AMD equivalent.

Question: Will the district accept a functionally equivalent Dell model for the product demonstration provided that the final awarded configuration matches the original specifications outlined in the RFP?

Answer: The District will accept the same model computer to allow us to work with the device, even though the specs might not be exact. This would be for demonstration purposes only. For example, Dell laptop XYZ is sent with only 16 GB of RAM, while we are preferring 32 GB of RAM. As long as the *same model of computer is used*, this is acceptable. Please note, sending model XYZ for demonstration, but then quoting model ABC is not acceptable.

Question: Does the district have existing docking stations, monitors, or peripherals that the new laptops must be compatible with? Specifically, what are your requirements regarding USB-C/Thunderbolt standards or display output (e.g., HDMI, DisplayPort, USB-C video)?

Answer: There is a small subset of administrative / support staff which currently use Lenovo Thunderbolt 4 docks. Most staff do not utilize a docking station. Requirements for ports and specs should match those of the Lenovo Thunderbolt 4 docking station.

Question: Will delivery be to a single central location, or will it be distributed across multiple school buildings? If multiple sites, approximately how many drop points and what are the receiving hours for each location?

Answer: The District has not finalized this yet. If the decision is made to have multiple drop locations they might include the District Buildings and Grounds location, plus up to three high school locations. So potentially up to 4 locations. Full listing of possible delivery locations may be found on page 8 of the Complete Bid Documents.

Question: Can devices be repackaged in quantities of 5 units per box, or is the district firm on quantities of 10 or 20 units per box?

Answer: Yes. The main goal is to have a standard box for easier movement within the District. Boxes would preferably have "hand-holds" on the sides for easier carrying.

Question: Will the district accept proposals that include backup or spare units beyond the 3,500-unit commitment? If so, what is the maximum number of backup units you would need?

Answer: The District may consider a purchase of up to 10% additional units.

This Addendum along with any Exhibits and Attachments is to be considered part of the original RFP documents. Please confirm receipt of this email or fax by a telephone call, email, or fax and on Response Forms A & B.

The bidder will take affirmative action to ensure the applicants are employed, and that employees are treated equally during employment, without unlawful discrimination. Such action shall include but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The bidder agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

Shipments shall become property of consignee after delivery and acceptance. Regardless of statements to the contrary, payment terms will begin no sooner than the date of delivery of goods.

12. EVALUATIONS

The District reserves the right to reject any and all proposals, to waive any technicalities in the bidding and to award each item to a different bidder or all items to a single bidder unless otherwise noted on proposal request, and to determine whether in the opinion of the District: (1) an early delivery date is entitled to more consideration than price, (2) an earlier delivery date is to be disregarded because of the reputation of the bidder for not meeting delivery dates, (3) a bidder is not a responsible bidder and should be disregarded. The District will authorize the release of purchase orders upon acceptance of proposals. In the event of pricing errors, the unit count(s) listed will prevail and be considered accurate.

13. EXAMINATION OF DOCUMENTS AND SITE

Before submitting a proposal for work on any project, each bidder shall carefully examine the project site and the contract documents, fully inform itself of existing conditions and limitations of the project sites, rely entirely upon their own judgment in making the proposal, and include in its own proposal all sums sufficient to provide all work required by the contract documents. After

opening of proposals, no additional allowance will be made for changes in project scope and/or price due to work, which would have been apparent, by examination of the documents and sites. By submitting a proposal, each bidder shall be held to represent that bidder has made the examination in

complete detail and has determined beyond doubt that the documents and existing conditions are sufficient, adequate and satisfactory for completion of the work.

14. PERFORMANCE: LABOR AND MATERIAL PAYMENT BONDS (IS REQUIRED OF THIS PROJECT)

The Performance Bond and the Labor and Material Payment Bond shall guarantee the performance of the duties placed on the contractor by the Prevailing Wage Act, as well as all other duties undertaken pursuant to the contract with the District, and shall indemnify the District from any liability or loss resulting to the District from any failure of the contractor fully to perform each or all of said duties.

The Performance Bond and the Labor and Material Payment Bond herein provided shall be placed with a Surety company or companies having a policy holder's rating not lower than "A" and a financial rating not lower than "AAA" in Best's Insurance Guide (current edition).

15. BID SECURITY (IS REQUIRED OF THIS PROJECT)

A Bid Bond or certified check made payable to the District in the amount of ten percent (10%) of the proposal shall accompany each proposal as a guarantee that the bidder, if awarded the contract, will furnish the required Performance Bond and Labor and Material Payment bonds, execute the contract and proceed with the work. Upon failure to do so, the bidder shall forfeit the check or the district shall be entitled to the principal amount of bid bonds as liquidated damages. No mistakes or errors on the part of the bidder shall excuse the bidder or entitle bidder to a return of the check or bid bond. No bidder may withdraw a proposal for a period of 60 days after the date of opening thereof.

A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

DISTRICT 300

COMMUNITY UNIT SCHOOL DISTRICT NO. 300 BOARD OF EDUCATION MEMO

DATE: April 7, 2026

TO: Dr. Martina Smith, Superintendent
Board of Education

FROM: John Hummel,
Chief Technology Officer

SUBJECT: Purchase of Network Equipment

Presented at the following Board Meetings	Date
Board Operations Committee	4/7/2026
BOE 1 st Reading	4/7/2026
BOE 2 nd Reading	4/21/2026

Background:

This agenda item addresses a major upgrade to the district's core networking and wireless infrastructure. Reliable network connectivity is essential for our digital curriculum, 1:1 student devices, and daily school and office operations. This project will replace aging hardware with modern switches and state-of-the-art Wi-Fi 7 access points to ensure high-speed, uninterrupted internet access across our facilities.

Proposal Details:

The district issued an Invitation to Bid (although technology is exempt from bidding) in order to be in full compliance with Universal Service Administrative Company (USAC, the company that manages the E-Rate program) regulations. The district received three bids that ranged from \$1,454,771.03 to \$1,630,690.60.

The lowest responsive, responsible bidder responding to the district's Invitation to Bid under FCC Form 470 #260016134 was CDW Government LLC (CDW-G). This comprehensive infrastructure upgrade consists of two main hardware quotes totaling \$1,454,771.03:

- \$213,205.00 for 20 Cisco Catalyst 9500 managed switches, redundant power supplies, and associated network licenses.
- \$1,241,566.03 for over 1,800 Cisco Wireless 91741 and 91761 Wi-Fi 7 access points.

With our anticipated 85% E-Rate reimbursement on these two eligible items, the net cost to the district for this project will be \$218,215.65, representing a savings of \$1,236,555.38, which will be billed directly to CDW-G.

The district participates in the federal E-Rate program. This program is a federal initiative that provides financial assistance to schools and libraries for internet access and related network infrastructure. It is funded through the Universal Service Fund, which is supported by required contributions from telecommunications providers; these companies contribute a small percentage of their revenue into the fund, and in many cases, that cost shows up as a small fee on monthly phone or internet bills. The

program helps ensure schools can maintain reliable internet and network technology while reducing the financial burden on local school districts and taxpayers.

Equipment installation will start over the summer of 2026, with an anticipated completion by the summer of 2027. Installation will not cause any downtime for the district's internet access.

Administrative Recommendation:

SUBJECT: Financial & Professional Development Management Software Contract (Renewal)

[Background - Budget Management Analytics, Comparative Analytics, and Financial Planning Analytics](#)

Having financial tools that provide robust data sources and strong forecasting capabilities enables the finance team to perform the level of analysis required to support the district’s financial planning and decision-making. When preparing and analyzing budgets, access to historical data allows for a deeper understanding of spending patterns and supports the development of more accurate and realistic future projections. In addition, having tools that provide transparency to district taxpayers remains a high priority. To support this work, the district subscribes to Frontline’s Budget Management Analytics, Comparative Analytics, and Financial Planning Analytics.

Frontline (formerly Forecast5) has partnered with the district for more than eight years and, through these platforms, has supported the district’s finance team in budgeting, tax levy, forecasting, negotiations, and financial transparency. The current one year contract for these subscriptions expires on June 30, 2026, and the district administration recommends extending the agreement in order to continue receiving this robust level of financial support.

Frontline initially proposed a one year, 6% increase (\$1,909.37). As the finance team intends to continue the partnership and the use of these platforms, a multi-year agreement was pursued. The proposed contract is structured at three years for a total of \$99,614.60 and breaks down as follows:

- Fiscal Year (FY) 2027 (July 1, 2026 – June 30, 2027): \$32,336.10 (a year-over-year increase of 5%, or \$1,539.81)
- FY 2028 (July 1, 2027 – June 30, 2028): \$33,306.19 (a year-over-year increase of 3%, or \$970.09)
- FY 2029 (July 1, 2028 – June 30, 2029): \$33,972.31 (a year-over-year increase of 2%, or \$666.12)

Because this is a technology software subscription, the agreement is exempt from the competitive bidding process.

Administrative Recommendation

The administration recommends approval of a three-year contract renewal with Frontline for the Budget Management Analytics, Comparative Analytics, and Financial Planning Analytics platforms, with a total cost of \$99,614.60 over the three-year term.

Fiscal Impact

The annual contract payments will be funded through the Finance Department budget, Fund 10 (Education Fund), and the contract will commence on July 1, 2026.

Background - Professional Growth Solution Subscription

Frontline Education's Professional Growth Solution provides a comprehensive Professional Learning Management (PLM) and Employee Evaluation Management (EEM) platform, which D300 implemented in the 2017-2018 school year. Via PLM, D300 tracks and manages professional development activities throughout the district. Via EEM, D300 manages evaluations for all employee groups (DESA, DESPA, NUG, LEAD, and administrators). The amount of the complete contract for 2026-2027 is \$101,930.23, which will be funded from Title II funds. Additionally, through a long-term cooperative purchase with the Kane County Regional Office of Education (ROE), the Kane County ROE will continue to pay for the Applicant Tracking portion of this renewal for all Kane County Cooperative districts, including D300.

Because this is a technology software subscription, the agreement is exempt from the competitive bidding process.

Administrative Recommendation

The administration recommends approval of a one-year contract renewal with Frontline for the Professional Growth Solution subscription at a total cost of \$101,930.23.

Fiscal Impact

The contract, totaling \$101,930.23, will be funded by the Title II Grant (Fund 10, Education Fund) and paid from the FY27 budget.

SUBJECT: Strategic Planning Contract

Background

The current strategic plan was created to stabilize our district following the COVID-19 pandemic and has served as the foundational "blueprint" for our systems. As we complete the final phases of this strategic plan, our focus will shift from building systems to accelerating student and district outcomes.

Approval of this strategic planning proposal with District Management Group will enable District 300 to:

- Develop an actionable strategy which will help the district navigate tough tradeoffs and guide decision-making
- Build support among stakeholders and buy-in for the district's path forward
- Realign how the district allocates limited resources to support key strategic objectives
- Drive results with an action plan that enables the district to track progress toward overall goals

District Management Group will deliver a new strategic plan for D300 after completion of a process to include:

- Design: Preliminary Analysis
- Creation of a Steering Committee
- Comprehensive Needs Assessment
- Multiple Stakeholder Focus Groups
- Synthesis of Findings
- Development of Priorities and Goals
- Ongoing Work with the Board of Education to Ensure Alignment

Administrative Recommendation

Administration is recommending working with District Management Group to provide consulting services for the strategic plan creation. The cost for services is \$175,000 and these services will be paid using local and grant funds.

March 9, 2026

Dr. Martina Smith
Superintendent
Community Unit School District 300
2550 Harnish Drive
Algonquin, IL 60102

Dear Martina,

District Management Group (DMGroup) is pleased to present the enclosed proposal to support the creation of Community Unit School District 300 (D300) district strategic plan.

For DMGroup, the focus is not on creating a well-written document, but on delivering a dynamic plan focused on action and improving student achievement. The goal of this strategic planning work is to position the district to achieve results for its students.

DMGroup has extensive experience working with school districts around the country in creating highly focused strategic plans that deliver results. In an attempt to address a myriad of challenges and a variety of differing stakeholder concerns, many districts end up with lengthy strategic plans that prove too unwieldy to put into action. DMGroup firmly believes that great power lies in creating a strategy tightly focused on a very small set of the most important levers for improving performance.

DMGroup begins the strategic planning process by conducting an in-depth quantitative and qualitative analysis of D300 current performance and needs. We believe it is essential to begin with a clear, accurate, and shared understanding of where district performance stands before embarking on planning for the future. With the starting point well understood, D300 and DMGroup work to articulate aspirational goals. DMGroup then engages the district in codifying a clear theory of action—a set of beliefs as to what will drive change in the district. A clearly articulated theory of action enables the team to distill the district's aspirations into concrete goals and tactics. Throughout this process, DMGroup shares relevant best-practice research to inform and guide the work.

DMGroup also recognizes that a successful strategic plan requires input, vetting, and support from its stakeholders and its community. Therefore, DMGroup has developed and incorporated a Two-Step Community Engagement process into the strategic planning effort. DMGroup brings people together at critical junctures in the process to garner their input and feedback. DMGroup's strategic planning process, together with our community and stakeholder engagement strategy, result in a highly refined, actionable, and inclusive strategic plan that represents the input and support of the district's stakeholders and community.

We look forward to the opportunity to work with you and your district.

Sincerely,

John J-H Kim

Executive Summary

District Management Group's (DMGroup) field-proven methodology for strategic planning is based on extensive research coupled with our experience working with districts to put powerful strategic plans into action to drive results. We will begin by helping Community Unit School District 300 (D300) hone a powerful theory of action about what will drive improvement in your district and position you to achieve your goals. Using this theory of action as our north star, together we'll identify a short list of priorities, initiatives and measurable goals that will guide the daily work of your district, and we'll help you build stakeholder buy-in for the plan. DMGroup will enable D300 to:

- ✓ Develop an actionable strategy which will help your district navigate tough tradeoffs and guide decision-making
- ✓ Build support among stakeholders and buy-in for the district's path forward
- ✓ Realign how your district allocates limited resources to support key strategic objectives
- ✓ Drive results with an action plan that enables you to track progress toward your goals

Using our proven strategic planning framework and methodology, DMGroup is excited to help D300 craft a focused district strategy that will support your goals and raise achievement in the face of ever-mounting challenges.

Approach and Methodology

Confronted by fluctuating student enrollment, growing regulatory and accountability requirements, increasingly diverse student populations, constrained resources, and a variety of stakeholders with competing interests, many school districts end up creating very lengthy strategic plans in an attempt to respond to the myriad challenges and countervailing concerns. Too often, these strategic plans prove unwieldy, and districts find themselves without a clear roadmap to deliver on the competing objectives. In fact, in a study analyzing over 400 district strategic plans, DMGroup found that as few as 3% of district strategic plans prioritize or rank initiatives, impeding their ability to identify and focus on high-impact opportunities (Figure 1).

Figure 1. Percentage of Strategic Plans Containing Selected Key Elements.

Over the course of twenty-two years working with hundreds of districts nationwide, DMGroup has developed a unique strategic planning framework, as shown in Figure 2, that aims to drive the daily work of the district in a cohesive manner. By anchoring around a defined Theory of Action, we are able to help districts narrow their priorities into a set of cohesive strategic elements that drive towards a common outcome. Our approach is anchored around four key activities:

1. **Assess Needs.** We begin by conducting a comprehensive needs assessment, gathering both quantitative information as well as qualitative input from the community. Our needs assessment provides a shared understanding from which to launch the planning process.
2. **Codify a Theory of Action.** We work with you to codify your district's theory of action, the fundamental set of core beliefs about the drivers of long-term success. Together, we'll reflect deeply on the context needed to successfully address the

root causes of your district’s challenges. Once developed, your theory of action will guide prioritization of goals, initiatives, and activities in your school district.

3. **Set Priorities and Goals.** We help you distill a lengthy list of priorities down to a short, actionable list—five or six broad thematic areas that will propel the district to achieve its vision and mission. For each priority, we’ll articulate measurable goals to define success, so progress can be tracked.
4. **Two Step Community Engagement.** We know that a strategic plan needs broad support to be implemented effectively, but building support is challenging work. We take a two-step approach to community engagement that creates deeper understanding of district needs as well as the trade-offs at hand. We’ll solicit stakeholder input early in the process and facilitate a series of community engagement meetings once the plan is drafted to provide essential insight into different perspectives, identify issues that may have been overlooked, and create an opportunity for feedback and reaction.

Strategic Planning Process

To work through our strategic planning framework, DMGroup has developed a systematic, yet customizable, three-phase process as shown below in Figure 3. Our process has been utilized by districts around the country to develop, refine, and implement a powerful strategic plan that drives the daily work of the district and has solid support from its stakeholders.

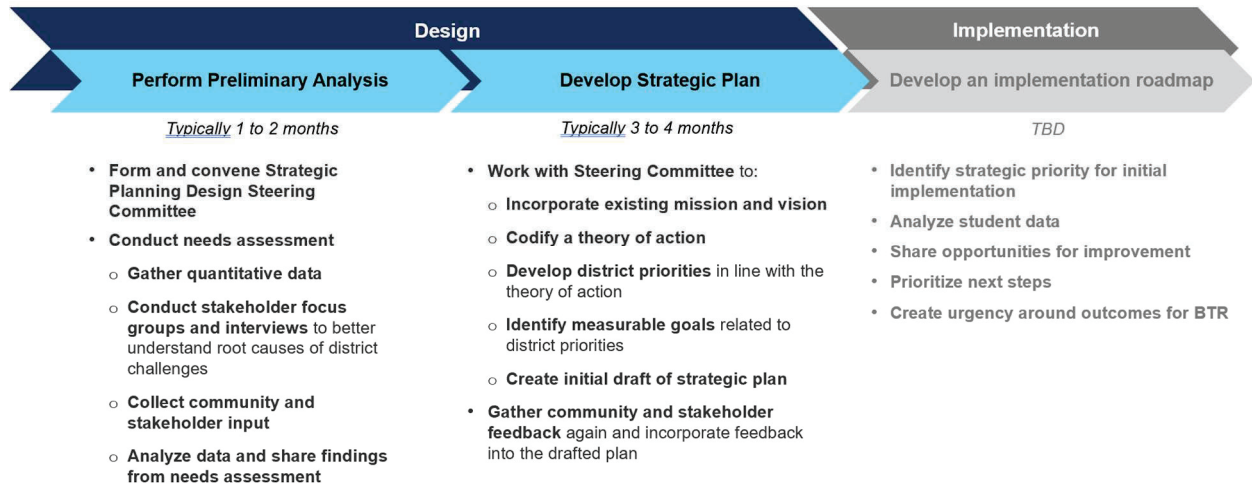

Figure 3. The DMGroup Strategic Planning Process.

Phase 1: Design

Phase 1a: Perform Preliminary Analysis

Form & Convene Strategic Planning Design Steering Committee

Typically, a Strategic Planning Design Steering Committee is convened at the outset of the work. The Committee typically includes the superintendent, representatives from the D300 leadership team, and representatives from the school board, and may include union or community leaders. DMGroup helps guide this group through the strategic planning framework to confirm the vision/mission statement, articulate the theory of action, and then develop priorities and measurable goals. Roles may vary somewhat depending on the structure and dynamics of the district, but this is generally a highly collaborative process.

Conduct Needs Assessment

DMGroup believes that before embarking on developing a plan for the future, it is essential to begin with a clear and accurate understanding of the current state of performance and needs of the district. It is important that key members involved in the strategic planning process are all beginning with a common understanding of D300's strengths and challenges.

DMGroup will begin the needs assessment with a discussion with Board of Education members to hear their perspectives on the needs and priorities of D300 moving

forward. The perspectives, questions, and ideas from Board members will help drive the analysis for the needs assessment and will help build the strategic plan moving forward.

DMGroup gathers both qualitative data and quantitative data and, working with the district and the Strategic Planning Design Steering Committee, performs an extensive analysis of the performance-related data in the district and methodically solicits qualitative information on what is working well and where there are areas of further growth.

Gather Quantitative Data for Needs Assessment

The DMGroup team begins by gathering, analyzing, and synthesizing baseline data. The data examined comprises academic achievement data (consisting of data from various transition points across subjects such as reading/ELA and math for Grades 3, 8, and 10, etc.), college readiness data (such as high school graduation rates, SAT or ACT performance, AP test takers scoring 3-5, students taking dual-enrollment courses, and students taking career and technical education courses), and school climate data (such as school suspension rates, school dropout rates, and school attendance rates). We also review the financial climate and constraints including enrollment, funding, and spending trends.

Conduct Stakeholder Focus Groups & Interview

Quantitative information is only one side of the coin; great insights can also be gleaned from qualitative information. Our strategic planning process includes a series of interviews and meetings with various key stakeholders to ensure these observations are incorporated to obtain a comprehensive understanding of D300. Discussions with key stakeholders at this initial phase ensure that key themes based on stakeholder concerns are incorporated early on in the process.

Collect Community & Stakeholder Input – Phase I

Parents and community members as well as district staff will have ample opportunities to share their perspectives. In the first phase of the Two-Step Community Engagement process, stakeholders are engaged in order to capture their perspectives and insights from the very beginning. Working closely with district leaders, DMGroup will meet with various members of the community as well as analyze feedback already gathered through online surveys or other wide-reaching means in order to create a broad list of key themes and bring greater focus and clarity to the needs of the district and community at large. This approach allows D300 and DMGroup to gather critical community and stakeholder feedback while avoiding creating a long wish-list or lists of concerns and complaints that are unrealistic to incorporate entirely into a targeted strategic plan.

Phase Two of the Community Engagement process will occur following the development of the draft strategic plan.

Analyze Data & Share Findings from Needs Assessment

Upon completion of the quantitative and qualitative assessments, DMGroup digests and synthesizes the information to deliver a succinct and insightful presentation on the state of performance of the district. DMGroup's analysis includes a review of multi-year trends in district performance, including examining data across ethnic and socio-economic subgroups. It also includes benchmarking to the state as well as to similar districts nationwide. This information is an essential first step to providing a clear and shared understanding of where the district stands. It allows the Steering Committee to identify key concerns that may need additional focus to drive maximum student improvement.

Phase 1b: Develop Strategic Plan

Codify a Theory of Action

There are many paths to any particular end. A theory of action is a clear statement of how D300 believes it can best achieve its goals and is often structured as a set of if / then statements that detail the causal link of how the end goal can be achieved.

A well-crafted theory of action articulates a set of core beliefs about the key drivers necessary to make the district's goals a reality. For example, one district's theory of action might be based on managed instruction – a belief that the district's central office must directly oversee instruction in order to increase student achievement; at the opposite end of the spectrum, another district's theory of action might be to promote what is sometimes referred to as “empowerment” – a belief that the system should focus on results, with increased accountability and autonomy for independent decision-making at the school level. The theory of action captures this fundamental belief about what will drive change for the district and then helps shape the strategic path that the district will follow to achieve results.

Through the Strategic Plan Design Phase, DMGroup will help D300 codify and actualize its theory of action.

Develop District Priorities

Driven by the district's theory of action, a short, focused list of top priorities is established. The essence of strategy is to weigh the myriad number of competing interests; while all may seem important and desirable, focus and prioritization are necessary if success is to be achieved. Often, getting down to a short list of approximately five priorities is one of the most difficult aspects of strategic planning. However, without this short list, a plan is rarely strategic and implementable. We will work with the Steering Committee to identify the most important district priorities to drive towards the theory of action.

Identify Measurable Goals

Successful strategic plans require specific, measurable goals that are related to the district's established priorities. As one of the final components of the design phase, DMGroup will guide the district leadership through identifying appropriate measurable goals for the strategic plan.

Create Initial Draft of Strategic Plan

The Strategic Planning Design Steering Committee, led by district administrators and assisted by DMGroup, will use the needs assessment findings, initial community and stakeholder feedback, theory of action, priorities, and measurable goals to create an initial draft of the new strategic plan.

Gather Community & Stakeholder Feedback – Phase II

Once there is an initial draft of D300's strategic plan, a second round of community and stakeholder meetings will be held to gather their feedback and reactions. These meetings provide essential insight into different perspectives, can highlight details that may have been overlooked, and provides an opportunity for feedback and reaction.

In addition to gathering feedback from the community and stakeholders, this process also helps to create broader understanding and buy-in and ensures that the district's plan is kept in the forefront of people's minds. Having a draft plan to focus on and hearing various participants' reactions to the plan can help build some understanding among the group and an appreciation for the complexities at hand. While it may not create complete consensus, it creates some appreciation of the needs of the district and some sense of the tradeoffs that the district needs to make.

DMGroup has significant experience facilitating these community and stakeholder meetings. One important aspect of our approach is to manage expectations that not all opinions and ideas may find their place in the final plan. We provide opportunities to bring people together to enable them to understand and focus on the needs of the district and respond to a draft plan so that the final vision and plan can have greater support, facilitate implementation, and pave the way for meaningful results.

Deliver Final Draft of Strategic Plan

Following the second round of community and stakeholder feedback, DMGroup will deliver a written strategic plan to D300.

Distinguishing Features of DMGroup's Strategic Planning Services

Since 2004, District Management Group has served as a trusted advisor to hundreds of school districts from across the country to help solve complex leadership and management challenges. The location, size, and demographics of our partner districts vary greatly. It is through these diverse partnerships that DMGroup can leverage the collective knowledge and perspectives of our nationwide network of school districts ranging in size and demographics to help you find sustainable solutions to your biggest challenges.

DMGroup brings both a deep and broad perspective to the strategic planning process. We have extensive experience working closely with school districts around the country in crafting and implementing successful strategic plans.

Nationwide Experience

DMGroup is in an advantageous position to partner with D300 in their effort to develop a 5-year strategic plan.

DMGroup has an over twenty-two year successful track record of partnering with school districts, state agencies, and schools to:

- meet and exceed ambitious goals outlined in school improvement plans; and
- accelerate student learning through leadership development and operational support; and
- build and strengthen leader, teacher, and educator capacity to sustain these improvements.

DMGroup provides a national perspective and best practice expertise. Districts have many talented administrators and teachers, but few have the time to research what has worked well across the country. DMGroup has assembled a large database of information, has developed proprietary tools, and has identified best practices through our myriad partnerships.

Strategic Planning work requires a great deal of information, coordination, and great attention to detail. Because districts are complex organizations, it can be a challenge to collect, analyze, and summarize information and data in actionable, thoughtful ways that can be reflected in design and planning efforts to enact change. DMGroup's experience and dedication to creating the energy for positive change is a core DMGroup strength.

Expertise in Engaging Stakeholders and the Community

Through the experience garnered from numerous strategic planning engagements over the years, DMGroup has vetted and created a community and stakeholder engagement

strategy that aligns with the strategic planning framework. This process helps our partners develop a targeted, inclusive, and implementable plan that is based on facts and district needs and has wide stakeholder buy-in.

In all partnerships, DMGroup ensures effective stakeholder engagement by assisting in the formulation of stakeholder engagement plans. DMGroup works with communications offices to assess stakeholder views about the district and to develop targeted messaging strategies for each of the diverse and important stakeholders. DMGroup conducts thorough internal and external interviews, focus groups, and surveys in order to gather a fact base about stakeholder perceptions of district performance.

Skilled Facilitation

Facilitating and strengthening collegiality and unity among senior district leaders is a core skill of DMGroup. School districts have various internal and external stakeholders, each with a unique purpose, role and responsibility. Our team regularly facilitates discussions for school boards and district leadership teams in order to meld varied and divergent opinions to create an inclusive plan but also to manage expectations that not all opinions find their place in the final plan. Through DMGroup's facilitation, districts have witnessed collaboration among district leaders, school board members, and other stakeholders to achieve the desired results.

DMGroup has led hundreds of facilitated planning meetings with public school leaders. As a facilitator, we know when to take a back seat, when to intervene, and when to share experiences of other school districts. In the last 22+ years, we have facilitated strategic plan development in urban, suburban, and rural school districts and hosted dozens of multi-day conferences on the subject.

Ideally, a strategic planning effort is an opportunity to bring people together in a way that will enable them to rise above their ideological differences and focus on the needs of the district. This can be an important stepping-stone toward greater stability and innovation in the district. By combining deep experience from both the education and private sectors, DMGroup brings a multifaceted approach to solving some of the most difficult and important questions facing public school districts.

Project Management

DMGroup provides focus, ensuring timelines are met. Leaders are pulled in hundreds of directions. Often the urgent trumps the important. The timeline of our proposed scope of work has been outlined in such a way to give D300 ample time to gather both with DMGroup and internally in a meaningful, collaborative, and action-drive way. DMGroup's project management team is a highly experienced and capable team who will work alongside D300 leadership.

Meaningful, Inclusive Approach

DMGroup views our partnerships as joint efforts and respects the expertise that resides within the organizations we work with. We both welcome and foster a learning environment that provides ample opportunity for participants of all tenure, title, and experience to share, provide feedback, and push their thinking.

First, we partner with a district. We view our work as a joint effort and respect the expertise that resides in the district. For example:

- The list of who will be interviewed or in focus groups is jointly developed with the district. Everyone D300 believes should have a voice will have input into our work.
- We share and welcome feedback on our initial thoughts.
- We share our draft, and D300 has a chance to give feedback before the plan is finalized.

DMGroup's distinctive facilitation skills and approach will provide D300's leaders with a collaborative energy and desire to enact positive change.

With this long track record of success and deep experience, DMGroup is uniquely positioned to support the important and ambitious goals of D300.

Minority-Owned Business Enterprise

DMGroup was named a certified minority-owned minority business enterprise (MBE) with the Supplier Diversity Office (SDO) of the Operational Services Division in the Commonwealth of Massachusetts on February 24, 2020 and is valid through February 20, 2029.
