Questions and Miscellaneous Information:

AED Updates:

*AED's will be stored in my office and I will distribute them throughout the seasons to coaches. April S. will check to make sure they are charged. All training is set up by April S.

Parents Square Communication:

*Communication through Parents Square has been effective and efficient. I have been able to have it set up so that I get the communication when coaches reach out to parents and players. My MS school coaches are appreciative of the new communication format.

Uniform Schedule:

Girls Basketball is up this year and we going through MS uniforms to see if we need any updates. MS uniforms last longer as they do not get used as much. No Needs at this time.

Communication with Athletes (No Phones During Day):

Communication seems to be smooth with no issues at all. We are getting daily announcements in and getting them displayed via the TV's in school.

Coaches Meeting:

I have been meeting with the Fall coaches almost on a daily basis either personally or through emails or texts.

Goals:

1. Increase morning weight room participation for athletes.
2. Increase the attendance of students at events in the Winter.
3. Get more Youth programs established teaching fundamentals and basics.
4. Continue to be a school that sets High Academic Standards for our athletes.

Winter:

Anticipating low numbers in both boys and girls basketball based on participation over the last four years. We may struggle to yield JV teams. Have met with both coaches on this. Will do a sign up in early October and help coaches to recruit.

Football:

Discussing with Admin issues we will have in future as more local teams go to 8-man football. WIAA is in control, but we can work on a plan.

Wrestling:

Exploring all options for coaches and the future of girls wrestling including co-ops, travel to events, and practice facilities.

Boyceville High/Middle School Principal's Report September 16, 2026

Submitted: Friday, September 11, 2026

Facilities

Perhaps the most visible upgrade to our building took place this past Friday as we received furniture for ten different classrooms. More than one hundred and fifty tables, along with nearly 300 chairs were delivered at the end of the week - providing upgrades for six middle school classrooms and four high school classrooms. These upgrades resulted in furniture being repurposed from our sixth grade classrooms to our agriculture and technology education classrooms. Thank you to Derrick Retz and his staff for their ability to pivot and answer the call to have furniture removed from our classrooms and prepped for all the new.

We continue to upgrade the furniture in our Library Learning Commons; we are excited about the changes as the students have demonstrated an appreciation for the environment that continues to be impacted by these upgrades.

Academics

We have made it two-plus weeks into the school year and there have been meetings regarding our assessment practices; departmental meetings that address curricular needs and common classroom strategies; middle school team meetings in which we are considering a school-wide method for vocabulary instruction, as well as creating a school-wide student-learning outcome (SLO) providing each teacher the opportunity to collaborate with others to help grow our students. It is early, however, there is important work taking place in the hopes of moving from good enough to excellent in each facet of our school community.

School Culture

Homecoming Week took place over the past week and included traditional activities that serve to enhance community among our student body. There was great participation from our students including an overwhelming amount of students (and parents) at the Power Puff Football Games on Labor Day Monday. As of this writing, we are eagerly anticipating a victory over Osseo-Fairchild in our inaugural Dunn-St. Croix Conference match-up.

Thank You!

There are an endless amount of "Thank Yous" that need to be distributed over this past month - from the start of the school year to Homecoming Week after only seven days of school - everyone has had to be flexible, patient and student-centered. Our entire staff have been all of these things and more - from Teddi Humpal's willingness to create a Tailgate lunch for Homecoming Friday; to Laura Ulrich working with the transportation department to conduct our first bus safety drill; to Derrick Retz and his continued ability to simply get things done; to all our teachers for simply starting and welcoming our students back to all the great things that we have going on here at BHS/BMS.

Board Report: September 16th, 2026

Prepared by Jacob Peterson

Facilities and Fiscal Plans

- TCE gym: Volleyball sleeves are all installed and have been tested
- Library furniture: We have received some samples of tables and chairs. We have made some changes based on the samples. Our goal is to place the order this month.

9/16/26 Board Report submitted by Shannon Bignell

Reading Specialist:

- Walk to Read/Walk to Learn at TCE began Tuesday, September 8th. A key advantage is that **students are not limited by their assigned grade-level classroom for literacy instruction**. They can receive either **intervention or enrichment based on their demonstrated needs**, while still returning to their regular classroom for core instruction.
 - Short-staffed for grades 1-2
 - Need for current assessment data
 - Collecting feedback and making adjustments as we go
- Title 1/PTO Costume Swap and Literacy Night
 - Wednesday, Sept. 30th
 - Scholastic Book \$ providing 100 books for ages 3-12
 - Title 1 table with literature and slideshow
- Collaboration with Sue Guenard at MS/HS Friday, Sept. 18

District Assessment Coordinator:

September Calendar

- Assessments
 - Aimsweb Screener (PK-3) Administer within 45 days of the first day of school.
 - Fastbridge CBMR grades 4-5 (oral reading fluency) **COMPLETE**
 - HMH Growth Measure (Standards aligned based on ELA resource) **COMPLETE**
 - iReady math diagnostic; now called Inform grades K-5 **COMPLETE**
- Shareout of fall data during October or November work session?

Superintendent Report September 2026

* Staff in-service day will be on September 28. Work is being planned for in the areas of curriculum and standards work.

*We are continuing to live stream some events this year.

*Referendum planning continues for phase 3. We are busy preparing for bids. Phase 2 items are starting to get wrapped up. Other work continues as supplies come in.

*Highlights from our opening week include:

1. Transition days were better attended this year. We welcomed back all of our students on August 27. The students and staff have been doing a great job getting settled in.
2. All staff participated in trainings on Child Maltreatment, Bloodborne Pathogens, School Safety and Grooming.

*New staff have been welcomed into the District with welcome baskets and Boyceville gear.

Boyceville Community School District

**SCHOOL BOARD RESOLUTION FOR THE WAIVER OF CERTAIN SCHOOL BOARD OR
SCHOOL DISTRICT REQUIREMENTS PURSUANT TO WIS. STAT. §§ 118.045**

WHEREAS, Wis. Stat. §118.045 authorize school boards to request the Department of Public Instruction to waive any school board or school district requirement in Wis. Stat. chs. 115 to 121 or in the administrative rules promulgated by the Department under the authority of those chapters; and

WHEREAS, Wis. Stat. §§120.12 (1) and 12.44 (2) authorize the Board of Education to have the possession, care, control and management of the property and affairs of the school district; and

NOW, THEREFORE BE IT RESOLVED, that:

1. On September 16, 2026, the Board of Education held a public hearing, in satisfaction of Wis. Stat. §118.045 and PI27.03, concerning requests for waivers of the requirements identified herein; and
2. In compliance with Wis. Stat. §§118.38 (1) and (1m) and §118.045; and for the reasons set forth herein, the Board of Education hereby directs the District Administrator or his/her designee to apply, on behalf of the Board, to the Office of the Superintendent for Public Instruction (OSPI) for the waiver of the following:
 - Waiver of the requirements of Administrative Code. PI 27.03(1) and the administrative rules promulgated by the department regarding school start date due to construction from the passage of an April 2024 referendum.

A referendum passed and we would adjust our school calendar to start before September 1, 2027. This will allow time for phase 3 construction to be completed in the summer months when students are not in session. Safety for students and staff is a major concern if there will be construction happening during school hours.

BE IT FURTHER RESOLVED that execution of this Resolution is conclusive evidence of the Board of Education's approval of this action and of the authority granted herein at a duly-noticed meeting of the Board held on September 16, 2026.

Dated this 16th day of September, 2026.

ON BEHALF OF THE BOYCEVILLE
COMMUNITY SCHOOL DISTRICT
BOARD OF EDUCATION

Dear Boyceville School District,

At Hansen Auction Group, one of our core values is **Charity and Community**—giving back to strengthen the places we live and work through service and generosity. As part of our Third Quarter Community Give Back initiative, we are seeking opportunities to help students and teachers start the school year with the supplies and resources they need to succeed.

We would like to contribute to your school's supply drive and learn how we can best support your students, teachers, and families this fall. Our goal is to provide assistance where it is needed most, and we would appreciate any information you can share about your school's priorities for the upcoming school year.

Some ways we may be able to help include:

- Providing requested school supplies or fulfilling wish lists
- Supporting upcoming back-to-school events or supply drives
- Making monetary donations to your school or student programs
- Volunteering our time to assist with school events or initiatives

Thank you for the important work you do for the students and families in our community. We appreciate all that you do and look forward to the opportunity to partner with you to make a positive impact this fall.

Sincerely,

Hansen Auction Group

Hi Nick and Alesha,

The AnnMarie Board met Wednesday, and partially approved your grant requests:

Item #1, the STEM supplies for Erin Reisimer's elementary classes was partially approved, for the amount of \$1,000.
 Item #2, the 3D printer for Andy Hamm's programs at the high school was approved in full for \$1,800.
 and Item #3, the wireless peripherals for Patrick Gretzlock's middle & high school classes was approved partially, for the amount of \$540.

Funding project #1 and #3 at half the requested amounts enabled us to get funding to all 3 projects. Please pass along congrats to your teachers.

We will be sending the acceptance agreement from the Eau Claire Community Foundation soon. Once returned, the check will be for the combined amount total of \$3,340

Best wishes,

Jim Uhlir
