The College District shall promptly provide written notice to the parties of an extension and the reason for the extension. A limited delay determined to be necessary so as not to impede a criminal or regulatory investigation shall constitute good cause for an extension of timelines established by this policy and associated procedures.

**Investigation of the
Report**

The College District may request, but shall not insist upon, a written report. If a report is made orally, the Title IX coordinator or designee shall reduce the report to written form.

Initial Assessment

Upon receipt or notice of a report, the Title IX coordinator shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the Title IX coordinator shall promptly offer supportive measures to the complainant. The Title IX coordinator shall explain the process for filing a formal complaint and assess any request not to investigate. If the College District moves forward with the investigation, the Title IX coordinator shall immediately provide notice to the known parties to the complaint.

If the Title IX coordinator determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the Title IX coordinator shall refer the complaint for consideration under the appropriate policy.

*Request Not to

The complainant may request that the College District not investigate the allegations. If the complainant requests that the allegations not be investigated, in deciding whether to initiate the investigation, the College District must consider the factors described by law and any other factors the College District considers relevant.

The notice to the parties must describe the allegations and the formal and informal options for resolution of the complaint. The notice must state that the respondent is presumed not responsible until a determination regarding responsibility is made. The notice must also include information regarding the option to select an advisor, the opportunity to inspect and review evidence, and the prohibition on knowingly making false statements or submitting false information during the investigation and any ensuing proceedings.

If the allegations are subsequently amended, the College District shall provide an updated notice reflecting the new allegations.

Informal Resolution

The College District may offer to the parties a process for the informal resolution of a formal complaint as defined by law. If the parties voluntarily agree in writing to participate in informal resolution

of a formal complaint, the Title IX coordinator shall determine within three days if informal resolution is appropriate for the complaint. If the Title IX coordinator determines that informal resolution is appropriate, then the Title IX coordinator or designee may facilitate that resolution within ten days. If the Title IX coordinator does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process.

Formal Resolution

If the complaint is not subject to the informal resolution process, the Title IX coordinator shall authorize or undertake an investigation.

Supportive Measures

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the Title IX coordinator shall promptly provide supportive measures intended to prevent prohibited conduct, protect the safety of the parties and others, and protect the parties from retaliation prior to the completion of the investigation. Examples of possible supportive measures include work accommodations, such as leaves of absence or administrative leave; mutual restrictions on contact between the parties; counseling and health services; and increased security and monitoring of certain areas of the campus.

College District Investigation

The investigation may be conducted by the Title IX coordinator or a designee or by a third party designated by the College District, such as an attorney. When appropriate, the supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the complainant, the respondent, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The parties shall be provided an equal opportunity to present witnesses and evidence and to inspect and review any directly related evidence obtained by the College District so that the parties may meaningfully respond during the investigation process. The parties expected to participate in an investigative interview or other meeting shall be provided written notice in enough time to prepare to participate.

At least ten days prior to the completion of the investigation report, the College District must send each party and the party's advisor evidence subject to inspection and review. The parties may submit a written response for consideration by the investigator.

Concluding the Investigation

The investigation shall be completed within a reasonable time, not to exceed 30 days from the date of the report.

	<p>The investigator shall prepare a written report of the investigation. The investigation report shall be filed with the Title IX coordinator within five days following the completion of the investigation.</p>
<p>Notification of the Report</p>	<p>The Title IX coordinator shall provide the investigation report, within the extent permitted by law, to the complainant and the respondent promptly following receipt. The parties shall be given ten days to respond to the report.</p>

The decision maker as designated by the President shall create a written determination regarding responsibility in accordance with law and College District procedures within five days following the hearing and submit the determination to the parties simultaneously.</p>
<p>Disciplinary or Corrective Action</p>	<p>If the decision maker as designated by the President determines that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.</p> <p>The College District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.</p> <p>Examples of disciplinary or corrective action may include:</p> <ul style="list-style-type: none">• Implementing the disciplinary measures described in college policy and/or procedures;• Providing a training program for those involved in the complaint;

Improper Conduct

If the decision maker as designated by the President determines that improper conduct occurred that did not rise to the level of prohibited conduct, the College District may take disciplinary action in accordance with College District policy and procedures or other corrective action reasonably calculated to address the conduct.

Dismissal of Complaint

Mandatory Dismissal

An allegation presented as a formal complaint under Title IX is subject to the mandatory dismissal procedures under law.

Permissive Dismissal

Any complaint may be dismissed at any time on request of a complainant. The Title IX coordinator must first assess the request in accordance with this policy at Request Not to Investigate, above.

A complaint may also be dismissed if specific circumstances prevent the College District from gathering evidence sufficient to reach a determination as to the complaint or allegations.

Notice of Dismissal

Upon dismissal of a complaint, the Title IX coordinator or decision maker as designated by the President shall provide the parties written notice of the dismissal.

Confidentiality

To the greatest extent possible, consistent with law, the College District shall respect the privacy of the complainant or the respondent or a person who makes a report or as a witness. Limited disclosures may be necessary to carry out the purposes of this policy and associated regulations and to comply with applicable law.

The College District prohibits retaliation against any person for the purpose of interfering with a right or privilege under this policy; the complainant; or a person who, in good faith, makes a report or complaint, serves as a witness, or otherwise participates or refuses to participate in an investigation, proceeding, or hearing under this policy. This prohibition does not apply to discipline of a person who perpetrated or assists in the perpetration of the prohibited conduct.

A person who is alleged to have experienced retaliation may pursue a claim under this policy or policy FFDA, as appropriate.

**Statement of
Nondiscrimination**

The College District prohibits discrimination, including harassment, against any student on the basis of sex or gender. Retaliation against anyone involved in the complaint process is a violation of College District policy and is prohibited.

Definitions

Discrimination

Discrimination against a student is defined as conduct directed at a student on the basis of sex or gender that adversely affects the student.

*Sexual Harassment
By an Employee*

Sexual harassment of a student by a College District employee includes unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A College District employee causes the student to believe that the student must submit to the conduct to participate in a college program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it limits or denies the student's ability to participate in or benefit from the College District's educational program or activities.

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it limits or denies a student's ability to participate in or benefit from the College District's educational program or activities.

The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

Stalking

“Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s safety or the safety of others or suffer substantial emotional distress.

For the purposes of this definition:

1. “Course of conduct” means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.

For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct limits or denies a student's ability to participate in or benefit from the College District's educational program.

Acts of gender-based harassment may also be considered sex discrimination or sexual harassment.

Examples

Examples of gender-based harassment directed against a student, regardless of the student's or the harasser's actual or perceived sexual orientation or gender identity, may include offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Reporting
Procedures**

Student Report

A victim of prohibited conduct has the right to report the incident to the College District and to receive a prompt and equitable resolution of the report.

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to the Title IX coordinator, the President or designee, or another employee. A report against the President may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation. A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct.

Alternatively, a student may submit the report electronically through the College District's website. The submission of an anonymous electronic report may impair the College District's ability to investigate and address the prohibited conduct.

A victim of a crime has the right to choose whether to report the crime to law enforcement, to be assisted by the College District in reporting the crime to law enforcement, or to decline to report the crime to law enforcement.

It is important that a victim of prohibited conduct go to a hospital for treatment and preservation of evidence, if applicable, as soon as practicable after the incident.

Exception

Absent consent or unless required by law, a student designated in administrative regulations as a student advocate to whom another student may speak confidentially concerning prohibited conduct may not disclose any communication made by the other student.

Employee Report

Any College District employee who suspects or receives notice that a student or group of students has or may have experienced prohibited conduct, regardless of when or where the incident occurred, shall immediately notify the Title IX coordinator and shall take any other steps required by this policy. Additionally, the employee may report to the President or designee.

A report against the President must also be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

<i>Exceptions</i>	A person who received the information solely from a disclosure at a sexual harassment, sexual assault, dating violence, or stalking public awareness event sponsored by a postsecondary educational institution or by a student organization affiliated with the institution is not required to report the prohibited conduct unless the person has the authority to institute corrective measures on behalf of the College District.
Disclosure at Event	
Employee Subject to Confidentiality Rules	Absent the student's consent, or unless required by law, a confidential employee shall only be required to disclose the type of incident reported and may not disclose information that would violate the student's expectation of privacy. If multiple confidential employees receive information about the same alleged incident, then only one report disclosing the type of incident must be submitted.
Prior Report	A person who has either learned of an incident of prohibited conduct during the course of the College District's review or process, or has confirmed with the person or office overseeing the review or process that the incident has been previously reported, is not required to report the prohibited conduct.

Title IX Coordinator Reports of discrimination based on sex, including sexual harassment and gender-based harassment, may be directed to the Title IX coordinator. The College District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended, and related state and federal laws:

Title IX Coordinator: [Dr. Mary Jan Lantz](#)
Address: 4015 Avenue Q, Galveston, TX 77550
Telephone: 409.944.1281
Email: TitleIXCoordinator@gc.edu
Webpage: gc.edu/campus-security-safety/incident-report

Responsible Employees All employees, with the exception of confidential employees, are designated as responsible employees for purposes of compliance with Title IX.

Timely Reporting A failure to immediately report prohibited conduct may impair the College District's ability to investigate and address the conduct.

Consolidate Reports	When the allegations underlying two or more reports arise out of the same facts or circumstances, the College District may consolidate the reports.
Advisor	Each party to the complaint may be assisted by an advisor of the party's choice who may participate in the proceedings in a manner consistent with College District procedures.
Conflict of Interest Prohibited	No person designated as the Title IX coordinator, a deputy Title IX coordinator, an investigator, a decision-maker, or a facilitator of an informal resolution process shall have a conflict of interest or bias.
Training	A person designated as the Title IX coordinator, a deputy Title IX coordinator, an investigator, a decision-maker, or a facilitator of an informal resolution process shall receive training as required by law and College District procedures.
Days	"Days" shall mean College District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."
Extension of Timelines	Timelines established by this policy and associated procedures may be subject to a limited extension if good cause, as defined in this policy and College District regulations, exists. The College District shall promptly provide written notice to the parties of an extension and the reason for the extension.
Investigation of the Report	The College District may request, but shall not require, a written report. If a report is made orally, the Title IX coordinator or designee shall reduce the report to written form.
Initial Assessment	Upon receipt or notice of a report, the Title IX coordinator shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the Title IX coordinator shall promptly offer supportive measures to the complainant. The Title IX coordinator shall explain the process for filing a formal complaint and assess any request not to investigate. If the College District moves forward with the investigation, the Title IX coordinator shall immediately provide notice to the known parties to the complaint. If the Title IX coordinator determines that the allegations, if proven, would not constitute prohibited conduct as defined by this policy but may constitute a violation of other College District rules or regulations, the Title IX coordinator shall refer the complaint for consideration under the appropriate policy.
<i>Request Not to Investigate</i>	The complainant may request that the College District not investigate the allegations. If the complainant requests that the allega-

tions not be investigated, in deciding whether to initiate the investigation, the College District must consider the factors described by law and any other factors the College District considers relevant.

The College District shall promptly notify the complainant of the decision regarding whether it will conduct the investigation. If the College District decides not to investigate the allegations, the College District shall take reasonable steps to protect the health and safety of the College District community.

- Formal Complaint To be considered a formal complaint under Title IX, the complainant or the Title IX coordinator must sign the written report.
- Notice to Parties The notice to the parties must describe the allegations and the formal and informal options for resolution of the complaint. The notice must state that the respondent is presumed not responsible until a determination regarding responsibility is made. The notice must also include information regarding the option to select an advisor, the opportunity to inspect and review evidence, and the prohibition on knowingly making false statements or submitting false information during the investigation and any ensuing proceedings.
- If the allegations are subsequently amended, the College District shall provide an updated notice reflecting the new allegations.
- Informal Resolution The College District may offer to the parties a process for the informal resolution of a formal complaint as defined by law. If the parties voluntarily agree in writing to participate in informal resolution of the complaint, the Title IX coordinator shall determine within three days if informal resolution is appropriate for the complaint. If the Title IX coordinator determines that informal resolution is appropriate, then the Title IX coordinator or designee may facilitate that resolution within ten days. If the Title IX coordinator does not determine informal resolution to be appropriate, then the complaint will be subject to the formal resolution process. This process is not available in situations where an employee is alleged to have sexually harassed a student.
- Formal Resolution If the complaint is not subject to the informal resolution process, the Title IX coordinator shall authorize or undertake an investigation, except as provided below at Criminal or Regulatory Investigation.
- Supportive Measures If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the Title IX coordinator shall promptly provide supportive measures intended to address prohibited conduct, protect the safety of the parties and others, and protect the parties from retaliation prior to the completion of the investigation. Examples of possible supportive

measures include academic accommodations, such as extensions of deadlines or other course-related adjustments and modifications of class schedules; housing and dining modifications; temporary removal from an education program or activity in accordance with law; counseling; health services; campus escort services; mutual restrictions on contact between the parties; and increased security and monitoring of certain areas of the campus.

**College District
Investigation**

The investigation may be conducted by the Title IX coordinator or designee or by a third party designated by the College District, such as an attorney.

The investigation may consist of personal interviews with the complainant, the respondent, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The parties shall be provided an equal opportunity to present witnesses and evidence and to inspect and review any directly related evidence obtained by the College District so that the parties may meaningfully respond during the investigation process. The parties expected to participate in an investigative interview or other meeting shall be provided written notice in enough time to prepare to participate.

At least ten days prior to the completion of the investigation report, the College District must send each party and the party's advisor evidence subject to inspection and review. The parties may submit a written response for consideration by the investigator.

**Criminal or
Regulatory
Investigation**

If a law enforcement or regulatory agency notifies the College District that a criminal or regulatory investigation has been initiated, the College District shall confer with the agency to determine if the College District's investigation would impede the criminal or regulatory investigation. The College District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has completed gathering its evidence, the College District shall promptly resume its investigation. Any delay under this provision shall constitute good cause for an extension of timelines established by this policy and associated procedures.

**Concluding the
Investigation**

The investigation shall be completed within a reasonable time, not to exceed 30 days from the date of the report.

The investigator shall prepare a written report of the investigation. The investigation report shall be filed with the Title IX coordinator within five days following the completion of the investigation.

Notification of the
Report

The Title IX coordinator shall provide the investigation report, within the extent permitted by the Family Educational Rights and Privacy Act (FERPA) or other law, to the complainant and the respondent promptly following receipt. The parties shall be given ten days to respond to the report.

**College District
Action**

The Title IX coordinator shall submit the investigation report and any response from the parties to the decision maker as designated by the President promptly after receipt of the parties' response but no later than the expiration of the parties' deadline to respond.

The decision maker as designated by the President shall summon the parties for a hearing to be held within a reasonable time, not to exceed ten days, following the receipt of the investigation report. The hearing shall be conducted in accordance with law and College District procedures.

After the hearing, the decision maker as designated by the President shall determine whether each individual allegation of prohibited conduct occurred using a preponderance of the evidence standard and determine the appropriate disciplinary or corrective action. In making the determination, the decision maker as designated by the President shall evaluate all relevant evidence objectively and shall not make credibility assessments based on a person's status as the complainant, the respondent, or a witness. The decision maker as designated by the President shall create a written determination regarding responsibility in accordance with law and College District procedures within five days following the hearing and submit the determination to the parties simultaneously.

Disciplinary or
Corrective Action

If the decision maker as designated by the President determines that prohibited conduct occurred, the College District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

Examples of disciplinary or corrective action may include:

- Implementing the disciplinary measures described in college policies and procedures for employees;
- Providing a training program for those involved in the complaint;
- Providing a comprehensive education program for the College District community;
- Providing counseling for the victim and the party who engaged in prohibited conduct;

Exception

In no event may a student be required to resolve a complaint of sexual harassment by an employee directly with the employee.

Improper Conduct

If the decision maker as designated by the President determines that improper conduct occurred that did not rise to the level of prohibited conduct, the College District may take disciplinary action in accordance with College District policy and procedures or other corrective action reasonably calculated to address the conduct.

Dismissal of Complaint

Mandatory Dismissal

An allegation presented as a formal complaint under Title IX is subject to the mandatory dismissal procedures under law.

Permissive Dismissal
