Teacher

The Waconia High School Marching Band

Nick Hansberry, WHS Director of Bands

Phil Snyder, WMS Band Director

Kiernan Steiner, WMB Drum Major

Ella Fasching, WMB Colorguard member

WACONIA
MARCHING BAND

What is the WMB?

- 155 member marching band (8th-12th gr.), celebrating 54 years in 2027
 - Waconia remains the largest parade band in the state of MN
- Competitive street parade band that performs across the state in June with a domestic performance tour around the 4th of July (Denver, Seattle, Nashville, Washington, D.C.)
- The marching band is made up of the hornline, drumline, and colorguard
 - Under Sue Snorek's leadership—the WMB Colorguard is one of the largest units in the state with over 30 members.

The Student Perspective

Kiernan Steiner
WMB Drum Major

Ella Fasching
WMB Colorguard Member

The 2026 Waconia Marching Band proudly
present...

Boldly Go!

This past season...

Non-Comp.: Memorial Day Parade, Twins Game, exchange with Winona Cotter

Band Camp @ St. John's University (Collegeville, MN)

Competitive: 2 Grand Champions, 1 - 1st place, 1 - 2nd place, multiple caption awards (best winds, guard, drumline, drum majors)

Performance Tour in Nashville, TN

The Director's Perspective

- Instills confidence
- Connection (within program, community [LWBF], other building, between students, between staff)
- Continued tradition of excellence
- Part of the larger vision for our program ("soft skills" resilience, involved, passionate, engaged)
- Achieving a high level of refinement over a extended timeline
- An important part, but ONE part of our comprehensive instrumental music department.

The 5-12 Waconia Band Program

District Band Festival

Waconia Band Program by the numbers

- Roughly 850 students enrolled in band across the 5-12 band program
 - This is about 38% of 5th-12th graders playing in band.
- Recently graduated 30 seniors
 - Many of whom are continuing to participate in music at their colleges, universities, and communities!
- Numerous honor band participants throughout the year & 4 All State musician.
- Maintain 4 concert bands, 2 jazz bands, 2 show choir bands, a pep band, a musical pit, and various chamber ensembles

The 5-12 Waconia Band Program

THANK YOU for
having us!!

Preliminary Levy 2026 Payable 2027 for FY 28

Presented By:
Pam Carman, Director of Finance & Operations

September 28, 2026

Purpose of the Preliminary Levy

Tonight's Board Action

- Minnesota school districts certify a proposed property tax levy each September for taxes payable the following year.
- The proposed certification establishes the levy used for Truth-in-Taxation notices and the December final levy process.
- Administration recommends certifying at the maximum authorized amount to preserve flexibility as MDE and county adjustments are finalized.

Proposed levy certification is due by September 30.

How Minnesota School Funding Works

Levy is one part of the district's revenue system

Property values, pupil units, equalization formulas, prior-year adjustments, and debt schedules can all change the local levy from year to year.

7.B. Permanent Fund Transfer - General Fund to Food
Service Fund

Presenter: Barb
Schank, Director of
Nutrition Services
Pam Carman,
Director of Finance &
Operations

MEMORANDUM

TO: ISD 110 School Board

FROM: Barb Schank, Director of Nutrition Services
Pam Carman, Director of Finance & Operations

DATE: September 28, 2026

SUBJECT: Permanent Fund Transfer - General Fund to Food Service Fund

Purpose

Administration is requesting Board approval of a permanent transfer of \$107,710.75 from the General Fund (Fund 01) to the Food Service Fund (Fund 02) as required following the Minnesota Department of Education's review of the District's school nutrition program.

Background

MDE's review of FY25 Food Service expenditures identified certain costs charged to Fund 02 that, while allowable when appropriately allocated and documented, were not supported by the required documentation. These included certain shared labor, utilities, waste removal, and other shared District costs. The primary issue was the lack of sufficient documentation to substantiate the amounts charged to the school nutrition program.

Because FY25 is closed and the financial audit is complete, the required \$107,710.75 correction will be recorded as a permanent transfer from Fund 01 to Fund 02 in FY26 and disclosed to the District's financial auditors. This represents a one-time FY26 adjustment related to FY25 expenditures identified through MDE's review.

Corrective Action

To ensure future allowable costs are appropriately coded to and funded by the Food Service Fund (Fund 02), Nutrition Services will be required to maintain and provide the documentation necessary to support costs charged to Fund 02. This may include time-and-effort records, itemized invoices, or documented allocation methodologies.

For the Edible Classroom/Garden Program, expenditures will similarly be evaluated based on their actual purpose and benefit to the school meals program, with appropriate documentation maintained to support eligible Fund 02 expenditures.

These documentation requirements will be applied to FY26 expenditures and going forward to ensure allowable Food Service costs are appropriately supported and remain funded by Fund 02.

RECOMMENDATION

Administration recommends that the School Board approve a one-time permanent transfer of \$107,710.75 from the General Fund (Fund 01) to the Food Service Fund (Fund 02).

7.C.Waconia High School Industrial Technology
Ventilation - CNC Table

MEMORANDUM

TO: ISD 110 School Board

FROM: Pam Carman, Director of Finance & Operations
Tim Bisek, Director of Buildings & Grounds

DATE: September 28, 2026

SUBJECT: Waconia High School Industrial Technology Ventilation - CNC Table

Purpose

The purpose of this memo is to request School Board approval to proceed with ventilation improvements in the Waconia High School Industrial Technology area necessary to support operation of the CNC table and provide appropriate make-up air for the metal fabrication shop.

Background

The School Board previously accepted the donation of a Hornet SS 5' x 10' CNC table from Audio Video – Legrand for use in the Waconia High School Industrial Technology program. The equipment was evaluated prior to acceptance and provides expanded opportunities for students in advanced manufacturing, design, and the Entrepreneurship program.

As part of the evaluation and installation planning, the District identified ventilation improvements needed within the Industrial Technology area. The initial work anticipated for the CNC table was relatively limited; however, further review of the existing ventilation system identified the need for a more comprehensive solution to provide adequate make-up air and support the existing exhaust system.

Buildings & Grounds subsequently obtained two proposals for the work. Both proposals include installation of a 4,000 CFM CaptiveAire make-up air unit, placement of the unit on the roof above the metal fabrication shop, associated gas piping and ductwork, reuse of the existing plasma-table exhaust components, and system startup and testing.

Proposals Received

Contractor	Cost Estimate
True Mechanical	\$39,650
Redline Heating & Cooling	\$41,000
Difference	\$1,350

Both proposals include installation of a 4,000 CFM CaptiveAire make-up air unit above the metal fabrication shop, associated gas piping and ductwork, reconnection/reuse of the existing exhaust system, and system startup and testing. True Mechanical's proposal is \$39,650. Redline Heating & Cooling's proposal is \$41,000.

Updated Funding Plan

Based on the \$39,650 recommended proposal, the project would be funded as follows:

Funding Source	Amount
Waconia High School Capital Budget	\$3,000
Entrepreneurship Fund Balance	\$3,000
LTFM	\$33,650
Total	\$39,650

This funding approach is consistent with the plan previously communicated to the Finance Committee: the first \$6,000 of the CNC-related ventilation work is shared equally between the WHS Capital Budget and Entrepreneurship Fund Balance, with costs above that amount supported through LTFM. The significant majority of the overall project relates to the broader ventilation improvements identified in the Industrial Technology area.

Recommendation

Administration recommends that the School Board approve the proposal from True Mechanical in the amount of \$39,650 for the Waconia High School Industrial Technology ventilation project, with funding as outlined above.

True Mechanical
3225 West 180th Street
Jordan, MN 55352
612-494-2496

PROPOSAL

09-17-2026

Waconia High School
1650 Community Dr
Waconia, MN 55378

Metal Shop MUA

Description

- Provide and install 4000CFM Captive Air MUA.
 1. Set MUA on roof above metal fab shop.
 2. Provide and install one MUA drop in curb, end cap, and registers.
 3. Pipe and pressure test gas pipe from MUA to newly installed gas meter located by dust collector.
 4. Reuse and install ductwork and exhaust fan for plasma table exhaust.
 5. Perform start up and test operation.

Clarifications

- Overtime labor rates not included.
- Any service work not listed is not included.
- Mechanical permits included.
- Structural work, painting, patching, building automation, engineering, electrical, and roofing work not included.
- Reuse existing exhaust fan, duct work and motor starters.
- Equipment lead time 3 weeks.

Title	
Date	

Base Bid: \$39,650.00
Price good for 30 days.
Down payment of 25% upon acceptance of proposal. 25% payment due when equipment arrives on site. 50% due after project completion.

GENERAL TERMS AND CONDITIONS

1. All orders are subject to approval by the Credit Department of the Seller.
2. A 1 1/2% per month late payment charge will be applied to all past due invoices.
3. Materials or equipment must not be returned except by prior written approval from Seller. Transportation charges must be prepaid. Items not defective are subject to a 20% restocking charge.
4. Seller calls for its workmanship against defect for thirty (30) days from date the work is completed unless other terms are agreed to in writing by Seller. During that period, Seller will correct the defect in workmanship without charge for labor. Warranty service does not include routine maintenance. Parts, materials, and equipment warranty is limited to the same warranty terms that Seller receives from the manufacturer. Seller shall not be liable for loss, damage, or injury caused by failure or delay in performing services when such failure or delay arises from causes beyond our control.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES OR LIABILITIES, EITHER EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES.

5. Purchaser shall assume risk of loss or damage to equipment given by Seller on the date that such equipment is set in place on the job. Purchaser shall insure such equipment and all other work supplied by Seller under this project against loss or damage in an amount sufficient to protect the interests of Seller against ALL RISK of loss. Purchaser shall cause Seller to be added as a named insured on such insurance policy until final payment is made by Purchaser to Seller.

6. Purchaser understands and agrees that:

A. This Proposal does not include the detection, abatement, encapsulation, or removal of asbestos or products, materials, or equipment holding asbestos. In the event that Seller encounters any asbestos product or material in the course of performing its work, Seller shall have the right to discontinue its work and remove its employees from the project site, or that portion of the project site wherein such product or material was encountered, until such product or materials, and any hazards connected therewith are abated, encapsulated, or removed, and/or it is determined that no hazard exists; further, Seller shall receive an extension of time to complete its work, and/or comply with its obligations under this Proposal.

B. Seller may rely upon Purchaser's representations and warranties concerning asbestos and Purchaser's compliance with Asbestos Evaluation Requirements. Any other site investigation requirements notwithstanding, Seller shall have no duty to name, detect, or evaluate asbestos.

C. To the extent allowed by law, Purchaser shall defend, indemnify, and hold Seller harmless for any and all penalties, actions, liabilities, and damages arising from or relating to asbestos at this project site, including without limitation: installation, disturbance, or removal of any product holding asbestos or violation of governmental regulations relating to asbestos. Purchaser releases Seller from all claims and liability relating to asbestos at this project site, including claims for subrogation.

7. All agreements are contingent upon strikes, fire, flood, accidents, or delays caused by circumstances beyond our control.

Seller agrees that it will not discriminate against or harass any employee or applicant for employment because of race, color, creed, religion, disability, national origin, sex, member or activity in a local commission, sexual orientation, age, marital status, status about public aid or any other characteristic protected by law and will include a similar provision in subcontracts entered into for the performance hereof.

Metal Shop Make-Up Air Unit Installation

Metal Shop Make-Up Air Unit Installation
Scope of Work

Redline Heating & Cooling will provide all labor and materials necessary to complete the following work:

Furnish and install one (1) 4,000 CFM CaptiveAire Make-Up Air Unit (MUA).

Set the MUA on the roof above the metal fabrication shop.

Provide and install a roof curb, end cap, supply drop, and registers.

Install and pressure test the gas piping from the new MUA to the newly installed gas meter located near the dust collector.

Reinstall and reconnect the existing ductwork and exhaust fan serving the plasma table exhaust system.

Perform equipment startup, testing, and verify proper system operation.

Clarifications & Exclusions

Overtime labor is not included.

Any work not specifically listed in this proposal is excluded.

Mechanical permits are included.

Structural modifications, painting, patching, building automation, engineering, electrical work, and roofing are excluded.

Existing exhaust fan, ductwork, and motor starters will be reused where applicable.

Estimated equipment lead time is approximately three (3) weeks.

Base Bid

\$41,000.00

Payment Terms

Proposal is valid for 30 days.

50% deposit due upon acceptance of this proposal.

Remaining 50% due upon project completion.

Terms & Conditions: Payment is due upon receipt unless otherwise stated. A **3% late fee** applies to past-due invoices, and unpaid balances accrue **3% interest per month, compounded monthly**. Customer agrees to pay all late fees, interest, and collection costs. Work is limited to the written scope; additional labor, materials, refrigerant, glycol, permits, after-hours service, or trip charges are billed separately. Redline Heating & Cooling provides a **limited one (1) year labor/workmanship warranty** on newly installed equipment unless noted otherwise; manufacturer warranties apply. Redline is not responsible for pre-existing conditions, aging or neglected systems, prior repairs, or components not supplied or installed by Redline, including customer-supplied materials. Customer must provide safe access. All installed materials remain property of Redline until paid in full. Scheduling service or making payment constitutes acceptance of these terms.

MEMORANDUM

TO: ISD 110 Finance Committee

FROM: Pam Carman, Director of Finance & Operations
Paul Sparby, Waconia High School Principal
Tim Bisek, Director of Buildings & Grounds

DATE: September 8, 2025

SUBJECT: Donation - CNC Table for Waconia High School Industrial Technology

Purpose

The purpose of this memo is to provide the Finance Committee with background information and request feedback regarding the acceptance of a CNC table donation for Waconia High School. Following evaluation and confirmation of its condition by Waconia Sackett, we recommend moving forward with accepting this donation. While the equipment itself is a generous contribution, installation requires ventilation upgrades estimated at \$4,000–\$8,000. Because this donation will necessitate a district investment, we believe it is best practice to bring it to the Finance Committee first for review prior to advancing to the full School Board.

Background and Equipment Information

This donation opportunity arose through a community connection.

- **Donor Information:**
Audio Video – Legrand
6436 City West Parkway
Eden Prairie, MN 55344
- **Donor's Relationship with ISD 110:**
Several parents of ISD 110 students are employed at Legrand, and the connection to Waconia Public Schools came through those relationships.
- **Equipment Description:**
Hornet SS 5 ft. x 10 ft. CNC Table
Manufacturer: Retro Systems
Year: 2015 | Age: 10 years | Estimated minimal use
Donor-provided demonstration confirmed excellent working condition.

- **Estimated Value:**
New – \$69,475
Used – \$50,000
Delivery costs are also covered by donor.
- **Evaluation of Equipment:**
Sackett-Waconia assisted the district in evaluating the equipment to ensure suitability and safety for student use.

Instructional Use

The CNC table will serve as a significant enhancement to the Industrial Technology curriculum and will also provide opportunities for integration with the Entrepreneurship program. Students will gain hands-on experience in advanced manufacturing and design processes, and products developed through Entrepreneurship sales may be fabricated using this equipment. This aligns directly with district goals of expanding real-world learning opportunities and career readiness pathways.

Funding

To make the CNC table operational in the high school setting, ventilation upgrades are required. The estimated cost for these ventilation upgrades is between \$4,000-\$8,000

- The first \$6,000 (if applicable) will be covered:
 - 50% from the High School Capital Budget
 - 50% from the Entrepreneurship fund balance
- Any costs exceeding \$6,000 will be supported by the Long-Term Facilities Maintenance (LTFM) budget.

Next Steps

- Finance Committee review and feedback regarding funding approach and donation acceptance.
- Pending Finance Committee recommendation, bring donation forward to the full School Board for approval.

Recommendation

This donation represents a high-value investment in student learning at a minimal cost to the district. We recommend moving this donation forward for Board approval. We extend appreciation to Audio Video – Legrand for their generosity and to Waconia Sackett for their assistance in evaluating the equipment.

MEMORANDUM

TO: ISD 110 Finance Committee

FROM: Pam Carman, Director of Finance & Operations
Tim Bisek, Director of Buildings & Grounds

DATE: December 8, 2025

SUBJECT: Donation - CNC Table for Waconia High School Industrial Technology

Purpose

The purpose of this memo is to provide the School Board with an update regarding the proposed donation of a CNC table to Waconia High School and to outline the associated ventilation requirements and funding plan. A detailed overview of the equipment, instructional value, and initial evaluation was presented to the Finance & Facilities Committee on September 8, 2025 (attached).

Summary of Donation

- Donor: Audio Video – Legrand
- Equipment: Hornet SS 5' x 10' CNC Table (Retro Systems, 2015)
- Estimated Value: ~\$50,000 used (new value \$69,475)
- Delivery: Covered by donor
- Condition: Excellent; confirmed through demonstration and third-party evaluation by Sackett-Waconia

This donation represents a significant enhancement to the Industrial Technology program and provides expanded opportunities for integration with the Entrepreneurship program, aligning with ISD 110's career and technical education goals.

Ventilation Needs & Funding Plan

1. Ventilation Required for CNC Operation (Donation-Related)

As outlined in the Finance Committee memo (Attachment A), the CNC table requires specific ventilation enhancements to operate safely in the Industrial Technology space.

- **Estimated Cost:** \$4,000–\$8,000
- **Funding Plan for First \$6,000:**
 - 50% – WHS Capital Budget
 - 50% – Entrepreneurship Fund Balance
- **Any Amount Above \$6,000:** LTFM

2. Additional Ventilation Repairs (Not Related to Donation)

During the ventilation assessment conducted as part of due diligence, Buildings & Grounds identified other ventilation deficiencies in the Industrial Technology area that pose safety concerns for existing instructional activities. These repairs:

- Are not caused by the CNC table
- Are not required because of the donation
- Are necessary regardless, to ensure a safe and compliant instructional environment

Estimated Range: \$28,000 - \$38,000

Funding Source: LTFM

These repairs will proceed independently of the donation and are being noted here for transparency.

Next Steps

We are seeking the Finance Committee's guidance related to:

- Including the Donation Acceptance Form on the Consent Agenda as an action item on the December 15, 2025 Board meeting, and
- What key information should be shared with the full School Board to support a clear and informed acceptance related to this donation

Your feedback will help ensure the donation is processed in a transparent and well-aligned manner.
