Hermiston School District

2026 Fall Update

The purpose of this update is to look backwards and forward. We will reflect on our district's progress on Year 1 of our biennial update to the Integrated Plan, which is a compilation of the goals and activities we have designed to meet the aspirations of Oregon's Student Success Act (SSA) and related initiatives. In the Summer of 2025 the Governor signed the legislature's Accountability Bill (SB141) which builds on the SSA to further leverage and direct state funds and priorities. In the year ahead, the district will balance implementing the final year of our Integrated Plan with new components from the Accountability Bill. As partners in this work, students, staff, parents and community members can expect the following:

- Planning will begin for a broader **Unified Grant Application**, encompassing additional funding sources and requirements, to replace our Integrated Plan in the next biennium.
- There will be a heightened emphasis on an expanded set of **Performance Growth Targets** which will trigger ODE intervention if not met for two years.
- In the Fall, Winter & Spring, we will present K-8 student growth on short **Interim Tests** that measure discrete skills in Reading and Math to support instructional decision-making and earlier interventions in student learning gaps.

2026-27 Integrated Plan & Initiative Allocations

The district continues to work toward the following Outcomes:

- ★ **Early Literacy:** All students in Hermiston will receive Early Literacy support to read on grade-level by the end of 3rd grade.
- ★ **Outcome A:** Implement systems to support students' physical, mental, emotional, behavioral, and safety needs.
- ★ **Outcome B:** Hermiston SD will implement systems PreK-12 to ensure graduation rates improve for all student subgroups.
- ★ **Outcome C:** Implement a future-focused approach to personalized learning and career development for students in grades K-12.
- ★ **Outcome D:** Empower and engage families of underserved or marginalized student populations.

Total allocations for 2026-27 are 6% higher than 2025-26.

Initiative	2026-27 Allocation
Student Investment Account	\$5,893,155.66
High School Success	\$1,648,804.75
Early Indicator & Intervention Systems	\$21,470.96
Early Literacy Success	\$426,143.90
Federal School Improvement	\$321,333.04

2025-26 Annual Report on the Integrated Plan

Progress

Across the district, educators and students collaborated to support our Early Literacy Outcome. HSD has prioritized braiding funds to ensure they can continue to provide **KinderCamp**, a 2-week program that teachers report makes a significant difference transitioning to school, even for students who have been in HeadStart or other structured PreK programs. The program uses experiential learning to practice literacy skills (listening, speaking, visual and verbal cues to recognize key words) to learn routines and adapt to kindergarten. Because the 6-week Summer Program is especially important for high-risk students, the district uses Spring IEP meetings to encourage participation. Students in the high school's **Education CTE Program are trained High Dosage Tutors** and provided 25 minutes of before-school tutoring Monday-Thursday at the elementary schools from October through March. The students who participated in this program grew at two times the rate as measured by DIBELS and MAP.

To support Outcome A the district continues to contract with the **Cook Center** to provide anonymous counseling support for students and families. Usage patterns have remained steady and show that although a relatively small number of unique users, those users engaged multiple times which is to be expected for Tier 3 interventions.

The district also continues to refine and strengthen systems to produce better outcomes for all students (Outcome B). Our **Multi-Tiered Systems of Support** resulted in steady gains. At the elementary level, they used ECRI to pre-teach skills in small groups so that those students are familiar with the concepts when they receive a second dose during whole-group instruction. The middle schools have become more data-driven and their achievement has gone up; 45% of 6th graders grew over 80% and Math scores improved. As the buildings implemented academic systems and monitored progress, they focused on ensuring **curriculum and instruction is effective**. The high school worked with teachers to ensure daily instruction is rigorous and engaging enough that students prioritize coming to class. The elementary schools started building integrated instructional materials using their ELA curriculum as the base and supplementing with tribal history/shared history and other resources to address Science and Social Studies standards.

In support of our future-focused Outcome C, the elementary schools presented to the Board their **Portrait of a Graduate** work. In short they found it provides a district-wide north star that helps teachers think beyond their content areas, teach higher-level thinking and provides look-fors in observations. The middle and high schools expanded their use of **YouScience**, including using its Work-Based Learning and Careers curriculum to support the new graduation requirements. We also started updating the high school online and handbook versions of the course catalog to remove any unnecessary prerequisites or language that might create barriers to taking advanced courses. Last, the district has continued its work with family engagement specialists and Nuestra Futuro (Outcome D). Unlike other minority/majority districts around the state, Hermiston's attendance rate has remained steady, which is attributable to the trust established through these relationships. Likewise, the district's On-Track to English Language Proficiency rate is very strong. What we have learned over the years is If EL is growing, everyone is growing.

Challenges

In 2025-26 we continued to work on the barriers standing in our way of achieving our outcomes. The high school looked for data trends in their high risk students that point to solutions and found, encouragingly, that only about 10% were related to behavior. However, they discovered that 40% of their students were 24

practicing **selective attendance**, attending the classes where they liked the teacher and/or felt like they couldn't afford to miss and still pass. Both root causes point to strengthening Tier 1 practices around building relationships and increasing instructional rigor to support engagement. (Outcome A).

Our **Summer programming** remains a priority because it offers experiences (field trips, sports, etc.) that are not possible during the regular school year but are critical for supporting academic and social-emotional growth, building positive relationships between students and families and closing opportunity gaps. Despite its success, securing funds in a timely manner continues to be a significant challenge. (Outcome B)

Last, **High School Success eligibility requirements** remained a sticking point as the district struggled to translate the required monthly meetings of all 9th grade core team teachers into existing data team/PLC structures and calendars (Outcome C).

Beginning this year, the district will be measured using 8 statewide metrics, up from five. The new measures are K-2 Regular Attendance and 8th grade Math achievement plus one local measure we selected from a set of state-provided options: Career & Workforce Readiness. New targets based on the performance of similar districts have been set through the 2029-30 school year in accordance with the Accountability Act. The adjacent table provides performance for the most recent last two years of ODE-validated data compared to the State of Oregon. The first number

represents *All Students* followed by students who represent *Combined Focal Groups* (students experiencing disabilities, poverty, homelessness, or foster care and students of color). Although official data for 2025-26 won't be available for several months, we anticipate continued steady growth in all of our performance indicators.

Immigration Enforcement on District Property

The district complies with state and federal law, including Oregon Revised Statute (ORS) 180.805 and ORS 181.826, and this policy and accompanying administrative regulations KNA-AR(1) – Interactions with Immigration Enforcement and KNA-AR(2) – Federal Immigration Enforcement Request Log when responding to requests from federal immigration authorities regarding immigration enforcement. [Absent a judicially authorized subpoena, warrant or court order, district staff must not allow federal immigration authorities access to the district’s records or facilities not open to the public for the purposes of immigration enforcement and must verify the validity of any subpoena, warrant or court order involving immigration enforcement presented to them by federal immigration authorities to ensure it is judicially authorized. Examples of judicial and administrative warrants and subpoenas can be found in the Oregon Attorney General’s Model Public School Policies.¹ The superintendent or designee must review and approve any response to a request involving immigration enforcement. The district will provide ongoing training to designated staff to ensure compliance with this policy.]

This policy will be made available in the student handbook and on the district’s website.

When a federal immigration authority is reported to have entered school property for the purpose of immigration enforcement the immigration liaison shall confirm whether federal immigration authorities have entered school property for immigration enforcement and when confirmed, shall provide notice as follows:

1. Notice must be provided to:
 - a. Students who attend the school where the federal immigration authority is confirmed to be on school property for immigration enforcement and who are in grades 9 and above;

Oregon law also prohibits sharing any of the above information about a person's relatives or known associates with federal authorities for immigration enforcement purposes.

Oregon law generally prohibits the district from sharing or disclosing citizenship or immigration status or country of birth information⁶ that the district collects, unless one of the following exceptions applies:

1. The disclosure is required by state or federal law (other than federal immigration law);
2. The disclosure is required by a judicially authorized warrant, order, or subpoena;

Training

The district will provide the immigration liaison and alternate immigration liaison with training as follows:

1. The training must include information on the requirements of House Bill 4079 (2026), any applicable model policies published by the Attorney General, and this policy; and

OSBA Model Sample Administrative Regulation

Code: KNA-AR(1)
Revised/Reviewed:

Interactions with Immigration Enforcement

The Superintendent is designated as the “immigration liaison.”

1. Staff, contractors and volunteers shall adhere to all district policies when interacting with federal immigration authorities and the following administrative regulations:
 - a. Unless expressly authorized by the superintendent or designee, or by the immigration liaison on behalf of the superintendent or designee, staff shall not:
 - (1) Provide federal immigration authorities with records or information about students, staff, or volunteers;
 - (2) Confirm whether a student, staff member, or volunteer is present or make the student, staff member, or volunteer available;
 - (3) Allow access to non-public areas of the district’s facilities or property;
 - (4) Sign documents presented by federal immigration authorities; or
 - (5) Give consent to any immigration enforcement action.
 - b. Staff may not interfere with lawful immigration enforcement actions or physically obstruct federal immigration authorities in any manner. However, staff should immediately report to the immigration liaison if they observe any conduct or enforcement activities by federal immigration authorities that violate state or federal law, or district policies, or that otherwise present a security threat or potential danger to students, staff, volunteers, or visitors.
 - c. Staff who receive a request related to immigration enforcement must immediately notify the immigration liaison. The immigration liaison is responsible for interacting with the federal immigration authorities until the matter is concluded or the federal immigration authorities have been referred to the superintendent or designee.
 - d. The immigration liaison or alternate immigration liaison should meet the federal immigration authorities at the school door or other area designated by the superintendent or designee for this purpose.
 - e. The immigration liaison shall provide federal immigration authorities with a copy of this policy and explain that school staff are required to follow these steps in this policy. The immigration liaison should inform the immigration authorities that school staff must contact the office of the superintendent or designee for guidance before providing access to school facilities, records, or other information.
 - f. The immigration liaison should direct another staff member to contact the superintendent or designee while the immigration liaison remains with the federal immigration authorities.
 - g. The immigration liaison must document the request from federal immigration authorities to the fullest extent possible under the circumstances. At a minimum, the documentation shall include the following information, if available:
 - (1) The name, badge number, and agency of the law enforcement officer making the request;
 - (2) The number of officers present;

P

- (3) Time, date, and location of the request;
- (4) The nature of the request;
- (5) The source of authority for the request, including whether the request is administratively or judicially authorized;
- (6) Whether the request requires an immediate response;
- (7) The identification of witnesses present; and
- (8) How the encounter concluded.

- h. The immigration liaison shall direct another staff member to transmit copies, photos, or other documentation provided by federal immigration authorities to the superintendent or designee, along with other information documented pursuant to this policy. The superintendent or designee must approve any response to a law enforcement request related to immigration enforcement as provided in Section 3 of this administrative regulation.

2. Determination of Validity of Judicial Warrant, Subpoena or Order

- a. If presented with a warrant, subpoena or order by federal immigration authorities, the immigration liaison shall verify the validity of the warrant, subpoena or order by determining whether the warrant, subpoena or order is judicially authorized. An administrative warrant, subpoena, order or other legal process that has not been authorized by a judicial officer does not authorize the district to provide law enforcement with access to records or information, or facilities for purposes of immigration enforcement.

A judicially authorized warrant, subpoena or order contains the following key features:

- (1) A caption, near the top of the document, identifying the court that issued the order (typically the federal district court for the District of Oregon);
- (2) A signature block, near the end of the document, including the name of the person who signed the order, and identifying that individual as a judge, magistrate, clerk of court, or other person signing on behalf of a judge or magistrate, and the date of the signature; and
- (3) An indication that the warrant, subpoena or order has not expired.

Examples of warrants and subpoenas are available in the Attorney General's model policies¹.

- b. The immigration liaison shall notify the superintendent or designee of the warrant, subpoena or order and whether the warrant, subpoena or order appears on its face to be judicially authorized.
- c. The immigration liaison should request a copy of the warrant, subpoena or order and transmit a copy of the warrant, subpoena or order for review by the superintendent or designee, or legal counsel.
- d. The superintendent or designee shall make the final determination regarding the validity of any warrant, subpoena or order and whether, and to what extent, federal immigration will have access to district records or information, or facilities. If the superintendent or designee is uncertain as to the validity or scope of the warrant, subpoena or order, the superintendent or

¹ <https://www.doj.state.or.us/wp-content/uploads/2026/06/Attorney-Generals-Model-Public-School-Policies-in-Compliance-with-SB-1538.pdf>

designee should immediately consult legal counsel or a statewide or regional education organization.

3. Approval of Response by Superintendent

- a. The immigration liaison shall notify the superintendent or designee of a request related to immigration enforcement prior to responding to the request. The superintendent or designee will only honor requests from immigration enforcement officers or other agencies enforcing federal immigration laws if the request is judicially authorized. If the superintendent or designee is uncertain as to the lawfulness or scope of the request, the superintendent or designee should immediately consult legal counsel or a statewide or regional education organization prior to approving a response.
- b. If the superintendent or designee determines that a response is not authorized by a judicial subpoena issued as part of a court proceeding or by another compulsory court-issued legal process, such as a warrant, the superintendent or designee shall direct the immigration liaison to decline the request.

Upon direction of the superintendent or designee, the immigration liaison shall decline the request, refer the federal immigration enforcement authorities to the superintendent or designee, and request that they leave the premises.

The immigration liaison shall ensure that the information documented pursuant to this administrative regulation is submitted to the Oregon Criminal Justice Commission as provided in ORS 181A.826.

- c. If the request is accompanied by a subpoena, warrant or order that appears on its face to be judicially authorized, the superintendent or designee must review and approve the immigration liaison of district's response to the request.

The superintendent or designee shall ensure that the district's response provides no greater access to records or information, or facilities, than that required by the subpoena, warrant or order.

- d. If the request involves a warrant that appears to be valid and authorizes the arrest of a particular person, the superintendent shall direct the immigration liaison to request that the arrest be conducted in a manner that is the least disruptive to the school environment and to the person's wellbeing, which may include bringing the arrestee to the federal immigration authorities.

4. School-Sponsored Events

Budget Committee

By law, the budget committee is charged with making recommendations concerning financial priorities.

The budget committee will have the responsibility for reviewing the financial programs of the district, reviewing the proposed district budget as presented by the superintendent, and recommending an annual or biennial district budget in keeping with the provisions of applicable state laws.

Educational policy decisions are the responsibility of the Board, not the budget committee. The committee does not have the authority to add programs or to approve additional personnel or increase salaries. While the committee may, in effect, delete programs because of a fund decrease, the committee is charged primarily with a fiscal evaluation of programs. The committee may, alternatively, set an amount that changes the recommended budget and may request the administration make such changes in accordance with priorities set by the Board.

The following will govern the make-up and process of establishing the district's budget committee:

1. The budget committee consists of seven members appointed by the Board plus the elected Board members of the district. To be eligible for appointment, the appointive member must:
 - a. Live and be registered to vote in the district;
 - b. Not be an officer, agent or employee of the district.
2. At least one member of the budget committee must be a member of the district's educational equity advisory committee;¹
3. No budget committee member may receive any type of compensation from the district;
4. At its first meeting in December, the Board will identify vacant budget committee positions which must be filled by appointment of the Board. The Board will announce the vacancies and receive applications from interested persons during the month of December. Such applications will include a signed statement that the applicant is willing to serve as a member of the budget committee and to adhere to the policies of the district. The Board may appoint budget committee members to as many consecutive terms as deemed appropriate;
5. At the first regular Board meeting in January, the Board will review the names of persons filing applications and names of those persons who have served previously and are willing to be

¹ The budget committee is not required to include a member of the educational equity advisory committee until a vacancy on the budget committee occurs by a member who is not also a member of the school district board. The district is not required to include a member of the educational equity advisory committee on the budget committee if no member of the committee is willing or able to serve on the budget committee.

reappointed. At the first regular meeting in September, the Board will appoint persons to fill the vacant positions;

6. The appointive committee members of a budget committee in a district that prepares an annual budget will be appointed for three-year terms. The terms will be staggered so that, as near as practicable, one-third of the appointive members' terms end each year;
7. If any appointive member is unable to complete the term for which the member was appointed, the Board will announce the vacancy at the first regular Board meeting following the committee member's resignation or removal. An appointment to fill the position for its unexpired term will be made at the next regular Board meeting.

Budget Committee Responsibilities

The following items explain the budget committee responsibilities:

1. At its first meeting after appointment, the budget committee will elect a presiding officer from among its members. It may also establish other ground rules as necessary for successful operation of the committee;
2. A majority of the constituted committee is required for passing an action item. Majority for a 14-member budget committee is 8. Therefore, if only 8 members are present, a unanimous vote is needed for passing an action;
3. The budget committee shall hold one or more meetings to receive the budget message, receive the budget document and to provide members of the public with an opportunity to ask questions about and comment on the budget document. The budget officer shall announce the time and place for all meetings, as provided by law. All meetings of the budget committee are open to the public;
4. The budget committee may request any information used in the preparation of or for revising the budget document from the superintendent or business manager. The committee may request the attendance of any district employee at its meetings. The budget committee will approve the budget document as submitted by the superintendent or as subsequently revised by the committee;
5. After approval of the original or revised budget document, the budget committee's duties cease. The hearing on the approved budget is held by the Board.

Veterans' Preference (Version 1)

Oregon's Veterans' Preference Law requires the district to grant a preference to qualified and eligible veterans and disabled veterans at each stage in the hiring and promotion process. To be **qualified** for veterans' preference, a veteran or disabled veteran must meet the minimum and any other special qualifications required for the position sought. To be **eligible** for veterans' preference¹ a veteran or disabled veteran must provide certification they are a veteran or disabled veteran as defined by Oregon law².

The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran. The district is obligated to interview all minimally qualified veterans or disabled veterans and to hire or promote a qualified or eligible veteran or disabled veteran if the individual is equal to or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

Recruitment Procedures

All job postings or announcements will include a concise list of minimum and any special qualifications required for the position. Job postings will include a statement that the district's policy is to provide veterans and disabled veterans with preference as required by law and the job posting will require applicants to provide certification³ of eligibility for preference, in addition to other requested materials.

Selection Procedures⁴

¹ See Oregon Revised Statute (ORS) 408.235.

² See Oregon Revised Statute (ORS) 408.225 and OAR 839-006-0440 for definitions of veteran and disabled veteran.

³ See Verification of Veteran's Preference (OAR 839-006-0465). An applicant claiming veteran's or disabled veteran's preference will submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) or a certification that the veteran is expected to be discharged or released from active duty under honorable conditions not later than 120 days after the submission of the certification. A disabled veteran may also submit a copy of their letter from the U.S. Department of Veterans Affairs, unless the information is included in the DD Form 214/215 or a certification that the veteran is expected to be medically separated from active duty under honorable conditions not later than 120 days after the submission of the certification.

⁴ If the district chooses not to use a scored system the law requires that the district give special consideration in the district's hiring decision to veterans and disabled veterans and the district will need to be able to demonstrate the method used for providing special consideration. ORS 408.230(2)(c).

Step 1: Before the review of any applications the human resource director will establish an evaluation scoring guide based on the minimum and any special qualifications listed in the job posting.

Step 2: The human resource director will review the application materials using the evaluation scoring guide to determine which applicants meet the minimum and any special qualifications listed in the job posting. In assessing the applicant materials of a veteran or disabled veteran the human resource director shall evaluate whether the skill experience obtained in the military are transferable to the posted position. Any applicants that do not meet the minimum and any special qualifications shall be removed from the applicant pool.

Step 3: Based on Step 2, the human resource director determines who will be interviewed. All qualified and eligible veterans or disabled veterans shall be given an opportunity to interview.

Step 4: Interview questions and scoring sheets will be developed and each scoring sheet must be completed after each interview by the interviewers.

Step 5: Following completion of the interviews, the human resource director shall complete the selection matrix and score the applicants based on the scoring sheets completed during interviews. Veterans' preference shall be applied by adding 5 percentage points to an eligible veteran and 10 percentage points to an eligible disabled veteran.

Step 6: The human resource director makes the offer to the applicant with the highest final score. The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran.

The district is obligated to hire or promote a qualified or eligible veteran or disabled veteran if they are equal or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Such measures are designed to restore or preserve equal access

following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

No Retaliation

Neither the district or any person may retaliate¹¹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act

to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.⁷ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

¹¹ Retaliation includes, but is not limited to, intimidation, threats, coercion, and discrimination.

(FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy shall be prominently published in the district student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

Family and Medical Leave

Employee Eligibility

FMLA benefits are available to employees who have been employed by the district for at least 12 months, have worked at least 1,250 hours during the past 12-month period and work at a worksite that employs 50 district employees within 75 miles of the worksite.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year.

Generally, in order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours or more per week during the 180 calendar days immediately prior to the first day of the start of the requested leave.² In determining if an employee has been employed for the preceding 180 calendar days under OFLA, the district must consider days, paid or unpaid, an employee is maintained on payroll.

In determining average workweek, under FMLA and OFLA, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines. An employee is eligible to take leave for any purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who has worked for the district for fewer than 30 days immediately before the date on which the family leave would commence; or
2. An employee who has worked for the district for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence.

An employee of the district who has separated and is reemployed within 180 days, or experiences a temporary cessation of schedule hours may be eligible for OFLA in accordance with ORS 659A.156.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for the district prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the district within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

When an employee requests OFLA leave, or when the district acquires knowledge that an employee's leave may be for a purpose that constitutes OFLA leave, the district will notify the employee of the employee's eligibility to take OFLA leave within five business days, absent extenuating circumstances. Whether an employee is an "eligible employee" as defined in OAR 839-009-0210 is determined, a notice must be provided, at the commencement of the first instance of each purpose for leave listed in OAR 839-009-0240 during the OFLA leave year. If an employee is an "eligible employee" as defined in OAR 839-009-0210 for the purpose listed in OAR 839-009-0240, the employee's eligibility for that purpose does not change during the applicable 12-month period. In addition:

1. An employee taking, in any order, some or all of 12 weeks of OFLA pregnancy disability leave and some or all of 12 weeks of OFLA leave for any other purpose, need not requalify each time the employee takes OFLA leave within the same leave year;
2. An employee unable to work because of a disabling compensable injury³ need not requalify under OAR 839-009-0210 in order to use OFLA leave following a period the employee is off work due to the compensable injury.

Leave under the Oregon Military Family Leave Act (OMFLA) applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

Qualifying Reason

Eligible employees may access FMLA leave entitlements for the following reasons:

1. Serious health condition of the employee or the employee's covered family member. "Serious health condition" means an illness, injury, impairment or physical or mental condition that involves inpatient care⁴ or continuing treatment by a health care provider⁵.
2. Parental leave⁶ (separate from eligible leave as a result of a child's serious health condition):
 - a. Bonding with and caring for the employee's newborn child (within 12 months following birth);
 - b. Bonding with and caring for a newly adopted child or newly placed child in foster care under the age of 18 (within 12 months of placement);
 - c. Caring for a newly adopted child or newly placed child in foster care 18 years of age or older who is incapable of self-care because of a mental or physical disability (within 12 months of placement);

³ As defined in ORS 656.005.

⁴ "Inpatient care" means an overnight stay in a hospital, hospice, or residential medical facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care. See 29 CFR § 825.114.

⁵ "Continuing treatment" includes incapacity and treatment, pregnancy or prenatal care, chronic conditions, permanent or long-term conditions, conditions requiring multiple treatments, and absences attributable to incapacity. See 29 CFR § 815.115.

⁶ Parental leave must be taken in one continuous block of time within 12 months of the triggering event.

2. Sick child leave: leave taken to care for an employee's child who is suffering from an illness, injury, or condition that requires home care; or leave taken to care for an employee's child whose school or child care provider has been closed⁸ in conjunction with a statewide public health emergency declared by a public health official.⁹
3. Bereavement leave: leave taken to deal with the death of a covered family member and includes leave taken to attend the funeral or alternative to a funeral of the family member, to make arrangements necessitated by the death of the family member, or to grieve the death of the family member.¹⁰ When such leave is used for a family member who is related by affinity, the district requires an attestation form signed and submitted by the employee.

Eligible employees may also access OMFLA for the purpose of spending time with a spouse or domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.

2. Emergency contact designation of the employee by the other individual in the relationship or the emergency contact designation of the other individual in the relationship by the employee;

- b. An emergency declared under ORS 401.165 if related to a public health emergency as defined in ORS 433.442.

Leave Period

For the purposes of calculating an employee’s leave period for FMLA, the district will use the 12-month period measured forward from the date the employee’s leave begins.

For the purposes of calculating an employee’s leave period for OFLA, the district will use a period of 52 consecutive weeks beginning on the Sunday immediately preceding the date on which family leave commences.

The leave period for the purposes of Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district’s designated leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district’s designated leave period (12-month period)¹⁶. Spouses who work for the district and are eligible for FMLA leave may be limited to a combined total of 12 weeks of FMLA leave during the district’s designated leave period when the purpose of the leave is for:

1. Birth of a child or to care for a child after birth;

¹⁶ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district’s leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee’s 26-week entitlement under Military Caregiver Leave under FMLA.

1. Placement of an adopted child or child in foster care, the care for an adopted child or child in foster care after placement; or
2. Care of the employee's parent with a serious medical condition.

Except in specific and unique instances, all qualified leave under FMLA counts toward an employee's leave entitlement within the designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of up to 12 weeks of OFLA leave, for sick child leave and bereavement leave, during the designated leave period. An eligible employee is entitled to a total of two weeks of bereavement leave upon the death of each family member of the employee within a leave year, except that the eligible employee may not take more than four weeks of bereavement leave within a leave year.

An employee may also be entitled to take a total of 12 weeks of OFLA pregnancy disability leave within the same leave year.

Under OFLA, the employee may use all or part of the 12 weeks of sick child or bereavement leave and all or part of the 12 weeks of pregnancy disability leave in any order.

Unlike FMLA, OFLA does not combine the leave entitlement when two or more family members work for the district. Under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.¹⁷

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the designated leave period.

Qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the designated leave period if for the same qualifying reason. Qualified leave under FMLA will run concurrently with other qualified leave covered under Paid Family and Medical Leave Insurance (PFMLI) and/or available sick leave under ORS 653.601 - 653.661 for eligible employees. Qualified leave under OFLA may also run concurrently with leave taken under the sick ~~time~~ law in ORS 653.601 - 653.661 if for the same qualifying reason, but not concurrent with PFMLI.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12¹⁸. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 months worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek¹⁹. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

¹⁷ Exceptions to the ability to require family members to take OFLA qualified leave at different times are when one employee needs to care for a child for a purpose described in ORS 659A.159 (1)(a) while another employee is taking pregnancy disability leave or, one or more of the employees is taking bereavement leave.

¹⁸ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

¹⁹ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

Holidays which occur within the week taken as FMLA may be counted against FMLA entitlement.²⁰ However, for leave taken in increments of less than one week, holidays in which employees generally are not expected to report do not count against the employees FMLA leave entitlement.

Under OFLA, days in which the district is not in operation, are not counted toward intermittent or reduced work schedule OFLA leave.

Intermittent Leave

With the exception of parental leave under FMLA which must be taken in one continuous block of time, an eligible employee is permitted under FMLA or OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in separate periods of time (i.e., hours, days, weeks, etc.), rather than in one continuous period of time, and/or requiring an altered or reduced work schedule. For OFLA this includes but is not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an exempt employee is eligible for both OFLA and FMLA leave, and the employee takes intermittent leave in blocks of less than one day, if done in accordance with 29 CFR § 825.206, the district may reduce the employee's salary for the part-day absence without the loss of the employee's exempt status in accordance with OAR 839-020-0004(32).

When an exempt employee is eligible for OFLA leave but not FMLA leave, and the employee takes intermittent leave in blocks of less than one day, the district will jeopardize the employee's exempt status if the district reduces the employee's salary for the part-day absence.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Alternate Work Assignment

Under FMLA, the district may transfer an employee taking intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment to an alternate position for which the employee is qualified and which better accommodates an employee's recovery from a serious health condition, a serious health condition of a spouse, parent, or child, or a serious injury of illness of a covered servicemember. However, the district may not transfer the employee to an alternative position in order to discourage the employee from taking leave or otherwise work a hardship on the employee.

Under FMLA, when an employee who is taking leave intermittently or on a reduced leave schedule and has been transferred to an alternative position no longer needs to continue on leave and is able to return to full-time work, the employee will be placed in the same or equivalent job as the job they left when the leave commenced. An employee may not be required to take more leave than necessary to address the circumstance that precipitated the need for leave.

Under OFLA, the district may transfer an employee on intermittent OFLA leave or reduced work schedule into an alternate position with the same or different duties to accommodate leave, provided:

1. The employee accepts the position voluntarily and without coercion;

²⁰ See 29 CFR § 825.200(h).

2. The transfer is temporary, lasts no longer than necessary to accommodate the leave and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement, as well as with state and federal law;
4. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
5. The transfer is not used to discourage the employee from taking leave or to create a hardship for the employee.

Under OFLA, an employee transferred to an alternate position for the purpose of a reduced work schedule must be returned to the employee's former position when the employee notifies the employer that the employee is ready to return to the former position at the end of the alternate duty leave.

The district may transfer an eligible employee to an alternate position that accommodates OFLA pregnancy disability leave provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements, as well as with state and federal law;
4. The transfer is not used to discourage the employee from taking OFLA leave or to create a hardship for the employee.

Under OFLA, if an eligible employee is transferred to an alternative position and as a result the employee works fewer hours than the employee worked in the original position, the employee's OFLA leave time is determined by calculating the difference between the number of hours the employee worked in the original position and the number of hours the employee actually works in the alternative position.

An employee is not on OFLA leave if the employee has been transferred – as provided for in OAR 839-009-0245 (5) – to an alternate position for the purpose of alternate work duties that the employee is able to perform within the limitations of the employee's pregnancy disability, but not requiring a reduced workweek. An employee working in an alternate position retains the right to return to the employee's original position at any time during the employee's OFLA leave. This does not impair the right of an employee to a reasonable accommodation or the application of any other state or federal law.

Special Rules for School Employees

For the purposes of FMLA, "instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual setting. Athletic coaches, driving instructors and special education assistants, such as signers for the hearing impaired, are included in this definition. This definition does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

FMLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. The period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee's FMLA leave entitlement. In any such situation, the eligible instructional employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible instructional employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a covered servicemember or for the employee's own serious medical condition, the district may require the eligible instructional employee to choose either to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer to an available alternate position for which the employee is qualified, which has equivalent pay and benefits, and which better accommodates recurring periods of leave than the employee's regular position.

If an instructional employee does not give required notice of foreseeable FMLA leave to be taken intermittently or on a reduced leave schedule, the district may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the employee to delay the taking of leave until the notice provision is met.

2. Limitation on Leave Near the End of the Term²²

When an eligible instructional employee requests leave near the end of the term, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the term, the district may require the employee to continue taking leave until the end of the term if:
 - (1) The leave will last at least three weeks; and
 - (2) The employee would return to work during the three-week period before the end of the term.
- b. When the qualified leave begins during a five-week period before the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required by the district to remain on leave until the end of the term if:
 - (1) The leave will last more than two weeks; and
 - (2) The employee would return to work during the two-week period before the end of the term.
- c. When the qualified leave begins within three weeks of the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required to remain on leave until the end of the term if the length of the leave will last more than five working days.

If the district requires an eligible instructional employee to remain on leave until the end of the term as described above, additional leave required by the district until the end of the school term shall not count against the eligible instructional employee's leave entitlement.

²² "Academic term" means the school semester, which typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of FMLA. 29 CFR § 825.602(b)

For the purposes of OFLA leave, if an employee²³ begins a period of bereavement leave during the three-week period before the end of the term and the duration of the leave is greater than five working days, the district may require the employee continue on family leave until the end of the term.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Paid Family and Medical Leave Insurance (PFMLI) leave taken via Paid Leave Oregon or an equivalent plan will run concurrently with FMLA and leave available under ORS 653.601 - 653.661 when taken for the same purpose. An employee may elect to use any available accrued paid leave including personal, sick or vacation leave during the leave period. The total combined amount received by using accrued leave and PFMLI may exceed the employee's full wage replacement during the period of leave. The district will notify the eligible employee when the requested leave has been designated as FMLA or OFLA leave and ask the employee about the use of available accrued paid leave.

Eligible employees taking OMFLA leave are entitled to use available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA-, OFLA- or OMFLA-qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working, unless the terms of a collective bargaining agreement, other agreement or other district policy provide otherwise.²⁴ The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Verification

For purposes of FMLA, prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. If the district is going to require a Fitness-for-Duty Certification upon return to work, the district must notify the employee of such requirement when the leave is

²³ Applies only to an employee who is employed principally in an instructional capacity by the district.

²⁴ See also ORS 342.934(4)(d) in reduction force situations.

designated as FMLA leave and that failure to provide the certification may result in a delay or denial of reinstatement. Any costs associated with obtaining the certification shall be borne by the employee.

Application

For purposes of FMLA, an eligible employee requesting FMLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district. An eligible employee able to give advance notice of the need to take FMLA leave must follow the district's known, reasonable and customary procedures for requesting any kind of leave.

For purposes of OFLA, an eligible employee shall provide at least 30 days' written notice of the need for foreseeable leave before starting family leave. An employee may commence family leave without prior notice in the event of: an unexpected illness, injury or condition of a child of the employee that requires home care; the death of a family member; the closure of the school or child care provider of the employee's child due to a public health emergency unless the declaration of the emergency was issued by the Governor at least 30 days before commencement of the leave; or an illness, injury or condition related to the employee's own pregnancy or childbirth that disables the employee from performing any available job duties offered by the district. If an employee commences leave without prior notice as allowed above, the employee must give oral notice²⁵ to the employer within 24 hours of the commencement of the leave and must provide the written notice within three days after returning to work. Failure of an employee to provide the required notice for leave may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

The district may request additional information²⁶ to determine the requested leave qualifies as FMLA or OFLA leave as provided by law. The district may designate the employee as provisionally on FMLA or OFLA leave until sufficient information is received to properly make a determination. An eligible employee able to give advance notice of the need to take leave must follow the district's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. In most situations, as soon as practicable will be within one business day of an employee becoming aware of the need. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.²⁷

For the purposes of OFLA, if an eligible employee is taking leave in an unforeseeable situation, an employee must give oral or written notice²⁸ within 24 hours before or after commencement of the leave. In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

²⁵ Oral notice may be given by any other person on behalf of the employee taking the leave.

²⁶ See OAR 839-009-0260 for OFLA and 29 CFR § 825.305 et. al. for FMLA.

²⁷ See 29 CFR § 825.304.

²⁸ Notice may be given by any other person on behalf of the employee taking the leave.

For purposes of OMFLA, an employee must provide the district with notice of the intention to take leave within five business days of receiving official notice of an impending call or order to active duty or of a leave from deployment.

Verification

Under FMLA, the district may require an eligible employee to provide medical certification, when appropriate²⁹, to support the stated reason for such leave. In most cases, the district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. The employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required, unless not practicable. Any additional certifications, including second and third opinions, will be in accordance with applicable law.

Under OFLA, the district may require an eligible employee to provide medical verification, when appropriate³⁰, to support the stated reason for qualifying OFLA leave. The district will provide written notification to an employee of this requirement and state the consequences for failure to provide the requested medical verification. If the employee gives advance written notice of foreseeable leave, the district may require the employee to provide medical verification for OFLA leave before the leave starts. If the employee begins unforeseeable OFLA leave without prior notice, the employee is required to submit such medical verification within 15 calendar days after receipt of the district's request for medical verification. The employee may be subject to disciplinary action for not providing the requested medical verification.

For the purposes of OFLA qualified leave, costs associated with obtaining the medical verification shall be borne by the district or be paid as otherwise allowed by law. The district will not delay the use of qualifying OFLA leave when medical verification is not received before the commencement of unforeseeable leave. The district may not require an employee to obtain a second opinion.

Under OFLA, the district may request verification for the need for leave to care for a child who requires home care due to the closure of the child's school or child care provider as a result of a public health emergency. A request for verification may include a request for:

1. The name of the child requiring home care;
2. The name of the school or child care provider that is subject to the closure;
3. A statement from the employee that no other family member of the child is willing and able to care for the child; and
4. A statement that special circumstances exist that require the employee to provide home care for the child during the day, if the child is older than 14 years of age.

Posted Notice

The district will post the Bureau of Labor and Industries Family Leave notice in each building or worksite in an area that is accessible to and regularly frequented by employees.³¹ The district will also post a notice

explaining the provisions of FMLA and providing information concerning the procedures for filing complaints.³²

Record Keeping

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

Federal vs. State Law

Both federal and state law contain provisions for family and medical leave. Federal regulations state an employer must comply with all leave laws; that the federal law does not supersede any provision of state law that provides greater family or medical leave rights than those established pursuant to federal law; and if leave qualifies for FMLA and OFLA leave, the leave used counts against the employee's entitlement under both laws. State law requires that FMLA and state leave entitlements run concurrently when for the same purpose.

Sick Time

“Employee” means an individual who renders personal services at a fixed rate to the district if the district either pays or agrees to pay for personal services or permits the individual to perform personal services. The definition does not include volunteers, independent contractors or others excluded by law.

Employees covered by collective bargaining agreements, while not exempt from this policy, are provided similar leave rights as spelled out in their associated collective bargaining agreement.

Employees qualify to begin earning and accruing sick time on the first day of employment with the district and are eligible to use sick time beginning on the 91st calendar day of employment with the district and may use sick time as it is accrued.

The district employs 10 or more employees and therefore shall allow an eligible employee to access up to 40 hours of paid sick time per year. Paid sick time shall accrue at the rate of at least one hour of paid sick time for every 30 hours the employee works, or 1-1/3 hours for every 40 hours the employee works. Paid sick time of 40 hours shall be front-loaded to stipend employees at the beginning of their official duties.

The employee may carry up to 40 hours of unused sick time from one year to the subsequent year. An employee is limited to accruing no more than 80 hours of sick time and using no more than 40 hours of sick time in a year.

Sick time shall be taken in hourly increments and may be used for the employee’s or a family member’s¹ mental or physical illness, injury or health condition, need for medical diagnosis, care or treatment of a mental or physical illness, injury or health condition, or need for preventive care, or for reasons consistent with qualifying Family and Medical Leave (FMLA), Paid Family and Medical Leave Insurance (PFMLI) or Oregon Family Leave (OFLA).

Sick time earned by an employee may also be used for the following reasons:

1. In the event of a public health emergency compliant with Oregon Revised Statute (ORS) 653.616;
2. To donate blood in connection with a voluntary program for the donation of blood that is approved or accredited by the American Association of Blood Banks or the American Red Cross; or
3. For leave to address domestic violence, harassment, sexual assault, bias, or stalking under ORS 659A.272 (safe leave).

When sick time is used to care for, or to deal with the death of, an individual related by blood or affinity whose close association with the district employee is the equivalent of a family relationship, the district requires an attestation form signed and submitted by the employee.

¹ “Family member” is defined in OAR 839-007-0000.

The use of sick time may not lead to, or result in, an adverse employment action against the employee. The district reserves the right, after an employee uses sick time for more than three consecutive scheduled workdays, to require verification or certification in accordance with law of the need for the sick time, including a medical verification or certification³ paid for by the district. If an employee fails to provide verification or certification or fails to provide other evidence as required by the district, the employee shall be subject to appropriate disciplinary action, up to and including dismissal.

When the reason for sick time is consistent with FMLA, PFMLI or OFLA leave, sick time leave and qualifying FMLA, PFMLI or OFLA leave may run concurrently.

When the reason for sick time is consistent with ORS 332.507, sick time leave and leave pursuant to ORS 332.507 may run concurrently.

If the reason for sick time is a foreseeable absence, the district requires an employee to provide advance notice of the intention to use sick time 10 days prior to when the requested sick time is to begin or as soon as otherwise practicable. When an employee uses sick time for a foreseeable absence, the employee shall take reasonable effort to schedule the sick time in a manner that does not unduly disrupt the operations of the district (e.g., grading deadlines, inservice training, mandatory meetings).

The district may discipline an employee if the employee fails to make a reasonable effort to schedule leave in a manner that does not unduly disrupt the operations of the district.

If the reason for sick time is unforeseeable, such as an emergency, accident or sudden illness, the employee shall notify the district consistent with the reporting time established by the district, or when circumstances prevent the employee from providing notice as required, as soon as practicable.

The district may discipline an employee for violating workplace policies and procedures if the employee fails to provide notice as required.

The district shall establish a standard process to track the eligibility for sick time of a substitute.

Sexual Harassment

The district is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* JBA/GBN-AR(1) - Sexual Harassment Complaint Procedure and JBA/GBN-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures.

OREGON DEFINITION AND PROCEDURES

Oregon Definition

Sexual harassment of students, staff members or third parties¹ shall include:

1. A demand or request for sexual favors in exchange for benefits;
2. Unwelcome conduct of a sexual nature that is physical, verbal, or nonverbal and that:
 - a. Interferes with a student's educational activity or program;
 - b. Interferes with a school or district staff member's ability to perform their job; or
 - c. Creates an intimidating, offensive, or hostile environment.

¹ "Third party" means a person who is not a student or a school or district staff member and who is: 1) on or immediately adjacent to school grounds or district property; 2) at a school-sponsored activity or program; or 3) off school grounds or district property if a student or a school or district staff member acts toward the person in a manner that creates a hostile environment for the person while on school or district property, or at a school- or district-sponsored activity.

3. Assault when sexual contact occurs without consent².

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's actions, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

Oregon Procedures

Reports and complaints of sexual harassment should be made to the following individual(s):

Jake Bacon, Director of Human Resources at 541-667-6000 or jake.bacon@hermistonsd.org

This individual is responsible for accepting and managing complaints of sexual harassment. Persons wishing to report should contact them using the above information. This person is also designated as the Title IX Coordinator. *See* JBA/GBN-AR(1) - Sexual Harassment Complaint Procedure.

Response

Any staff member who becomes aware of behavior that may violate this policy shall [immediately] report to a district official. The district official (with coordination involving the reporting staff member when appropriate) will take any action necessary to ensure the:

1. Student is protected and to promote a nonhostile learning environment;
2. Staff member is protected and to promote a nonhostile work environment; or
3. Third party who is subjected to the behavior is protected and to promote a nonhostile environment.

This includes providing resources for support measures to the student, staff member or third party who was subjected to the behavior and taking any actions necessary to remove potential future impact on the student, staff member or third party, but are not retaliatory against the student, staff member or third party being harassed or the person who reported to the district official.

Any student or staff member who feels they are a victim of sexual harassment are encouraged to report their concerns to district officials, this includes officials such as the principal, compliance officer or superintendent. Students may also report concerns to a teacher, counselor or school nurse, who will promptly notify the appropriate district official.

Investigation

² "Without consent" means an act performed: (a) without the knowing, voluntary and clear agreement by all parties to participate in the specific act; or (b) when a person who is a party to the act is incapacitated by drugs or alcohol; unconscious; or pressured through physical force, coercion or explicit or implied threats to participate in the act.

All reports and complaints about behavior that may violate this policy shall be investigated. The district may use, but is not limited to, the following means for investigating incidents of possible harassment:

1. Interviews with those involved;
2. Interviews with witnesses;
3. Review of video surveillance;
4. Review of written communications, including electronic communications;
5. Review of any physical evidence; and
6. Use of third-party investigator.

The district will use a reasonable person standard when determining whether a hostile environment exists. A hostile environment exists if a reasonable person with similar characteristics and under similar circumstances would consider the conduct to be so severe as to create a hostile environment.

The district may take, but is not limited to, the following procedures and remedial action to address and stop sexual harassment:

1. Discipline of staff and students engaging in sexual harassment;
2. Removal of third parties engaged in sexual harassment;
3. Additional supervision in activities;
4. Additional controls for district electronic systems;
5. Trainings and education for staff and students; and
6. Increased notifications regarding district procedures and resources.

When a student or staff member is harassed by a third party, the district will consider the following:

1. Removing that third party's ability to contract or volunteer with the district, or be present on district property;
2. If the third party works for an entity that contracts with the district, communicating with the third party's employer;
3. If the third party is a student of another district or school, communicate information related to the incident to the other district or school;
4. Limiting attendance at district events; and
5. Providing for additional supervision, including law enforcement if necessary, at district events.

No Retaliation

Retaliation against persons who initiate complaint or otherwise report sexual harassment or who participate in an investigation or other related activities is prohibited. The initiation of a complaint,

reporting of behavior, or participation in an investigation, in good faith about behavior that may violate this policy may not adversely affect the:

1. Educational assignments or educational environment of a student or other person initiating the complaint, reporting the behavior, or participating in the investigation; or
2. Any terms or conditions of employment or of work or educational environment of a school or district staff member or other person initiating the complaint, reporting the behavior, or participating in the investigation.

Students who initiate a complaint or otherwise report harassment covered by the policy or who participate in an investigation may not be disciplined for violations of the district's drug and alcohol policies that occurred in connection with the reported prohibited conduct and that were discovered because of the report or investigation, unless the student gave another person alcohol or drugs without the person's knowledge and with the intent of causing the person to become incapacitated and vulnerable to the prohibited conduct.

When a person³ who may have been affected by this policy files a complaint or otherwise reports behavior that may violate the policy, the district shall provide written notification to the following:

1. Each reporting person;

The ODE will provide technical assistance and training upon request.

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity⁵;

⁵ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

3. “Sexual assault”: an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or
6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* JBA/GBN-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. The report can be made at any time.

The director of human resources is designated as the Title IX Coordinator and can be contacted at 541-667-6000. The Title IX Coordinator will coordinate the district’s efforts to comply with its responsibilities related to this policy. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive measures⁷ to the complainant and by

⁶ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access

following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

No Retaliation

Neither the district or any person may retaliate¹¹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act

to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.⁷ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* JBA/GBN-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

¹¹ Retaliation includes, but is not limited to, intimidation, threats, coercion, and discrimination.

(FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

I. INTRODUCTION

Structural and landscape pests can pose significant problems in schools. Pests such as mice and cockroaches can trigger asthma. Mice and rats are vectors of disease. Many children are allergic to yellow jacket stings. The pesticides used to remediate these and other pests can also pose health risks to people, animals, and the environment. These same pesticides may pose special health risks to children due in large part to their still-developing organ systems. Because the health and safety of students and staff is our first priority – and a prerequisite to learning – it is the policy of Hermiston School District 8R to approach pest management with the least possible risk to students and staff. In addition, Senate Bill 637 (incorporated into ORS Chapter 634 upon finalization in 2009) requires all school districts to implement integrated pest management in their schools. For this reason, the Hermiston School District adopts this integrated pest management plan for use on the campuses of our district.

II. WHAT IS INTEGRATED PEST MANAGEMENT?

Integrated Pest Management, also known as IPM, is a process for achieving long-term, environmentally sound pest suppression through a wide variety of tactics. Control strategies in an IPM program include structural and procedural improvements to reduce the food, water, shelter, and access used by pests. Since IPM focuses on remediation of the fundamental reasons why pests are here, pesticides are rarely used and only when necessary.

IPM Basics

Education and Communication: The foundation for an effective IPM program is education and communication. We need to know what conditions can cause pest problems, why and how to monitor for pests, proper identification, pest behavior and biology before we can begin to manage pests effectively. Communication about pest issues is essential. *A protocol for reporting pests or pest conducive conditions and a record of what action was taken is the most important part of an effective IPM program.*

Cultural & Sanitation: Knowing how human behavior encourages pests helps you prevent them from becoming a problem. Small changes in cultural or sanitation practices can have significant effects on reducing pest populations. Cleaning under kitchen serving counters, reducing clutter in classrooms, putting dumpsters further from kitchen door/loading dock, proper irrigation scheduling, and over-seeding of turf areas are all examples of cultural and sanitation practices that can be employed to reduce pests.

Physical & Mechanical: Rodent traps, sticky monitoring traps for insects, door sweeps on external doors, sealing holes under sinks, proper drainage and mulching of landscapes, and keeping vegetation at least 24 inches from buildings are all examples of physical and mechanical control.

Pesticides: IPM focuses on remediation of the fundamental reasons why pests are here; pesticides should be rarely used and only when necessary.

IPM Basics

III. WHAT IS AN INTEGRATED PEST MANAGEMENT PLAN?

ORS 634.700 defines an IPM plan as a proactive strategy that:

(A) Focuses on the long-term prevention or suppression of pest problems through economically sound measures that:

- a) Protect the health and safety of students, staff and faculty;
- b) Protect the integrity of campus buildings and grounds;
- c) Maintain a productive learning environment; and
- d) Protect local ecosystem health;

(B) Focuses on the prevention of pest problems by working to reduce or eliminate conditions of property construction, operation and maintenance that promote or allow for the establishment, feeding, breeding and proliferation of pest populations or other conditions that are conducive to pests or that create harborage for pests;

(C) Incorporates the use of sanitation, structural remediation or habitat manipulation or of mechanical, biological and chemical pest control measures that present a reduced risk or have a low impact and, for the purpose of mitigating a declared pest emergency, the application of pesticides that are not low-impact pesticides;

(D) Includes regular monitoring and inspections to detect pests, pest damage and unsanctioned pesticide usage;

(E) Evaluates the need for pest control by identifying acceptable pest population density levels;

(F) Monitors and evaluates the effectiveness of pest control measures;

(G) Excludes the application of pesticides on a routine schedule for purely preventive

purposes, other than applications of pesticides designed to attract or be consumed by pests;

(H) Excludes the application of pesticides for purely aesthetic purposes;

(I) Includes school staff education about sanitation, monitoring and inspection and about pest control measures;

(J) Gives preference to the use of nonchemical pest control measures;

(K) Allows the use of low-impact pesticides if nonchemical pest control measures are ineffective; and

(L) Allows the application of a pesticide that is not a low-impact pesticide only to mitigate a declared pest emergency or if the application is by, or at the direction or order of, a public health official.

The above definition is the basis for Hermiston School Districts IPM plan as required by ORS 634.700 – 634.750.

Note: As mentioned above, ORS 634.700 allows for the routine application of pesticides designed to be consumed by pests. To avoid a proliferation of pests and/or unnecessary applications of pesticides, several steps must be taken before **any** “routine” applications are allowed:

- 1) Staff must be educated on sanitation, monitoring, and exclusion as the primary means to control the pest.
- 2) An acceptable pest population density level must be established.
- 3) The use of sanitation, structural remediation or habitat manipulation, or of mechanical or biological control methods must be incorporated into the management strategy of the pest.
- 4) Documentation that the above steps were ineffective.
- 5) The pesticide label must be read thoroughly to make sure the pesticide will be used in strict compliance with all label instructions.

IV. SCHOOL DISTRICT IPM PLAN COORDINATOR

The Hermiston School District designates Martie McQuain as the IPM Plan Coordinator. The Coordinator is key to successful IPM implementation, and is given the authority for overall implementation and evaluation of this plan. The Coordinator is responsible for:

A. Attending not less than six hours of IPM training each year

The training will include a general review of IPM principles and the requirements of ORS 634.700 – 634.750. It will also include hands-on training on updated exclusion practices, monitoring & inspection techniques, and management strategies for common pests.

B. Conducting outreach to the school community (custodians, maintenance, construction, grounds, faculty, and kitchen staff) about the school's IPM plan;
The IPM Plan Coordinator (or designee) will provide training as outlined in Section VII below.

C. Overseeing pest prevention efforts;

The Coordinator will work with custodians, teachers, and maintenance to reduce clutter and food in the classrooms, and seal up pest entry points.

D. Assuring that the decision-making process for implementing IPM in the district (section V) is followed;

The Coordinator will continually assess and improve the pest monitoring/reporting/action protocol.

E. Assuring that all notification, posting, and record-keeping requirements in section VI are met when the decision to make a pesticide application is made;

F. Maintaining the approved pesticides list as per section VIII; and

G. Responding to inquiries and complaints about noncompliance with the plan.

Responses to inquiries and complaints will be in writing and kept on record with the Coordinator.

V. IPM DECISION-MAKING PROCESS

- 1) Attending annual basic IPM training provided by the IPM Plan Coordinator (or designee).
- 2) Keeping their classrooms and work areas free of clutter.

- 3) Making sure students clean up after themselves when food or drink is consumed in the classroom.
- 4) Reporting pests and pest conducive conditions to the custodian, either orally or via the pest logs.
- 5) Following first steps of protocol for ant management before notifying the custodian (clean up any food the ants are eating, kill visible ants, wipe down area where ants were with soapy water, notify custodian only if ants continue to be found after following these steps).

7. School Principal Responsibilities

The School Principal is responsible for:

- 1) Scheduling time for teachers to receive annual training provided by the IPM Plan Coordinator (or designee).

- 6) Assuring that all staff fulfill their role as outlined in the district's IPM plan (reducing pest conducive conditions, participation in monitoring and pest log recording, attendance at IPM training(s), cooperation with the district's IPM Plan Coordinator).

B. Monitoring – Reporting – Action Protocol

Monitoring is the most important requirement of ORS 634.700 – 634.750. It is the backbone of Hermiston School Districts IPM Program. It provides recent and accurate information to make intelligent and effective pest management decisions. It can be defined as the regular and ongoing inspection of areas where pest problems do or might occur. Information gathered from these inspections is always written down.

As much as possible, monitoring should be incorporated into the daily activities of school staff. Staff training on monitoring should include what to look for and how to record and report the information.

1. Three levels of monitoring

There are three levels of monitoring:

- 1) Casual observing/looking with no record keeping is not helpful
- 2) Casual observing/looking with written observations can be useful
- 3) Careful inspections with written observations is always useful

Level 2 monitoring (all staff)

All staff will be trained to improve their "casual observing/looking" to level 2, and to report any pests and pest-conducive conditions they observe. Level 2 monitoring is conducted by faculty, administration, maintenance/construction, kitchen staff, school nurses, etc.

After a brief (15 – 20 minute) training by the IPM Plan Coordinator (or designee) on pests and pest conducive conditions, staff will be expected to report pests or pest conducive conditions they observe during the normal course of their daily work. Reporting will be done by reporting them to the IPM Plan Coordinator (or designee). Custodial, maintenance, and kitchen staff are expected to set and/or check sticky monitoring traps as per the district's IPM plan.

Level 3 monitoring (Coordinator and Custodial staff)

The IPM Plan Coordinator (or designee) and Custodians will periodically conduct monitoring at level 3. Coordinator and Custodial staff will monitor structures:

- Pest conducive conditions inside and outside the building (structural deterioration, holes that allow pests to enter, conditions that provide pest harborage)
- The level of sanitation inside and out (waste disposal procedures, level of cleanliness inside and out, conditions that supply food and water to pests)
- The amount of pest damage and the number and location of pest signs (rodent droppings, termite shelter tubes, cockroaches caught in sticky traps, etc.)
- Human behaviors that affect the pests (working conditions that make it impossible to close doors or screens, food preparation procedures that provide food for pests, etc.)
- Their own management activities (caulking/sealing, cleaning, setting out traps, treating pests, etc.) and their effects on the pest population.

Grounds staff will monitor Turf and Landscape:

- The condition of the plants (vigor and appearance)
- The amount of plant damage
- pH, phosphorus, and potassium levels of turf (soil test every 3-4 years in all locations)
- Kind and abundance of pests (weeds, insects, mites, moles, etc.) as well as natural enemies (ladybugs, spiders, lacewing larvae, syrphid fly larvae, etc.)
- Weather conditions (record any unusually dry, hot, wet, or cold weather in the past few weeks)
- Proper drainage
- Human behaviors that affect the plants or pests (foot traffic that compacts the soil, physical damage to plants caused by people, insistence on having certain plants grow in inappropriate situations, etc.)
- Management activities (pruning, fertilizing, mulching, aeration, treating pests, etc.) and their effects on the plants and the pest population.

2. Sticky monitoring traps for insects

Sticky traps are neither a substitute for pesticides nor an alternative for reducing pest populations, but rather a diagnostic tool to aid in identifying a pest's presence, their reproductive stage, the likely direction pests are coming from, and the number of pests.

All staff will be made aware of the traps and their purpose so they don't disturb them. Custodians will be responsible for setting them out and checking them once per month (approximately 10 minutes), and replacing them once every four months (approximately 30 minutes). Kitchen staff will be responsible for checking those in the kitchen primarily for cockroaches and drain flies once per week (approximately 4 minutes).

After receiving training in the use of pest monitoring sticky traps by the IPM Plan Coordinator (or designee), custodial staff will be responsible for checking traps placed in pre-determined "pest-vulnerable areas" in the staff room, kitchen, and cafeteria, concession stands) on a monthly basis, and replacing them every four months. If custodial staff cannot interpret what they find in the traps, they will contact the IPM Plan Coordinator for assistance (E-mailing a close-up digital photo of the unfolded sticky trap would help!).

3. Reporting (pests, signs of pests, and conducive conditions)

When staff observe pests or pest conducive conditions they should jot them down in a Pest Log or report them to the custodian for him/her to write them down.

4. Reporting "Pests of Concern"

"A pest of concern" is a pest determined to be a public health risk or a significant nuisance pest. These include cockroaches (disease vectors, asthma triggers), mice & rats (disease vectors, asthma triggers), yellow jackets (sting can cause anaphylactic shock), cornered nutria, raccoons, cats, dogs, opossums, skunks (they can bite), and bed bugs (significant nuisance pest).

When pests of concern (or their droppings, nests, etc.) are observed, staff should immediately tell the building custodian. The custodian must contact the IPM Plan Coordinator immediately.

5. Action!

a) Structural

Any items (such as sealing up holes) that maintenance/construction staff or custodial staff observe (or see on Pest Logs) that they can resolve in less than 15 minutes should be taken care of and this follow up action should be noted in the Pest Log.

Custodial staff will review Pest Logs twice per week. Any items he/she cannot resolve in less than 15 minutes should be marked in order of priority.

Pest Logs will be faxed to the IPM Plan Coordinator once per week. The Coordinator will determine further actions to be taken and when.

If the actions needed are not something the Coordinator can accomplish alone or with minimal assistance, the Coordinator will meet with maintenance/construction and/or the Pest Management Professional (PMP) to develop a protocol and priority list with deadlines for sealing holes, installing external door sweeps, and other pest exclusion or pest management needs. The Coordinator will then generate a work order with a proposed deadline for completion based on the severity of the risk or nuisance.

The Coordinator will keep records of time and money spent to manage the pest, including copies of original receipts.

Small Ants:

When staff observe a small number of ants (e.g. under 10 ants) they must:

- 1st) Spend two minutes trying to find out where the ants are coming from
- 2nd) Kill the ants with a paper towel or similar
- 3rd) Remove any food or liquid the ants were eating
- 4th) Wipe down the area with soapy water or disinfectant to remove pheromone trails
- 5th) Jot down the above in the Pest Log

If the ants come back or there are more than a small number (e.g. under 10 ants) of them:

- 1st) Spend two minutes trying to find out where the ants are coming from
- 2nd) Jot down the above in the Pest Log
- 3rd) Ask the custodian to come with vacuum and sealant as soon as he/she is able

The custodian will:

- 1st) Spend two minutes trying to find out where the ants are coming from
- 2nd) Vacuum up the ants and any food debris nearby (vacuum up a tablespoon of cornstarch to kill most of the ants in the vacuum bag, then put the vacuum bag inside plastic garbage bag, seal it, and dispose of it properly)
- 3rd) Seal up the crack or hole where the ants were coming from (do what can be done in less than 15 minutes)
- 4th) Wipe down the area with soapy water or disinfectant to remove pheromone trails
- 5th) Jot down the above in the Pest Log

To avoid a proliferation of small ants and/or unnecessary applications of pesticides, the routine use of ant baits is not permitted without first:

- 1st) Educating staff on sanitation, monitoring, and exclusion as the primary means to control the ants.
- 2nd) Establishing an acceptable pest population density (e.g. 10 ants).
- 3rd) Improving sanitation (e.g. cleaning up crumbs and other food sources) and structural remediation (sealing up cracks or holes where the ants are coming from).

b) Grounds

When pests on grounds reach a threshold established by the IPM Plan Coordinator, action will be taken as determined by the Coordinator.

6. Acceptable Thresholds (pest population density levels)

A threshold is the number of pests that can be tolerated before taking action. The acceptable threshold for cockroaches, mice, rats, raccoons, cats, dogs, opossums, skunks, and nutria is 0.

Acceptable thresholds for other pests will be determined by the IPM Plan Coordinator.

C. Inspections

1) Routine Inspections

The IPM Plan Coordinator will conduct routine inspections of different schools throughout the year. Site custodians are required to accompany the Coordinator during the inspections. The inspections will typically last one to two hours and will focus on compliance with this plan and an inspection of the kitchen, staff room, and any other place of concern. After each routine inspection the Coordinator will write a one-page report on findings and recommendations. The report will be submitted to the school principal and custodian.

2) Annual Inspections

The IPM Plan Coordinator will conduct annual inspections at individual schools. Site custodians are required to assist the Coordinator with the annual inspection. The annual inspections will be more thorough than the routine inspections, and will use the Annual IPM Inspection Form to guide the inspections. The specific schools to be inspected will be determined by the IPM Plan Coordinator and based on a review of the annual number of pest problems and pesticide applications reported in the Annual IPM Report and Annual Report of Pesticide Applications.

D. Pest Emergencies (see also Section VII. B. below)

IMPORTANT: If a pest emergency is declared, the area must be evacuated and cordoned off before taking any other steps. When the IPM Plan Coordinator, after consultation with school faculty and administration, determines that the presence of a pest or pests immediately threatens the health or safety of students, staff, faculty members or members of the public using the campus, or the structural integrity of campus facilities, he or she may declare a pest emergency. Examples include (but are not limited to) yellow jackets swarming in areas frequented by children, a nutria in an area frequented by children, a half a dozen mice or rats running through occupied areas of a school building.

E. Annual IPM Report (completed by IPM Plan Coordinator)

In January of each year, the IPM Plan Coordinator will provide to the OSU School IPM Program Coordinator an annual IPM report. The report will include a summary of data

gathered from Pest Logs, as well as costs for PMPs and pesticides (including turf and landscape pesticides). Costs for items such as sealants, fixing screens, door sweeps and other items that would not normally be considered part of pest control will not be recorded.

Prevention and management steps taken that proved to be ineffective and led to the decision to make a pesticide application will be copied and pasted or incorporated into the annual report of pesticide applications (see section VII. D)

VI. REQUIRED TRAINING/EDUCATION

ORS 634.700 (3) (i) requires staff education “about sanitation, monitoring and inspection and about pest control measures”. All staff should have at least a general review of IPM principles and strategy as outlined in Sections II and III.

A. IPM Plan Coordinator Training

ORS 634.720 (2) requires that the IPM Plan Coordinator “shall complete not less than six hours of training each year. The training shall include at least a general review of IPM principles and the requirements of ORS 634.700 to 634.750.”

Content should include health and economic issues associated with pests in schools, exclusion practices, pest identification and biology for common pests, common challenges with monitoring-reporting-action protocols, proper use of sticky monitoring traps for insects, and hands-on training on proper inspection techniques.

Contact your Education Service District or the OSU School IPM Program for information on OSU-approved training courses.

B. Training for Custodial Staff

The IPM Plan Coordinator (or a designee of the Coordinator) will train custodial staff at least annually on sanitation, monitoring, inspection, and reporting, and their responsibilities as outlined in Section V. A.

C. Training for Maintenance and Construction Staff

The IPM Plan Coordinator (or a designee of the Coordinator) will train maintenance staff at least annually on identifying pest conducive conditions and mechanical control methods (such as door sweeps on external doors and sealing holes under sinks), and their responsibilities as outlined in Section V. A.

D. Training for Grounds Staff

The head of grounds staff (or designee) will train grounds staff at least once per year. Each year before the training, the head of grounds staff will meet with the IPM Plan Coordinator to review the annual report of pesticide applications and plan training for all grounds staff. The annual training will review this IPM Plan (especially grounds department responsibilities outlined in Section V.A.) and data from the annual report related to pesticide applications by grounds crew. It will also review the OSU turf

management publications EC 1521, EC 1278, EC 1550, EC 1638-E, and PNW 299 (available free online at <http://extension.oregonstate.edu/catalog/>). Grounds staff will also be trained in basic monitoring for common pests on grounds.

E. Training for Kitchen Staff

The IPM Plan Coordinator (or a designee of the Coordinator) will train kitchen staff at least once per year on the basic principles of IPM and their responsibilities as outlined in Section V. A.

F. Training for Faculty and Principal

The IPM Plan Coordinator (or a designee of the Coordinator) will train faculty and principals at least once per year on the basic principles of IPM and their responsibilities as outlined in Section V. A. These short (15 – 20 minutes) training are arranged by the Coordinator with individual principals when openings in their school Faculty Meeting schedules permit.

G. Other Training

Basic training on the principals of IPM and the main points of this IPM Plan should also be provided to school nurses, administrative staff, superintendents, and students. Coaches who use athletic fields should be given an overview of basic monitoring and IPM practices for turf so they understand key pest problems to look out for and when to report them.

VII. PESTICIDE APPLICATIONS: REQUIRED NOTIFICATION, POSTING, RECORD KEEPING, AND REPORTING

Any pesticide application (this includes weed control products, ant baits, and all professional and over-the-counter products) on school property must be made by a licensed commercial or public pesticide applicator. At the beginning of each school year, all faculty, administrators, staff, adult students and parents will be given a list of potential pesticide products that could be used in the event that other pest management measures are ineffective. They will also be informed of the procedures for notification and posting of individual applications, including those for pest emergencies.

A. Notification and Posting for Non-emergencies

When prevention or management of pests through other measures proves to be ineffective, the use of a low-risk pesticide is permissible. *Documentation of these measures is a pre-requisite to the approval of any application of a low-risk pesticide. This documentation will remain on file with the IPM Plan Coordinator.*

No non-emergency pesticide applications may occur in or around a school until after 3:30 PM on a Friday while school is in session, unless the IPM Plan Coordinator authorizes an exception. If the labeling of a pesticide product specifies a reentry time, a pesticide may not be applied to an area of campus where the school expects students to be present before expiration of that reentry time. If the labeling does not specify a reentry time, a pesticide may not be applied to an area of a campus where the school

expects students to be present before expiration of a reentry time that the IPM Plan Coordinator determines to be appropriate based on the times at which students would normally be expected to be in the area, area ventilation and whether the area will be cleaned before students are present.

The IPM Plan Coordinator (or a designee of the Coordinator) will give written notice of a proposed pesticide application (via the method most likely to reach the intended recipients) at least 24 hours before the application occurs.

The notice must identify the name, trademark or type of pesticide product, the EPA registration number of the product, the expected area of the application, the expected date of application and the reason for the application.

The IPM Plan Coordinator (or a designee of the Coordinator) shall place warning signs around pesticide application areas beginning no later than 24 hours before the application occurs and ending no earlier than 72 hours after the application occurs.

A warning sign must bear the words "Warning: pesticide-treated area", and give the expected or actual date and time for the application, the expected or actual reentry time, and provide the telephone number of a contact person (the person who is to make the application and/or the IPM Plan Coordinator).

B. Notification and Posting for Emergencies

The declaration of the existence of a pest emergency is the only time a non low-impact pesticide may be applied.

If a pest emergency is declared, the area must be evacuated and cordoned off before taking any other steps.

If a pest emergency makes it impracticable to give a pesticide application notice no later than 24 hours before the pesticide application occurs, the IPM Plan Coordinator shall send the notice no later than 24 hours after the application occurs.

The IPM Plan Coordinator or designee shall place notification signs around the area as soon as practicable but no later than at the time the application occurs.

Note: ORS 634.700 also allows the application of a non-low-impact pesticide "by, or at the direction or order of, a public health official". If this occurs, every effort must be made to comply with notification and posting requirements above.

C. Record Keeping of Pesticide Applications

The IPM Plan Coordinator or designee shall keep a copy of the following pesticide product information on file at the office of the IPM Plan Coordinator:

- A copy of the label
- A copy of the MSDS
- The brand name and USEPA registration number of the product
- The approximate amount and concentration of product applied
- The location of the application
- The pest condition that prompted the application
- The type of application and whether the application proved effective
- The pesticide applicator's license numbers and pesticide trainee or certificate numbers of the person applying the pesticide
- The name(s) of the person(s) applying the pesticide
- The dates on which notices of the application were given
- The dates and times for the placement and removal of warning signs
- Copies of all required notices given, including the dates the IPM Plan Coordinator gave the notices

The above records must be kept on file at the office of the IPM Plan Coordinator, for at least four years following the application date.

D. Annual Report of Pesticide Applications

In January of each year, the IPM Plan Coordinator will provide the OSU School IPM Program Coordinator an annual report of all pesticide applications made the previous year. The report will contain the following for each application:

- The brand name and USEPA registration number of the product applied
- The approximate amount and concentration of product applied
- The location of the application
- The prevention or management steps taken that proved to be ineffective and led to the decision to make a pesticide application
- The type of application and whether the application proved effective

VII. APPROVED LIST OF LOW-IMPACT PESTICIDES

Note: All pesticides used must be used in strict accordance with label instructions.

According to ORS 634.705 (5), the governing body of a school district shall adopt a list of low-impact pesticides for use with their integrated pest management plan. The governing body may include any product on the list except products that:

- (a) Contain a pesticide product or active ingredient that has the signal words "warning" or "danger" on the label;

- (b) Contain a pesticide product classified as a human carcinogen or probable human carcinogen under the United States Environmental Protection Agency 1986 Guidelines for Carcinogen Risk Assessment; or
- (c) Contain a pesticide product classified as carcinogenic to humans or likely to be carcinogenic to humans under the United States Environmental Protection Agency 2003 Draft Final Guidelines for Carcinogen Risk Assessment.

As a part of pesticide registration under the Federal Insecticide Fungicide and Rodenticide Act (FIFRA) and re-registration required by the Food Quality Protection Act (FQPA), EPA Office of Pesticide Programs (OPP) classifies pesticide active ingredients (a.i.) with regards to their potential to cause cancer in humans. Depending on when a pesticide active ingredient was last evaluated the classification system used may differ as described above.

The National Pesticide Information Center (<http://npic.orst.edu/>) can be contacted at 1.800.858.7378 or npic@ace.orst.edu for assistance in determining a pesticide a.i. cancer classification.

The Board chair has inherent authority to keep order and to impose any reasonable restrictions necessary for the efficient and orderly conduct of a meeting. Board Committees

The Board may establish committees. A Board committee is a group of Board members, staff, students and/or community members tasked by the Board to make a decision on behalf of the Board or make a recommendation to the Board on policy or administration. The district may have additional administrative committees.

Board committees may be classified into two general types based on membership:

1. Board subcommittees are primarily made up of Board members, e.g., superintendent evaluation committee, long-range planning committee, policy committee;
2. Advisory committees are primarily made up of non-Board members, e.g., bond steering committee.

Regardless of classification, the Board can include Board members and non-Board members on committees.

Board committees will not have the power to act for the Board except as the Board has specifically authorized. Committee meetings may be called by the committee in accordance with any direction from the Board and committee procedures. Committee recommendations and reports will be provided to the Board.

All meetings of Board committees will follow the Public Meetings Law¹, including the requirement to record the meetings or take meeting minutes. A committee may sit in an executive session when such meeting is in accordance with the committee's assigned purpose and when such session is permitted by law. Administrative committees, including superintendent committees, are generally not subject to Public Meetings Law.²

When establishing a Board committee, the Board will determine:

1. Committee membership and appointment process;
2. The task of the committee;
3. What resources are needed and will be provided to the committee;

¹ OAR 199-050-0010(1)(b) provides that Public Meetings Law apply to bodies "with authority to make recommendations to a public body on policy or administration."

² OAR 199-050-0010(2)(b) provides that Public Meetings Law does not apply to "bodies appointed by an individual public official with authority to make recommendations only that individual public official who has the authority to act on the body's recommendation and is not required to pass the recommendations on unchanged to a public body."

4. The length of time the committee will exist³;
5. Expectations regarding any actions or recommendations of the committee.

Board Committees

The Board [may] [will not] [does] have standing committees. Special committees may be appointed by the Board for specific purposes to serve until their assignment is completed. The entire Board may meet as a committee-of-the-whole.

The function of special committees will be fact-finding, deliberative and advisory, rather than legislative or administrative. The committee will make recommendations directly to the Board as a whole, which alone may take action. Committee meetings may be called by the Board chair, the committee chair or any committee member.

Committee-of-the-whole meetings, called “work sessions,” may be held. Committee-of-the-whole meetings may be called by the Board chair or any [two] Board members.

All meetings of special committees and of committees-of-the-whole will follow the Public Meetings Law. The Board or its committees may sit in an executive session to discuss matters when such session is required or permitted by law.

All matters referred to a committee will be thoroughly investigated. A committee will not have the power to act for the Board except as the Board has specifically authorized, but will make recommendations to the Board. Committee recommendations and reports will become an official part of Board minutes.

A Board committee may appoint advisory members from the staff, student body or community with approval of the Board. Advisory members will be instructed in the committee’s functions and their status. Advisory members may not be included in considering whether a quorum of the committee is present, nor may they vote on recommendations to be made to the Board. Either an advisory member or an ex-officio member may present a written minority report to the Board.

Advisory Committees to the Board

In an ongoing effort to increase communication with the public and to provide for community involvement, the Board may appoint advisory committees which include community members to consider matters of districtwide importance.

Recommendations of such committees will be given careful consideration by the Board, but such recommendations will not relieve the Board of its legal responsibility to make final decisions about such matters.

All meetings of advisory committees shall follow the Public Meetings Law. The press may attend and report proceedings. Visitors shall sit apart from the committee members and shall speak only when invited to do so by the committee chair.

The composition of advisory committees to the Board will be broadly representative and will take into consideration the specific tasks assigned to the committee. The process for the appointment of community members to an advisory committee will be determined by the Board. When requested and approved by the Board, appointment of staff members, when appropriate, will be made by the superintendent.

The Board will adopt guidelines for each committee as appropriate, which will include, but not be limited to, the following:

1. The committee's written charge which shall include, but not be limited to, a statement of purpose and responsibility;
2. The resources the Board will provide;
3. The length of time the committee is asked to serve and the approximate date(s) on which the Board wishes to receive the committee report(s).

Except as specifically provided by the Board, advisory committees will cease to function when their reports have been received by the Board or when the purposes for which they were established have been accomplished.

The Board may be represented on lay and professional committees that serve the Board in an advisory capacity, with specific Board members appointed by the chair, but normally such Board members will function as ex-officio members of the committees.

The Board has the authority to act only when a quorum is present at a duly called regular, special or emergency meeting. “Meeting” means the convening¹ of a quorum of the Board as the district’s governing body to make a decision² or to deliberate³ toward a decision on any matter. This includes meeting for the purpose of gathering information to serve as the basis for a subsequent decision or recommendation by the Board, i.e. a work session. “Meeting” does not include any on-site inspection of any project or program or the attendance of members of the Board at any national, regional or state association to which the Board or its members belong.

The affirmative vote of the majority of members of the Board is required to transact any business.

All regular, special and emergency meetings of the Board will be open to the public except as provided by law. Access to and the ability to attend all meetings (excluding executive sessions) by telephone, video or other electronic or virtual means will be made available when reasonably possible. All meetings will be conducted in compliance with state and federal statutes. If in-person oral testimony (or public comment) is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit oral testimony during the meeting[, at the designated portion of the agenda,] by telephone, video or other electronic or other means. If in-person written testimony is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit written testimony including by email or other electronic means, so that the Board is able to consider the submitted testimony in a timely manner.]

1. Regular, Special and Emergency Meetings

Generally, a regular Board meeting will be held each month. The regular meeting schedule will be established at the annual organizational meeting and may be changed by the Board with proper notice. The purpose of each regular monthly meeting will be to conduct the regular Board business.

No later than the next regular meeting following July 1, the Board will hold the annual organizational meeting to elect Board officers for the coming year and to establish the year's schedule of Board meetings. In Board election years (odd numbered years), the first meeting will be held no later than July 31.

Special meetings can be convened by the Board chair, upon request of three Board members, or by common consent of the Board at any time to discuss any topic. [A special meeting may be scheduled if less than a quorum is present at a meeting, additional business still needs to be conducted at the ending time of a meeting, conducting business prior to the next regular meeting would be advantageous to the district or other reasons.] At least 24 hours' notice must be provided to all Board members, the news media which have requested notice, and the general public for any special meeting.

Emergency meetings can be called by the Board in the case of an actual emergency upon appropriate notice under the circumstances. The minutes of the emergency meeting must describe the emergency. Only topics necessitated by the emergency may be discussed or acted upon at the emergency meeting.

This includes electronic, video or telephonic communications, serial electronic communications among participants and using an intermediary to communicate among participants. 3. Private or Social Meetings

Private or social meetings of a quorum of the Board for the purpose of making a decision or to deliberate toward a decision on any matter are prohibited by public meetings law.

4. Work Sessions

The Board may use regular or special meetings for the purpose of conducting work sessions to provide its members with opportunities for planning and thoughtful discussion. Work sessions will be conducted in accordance with state law on public meetings, including notice and minutes. [The Board [may make] [is discouraged from making] official decisions during a work session.] [Generally, Boards do not take official action during work sessions, although there is no legal prohibition to do so.]

Executive Sessions

{Optional policy. School boards can only meet in executive session when statute allows. This policy can be a helpful resource for Board members in determining whether executive session can be used.}

- a. The vacancy has been advertised;
- b. Regular hiring procedures have been adopted;
- c. If hiring an officer, the public has had the opportunity to comment on the employment of the officer; and
- d. If hiring a chief executive officer, the Board has adopted hiring standards, criteria and policy directives in meetings open to the public in which the public has had the opportunity to comment on the standards, criteria and policy directives.

² To determine whether the individual involved is considered a public officer, consult with legal counsel.

3. Current litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation.

If an executive session is held pursuant to ORS 332.061, the following shall not be made public: the name of the minor student; the issue, including the student's confidential records; the discussion; and each Board member's vote on the issue.

Board Meeting Agenda

The Board chair will direct the preparation of an agenda for all meetings of the Board. The Board chair may seek assistance from the superintendent or another Board member. Items of business may be suggested by any Board member, staff member, student or patron of the district by notifying the Board chair or superintendent at least five working days prior to the meeting. The agenda will include the principal subjects anticipated to be considered at the meeting and be specific enough to permit the public to recognize the matters in which they are interested. When the agenda includes an executive session, the agenda shall identify the specific statutory citation and appropriate subsection and paragraph authorizing the executive session, as well as a general description of the statutory authorization. (See Board policy BDC – Executive Sessions for additional information.)

The Board chair may direct an amendment to the agenda until it is posted, including adding or removing items. The Board may also amend the agenda during a meeting by a majority vote of the Board. This includes adding items to the agenda during the meeting.

A consent agenda may be used by the Board. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be voted on and approved at the same time. An item on the consent agenda will be removed from the consent agenda upon request of a Board member prior to the consent agenda's consideration. The item removed from the consent agenda will then be placed on the regular agenda.

The agenda, together with supporting materials, will be distributed to Board members at least two full working days prior to the meeting. A copy of the agenda will be posted on the district website at least 48 hours prior to any regular meeting and 24 hours prior to any special meeting.

Copies of the agenda for the press and public will not contain any confidential information included in Board member packets.

A video or audio recording of a meeting can be kept as the official record as long as all required content is included and it is kept in an allowable format³. Alternatively, the district may create written minutes. Written minutes do not need to be a verbatim transcript and can be kept in hard copy or electronic form⁴.

The official record must give a true reflection of the matters discussed at the meeting and the views of the participants, and must include the following information:

If written minutes are created for meetings which do not take place in executive session, those minutes shall be available to the public within a reasonable time after the meeting. These minutes will be published to the district website and may be requested from the district office.

Recordings or minutes⁷ of executive sessions will be kept in the same manner as other meetings of the Board.
