Brookings-Harbor School District 17C School Board Work Session

Wednesday, August 19, 2026 | Following the conclusion of the Regular Board Meeting

In attendance:

1. Call Meeting to Order

Board Chair Jay Trost called the School Board Work Session to order at 6:03 p.m., immediately following the conclusion of the Regular Board Meeting.

2. Discussion Topic: Alternative Academic Year Calendars

The Board read a memo and set of draft calendar concepts prepared at the Board's direction from the July 22 work session, covering a balanced ("all-year") calendar and several versions of a 4-day school week.

The memo presented four scenarios. Scenario 1, a balanced calendar (174 student days each), keeps the current five-day week and bell schedules with a roughly six-week summer, four weeks at winter break, two at spring break, and additional long weekends; its shorter, more frequent breaks were presented as the core academic argument, though Brookings-Harbor High School would clear the 990-hour requirement by only about 90 minutes in the out years, and a shorter summer would compress facilities work, staff training, and summer employment. Scenario 2, a 4-day week at current bell schedules (165 days, Monday-Thursday), would move staff PD and grading to Fridays but requires an eleven-month calendar with only about a six-week summer to remain compliant, and would clear the elementary hour requirement by only 45 minutes. Scenario 3, a 4-day week with an extended day (145 days, roughly one added hour per building, with Brookings-Harbor High School running 8:15 a.m. to 4:20 p.m.), keeps a traditional September-to-June calendar with a full summer and posts the largest compliance margin of any scenario, but raises concerns about long days for younger students, athletics travel on a 4:20 p.m. dismissal, and that both the calendar and the longer duty day are mandatory subjects of bargaining. Scenario 4 combines the extended day from Scenario 3 with the balanced-break structure of Scenario 1 (145 days), and was presented as the strongest compliance cushion alongside Scenario 3, with Brookings-Harbor High School reaching 1,033 hours against the 990-hour requirement.

The memo also flagged several other considerations: as a Community Eligibility Provision (CEP) district, every school day is a meal day, so reducing the number of school days under any 4-day scenario raises a food-equity question; the district's current "rolling start" practice should be ended or counted conservatively, since it costs one to two days of contact time under strict counting and was the source of the discrepancy between the district's own instructional-time accounting and Stand for Children's statewide survey figures for the district; bargaining and community input will need significant lead time, and a staff and family survey this fall could help gauge interest; a possible

May 2027 bond re-run may also affect sequencing; and none of the concepts would need to be adopted as presented — for example, the balanced calendar's long-weekend structure could be phased into a traditional calendar as a smaller first step.

Board members and staff discussed the concepts at length. Superintendent Chirinian said any alternative calendar would need to wait until the seismic construction project is complete, since the construction contractor needs longer, uninterrupted summer windows to work, and reiterated that state rules currently prohibit any reduction in instructional time — citing a nearby district's decision to abandon a planned 4-day week this fall once it determined the structure would have reduced instructional time under the new rules. Board members Janece Payne and Trish Walker voiced strong support for exploring a more balanced calendar, citing research and their own experience that shorter, more frequent breaks reduce the amount of re-teaching needed after a break and may improve student attendance and engagement. The Board and staff also discussed practical considerations, including effects on athletics scheduling, families working shift work, and whether shorter days could be designed for the youngest students, similar to the district's earlier half-day kindergarten model. Trish Walker noted a 4-day week could reduce the district's substitute costs if staff are able to schedule medical appointments on the day off, though staff noted a Friday day off may not help with that goal since many medical offices are closed on Fridays. Staff and the Board also noted that many Eastern Oregon districts originally adopted 4-day weeks to reduce student travel time in rural, ranching communities.

Board Chair Jay Trost thanked staff for the thorough analysis and asked Board members to review the calendar materials in more depth before the Board's next discussion. He directed staff to bring the calendar scenarios back next month for further discussion, and suggested that if a particular scenario emerges as a leading option, the district could consult with superintendents or board members from comparably sized districts that have adopted it, similar to the process the Board used when it previously studied charter schools.

3. Future Work Session Topics

No additional future work session topics were raised. The Board's continued review of alternative calendar scenarios was set as the topic for the next work session.

4. Executive Session

The Board recessed from Public Session to Executive Session pursuant to ORS 192.660(2)(i), to review and evaluate the employment-related performance of the chief executive officer of a public body, a public officer, employee, or staff member who does not request an open hearing.

3. Early Items

a. Presentation: Native American/Tribal Histories Units

Fourth-grade teacher Christine Zellmer presented the district's approach to teaching Oregon's Native American/tribal histories standards. Ms. Zellmer explained that the district's adopted McGraw-Hill social studies curriculum addresses only 2 of the 31 Oregon fourth-grade social studies standards, and that the new state standards also require use of the ODE Shared Tribal History Lessons developed by Oregon's federally recognized tribes. She said she has spent the past two years teaching and refining a full year of tribal history lessons — built backward from the new standards and organized into a monthly pacing guide included in the packet — to create a cohesive fourth-grade social studies program.

Ms. Zellmer shared an example slideshow for the Grand Ronde Tribe, and discussed how the materials cover Oregon's nine federally recognized tribes and the Tolowa Dee-ni', and described cross-curricular projects that grew out of student interest, including a weaving project, a petroglyph clay project, a Chinook Wawa language lesson, oral storytelling and creation-story writing, a study of Oregon's Trail of Tears using primary-source journal excerpts, a guest presentation from Kyle Motley of the Elakha Alliance on the history of sea otters and coastal peoples, and a unit on the Native American perspective of the Lewis and Clark expedition. She said her goal is for students to understand what Native American people in Oregon experienced, the struggles settlers faced arriving in the region, and what makes Oregon's history distinct.

Board members thanked Ms. Zellmer for the depth of the work.

6. District Reports and Information

a. Comments from the Superintendent

Superintendent Helena Chirinian reported that the teacher evaluation manual has been updated, with several items changed from mandatory to optional so they may still be completed at staff discretion, and other language revised to better reflect the district's actual evaluation practices. She noted that the packet's family leave first-read materials mistakenly included the wrong administrative regulation (GCBDA/GDBDA-AR(1)); the correct version will be brought back next month. Administrative regulations are informational only and do not require Board approval.

On facilities, Chirinian said the district plans to issue a pre-Request for Proposals the following day for the seismic rehabilitation project affecting the 400 hallway, science wing, and auditorium at Brookings-Harbor High School, and asked the Board to support a design-build approach and an exemption from lowest-bid contract selection. Facilities staff explained that a design-build approach worked well for the district's 2017 county offices project and other recent projects with Ausland, since the age and unknown condition of the building's interior make it difficult to fully specify a design before work begins; a design-build contractor can inspect and adjust design as work progresses rather than re-engineering after the fact. Staff said the district hopes to secure Ausland's bid and to begin construction as soon as next summer, noting the state matching grant is a fixed dollar amount that will buy less as construction costs continue to rise.

Chirinian also reported that the district's replacement bus purchase continues the district's planned bus rotation, providing a backup asset as an existing bus is retired from service.

Chirinian reported that Kindergarten Academy was held the previous week with about 60 children in attendance, and that staff hosted a pizza and ice cream social Thursday evening that was well received by families, many of whom are first-time school parents; families also had the opportunity to ride the school bus. She said new-student registrations are ongoing, but firm enrollment numbers

will not be known until mid-September, since departing students are not removed from the roll until the district receives a records request from the new school, which can take up to 10 days.

Chirinian outlined the upcoming in-service week: elementary math training was held this week for elementary and some middle school teachers; a New Hire Day lunch will be held Friday, August 21 at 11:30 a.m. in the cafeteria, and an all-staff breakfast will be held Monday, August 24 at 8 a.m., both of which Board members are invited to attend; staff will complete roughly 5 hours and 40 minutes of required Safe Schools insurance-mandated training; and Tuesday will include a round-robin of building-level training sessions, including legal boundaries training with district counsel, Student Support Team (SST) training on identifying students for special education, introductions from Southwestern Oregon ESD staff, and ParentSquare training.

Chirinian also reviewed several administrative rules brought forward for the Board's information alongside the policy first reads: BBE-AR (Board Member Vacancy Application, optional); GBA-AR (Veteran and State Servicemember Preference); an AR on personal student transportation brought forward by Trish Walker to prohibit motorized scooters and e-bikes on district property, since state law does not permit riders under 16 to operate them and the issue is concentrated among middle-school-age students; and KNA-AR(1) (Interactions with Immigration Enforcement), required under a new state executive order. Chirinian said the new immigration policy does not change how the district interacts with law enforcement generally: front office staff would notify the building principal, who would notify the superintendent, who would review any warrant and consult legal counsel before responding. She said the only portion of the model policy she asked to leave out was a specific training-schedule requirement, since staff training will occur regardless. Board Chair Jay Trost expressed frustration that the district has no discretion over adoption of certain state-required policies, a concern the Superintendent said echoes an earlier disagreement over the district's cell phone policy, where the state's model policy did not allow for an exemption form even though the district's own policy already addresses students' needs through 504 plans and IEPs.

Nancy Raskauskas-Coons said this first-read batch includes the full set released in the current update cycle — required, highly recommended, and optional policies, including proposed deletions — and recommended Board members review each one carefully before the next meeting so that any policy the Board does not wish to advance could be dropped from the batch before second read and final adoption.

Federal Family and Medical Leave/State Family Medical Leave

Coverage

The federal Family and Medical Leave Act (FMLA) applies to districts with 50 or more employees within 75 miles of the employee's work site, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year preceding the year in which the leave is to be taken. The 50 employee test does not apply to educational institutions for determining employee eligibility.

The Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA) applies to districts that employ 25 or more part-time or full-time employees in Oregon, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year immediately preceding the year in which the leave is to be taken.

Employee Eligibility

FMLA applies to employees who have worked for the district for at least 12 months (not necessarily consecutive) and worked for at least 1,250 hours during the 12-month period immediately preceding the start of the leave.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year. In such instances, the employee need not requalify as an eligible employee, if the additional leave applied for is in the same leave year and for the same condition.

OFLA applies to employees who work an average of 25 hours or more per week during the 180 calendar days or more immediately prior to the first day of the start of the requested leave.¹ For parental leave purposes, an employee becomes eligible upon completing at least 180 days immediately preceding the date on which the parental leave begins. There is no minimum average number of hours worked per week when determining employee eligibility for parental leave.

An employee who has previously qualified for and has taken some portion of OFLA leave, may request additional OFLA leave within the same leave year. In such instances, the employee must requalify as an eligible employee for each additional leave requested unless one of the following exceptions apply:

1. A female employee who has taken 12 weeks of pregnancy disability leave need not requalify leave in the same leave year for any other purpose;

¹ The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options employee leave at least as generous as the leave required by OFLA.

2. An employee who has taken 12 weeks of parental leave need not requalify to take an additional 12 weeks in the same leave year for sick child leave; and
3. An employee granted leave for a serious health condition for the employee or a family member need not requalify if additional leave is taken in this leave year for the same reason.

OMFLA applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

In determining if an employee has been employed for the preceding 180 calendar days, when applicable, the employer must consider days, e.g., paid or unpaid, an employee is maintained on payroll for any part of a work week. Full-time public school teachers who have been maintained on payroll by a district for 180 consecutive calendar days are thereafter deemed to have been employed for an average of at least 25 hours per week during the 180 days immediately preceding the start date of the OFLA leave. This provision is eligible for rebuttal if for example, the employee was on a nonpaid sabbatical.

In determining average workweek, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines.

Qualifying Reason

Eligible employees may access FMLA leave for the following reasons:

1. Serious health condition of the employee or the employee's covered family member:
 - a. Inpatient care;
 - b. Continuing treatment;
 - c. Chronic conditions;
 - d. Permanent, long-term or terminal conditions;
 - e. Multiple treatments;
 - f. Pregnancy and prenatal care.
2. Parental leave² (separate from eligible leave as a result of a child's serious health condition):
 - a. Bonding with and the care for the employee's newborn (within 12 months following birth);
 - b. Bonding with and the care for a newly adopted or newly placed foster child under the age of 18 (within 12 months of placement);
 - c. Care for a newly adopted or newly placed foster child over 18 years of age who is incapable of self-care because of a physical or mental impairment (within 12 months of placement);
 - d. Time to effectuate the legal process required for placement of a foster child or the adoption of a child.
3. Military Caregiver Leave: leave for the care for spouse, son, daughter or next-of-kin who is a covered servicemember/veteran with a serious injury or illness;
4. Qualifying Exigency Leave: leave arising out of the foreign deployment of the employee's spouse, son, daughter or parent.

² Parental leave must be taken in one continuous block of time within 12 months of the triggering event.

Eligible employees may access OFLA for the following reasons:

1. Serious health condition of the employee or the employee's covered family member:
 - a. Inpatient care;
 - b. Continuing treatment;
 - c. Chronic conditions;
 - d. Permanent, long-term or terminal conditions;
 - e. Multiple treatments;
 - f. Pregnancy and prenatal care.
2. Parental leave (separate from eligible leave as a result of the child's serious health condition):
 - a. Bonding with and the care for the employee's newborn (within 12 months following birth);
 - b. Bonding with and the care for a newly adopted or newly placed foster child under the age of 18 (within 12 months of placement);
 - c. Care for a newly adopted or newly placed foster child over 18 years of age who is incapable of self-care because of a physical or mental impairment (within 12 months of placement);
 - d. Time to effectuate the legal process required for placement of a foster child or the adoption of a child.
3. Sick Child Leave: leave for non-serious health conditions of the employee's child.
4. Bereavement Leave: leave related to the death of a covered family member.³
5. Eligible employees may access OMFLA for the purpose of spending time with a spouse or same-gender domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.
6. The eligibility of an employee who takes multiple leaves for different qualified reasons during the same district designated leave period may be reconfirmed at the start of each qualified leave requested.

e. First cousins.

5. Covered servicemembers:

For the purposes of Military Caregiver Leave under FMLA, “covered servicemember” means a current member of the Armed Forces, including a member of the National Guard or Reserves, who is receiving medical treatment, recuperation or therapy, or is in outpatient status, or is on the temporary disability retire list for a serious injury or illness.

6. Covered veteran:

For the purposes of Military Caregiver Leave under FMLA, “covered veteran” means a veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness provided he or she was:

- a. A member of the Armed Forces (including a member of the National Guard or Reserves);
- b. Discharged or released under conditions other than dishonorable; and
- c. Discharged within the five-year period before the eligible employee first takes FMLA, Military Caregiver Leave.

Leave Period

For the purposes of calculating an employee’s leave period, the district will use a “rolling” 12-month period measured backward from the date the employee uses any family and medical leave. The same method for calculating the 12-month period for FMLA and OFLA leave entitlement shall be used for all employees. However, in all instances, the leave period for the purposes of OMFLA and Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district’s designated 12-month leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district’s designated leave period⁵. Spouses who work for the district may be limited to a combined 12 weeks of FMLA leave during the district’s designated leave period when the purpose of the leave is for the birth of a child or to care for a child after birth, placement of an adopted or foster child or the care for an adopted or foster child after placement, or to care for the employee’s parent’s serious medical condition. Except in specific and unique instances, all qualified leave under FMLA counts toward an employee’s leave entitlement within the district’s designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district’s designated leave period. However, a woman is entitled to an additional, full 12 weeks of parental leave during the district’s designated leave period following the birth of a child regardless of how much OFLA qualified leave she has taken prior to the birth of such child during the district’s designated leave period. Likewise, an employee who uses the full 12 weeks of parental leave

⁵ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district’s leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee’s 26-week entitlement under Military Caregiver Leave under FMLA.

during the district designated leave period, will be entitled to an additional 12 weeks of sick child leave under OFLA during the district's designated leave period for the purpose of caring for a child(ren) with a non-serious health condition requiring home care.⁶ Unlike FMLA, OFLA does not combine the leave entitlement for spouses working for the district. However, under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.⁷

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the district's designated leave period.

Except as otherwise noted above, qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the district's designated leave period.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12⁸. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 weeks worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek⁹. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Intermittent Leave

With the exception of parental leave which must be taken in one continuous block of time, an eligible employee is permitted under FMLA and OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in multiple blocks of time (i.e., hours, days, weeks, etc.) rather than in one continuous block of time and/or requires a modified or reduced work schedule.

When an employee is eligible for OFLA leave, but not FMLA leave, the employer:

1. May allow an exempt employee, as defined by state and federal law, with accrued paid time off to take OFLA leave in blocks of less than a full day; but
2. May not reduce the salary of an employee who is taking intermittent leave when they do not have accrued paid leave available. To do so would result in the loss of exemption under state law.

⁶ Sick child leave under OFLA need not be provided if another family member, including a noncustodial biological parent, is willing and able to care for the child.

⁷ Exceptions to the ability to require family members from taking OFLA qualified leave at different times are when 1) employee is caring for the other employee who has a serious medical condition; 2) one employee is caring for a child with a serious medical condition when the other employee is suffering a serious medical condition; 3) each family member is suffering a serious medical condition; 4) each family member wants to take Bereavement Leave under OFLA; and 5) the employer allows the family members to take concurrent leave.

⁸ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

⁹ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Holidays or days in which the district is not in operation, are not counted against the eligible employee's intermittent OFLA leave period unless the employee was scheduled and expected to work on any such day.

Alternate Work Assignment

The district may transfer an employee recovering from a serious health condition to an alternate position which accommodates the serious health condition provided:

1. The employee accepts the position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA; and
5. The transfer is not used to discourage the employee from taking FMLA and/or OFLA leave for a serious health condition or to create a hardship for the employee.

The district may transfer an eligible employee who is on a foreseeable intermittent FMLA and/or OFLA leave to another position with the same or different duties to accommodate the leave, provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA;
5. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
6. The transfer is not used to discourage the employee from taking intermittent or reduced work schedule leave, or to create a hardship for the employee.

If an eligible employee is transferred to an alternative position, and as a result the employee works fewer hours than the employee was working in the original position, the employee's FMLA and/or OFLA leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

When an employee is transferred to alternate position as described above but such transfer does not result in a reduced schedule, time worked in any such alternate position shall not be considered for the purpose of FMLA and/or OFLA leave. An employee working in an alternate position retains the right to return to the employee's original position unless all FMLA and/or OFLA leave taken in that leave year plus the period of time worked in the alternate position exceeds 12 weeks.

Special Rules for School Employees

For the purposes of FMLA, "school employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual settlement. Athletic coaches, driving instructors and special education assistants, such as interpreters for the hearing impaired, are included in this definition. This definition does not apply to teacher assistants or aides, counselors, psychologist, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

For the purposes of OFLA, "school employee" means employees employed principally as instructors in public kindergartens, elementary schools, secondary schools or education service districts.

FMLA and/or OFLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. In any such situation, the eligible school employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible school employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a servicemember with a serious medical condition or because of the employee's own serious medical condition, the district may require the eligible school employee to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer the eligible school employee to an alternate position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's original position.

2. Limitation on Leave Near the End of the School Year

When an eligible school employee requests leave near the end of the school year, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the school year:
 - (1) For the purposes of FMLA leave, the eligible school employee may be required to continue taking leave until the end of the school year provided:
 - (a) The leave will last at least three weeks; and

- (b) The employee would return to work during the three-week period before the end of the term.

(2) For the purposes of OFLA leave, if the reason for the leave is because of the eligible school employee's own serious health condition, the eligible school employee may be required to remain in leave until the end of the school year, provided:

- (a) The leave will last at least three weeks; and
- (b) The employee's return to work would occur within three weeks of the end of the school year.

b. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within five weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided:

- (1) The leave will last more than two weeks; and
- (2) The employee would return to work during the two-week period before the end of the school year.

c. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within three weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided the length of the leave will last more than five working days. If the district requires an eligible school employee to remain on leave until the end of the school year as described above, additional leave required by the employer until the end of the school year shall not count against the eligible school employee's leave entitlement.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Subject to any related provisions in any applicable collective bargaining agreement, the district requires the eligible employee to use any available accrued paid leave, including personal and sick leave or available accrued vacation leave before taking FMLA and/or OFLA leave without pay during the leave period. The employee may select the order in which the available paid leave is used.

The district will notify the eligible employee that the requested leave has been designated as FMLA and/or OFLA leave and, if required by the district, that available accrued paid leave shall be used during the leave period. In the event the district is aware of an OFLA or FMLA qualifying exigency, the district shall notify the eligible employee of its intent to designate the leave as such regardless of whether a request has been made by the eligible employee. Such notification will be given to the eligible employee prior to the commencement of the leave or within two working days of the employee's notice of an unanticipated or emergency leave, whichever is sooner.

When the district does not have sufficient information to make a determination of whether the leave qualifies as FMLA or OFLA leave, the district will provide the required notice promptly when the information is available but no later than two working days after the district has received the information. Oral notices will be confirmed in writing no later than the following payday. If the payday is less than one week after the oral notice is given, written notice will be provided no later than the subsequent payday.

Eligible employees who request OMFLA leave shall not be required to use any available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA or OFLA qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working. The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Certification

Prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. The certification will specifically address the employee's ability to perform the essential functions of the employee's job as they relate to the health condition that was the reason for the leave. If the district is going to require a fitness-for-duty certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA and/or OFLA leave. Failure to provide the certification may result in a delay or denial of reinstatement.

For the purposes of FMLA qualified leave, any costs associated with obtaining the fitness-for-duty certification shall be borne by the employee.

For the purposes of OFLA qualified leave, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

If the leave is qualified under both FMLA and OFLA, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

Application

Under federal and state law, an eligible employee requesting FMLA and/or OFLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

The district may request additional information to determine that the requested leave qualifies as FMLA and/or OFLA leave. The district may designate the employee as provisionally on FMLA and/or OFLA leave until sufficient information is received to properly make a determination. An eligible employee able to give advance notice of the need to take FMLA and/or OFLA leave must follow the employer's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means the employee must comply with the employer's normal call-in procedures except in limited and under unique circumstances. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.

For the purposes of OFLA, an eligible employee is required to provide oral or written notice within 24 hours of commencement of the leave in unanticipated or emergency leave situations. The employee may designate a family member or friend to notify the district during that period of time. Failure of an employee to provide the required notice for leave covered by OFLA may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

When an employee fails to give advance notice for both the FMLA and OFLA above, the district must choose the remedy that is most advantageous to the employee.

In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

Medical Certification

The district may require an eligible employee to provide medical documentation, when appropriate, to support the stated reason for such leave. The district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. If the employee provides less than 30 days' notice, the employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required.

The district may request re-certification of a condition when the minimum duration of a certification expires if continued leave is requested. If the certification does not indicate a duration or indicates that it is ongoing, the district may request re-certification at least every six months in connection with an absence.

Under federal law, a second medical opinion may be required whenever the district has reason to doubt the validity of the initial medical opinion. The health care provider may be selected by the district. The provider shall not be employed by the district on a regular basis. Should the first and second medical certifications differ, a third opinion may be required. The district and the employee will mutually agree on the selection of the health care provider for a third medical certification. The third opinion will be final. Second and third opinions and the actual travel expenses for an employee to obtain such opinions will be paid for by the district.

Second and Third Opinions

1. For the purposes of FMLA, the district may designate a second health care provider, but that person cannot be utilized by the district on a regular basis except in rural areas where health care is extremely limited. If the opinions of the employee's and the district's designated health care provider(s) differ, the district may require a third opinion at the district's expense. The third health care provider must be designated or approved jointly by the employee and the district. This third opinion shall be final and binding.
2. For the purposes of OFLA, and except for leave related to sick child leave under OFLA, the district may require the employee to obtain a second opinion from a health care provider designated by the district. If the first and second verifications conflict, the employer may require the two health care providers to jointly designate a third health care provider for the purpose of providing a verification. This third verification shall be final and binding.

Notification

Any notice required by federal and state laws explaining employee rights and responsibilities will be posted in all staff rooms and the district office. Additional information may be obtained by contacting the superintendent.

Record Keeping/Posted Notice

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific

notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

The district will post notice of FMLA and OFLA leave requirements.

Federal vs. State Law

Both federal and state law contain provisions regarding leave for family illness. Federal regulations state an employer must comply with both laws; that the federal law does not supersede any provision of state law that provides greater family leave rights than those established pursuant to federal law; and that OFLA and FMLA leave entitlements run concurrently. State law requires that FMLA and OFLA leave entitlements run concurrently when possible.

For example, due to differences in regulations, an eligible employee who takes OFLA leave after 180 days of employment, but before he/she is eligible for FMLA leave, is still eligible to take a full 12 workweeks of FMLA leave after meeting FMLA's eligibility requirements. Thereafter, any eligible leave period will run concurrently, when appropriate.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness*.

***The FMLA definition of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one

visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures. Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

Family and Medical Leave *

(Version 1)

{This administrative regulation (AR) is intended for districts with 50 or more employees. If the district has 25 or more and fewer than 50 employees, use version 2 (Oregon Family Leave Act (OFLA)) of GCBDA/GDBDA-AR(1) - Family Leave *.

Employee Eligibility

FMLA benefits are available to employees who have been employed by the district for at least 12 months, have worked at least 1,250 hours during the past 12-month period and work at a worksite that employs 50 district employees within 75 miles of the worksite.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year.

Generally, in order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours or more per week during the 180 calendar days immediately prior to the first day of the start of the requested leave.^[1] In determining if an employee has been employed for the preceding 180 calendar days under OFLA, the district must consider days, paid or unpaid, an employee is maintained on payroll.

In determining average workweek, under FMLA and OFLA, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines. An employee is eligible to take leave for any purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who has worked for the district for fewer than 30 days immediately before the date on which the family leave would commence; or
2. An employee who has worked for the district for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence.

An employee of the district who has separated and is reemployed within 180 days, or experiences a temporary cessation of schedule hours may be eligible for OFLA in accordance with ORS 659A.156.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for the district prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the district within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

¹ [The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options, employee leave at least as generous as the leave required by OFLA.]

When an employee requests OFLA leave, or when the district acquires knowledge that an employee's leave may be for a purpose that constitutes OFLA leave, the district will notify the employee of the employee's eligibility to take OFLA leave within five business days, absent extenuating circumstances. Whether an employee is an "eligible employee" as defined in OAR 839-009-0210 is determined, a notice must be provided, at the commencement of the first instance of each purpose for leave listed in OAR 839-009-0240 during the OFLA leave year. If an employee is an "eligible employee" as defined in OAR 839-009-0210 for the purpose listed in OAR 839-009-0240, the employee's eligibility for that purpose does not change during the applicable 12-month period.

In addition:

1. An employee taking, in any order, some or all of 12 weeks of OFLA pregnancy disability leave and some or all of 12 weeks of OFLA leave for any other purpose, need not requalify each time the employee takes OFLA leave within the same leave year;
2. An employee unable to work because of a disabling compensable injury² need not requalify under OAR 839-009-0210 in order to use OFLA leave following a period the employee is off work due to the compensable injury.

Leave under the Oregon Military Family Leave Act (OMFLA) applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

Qualifying Reason

Eligible employees may access FMLA leave entitlements for the following reasons:

1. Serious health condition of the employee or the employee's covered family member. "Serious health condition" means an illness, injury, impairment or physical or mental condition that involves inpatient care³ or continuing treatment by a health care provider⁴.

⁵ Parental leave must be taken in one continuous block of time within 12 months of the triggering event.

⁶ {ORS 659A.159 uses the term "foster child." Districts can choose to use either "foster child" or "child in foster care" throughout this administrative regulation.}

- d. Time to effectuate the legal process required for placement of a child in foster care or the adoption of a child.
3. Military caregiver leave: leave for the care for a covered servicemember if the eligible employee is the spouse, child or next-of-kin of the servicemember with a serious injury or illness;
4. Qualifying exigency leave: leave arising out of deployment to a foreign country of the employee's spouse, child or parent who is a military member on active duty or call to covered active duty status.

Eligible employees may access OFLA leave entitlements for the following reasons:

1. Pregnancy disability leave: leave taken by an employee for their own disability related to pregnancy, including pregnancy termination or childbirth, whether the disability occurs before, during or after the birth of the child or for prenatal care, including fertility or infertility treatment.
2. 3. Bereavement leave: leave taken to deal with the death of a covered family member and includes leave taken to attend the funeral or alternative to a funeral of the family member, to make arrangements necessitated by the death of the family member, or to grieve the death of the family member.⁹

Eligible employees may also access OMFLA for the purpose of spending time with a spouse or domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.

Leave Period

For the purposes of calculating an employee's leave period for FMLA, the district will use a "rolling" 12-month period measured backward from the date the employee uses any FMLA leave.

For the purposes of calculating an employee's leave period for OFLA, the district will use a period of 52 consecutive weeks beginning on the Sunday immediately preceding the date on which family leave commences.

The leave period for the purposes of Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district's designated leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district's designated leave period (12-month period)¹⁴. Spouses who work for the district and are eligible for FMLA leave may be limited to a combined total of 12 weeks of FMLA leave during the district's designated leave period when the purpose of the leave is for:

1. Birth of a child or to care for a child after birth;
2. Placement of an adopted child or child in foster care, the care for an adopted child or child in foster care after placement; or
3. Care of the employee's parent with a serious medical condition.

Except in specific and unique instances, all qualified leave under FMLA counts toward an employee's leave entitlement within the designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of up to 12 weeks of OFLA leave, for sick child leave and bereavement leave, during the designated leave period. An eligible employee is entitled to a total of two weeks of bereavement leave upon the death of each family member of the employee within a leave year, except that the eligible employee may not take more than four weeks of bereavement leave within a leave year.

An employee may also be entitled to take a total of 12 weeks of OFLA pregnancy disability leave within the same leave year.

Under OFLA, the employee may use all or part of the 12 weeks of sick child or bereavement leave and all or part of the 12 weeks of pregnancy disability leave in any order.

Unlike FMLA, OFLA does not combine the leave entitlement when two or more family members work for the district. Under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.¹⁵

¹⁴ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district's leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee's 26-week entitlement under Military Caregiver Leave under FMLA.

¹⁵ Exceptions to the ability to require family members to take OFLA qualified leave at different times are when one employee needs to care for a child for a purpose described in ORS 659A.159 (1)(a) while another employee is taking pregnancy disability leave or, one or more of the employees is taking bereavement leave.

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the designated leave period.

Qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the designated leave period if for the same qualifying reason. Qualified leave under FMLA will run concurrently with other qualified leave covered under Paid Family and Medical Leave Insurance (PFMLI) and/or available sick leave under ORS 653.601 - 653.661 for eligible employees. Qualified leave under OFLA may also run concurrently with leave taken under the sick time law in ORS 653.601 - 653.661 if for the same qualifying reason, but not concurrent with PFMLI.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12¹⁶. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 months worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek¹⁷. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Holidays which occur within the week taken as FMLA may be counted against FMLA entitlement.¹⁸ However, for leave taken in increments of less than one week, holidays in which employees generally are not expected to report do not count against the employees FMLA leave entitlement.

Under OFLA, days in which the district is not in operation, are not counted toward intermittent or reduced work schedule OFLA leave.

Intermittent Leave

[With the exception of parental leave under FMLA which must be taken in one continuous block of time, a]n eligible employee is permitted under FMLA or OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in separate periods of time (i.e., hours, days, weeks, etc.), rather than in one continuous period of time, and/or requiring an altered or reduced work schedule. For OFLA this includes but is not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an exempt employee is eligible for both OFLA and FMLA leave, and the employee takes intermittent leave in blocks of less than one day, if done in accordance with 29 CFR § 825.206, the district may reduce the employee's salary for the part-day absence without the loss of the employee's exempt status in accordance with OAR 839-020-0004(32).

¹⁶ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

¹⁷ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

¹⁸ See 29 CFR § 825.200(h).

When an exempt employee is eligible for OFLA leave but not FMLA leave, and the employee takes intermittent leave in blocks of less than one day, the district will jeopardize the employee's exempt status if the district reduces the employee's salary for the part-day absence.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Alternate Work Assignment

Under FMLA, the district may transfer an employee taking intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment to an alternate position for which the employee is qualified and which better accommodates an employee's recovery from a serious health condition, a serious health condition of a spouse, parent, or child, or a serious injury of illness of a covered servicemember. However, the district may not transfer the employee to an alternative position in order to discourage the employee from taking leave or otherwise work a hardship on the employee.

Under FMLA, when an employee who is taking leave intermittently or on a reduced leave schedule and has been transferred to an alternative position no longer needs to continue on leave and is able to return to full-time work, the employee will be placed in the same or equivalent job as the job they left when the leave commenced. An employee may not be required to take more leave than necessary to address the circumstance that precipitated the need for leave.

Under OFLA, the district may transfer an employee on intermittent OFLA leave or reduced work schedule into an alternate position with the same or different duties to accommodate leave, provided:

1. The employee accepts the position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary to accommodate the leave and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement, as well as with state and federal law;
4. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
5. The transfer is not used to discourage the employee from taking leave or to create a hardship for the employee.

Under OFLA, an employee transferred to an alternate position for the purpose of a reduced work schedule must be returned to the employee's former position when the employee notifies the employer that the employee is ready to return to the former position at the end of the alternate duty leave.

The district may transfer an eligible employee to an alternate position that accommodates OFLA pregnancy disability leave provided:

1. The employee accepts the transfer position voluntarily and without coercion;

2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements, as well as with state and federal law;
4. The transfer is not used to discourage the employee from taking OFLA leave or to create a hardship for the employee.

Under OFLA, if an eligible employee is transferred to an alternative position and as a result the employee works fewer hours than the employee worked in the original position, the employee's OFLA leave time is determined by calculating the difference between the number of hours the employee worked in the original position and the number of hours the employee actually works in the alternative position.

An employee is not on OFLA leave if the employee has been transferred – as provided for in OAR 839-009-0245 (5) – to an alternate position for the purpose of alternate work duties that the employee is able to perform within the limitations of the employee's pregnancy disability, but not requiring a reduced workweek. An employee working in an alternate position retains the right to return to the employee's original position at any time during the employee's OFLA leave. This does not impair the right of an employee to a reasonable accommodation or the application of any other state or federal law.

Special Rules for School Employees

For the purposes of FMLA, "instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual setting. Athletic coaches, driving instructors and special education assistants, such as signers for the hearing impaired, are included in this definition. This definition does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

FMLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. The period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee's FMLA leave entitlement. In any such situation, the eligible instructional employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible instructional employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a covered servicemember or for the employee's own serious medical condition, the district may require the eligible instructional employee to choose either to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer to an available alternate position for which the employee is qualified, which has equivalent pay and benefits, and which better accommodates recurring periods of leave than the employee's regular position.

If an instructional employee does not give required notice of foreseeable FMLA leave to be taken intermittently or on a reduced leave schedule, the district may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the employee to delay the taking of leave until the notice provision is met.

2. Limitation on Leave Near the End of the Term¹⁹

When an eligible instructional employee requests leave near the end of the term, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the term, the district may require the employee to continue taking leave until the end of the term if:
 - (1) The leave will last at least three weeks; and
 - (2) The employee would return to work during the three-week period before the end of the term.
- b. When the qualified leave begins during a five-week period before the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required by the district to remain on leave until the end of the term if:
 - (1) The leave will last more than two weeks; and
 - (2) The employee would return to work during the two-week period before the end of the term.
- c. When the qualified leave begins within three weeks of the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required to remain on leave until the end of the term if the length of the leave will last more than five working days.

If the district requires an eligible instructional employee to remain on leave until the end of the term as described above, additional leave required by the district until the end of the school term shall not count against the eligible instructional employee's leave entitlement.

For the purposes of OFLA leave, if an employee²⁰ begins a period of bereavement leave during the three-week period before the end of the term and the duration of the leave is greater than five working days, the district may require the employee continue on family leave until the end of the term.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Paid Family and Medical Leave Insurance (PFMLI) leave taken via Paid Leave Oregon or an equivalent plan will run concurrently with FMLA and leave available under ORS 653.601 - 653.661 when taken for the same purpose. An employee may elect to use any available accrued paid leave including personal, sick or vacation leave during the leave period. The total combined amount received by using accrued leave and

¹⁹ "Academic term" means the school semester, which typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of FMLA. 29 CFR § 825.602(b)

²⁰ Applies only to an employee who is employed principally in an instructional capacity by the district.

PFMLI may exceed the employee's full wage replacement during the period of leave. The district will notify the eligible employee when the requested leave has been designated as FMLA or OFLA leave and ask the employee about the use of available accrued paid leave.

Eligible employees taking OMFLA leave are entitled to use available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA-, OFLA- or OMFLA-qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working, unless the terms of a collective bargaining agreement, other agreement or other district policy provide otherwise.²¹ The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Verification

For purposes of FMLA, prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. If the district is going to require a Fitness-for-Duty Certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA leave and that failure to provide the certification may result in a delay or denial of reinstatement. Any costs associated with obtaining the certification shall be borne by the employee.

Application

For purposes of FMLA, an eligible employee requesting FMLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must

²¹ {Select one of the two bracketed options based on district practice, i.e., keep the ending to this sentence OR delete this ending and keep the following bracketed sentence. See ORS 657B.030(2) for additional guidance.}

make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

For purposes of OFLA, an eligible employee shall provide at least [²²30] days' written notice of the need for foreseeable leave before starting family leave. An employee may commence family leave without prior notice in the event of: an unexpected illness, injury or condition of a child of the employee that requires home care; the death of a family member; the closure of the school or child care provider of the employee's child due to a public health emergency unless the declaration of the emergency was issued by the Governor at least 30 days before commencement of the leave; or an illness, injury or condition related to the employee's own pregnancy or childbirth that disables the employee from performing any available job duties offered by the district. If an employee commences leave without prior notice as allowed above, the employee must give oral notice²³ to the employer within 24 hours of the commencement of the leave and must provide the written notice within three days after returning to work. Failure of an employee to provide the required notice for leave may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

The district may request additional information²⁴ to determine the requested leave qualifies as FMLA or OFLA leave as provided by law. The district may designate the employee as provisionally on FMLA or OFLA leave until sufficient information is received to properly make a determination.

An eligible employee able to give advance notice of the need to take leave must follow the district's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. In most situations, as soon as practicable will be within one business day of an employee becoming aware of the need. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.²⁵

For the purposes of OFLA, if an eligible employee is taking leave in an unforeseeable situation, an employee must give oral or written notice²⁶ within 24 hours before or after commencement of the leave.

In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

For purposes of OMFLA, an employee must provide the district with notice of the intention to take leave within five business days of receiving official notice of an impending call or order to active duty or of a leave from deployment.

Verification

²² See also ORS 342.934(4)(d) in reduction force situations.

²³ {This number of days should align with the days provided in the leave request form.}

²⁴ Oral notice may be given by any other person on behalf of the employee taking the leave.

²⁵ See OAR 839-009-0260 for OFLA and 29 CFR § 825.305 et. al. for FMLA.

²⁶ See 29 CFR § 825.304.

Under FMLA, the district may require an eligible employee to provide medical certification, when appropriate²⁷, to support the stated reason for such leave. In most cases, the district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. The employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required, unless not practicable. Any additional certifications, including second and third opinions, will be in accordance with applicable law.

Under OFLA, the district may require an eligible employee to provide medical verification, when appropriate²⁸, to support the stated reason for qualifying OFLA leave. The district will provide written notification to an employee of this requirement and state the consequences for failure to provide the requested medical verification. If the employee gives advance written notice of foreseeable leave, the district may require the employee to provide medical verification for OFLA leave before the leave starts. If the employee begins unforeseeable OFLA leave without prior notice, the employee is required to submit such medical verification within 15 calendar days after receipt of the district's request for medical verification. The employee may be subject to disciplinary action for not providing the requested medical verification.

For the purposes of OFLA qualified leave, costs associated with obtaining the medical verification shall be borne by the district or be paid as otherwise allowed by law. The district will not delay the use of qualifying OFLA leave when medical verification is not received before the commencement of unforeseeable leave. The district may not require an employee to obtain a second opinion.

Under OFLA, the district may request verification for the need for leave to care for a child who requires home care due to the closure of the child's school or child care provider as a result of a public health emergency. A request for verification may include a request for:

1. The name of the child requiring home care;
2. The name of the school or child care provider that is subject to the closure;
3. A statement from the employee that no other family member of the child is willing and able to care for the child; and
4. A statement that special circumstances exist that require the employee to provide home care for the child during the day, if the child is older than 14 years of age.

Posted Notice

The district will post the Bureau of Labor and Industries Family Leave notice in each building or worksite in an area that is accessible to and regularly frequented by employees.²⁹ The district will also post a notice explaining the provisions of FMLA and providing information concerning the procedures for filing complaints.³⁰

Record Keeping

²⁷ Notice may be given by any other person on behalf of the employee taking the leave.

²⁸ Medical verification is not allowed in every situation. Review current laws and guidance for more information.

²⁹ Medical verification is not allowed in every situation. Review current laws and guidance for more information. (OAR 839-009-0260)

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

Federal vs. State Law

Both federal and state law contain provisions for family and medical leave. Federal regulations state an employer must comply with all leave laws; that the federal law does not supersede any provision of state law that provides greater family or medical leave rights than those established pursuant to federal law; and if leave qualifies for FMLA and OFLA leave, the leave used counts against the employee's entitlement under both laws. State law requires that FMLA and state leave entitlements run concurrently when for the same purpose.

Personal Student Transportation

Bicycle Use

Students who live within a reasonable distance may ride bicycles to school. Consistent with Board policy JHFC - Student Bicycle Use, bicycle riders are encouraged to observe safe and lawful practices. All bicycle riders must comply with Oregon helmet laws. Bicycles must be parked in a designated area on school grounds and should be locked. The district assumes no responsibility or liability for loss or damage to bicycles.

Skateboard/Roller Blade/Scooter Use

Students who live within a reasonable distance may ride skateboards, roller blades, scooters, and other similar devices to school provided they wear appropriate safety equipment, and providing the skateboards, roller blades, scooters, and other similar devices are stored properly in a manner designated by the principal or designee during the school day. The district assumes no responsibility for loss or damage to skateboards, roller blades, scooters, and other similar devices.

Due to the inherent dangers both to participant and non-participant, combined with the potential liability assumption, the use of skateboards, roller blades, scooters, and other similar devices on district property is not allowed. The district recognizes there may be circumstances when skateboards, roller blades, scooters, and/or similar devices, will be allowed. Such circumstances will be approved by the principal or designee and may require parent/guardian permission for student participation.

Motorized Bicycle/Motorized Scooter Use

Motorized bicycles (E-bikes) or motorized scooters (E-scooters) are prohibited on district property for persons under age 16. This age will be lowered to 14 years of age after January 1, 2027, in accordance with Oregon House Bill 4007 (2026), which lowers the minimum age to operate a Class 1 e-bike or e-scooter from 16 to 14.

Student Vehicle Use

As provided in Board policy JHFD - Student Vehicle Use, all students who drive vehicles to school are subject to parking and driving rules developed by the principal or designee.

The district may require students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;
3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state;
4. That the vehicle is in compliance with district rules by displaying the appropriate tag/sticker, as applicable.

Parking privileges will be subject to the specific requirements of this regulation and any other applicable policy or regulation and/or rules of the district. Parking privileges, including driving on district property,

may be revoked by the principal or designee for violations of policies, regulations or school rules. The district will post appropriate parking signs.

The district assumes no responsibility or liability for stolen or damaged vehicles.

Non-Licensed Motor Vehicles Not Allowed

Non-licensed motorized vehicles, such as minibikes, go-carts, all-terrain vehicles, snowmobiles, motorized scooters, and other similar devices are not permitted on district property.

Interactions with Immigration Enforcement

The [Superintendent] is designated as the “immigration liaison.”

1. Staff[, contractors and volunteers] shall adhere to all district policies when interacting with federal immigration authorities and the following administrative regulations:
 - a. Unless expressly authorized by the superintendent or designee, or by the immigration liaison on behalf of the superintendent or designee, staff shall not:
 - (1) Provide federal immigration authorities with records or information about students, staff, or volunteers;
 - (2) Confirm whether a student, staff member, or volunteer is present or make the student, staff member, or volunteer available;
 - (3) Allow access to non-public areas of the district’s facilities or property;
 - (4) Sign documents presented by federal immigration authorities; or
 - (5) Give consent to any immigration enforcement action.
 - b. Staff may not interfere with lawful immigration enforcement actions or physically obstruct federal immigration authorities in any manner. However, staff should immediately report to the immigration liaison if they observe any conduct or enforcement activities by federal immigration authorities that violate state or federal law, or district policies, or that otherwise present a security threat or potential danger to students, staff, volunteers, or visitors.
 - c. Staff who receive a request related to immigration enforcement must immediately notify the immigration liaison. The immigration liaison is responsible for interacting with the federal immigration authorities until the matter is concluded or the federal immigration authorities have been referred to the superintendent or designee.
 - d. The immigration liaison or alternate immigration liaison should meet the federal immigration authorities at the school door or other area designated by the superintendent or designee for this purpose.
 - e. The immigration liaison shall provide federal immigration authorities with a copy of this policy and explain that school staff are required to follow these steps in this policy. The immigration liaison should inform the immigration authorities that school staff must contact the office of the superintendent or designee for guidance before providing access to school facilities, records, or other information.
 - f. The immigration liaison should direct another staff member to contact the superintendent or designee while the immigration liaison remains with the federal immigration authorities.
 - g. The immigration liaison must document the request from federal immigration authorities to the fullest extent possible under the circumstances. At a minimum, the documentation shall include the following information, if available:
 - (1) The name, badge number, and agency of the law enforcement officer making the request;
 - (2) The number of officers present;

- (3) Time, date, and location of the request;
- (4) The nature of the request;
- (5) The source of authority for the request, including whether the request is administratively or judicially authorized;
- (6) Whether the request requires an immediate response;
- (7) The identification of witnesses present; and
- (8) How the encounter concluded.

- h. The immigration liaison shall direct another staff member to transmit copies, photos, or other documentation provided by federal immigration authorities to the superintendent or designee, along with other information documented pursuant to this policy. The superintendent or designee must approve any response to a law enforcement request related to immigration enforcement as provided in Section 3 of this administrative regulation.

2. Determination of Validity of Judicial Warrant, Subpoena or Order

- a. If presented with a warrant, subpoena or order by federal immigration authorities, the immigration liaison shall verify the validity of the warrant, subpoena or order by determining whether the warrant, subpoena or order is judicially authorized. An administrative warrant, subpoena, order or other legal process that has not been authorized by a judicial officer does not authorize the district to provide law enforcement with access to records or information, or facilities for purposes of immigration enforcement.

A judicially authorized warrant, subpoena or order contains the following key features:

- (1) A caption, near the top of the document, identifying the court that issued the order (typically the federal district court for the District of Oregon);
- (2) A signature block, near the end of the document, including the name of the person who signed the order, and identifying that individual as a judge, magistrate, clerk of court, or other person signing on behalf of a judge or magistrate, and the date of the signature; and
- (3) An indication that the warrant, subpoena or order has not expired.

Examples of warrants and subpoenas are available in the Attorney General's model policies¹.

- b. The immigration liaison shall notify the superintendent or designee of the warrant, subpoena or order and whether the warrant, subpoena or order appears on its face to be judicially authorized.
- c. The immigration liaison should request a copy of the warrant, subpoena or order and transmit a copy of the warrant, subpoena or order for review by the superintendent or designee, or legal counsel.
- d. The superintendent or designee shall make the final determination regarding the validity of any warrant, subpoena or order and whether, and to what extent, federal immigration will have access to district records or information, or facilities. If the superintendent or designee is uncertain as to the validity or scope of the warrant, subpoena or order, the superintendent or designee should immediately consult legal counsel or a statewide or regional education organization.

3. Approval of Response by Superintendent

- a. The immigration liaison shall notify the superintendent or designee of a request related to immigration enforcement prior to responding to the request. The superintendent or designee will only honor requests from immigration enforcement officers or other agencies enforcing federal immigration laws if the request is judicially authorized. If the superintendent or designee is uncertain as to the lawfulness or scope of the request, the superintendent or designee should immediately consult legal counsel or a statewide or regional education organization prior to approving a response.
 - b. If the superintendent or designee determines that a response is not authorized by a judicial subpoena issued as part of a court proceeding or by another compulsory court-issued legal process, such as a warrant, the superintendent or designee shall direct the immigration liaison to decline the request.

Upon direction of the superintendent or designee, the immigration liaison shall decline the request, refer the federal immigration enforcement authorities to the superintendent or designee, and request that they leave the premises.

The immigration liaison shall ensure that the information documented pursuant to this administrative regulation is submitted to the Oregon Criminal Justice Commission as provided in ORS 181A.826.

- S
- c. If the request is accompanied by a subpoena, warrant or order that appears on its face to be judicially authorized, the superintendent or designee must review and approve the immigration liaison of district's response to the request.

The superintendent or designee shall ensure that the district's response provides no greater access to records or information, or facilities, than that required by the subpoena, warrant or order.

- E
- d. If the request involves a warrant that appears to be valid and authorizes the arrest of a particular person, the superintendent shall direct the immigration liaison to request that the arrest be conducted in a manner that is the least disruptive to the school environment and to the person's wellbeing, which may include bringing the arrestee to the federal immigration authorities.

4. [School-Sponsored Events]

If federal immigration authorities appear at a school-sponsored event open to the general public (e.g., field trip, athletic event, band event), staff should document their observations, notify the immigration liaison and follow any guidance provided by the immigration liaison. When alerted to the presence of federal immigration authorities at a school-sponsored event, the immigration liaison shall notify the superintendent or designee.]

5. [School Transportation/Buses]

If federal immigration authorities request to board a school bus or other vehicle transportation, the driver should ask them to wait outside the bus/vehicle, close the doors, and immediately call the immigration liaison and follow any guidance provided by the immigration liaison. The immigration liaison shall notify the superintendent or designee and coordinate an approved response as outlined in this policy.]

6. [Volunteers

The district will determine which volunteers need to receive training or materials regarding this administrative regulation.]

Overview:

BHHS continues to organize its work around three lines of effort: Operations, Student Connections, and Student Engagement. The opening of the school year has provided strong evidence that the systems and programs developed over the summer are helping students feel connected, supported, and ready to participate in the BHHS community.

BHHS's current enrollment is 348 in person students and 27 registered with Grad Alliance.

Operational Efficiency:

Following the successful implementation of the GoGuardian Hall Pass system, BHHS is now working directly with GoGuardian to help develop its Flex scheduling platform. The new scheduler is expected to be operational during the first part of October.

This partnership gives BHHS the opportunity to help shape a system that meets the practical needs of our building. We anticipate that the finished platform will be user-friendly and will allow us to streamline several of our current scheduling processes. GoGuardian has been highly responsive and willing to work alongside our staff throughout the development process. We appreciate the company's commitment to listening to our needs and helping us build a system that will work well for both students and staff.

Student Connections:

BHHS has strengthened its student-support spaces by developing a dedicated Career Center and revamping the de-escalation room.

The Career Center will provide students with a visible and accessible place to explore colleges, careers, military opportunities, scholarships, financial aid, and other postsecondary pathways. Our goal is to create a practical resource center where students can receive individualized support and begin making informed plans for life after high school.

The redesigned de-escalation room provides students with a calmer, more purposeful environment when they need assistance regulating, regrouping, and preparing to return successfully to class. The space is intended to support students while maintaining clear expectations and protecting instructional time. Together, these two spaces strengthen our ability to meet students where they are while helping them remain connected to school and prepared for what comes next.

Student Engagement:

Our Soft Start was a tremendous success thanks to the work of Link Crew. Student leaders and staff did an excellent job organizing activities, welcoming our incoming freshmen, and helping them become familiar with the building and the people who will support them. The event gave freshmen an opportunity to begin the year with positive relationships and a stronger sense of belonging at BHHS.

We also held our first assembly featuring competitions connected to the new Advisory Challenge. Students competed on behalf of their Advisories, while staff members joined in and participated alongside them. The response has been extremely positive. Students are excited about the competition, and staff members have embraced the opportunity to build stronger Advisory communities.

The enthusiasm surrounding Advisory has created a strong beginning to the year. We look forward to building on this momentum through continued competitions, reading, school-spirit activities, community building, and postsecondary preparation.

Food Services September 2026 Board Report

The Summer Foods Program ended with 226 Breakfasts and 282 Lunches made for the Kinder Academy. Recently, I applied for the Fresh Fruit and Vegetable program. Due to limited funding for this grant and Oregon having 91% schools on CEP, we did not make the cut. On a high note, I have also applied for the Competitive Farm to School grant, and we were awarded 50K for Oregon-produced, grown, and or raised food.

September 2026 Board Report

During the month of August, the IT department received 138 new tickets and closed 101 open tickets. So far during the month of September we have received 131 new tickets. As is typical, the month of August was extremely busy as staff and students returned and September is looking to be even busier for the IT department.

We have just received notification of approval for our ERate Category 2 expenditures so we can now order the equipment and make plans to install it during the Thanksgiving and Christmas breaks.

It seems like technology readiness has gone fairly well this year, especially considering the number of tech related changes that occurred during this year's Summer Break.

In the IT Department, we are looking forward to being able to provide another year of quick, quality service to the staff and students of the district.

Sincerely,

Bruce Raleigh

Athletics & Activities

September 2026 Board Report

Fall events are in full swing. Between high school and middle school, we have over 200 athletes participating in sports and over 50 other students participating in various other fall activities. Needless to say the calendars are full of many opportunities to get out and support our students.

Football is starting off to a hot start with two wins, including one over our county rival. Next up for football is a home contest vs 4a Hidden Valley where we will be truly tested. Azalea football will play its first contest next wednesday on the road at Myrtle Point.

Volleyball has already played multiple contests with a huge win in a thriller last week vs Bandon. They begin league this week with a home contest vs. St. Mary's. They will be at home every Tuesday from here on out and on the road on Thursdays Azalea Volleyball will start Monday the 14th with a home game.

Boys soccer has been growing and building under new leadership. Both coaches and players are working hard to develop chemistry to build into a bright future. Girls soccer is already 3 games into the season with an even .500 record, don't forget you can tie, and have many winnable games on their schedule upcoming. We anticipate a deep post season run from this crew.

Both cross country programs are under new leadership, although very veteran leadership. Our home meets will be in two weeks at Salmon Run Golf Course. HS is Wednesday the 23rd with middle school the very next day.

Cheer is growing every year and is working so hard to put out better teams each year. Azalea continues to bring great numbers to the sport in order to provide great building opportunities to prepare for HS. The high school program did their annual team camp with a clinician in town and it already is paying dividends to the performances they put on. Very proud of this program for its growth over the last few years.

Special thanks to all our volunteers and staff who help run events by running the clock, taking tickets, supervising, lines judges, and whatever else is needed.

GO BRUINS!

District Communications September 2026

August was our first month with data since rolling ParentSquare out district-wide, replacing One Call Now at the District level, and the use of alternative apps such as Class Dojo, Remind, and Band, at the school and team level. ParentSquare tracks three signals of communication health: reach, attention, and action. Here is how the district performed in August, along with where things stand as of this early September report.

Reach: Can families receive our messages?

99.0% of student families (1,160 of 1,172) have at least one working contact channel on file. That is slightly above the median for similarly sized districts on ParentSquare (98.2%). We are working to resolve missing contact information for 12 families with no reachable contact information at all, which matters most if we ever need to close school unexpectedly. This can be due to a number of factors, incomplete records, lack of personal email or phone, no longer in our district, etc. By school, Kalmiopsis Elementary leads at 99.6% reachable, with Azalea Middle School (98.2%) and the high school (98.7%).

Attention: Are families reading what we send?

79.2% of families engaged with at least one message in August (928 of 1,172), meaning they visited the app or website, or opened, clicked, or replied to something. Just under a quarter of families, 244 or 20.8%, had no engagement at all, and 57 parents were sent zero messages during the month. Engagement was lowest at the high school (79.2%) and strongest at Kalmiopsis (86.7%), which showcases the elementary's move to this platform for classroom communications and successful early use this year to schedule 1:1 meetings with families before the start of the school year.

Action: Are families participating?

22.5% of families (264) took a meaningful action in August, appreciating a post, replying, signing up for a meeting, or something similar. This is our strongest signal by far: 12.5 points above the peer median of 10% among like districts. Kalmiopsis again leads (46.1%), while Azalea (1.8%) and the high school (5.3%) have significant room to grow. At the elementary school, all classrooms have a communication group. At the middle school, each grade level has a communication group, and at the high school we have not yet unlocked classroom-level messaging, but the high school students themselves are part of the audience of the school-level messaging via the StudentSquare app. For both the high school and

middle school, all official athletics and activities have dedicated communication groups, and the fall coaches have been leaders in getting this new model of communication up and running for district families, and student-athletes.

What families responded to/Volume and message mix

The most-appreciated posts in August were practical and community-oriented: the August and September breakfast and lunch menu (8 appreciations), photos from Football's Decals with Dads team dinner (6), and orientation information for incoming sixth graders and new Azalea students (6).

We sent 8,610 messages in August. The median family received 5 messages; one family received 18. Broadcasts made up 69.1% of everything sent, with teacher-level messages at 22.5% and direct messages at just 1.4%. That heavy lean toward broadcast traffic is a likely contributor to the attention gap above, and shifting more communication to the group and classroom level remains one of our clearest opportunities to keep information targeted and practical for parents/families.

Where things stand today

A few weeks past the formal August review, our live dashboard shows continued movement in the right direction. App adoption has climbed from 23% to 32% of parents since the August review was pulled. Districtwide contactability now sits at 99.1% (1,159 of 1,170 student families), and we are within 9 family records of reaching 100%. Two channel gaps remain worth closing. 99% of parents have a phone number on file, but only 38% have opted in to receive texts, compared with 62% opted in for email, our largest single reach gap. App adoption sits at 32%. We recently added our school colors and logos to the app backgrounds to help users distinguish which channel they are in, if they have multiple roles or multiple children across the district.

Excited for the Year Ahead

September 2026 BOARD REPORT

I am pleased to share that we officially welcomed our 6th-grade students and 36 new or returning students on August 31st. The day began with a shared breakfast that fostered a warm community atmosphere. Following our meal, students attended a welcome assembly led by our WEB leaders, who guided the newcomers through various activities and tours. This helped our 6th graders settle in smoothly and feel at home. The day concluded with a closing assembly in the gym, and lunch was served at 11:45 AM, allowing students to familiarize themselves with their schedules.

I would also like to remind you of our Back to School Night on September 23rd. The gate will open at 4:30 PM, and food will be served until 5:00 PM. At 5:00 PM, I will introduce our staff, after which they will meet with families in their classrooms. A special thank you to Cindy, who will be preparing and serving chili nachos for everyone to enjoy while meeting our staff members. Families will have the opportunity to explore classrooms until 7:00 PM.

We are excited to announce that we will be having a fun welcome back assembly on September 11th at 2:00 PM, organized by our student leadership class. This class is also planning additional school spirit assemblies, dances, door decorating contests, and spirit weeks for later in the year.

Additionally, we have transitioned from a 6-period day to a 7-period day, allowing each student to participate in an extra elective. For the first semester, we have added several new electives, including:

- Culinary Arts
- Drama
- Science Fiction and Film
- Literature and Film
- Tech & Robotics
- STEM
- Horticulture
- Team Sports
- Math Intervention

Our first two weeks have been fantastic, and both students and staff are settling in nicely for a great 2026-2027 school year.

Amendment No. 1 to Grant No. 39161

This is Amendment No. 1 to Grant No. 39161, effective July 1, 2025 (as amended from time to time, the “Grant”), between the State of Oregon, acting by and through its Department of Education (“Agency”) and Brookings-Harbor SD 17C (“Grantee”) each a “Party” and together, the “Parties”. This Amendment is effective on the date signed by all Parties and upon receipt of all approvals necessary for signing (“Amendment Effective Date”).

RECITALS

This Amendment supports implementation of Senate Bill 141 (2025) by incorporating Performance Growth Targets (PGTs) into the Grant beginning with the 2026-27 school year and establishing the transition from Longitudinal Performance Growth Targets (LPGTs), and reflects updates to Grant funding for 2026-2027 school year, with an increase of \$11,264.27.

AMENDMENT

The Grant is amended as follows:

1. Section 6: GRANT FUNDS, is amended as follows (new language is indicated by **underlining and bold** and deleted language is indicated by strikethrough):

Total Grant Funds (2025-27 Current and Reserved Allocation + 2027-29 Q1 Projection)		\$2,597,970.40 <u>\$2,609,234.67</u>

The line items provided in the table above have the following meanings:

1. TBA equals the total final allocation for 2025 -27 based on the final approved budget.
2. 2025–27 Q1 amount reflects the portion of the 2025-27 biennium projected and made available under the Prior Grant Agreement.

EXHIBIT A THE PROJECT

SECTION I. BACKGROUND AND GOALS

Signed into law in May of 2019, the Student Success Act (SSA) is a historic opportunity for Oregon schools. The law is rooted in equity, authentic community engagement and shared accountability for student success.

SSA established the Student Investment Account (SIA) to provide Oregon school districts, eligible charter schools, YCEP, and JDEP with access to non-competitive grant funds. Each SIA applicant is required to collaborate with educators, students, families, and their community to develop a plan that outlines priorities and activities aligned to the allowable uses defined in law.

The SIA grants are designed to achieve two primary purposes:

- 1) Meeting students' mental and behavioral health needs, and
- 2) Increasing academic achievement and reducing academic disparities for students from racial or ethnic groups that have historically experienced academic disparities; students with disabilities; English language learners; economically disadvantaged students; students who are homeless; and students who are foster children.

Achievement of these purposes will be measured through:

- Progress Markers;
- For the 2025-26 school year, Longitudinal Performance Growth Targets (LPGTs); and
- Beginning with the 2026-27 school year, Performance Growth Targets (PGTs), in accordance with SB 141 (2025).

Progress Markers are distinct from LPGTs and PGTs and remain a separate component of measurement. Progress Markers continue throughout the period of performance as a component of monitoring and continuous improvement.

These measures form the basis for the activities, outcomes, and reporting requirements described in the following sections of this Exhibit A and, as applicable, Exhibit B.

SECTION II. PROJECT DEFINITIONS

The following capitalized terms have the meanings assigned below for purposes of Exhibits A and B. Definitions are derived from the Act, applicable administrative rules, and the Guidance for Eligible Applicants issued by the Agency.

“Act” means the “Student Success Act” codified in 2019 Oregon Laws Chapter 122, as amended from time to time, inclusive.

“Allowable Project Costs” means Grantee’s actual costs that are reasonable, necessary, and directly related to the implementation of the Integrated Plan and are allowable uses of the Grant Funds under the Act.

“Baseline Targets” means the minimum expectations for improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further defined in the December 2019 “Guidance for Eligible Applicants”.

“Common Metrics” means the Five-Year Completion Rate, Third-Grade Reading Proficiency Rate, Ninth-Grade On-Track Rate, Regular Attendance Rate, and Four-Year On-Time Graduation rate used by the Agency to measure the success of activities funded by the SIA.

“Disaggregated” has the meaning given in section 12(a) of the Act.

“Five-Year Completion Rate” has the meaning given in section 12(b) of the Act.

“Focal Student Groups” means students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, students who are economically disadvantaged, students who are homeless and students who are foster children.

“Four-Year on-Time Graduation Rate” means the percentage of students who received a high school diploma or a modified diploma within four years of the student beginning the ninth grade.

“Gap Closing Targets” or “Closing Gap Targets” means the reduction of academic disparities between groups of students especially for Focal Student Groups set forth in the Integrated Plan based on the February 2022 “Aligning for Student Success: Integrated Guidance for Six ODE Initiatives”.

“Integrated Programs” means the integration of the following nine programs: High School Success (HSS), Student Investment Account (SIA), Continuous Improvement Planning (CIP), Career and Technical Education-Perkins V (CTE), Every Day Matters (EDM), Early Indicators Intervention Systems (EIS), Early Literacy School District Success Grants, Federal School Improvement (FSI) and Career Connected Learning. Together operationally, integrating these programs creates opportunities to improve outcomes and learning conditions for students and educators. Working within existing state statutes and administrative rules, Agency developed an Integrated Programs framework for success that meets the core purpose of each program while trying to create a stronger framework from which progress, long-term impact, and learning approach to monitoring and evaluation is a hallmark of high-performing educational systems. This work is informed through Integrated Guidance.

“Integrated Plan” means the Grantee’s approved biennial plan developed following the Integrated Guidance, which includes the SIA, which has a focus on increasing academic achievement by all students, reducing academic disparities for identified student groups, and meeting students’ mental and behavioral health needs in addition to other needs deemed important at each school, stated outcomes, strategies, and activities The Integrated Plan may only be adjusted with approval from ODE staff in order to align with the anticipated outcomes and approved by Agency.

“Local Optional Metrics” are optional metrics established in addition to the 5 common metrics that are designed to allow grantees to monitor progress connected to their outcomes.

“Longitudinal Performance Growth Targets (LPGTs)” means the required common metrics and optional locally defined metrics, including targets related to student mental and behavioral health needs, included in Grantee’s Integrated Plan.

“Ninth-grade On-Track Rate” has the meaning given in section 12(d) of the Act.

“Performance Growth Targets (PGTs)” means targets developed by the Grantee to measure a Grantee’s progress toward statewide metric targets, based on longitudinal student data and in accordance with ORS 327.190 and Sections 2-6 of Senate Bill 141 (2025). PGTs are developed in collaboration with the Agency and are subject to Agency review and acceptance. PGTs include measures of overall student outcomes and disaggregated student group outcomes and are established to support continuous improvement and accountability.

“Progress Markers” means sets of indicators set forth as a part of the Integrated Programs and guidance that identify the kinds of changes the Agency expects to see in policies, practices and approaches that support improved student outcomes.

“Regular Attendance Rate” has the meaning given in section 12(f) of the Act.

“SIA Account” means the Student Investment Account established, pursuant to ORS 327.175, within the Fund for Student Success for the purpose of distributing grants under ORS 327.195.

“Stretch Targets” means significant improvement set forth in the Integrated Plan by the district in either: (I) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further described in the December 2019 “Guidance for Eligible Applicants”.

“Third-Grade Reading Proficiency Rate” has the meaning given in section 12(g) of the Act.

SECTION III. PERFORMANCE GROWTH TARGETS (SB 141 Alignment)

Performance Growth Targets (2026 – 2027 and beyond)

1. Transition from LPGTs

The LPGTs required by this Grant, as set forth in Exhibit B, shall remain applicable throughout the 2025-26 school year and shall expire at the conclusion of that school year.

A Grant monitoring visit or call may cover a variety of topics at Agency’s discretion including but not limited to: Grantee’s compliance with the SIA Account purposes; challenges faced by the Grantee in implementing its Plan; Integrated Plan outcomes; its budget and expenditure of moneys received from the SIA Account, Grantee’s progress toward achieving its Progress Markers; financial reporting, any expenditure changes, and reconciliation of Grant Funds; or Grantee’s training and technical assistance needs.

Before an on-site visit, the Agency will advise Grantee on how to prepare for the monitoring visit and financial reconciliation, the format for the visit, and which Grantee organizational leaders, staff or others should be involved in the visit. Once a date and time are confirmed, the Grantee should send a notification to its organizational leaders, staff, students and community partners who are expected to participate; identify a meeting location and prepare all necessary monitoring documents and data.

The department may establish a procedure for conducting performance audits on a random basis or based on just cause as allowed under rules adopted by the board. If Grantee does not use the Grant Funds for Allowable Project Costs, the Agency may exercise the remedies provided in Section 16 or 17 of this Grant, including, without limitation, deducting amounts from future disbursements of Grant Funds.

Each grant recipient must conduct a performance review at least once every four years in accordance with standards adopted in board rule (OAR 581-014-0013) to ensure accountability and continuous improvement of SIA-funded activities.

2027-29 Q1	July 1, 2027	12.5% (Projected) of 2027-29 Biennium

Disbursements outlined in the table above are subject to the following:

1. If this Grant is not fully executed by October 1, the Agency will disburse the Grant Funds due for disbursement within 30 days of the Execution Date.
2. Disbursements will be made as advance payments, not reimbursements.
3. Q3 – Q8 disbursements are 12.5% of the TBA, plus any unclaimed amounts from the prior quarter disbursements.
4. Grantees are encouraged to draw down funds according to the schedule. **All funds for 2025-27 Q1 – Q8 must be drawn down and expended by June 30, 2027.**
5. Any 2025-27 Grant Funds that are not expended by the Grantee by June 30, 2027 must be returned to Agency for deposit in the Student Investment Account.
6. Any 2027-29 Q1 Grant Funds that are not expended by the Grantee by June 30, 2029, must be returned to the Agency for deposit in the Student Investment Account.

Allocation and Projections

1. By April 30, 2027, Grantee shall submit to the Agency an Integrated Plan and Budget for subsequent biennium (2027-29). This Integrated Plan and Budget must describe how Grantee will utilize the Grant Funds allocated for 2027-29 Q1.
2. The amount of Grant Funds allocated for 2027-29 Q1 is based on projections for the continued implementation and sustainability of the approved Integrated Plan, anticipating ongoing efforts to achieve the established Progress Markers. These funds are intended to support continued activities and initiatives, ensuring continuity in programmatic efforts aimed at achieving the specified objectives.
3. The amount of Grant Funds allocated above for 2027-29 Q1 will be considered in determining the subsequent Q1 allocation in the next biennium (July 1, 2027 – June 30, 2029). Any differences between projected and actual Q1 disbursements will be reconciled in the Q2 disbursement to balance total funding across the biennium.
4. The utilization of 2027-29 Q1 funds allocated under this Agreement will be documented in the subsequent grant agreement, if executed, covering the 2027–29 biennium.

EXHIBIT B

COMMON AND CUSTOMIZED PERFORMANCE FRAMEWORK

SECTION VII. PROGRESS MARKERS FOR 2025-2027 BIENNIUM

The Progress Markers outlined in this Exhibit B provide a framework for measuring the outcomes and activities described in Exhibit A. They support a developmental approach to evaluation, focusing on the types of changes that result from distinct investments. Grantees will provide updates toward these Progress Markers through the quarterly and annual reports. The fifteen Progress Markers below are organized into three categories: A ‘Start to See,’ B ‘Gaining Traction,’ and C ‘Profound Progress,’ representing advancement from early signs of progress to substantial and transformational changes.

- A. “Start to See: Early Signs of Progress”** Based on your investments and activities, what changes or contributions are you noticing? What practices are improving?
- B. “Gaining Traction: Intermediate Changes”** Based on your investments and activities, are you seeing any of these impacts?
- C. “Profound Progress: Substantial and Significant Changes”** Based on your investments and activities, are any of these more transformational changes noticeable?

A. Start to See: Early Signs of Progress

1	Community engagement is authentic, consistent, and ongoing. The strengths that educators, students, families, focal groups, and tribal communities bring to the educational experience informs school and district practices and planning.
2	Equity tools are utilized in continuous improvement cycles, including the ongoing use of an equity lens or decision-tool that impacts policies, procedures, people/students, resource allocation, and practices that may impact grading, discipline, and attendance.
3	Data teams are formed and provided time to meet regularly to review disaggregated student data in multiple categories (grade bands, content areas, attendance, discipline, mental health, participation in advanced coursework, formative assessment data, etc.). These teams have open access to timely student data and as a result decisions are made that positively impact district/school-wide systems and focal populations.
4	Schools and districts have an accurate inventory of literacy assessments, tools, and curriculum being used, including digital resources, to support literacy (reading, writing, listening, and speaking). The inventory includes a review of what resources and professional development are research-aligned, formative, diagnostic, and culturally responsive.

B. Gaining Traction: Intermediate Changes

5	Two-way communication practices are in place, with attention to mobile students and primary family languages. Families understand approaches to engagement and attendance, literacy strategy, math vision, what “9th grade on-track” means, graduation requirements, access to advanced/college-level courses and CTE experiences, and approaches to supporting student well-being and well-rounded education.
---	--

6	Student agency and voice is elevated. Educators use student-centered approaches and instructional practices that shift processes and policies that actualize student and family ideas and priorities.
7	Action research, professional learning, data teams, and strengths-based intervention systems are supported by school leaders and are working in concert to identify policies, practices, or procedures informed by staff feedback to meet student needs, including addressing systemic barriers, the root-causes of chronic absenteeism, academic disparity, and student well-being. These changes and supports are monitored and adjusted as needed.
8	Comprehensive, evidence-informed, culturally responsive literacy plans, including professional development for educators, are documented and communicated to staff, students (developmentally appropriate), and families. Literacy plans and instruction are evaluated and adjusted to deepen students' learning. Digital resources are being used with fidelity to advance learners' engagement with instruction.
9	A review of 9th grade course scheduling, as it relates to on-track status for focal student groups, accounts for core and support core class placement. School staff ensure emerging bilingual students are enrolled in appropriate credit-bearing courses that meet graduation requirements.
10	Foundational learning practices that create a culturally sustaining and welcoming climate are visible. This includes practices that ensure safe, brave, and welcoming classrooms, schools and co/extracurricular environments. Strengths-based, equity-centered, trauma and SEL-informed practices are present and noticeable. Policies and practices prioritize health, well-being, care, connection, engagement, and relationship building. Multiple ways of being are supported through culturally affirming and sustaining practices for students, staff, and administrators.

C. Profound Progress: Substantial and Significant Changes

11	Schools strengthen partnerships with active community organizations and partners, including local public health, mental health, colleges, workforce development boards, employers, labor partners, faith communities, Tribal nations, and other education partners in order to collaboratively support students' growth and well-being. Characteristics of strong partnerships include mutual trust and respect, strengths-based and collaborative approaches, clear communication around roles, and shared responsibilities and decision-making power.
12	Financial stewardship reflects high-quality spending with accurate and transparent use of state and federal funds in relationship to a comprehensive needs assessment, disaggregated data, and the priorities expressed by students, families, communities, business, and Tribal partners in resource allocation and review.
13	Students and educators experience a well-rounded and balanced use of assessment systems that help them identify student learning in the areas of the Oregon State Standards. Educators understand how to assess emerging multilingual students' assets to inform gauging progress.
14	Policies, practices, and learning communities address systemic barriers. Schools and districts have a process to identify, analyze, and address barriers that disconnect students from their educational goals, impact student engagement or attendance, and/or impede students from graduating on-time or transitioning to their next steps after high school. Staff members are consistently engaging in action research, guided by student's strengths and interests, to improve their practice and advance professional learning.
15	Schools create places and learning conditions where every student, family, educator and staff member is welcomed, where their culture and assets are valued and supported, and where their voices are integral to decision making. Instruction is monitored and adjusted to advance and deepen individual learners'

knowledge and understanding of the curriculum. Educators are empowered with agency and creativity. Communities are alive with visions, stories, and systems of vitality, wholeness, and sustainability.

SECTION VIII. FINALIZED CO-DEVELOPED LPGTs

The Longitudinal Performance Growth Targets (LPGTs) include baseline, stretch, and gap-closing targets for each of the common metrics. These targets center focal student groups while supporting public transparency and learning.

The LPGTs, including all associated tables and data previously set forth in this Section, are incorporated by reference and are not restated in this Amendment.

The parties further acknowledge that LPGTs apply through the 2025–26 school year and sunset June 30, 2026. The sunset of LPGTs does not affect the validity of the previously established targets or their use for reporting, accountability, or audit purposes for the applicable period.

Progress toward meeting these LPGTs will be included in the Annual Report for the 2025–26 school year.

SECTION IX. APPROVED LOCAL OPTIONAL METRICS (if applicable)

Local optional metrics are designed to allow grantees to set and monitor metrics connected to outcomes they have described in their Integrated Plan.

The Local Optional Metrics, including all associated tables and data previously set forth in this Section, are incorporated by reference and are not restated in this Amendment.

The parties further acknowledge that Local Optional Metrics apply through the 2025–26 school year and sunset June 30, 2026. The sunset of Local Optional Metrics does not affect the validity of the previously established targets or their use for reporting, accountability, or audit purposes for the applicable period.

SECTION X. PERFORMANCE GROWTH TARGETS (PGTs)

PGTs will be developed in accordance with Senate Bill 141 (2025) and apply beginning with the 2026–27 school year.

PGTs will be established by Grantee in collaboration with the Agency, subject to Agency review and approval, and maintained by the Agency as part of its official system of record.

Board Committees

The Board shall have no standing committees. Special committees may be appointed by the Board for specific purposes to serve until their assignment is completed. The entire Board may meet as a committee-of-the-whole.

The function of special committees will be fact-finding, deliberative and advisory rather than legislative or administrative. The committee will make recommendations directly to the Board as a whole, which alone may take action. Committee meetings may be called by the Board chair, the committee chair or any committee member.

Committee-of-the-whole meetings, called “work sessions,” may be held. Committee-of-the-whole meetings may be called by the chair or any two Board members.

All meetings of special committees and of committees-of-the-whole will be publicly announced and the public will be permitted to attend. However, the Board and its committees may sit in executive sessions to discuss matters when such sessions are required or permitted by law.

All matters referred to a committee will be thoroughly investigated. A committee will not have the power to act for the Board except as the Board has specifically authorized, but will make recommendations to the Board. Committee recommendations and reports will become an official part of Board minutes.

A Board committee may appoint, subject to Board approval, advisory members from the staff, student body or community. Advisory members will be instructed in the committee’s functions and their status. These members may not be included in considering whether a quorum of the committee is present, nor may they vote on recommendations to be made to the Board. However, either an advisory member or an ex-officio member may present a written minority report to the Board.

Board Committees

The Board may establish committees. A Board committee is a group of Board members, staff, students and/or community members tasked by the Board to make a decision on behalf of the Board or make a recommendation to the Board on policy or administration. The district may have additional administrative committees.

Board committees may be classified into two general types based on membership:

1. Board subcommittees are primarily made up of Board members, e.g., superintendent evaluation committee, long-range planning committee, policy committee;
2. Advisory committees are primarily made up of non-Board members, e.g., bond steering committee.

Regardless of classification, the Board can include Board members and non-Board members on committees.

Board committees will not have the power to act for the Board except as the Board has specifically authorized. Committee meetings may be called by the committee in accordance with any direction from the Board and committee procedures. Committee recommendations and reports will be provided to the Board.

All meetings of Board committees will follow the Public Meetings Law¹, including the requirement to record the meetings or take meeting minutes. A committee may sit in an executive session when such meeting is in accordance with the committee's assigned purpose and when such session is permitted by law. Administrative committees, including superintendent committees, are generally not subject to Public Meetings Law.²

When establishing a Board committee, the Board will determine:

1. Committee membership and appointment process;
2. The task of the committee;
3. What resources are needed and will be provided to the committee;
4. The length of time the committee will exist³;
5. Expectations regarding any actions or recommendations of the committee.

¹ OAR 199-050-0010(1)(b) provides that Public Meetings Law apply to bodies "with authority to make recommendations to a public body on policy or administration."

² OAR 199-050-0010(2)(b) provides that Public Meetings Law does not apply to "bodies appointed by an individual public official with authority to make recommendations only that individual public official who has the authority to act on the body's recommendation and is not required to pass the recommendations on unchanged to a public body."

Advisory Committees to the Board

In an ongoing effort to increase communication with the public and to provide for citizen involvement, the Board may appoint advisory committees which include members to consider matters of districtwide importance. The Board shall have no permanent or standing advisory committees other than those required by statute.

Recommendations of such committees will be given careful consideration by the Board, but such recommendations will not relieve the Board of its legal responsibility to make final decisions about such matters.

All meetings of advisory committees shall be considered open meetings. The press may attend and report proceedings. Visitors shall sit apart from the committee members and shall speak only when invited to do so by the committee chair.

The composition of advisory committees to the Board will be broadly representative and will take into consideration the specific tasks assigned to the committee. The process for the appointment of community members to an advisory committee will be determined by the Board. Appointment of staff members, when appropriate, will be made by the superintendent.

The Board will adopt guidelines for each committee as appropriate, which will include, but not be limited to, the following:

1. The committee's written charge which shall include, but not be limited to, a statement of purpose and responsibility;
2. The resources the Board will provide;
3. The length of time the committee is asked to serve and the approximate date(s) on which the Board wishes to receive committee report(s).

Except as specifically provided by the Board, citizen advisory committees will cease to function when their reports have been received by the Board or when the purposes for which they were established have been accomplished.

The Board may be represented on lay and professional committees that serve the Board in an advisory capacity, with specific Board members appointed by the chair, but normally such Board members will function as ex-officio members of the committees.

The Board's responsibility cannot be delegated or surrendered to others. Therefore, all recommendations of an advisory committee will be submitted to the Board for action and must be recognized as advisory in nature.

“Communication” means the expression or transmission of information from one person to another through verbal, non-verbal, written, or electronic means. Non-verbal means include gestures, such as thumbs-up and thumbs-down, as well as sign language.

“Convening” means gathering in a physical location, using electronic, video or telephonic technology to be able to communicate contemporaneously among participants, using serial electronic written communication among participants, or using an intermediary to communicate among participants.

“Decision” means any determination, action, vote or final disposition upon a motion, proposal, resolution, order, ordinance or measure on which a vote of the Board¹ is required, at any meeting at which a quorum is present.

“Decision-making process” means the process the Board engages in to make a decision, such as: (a) identifying or selecting the nature of the decision to be made; (b) gathering information related to the decision to be made; (c) identifying and assessing alternatives; (d) weighing information; and (e) making a decision.

“Deliberation” means discussion or communication that is part of a decision-making process.

“Executive session” means any meeting or part of a meeting of the Board that is closed to certain persons for deliberation on certain matters.

“Intermediary” means a person who is used to facilitate communications among members of the Board about a matter subject to deliberation or decision by the Board, by sharing information received from a member of the Board with other members of the Board. The term “intermediary” can include a member of the Board.

“Meeting” means the convening of the Board for which a quorum is required in order to make a decision or to deliberate toward a decision on any matter. Meeting does not include any on-site inspection of any project or program or the attendance of members of the Board at any national, regional or state association to which the Board or the members belong.

“Public Meetings Law” means Oregon Revised Statutes (ORS) 192.610 – 192.705 and Oregon Administrative Rules (OAR) 199-040 and 199-050.

“Quorum” means the minimum number of members of the Board required to legally transact business. For the Board, a quorum is [three²] Board members.

¹ This policy is written to apply to the Board. Other bodies, including Board committees, may be subject to public meeting laws. This policy may help other bodies understand what is required, but is intended as direction for the Board.

“Work session” or “workshop” means meetings held for the purpose of either presenting information to the Board to prepare for a regular or special meeting, or to allow the Board to engage in preliminary discussions or deliberations.

Board Authority at Meetings

The Board has the authority to act only when a quorum is present at a properly noticed regular, special or emergency meeting. The affirmative vote of [three³] members of the Board is required to transact any business.

Types of Meetings

The Public Meetings Law applies to all regular, special, emergency, executive session and work session meetings of the Board.

1. Regular Meetings

The regular meeting schedule will be established at the annual organizational meeting each year and may be changed by the Board with public notice. The purpose of each regular meeting will be to conduct the regular Board business.

2. Special Meetings

A special meeting may be scheduled when less than a quorum is present at a regular meeting and therefore no business may be conducted, additional business still needs to be conducted at the ending time of a meeting, conducting business prior to the next regular meeting would be advantageous to the district, or other reasons. Special meetings may be convened by the Board chair, upon request of three Board members, or by common consent of the Board.

3. Emergency Meetings

Emergency meetings may be called in the case of an actual emergency upon appropriate notice under the circumstances. Only topics necessitated by the emergency may be discussed or acted upon at the emergency meeting.

4. Work Sessions

The Board may use regular or special meetings for the purpose of conducting work sessions to provide its members with opportunities for planning and thoughtful discussion. Work sessions will be conducted in accordance with Public Meetings Law. The Board may make official decisions during a work session.

5. Executive Sessions

² {ORS 332.055 establishes the quorum as a majority. If the Board has five members, three constitute a quorum. If the Board has seven members, four constitute a quorum. If the Board has nine members, five constitute a quorum.}

³ {ORS 332.055 provides “the affirmative vote of the majority of members of the board is required to transact any business.” If the Board has five members, three votes are required. If the Board has seven members, four votes. If the Board has nine members, five votes.}

Executive sessions may be held during regular, special or emergency meetings for a reason permitted by law. (See Board policy BDC – Executive Sessions).

Communications Outside of a Board Meeting (Serial Meetings Prohibited)

Private meetings where a quorum of the Board engages in discussions or communications that are part of the Board’s decision-making process on matters within the authority of the Board violate Public Meetings Law, except as part of an executive session.

A quorum of Board members shall not, outside of a meeting conducted in compliance with Public Meetings Laws, use a series of communications of any kind, directly or through intermediates, for the purpose of deliberating or deciding on any matter that is within the jurisdiction of the Board. This prohibition applies to using any one or a combination of the following methods of communication:

1. In-person;
2. Telephone calls;
3. Videos, videoconferencing, or electronic video applications;
4. Written communication, including electronic written communications, such as email, texts, and other electronic applications;
5. Use of one or more intermediaries to convey information among members; and
6. Any other means of conveying information.

Communications outside of a Board meeting may contain communications between or among members of the Board, including a quorum, that are:

1. Purely factual or educational in nature and that convey no deliberation or decision on any matter that might reasonably come before the Board;
2. Not related to any matter that, at any time, could reasonably be foreseen to come before the Board for deliberation and decision; or
3. Nonsubstantive in nature, such as communication relating to scheduling, leaves of absence and other similar matters.

E-mails sent to other Board members are encouraged to have the following notice:

Important: Please do not reply or forward this communication if this communication could constitute a decision or deliberation toward a decision between and among members of the district board. Board member electronic communications on district business are subject to Public Meetings and Public Records Law.

A quorum of Board members may attend social meetings or gatherings so long as no discussions or deliberations are had.

Meeting Location, Public Accommodations and Logistical Requirements

All meetings will be open to the public except as provided by law.

All Board meetings, including Board retreats and work sessions, will be held within district boundaries, except as allowed by law⁴. The Board may attend training sessions outside the district boundaries but may not deliberate or discuss district business. No meeting will be held at any place where discrimination on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, age or national origin is practiced. Meeting locations shall be accessible to persons with disabilities.

Any Board meeting may be held in person, through the use of electronic or telephonic means, or in some combination of in-person, electronic or telephonic means.

Access to and the ability to attend all meetings (excluding executive sessions) by telephone, video or other electronic or virtual means will be made available when reasonably possible. For Board meetings (excluding executive session) held by telephone or other electronic means of communication, the district shall make available a place or an electronic means by which the public can listen to or view the meetings in real time. The place provided may be a place where no Board member is present.

For executive sessions where the media are statutorily authorized to be present, if any person, including any Board member, is attending the executive session by telephone, video, or other electronic means, the district shall provide members of the media the same attendance option. The district may establish reasonable security measures to ensure the media's attendance by telephone, video, or other electronic means is conducted through a secure connection or method.

If requested to do so at least 48 hours before a meeting held in public, the Board shall make a good faith effort to provide an interpreter for persons who are deaf or hard of hearing. The request should include the name of the requester, sign language preference and any other relevant information requested. If the meeting is being held upon less than 48 hours' notice and a request for an interpreter is made, the Board shall make a reasonable effort to have an interpreter present. Other appropriate aids and services may be provided upon request and appropriate advance notice.

[If requested to do so at least 72 hours before a meeting held in public, the Board will make a reasonable effort to provide translation services.{⁵}]

Recordings or minutes will be kept for all meetings in accordance with state law and Board policy BDDG – Recordings or Minutes of Board Meetings.

[The possession of a firearm, deadly weapon or any other instrument used as a dangerous weapon is prohibited at Board meetings, except as authorized by law.{⁶}]

⁴ ORS 192.630(4). Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Training sessions may be held outside the jurisdiction if no deliberations toward a decision are involved.

⁵ {Districts are encouraged to evaluate translation needs and resources prior to adding this language. A district may decide that translating the agenda, minutes or other documents, or public comment is sufficient.}

⁶ {ORS 166.670(1)(a) prohibits the possession of firearms or "any other instrument used as a dangerous weapon" on school grounds and in facilities occupied by the district, unless an exception applies. ORS 166.370(3)(g) provides an exception for persons "licensed under ORS 166.291 and 166.292 to carry a concealed handgun." ORS 166.377 allows districts to adopt a policy stating that this defense (the exception in ORS 166.670(3)(g)) does not apply "on the grounds of the schools controlled by the board." Some districts have adopted policy KGBB to do so.}

To ensure the health and safety concerns of student, staff and community members, the Board¹ shall adopt an integrated pest management plan (IPM) which emphasizes the least possible risk to students, staff and community members and shall adopt a list² of low-impact pesticides for use with the IPM plan. The IPM plan and list shall be available to the public through the district's website³.

The IPM plan is a proactive strategy that:

1. Focuses on the long-term prevention or suppression of pest problems through economically sound measures that:

3. Incorporates the use of sanitation, structural remediation or habitat manipulation or of mechanical, biological and chemical pest control measures that present a reduced risk or have a low-impact and, for the purpose of mitigating a declared pest emergency, the application of pesticides that are not low-impact pesticides;
4. Includes regular monitoring and inspections to detect pests, pest damage and unsanctioned pesticide usage;
5. Evaluates the need for pest control by identifying acceptable pest population density levels;
6. Monitors and evaluates the effectiveness of pest control measures;
7. Excludes the application of pesticides on a routine schedule for purely preventive purposes, other than applications of pesticides designed to attract or be consumed by pests;

10. Gives preference to the use of nonchemical pest control measures;
11. Allows the use of low-impact pesticides if nonchemical pest control measures are ineffective; and

Sexual Harassment

The district is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints^{1} or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures^{2}.

OREGON DEFINITION AND PROCEDURES

Oregon Definition

Sexual harassment of students, staff members or third parties³ shall include:

1. A demand or request for sexual favors in exchange for benefits;
2. Unwelcome conduct of a sexual nature that is physical, verbal, or nonverbal and that:
 - a. Interferes with a student's educational activity or program;

¹ {Some districts choose not to use the terms "complaint" and "complainant" because they feel the stigma associated with the terms discourage victims from reporting conduct. The terms used in this policy are consistent with those included in the law. If the district chooses to change these terms, new terms must be consistent and clear. Note, "complainant" is defined under federal law.}

² {Common complaint procedures that may also be involved include: Nondiscrimination and Civil Rights (Board policy AC), Workplace Harassment (Board policy GBEA), [Hazing,] Harassment, Intimidation, Bullying, [Menacing,] Cyberbullying, Teen Dating Violence and Domestic Violence – Student (Board policy JFCF), and Reporting Requirements for Suspected Sexual Conduct with Students (Board policy GBNA/JHFF).}

³ "Third party" means a person who is not a student or a school or district staff member and who is: 1) on or immediately adjacent to school grounds or district property; 2) at a school-sponsored activity or program; or 3) off school grounds or district property if a student or a school or district staff member acts toward the person in a manner that creates a hostile environment for the person while on school or district property, or at a school- or district-sponsored activity.

- b. Interferes with a school or district staff member's ability to perform their job; or
- c. Creates an intimidating, offensive, or hostile environment.

[3.] Assault when sexual contact occurs without consent⁴.^{5}.

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's actions, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, ^{6}physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

Oregon Procedures

Reports and complaints of sexual harassment should be made to the following individual:

Name	Position	Phone	Email
Helena Chirinian	Superintendent	541-469-7443	helenac@brookings.k12.or.us

This individual is responsible for accepting and managing complaints of sexual harassment. Persons wishing to report should contact them using the above information. This person is also designated as the Title IX Coordinator.^{7} See GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure. ~~If this individual is the subject of the complaint, the report may be made to the Director of Special Programs or Director of Finance, as an alternative to reporting to the Superintendent.~~

⁵ {The statutory definition (ORS 342.704) for sexual harassment includes separate definitions with slightly different language for students, staff members and third parties. The language used in this policy comes from OAR 581-021-0038(1). If the district would like to include the full statutory definition, it can do so.}

⁶ {OAR 581-021-0038 requires that the policy include a "examples of harassing behaviors covered by policy". The bracketed list in this policy reflects OSBA's recommendations. The district has discretion in what is included in this list. If listing behaviors not reflected in OSBA recommendations, please have the list reviewed by the district's legal counsel.}

⁷ {This must be communicated elsewhere, but it is a good reason to specify it here as well.}

3. Third party who is subjected to the behavior is protected and to promote a nonhostile environment.

This includes providing resources for support measures ~~to that may include counseling, extension of deadlines, or other course-related adjustments, modifications of class schedules, mutual restrictions on contact between the parties, and connection to community supports for~~ the student, staff member or third party who was subjected to the behavior and taking any actions necessary to remove potential future impact on the student, staff member or third party, but are not retaliatory against the student, staff member or third party being harassed or the person who reported to the district official.

The district will use a reasonable person standard when determining whether a hostile environment exists. A hostile environment exists if a reasonable person with similar characteristics and under similar circumstances would consider the conduct to be so severe as to create a hostile environment.^{8}

The district may take, but is not limited to, the following procedures and remedial action to address and stop sexual harassment:

1. Discipline of staff and students engaging in sexual harassment;
2. Removal of third parties engaged in sexual harassment;

⁸ {OSBA strongly recommends that the Board receive input from district administration prior to adopting a standard here. Of note, Title IX's definition of sexual harassment includes "unwelcome conduct determined by a reasonable person to be..." 34 CFR 106.30(a), emphasis added. It is important to consider the different definitions under Oregon law and Title IX when determining which standards will apply for the Oregon process.}

3. Additional supervision in activities;

5. Trainings and education for staff and students; and

[6.] Increased notifications regarding district procedures and resources.

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity¹¹;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. "Dating violence": violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. "Domestic violence": felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or

¹¹ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or

6. "Stalking": engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person's own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. See GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. The report can be made at any time.

The Superintendent is designated as the Title IX Coordinator and can be contacted at 541-469-7443. The Title IX Coordinator will coordinate the district's efforts to comply with its responsibilities related to this policy. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.^{12}

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.¹³ The district shall treat complainants and respondents equitably by providing supportive measures¹⁴ to the complainant and by following a grievance procedure¹⁵ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

¹² {Note the difference in requirements for Title IX and Oregon law. It makes sense to align these requirements.}

¹³ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

¹⁴ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

¹⁵ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, see GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.¹⁶

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁷ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

~~The District will provide a support person or advisor who is trained in all district policies and procedures related to sexual harassment and sexual harassment proceedings for any reporting or reported student.~~

~~Upon the student's request, the District support person or advisor will accompany the individual to any interview or meeting held as part of any district sexual harassment proceeding.~~

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

[1.] The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);

7.[2.] That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and

8.[3.] The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator or the Assistant Secretary¹⁸, or both.

~~No person designated as the investigator, decision-maker, or any person designated by the district to facilitate an informal resolution process may have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A conflict of interest occurs when personal or private interests may compromise one's judgment, decisions, or actions. Conflict of interests may arise from family, friendships, past relationship as student-teacher, financial investments, or other social factors. A bias is defined as a tendency, inclination, or prejudice toward/against someone. A conflict of interest or bias exists that disqualifies a person from being involved in the investigation or decision-making process if it prevents the person from impartially participating in the process. Any staff member with a designated role in the Title IX process who believes they have a conflict of interest may recuse themselves from the process without reprisal.~~

¹⁶ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁷ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

¹⁸ Of the United States Department of Education.

No Retaliation

Neither the district or any person may retaliate¹⁹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Records

~~Records will be created and maintained in accordance with the requirements in Title 34 C.F.R. §106.45(a)(10).²⁰~~

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the school student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any student, parent of a student, school or district staff member, or third party upon request.

Sexual Harassment

The district is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints^{1} or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures^{2}.

OREGON DEFINITION AND PROCEDURES

Oregon Definition

Sexual harassment of students, staff members or third parties³ shall include:

1. A demand or request for sexual favors in exchange for benefits;
2. Unwelcome conduct of a sexual nature that is physical, verbal, or nonverbal and that:
 - a. Interferes with a student's educational activity or program;

¹ {Some districts choose not to use the terms "complaint" and "complainant" because they feel the stigma associated with the terms discourage victims from reporting conduct. The terms used in this policy are consistent with those included in the law. If the district chooses to change these terms, new terms must be consistent and clear. Note, "complainant" is defined under federal law.}

² {Common complaint procedures that may also be involved include: Nondiscrimination and Civil Rights (Board policy AC), Workplace Harassment (Board policy GBEA), [Hazing,] Harassment, Intimidation, Bullying, [Menacing,] Cyberbullying, Teen Dating Violence and Domestic Violence – Student (Board policy JFCF), and Reporting Requirements for Suspected Sexual Conduct with Students (Board policy GBNA/JHFF).}

³ "Third party" means a person who is not a student or a school or district staff member and who is: 1) on or immediately adjacent to school grounds or district property; 2) at a school-sponsored activity or program; or 3) off school grounds or district property if a student or a school or district staff member acts toward the person in a manner that creates a hostile environment for the person while on school or district property, or at a school- or district-sponsored activity.

- b. Interferes with a school or district staff member's ability to perform their job; or
- c. Creates an intimidating, offensive, or hostile environment.

[3.] Assault when sexual contact occurs without consent⁴,^{5}.

Sexual harassment does not include conduct that is necessary because of a job duty of a school or district staff member or because of a service required to be provided by a contractor, agent, or volunteer, if the conduct is not the product of sexual intent or a person finding another person, or another person's actions, offensive because of that other person's sexual orientation or gender identity.

Examples of sexual harassment may include, but not be limited to, ^{6}physical touching or graffiti of a sexual nature; displaying or distributing of sexually explicit drawings; pictures and written materials; sexual gestures or obscene jokes; touching oneself sexually or talking about one's sexual behaviors in front of others; or spreading rumors about or rating other students or others as to appearance, sexual activity or performance.

Oregon Procedures

Name	Position	Phone	Email
Helena Chirinian	Superintendent	541-469-7443	helenac@brookings.k12.or.us

This individual is responsible for accepting and managing complaints of sexual harassment. Persons wishing to report should contact them using the above information. This person is also designated as the Title IX ^{7} coordinator. ^{7} See GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure. ~~If this individual is the subject of the complaint, the report may be made to the Director of Special Programs or Director of Finance, as an alternative to reporting to the Superintendent.~~

⁵ {The statutory definition (ORS 342.704) for sexual harassment includes separate definitions with slightly different language for students, staff members and third parties. The language used in this policy comes from OAR 581-021-0038(1). If the district would like to include the full statutory definition, it can do so.}

⁶ {OAR 581-021-0038 requires that the policy include a "examples of harassing behaviors covered by policy". The bracketed list in this policy reflects OSBA's recommendations. The district has discretion in what is included in this list. If listing behaviors not reflected in OSBA recommendations, please have the list reviewed by the district's legal counsel.}

⁷ {This must be communicated elsewhere, but it is a good reason to specify it here as well.}

3. Third party who is subjected to the behavior is protected and to promote a nonhostile environment.

This includes providing resources for support measures ~~to that may include counseling, extension of deadlines, or other course-related adjustments, modifications of class schedules, mutual restrictions on contact between the parties, and connection to community supports for~~ the student, staff member or third party who was subjected to the behavior and taking any actions necessary to remove potential future impact on the student, staff member or third party, but are not retaliatory against the student, staff member or third party being harassed or the person who reported to the district official.

~~Upon the student's request, the District support person or advisor will accompany the individual to any interview or meeting held as part of any district sexual harassment proceeding.~~

The district will use a reasonable person standard when determining whether a hostile environment exists. A hostile environment exists if a reasonable person with similar characteristics and under similar circumstances would consider the conduct to be so severe as to create a hostile environment.^{8}

The district may take, but is not limited to, the following procedures and remedial action to address and stop sexual harassment:

1. Discipline of staff and students engaging in sexual harassment;
2. Removal of third parties engaged in sexual harassment;

⁸ {OSBA strongly recommends that the Board receive input from district administration prior to adopting a standard here. Of note, Title IX's definition of sexual harassment includes "unwelcome conduct determined by a reasonable person to be..." 34 CFR 106.30(a), emphasis added. It is important to consider the different definitions under Oregon law and Title IX when determining which standards will apply for the Oregon process.}

5. Trainings and education for staff and students; and

[6.] Increased notifications regarding district procedures and resources.:-

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity¹¹;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. "Dating violence": violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. "Domestic violence": felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or

¹¹ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or

6. "Stalking": engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person's own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. The report can be made at any time.

The Superintendent is designated as the Title IX Coordinator and can be contacted at 541-469-7443. The Title IX Coordinator will coordinate the district's efforts to comply with its responsibilities related to this policy. The district prominently will display the contact information for the Title IX Coordinator on the district website and in each handbook.^{12}

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.¹³ The district shall treat complainants and respondents equitably by providing supportive measures¹⁴ to the complainant and by following a grievance procedure¹⁵ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

¹² {Note the difference in requirements for Title IX and Oregon law. It makes sense to align these requirements.}

¹³ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

¹⁴ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

¹⁵ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, see GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.¹⁶

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁷ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

~~The District will provide a support person or advisor who is trained in all district policies and procedures related to sexual harassment and sexual harassment proceedings for any reporting or reported student.~~

~~Upon the student's request, the District support person or advisor will accompany the individual to any interview or meeting held as part of any district sexual harassment proceeding.~~

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

[1.] The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);

7.[2.] That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and

8.[3.] The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator or the Assistant Secretary¹⁸, or both.

~~No person designated as the investigator, decision-maker, or any person designated by the district to facilitate an informal resolution process may have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A conflict of interest occurs when personal or private interests may compromise one's judgment, decisions, or actions. Conflict of interests may arise from family, friendships, past relationship as student-teacher, financial investments, or other social factors. A bias is defined as a tendency, inclination, or prejudice toward/against someone. A conflict of interest or bias exists that disqualifies a person from being involved in the investigation or decision-making process if it prevents the person from impartially participating in the process. Any staff member with a designated role in the Title IX process who believes they have a conflict of interest may recuse themselves from the process without reprisal.~~

¹⁶ The Title IX Coordinator may also discuss that the Title IX Coordinator has the ability to file a formal complaint.

¹⁷ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

¹⁸ Of the United States Department of Education.

No Retaliation

Neither the district or any person may retaliate¹⁹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Records

~~Records will be created and maintained in accordance with the requirements in Title 34 C.F.R. §106.45(a)(10).²⁰~~

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the school student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any student, parent of a student, school or district staff member, or third party upon request.

Immigration Enforcement on District Property

{House Bill 4079 (2026) requires districts to “adopt a policy for providing notice when a federal immigration authority is confirmed to have entered school property for immigration enforcement.” This policy must be “consistent with applicable model policies published by the Attorney General as provided by ORS 180.810.”}

The district complies with state and federal law, including Oregon Revised Statute (ORS) 180.805 and ORS 181.826, and this policy and accompanying administrative regulations KNA-AR(1) – Interactions with Immigration Enforcement and KNA-AR(2) – Federal Immigration Enforcement Request Log when responding to requests from federal immigration authorities regarding immigration enforcement. Absent a judicially authorized subpoena, warrant or court order, district staff must not allow federal immigration authorities access to the district’s records or facilities not open to the public for the purposes of immigration enforcement and must verify the validity of any subpoena, warrant or court order involving immigration enforcement presented to them by federal immigration authorities to ensure it is judicially authorized. Examples of judicial and administrative warrants and subpoenas can be found in the Oregon Attorney General’s Model Public School Policies.¹ The superintendent or designee must review and approve any response to a request involving immigration enforcement. The district will provide ongoing training to designated staff to ensure compliance with this policy.

This policy will be made available in the student handbook and on the district’s website².

Designation of Primary Point of Contact

The Superintendent is the primary point of contact for coordinating interactions with federal immigration authorities occurring in the district (“immigration liaison”³). The Superintendent’s designee shall serve as an alternative point of contact during the immigration liaison’s absence or unavailability (“alternate immigration liaison”).

The immigration liaison’s responsibilities include:

1. Serving as the district’s representative during encounters with federal immigration authorities;
2. Confirming when federal immigration authorities have entered school property for immigration enforcement purposes;
3. Ensuring federal immigration authorities engaging in enforcement activities at the district have notice of relevant district policies: JO/IGBAB – Education Records/Records of Students with

Disabilities, JOA – Directory Information, JOB – Personally Identifiable Information and this policy;

4. Assisting staff in performing their duties in response to immigration enforcement efforts, including ensuring compliance with all district policies and procedures related to interactions with federal immigration authorities and immigration enforcement efforts;
5. Reviewing and responding to requests from federal immigration authorities, in coordination with, and under the direction of, the superintendent or designee;
6. Facilitating the district's compliance with lawful immigration enforcement efforts in a manner that does not unnecessarily disrupt the school environment or invade the privacy of students, staff, or volunteers;
7. Providing notice as required in this policy when a federal immigration authority has been confirmed to have entered school property for immigration enforcement.

Required Notice

When a federal immigration authority is reported to have entered school property for the purpose of immigration enforcement the immigration liaison shall confirm whether federal immigration authorities have entered school property for immigration enforcement and when confirmed, shall provide notice as follows:

1. Notice must be provided to:
 - a. Students who attend the school where the federal immigration authority is confirmed to be on school property for immigration enforcement and who are in grades 7 and above;
 - b. Parents or guardians of students attending the school where the federal immigration authority is confirmed to be on school property for immigration enforcement;
 - c. Staff of the school where the federal immigration authority is confirmed to be on school property for immigration enforcement; and
 - d. Community-based service providers that have requested to receive notice when a federal immigration authority is confirmed to be on school property for immigration enforcement. Community-based service providers can request to receive such notifications by contacting the immigration liaison at the district office.
2. Notice must include:
 - a. The general location of the federal immigration authority; and
 - b. Whether classes or school operations were affected by the presence of the federal immigration authority.
3. Notice must not disclose:
 - a. Personally identifiable information;
 - b. Other information that may not be legally disclosed; or
 - c. Other information when the disclosure may threaten the health or safety of students or staff of the district or is prohibited by a court order.

The required notice will be provided as expediently as possible using existing methods used for providing electronic communications.

Unless otherwise prohibited by law or court order, the district will make reasonable efforts to provide notice to a student, or to the parent of guardian of a student, when the district has provided information related to the student to a federal immigration authority.

Confidentiality of School Records

Except when required by a judicially authorized warrant, subpoena, or order, Oregon law prohibits the district from disclosing protected information to federal immigration authorities for the purpose of enforcing federal immigration laws. Protected information includes information relating to a person's:

1. Address;
2. Workplace or hours of work;
3. School or school hours;
4. Contact information, including telephone number, electronic mail address or social media account information;
5. Known associates or relatives; and
6. Date, time or location of the person's hearings, proceedings or appointments with a public body that are not matters of public record.

Oregon law also prohibits sharing any of the above information about a person's relatives or known associates with federal authorities for immigration enforcement purposes.

Oregon law generally prohibits the district from sharing or disclosing citizenship or immigration status or country of birth information⁴ that the district collects, unless one of the following exceptions applies:

1. The disclosure is required by state or federal law (other than federal immigration law);
2. The disclosure is required by a judicially authorized warrant, order, or subpoena;
3. The information being shared with a person concerns only that person or their dependents; or
4. The information is aggregated and not personally identifiable.

In addition to the prohibitions described above, federal and state laws make records and information related to students confidential and permit disclosure only in limited circumstances. The district's policies with respect to student records can be found in Board policies JO/IGBAB – Education Records/Records of Students with Disabilities, JOA – Directory Information and JOB – Personally Identifiable Information. To ensure compliance with applicable federal and state law, the district's staff shall not disclose any school records or information to federal immigration authorities except as provided in these policies.

⁴ {House Bill 4079 (2026) requires the policy to "identify at least one administrator" for this purpose. The Board should consider whether a single administrator is sufficient for the district, or whether multiple administrators should be designated.}

Staff must also maintain the confidentiality of school records and other information about students, staff, and volunteers when communicating with other students, parents, or community members about immigration enforcement activities involving students, staff, or volunteers of the district or occurring on district property. Staff should direct anyone with questions about immigration enforcement activities occurring on district property to the immigration liaison.

Training

The district will provide the immigration liaison and alternate immigration liaison with training as follows:

1. The training must include information on the requirements of House Bill 4079 (2026), any applicable model policies published by the Attorney General, and this policy; and
2. The training must be provided at the time of designation and at least once every two years thereafter.
