STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING
The main source of State funding the District receives for the General Fund, the main operational fund for the District, is through the State School Fund which is distributed by the Oregon Department of Education. This funding is based solely on the average cumulative daily membership in Ashland schools. The District does continue to see a reduction in enrollment so spending continues to be adjusted accordingly. The main reduction in funding for 2026.2027 is in the "Other Budget Resources" category. The District was budgeting for operational loan resources in the 2025.2026 budget and that is not needed for 2026.2027.

The report included student demographics, YouthTruth results, academic assessment data, electives and exploratory opportunities, athletics, activities, and school culture.

The presentation highlighted strong growth in ELA, improved science results, positive 9th-grade math benchmark growth, and continued work to strengthen college and career readiness. AHS also emphasized its broad elective offerings, affinity spaces, student activities, athletics, and efforts to support belonging, attendance, school culture, and the transition from middle school to high school.

6. School Resource Officer Annual Report

Superintendent Hattrick recognized Officer Bates for receiving the NASRO Exceptional Service Award for Region 9 and thanked him for his leadership in reestablishing Ashland's SRO program and strengthening relationships between students, schools, and the Ashland Police Department.

Officer Bates presented the annual School Resource Officer (SRO) report, highlighting the continued growth of the partnership between the Ashland Police Department and Ashland School District. He reviewed progress on program goals, including expanded classroom presentations, student and family engagement, and continued use of age-appropriate curriculum on topics such as online safety, drug awareness, driving, legal issues, and fire safety.

Officer Bates shared future goals, including training additional officers in school-based policing, continuing outreach to new classrooms, and strengthening partnerships with local agencies such as Ashland Fire & Rescue and the Oregon State Fire Marshal. He noted that the SRO role includes law enforcement, mentoring, public safety education, and prevention.

The presentation also highlighted program accomplishments, including updated emergency response mapping, participation in safety drills, classroom instruction, student leadership activities, and instructor-level training.

Principal Atanes and Board members expressed appreciation for Officer Bates' positive, calm, and steady presence and his role in supporting student safety, trust, and belonging.

7. 2026-27 Student Board Representative Recommendations

Superintendent Hattrick reviewed the policy and process used to select the 2026–27 Student Board Representatives, including the application and recommendation process. He announced the nominees recommended by Principal Atanes: Tobias Pew and Leah Lennett as primary student board representatives, and Sylvia Fox and Thea Vogel as alternate representatives.

Each nominee introduced themselves to the Board, and the current student board representatives confirmed their support for the recommendations.

7.A. ACTION: 2026-27 Student Board Representative Approval

Aye: Dyson, Ferguson, Hatch, Rooklyn, Ruby
Nay: none
Result: The motion carried by unanimous vote of the five members.

8. Annual Superintendent Evaluation Summary

Chair Dyson read the public summary of the Board's annual evaluation of Superintendent Hattrick, noting that the Board found he has provided strong and effective leadership during a period of financial and organizational challenge. The summary highlighted progress in stabilizing district finances, improving transparency, strengthening community engagement, and building trust, culture, and communication across the district.

The Board also discussed updates to the Superintendent's contract, including a one-year extension and the addition of an 8% Tax Sheltered Annuity contribution, consistent with the original contract terms, following positive performance.

- ❖ **Motion:** Vice Chair Hatch moved and Director Ruby seconded to extend the Superintendent's contract by one year, through June 30, 2029.
Aye: Dyson, Ferguson, Hatch, Rooklyn, Ruby
Nay: none
Result: The motion carried by unanimous vote of the five members.

9. Insurance Committee Report

Health Insurance Consulting Actuary Kelly Grebinsky of OneDigital, along with Insurance Committee members Ashley Schwedes and Becky DeSalvo, provided an update on the district's health insurance program. They reviewed the history of ASD's self-funded health plan, noting that the model had been successful for many years, saving the district significant costs while offering strong benefits.

The committee shared that, since 2020, rising costs and reduced financial advantage have made the current self-funded model unsustainable. After months of reviewing options, the Insurance Committee recommended that ASD join the OEBB Health Plan effective October 1, 2026, selecting Moda Medical Plan 5 with an HRA buy-up. The change is expected to provide savings for both the district and employees, with projected district savings of approximately \$3 million in 2027 and lower employee contributions. The HRA component is expected to cost approximately \$700,000 in the first year and would be administered by a separate vendor. The committee noted that some expenses from the current plan will still need to be processed after the transition. No Board action was required.

10. Finance Report

10.A. Finance Report for the period ending April 30, 2026

Director of Business Services Sherry Ely reported that there were no significant revenue or expenditure updates and that the District is awaiting final ODE reconciliation numbers, with a catch-up payment currently estimated between \$80,000 and \$100,000. Based on current projections, the Ending Fund Balance is estimated at approximately \$3.1 million, or slightly over 7%. Director Ely noted that the estimate is conservative and may increase once final June expenditures are complete.

11. Recurring Reports

11.A. OSEA Report- None

11.B. AEA Report

AEA Representative Alan Parowski reported that schools across the district are finishing the year with strong academic, arts, athletics, and community celebrations. Highlights include prom and graduation preparations at AHS, student success in speech and debate, spring sports, track and field, band, and art showcases, as well as many end-of-year concerts, ceremonies, field trips, and family events. Elementary and middle school students are also completing state testing, participating in hands-on learning experiences, and engaging in community-building traditions. Across sites, staff and families are supporting students through a busy and meaningful end to the school year.

11.C. Student-Board Representative Report

Student Board Representative Alice Carnahan shared appreciation for Officer Bates and noted that, from a student perspective, his presence as the School Resource Officer has exceeded expectations by helping create a sense of safety, welcome, and connection on campus.

Both representatives, Alice and Milo, also reported on recent and upcoming AHS events, including the Great Gatsby-themed prom, ASB and class elections, senior superlatives, College Decision Day, Prom Spirit Week, Clash on the Quad, the blood drive, He-Man, Powderpuff, the Spring Arts Show, and graduation. They highlighted student organizations that have thrived this year, including the newly formed Dance Team and Asian Student Union, and shared updates on spring athletics, including baseball, tennis, boys volleyball, track and field, and softball. The Belonging Committee has also begun conducting student interviews and plans to gather staff input before compiling insights to support belonging and connection at AHS next year.

12. Board Reports

Board members reported on recent district and community activities, including SOU Raider Days, the Ashland Schools Foundation's successful April donor drive, TRAILS outdoor learning field trip, regional workforce pathway discussions, YouthTruth data review, and policy work. Members noted that the public complaint policy will come forward for further board discussion and shared appreciation for the positive tone of recent bargaining-related meetings. Board members also recognized the AHS OBOB team for placing fourth at state, encouraged community members to return ballots for the current election, and expressed support for collaborative solutions related to SOU's planning process.

13. Superintendent Report

Superintendent Hattrick recognized Kaya Lutz as Ashland High School's Rotary Student of the Month, highlighting her leadership, service, academic and athletic involvement, and contributions through Key Club, DECA class leadership, student board service, the student store, and girls soccer. He noted that Kaya will attend Vanderbilt University in the fall to study human and organizational development.

He reported on recent district and community events, including reunification training, the Willow Wind Maypole Dance, Policy Workgroup, COSA meetings related to instructional minutes and the State School Fund formula, the SOU Board of Trustees meeting, Ashland Reads, student recognition events, the Ashland Schools Foundation donor event and phone banks, and Guanajuato Night.

Superintendent Hattrick provided an update on the TRAILS field trip incident, noting that the two students and staff member involved are out of the hospital and recovering. He expressed deep gratitude for the staff members' leadership, care, and response, and gave special recognition to TRAILS teacher Marcia Ososke for her calm, compassionate, and skillful handling of the situation. He noted that her leadership, along with the response of the staff team, had been described by many as heroic.

He also noted upcoming bargaining with OSEA and AEA, the retiree and probationary graduation celebration, Budget Committee meeting, promotion ceremonies, and graduation. Superintendent Hattrick closed by thanking Student Board Representatives Alice and Milo for their service during the year.

13.A. Out of State Field Trip Notification- Superintendent Hattrick also informed the Board that the AHS Speech and Debate Team will travel out of state to Richmond, Virginia, from June 13–20.

13.B. ASD Transformation Update

Superintendent Hattrick provided an update on the ASD Transformation process, noting that the district is currently in Phase 3, which runs from May through June and includes community survey development, staff engagement, and ongoing data collection. He reported that the Phase 2 staff survey had received 38 responses to date, or approximately 10% participation, and remains open through May 18.

He also reported that the district received 54 applications for the Transformation Steering Committee and accepted 23 applicants, with additional appointees and invitations added to ensure balanced representation across schools, roles, and community perspectives. The committee will include 38 members, plus two honorary elected official members. Membership includes district leadership, principals, parents, staff, community members, and one student, with interest in adding additional student representation.

The first Transformation Steering Committee meeting is scheduled for May 26. All Transformation updates and materials will be posted on the district website.

14. **Hear Public Comments – None**

15. **Unfinished Business - None**

16. **New Business**

16.A. ACTION: iReady Adoption (Interim Assessment)

Assistant Superintendent Michelle Cuddeback informed the Board that the recently adopted IXL interim assessment program is no longer recognized as a state-approved assessment tool under Senate Bill 141, Oregon’s education accountability legislation, which requires districts to use a state-approved interim assessment in language arts and mathematics.

Because the Ashland School District has previously used iReady, staff recommended returning to iReady to ensure compliance with state requirements. The estimated annual cost to the district is \$26,400. Although the district remains under contract with IXL for two more years, teachers may continue using IXL as an instructional support tool while iReady serves as the district’s official interim assessment program.

❖ **Motion:** Director Rooklyn moved, and Director Ferguson seconded to approve iReady as ASD’s interim assessment program.

Aye: Dyson, Ferguson, Hatch, Rooklyn, Ruby

Nay: none

Result: The motion carried by unanimous vote of the five members

16.B. ACTION: Summer Learning Grant Agreement

Ericka Beck-Brattin shared that the Ashland School District was awarded a State Summer Learning Grant of \$350,000 per year for three years. She requested Board approval of the State Summer Learning Grant Agreement as presented.

Ms. Beck-Brattin described the program as a robust summer learning opportunity designed to serve approximately 350 students. The program will be literacy-focused while also providing instruction in science and mathematics. Summer programming will be available for students in PreK through grade 12, including opportunities for credit recovery, writing, and math support at the high school level.

The district plans to offer programming for rising first-grade through 12th-grade students from August 3–21, with a Kindergarten Jump Start program scheduled for August 10–21. The program will include nutrition services, transportation, school nursing services, and administrative support.

Ms. Beck-Brattin noted that the district is emphasizing consistent attendance and student engagement to encourage regular participation throughout the summer session. She also highlighted partnerships with ScienceWorks and the YMCA, as well as a strong focus on community partnerships and family engagement. She shared that, as this is the

first year of implementation, the district anticipates opportunities to expand and evolve community partnerships in future years.

❖ **Motion:** Chair Dyson moved, and Director Rooklyn seconded to acknowledge and accept the State Summer Learning Grant Agreement as presented.

Aye: Dyson, Ferguson, Hatch, Rooklyn, Ruby

Nay: none

Result: The motion carried by unanimous vote of the five members

16.C. Letter of Support for the Census Tract 19 Opportunity Zone 2.0 Application

Director Rooklyn stepped down from the dais to speak in her capacity as an employee of the City of Ashland and recused herself from any vote on the matter. Ms. Rooklyn requested the District's support for a federal tax incentive program for which the City of Ashland is applying. She explained that the program is designed to attract private capital investment into designated low-income census tracts and would provide federal-level incentives without creating negative tax implications for the District.

Ms. Rooklyn shared that potential benefits of the program include increased housing and commercial investment in Ashland, growth in the property tax base, and additional capital opportunities for housing projects and Southern Oregon University. She noted that the program would provide a 10-year window to support long-cycle development projects.

She further explained that the opportunity is available only once every 10 years through a gubernatorial selection process and that demonstrated community support would strengthen the City's application.

❖ **Motion:** Director Ruby moved, and Director Hatch seconded to authorize the District to provide a letter of support for the City of Ashland's application related to Census Tract 19.

Aye: Dyson, Ferguson, Hatch, Ruby

Nay: none

Recused: Director Rooklyn

Result: The motion carried by majority vote

6. 2026-2027 Proposed Budget

Director of Business Services Sherry Ely presented an overview of the 2026–27 proposed budget, including budget basics, the Oregon State School Fund, General Fund and non-General Fund revenues and expenditures, and a summary of all district funds.

Sherry reviewed the role of the Budget Committee, noting the committee’s responsibility to review the proposed budget, receive public input, ask clarifying questions, and ultimately approve the 2026–27 budget.

The presentation highlighted:

- Continued monitoring of enrollment and ADMw trends
- Ongoing financial oversight and expanded reporting to the Board
- Projected enrollment declines and staffing alignment efforts
- State School Fund calculations and revenue assumptions
- Property tax collection trends and funding adjustments
- General Fund revenue and expenditure categories
- Stabilization of food service and special revenue funds
- Continued support of student programs through the Youth Activities and Academics Levy (YAAL)

Committee members asked clarifying questions regarding:

- Special education weighting formulas
- Enrollment projections
- Property tax assumptions
- Revenue forecasting
- Insurance and healthcare cost changes
- Staffing and payroll cost assumptions
- Contingency and reserve planning

Director Ely emphasized the district’s continued focus on financial stability, transparency, responsible budgeting practices, and maintaining student programs and services while aligning operations with enrollment and revenue realities.

7. Budget Committee Questions and Discussion

Director Ely responded to questions regarding the financial crisis identified during the 2024–25 school year. She explained that the district’s financial challenges developed over several years as expenditures exceeded revenues, particularly after COVID-era staffing increases were not adjusted following enrollment declines. Inaccurate cash tracking further compounded the issue and contributed to a cash shortage by March 2025.

In response, the district implemented staffing reductions, secured temporary financing, and strengthened financial oversight through improved cash tracking, monthly financial projections, and closer monitoring of staffing, revenues, expenditures, and staffing-to-student ratios.

When asked about the district’s projected financial outlook for 2025–27, including the remaining loan balance and ending fund balance projections, Director Ely explained that the district projects a 7% ending fund balance for 2025–26 and a 5.5% ending fund balance for 2026–27, with loan payments already incorporated into the budget. She noted that the district intentionally uses conservative budgeting practices to maintain adequate cash flow and avoid overcommitting expenditures. Director Ely also stated that leadership expects actual ending balances to come in higher than projected as financial oversight and forecasting continue to improve.

Director Ely further explained that the district has made substantial progress in recovering financially, moving from a negative ending fund balance in 2023–24 to a positive ending fund balance in 2024–25. She attributed much of that progress to correcting fund accounting practices, properly assigning staffing costs to the appropriate funds, and ensuring accurate reimbursement requests to ODE.

In response to questions about budget variances, Director Ely stated that there were no significant unexpected changes aside from insurance costs. Most staffing variances reflected adjustments to how positions were assigned and tracked. She also described the district’s use of two-year spending averages and ongoing budget monitoring to identify trends and make adjustments throughout the year.

Budget Committee members thanked Superintendent Hattrick and Director Ely for their leadership in improving the district’s financial position compared to the previous year. Members also expressed appreciation for the district’s disciplined financial approach and transparent communication throughout the process.

8. Receive Public Comment

Community member Larry Cooper expressed concern about reductions to performing arts funding and emphasized the importance of prioritizing performing arts programs within the district, noting that they had historically been a strong focus in ASD.

2. Discuss Committee Questions

Director of Business Services Sherry Ely responded to questions submitted by Budget Committee members following the first meeting. Discussion focused primarily on the district's projected ending fund balances, staffing levels, associated payroll costs, and maintaining a status quo budget while continuing financial stabilization efforts.

Committee members asked several questions regarding the projected ending fund balances for 2025–26 and 2026–27, including concerns about the projected decline in reserves in 2026–27 despite recent financial improvement. Director Ely explained that the district is intentionally using a conservative budgeting approach to ensure adequate cash flow and avoid overcommitting expenditures. She stated that increasing the projected ending fund balance would require additional expenditure reductions of more than \$1.2 million, likely resulting in significant staffing reductions. Director Ely noted that while the district projects a lower ending fund balance in 2026–27, actual ending balances may ultimately come in higher as financial monitoring and forecasting continue to improve. Discussion also highlighted the district's progress in improving its ending fund balance over the past two years while continuing to recover from prior financial challenges.

Questions were also raised regarding projected staffing increases despite declining enrollment. Director Ely explained that the increases primarily reflect educational assistant and maintenance positions rather than classroom teaching staff. She noted that the district continues to closely monitor classroom student-to-staff ratios while addressing longstanding understaffing in maintenance and operational support roles.

In response to questions regarding associated payroll costs, Director Ely explained that comparisons with other agencies are difficult due to differences in employee composition, benefit structures, retirement obligations, and negotiated compensation agreements. She stated that ASD's higher associated payroll costs are largely driven by healthcare expenses, including the transition from a self-insured insurance model to OEBC, as well as PERS obligations and increased 403(b) matching contributions.

Director Ely also provided a YAAL funding breakdown by school at the request of a committee member.

Further discussion focused on maintaining a status quo budget for 2026–27 while balancing fiscal responsibility with providing adequate staffing and operational support for schools. Committee members and staff also discussed unfunded mandates and the need for continued advocacy for increased state education funding.

Additional discussion occurred regarding the district’s transition to OEBB insurance coverage. Staff explained that the district must maintain a reserve fund through September 30, 2026, to cover remaining claims associated with the current self-insured insurance plan.

It was reiterated throughout the discussion that the proposed budget is intended to stabilize district operations while the district continues its broader transformation and long-term financial sustainability efforts.

4. Policy KL Review

The Board reviewed ASD's current Policy KL and associated Administrative Regulations, along with sample policies from OSBA and North Clackamas School District. Following discussion, the Board reached consensus to revise ASD's policy to align more closely with OSBA's Version 2 sample policy.

Additional considerations discussed included extending timelines to allow adequate time for information gathering; timelines related to athletics, academic clubs, and performing arts activities; and procedures for board-to-board complaints.

As a next step, the Policy Committee will develop recommended revisions and bring the proposed policy forward for a first reading.

5. Transformation Update

The first Transformation Steering Committee (TSC) meeting was held on May 26, 2026, with 40 members in attendance. Board members reported positive engagement and noted that participants left with a better understanding of the purpose and scope of the transformation process.

The committee reviewed district data related to enrollment, finances, facilities, staffing, and programming. Discussion emphasized that no decisions have been made and that future recommendations will be informed by data and community input.

Overall, board members expressed support for the committee's work and the collaborative approach being taken.

6. 2026-27 Board Meeting Schedule

The Board reviewed the proposed 2026-27 meeting calendar and agreed to continue holding regular board meetings at 6:30 p.m. on the second Thursday of each month and work sessions on the fourth Thursday of each month, with some exceptions. The Board also discussed and tentatively scheduled its annual retreat for mid-August 2026.

7. Board Reflections

The Board reflected on the past year of service, discussing lessons learned, ongoing challenges, and future professional development needs.

Common themes included a deeper understanding of the Board’s governance role, the importance of preparation and focus, and appreciation for the Board’s collaborative and welcoming culture. Board members emphasized the value of serving as both a source of support and accountability for the District while maintaining alignment around district goals and messaging.

Challenges identified included building and maintaining public trust, navigating the District’s transformation process in a constructive and forward-looking manner, and addressing negativity and external pressures affecting public education.

Board members expressed interest in continued learning opportunities, including legislative advocacy, parliamentary procedure, peer-to-peer learning with other board members, and strengthening connections with community partners and other school districts.

8. Board Learning

The Board discussed Chapters 3 and 4 of *Becoming a Better Board Member*, with conversation centered on trust, communication, information sharing, and the importance of maintaining a shared vision. Members reflected on how communication practices have evolved over time and emphasized the value of being present in the community, listening to others, and building relationships through shared interests and experiences.

The Board will continue the book study with Chapter 11 and the conclusion at a future meeting.

9. School Board Self-Evaluation

The Board reviewed the timeline and process for its annual self-evaluation, which focuses on the performance of the Board as a whole rather than individual members. Board members will complete the evaluation by June 30, and staff will compile the results for discussion at the Board’s summer retreat in August. The Superintendent’s Cabinet will also complete the same evaluation to provide additional feedback to the Board.

10. Adjourn

There being no further business, Chair Dyson adjourned the meeting at 8:15 PM.

- Our current version is quite different than OSBA's sample policy
- The redline version is our policy with OSBA's language applied (basically a full rewrite)
- The grey highlight is the newly added language to match the new laws

Evaluation of the Superintendent

The Board will formally evaluate the superintendent's job performance at least once each year. The evaluation will be based on the superintendent's job description, any applicable standards of performance, Board policy and progress in attaining any goals for the year established by the superintendent and/or the Board.

Additional criteria for the evaluation, if any, will be developed at a public board meeting prior to conducting the evaluation. The superintendent will be notified of the additional criteria prior to the evaluation.

The Board's discussion and conferences with and about the superintendent and their performance will be conducted in an executive session, unless the superintendent requests a session open to the public.¹ Such an executive session will not include a general evaluation of any district goal, objective or operation or of any directive to personnel concerning district goals, objectives, operations or programs. Results of the evaluation will be written and placed in the superintendent's personnel file.

The Board will:

1. ~~Establish procedures for evaluating the superintendent's performance in a constructive manner, focusing on any accomplishments as well as any inadequacies, and making clear expectations for performance based on:
 - a. ~~Job description and responsibilities;~~
 - b. ~~Progress made toward accomplishing annual Board objectives;~~
 - c. ~~Effective district operation in accordance with district policies and legal requirements.~~~~
2. ~~Evaluate the superintendent by no later than the June board meeting. If deficiencies in performance are noted during the evaluation, those specific deficiencies will be discussed again prior to November 1 of that year;~~
3. ~~The Board will evaluate the superintendent in his/her presence. If at any time, in the opinion of the majority of Board membership, the superintendent's services are deemed to be unsatisfactory, he/she will be notified in writing of the deficiencies or conditions that need to be corrected.~~

¹ Notice must be provided to the superintendent in accordance with OAR 199-0040-0030. The superintendent must receive written notice of the meeting no less than one business day or 24 hours, whichever is greater, in advance of the meeting. The notice must include:

- a. Identification of the Board;
- b. The time, date and location of the meeting;
- c. The purpose for which the Board proposes to convene the executive session, including the citation to the applicable section of ORS 192.660 and the fact that the Board will be reviewing and evaluating the performance of the superintendent; and
- d. Information on how the superintendent may make a request for an open hearing.

At the Board's discretion, it may notify the superintendent in writing of specific areas to be remedied and provide the superintendent an opportunity to correct the identified concern(s). If, after such written notice, the Board determines the superintendent's performance remains unsatisfactory, the Board may dismiss or non-renew the superintendent in accordance with Board policy, the superintendent's employment contract, and applicable state law and rules. Provisions for evaluation, dismissal, non-renewal, or termination of the superintendent's employment by either the Board or the superintendent shall be set forth in the superintendent's employment contract and, where applicable, shall take precedence over this policy. Provisions for termination of the superintendent's employment either by the Board or the superintendent will be set forth in the superintendent's employment contract.

Integrated Pest Management

To ensure the health and safety concerns of student, staff and community members, the ~~district~~Board shall adopt an integrated pest management plan (IPM)¹ which emphasizes the least possible risk to students, staff and community members and shall adopt a list² of low-impact pesticides for use with the IPM plan. The IPM plan and list shall be available to the public through the district's website³.

~~To ensure the health and safety concerns of student, staff and community members, the district shall adopt an integrated pest management plan (IPM)¹ which emphasizes the least possible risk to students, staff and community members and shall adopt a list of low-impact pesticides for use with the IPM plan.~~

The IPM plan is a proactive strategy that:

1. Focuses on the long-term prevention or suppression of pest problems through economically sound measures that:
 - a. Protect the health and safety of students and staff;
 - b. Protect the integrity of district buildings and grounds;
 - c. Maintain a productive learning environment; and
 - d. Protect local ecosystem health.
2. Focuses on the prevention of pest problems by working to reduce or eliminate conditions of property construction, operation and maintenance that promote or allow for the establishment, feeding, breeding and proliferation of pest populations or other conditions that are conducive to pests or that create harborage for pests;
3. Incorporates the use of sanitation, structural remediation or habitat manipulation or of mechanical, biological and chemical pest control measures that present a reduced risk or have a low-impact and, for the purpose of mitigating a declared pest emergency, the application of pesticides that are not low-impact pesticides;
4. Includes regular monitoring and inspections to detect pests, pest damage and unsanctioned pesticide usage;
5. Evaluates the need for pest control by identifying acceptable pest population density levels;

¹ See Integrated Pest Management Program for Oregon Schools at <http://blogs.oregonstate.edu/schoolipm/>. The program includes access to Resources & Forms including Model plans for large school districts and small school districts.

² See ORS 634.705(5).

³ Inclusion of the list and IPM in the district's Healthy and Safe Schools Plan satisfies this requirement as long as it is posted on the district's website.

6. Monitors and evaluates the effectiveness of pest control measures;
7. Excludes the application of pesticides on a routine schedule for purely preventive purposes, other than applications of pesticides designed to attract or be consumed by pests;
8. Excludes the application of pesticides for purely aesthetic purposes;

¹See Model Integrated Pest Management Plan for Oregon Schools at http://www.ipmnet.org/tim/IPM_in_Schools/IPM_Materials.html (See *Model Plan for Large School Districts* or *Model Plan for Small School Districts*)

9. Includes school staff education about sanitation, monitoring, inspection and pest control measures;
10. Gives preference to the use of nonchemical pest control measures;
11. Allows the use of low-impact pesticides if nonchemical pest control measures are ineffective; and
12. Allows the application of a pesticide that is not a low-impact pesticide only to mitigate a declared pest emergency or if the application is by, or at the direction or order of, a public health official.

The ~~district shall designate the~~ Maintenance II Technician ~~is designated~~ as the Integrated Pest Management Plan Coordinator(s) ~~give them~~ and has the authority for overall implementation and evaluation of the IPM plan.

~~The district shall designate the Facilities Supervisor as the Integrated Pest Management Plan Coordinator and give them the authority for overall implementation and evaluation of the IPM plan.~~

Integrated Pest Management Plan Coordinator

The IPM Plan Coordinator shall:

1. Attend not less than six hours of IPM training each year. The training shall include at least a general review of integrated pest management principles and the requirements of IPM as required by Oregon statute;
2. Ensure appropriate prior notices are given and posted warnings have been placed when pesticide applications are scheduled;
3. Oversee pest prevention efforts;
4. Ensuring identification and evaluation of pest situation;
5. Determine the means of appropriately managing pest damage that will cause the least possible hazard to people, property and the environment;
6. Ensure the proper use and application of pesticide applications when non-pesticide controls have been unsuccessful;
7. Evaluate pest management results; ~~and~~
8. Keep for at least four years following the application date, records of applied pesticides that include:

Integrated Pest Management

To ensure the health and safety concerns of student, staff and community members, the district shall adopt an integrated pest management plan (IPM)¹ which emphasizes the least possible risk to students, staff and community members and shall adopt a list of low-impact pesticides for use with the IPM plan.

The IPM plan is a proactive strategy that:

1. Focuses on the long-term prevention or suppression of pest problems through economically sound measures that:
 - a. Protect the health and safety of students and staff;
 - b. Protect the integrity of district buildings and grounds;
 - c. Maintain a productive learning environment; and
 - d. Protect local ecosystem health.
2. Focuses on the prevention of pest problems by working to reduce or eliminate conditions of property construction, operation and maintenance that promote or allow for the establishment, feeding, breeding and proliferation of pest populations or other conditions that are conducive to pests or that create harborage for pests;
3. Incorporates the use of sanitation, structural remediation or habitat manipulation or of mechanical, biological and chemical pest control measures that present a reduced risk or have a low-impact and, for the purpose of mitigating a declared pest emergency, the application of pesticides that are not low-impact pesticides;
4. Includes regular monitoring and inspections to detect pests, pest damage and unsanctioned pesticide usage;
5. Evaluates the need for pest control by identifying acceptable pest population density levels;
6. Monitors and evaluates the effectiveness of pest control measures;
7. Excludes the application of pesticides on a routine schedule for purely preventive purposes, other than applications of pesticides designed to attract or be consumed by pests;
8. Excludes the application of pesticides for purely aesthetic purposes;

9. Includes school staff education about sanitation, monitoring, inspection and pest control measures;
10. Gives preference to the use of nonchemical pest control measures;
11. Allows the use of low-impact pesticides if nonchemical pest control measures are ineffective; and
12. Allows the application of a pesticide that is not a low-impact pesticide only to mitigate a declared pest emergency or if the application is by, or at the direction or order of, a public health official.

The district shall designate the Facilities Supervisor as the Integrated Pest Management Plan Coordinator and give them the authority for overall implementation and evaluation of the IPM plan.

Integrated Pest Management Plan Coordinator

The IPM Plan Coordinator shall:

1. Attend not less than six hours of IPM training each year. The training shall include at least a general review of integrated pest management principles and the requirements of IPM as required by Oregon statute;
2. Ensure appropriate prior notices are given and posted warnings have been placed when pesticide applications are scheduled;
3. Oversee pest prevention efforts;
4. Ensuring identification and evaluation of pest situation;
5. Determine the means of appropriately managing pest damage that will cause the least possible hazard to people, property and the environment;
6. Ensure the proper use and application of pesticide applications when non-pesticide controls have been unsuccessful;
7. Evaluate pest management results; and
8. Keep for at least four years following the application date, records of applied pesticides that include:
 - a. A copy of the label;
 - b. A copy of the Safety Data Sheet (SDS);
 - c. The brand name and USEPA² registration number of the product;
 - d. The approximate amount and concentration of pesticide applied;

Notes on Policy GBA Equal Employment Opportunity

- Part of the April 2026 Policy Update
- Required
- Impacted due to laws around VETERAN OR STATE SERVICEMEMBER PREFERENCE
- Summary: Senate Bill 808 (2025) amended ORS 408.225, 408.230 and 408.235, which discusses issuing preferences to veterans and disabled veterans during a hiring or promotion process, and defined and added state servicemembers and former state servicemembers. These are servicemembers who are current servicemembers of the Oregon National Guard or former servicemembers of the Oregon National Guard, and who meet the new provisions.
 - As a result, board policy GBA – Equal Employment Opportunity and administrative regulation GBA-AR – Veteran and State Servicemember Preference has been updated to reflect SB 808 and to account for the four different employment preferences now allowed under Oregon law effective January 1, 2026.
 - After adoption-- notify appropriate staff and other parties in accordance with policy BFD – Board Policy Implementation and/or BFCA – Administrative Regulations.

Policy GBA

- Redline version is OSBA recommended language.
- The grey highlights are all the newly added language or deletions,
- Policy committee's questions answered:
 - The lists classification lists are different in the first and fourth paragraph because they come from different laws. The list in paragraph one is a combination of various federal and Oregon laws regarding employment discrimination. The list in paragraph four comes directly from the definition of "affirmative action" in ORS 243.305(2):

243.305 Policy of affirmative action and fair and equal employment opportunities and advancement. (1) It is declared to be the public policy of Oregon that all branches of state government shall be leaders among employing entities within the state in providing to its citizens and employees, through a program of affirmative action, fair and equal opportunities for employment and advancement in programs and services and in the awarding of contracts.

(2) "Affirmative action" means a method of eliminating the effects of past and present discrimination, intended or unintended, on the basis of race, religion, national origin, age, sex, marital status or physical or mental disabilities. [1975 c.529 §1; 1981 c.436 §1; 1989 c.224 §35]
 - You'll notice the last revision date of this statute was in 1989, so this list of protected classes has not been updated since then. OAR 581-022-2405 requires district to have personnel policies addressing affirmative action, which is why we use the statutory definition. If you would like to include more classifications in paragraph four, or otherwise make the two lists more consistent, you certainly could.
 - Clarity around footnotes: Footnotes 2 and 4 were removed because the district has six or more employees.

GBA-AR – Veterans' and State Servicemember Preference

- ASD currently does not have this AR 33

- The included AR is highly recommended by OSBA
- The policy committee agrees, adding this AR would be beneficial

Sexual Harassment

The district is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures.

² "Without consent" means an act performed: (a) without the knowing, voluntary and clear agreement by all parties to participate in the specific act; or (b) when a person who is a party to the act is incapacitated by drugs or alcohol; unconscious; or pressured through physical force, coercion or explicit or implied threats to participate in the act.

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's actions, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity⁵;
3. “Sexual assault”: an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic Violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the complainant, by a person with whom the complainant shares a child in common, by a person who is cohabitating with or has cohabitated with the complainant as a spouse or intimate partner, by a person similarly situated to a spouse of the complainant under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth complainant who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or

6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

⁵ “Education program or activity” includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs.” (Title 34 C.F.R. § 106.44(a))

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. The report can be made at any time.

The Director of Student Services is designated as the Title IX Coordinator and can be contacted at 541-482-2438. The Title IX Coordinator will coordinate the district's efforts to comply with its responsibilities related to this AR. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive measures⁷ to the complainant and by following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The

⁶ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.⁷ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator

No Retaliation

Neither the district or any person may retaliate¹¹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in all Ashland School District student handbooks and on the Ashland school and district websites. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any student, parent of a student, school or district staff member, or third party upon request.

END OF POLICY

¹¹ Retaliation includes, but is not limited to, intimidation, threats, coercion, and discrimination.

~~A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.~~

All job postings or announcements will include a concise list of minimum qualifications and any special qualifications required for the position. Job postings will include a statement that the district's policy is to provide ~~veterans and disabled veterans with~~ a preference as required by Oregon law and the job posting will require applicants to provide certification³ of eligibility for preference, in addition to other requested materials.

¹ See Oregon Revised Statute (ORS) 408.235.

² See Oregon Revised Statute (ORS) 408.225 ~~and OAR 839-006-0440~~ for definitions of veteran, ~~and~~ disabled veteran, state servicemember and former state servicemember.

³ ~~See Verification of Veteran's Preference (OAR 839-006-0465).~~ An applicant claiming veteran's or disabled veteran's preference will submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) or a certification that the veteran is expected to be discharged or released from active duty under honorable conditions not later than 120 days after the submission of the certification. A disabled veteran may also submit a copy of their letter from the U.S. Department of Veterans Affairs, unless the information is included in the DD Form 214/215 or a certification that the veteran is expected to be medically separated from active duty under honorable conditions not later than 120 days after the submission of the certification. (OAR 839-006-0465) An applicant claiming to be a former state servicemember must meet the definition of "former state servicemember." An applicant is treated as a former state servicemember if they meet the definition, except for the requirement that the applicant was discharged or released under honorable conditions and submits certification that the individual is expected to be discharged or released from Oregon National Guard under honorable conditions no later than 120 days after the submission of the certification. (ORS 408.235)

Selection Procedures^{4}

- Step 1: Before the review of any applications the [human resources director] will establish an evaluation scoring guide based on the minimum qualifications and any special qualifications listed in the job posting.
- Step 2: The [human resources director] will review the application materials using the evaluation scoring guide to determine which applicants meet the minimum and any special qualifications listed in the job posting. In assessing the applicant materials of a veteran or disabled veteran the [human resources director] shall evaluate whether the skill experience obtained in the military service are transferable skills to the posted position. Any applicants that do not meet the minimum and any special qualifications shall be removed from the applicant pool.
- Step 3: Based on Step 2, the [human resources director] determines who will be interviewed. All qualified and eligible veterans or disabled veterans shall be given an opportunity to interview.
- Step 4: Interview questions and scoring sheets will be developed and each scoring sheet must be completed after each interview by the interviewers.
- Step 5: Following completion of the interviews, the [human resources director] shall complete the selection matrix and score the applicants based on the scoring sheets completed during interviews. Veterans' preference shall be applied by adding 5 percentage points to an eligible veteran, state servicemember or former state servicemember and 10 percentage points to an eligible disabled veteran.
- Step 6: ~~The [human resources director] makes the offer to the applicant with the highest final score. The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran. The district is obligated to hire or promote a qualified or eligible veteran or disabled veteran if they are equal or better than the top candidate after the veterans' preference has been applied.~~ The district will appoint an otherwise qualified applicant claiming preference to the position if the applicant's results of their application examination, when combined with the preference, are equal to or better than the results for the top candidate.

The district may base a decision not to appoint the applicant claiming preference solely on the applicant's merits or qualifications with respect to the position.

In the event the district chooses not to appoint an applicant covered by this administrative regulation, the district shall provide the reasons it chose not to appoint the applicant for the position upon a written request from the applicant.

Filing a Complaint

A veteran, or disabled veteran, state servicemember or former state servicemember is encouraged to contact the [human resources office] if they have there are any concerns or questions concerning the application of or the process used for veterans' preference.

⁴ {If the district chooses not to use a scored system the law requires that the district give special consideration in the district's hiring decision to veterans, and disabled veterans, state servicemembers and former state servicemembers and the district will need to be able to demonstrate the method used for providing special consideration. ORS 408.230(2)(c).}

An ~~veteran or disabled veteran~~ applicant claiming to be aggrieved by a violation of Board policy GBA - Equal Employment Opportunity or this administrative regulation, may file a written complaint with the Civil Rights Division of the Bureau of Labor and Industries (BOLI) in accordance with Oregon Revised Statute (ORS) 659A.820.

After receiving the results of the investigation, the Board shall decide, within 20 days, in open session what action, if any, is warranted. The Board chair shall notify the parties in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. After receiving the results of the investigation, the Board shall decide, within 20 days, in open session what action, if any, is warranted. The Board vice chair shall notify the parties in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

NOTES

EXPENSE: As we get closer to the end of June - I am keeping my eye on the appropriations as well as those year end adjustments that I need to make. I will make the final adjustment to move IDEA expense once June Payroll has been processed and I know an exact amount of expense that needs to be moved. Currently projecting our ending fund balance \$3.265 million or 7.45%. I am monitoring Food Service expense as it appears we are going to be ending the year with a positive fund balance - and that is without making the budgeted transfer of \$500K from the General Fund. However, it appears we may go over appropriations just slightly. I will know that after all the expenditures have been posted at month end and if that is the case, I will move that amount of expense to the General Fund. Also monitoring Fund 252 - High School Success - as it is projected that we are not going to spend down that fund completely - if that is the case then I will be looking to move some expense, that fits with our budget narrative, out of the General Fund into Fund 252. There are a lot of moving pieces as we wind down the year - so keeping a daily tally on expenditures so I can be prepared to make adjustments in early July.

RESOLUTION NO. 2025-26 B-6 – iPad Lease

A RESOLUTION OF JACKSON COUNTY SCHOOL DISTRICT NO. 5 (ASHLAND) AUTHORIZING A LEASE PURCHASE AGREEMENT.

WHEREAS, the Jackson County School District No. 5 (Ashland), located in Jackson County, Oregon (the “District”) is authorized by Oregon Revised Statutes Section 271.390 to enter into a lease purchase agreement (the “Agreement”) for real or personal property which the Board of Directors (the “Board”) determines is needed so long as the estimated weighted average life of the Agreement does not exceed the estimated dollar weighted average life of the financed property; and

WHEREAS, the District has identified a need to finance iPads and related accessories (the “Equipment”); and

WHEREAS, the Board hereby determines that the Equipment is needed, and that it is desirable to finance the Equipment pursuant to ORS 271.390;

NOW, THEREFORE, BE IT RESOLVED, as follows:

1. Authorization. The District hereby authorizes the Superintendent or Director of Business Services on behalf of the District and without further action by the Board, to negotiate the terms of the Agreement in a principal amount not to exceed \$328,462.49 with Apple or another lessor and to take such further action and execute and deliver such documents as necessary or desirable to carry out this Resolution and to complete the financing.

2. Security. The Agreement may be payable from the District’s legally available funds.

3. Maintenance of Tax-Exempt Status. The District covenants not to take any action or omit any action if the taking or omission would cause interest paid pursuant to the Agreements to be includable in gross income for federal income tax purposes pursuant to Section 103(a) of the Internal Revenue Code of 1986, as amended (the “Code”). The Authorized Representative may enter into additional covenants on behalf of the District to protect the tax-exempt status of interest which is payable under the Agreement.
