Statement of Accountability: Land Acknowledgment

Lane ESD acknowledges that the lands we call Lane County - the lands that sustain our children, our future, and our collective well-being - are the traditional ancestral home of the Kalapuya, Siuslaw, Molalla, and other indigenous people who have lived in Lane County since time immemorial. Native children, families, and communities bear witness to a legacy of displacement and forced relocation. As an educational institution we are accountable for addressing the current and former silencing, erasure and genocide of native people in Oregon and Turtle Island. We aim to join with indigenous people, honoring their resilience, courage, and self-determination in a purposeful pursuit of justice.
