Long-Term Planning & Budgeting

Current

- **Lack of a long-term plan has made upgrades difficult to plan for.**
 - Our investments and updates have been more reactive, in many cases only after assets are well past their intended life-span.
- **Current asset management makes it difficult to track all assets in our system.**

Long-Term planning & budgeting

Future

- **New asset management and ticket tool is being implemented** (*Spring '26*)
 - Allow us to track assets for replacement and maintenance more efficiently
 - Full Audit of technology of inventory
- **10-Year Technology plan**
 - This spring will have a draft of a plan
 - Over the next year as our asset tracking improves this plan will become more solidified

Lease Agreement

What do you notice or want to point out?

- **Financial Structure and Risk Allocation**
The lease includes nominal rent (\$1 per year) with shared operating costs, but places most long-term capital repair and infrastructure risk on the District, while the City covers most day-to-day operational expenses.
- **Governance, Ownership, and Control**
The District retains ownership of the land and building under a 30-year lease, maintains strong termination rights (with potential costs), and appoints one member to the Community Center advisory group. There is no automatic lease extension.
- **Operational Scope and Subleasing**
The lease allows subleasing to third parties, including non-educational entities such as medical providers. Board members noted this expands operational exposure beyond education and recreation and warrants awareness.
- **Long-Term Flexibility and Future Impact**
Members expressed concern that the agreement shifts long-term financial and infrastructure risk to the District and may limit future boards' flexibility for a facility that is not a core educational function.
- **Technical and Contractual Items for Attention**
Items noted include the lease structure through WEDA with assignment to the City, an apparent option for the City to purchase the structure, concerns with payout language to the lessee, clarification of the facility's name (Safari Island Community Center), and specific utility cost-sharing schedules.

What questions do you have for us to look into?

Financial Arrangements, Rent, and Cost Allocation

Members asked whether utility and operating cost shares reflect actual usage, how shared-space percentages were determined, and how actual costs have compared to estimates over time. Questions were also raised about the rent structure (or lack thereof), whether the City effectively prepaid rent through its initial capital contribution, and whether this approach should change going forward.

Capital Investment, Bonds, and Purchase Options

Board members sought clarification on whether the full \$3.75–\$3.8M capital contribution has been invoiced and paid, whether any City bonds remain outstanding, and whether there has been discussion about the City purchasing the building or how a lease termination scenario would work.

Risk, Liability, and Insurance

Questions focused on the District's financial exposure if the community center operates at a loss, the adequacy and escalation of insurance requirements, and whether current provisions appropriately protect the District.

Governance, Oversight, and Reporting

Members asked what operational, financial, and usage reporting the District receives, whether the advisory group still meets, and whether the District has sufficient input into vendor selection, major improvements, and overall cost control.

Operational Control and Scheduling

Questions were raised about who controls scheduling priority between school and community programs, how flexible the City and District have been in practice, and how adjustments to school hours or prior amendments to the agreement have been handled.

Subleasing and Scope of Use

Members asked whether subleasing to entities such as Ridgeview Medical Center is still desired and how such arrangements affect the District's exposure and alignment with core educational purposes.

Lease Term, Future Flexibility, and Facility Planning

Board members questioned whether another 30-year term is appropriate, whether the agreement constrains future facility planning or school expansion, and whether a modernized agreement could include stronger governance or cost-control protections.

Clarity and Interpretation of Lease Language

Several questions focused on clarifying definitions and formulas in the lease, including shared City space, operating cost calculations, meter expenses, payment methodologies, user fee provisions, and how specific sections of the agreement have been applied in practice.

Shared use agreement

What do you notice or want to point out?

Financial Terms and Revenue Flow

The agreement includes a highly detailed schedule with the District paying the City a fixed annual amount for pool operations (\$105,000 per year, escalating 1% annually for the first 20 years and flat thereafter). The City retains all revenue from community center memberships, classes, and entry fees, while the District retains revenue from swim meet admissions.

Access, Security, and Integrated Facility Use

Because the facility is fully integrated, community members regularly access the same structure as students. Board members noted the agreement does not clearly require separate or secured entrances, which may warrant further review.

Scheduling Priority and Conflict Resolution

The agreement lacks explicit language establishing school-first access to shared spaces (gyms, pool, etc.) and does not define a clear process for resolving scheduling conflicts. Members noted this could create friction between educational programming and fee-based community use.

Termination Provisions and District Obligations

The District may terminate the agreement without cause (effective June 30 with February 1 notice), but doing so triggers payment obligations that merit careful consideration.

Utilities, Meters, and Cost Accuracy

Board members questioned whether utility provisions reflect current conditions, noting that meters and usage may have changed due to construction and should be reviewed by District property managers.

Operational Roles and Responsibilities

The City operates and staffs the pool, including lifeguards, chemicals, and daily operations. Shared spaces identified in the agreement include gyms and the lap pool.

Governance and Parties to the Agreement

The inclusion of the Waconia Economic Development Authority (EDA) prompted questions about its role relative to the City of Waconia.

Technical and Clarifying Items

Members flagged the need for clarification of timing provisions (Section 18.2), likely related to differing fiscal years, and noted the non-discrimination provision limiting District resident fees to no more than 116.8% of City resident fees.

What questions do you have for us to look into?

Clarity of Definitions and Agreement Structure

Members questioned whether key terms and referenced agreements (including the community education agreement and EDA-related provisions) are clearly defined and still relevant, noting uncertainty about whether some entities or sections remain applicable.

Implementation vs. Contract Language

Several questions focused on whether the agreement is being followed as written, including scheduling of gyms and pool use, snow removal responsibilities, shared equipment use, fee practices, advisory group participation, annual reviews, and whether stated procedures align with day-to-day operations.

Financial Terms, Payments, and Cost Sharing

Board members asked for confirmation of the current annual pool payment amount after years of escalation, whether payments have been made consistently, how operating costs are calculated, and how the District's payments compare to the City's share. Questions also addressed rent calculations, proportional cost formulas, historical disputes, and inconsistencies between contract language and current financial information.

Revenue, Costs, and Long-Term Financial Balance

Members requested data on historical revenues generated by the Community Center compared to costs borne by each party, particularly related to pool operations, to better understand overall financial equity.

Facilities Condition and Capital Assets

Questions were raised about the current condition, remaining useful life, and maintenance responsibilities for major shared assets (e.g., HVAC and other building systems), and whether the City has requested or driven leasehold improvements over the term of the agreement.

Student Safety, Security, and Emergency Authority

Board members emphasized the need for clearer provisions in any updated agreement addressing student safety, including secured entrances, controlled access zones, background checks, surveillance and supervision standards, emergency lockdown authority, incident reporting, and after-hours access procedures.

Governance, Oversight, and Accountability

Members asked whether required advisory groups still exist, whether the District appoints representatives, who the designated employees are, and whether formal annual reviews are occurring as required by the agreement.

Lease Term and Future Flexibility

Questions centered on whether renewing the agreement for another 30-year term is appropriate, whether the City desires that length, and whether the current schedule and terms

continue to meet District needs—especially after facility changes such as the middle school and high school swap.

Insurance and Risk Management

Board members questioned whether insurance limits have been updated over time, how escalation provisions have been applied, and whether current coverage levels adequately reflect today's risk environment.

Raw Data

Lease Agreement

What do you notice or want to point out?

- Nominal rent of \$1 per year, shared costs per schedules
- District financed the original building and invoiced back the WEDA for costs
- Lease is actually with WEDA and sublet to the City
- Utility costs are shared per a very specific schedule
- District retains strong termination rights
- City bears most of the day-to-day operational costs
- It appears there's an option for the City to purchase the structure
- District carries most capital repair risk
- Subleasing to third parties (including medical providers). The lease allows subleasing to entities like Ridgeview Medical Center.
- This expands operational risk beyond education and recreation and deserves awareness.
- This agreement shifts long-term financial and infrastructure risk to the school district while limiting future boards' flexibility, despite the community center not being a core educational function.
- The District owns the entire building and land. 30-year lease with no automatic extension. Base rent is \$1/year, but city pays part of operating costs. District could terminate lease, but with costs. District appoints one member to the City's Community Center advisory group.
- 14. Name - It is now Safari Island Community Center
- 24.a.1 Assignment - I am guessing that this was triggered and the City now is assigned the lease.
- 28.b.1 - The payout to lessee should not exist in the new contract.

What questions do you have for us to look into?

- Do utility cost shares reflect actual use?
- Has there been any discussion on the City purchasing the building? What would this look like? Same on termination of lease - any discussion historically and what would that look like?
- Has the \$3.75M been fully invoiced and paid? Does the city still have any outstanding bonds on the facility?
- What reporting does the district receive about community center operations, financials, and usage?
- 3. Term - Do we want another 30-year term?
- 5. Rent - Is this how we calculate rent for the City? What happened when we changed the rest of the building to the High School and the Relating Building Costs?
- It is interesting that we effectively have not charged rent? I think... we really have just charged the city the operating cost of the their portion of the building. If I am reading this right.
- I think this is because they helped pay for the building (to the tune of \$3.8 million see 28.b.1)
- I believe that going forward this should change. As they basically paid their rent up front. This may be a difficult point as I don't know if the City has built that type of expense into the Safari Island budget.
- 22. Insurance - We should check the needed insurance rates. They had built in t increases that might not really be appropriate.
- 24.a.3 - Is it still desired to allow subletting to Ridgeview?
- What is the district's liability if the community center operates at a loss?
- Does the district have adequate input into vendor selection and scope for major improvements?
- Who controls scheduling priority between school programs and community programs?
- Does this agreement constrain future facility planning or school expansion?
- Are there better governance or cost-control protections we would want in a modern agreement?
- How was percentage of operating costs for shared space determined? What cost for shared space and related building operating costs?
- How have actual operating costs vs. estimates trended over time?
- Does advisory group still meet?
- How flexible have the city and district been regarding scheduling?
- Shared City Space – “as constitute a portion of the City Premises”
- Section 3.1 – License to District for Use of Shared City Space: What is considered City Space? What are the City Premises?
- Section 4.2 Adjustments to School Hours Paragraph d – The parties shall amend the agreement from time to time. What amendments have ever been made?
- Section 6 – Operating Costs
Section 6.1 Paragraph a - The meter expenses don't align with the Lease Agreement chart (in my untrained eyes)? [see chart in section 6.1]

Section 6.3 Paragraph b – What is the science for the Payment by District?

- Section 10 – User Fees Daily use fees (Monthly and Annual as well I assume?) “the City will not discriminate between residents of the City and constituents of the District” “with respect to all other fees, rates and other charges as may be charged by the City from time to time, the amount of such fees, rates and other charges as shall be payable by constituents of the District who are not also residents of the City shall at all times equal an amount not greater than one hundred sixteen and-eight-tenths percent (116.8%) of those counterpart fees, rates and other charges as shall then be payable by constituents of the City.” What are “all other fees”?

Shared use agreement

What do you notice or want to point out?

- The schedule is extremely detailed
- District pays the City a fixed annual amount for pool operations/management: \$105,000/year escalating 1% annually for the first 20 years, then flat thereafter
- City keeps all revenue from Community Center Memberships, classes, entry fees, etc
- District keeps any revenue from swim meet admissions
- District can terminate without cause (June 30 effective date, Feb 1 notice), triggering payment obligations
- Because this is a fully integrated building:
 - Community members have regular access to the same structure as students.
 - The lease does not clearly require separate secured entrances
- No clear scheduling priority language
- The agreement does not explicitly guarantee:
 - School-first access to gym, pool, or shared spaces
 - Defined conflict-resolution process if programs overlap
- This could create friction between educational programming and fee-based community use.
- I think all of the electric, gas, cold water, etc meters sections need to be reevaluated by district property managers as I believe we have new meters and usage due to construction.
- Not quite understanding the timing in Section 18.2. Can it be reviewed and explained? I think it is trying to deal with the different fiscal year models of the District and City.
- Includes Waconia Economic Development Authority (EDA). What is EDA vs. City of Waconia?
- Shared Spaces include Gyms and lap pool.
- City operates and staffs the pool (lifeguards, chemicals, daily operations).
- District pays the City: \$105,000/year for first 20 years. Increases 1% annually for 20 years.
- Non-discrimination rule: District residents cannot be charged more than 116.8% of City resident fees.

What questions do you have for us to look into?

- Section 19 - What is the community education agreement? I am not sure the Definitions at the beginning clarify...
- Has this schedule worked and is it still followed? For example, the current gym schedule appears different than what was agreed upon in the contract and the lap pool doesn't seem to be used frequently by the district during the school day
- What is the current annual pool payment amount (after 20+ years of 1% escalation), and has it been paid consistently?
- What are the actual historical revenues generated by the Community Center vs. the costs borne by each party (especially pool operations)?
- Have there been any formal amendments to the scheduling exhibits, cost shares, or other terms since 2000?
- Obviously HVAC was just upgraded this year, but what is the current condition and remaining useful life of major shared assets?
- Student Safety & Security: The updated agreement should clearly address:
 - Separate secured entrances and circulation paths during school hours
 - Controlled access zones between school and community spaces
 - Background checks for all community center staff and contractors
 - Surveillance, supervision, and monitoring standards
 - Lockdown authority — who controls building security in emergencies
 - Incident reporting and response protocols
 - After-hours access procedures
- Waconia Economic Development Authority “EDA”, does this exist anymore?
- Do we think this should be renewed for 30 years? Does the city want that length?
- Section 4.1 Are these times still alignment with practice?
- Section 6.2 - Is this how snow removal is managed in practice? Is the city doing it's own parking lot and sidewalks and the district doing its own?
- Section 8.4 - Do we share equipment with the City? How has this process worked? Do we feel this has been done fairly? And the sharing from the city as well?
- Section 10 - Does this actually happen in practice? Are all residents of the district treated the same as residents of Waconia?
- Section 13 - Does this advisory group exist? Does the district appoint a member?
- Section 20.1 - Is an annual review happening in practice?
- Section 20.2 - Who are the designated employees?
- Section 21 - Did this trigger? Does this matter now that EDA doesn't exist?
- What is current amount district pays city for operating costs? (\$128K?) How does this compare to city's share of operating costs? Overall, who ends up owing more?
- Does current schedule meet district needs?
- Were there any updates/amendments made when the middle school and high school Swapped?
 - Section 5 – Rent. Base rent is \$1. Additional rent is the Lessee's Proportionate Share.
 - Paragraph b – How is the Annual Estimated Payment calculated? Have there been disputes?

- Paragraph d
 - 100% of the Operating Costs of the Premises
 - 34% of the Operating Costs of the Shared Space
 - 17% of the related Building Operating Costs
- How does this align with Pam's information? Operating Costs, City/WEDA pays:
 - 34% of Shared-Space Electricity
 - 17% of Related Building Operating Costs
 - Specific percentage of water and gas by meter
- Section 8 – Leasehold Improvements, Paragraph e – Was that a rainy day fund or did it reflect demands by the City at the time of construction? Has the City over the term of the contract ever requested improvements?
- Section 22 – Insurance Paragraph b – Have policy limits been updated over time? Although the agreement says “at least” 4 million which indicates a base. Paragraph f does address Escalation of Required Insurance Amounts

- Assessment of Current Safari Island Revenue & Expenses. You can find the city's budget here
<https://www.waconiamn.gov/216/Annual-Budgets-Capital-Improvement-Plans>
- Search for Safari in the document and you can find the relevant information. It appears to me that the City of Waconia is subsidizing Safari Island to the tune of \$176,000 per year for 2025 & 2026 "4131 - Interfund Transfer In" in the Safari Island Revenues
- Shared Use Schedule for Gym & Pool. Does this schedule still work for High School vs. Middle School Usage?

Section 12.3. Bleachers. During the term of this Agreement, the District agrees that it will from time to time license, without cost, to the City the use of any portable bleachers located in the Building when the District is not otherwise using them for District purposes. The date, time and duration of each such license shall be established on a case by case basis by mutual agreement between the City and the District. The City shall be responsible for any damage to, or destruction of, such bleachers as may occur during any such use.

Section 13. Advisory Group. From and after the Commencement Date, and throughout the term of this Agreement, the City shall establish an advisory group to provide the City with feedback and non-binding input as to the operation of the Community Center. The composition of and the procedures governing any such group shall be established from time to time by the City, in its

discretion; provided, however, the District shall have the right to appoint one representative to such advisory group.

Section 14. Insurance. All insurance obligations of the District and the City shall be performed in accordance with the terms of the EDA Lease.

Section 15. Indemnification.

Section 15.1. District. The District hereby indemnifies and holds the City harmless from and against any and all claims, demands, liabilities, and expenses, including reasonable attorney's fees, arising from the District's use of the Shared Space, the Common Areas, the Accessways, the School Premises, the School Building, or the Property, or from any act permitted, or any omission to act, in or about the Shared Space, the Common Areas, the Accessways, the School Premises, the School Building, or the Property, by the District or its officers, employees, independent contractors, agents, or invitees, or from any breach or default by the District of this Agreement, except to the extent caused by the City's negligence or willful misconduct. In the event any action or proceeding shall be brought against the City by reason of any such claim, the District shall defend the same at the District's expense by counsel reasonably satisfactory to the City. The provisions of this Section 15.1 shall survive any termination of this Agreement.

Section 15.2. City. The City hereby indemnifies and holds the District harmless from and against any and all claims, demands, liabilities, and expenses, including reasonable attorney's fees, arising from the City's use of the City Premises, the Shared Space, the Common Areas, the Accessways, or the Property, or from any act permitted, or any omission to act, in or about the City Premises, the Shared Space, the Common Areas, the Accessways, or the Property, by the City or its officers, employees, independent contractors, agents, or invitees, or from any breach or default by the City of this Agreement, except to the extent caused by the District's negligence or willful misconduct. In the event any action or proceeding shall be brought against the District by reason of any such claim, the City shall defend the same at the City's expense by counsel reasonably satisfactory to the District. The provisions of this Section 15.2 shall survive any termination of this Agreement.

Section 16. Property Damage. All repair obligations of the District and the City shall be performed in accordance with the terms of the EDA Lease.

Section 17. Notices. Any notice required or permitted to be sent hereunder shall be in writing Federal Express, courier delivery, facsimile transmission, or U.S. Mail to the following addresses, or to such other address as may be specified from time to time in writing by the District or the City:

If to the District: Waconia Public Schools

Attn: Superintendent

If to the City: City of Waconia

Attn: City Administrator

Notice shall be deemed effective upon the expiration of one (1) day following mailing via Federal Express delivery; upon receipt in the case of courier delivery; upon the expiration of one (1) business day following the date of transmission if transmitted by facsimile; and upon the expiration of three (3) days following mailing in the case of mailing via U.S. Mail.

Section 18. Termination.

Section 18.1. Termination for Cause. In the event of any material breach of any of the terms of this agreement, the party alleging the breach may seek to terminate this Agreement by giving the breaching party written notice specifying the nature of the breach. If the breach is not remedied within thirty (30) days of the date of delivery of such notice, or if additional breaches of a materially similar nature occur within the thirty (30) day period following the date of delivery of said notice, the party alleging the breach may send the breaching party a second written notice setting forth the time, place and date of a meeting to discuss the breach, the time, date and place for which shall in all respects be reasonable and shall specify a date not later than ten (10) days from the date of such written notice. The Superintendent for the District or his or her designee(s) and the City Administrator for the City or his or her designee(s) shall attend such meeting. If the breach continues for more than twenty (20) days after the date of such meeting, the party alleging the breach may send a final written notice of termination to the breaching party terminating this Agreement effective upon the date of delivery of such notice.

Section 18.2. Termination Without Cause. The District may terminate this Agreement without cause, effective as of June 30 of any calendar year, upon delivery to the City, on or before February 1 of such calendar year, of advance written notice of termination. Delivery of any notice of termination under this Section 18.2 shall be deemed to constitute delivery of notice of termination of the EDA Lease under Section 28 of the EDA Lease. Any payment, or obligations expressly assumed, by the District to the EDA pursuant to Section 28 of the EDA Lease, together with any obligations, if any, of the District to the EDA which survive termination by the District, pursuant to Section 28 of the EDA Lease, of the EDA Lease, shall without duplication be the sole and exclusive remedy for the District's termination hereunder, and the City hereby waives any and all rights to specific performance, damages, or any other remedy available in equity or in law in connection with any termination of this Agreement by the District pursuant to this Section 18.2.

other than rights with respect to obligations, if any, which survive such termination of this Agreement.

Section 18.3. Termination of EDA Lease. This Agreement shall automatically terminate, without notice to any party, effective as of any termination of the EDA Lease.

Section 18.4. Survival of Reimbursement and Indemnification Obligations. Reimbursement and indemnification obligations arising from events occurring prior to any termination under this Section 18 shall survive such termination.

Section 19. Modification of Community Education Agreement. For so long as this Agreement remains in effect, the Community Education Agreement, is hereby amended by the terms of this Agreement to the extent of any conflict between the Community Education Agreement and this Agreement. Except as otherwise set forth in this Section, the Community Education Agreement continues in effect in all respects; provided, however, nothing herein shall be construed as obligating either party to continue such agreement except as may be otherwise separately set forth therein. Notwithstanding anything to the contrary contained herein, the City and the District hereby agree that, except to the extent that the District may from time to time elect not to organize and administer one or more Youth Recreation programs or activities, all Youth Recreation programs and activities shall, throughout the term of this Agreement, or until this Agreement is earlier terminated in accordance herewith, be organized and administered by the District.

Section 20. Agreement Review and Amendments.

Section 20.1. The parties or their designees shall meet annually to jointly review operations under this Agreement and, if necessary, to amend the terms of this Agreement. However, no amendment or modification of this Agreement shall be effective unless made in writing and signed by both parties.

Section 20.2. Designated staff employed by both the District and the City shall meet on a regular basis to facilitate effective scheduling of the Shared Space.

Section 20.3. Within one (1) month following any turnover of any City or District primary staff having responsibility for the operation and maintenance of the Community Center, the parties shall meet to jointly review this Agreement and the performance of the management responsible for the maintenance and operation of the facilities referenced in this Agreement. For purposes of this Agreement, the term "primary staff" shall mean the following: (i) as to the District, the individual or collective reference to those persons filling the following position(s): (A) the Superintendent of the District, (B) the principal for the School, and (C) such other persons as may be designated from time to time by the Superintendent of the District or the principal for the School; and (ii) as to the City, (A) the City Administrator, (B) the Community Center Manager, and (B) such other persons as may be designated by the City Administrator or the Community Center Manager.

Section 20.4. Except as may be otherwise provided under Section 18.1 of this Agreement, if a dispute develops between the parties regarding the performance of the managerial personnel or the interpretation of the rights and obligations of the parties under this Agreement, such disputes shall be referred to the next administrative level of the respective bodies who shall attempt to settle the dispute. Such referral shall continue to succeeding levels of the respective bodies until all administrative levels have been exhausted; provided, however, all such administrative levels shall be deemed to have been exhausted in the event such dispute remains unresolved in whole or in part for a period of sixty (60) days from and after the date of initial occurrence of the dispute. If the dispute cannot be resolved in this manner, either party may pursue any other rights available to such party under applicable law.

Section 21. Nonmerger. The parties hereby agree that in no event shall the City's entry into the City Sublease, or any assignment or sale to, and/or assumption or purchase by, the City of any or all of the rights and/or interests of the EDA under the EDA Lease, or any conduct, action or course of dealing between the parties hereto, operate as, or be deemed to constitute, a merger of any or all of such rights or interests with any or all of the City's rights or interests, if any, under this Agreement, all of which rights and interests hereunder, if any, shall in all events and respects, and at all times, be deemed separate and severable from and against any and all such other rights and interests.

Section 22. Further Assurances. The District and the City shall execute and deliver such other or further documents or agreements, including without limitation any amendment or restatement hereof, and take such other or further actions, as either party may reasonably request, in order to correct scrivener's errors or defects in this Agreement, or to otherwise carry out the provisions and intent hereof.

Section 23. Relationship of Parties. The parties hereto agree that it is their intention hereby to create only the relationships of licensor and licensee, and no provision hereof, or act of either party hereunder, shall ever be construed as creating the relationship of principal and agent, lessor and lessee, or a partnership, or a joint venture or enterprise between the parties hereto.

Section 24. Assignment. Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party.

Section 25. Binding Effect. All of the covenants, conditions and agreements herein contained shall extend to, be binding upon, and inure to the benefit of the parties hereto and their respective permitted successors and assigns.

Section 26. Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

Section 27. Governing Law. This Agreement shall in all respects be governed by and interpreted under the laws of the State of Minnesota.

Section 28. Counterpart Signatures. This Agreement may be executed in any number of counterparts, all of which shall constitute a single Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above written.

B. Lessor has agreed to lease a portion of such building to Lessee for the operation of a community center.

NOW, THEREFORE, in consideration of the mutual covenants set forth below, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties recite and agree as follows:

TERMS

Notwithstanding the above, if the defect or item in need of repair is insignificant in nature, does not interfere with the Permitted Use of the Premises or Shared Space, and does not pose a hazard to person or property, then Lessee shall not exercise its right to self help unless Lessor fails to commence a cure to the defect or to make the repair within thirty (30) days after receipt of Lessee's written notice. Lessor shall seek to enforce any applicable warranty or guaranty to correct such defect or unsatisfactory item to the extent that Lessee cannot enforce such claim itself; provided, however, that all costs and expenses of such enforcement efforts, including the commencement and prosecution of legal action, shall be borne by Lessee. Lessee shall have the right to choose all legal counsel, architects, engineers and other advisors.

(c) Compliance with Codes. Lessor warrants that upon delivery of the Premises to Lessee that the interior and exterior of the Premises will meet with all present codes required at the time by regulations of governing authorities including, without limitation, the

Americans with Disabilities Act (the "ADA"). Lessor makes no representation or warranty as to compliance of the Premises with such future codes as may hereafter be required by regulations of governing authorities.

(d) Covenant of Title and Quiet Enjoyment. Lessor represents and warrants that (i) it is the owner of the Property and the Premises, and (ii) Lessee or any permitted assignee or sublessee of Lessee, upon the payment of rent and performance of the covenants hereunder, shall and may peaceably and quietly have, hold and enjoy the Premises and Leasehold Improvements thereon during the term of this Lease.

(e) Construction of Building. Lessor warrants that it shall substantially complete the construction of the Building, all other improvements shown on the Plans, all Common Areas depicted on attached Exhibit "D" and the Accessways depicted on attached Exhibit "B."

(f) Hazardous Substances. Lessor represents and warrants that (i) no Hazardous Substances have been generated, treated, stored, transferred from, or disposed of, or otherwise placed, deposited in or located on the Property in violation of any Environmental Law, nor has any activity been undertaken on the Property that would cause or contribute to the Property becoming a treatment, storage or disposal facility within the meaning of any Environmental Law; (ii) there has been no discharge, release or threatened release of Hazardous Substances from the Property; (iii) there are no Hazardous Substances or conditions in or on the Property that may support a claim or cause of action under any Environmental Law; and (iv) the Property is not now, and to the best of Lessor's knowledge never has been, listed on any list of sites contaminated with Hazardous Substances, nor used as landfill, dump, disposal or storage site for Hazardous Substances.

16. Alterations.

(a) Lessee shall not make any structural alterations, additions, expansions, or improvements in or to the Premises or Building without first obtaining the prior written consent of Lessor. Lessee may make nonstructural alterations, additions or improvements in or to the Premises without Lessor's prior written consent to the extent the aggregate annual cost (prorated in the case of any fractional calendar year during the Term) of such nonstructural alterations, additions or improvements is less than or equal to \$25,000.00. In the case of any nonstructural alterations, additions or improvements by Lessee in or to the Premises which require Lessor's prior written consent, as hereinabove provided, such consent shall not be unreasonably withheld. All other alterations, additions expansions and improvements to the Community Center and Common Areas shall be by mutual agreement of the parties. If a party exercises its right to unilaterally make an alteration, addition, or improvement as provided in this Section, it shall give the other party not less than sixty (60) days notice prior to the commencement of the anticipated work.

(b) Except in regard to meeting its maintenance and repair obligations in accordance with Section 11(a) of this Lease, Lessor shall not (i) make any alterations,

additions or improvements in or to the Premises without first obtaining the prior written consent of Lessee, (ii) make any structural alterations, additions or improvements to that portion of the Community Center other than the Premises without first obtaining the prior written consent of Lessee, which consent shall not be unreasonably withheld; or (iii) materially change or modify the Common Areas or the Accessways except as described in Section 4 of this Lease.

(c) The party making any alterations, additions or improvements shall comply with all applicable laws and rules applying to it as a governmental entity in regard to bidding, contracting, bonding, and similar requirements. All work shall be constructed with new materials and in compliance with all applicable laws, ordinances, rules, orders, regulations, or other requirements of governmental authorities.

(d) All alterations, additions and improvements to the Premises, except removable trade fixtures and personal property, shall become the property of Lessor upon installation and shall be surrendered with the Premises upon termination of the Lease.

(e) In the event of any material alteration at any time during the Term of any portion of the Building by or for the benefit of Lessor or Lessee, or their respective lessees, sublessees or assigns, Lessee's Proportionate Share of Operating Costs shall be equitably adjusted in such manner and amount as shall reasonably reflect the impact of such alteration on Lessor and Lessee, and their respective lessees, sublessees or assigns, and any material changes in use of the Building as a result thereof, and this Lease shall be amended accordingly.

17. Utilities and Service.

(a) Lessor shall be responsible for obtaining and maintaining on a continuing basis all water, natural gas, electric, heating, air conditioning, telecommunications and janitorial services for the Premises. The cost of all such utilities and services and any other utilities or services for the Premises shall be included in the Operating Costs as specifically provided herein. Lessor shall not be liable for any loss or damage resulting from any temporary interruption of these utilities or services due to repairs, alterations or improvements, or any variation, interruption or failure of energy, or any other cause unless caused by the negligence or willful misconduct of Lessor, its employees, agents, contractors, students or invitees. No such interruption or failure of these utilities or services shall be deemed as an eviction of Lessee or shall relieve Lessee from any of its obligations under this Lease. Lessor, however, shall use its reasonable efforts to restore all disrupted services and utilities as quickly as possible and Lessee shall have the rights of self-help described in Section 11(a) of this Lease.

(b) Disposal of medical and hazardous material waste shall be the sole responsibility and expense of the party that used, produced or otherwise brought it onto the Property. Each party shall comply with all laws, ordinances, and rules pertaining to the disposal of such materials.

18. Entry by Lessor.

Lessor and its agents, contractors and mortgagees shall have the right to enter the Premises at reasonable times and on reasonable advance notice (except in the case of emergencies) for inspecting, cleaning, repairing, or exhibiting the Premises.

19. Estoppel Certificate.

Within ten (10) days after written request from a party, the other party shall execute, acknowledge and deliver to the requesting party a document that can be relied upon by third parties stating (a) that this Lease is unmodified and is in full force and effect (or if modified, that the Lease is in full force and effect as modified and stating the modifications), (b) the dates to which rent and charges have been paid, (c) the current Monthly Rent, (d) the dates on which the Term begins and ends, (e) that Lessee, its sublessees or assigns have accepted the Premises and are in Possession, (f) that the party furnishing the Certificate is not in default under this Lease (or if in default, stating in reasonable detail the scope and nature of each such default), and such other information as requesting party may reasonably require.

20. Assumption of Risks.

Except as otherwise expressly provided in this Lease, each party assumes all risk of loss or damage to such party's personal property within the Building, including any loss or damage caused by water leakage, fire, windstorm, explosion, theft, act of the other party, or other cause.

21. Indemnification.

(a) Lessee shall defend, indemnify and hold harmless Lessor, its officials, employees, agents, contractors, and invitees against any and all claims, demands actions, losses, liabilities, damages, penalties, judgments, injunctive relief and all related costs and expenses (including reasonable attorneys' fees) for injury, death, disability or illness of any person or damage to property or natural resource arising out of Lessee's possession of the Premises, Lessee's use of the Premises, Shared Space or Common Areas, or a breach by Lessee of its obligations under this Lease, whether foreseeable or unforeseeable, except to the extent caused by 1) the negligence or willful misconduct of Lessor, its employees, agents, contractors, students or invitees or 2) a breach by Lessor of its obligations under this Lease. The foregoing obligation to indemnify includes, without limitation, the obligation to indemnify against all costs in law or in equity of removal, response, investigation, remediation of any kind, and disposal of Hazardous Substances, all costs of determining whether property is in compliance with Environmental Laws, and all costs of causing property to be in compliance with all applicable Environmental Laws.

(b) Lessor shall defend, indemnify and hold harmless Lessee, its officials, employees, agents, contractors, invitees, successors and assigns (including sublessees),

against any and all claims, demands, actions, losses, liabilities, damages, penalties, judgments, injunctive relief and all related costs and expenses (including reasonable attorneys' fees) for injury, death, disability or illness of any person or damage to property or natural resource arising out of Lessor's possession or use of the Property, except for the Premises while Lessee or its successors or assigns are in possession of the same, Lessor's possession or use of the Accessways, or a breach by Lessor of its obligations under this Lease, whether foreseeable or unforeseeable, except to the extent caused by 1) the negligence or willful misconduct of Lessee, its employees, agents, contractors, or invitees or 2) a breach by Lessee of its obligations under this Lease. The foregoing obligation to indemnify includes, without limitation, the obligation to indemnify against all costs in law or in equity of removal, response, investigation, remediation of any kind, and disposal of Hazardous Substances, all costs of determining whether property is in compliance with Environmental Laws, and all costs of causing property to be in compliance with all applicable Environmental Laws.

(c) Notwithstanding anything to the contrary in this Lease, and with respect only to claims, demands, actions, losses, liabilities, damages, penalties arising or accruing, whether asserted or unasserted, prior to any termination of this Lease or removal of Lessee from the Premises, together with any costs and expenses (including reasonable attorneys' fees) related thereto, (collectively, the "Existing Indemnification Obligations"), such Existing Indemnification Obligations shall survive any such termination or removal of Lessee.

22. Insurance.

(a) Lessee's Insurance. Unless Section 22(b) applies, Lessee, the City of Waconia or any other governmental sublessee or assignee (other than collateral assignee) of the entire Premises subject to the liability limits of Minnesota Statutes §466.04, as amended, shall keep in force, at its expense, throughout the Term :

(1) commercial general liability insurance, naming Lessor as an additional insured; with limits in accordance with those set forth in Minnesota Statutes §466.04, as amended; and

(2) property insurance covering the full replacement value of Lessee's removable trade fixtures and personal property in the Building.

(b) Insurance Required of a Non-Governmental Sublessee or Assignee of the Entire Premises. If Lessee subleases or assigns, voluntarily or involuntarily, its interest in the entire Premises to a non-governmental entity or any governmental entity that is not subject to the liability limits of Minnesota Statutes §466.04, as amended, such sublessee or assignee (other than a collateral assignee) shall keep in force, at its expense:

(1) commercial general liability insurance, naming Lessor as an additional insured, with a combined policy limit of at least \$4,000,000 applying to bodily and

personal injury, which limit may be satisfied by a basic commercial liability policy or such a policy in combination with umbrella or excess policies; and

(2) property insurance covering the full replacement value of such sublessee's or assignee's removable trade fixtures and personal property in the Building.

(c) Insurance Required of a Non-Governmental Sublessee or Assignee of a Portion of the Premises. If Lessee or the City of Waconia subleases or assigns (other than through a license or permit) its interest in a portion of the premises to a non-governmental entity, such sublessee or assignee (other than a collateral assignee) shall keep in force, at its expense:

(1) commercial general liability insurance, naming Lessor as an additional insured, with a combined policy limit of at least \$2,000,000 applying to bodily and personal injury, which limit may be satisfied by a basic commercial liability policy or such a policy in combination with umbrella or excess policies; provided, however, that if the portion of the Premises so subleased or assigned includes any pool, the combined policy limit shall be that specified in Section 22(b)(1); and

(2) property insurance covering the full replacement value of such sublessee's or assignee's removable trade fixtures and personal property in the Building.

(d) Lessor's Insurance. Lessor shall keep in force, at its expense, throughout the Term:

(1) commercial general liability insurance, naming Lessee and Lessee's sublessees and assignees, if any, as additional insureds, with liability limits then in accordance with those set forth in Minnesota Statutes §466.04, as amended; and

(2) "all risk" property insurance covering the full replacement value of 1) the Building and other improvements on the Property and 2) Lessor's trade fixtures and personal property in the Building.

(e) Certificates. Prior to the Commencement Date, from time to time, the parties shall deliver to each other certificates of insurance or copies of policies of insurance showing the above-described coverage to be in effect with premiums fully paid. The certificates or policies of insurance shall provide that the other party shall be notified in writing thirty (30) days prior to any cancellation of, material change in, or failure to renew such insurance.

(f) Escalation of Required Insurance Amounts. The amount of insurance required by Sections 22(b)(1) and 22(c)(1) shall increase by twenty-five percent (25%) on the tenth (10th) anniversary of the Commencement Date and by an additional twenty-five percent (25%) on the twentieth (20th) anniversary of the Commencement Date.

23. Waiver.

If permitted under applicable policies of insurance, Lessee and Lessor hereby release one another, and their respective sublessees and assigns, from any and all liability (to the other or anyone claiming through or under them by way of subrogation or otherwise) for any loss or damage covered by property insurance or coverable by any other insurance required by this Lease, whether or not the loss or damage resulted from the fault or negligence of the other party or anyone for whom such party is responsible. Lessee and Lessor shall use reasonable efforts to obtain policies of insurance which provide that this release shall not adversely affect the rights of the insureds under their respective policies.

24. Assignment and Subletting.

(a) Neither party may transfer or assign this Lease or any interest under this Lease without the other's prior written consent, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing:

(1) Lessee is authorized to assign or sublease this Lease to the City of Waconia, a body politic and corporate under the laws of the State of Minnesota, without Lessor's consent, pursuant to that Community Center Lease with Option to Purchase Agreement, dated on even date herewith, by and between Lessee and the City of Waconia (the "Sublease"), provided that Lessee remains liable to Lessor for all obligations of this Lease. Notwithstanding any provision to the contrary above, Lessee shall be released from liability hereunder if the City of Waconia pays the Bond described in the Sublease in full and the Sublease is fully assigned to the City of Waconia as a result thereof; provided, however, that as a condition of such release the City of Waconia must affirm to Lessor in writing that it accepts assignment of this Lease and agrees to be bound by the provisions and obligations of this Lease.

(2) Lessee is authorized to collaterally assign this Lease to any lender (in each case, the "Lender") of Lessee which has financed, in whole or in part, the Leasehold Costs (in each case, the "Financed Obligations"); provided, however, that (i) such assignment shall at all times be limited only to the then outstanding balance of the Leasehold Costs, as so financed; (ii) the rights of the Lender, as so assigned, shall at all times be no greater than the rights of Lessee hereunder (provided, however, that the Lender shall not otherwise have the right to collaterally assign this Lease in accordance with this Section 24(a)(2)); (ii) in the event the Lender acquires or succeeds to the interest of Lessee under this Lease through summary proceedings, foreclosure action, absolute assignment, or otherwise, the Lender shall, at the election and upon the request of Lessor and without further instruments of attornment, fully attorn to and recognize Lessor as the Lender's landlord under this Lease upon the then executory terms of this Lease; and (iii) Lessee's right to collaterally assign this Lease to the Lender under this Section, and any such collateral assignment, shall automatically terminate and expire upon payment in full to the Lender of all of the Financed Obligations owing to such Lender.

(3) The Lessor and the City of Waconia, as assignee or sublessee, shall be allowed to further sublease portions of the Premises to Ridgeview Medical Center, its successors, assigns, and affiliates for use as medical office space as depicted on Exhibit M attached hereto; provided, however, and notwithstanding the foregoing, Lessee shall remain liable to Lessor for all obligations of this Lease unless otherwise released as described above. Further, any such sublease shall require Ridgeview Medical Center to properly dispose of its medical waste, if any, and to indemnify Lessor, Lessee and the City of Waconia from its failure to do so.

(b) Except as otherwise provided in this Section 24, any assignment or subletting by any assignee or sublessee shall also require Lessor's prior written consent, which shall not be unreasonably withheld. No sublessee or assignee shall use the Premises for any purpose not permitted under this Lease or in any other ways contrary to the provisions of this Lease.

25. Damage or Destruction.

If the Building is damaged by Casualty, the damage (excluding damage to removable trade fixtures or personal property of Lessee) shall be repaired by Lessor at its expense to a condition as near as reasonably possible to the condition prior to the Casualty; provided, however, that if more than twenty-five percent (25%) of the total usable area in the Building is rendered untenable, Lessor may choose not to repair the damage if it chooses to abandon occupancy of the Building in its entirety, and, in such instance, Lessor may terminate this Lease as of the date of the Casualty by giving written notice to Lessee within thirty (30) days after the Casualty, and shall thereafter proceed to abandon occupancy of the Building within a reasonable period of time. If this Lease is not terminated, Lessor shall begin repairs within ninety (90) days after the Casualty and complete the repairs within a reasonable time, subject to any Permitted Delay, and Lessee shall repair any improvements (other than the Leasehold Improvements) paid for by Lessee within sixty (60) days thereafter. If Lessor fails to undertake such repairs within ninety (90) days, then Lessee may, upon thirty (30) days' written notice to Lessor and failure by Lessor within such thirty (30) day period to commence such repairs, terminate this Lease. In the event this Lease is terminated in accordance with this Section, all proceeds of any policy of insurance covering the Building (excluding proceeds attributable to any removable trade fixtures or personal property of Lessee) shall be allocated as between, and paid to, Lessor and Lessee, and all cleanup costs related to the occurrence of the Casualty which are not covered by such policy of insurance, including, without limitation costs of demolition, shall be allocated as between, and paid by, Lessor and Lessee, as follows: (i) Lessor shall receive and pay eighty-three and four tenths percent (83.4%) of such proceeds and cleanup costs, respectively; and (ii) Lessee shall receive and pay sixteen and six-tenths percent (16.6%) of such proceeds and cleanup costs, respectively. One hundred percent (100%) of any proceeds of insurance covering and any removable trade fixtures and personal property of Lessee shall be paid to Lessee. In the absence of any termination of this Lease in accordance with this Section, all proceeds of any policy of insurance covering the Building, including without limitation the Leasehold Improvements (but excluding other improvements paid for by Lessee for any removable

trade fixtures or personal property of Lessee) shall be paid to Lessor and any proceeds of insurance covering any removable trade fixtures and personal property of Lessee shall be paid to Lessee. In the event Lessee is unable to use the Premises for a period of at least fourteen (14) days as a result of Casualty to the Premises, Building and/or Land, then thereafter, unless this Lease is terminated pursuant to the provisions of this Section 25, Lessee shall be entitled to an abatement of Rent until such time as Lessee's ability to use the Premises is restored.

26. Eminent Domain.

If there is a Taking of twenty-five percent (25%) or more of the total usable area of the Building, either party may terminate this Lease as of the date the public authority takes possession, by written notice to the other party within thirty (30) days after the Taking. If there is a Taking of any portion of the Premises so as to render the Premises unsuitable for Lessee's use, Lessee shall have the right to terminate the Lease effective as of the date the public authority takes possession by giving written notice to Lessor within thirty (30) days after the Taking. If this Lease is terminated under this Section, any rents and other payments (excluding Leasehold Costs) shall be prorated as of the termination and shall be proportionately refunded to Lessee, or paid to Lessor, as the case may be, and (i) in the case of a Taking by other than Lessee, all damages, awards and payments for the Taking, excluding damages, awards and payments attributable to any removable trade fixtures or personal property of Lessee, (collectively, the "Condemnation Damages") shall be allocated as between, and paid to, Lessor and Lessee, and all costs related to the occurrence of the Taking which are not covered by such Condemnation Damages, including without limitation costs of demolition, shall be allocated as between, and paid by, Lessor and Lessee, as follows: (A) Lessor shall receive and pay eighty-three and four tenths percent (83.4%) of such Condemnation Damages and costs, respectively; and (B) Lessee shall receive and pay sixteen and six-tenths percent (16.6%) of such Condemnation Damages and costs, respectively; and (ii) in the case of a Taking by Lessee, all Condemnation Damages shall belong to Lessor irrespective of the basis upon which they were made or awarded, except that Lessee shall be entitled to any amounts awarded to the extent applicable to the Leasehold Improvements. In the absence of any termination of the Lease under this Section, all damages, awards and payments for the Taking shall belong to Lessor irrespective of the basis upon which they were made or awarded. Notwithstanding anything to the contrary in this Lease, One hundred percent (100%) of any damages, awards and payments attributable to any removable trade fixtures or personal property of Lessee, or to any relocation payment or allowance with respect to Lessee, shall be paid to Lessee. If this Lease is not terminated as a result of the Taking, Lessor shall restore the remainder of the Premises to a condition as near as reasonably possible to the condition prior to the Taking, and the Monthly Rent shall be abated for the period of time the space is untenable in proportion to the square foot area untenable and this Lease shall be amended appropriately to reflect the deletion of the space taken.

27. Defaults.

(a) If (i) Lessee defaults in the payment of Rent or other amounts under this Lease and such default continues for thirty (30) days after written notice by Lessor to Lessee, (ii) Lessee defaults in any other obligation under this Lease and such default continues for thirty (30) days after written notice by Lessor to Lessee, (iii) any proceeding is begun by or against Lessee to subject the assets of Lessee to any bankruptcy or insolvency law; or for an appointment of a receiver of Lessee or for any of Lessee's assets, or (iv) Lessee makes a general assignment of Lessee's assets for the benefit of creditors (individually, an "Event of Default," and collectively, the "Events of Default"), then Lessor may, with or without terminating this Lease, cure the default and charge Lessee all costs and expenses of doing so or reenter the Premises, remove all persons and property, and regain possession of the Premises, all without waiver or loss of any of Lessor's rights under this Lease, including, subject to Section 27(d) below, Lessor's right to payment of Rent. Lessor also may terminate this Lease.

(b) Lessee waives any right of restoration to possession of the Premises after re-entry, notice of termination, or after judgment for possession. If this Lease is terminated under this Section 27, subject to Section 27(d) below, Lessee shall indemnify Lessor against all loss of Rent and against other damages which Lessor may incur as a result of the termination for the remainder of the Term, and against all related attorney fees and other expenses.

(c) If Lessee is in default and notice of termination of Lessee's right to possession has been mailed to Lessee at the Premises and it appears in Lessor's reasonable judgment that Lessee has abandoned or vacated the Premises, Lessor may re-enter the Premises and retake possession without legal action and without relieving Lessee of the obligation to pay Rent or any other obligations under this Lease. In the event of litigation between Lessor and Lessee, the non-prevailing party shall pay reasonable attorneys' fees and disbursements to the prevailing party.

(d) Notwithstanding anything to the contrary in this Section 27, in the event of any termination of this Lease or any re-entry by Lessor of the Premises as aforesaid, whether under any proceeding, provision of law or otherwise, by reason of an Event of Default hereunder on the part of Lessee, Lessee covenants and agrees forthwith that Lessor may re-let the Premises or any part or parts thereof, either in the name of Lessor or otherwise (but shall have no obligation to do so), and in that connection may make any suitable alterations or refurbish the Premises, or both, or change the character or use of the Premises, for a term or terms, which may at Lessor's option be less than or exceed the period that would otherwise have constituted the balance of the Term of this Lease, and may grant reasonable concessions or free Base Rent in connection therewith; provided, however, in the event of any such re-letting of all or a portion of the Premises, or any occupation or use thereof by Lessor in lieu of re-letting, and to the extent thereof and for such portion of the Term so re-let, or used or occupied by Lessor, Lessee's obligations to pay Rent hereunder shall be

proportionately abated; provided further, however, Lessor shall be entitled to recover from Lessee all costs of re-entry and re-letting including, without limitation, the cost of any cleanup, removal of Lessee's property and fixtures, refurbishing to the extent required to bring the condition of the Premises, without substantial modification to the Premises, to a level consistent with other similar properties available for lease, expenses from Lessee's failure to quit the Premises, attorneys' fees, court costs, brokers' commissions, and advertising costs, and no such abatement of Lessee's obligations to pay Rent hereunder shall occur until such time as Lessor has received payment in full of the foregoing.

(e) If either party defaults in any of its obligations under this Lease, it shall promptly reimburse the other party for all costs (including reasonable attorneys' fees) incurred by the other party in enforcing its rights under this Lease, whether or not this Lease is terminated and whether or not suit is brought. No right or remedy shall preclude any other right or remedy, no right or remedy shall be exclusive of or dependent upon any other right or remedy, and any right or remedy may be exercised independently or in combination.

28. Termination of Lease by Lessor.

(a) Right to Terminate. Lessor may terminate this Lease ("Lessor's Voluntary Termination"), effective as of June 30 of any calendar year, upon 1) delivery by Lessor to Lessee, on or before February 1 of such calendar year, of advance written notice of termination; and 2) Lessor's payment to Lessee in any coin or currency of the United States of America which, at the respective date of payment, is legal tender for public and private debts, the sums described in subparagraph (b) of this Section.

(b) Payment Upon Voluntary Termination. If Lessor exercises its right of Voluntary Termination, Lessor shall, on or before the effective date of such termination, pay to Lessee each of the following amounts:

(1) The sum obtained by adding i) the then unamortized balance of the agreed amount of Three Million Eight Hundred Thousand and no/100 Dollars (\$3,800,000.00) amortized over a period of thirty (30) years using straight line amortization from and after the Commencement Date and ii) Lessee's proportionate share of the then unamortized aggregate balance of any Required Capital Improvements and Related Building Capital Improvements, such improvements to be amortized pursuant to and using useful lives based upon generally accepted accounting principals assuming straight line amortization;

(2) Any redemption premiums or redemption penalties that would be incurred by Lessee if Lessee chose to prepay the revenue bonds associated with the Leasehold Improvements at the time of Voluntary Termination; and

(3) The lesser of (i) the Operating Losses (as hereinafter defined) incurred by the Community Center for the five (5) year period commencing as of the Commencement Date, or (B) Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00). For purposes

of this Section 28, "Operating Losses" shall mean, for the five (5) year period commencing as of the Commencement Date, the difference between (i) Lessee's actual gross income received from Community Center operations during such period, less (ii) Lessee's actual and direct expenses incurred in connection with Community Center operations during such period.

(c) Agreement Not to Operate Community Center. In the event of termination under this Section 28, Lessor covenants and agrees that Lessor will not operate a fee generating community center of any nature whatsoever at the Building for the remaining balance of the Term of the Lease; provided, however, that nothing herein shall prevent Lessor from using the Premises for (i) educational activities that do not generate fees or for (ii) activities that generate fees provided such activities are not Adult Recreation and the fees generated are not annual membership fees (regardless of how structured or billed). This covenant shall survive the termination of this Lease.

(d) Effect. Payment by Lessor to Lessee of the sums described in this Section 28 and Lessor's agreement not to operate a community center shall be Lessee's sole and exclusive remedy for Lessor's Voluntary Termination, and Lessee hereby waives any and all rights to specific performance, damages, or any other remedy available in equity or in law except to the extent required to enforce the rights granted Lessee under this Section.

29. Accord and Satisfaction.

No waiver of any provision of this Lease shall be deemed a waiver of any other provision or a waiver of that same provision on a subsequent occasion. The receipt of Rent by Lessor with knowledge of a default under this Lease by Lessee shall not be deemed a waiver of the default. Lessor and Lessee shall not be deemed to have waived any provision of this Lease unless it is done by express written agreement between the parties. Any payment by Lessee and acceptance by Lessor of a lesser amount than the full amount of all Rent and other charges then due shall be applied to the earliest amounts due. No endorsement or statement on any check or letter for payment of rent or other amount shall be deemed an accord and satisfaction, and Lessor may accept such check or payment without prejudice to its right to recover the balance of any rent or other amount or to pursue any other remedy provided in this Lease.

30. Return of Possession to Lessor.

On expiration of the Term or sooner termination of this Lease, Lessee shall return possession of the Premises to Lessor, without notice from Lessor, in good order and condition, except for ordinary wear and damage, destruction or conditions Lessee is not required to remedy under this Lease. If Lessee does not return possession of the Premises to Lessor, Lessee shall pay Lessor all resulting damages Lessor may suffer and shall indemnify Lessor against all claims made by any new lessee of all or any part of the Premises. Upon expiration or termination, Lessee shall give Lessor all keys for the Premises and shall inform Lessor of all combinations on any locks and safes on the Premises. Any property left in the

Premises after expiration or termination of this Lease or after abandonment of the Premises shall be deemed abandoned by Lessee and shall be the property of Lessor to dispose of as Lessor chooses.

31. Holding Over.

If Lessee remains in possession of the Premises after expiration of the Term without a new lease, it may do so only with written consent by Lessor, and any such holding over shall be from month-to-month subject to all the same provisions of this Lease; provided, however, Rent shall be as stated in Lessor's written consent, or, in the absence of any provision for such in Lessor's written consent, the same as provided for in this Lease except that Lessee shall pay Lessor one hundred and fifty percent (150%) of the amount that would otherwise be payable in regard to Operating Costs for the Premises. The month-to-month occupancy consented to by Lessor may be terminated by Lessor or Lessee on the last day of any month by at least thirty (30) days prior written notice to the other.

32. Brokers.

Lessor and Lessee represent and warrant to one another that neither of them has employed or otherwise used any broker or agent in relation to this Lease. Lessor shall indemnify and hold Lessee harmless, and Lessee shall indemnify and hold Lessor harmless, from and against any claims for brokerage or other commissions or fees arising out of any breach of the foregoing representation and warranty by the respective indemnitors.

33. Notices.

Any notice required or permitted to be sent hereunder shall be in writing and shall be sent in a manner requiring a signed receipt such as Federal Express type delivery, courier delivery, or if mailed, registered or certified mail, return receipt requested, to the following addresses, or to such other address as may be specified from time to time in writing by the Lessor or Lessee:

3. Elementary Boundaries Discussion

Proposed Elementary Boundary Change

February 9, 2026

Keith Baune | Matt Thomas | Pam Carman

The Proposal

What are we proposing?

- 1. To reassign a portion of the District's easternmost boundary—including the Lakebridge neighborhood in Victoria and the homesteads surrounding Piersons Lake in Laketown Township—from Southview Elementary to Laketown Elementary.**
- 2. To start discussion and consider making a proactive decision regarding the elementary boundary lines as they relate to the Holbrook Development.**

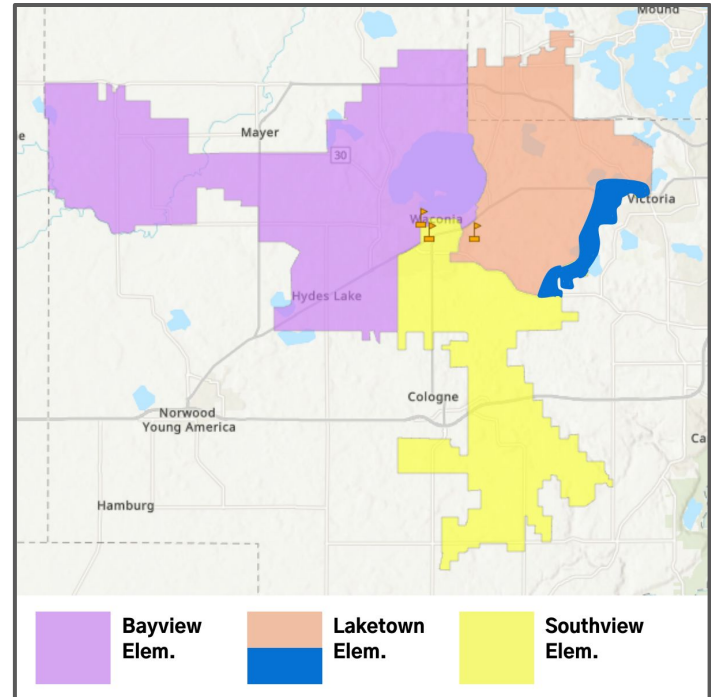

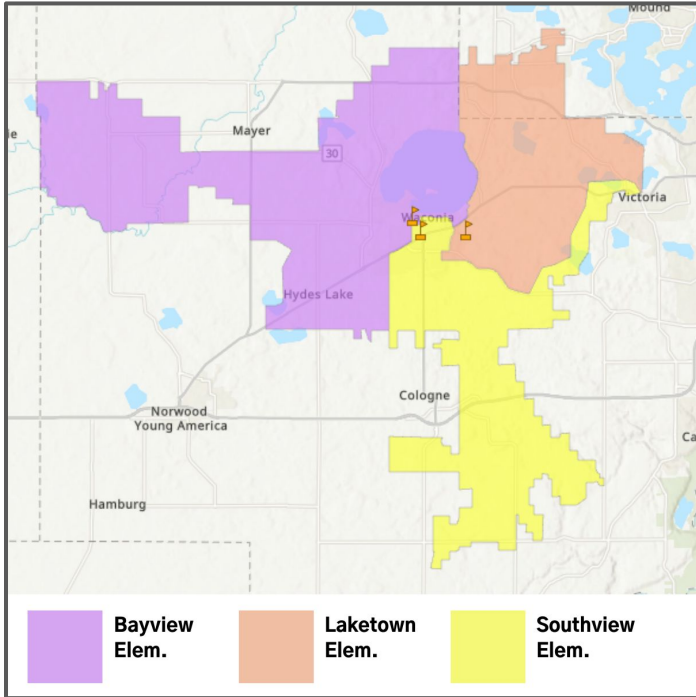

Victoria Sliver Rationale

- **Balancing Class Sizes at the three elementaries**
- **Stabilizing staffing**
- **Geography / Transportation**
- **Marketing opportunities beyond the eastern border of Waconia school boundaries.**

Current vs. Proposed Maps

Zooming In

Extending the border along Highway 10.

Land to the north of 10 would become part of the Laketown boundary.

Zooming In

The boundary change would impact approximately 175-200 homesteads in the Lakebridge Neighborhood of Victoria just south of Highway 5, as well as approximately 15 homesteads north of Highway 5 on the Southwest edge of Lake Auburn.

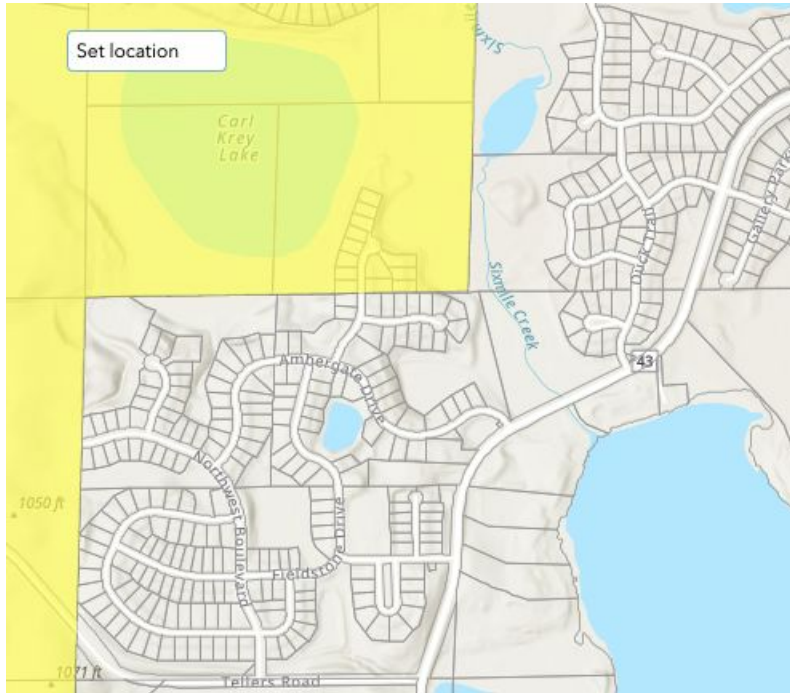

Zooming In

The boundary change would also impact approximately 30 homesteads on the North and South sides of Piersons Lake. This would create better continuity and consistency as homes on the west side of Piersons Lake are already assigned to Laketown.

Zooming In

The boundary change would also impact approximately 13 homesteads on Bluestem Drive to the Southeast of Carl Krey Lake.

Transportation Cost Factors

This change would not bring any additional cost from transportation as all routes fall within contracted hours and miles according to Brian Koch.

Transition Planning

- New Kindergarten families without siblings would begin at Laketown starting in 2026-27
- Current families attending Southview would have the **choice** to remain at Southview with transportation guaranteed for one more year, or start attending Laketown in the Fall of 2026.

Timeline / Communication Plan

- **Feb. 9 | Work Session Presentation, Discussion, and Seeking Directional Guidance**
- **Feb. 10 | Email to all impacted families with promise that principal will contact them directly in the coming days**
- **Feb. 11 | Principals Baune & DeVaan tentatively start 1:1 communications with current/prospective families**
- **Feb. 12 | Southview Kindergarten Preview Night**
- **Feb. 23 | Potential Board Action**
- **Feb. 24 | Public announcement / Marketing blitz to Victoria residents**
