II. Action Plan Progress Review

Subject: Action Plan Progress Review

Background: After receiving input from staff, administration, school board members, and the broader community, the Saint Peter Schools developed a 5 Year Strategic Direction Plan. Each year, an action plan will be developed to ensure continuous progress on our goal areas of High Achievement for All, Safe and Welcoming Environments, and Efficient and Effective Systems. An action plan for the 2022-2023 school year is in place. During tonight's study session, the administrative team will share the progress that has been made since the beginning of the school year, and plans for the coming months.
