Re: Middle School Resolutions

RECOMMENDED BOARD ACTION:

“RESOLVED, that the Lawton Community Schools Board of Education extends its congratulations to the following students for being Students of the Month for the month of November: Fifth Grade Braylee Marcoux, Sixth Grade Scarlett Sweet, Seventh Grade Jax Thatcher, and Eighth Grade Levi Baldus.”

Braylee Marcoux; Daughter of Layken Marcoux

Braylee Marcoux is a wonderful example of a Student of the Month for the 5th grade. She is consistently kind and helpful to others, always looking for ways to support her classmates and contribute positively to our classroom community. Braylee works hard during independent work time and takes pride in doing her best. She also participates thoughtfully during class discussions and activities. One of Braylee’s greatest strengths is her confidence to ask questions and let me know when something feels challenging, which shows strong self-advocacy and a desire to learn. Her positive attitude and dedication make her a joy to have in class.

Scarlett Sweet; Daughter of Lucien and Dessirae Sweet

The 6th Grade Student of the Month for November is... Scarlett Sweet!

Scarlett consistently demonstrates our Lawton Middle School R.O.A.R. expectations. She is always prepared for class and on time, whether that means having necessary materials, homework completed or being prepared for and ready to take a test. She keeps track of her assignments and does a great job managing her time. Scarlett always puts forth her best effort in all of her classes! If Scarlett is unsure of directions or expectations for an assignment, she does not hesitate to ask for clarification. A positive attitude is something we know Scarlett will bring to every class every day. Although often quiet, Scarlett is always respectful to all staff and peers. She is very aware of her surroundings and is the first to jump in and help a teacher or peer if she sees the opportunity.

Scarlett demonstrates a great deal of maturity and already has great habits in place to be successful. These qualities will not only be helpful throughout middle and high school, but will enable her to excel on whatever post-high school path she chooses. Scarlett has what it takes to push herself to reach her dreams. For all of these reasons and many more, we are proud and excited to recognize Scarlett Sweet as Student of the Month!"

Jax Thatcher; Son of Robyn and Donald Thatcher

The 7th grade nominee is Jax Thatcher. Jax stands out for being respectful to all his classmates as well as teachers. He consistently gives his best on his assignments, asking the teacher for help and then applying it right away. He's a great student and is always on task!

Levi Baldus; Son of John and Dorothy Baldus

The 8th grade team nominates Levi Baldus for November’s student of the month. Levi is a phenomenal student who is kind, caring, and thoughtful in all that he does. His thoughtfulness and positivity carries through all of his classes. Levi is often found helping others and going out of his way to help out classmates. Levi takes his studies seriously and is a great role model for others. He shows Lawton Middle School’s core values of responsibility, ownership, attitude, and respect on a daily basis. Congratulations to Levi, our November Student of the Month!

Title	Copy of NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES
Code	po2266
Status	
Adopted	September 21, 2020
Last Revised	April 24, 2025

2266 - **NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES**

Introduction

The Board of Education of the Lawton Community School District (hereinafter referred to as “the Board” or “the District”) does not discriminate on the basis of sex (including sexual orientation or gender identity) in its education programs or activities and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the District has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. Board employees, students, Third Party vendors and contractors, guests, and other members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the District’s education programs and activities.

Coverage

This policy applies to Sexual Harassment that occurs within the District’s education programs and activities and that is committed by a member of the School District community or a Third Party.

This policy does not apply to Sexual Harassment that occurs off school grounds, in a private setting, and outside the scope of the District’s education programs and activities; such Sexual Misconduct/Sexual Activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws if committed by a Board employee.

Consistent with the U.S. Department of Education’s implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the District’s education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws if committed by a Board employee.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: “Sexual Harassment” means conduct on the basis of sex that satisfies one (1) or more of the following:

- A. A Board employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "quid pro quo" harassment);
- B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, **and** objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent, and the "nonforcible" sex offenses of Incest and Statutory Rape. Sexual assault includes rape, sodomy, sexual assault with an object, **criminal sexual contact (f.k.a. fondling), fondling**, incest, and statutory rape.

1. *Rape* is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genital or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
 2. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
 3. *Sexual Assault with an Object* is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.
 4. ***Criminal Sexual Contact (f.k.a. Fondling)* is the intentional touching of the clothed or unclothed body parts, without consent, of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation; or the forced touching by the victim of the other individual's clothed or unclothed body parts, without consent of the victim, for the purpose of sexual degradation, sexual gratification, or sexual humiliation. This includes instances where the victim is incapable of giving consent because of age or incapacity due to temporary or permanent mental or physical impairment or intoxication for the purpose of sexual degradation, sexual gratification, or sexual humiliation.**
 5. *Statutory Rape* is sexual intercourse with a person who is under the statutory age of consent as defined by State law.
 6. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent.
 7. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep.
- D. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:
1. a current or former spouse or intimate partner of the victim;
 2. a person with whom the victim shares a child in common;
 3. a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
 4. a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
 5. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

- E. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.
- F. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Formal Complaint: "Formal Complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the District investigate the allegation(s) of Sexual Harassment. At the time of filing a Formal Complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of Sexual Harassment or allegations of Sexual Harassment to the District's Title IX Coordinator, or any District official who has the authority to institute corrective measures on behalf of the Board, or any Board employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report Sexual Harassment, or having been trained to do so, does not qualify an individual as one who has the authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent.

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Sexual Harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District including, but not limited to, in-person and online educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes locations, events, and circumstances that take place off-school property/grounds over which the Board exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurs.

School District community: "School District community" refers to students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third Parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged Sexual Harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of Sexual Harassment.

Day(s): Unless expressly stated otherwise, the term “day” or “days” as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Eligible Student: “Eligible Student” means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

Title IX Coordinator(s)

The Board of Education designates and authorizes the following individual(s) to oversee and coordinate its efforts to comply with Title IX and its implementing regulations:

Middle School Principal

The Board of Education of the Lawton Community School District does not discriminate on the basis of sex in its education program or activity and is required by Title IX and its implementing regulations not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The District’s Title IX Coordinator(s) is/are:

Middle School Principal

titleixcoordinator@lawtoncs.org

High School Principal

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education’s Office for Civil Rights, or both.

The Board has adopted a grievance process that provides for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process is included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: <https://go.boarddocs.com/mi/law/Board.nsf/Public?open&id=policies>. The grievance process specifically addresses how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The Superintendent shall also prominently display the Title IX Coordinator’s(s’) contact information – including name(s) and/or title(s), phone number(s), office address(es), and e-mail address(es) – and this policy on the District’s website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, Board employees, and all unions or professional organizations holding collective bargaining or professional agreements.

Grievance Process

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before the imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s).

Students, Board members, and Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee who will, in turn, notify the/a Title IX Coordinator. Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the person making the report should submit it to the Superintendent, or another Board employee who, in turn, will notify the Superintendent of the report. The Superintendent will then serve in place of the Title IX Coordinator for purposes of addressing that report of Sexual Harassment.

The Board does business with various vendors, contractors, and other Third Parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or Third Party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or Third Party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or Third Party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies and/or administrative guidelines, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any Board employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a Board employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. The Board employee must also comply with mandatory reporting responsibilities pursuant to M.C.L. 722.623 and Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge is based on another individual bringing the information to the Board employee's attention and the reporting individual submitted a written complaint to the Board employee, the Board employee must provide the written complaint to the Title IX Coordinator.

If a Board employee fails to report an incident of Sexual Harassment of which the Board employee is aware, the Board employee may be subject to disciplinary action, up to and including termination.

When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purpose of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students and Policy 5611 – Due Process Rights.

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School District community and Third Parties, the Board retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

Formal Complaint of Sexual Harassment

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process with respect to that Formal Complaint.

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the District will follow its Grievance Process, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly make false statements or knowingly submit false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct.

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Timeline

The District will seek to conclude the grievance process, including resolving any appeals, within sixty (60) days of receipt of the Formal Complaint.

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities.

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

- A. Notice of the Board's grievance process, including any informal resolution processes;

B. Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:

1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence;
3. inform the parties of any provision in the Student Code of Conduct and/or this policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a Formal Complaint

The District shall investigate the allegations in a Formal Complaint *unless* the conduct alleged in the Formal Complaint:

- A. would not constitute Sexual Harassment (as defined in this policy) even if proved;
- B. did not occur in the District's education program or activity; or
- C. did not occur against a person in the United States.

If one (1) of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one (1) of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook.

The Title IX Coordinator *may* dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation or hearing:

- A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
- B. the Respondent is no longer enrolled in the District or employed by the Board; or
- C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

Consolidation of Formal Complaints

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one (1) Respondent, or by more than one (1) Complainant against one (1) or more Respondents, or by one (1) party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one (1) Complainant or more than one (1) Respondent, references in this policy to the singular "party," "Complainant," or "Respondent" include the plural, as applicable.

Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a Formal Complaint of Sexual Harassment. Similarly, no party shall be required to participate in an informal

resolution process.

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

- A. the allegations;
- B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and
- C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a Board employee sexually harassed a student.

The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent.

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is (are) directed to use the preponderance of the evidence standard. The decision-maker(s) is charged with considering the totality of all available evidence from all relevant sources.

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the party provides the District with voluntary, written consent to do so; if a student party is not an Eligible Student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

- A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and
- B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

Board Policy 2461 – Recording of District Meetings Involving Students and/or Parents controls whether a person is allowed to audio record or video record any meeting or ²⁷grievance proceeding.

Neither party shall be restricted in their ability to discuss the allegations under investigation or to gather and present relevant evidence.

The District will provide to a party whose participation is invited or expected written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate. The investigator(s) and decision-maker(s) must provide a minimum of one (1) days' notice with respect to investigative interviews and other meetings and three (3) days' notice with respect to hearings.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

Prior to completion of the investigative report, the Title IX Coordinator will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least ten (10) calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the conclusion of the investigation, the investigator shall create an investigative report that fairly summarizes relevant evidence and send the report to each party and the party's advisor, if any, for their review and written response. The investigator will send the investigative report in an electronic format or a hard copy, at least ten (10) calendar days prior to a hearing or the decision-maker(s) issuing a determination regarding responsibility.

Determination of Responsibility

The Title IX Coordinator shall appoint a decision-maker(s) to issue a determination of responsibility. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator(s) or the investigator(s).

After the investigator sends the investigative report to the parties and the decision-maker(s), and before the decision-maker(s) reaches a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.

Determination regarding responsibility: The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) must apply the preponderance of the evidence standard.

The written determination will include the following content:

- A. identification of the allegations potentially constituting Sexual Harassment pursuant to this policy;
- B. a description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, [and] methods used to gather other evidence, and hearings held;
- C. findings of fact supporting the determination;
- D. conclusions regarding the application of the applicable code of conduct to the facts;
- E. a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the decision-maker(s) is recommending that the District impose on the Respondent(s), and whether remedies designed to restore or preserve equal access to the District's education program or activity should be provided by the District to the Complainant(s); and
- F. the procedures and permissible bases for the Complainant(s) and Respondent(s) to appeal.

The following disciplinary sanctions/consequences may be imposed on a student Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

A. Informal Discipline

1. writing assignments;
2. changing of seating or location;
3. pre-school, lunchtime, after-school detention;
4. in-school discipline;
5. Saturday school.

B. Formal Discipline

1. suspension of bus riding/transportation privileges;
2. removal from co-curricular and/or extra-curricular activity(ies), including athletics;
3. emergency removal;
4. suspension for up to ten (10) school days;
5. long-term suspension or expulsion;
6. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students, Policy 5610.02 - In-School Discipline, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

The following disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. oral or written warning;
- B. written reprimands;
- C. performance improvement plan;
- D. required counseling;
- E. required training or education;
- F. demotion;
- G. suspension with pay;
- H. suspension without pay;
- I. termination, and any other sanction authorized by any applicable Employee/Administrator Handbook and/or collective bargaining agreement.

If the decision-maker(s) determines the employee Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an

authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with applicable due process procedures, whether statutory or contractual.

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

- A. oral or written warning;
- B. suspension or termination/cancellation of the Board's contract with the Third Party vendor or contractor;
- C. mandatory monitoring of the Third Party while on school property and/or while working/interacting with students;
- D. restriction/prohibition on the Third Party's ability to be on school property; and
- E. any combination of the same.

If the decision-maker(s) determines the Third Party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including the imposition of sanctions. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately imposing a disciplinary sanction/consequence, the Superintendent will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appeal

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, on the following bases:

- A. procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);
- B. new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- C. the Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter;
- D. the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Sexual Harassment).

The Complainant(s) may not challenge the ultimate disciplinary sanction/consequence that is imposed.

Any party wishing to appeal the decision-maker's(s') determination of responsibility, or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, must submit a written appeal to the Title IX Coordinator within three (3) days after receipt of the decision-maker's(s') determination of responsibility or the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein.

Nothing herein shall prevent the Superintendent from implementing appropriate remedies, however, excluding disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.

The decision-maker(s) for the appeal shall determine when each party's written statement is due.

The decision-maker(s) for the appeal shall issue a written decision describing the result of the appeal and the rationale for the result. The original decision-maker's(s') determination of responsibility will stand if the appeal request is not filed in a timely manner or the appealing party fails to show clear error and/or a compelling rationale for overturning or modifying the original determination. The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within sixty (60) days of when the parties' written statements were submitted.

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. No further review beyond the appeal is permitted.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation and/or hearing is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution and the principles of academic freedom as set forth in the applicable collective bargaining agreement. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers.

Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

- A. the definition of Sexual Harassment (as that term is used in this policy);
- B. the scope of the District's education program or activity;
- C. how to conduct an investigation and implement the grievance process that includes hearings, appeals, and informal resolution processes, as applicable; and
- D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

All Board employees will be trained concerning their legal obligation to report Sexual Harassment to the Title IX Coordinator. This training will include practical information about how to identify and report Sexual Harassment.

Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records:

- A. each Sexual Harassment investigation including any determination regarding responsibility, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity;
- B. any appeal and the result therefrom;
- C. any informal resolution and the result therefrom; and
- D. all materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website. If a person is unable to access the District's website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

Title	Copy of CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS
Code	po4162
Status	
Adopted	February 20, 1995
Last Revised	June 15, 2020

4162 - CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE (CMV) DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS

Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles (collectively "Covered Employees") must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug-Free Workplace which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply.

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance* abuse includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the prescribed quantity.
- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District-owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.
- F. The term Covered Employee means all commercial driver license (CDL) holders and regular and substitute bus drivers as well as other staff who operate, inspect, service and condition a commercial motor vehicle (CMV) while on duty, regardless of whether they are required to hold a CDL.

G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time s/he is relieved from work and all responsibility for performing work.

Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in his/her system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioid
- D. Amphetamines
- E. Phencyclidine (PCP)

The alcohol and controlled substances tests are to be conducted in accordance with Federal and State regulations a.) prior to employment (Controlled Substances Only), b.) reasonable suspicion, c.) upon return to duty after any alcohol or drug rehabilitation, d.) post-accident 1.) resulting in human death, 2.) where the driver is issued a citation and the accident results in an injury that requires immediate medical attention away from the scene, or 3.) where there is disability damage to any motor vehicle that requires towing, e.) on a random basis, and f.) on a follow-up basis.

The Superintendent shall require that the District query the FMCSA's Drug and Alcohol Clearinghouse for current and prospective CDL drivers' drug and alcohol violations before allowing a driver to operate a District-owned and/or operated vehicle, consistent with Federal regulations, including consent requirements.

Any staff member who tests positive as defined in the guidelines shall be immediately prohibited from driving any District-owned and/or operated vehicle or conducting a safety-sensitive function:

- A. provided information regarding drug/alcohol counseling; or referred to the District's Employee Assistance Program;
- B. and subject to discipline, up to and including discharge, in accordance with District guidelines and the terms of any applicable collective bargaining agreements.

No staff member who has tested positive for alcohol or a controlled substance may be returned to a safety-sensitive position without having been evaluated by a qualified substance abuse professional (SAP), completing any required treatment program, and passing a retest. Return to a safety-sensitive position is solely at the District's discretion and the employee may be required to participate in ongoing services if recommended by the SAP. Any staff member who has tested positive for alcohol or a controlled substance will be provided with a list of SAPs available and acceptable to the District.

Furthermore, if during any test the lab determines that an adulterant has been added to the specimen, then the test will be considered positive and the employee shall be prohibited from performing any safety-sensitive functions and be referred to the District's Employee Assistance Program.

Any staff member who refuses to submit to a test shall be prohibited from performing or continuing to perform his/her safety-sensitive functions (e.g., driving any Board-owned vehicle).

Prior to the beginning of the testing program, the District shall provide a drug-free awareness program which will inform Covered Employees and their supervisors, about:

- A. the dangers of illegal drug use and controlled substance and alcohol abuse;
- B. indicators of probable alcohol misuse and controlled substance abuse;
- C. Board Policy 4122.01 - Drug-Free Workplace, Policy 4161 - Unrequested Leaves of Absence, Policy 4170 - Substance Abuse, and Policy 4170.01 - Employee Assistance Program;
- D. the sanctions that may be imposed for violations of Policy 4122.01.

All time spent undergoing an alcohol or controlled substance test, including travel time, will be paid at the staff member's regular rate of pay, or at his/her overtime rate, if applicable. Any staff member who is not allowed to return to work while awaiting test results will be compensated during the waiting period for all work time lost, including overtime, if applicable. The Board shall pay all costs associated with the administration of alcohol and controlled substance tests. This includes testing of the "split specimen" at a Federally certified laboratory if so requested by a staff member. Requests for a "split specimen" must be made within seventy-two (72) hours of receipt of the notification of a positive drug test. The Board will not pay for the employee's time while not on duty, if the split specimen test results are positive.

Alcohol and drug test results shall be protected as confidential medical records as appropriate under Federal law (i.e. test results shall be provided on a right to know basis - the employee, the employer, and the substance abuse professional - and the results shall not be presented until analyzed by a Medical Review Officer).

A tested individual, upon written request, will be promptly provided copies of any records relating to the individual's use of drugs and alcohol, including any records pertaining to the individual's drug and alcohol tests. A tested individual must provide specific written consent before the individual's test result can be provided to any other person except as required by law.

All tests shall be conducted in accordance with Federal testing guidelines and be performed by a laboratory that is Federally certified.

The alcohol and drug testing program shall be under the direction of the Superintendent.

The Superintendent shall arrange for periodic retraining of supervisors and staff members as necessary. The Superintendent shall provide a copy of this policy and testing guidelines to all Covered Employees and will include available resources to assist employees with problems related to the use of alcohol and controlled substances.

The Superintendent shall submit, for Board approval, a contract with a certified laboratory to provide the following services:

- A. testing of all first and second test urine samples
- B. clear and consistent communication with the District's Medical Review Officer (MRO)
- C. methodology and procedures for conducting random tests for controlled substances and alcohol
- D. preparation and submission of all required reports to the District, the MRO, and to Federal and State governments

The Superintendent shall also select the agency or persons who will conduct the alcohol breathalyzer tests, the District's MRO, and the drug collection site(s) in accordance with the requirements of the law.

Notification

A tested candidate shall be notified of the results of a pre-employment controlled substances test conducted under this part, if the driver requests such results within sixty (60) calendar days of being notified of the disposition of the employment application.

A tested individual shall be notified of the results of random, reasonable suspicion and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The tested individual shall also be informed which controlled substance or substances were verified as positive.

The Superintendent shall make reasonable efforts to contact and request each driver who submitted a specimen under the employer's program, regardless of the driver's employment status, to contact and discuss the results of the controlled substances test with a medical review officer who has been unable to contact the driver.

The Superintendent shall immediately notify the medical review officer that the driver has been notified to contact the medical review officer within seventy-two (72) hours.

Individuals holding a CDL license must notify all current employers of any DOT violations (such as testing positive for the presence of alcohol or a controlled substance in violation of this policy). The notification must be made 1) by the end of the business day following the day the individual first receives notice of the violation or 2) prior to performing any safety-sensitive function, whichever comes first. Individuals are not required to notify the employer that administered the test or that documented the circumstances giving rise to the violation.

In the event that an individual is selected for testing, the Superintendent will inform the individual that the test is required by applicable law.

Reporting Test Results

The Superintendent shall report all information required by Federal regulations to the Clearinghouse in a timely manner. The Superintendent shall prepare and maintain a summary of the results of its alcohol and controlled substances testing programs performed under this policy during the previous calendar year, when requested by the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers. Such summaries shall be submitted in a manner and timeline as required by law.

Educational Materials Related to Certain Federal Regulations, Board Policies, and Procedures

CDL License Holders and other employees who perform safety-sensitive functions will be provided educational materials at the time of hire or at any time when required to operate a school vehicle. The educational materials shall explain the requirements of applicable Federal regulations and the Board's policies and the District's procedures with respect to meeting these Federal regulations. The Board designates the Director of Transportation as the individual responsible for providing educational materials to CDL License Holders and other employees who perform safety-sensitive functions. The educational materials will include, at a minimum, the following:

Each staff member must sign a statement certifying receipt of these materials. A staff member who refuses to sign the requisite statement shall be prohibited from performing any safety-sensitive functions. Revised Policy - Vol. 40, No. 1

5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

It is the policy of the District to provide a safe and nurturing educational environment for all of its students.

The Board of Education recognizes that a school that is physically and emotionally safe and secure for all students and staff will be better able to promote good citizenship, increase attendance and engagement, and support academic achievement. The Board expects students and staff to conduct themselves in a manner that promotes positive relationships and school climate, with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

This policy protects all students from bullying/aggressive behavior regardless of the subject matter or motivation for such impermissible behavior.

Bullying or other aggressive behavior toward a student, whether by other students, staff, or third parties, including Board members, parents, guests, contractors, vendors, and volunteers, is strictly prohibited. This prohibition includes written, physical, verbal, and psychological abuse, including hazing, gestures, comments, threats, or actions, including electronically transmitted acts, to a student, which cause or threaten to cause bodily harm, reasonable fear for personal safety, or personal degradation.

Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

This policy applies to all "at school" activities in the District, including activities on school property, in a school vehicle, or at any time or place where a child's imminent safety or over-all well-being may be at issue, and those occurring off school property, if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, or where an employee is engaged in school business. Misconduct occurring outside of school may also be disciplined if it interferes with the school environment.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedure.

Parents or legal guardians of the alleged victim(s), as well as of the alleged aggressor(s), shall be promptly notified of any complaint or investigation, as well as the results of the investigation, to the extent consistent with student confidentiality requirements. A record of the time and form of notice or attempts at notice shall be kept in the investigation file.

To the extent appropriate and/or legally permitted, confidentiality will be maintained during the investigation process. However, a proper investigation will, in some circumstances, require the disclosure of names and allegations. Further, the appropriate authorities may be notified, depending on the nature of the complaint and/or the results of the investigation.

Reporting

~~The~~ No later than May 30, 2015, the District shall submit to the Department of Education a copy of this Policy.

The District shall report incidents of bullying to the Department of Education on an annual basis according to the form and procedures established by the Department of Education.

Should this Policy be amended or otherwise modified, the District shall submit a copy of the amended or modified Policy to the Department of Education no later than thirty (30) days after adopting the modification.

Implementation

The Superintendent is responsible to implement this policy, and may develop further guidelines not inconsistent with this policy. This policy is not intended to and should not be interpreted to interfere with legitimate free speech rights of any individual. However, the District reserves the right and responsibility to maintain a safe environment for students, conducive to learning and other legitimate objectives of the school program.

Procedure

Any student who believes ~~they have been or are~~/he has been or is the victim of bullying, hazing, or other aggressive behavior should immediately report the situation to the Principal or assistant principal. The student may also report concerns to a teacher or counselor who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

A student may also submit a report or complaint to any of the above designated individuals through email, voicemail, regular mail, or by leaving a sealed note addressed to the individual at that person's office or desk. The student may submit a report or complaint anonymously, but this may affect the ability to fully investigate the matter when the complaining student is not available to provide additional information during the course of the investigation.

The identity of a student who reports bullying, hazing, or aggressive behavior, as well as those students who provide information during an investigation, will remain confidential to the extent possible and to the extent allowable by law. Only school personnel directly involved in the investigation of the complaint or responsible for remedying any violations will be provided access to the identity of the complaining student(s) and student witnesses, and then only to the extent necessary to effectively deal with the situation.

The identity of the student who files the report or complaint will not be voluntarily shared with the alleged perpetrator(s) or the witnesses unless the student (and ~~the student's~~his/her parent/guardian) gives written permission to do so. Any investigation report will likewise not be voluntarily produced with the names of the reporting student(s) or witnesses. However, under certain circumstances, the District may be required by law to disclose the report and/or the student(s) name(s). Also, under certain circumstances, the identity of the reporting student may become obvious even without disclosure by school personnel.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports shall be made to those identified above. While reports may be made anonymously, formal disciplinary action may not be taken solely on the basis of an anonymous report without other corroborating evidence.

The Principal (or other designated administrator) shall promptly investigate and document all complaints about bullying, aggressive, or other behavior that may violate this policy. The investigation must be completed as promptly as the circumstances permit after a report or complaint is made.

If the investigation finds an instance of bullying or aggressive behavior has occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement or other appropriate officials.

If, during an investigation of a reported act of harassment, intimidation, and/or bullying/cyberbullying, the Principal or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying and/or harassment to one (1) of the Anti-Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 - Anti-Harassment.

The individual responsible for conducting the investigation shall document all reported incidents and report all verified incidents of bullying, aggressive, or other prohibited behavior, as well as any remedial action taken, including disciplinary actions and referrals, to the Superintendent. The Superintendent shall submit a compiled report to the Board on an annual basis.

Non-Retaliation/False Reports

Retaliation or false allegations against any person who reports, is thought to have reported, files a complaint, participates in an investigation or inquiry concerning allegations of bullying or aggressive behavior (as a witness or otherwise), or is the target of the bullying or aggressive behavior being investigated, is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy, independent of whether a complaint of bullying is substantiated. Suspected retaliation should be reported in the same manner as bullying/aggressive behavior.

Making intentionally false reports about bullying/aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

[END OF OPTION]

The best discipline for aggressive behavior is designed to (1) support students in taking responsibility for their actions, (2) develop empathy, and (3) teach alternative ways to achieve the goals and solve problems that motivated the aggressive behavior. Staff members and volunteers who interact with students shall role model respectful behavior and apply best practices designed to prevent discipline problems and encourage students' abilities to develop self-discipline and make better choices in the future. School employees will also be held accountable for bullying or harassing behavior that is directed toward school employees, volunteers, parents, or students in accordance with law and local collective bargaining agreements.

Consequences and appropriate remedial actions for a student or staff member who engages in one (1) or more acts of bullying or harassment may range from positive behavioral interventions, up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Board's approved Code of Student Conduct or Employee Handbook. School employees will also be held accountable for bullying or harassing behavior directed toward school employees, volunteers, parents, or students.

Consequences for a student who commits an act of bullying and harassment shall vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the Board's approved Code of Student Conduct. Remedial measures shall be designed to:

- A. correct the problem behavior;
- B. prevent another occurrence of the behavior; and

The following definitions are provided for guidance only. If a student or other individual believes there has been bullying, hazing, harassment, or other aggressive behavior, regardless of whether it fits a particular definition, the student or other individual~~s/he~~ should report it immediately and allow the administration to determine the appropriate course of action.

"Aggressive behavior" is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. Such behavior includes, for example, bullying, hazing, stalking, intimidation, menacing, coercion, name-calling, taunting, making threats, and hitting/pushing/shoving.

"At School" is defined as in a classroom, elsewhere on school premises, on a school bus or other school-related vehicle, or at a school-sponsored activity or event, whether or not it is held on school premises. It also includes conduct using a telecommunications access device or telecommunications service provider that occurs off school premises if either owned by or under the control of the District.

"Bullying" is defined as any written, verbal, or physical acts, including cyberbullying (i.e. any electronic communication including, but not limited to, electronically transmitted acts, such as internet, telephone or cell phone, computer, or wireless handheld device, currently in use or later developed and used by students) that is perceived as being dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress and may be motivated either by bias or prejudice based upon any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity or expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic, or is based upon association with another person who has or is perceived to have any distinguishing characteristic. Bullying or harassment also includes forms of retaliation against individuals who report or cooperate in an investigation under this policy. ~~personal digital assistant (PDA), or wireless hand held device) that, without regard to its subject matter or motivating animus, is intended or that a reasonable person would know is likely to harm one (1) or more students either directly or indirectly by doing any of the following:~~

"Intimidation/Menacing" includes, but is not limited to, any threat or act intended to: place a person in fear of physical injury or offensive physical contact; to substantially damage or interfere with person's property; or to intentionally interfere with or block a person's movement without good reason.

"Staff" includes all school employees and Board members.

"Third parties" include, but are not limited to, coaches, school volunteers, parents, school visitors, service contractors, vendors, or others engaged in District business, and others not directly subject to school control at inter-district or intra-district athletic competitions or other school events.

The scope of this policy includes the prohibition of every form of bullying, harassment, and cyberbullying/harassment, whether in the classroom, on school premises, immediately adjacent to school premises, when a student is traveling to or from school (portal to portal), or at a school-sponsored event, whether or not held on school premises. C. Accessibility of Web Content and Mobile Apps Website Accessibility

The District is committed to providing persons with disabilities an opportunity equal to that of persons without disabilities to participate in the District's programs, benefits, and services, including those delivered through electronic and information technology, except where doing so would impose an undue burden or create a fundamental alteration. The District is further committed to ensuring persons with disabilities are able to acquire the same information, engage in the same interactions, and enjoy the same benefits and services within the same timeframe as persons without a disability, with substantially equivalent ease of use; that they are not excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any District programs, services, and activities delivered online through the web or a mobile app, as required by Section 504 and Title II of the ADA and their implementing regulations; and that they receive effective communication of the District's programs, services, and activities delivered in-person or online.

This policy reflects the Board's commitment and intention to comply with the requirements of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794, 34 C.F.R. Part 104, Title II of the Americans With Disabilities Act of 1990, 42 U.S.C. Section 12131, and 28 C.F.R. Part 35 in all respects. For purposes of this policy, "web content" means "information and sensory experience to be communicated to the user by means of a user agent, including code or markup that defines the content's structure, presentation, and interactions." Examples of web content include text, images, sounds, videos, controls, animations, and conventional electronic documents (e.g., content in the following electronic file formats: portable document formats ("PDF"), word processor file formats, presentation file formats, and spreadsheet file formats). Additionally, "mobile applications" ("mobile apps") means "software applications that are downloaded and designed to run on mobile devices, such as smartphones and tablets."

1. Technical Standards

Web content and mobile apps that the District provides and/or makes available, directly or through contractual, licensing or other arrangements, shall comply with the World Wide Web Consortium's Web Content Accessibility Guidelines ("WCAG") 2.1, Level AA standards, unless the Board can demonstrate that such compliance would result in a fundamental alteration in the nature of its programs, services, or activities, or an undue financial and administrative burden. The District will adhere to the technical standards of compliance identified at _____ [insert link to District website]. The District measures the accessibility of online content and functionality according to the World Wide Web Consortium's (W3C's) Web Content Accessibility Guidelines (WCAG) 2.0 Level _____, and the Web Accessibility Initiative - Accessible Rich Internet Applications Suite (WAI ARIA 1.1) for web content. () _____ [insert another acceptable standard selected by the District - e.g., the Section 508 Information and Communication Technology Accessibility Standards published by the U.S. Access Board, which serves as the standards the Federal government uses for its own websites].

[DRAFTING NOTES:

(1) Districts with a population of 50,000 or more residents must fully comply with WCAG 2.1, Level AA standards by April 24, 2026; Districts with fewer than 50,000 residents must fully comply with WCAG 2.1, Level AA standards by April 26, 2027.

(2) While the Department of Justice's Final Rule allows public entities to employ alternative designs, methods, or techniques if they provide equivalent or greater accessibility and usability, Neola does not recommend that approach. If a board wants to consider an alternative technical standard, it should consult with its legal counsel. While OCR currently (as of December 2022) recommends WCAG 2.0 Level AA, WCAG 2.1 is gradually becoming the standard courts cite as the ADA accessibility standard that public entities should use for websites, mobile applications, and digital content compliance. Further, W3C published a working draft of WCAG 2.2 in August 2020 and a Candidate Recommendation draft of WCAG 2.2 in September 2022, a final version of WCAG 2.2 is expected to be released in early 2023. The W3C states that WCAG 2.0 and 2.1 remain its

~~recommendation, but version 2.2 should be used to maximize future applicability of accessibility efforts. The W3C also encourages the use of the most current version of WCAG when developing or updating Web accessibility policies.] [END OF DRAFTING NOTES]~~

Notwithstanding the preceding, Federal regulations provide for the following content types to have limited exemption from the WCAG 2.1, Level AA requirements:

- a. Archived web content (provided all four (4) Federal criteria are met).
- b. Preexisting conventional electronic documents (with specific restrictions).
- c. Third party content that is not created pursuant to a contract between the Board and a third party.
- d. Password-protected documents pertaining to a specific student or account.
- e. Preexisting social media posts.

Even when the preceding exceptions apply, the District, however, will still provide effective communication and reasonable modifications in accordance with the ADA.

In addition, documents currently used for accessing District programs, services, programs, or activities do not qualify for the above exceptions, regardless of creation date.

When a person with a disability cannot access District-generated or affiliated web content or mobile apps that meet WCAG 2.1, Level AA standards, the District will: (1) provide alternate means of access to the same information and functionality; (2) make reasonable modifications to policies, practices, or procedures; (3) ensure effective communication through appropriate auxiliary aids and services; and (4) respond to accommodation requests within _____ () [insert timeframe] business days. Such accommodations may include: (a) alternative document formats (large print, Braille, audio); (b) telephone or in-person assistance for online services; and/or (c) email or mail delivery of information typically accessed online.

2. **DigitalWeb Accessibility Coordinator**

The Board designates its Superintendent as the District's Web Accessibility Coordinator(s). That individual(s) is responsible for coordinating and implementing this policy.

The District's Web Accessibility Coordinator(s) can be reached at:

Superintendent

Lawton Community Schools

101 Primary Way

Lawton, MI 49065

(269) 624-7901

3. **Third Party Content**

Links included on the Board's website(s) and District-approved/affiliated mobile apps that pertain to its programs, activities, or web services and apps that pertain to its programs, benefits, and/or services must also meet the above criteria and comply with State and Federal law (e.g. copyright laws, CIPA, Section 504, ADA, SOPPA, and COPPA). The District's Digital Accessibility Coordinator(s) or designee(s) will vet online content available on the Board's website and through District-approved/affiliated mobile apps that are related to the District's programs, activities, and/or services for compliance with this criteria for all new content published on the District's website and mobile apps after adoption of this policy. While the District strives to provide access through its website to online content provided or developed by third parties (including vendors, video sharing websites, and other sources of online/digital content) that is in an accessible format, that is not always feasible. The District's administrators and staff, however, are aware of this requirement with respect to the selection of online content provided to students. The District's Web Accessibility Coordinator(s) or designee will vet online content available on its website(s), apps, and services that are related to the District's programs, benefits, and/or services for compliance with this criteria for all new content published on the District's website(s), apps, and services after adoption of this policy.

Content posted by third parties (e.g., members⁵⁰ the public) on District platforms is exempt from the WCAG 2.1, Level AA requirements. Those platforms, however, along with content posted by the District staff or

contractors, must be fully compliant.

Nothing in the preceding paragraph, however, shall prevent the District from including links on its website(s) and apps/services to the Board's website(s), apps, and services to:

- a. recognized news/media outlets (e.g., local newspapers' websites, local television stations' websites); or
- b. websites, services, and/or apps that are developed and hosted by outside vendors or organizations that are not part of the District's program, benefits, or services.

The Board recognizes that such third party websites may contain advertisements that are not age-appropriate or consistent with the requirements of Policy 9700.01, AG 9700B, and State and Federal law.

4. Regular Audits

The District will, under the direction of the Digital Web Accessibility Coordinator(s) or designee(s), at regular intervals, audit the District's digital content to ensure it meets the required technical standards and measure this content against the technical standards adopted above.

If problems are identified through the audit, such problems will be documented, evaluated, and if necessary, remediated within a reasonable period.

5. Reporting Concerns or Possible Violations

If a person accessing the District's website(s), apps, or services (e.g., a student, prospective student, employee, guest, or visitor) ("user") believes that specific web content and/or a mobile app has violated the WCAG 2.1, Level AA standards, the user may contact the Digital Web Accessibility Coordinator with any accessibility concerns. The user may also file a formal complaint utilizing the procedures set out in Board Policy 2260.01 relating to Section 504 and Title II.

D. Instructional Use of Apps/Services and Web Services

The Board authorizes the use of apps and web services to supplement and enhance learning opportunities for students either in the classroom or for extended learning outside the classroom.

The Board requires the Principal pre-approve each app/service and/or web service that a teacher intends to use to supplement and enhance student learning. To be approved, the app/service and/or web service must have a FERPA-compliant privacy policy, as well as comply with all requirements of the COPPA, CIPA, and Section 504/ADA, including the WCAG 2.1, Level AA accessibility standards Children's Online Privacy Protection Act ("COPPA"), Student Online Personal Protection Act (SOPPA), and the Children's Internet Protection Act (CIPA) () and Section 504 and the ADA.

The Board further requires the use of a Board-issued e-mail address in the login process for District-approved/affiliated apps/services.

E. Training

The District will provide periodic training for its employees who 1) create web content, documents, or multimedia materials, 2) manage the Board's website and digital services, 3) select and contract with technology vendors, and 4) work on online communications are responsible for creating web content or distributing information online so that these employees are aware of this policy and understand their roles and responsibilities with respect to web design and creation and/or uploading of documents and multimedia content.

The training should cover:

F. One-Way Communication Using ~~the District Website and/or District-Approved/Affiliated Apps/Services~~ the District Website(s), Apps, and Services

The Board approves the use of its ~~website and District-approved/affiliated apps/services~~ website(s)/web pages, apps, and services to promote school activities and inform stakeholders and the general public about District news and operations.

Such communications constitute public records that will be archived.

When the Board or Superintendent designates communications distributed via ~~the District's website and/or District-approved/affiliated apps/services~~ District web pages/websites, apps, and web services to be one-way communication, public comments are not solicited or desired, and the ~~website or app/service~~ website(s), apps, or services are to be considered a nonpublic forum.

If the District uses an app/~~service and/or service~~ that does not allow the District to block or deactivate public comments, the District's use of that app/~~service and/or service~~ will be subject to Policy 7544 – Use of Social Media unless the District is able to automatically withhold all public comments.

If unsolicited public comments can be automatically withheld, the District will retain the comments in accordance with its adopted record retention schedule (see AG 8310A – Public Records, and AG 8310E – Record Retention and Disposal), but it will not review or consider those comments.

[DRAFTING NOTE: Districts are advised to adopt a new category of records that covers such "hidden public comments" on social media. Unless dictated by State law, retention periods established by the district for such unsolicited communications should be limited.

Title	Vol. 40, No. 1 - September 2025 Revised CONTINUITY OF ORGANIZATIONAL OPERATIONS PLAN
Code	po8300
Status	
Adopted	June 19, 2017
Last Revised	June 19, 2023

Revised Policy - Vol. 40, No. 1

8300 - CONTINUITY OF ORGANIZATIONAL OPERATIONS PLAN

The Board of Education shall develop and implement a Continuity of Organizational Operations Plan ("COOP") to enable it to conduct, if necessary, essential functions and critical services and operations (e.g., teaching and learning, transportation, business services, communication, computer/network systems support, facilities, maintenance, and safety and security) under all hazards/conditions. The District's COOP shall be (x) consistent with (-) a component of ~~[END OF OPTIONS]~~ the District's School Safety Emergency Management Plan (see Policy 8400 - School Safety Information and Policy 8402 - Emergency Operations Plan). Having a plan to recover from any type of crisis/emergency/disaster, regardless of its severity or the consequences of the incident/event, strengthens the District's resilience so it can operate with minimal impact on its primary mission/responsibility to educate the students enrolled in the District, involves teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources. The Continuity of Organizational Operations Plan (COOP) provides the District with the capability of conducting its essential operations under all threats and conditions, with or without warning. Having a plan to recover from any type of disaster regardless of the severity and consequences of the emergency is critical to the recovery of operations and minimizing the impact on the District's teaching and learning, personnel, facilities, technology, transportation, food service, and other functional resources.

Scope of the Continuity Plan

The primary objective of the COOP is to restore the District's critical operational/business functions and the learning environment as quickly as possible after a crisis/emergency/disaster or threat event occurs. [-] The COOP shall include strategies aimed at resuming instruction and crucial business functions within _____ (-) ~~[ENTER AMOUNT]~~ (-) days (-) hours ~~[END OF INTERNAL OPTIONS]~~ ~~[DRAFTING NOTE: Select a time period in which to restart district essential operations — e.g., two (2) school days, five (5) business days, forty-eight (48) hours.]~~ of the disruption, along with procedures to implement secure remote work and instruction in a crisis/emergency/disaster, identify alternative sites and technology redundancy, and provide incident response integration with the District's cybersecurity incident management protocols. ~~[END OF OPTIONAL SENTENCE]~~

The District will use the following process to achieve essential function resilience (i.e., business and learning continuity):

- A. identify essential functions;
- B. determine planning factors needed to accomplish the essential functions (e.g., staff and organization, equipment and systems, information and data, sites);
- C. conduct risk assessments for each planning factor; and
- D. identify and implement continuity options.

Because the COOP contains sensitive information, by law, it functions and the learning environment as quickly as possible after a crisis or threat event occurs. A COOP contains critical and sensitive information that is confidential and exempt from public disclosure.

Planning for the continuity of operations of a school system in the aftermath of a disaster is a complex task. The current threat environment and recent emergencies, including acts of nature, accidents, technological emergencies, **cybersecurity incidents (including data breaches, ransomware, and denial of service attacks), and terrorist threats and attacks, cyberattacks, and terrorist attacks and threats,** have increased the need for viable continuity capabilities and plans that enable the District to resume and continue the essential functions in an all-hazards environment across a full spectrum of **crises/emergencies/disasters, emergencies.** Such conditions have increased the importance of having continuity plans in place that provide stability of essential functions across the various levels of public government and private enterprises.

The planning and development of continuity of an organizational operations plan, as well as the ongoing review, testing, and revision of such a plan, is important for the overall District ~~() as well as and also for each school () and department in the District~~ **[END OF OPTIONS]. [DRAFTING NOTE: While the preceding optional language is true, they do not need to be included if a district wants to simply state that its COOP is important to the district as a whole. The following sentence, however, is not optional and emphasizes the necessity for individual schools and departments to have individualized continuity of operation plans in place to address their unique needs and circumstances.]** Each school and operational department (e.g., transportation, information technology ("IT"), food service, and student services) shall maintain a site/department-specific COOP aligned with the District-wide COOP. The site/department-specific COOPs are subject to annual submission to, and review by, the Superintendent.

The District-wide plan describes how the District will respond as a total organization to a given emergency and describes the centralized resources and how they will be organized to implement the command and control necessary to function during the life cycle of the event. Individual school and department plans shall contain the details related to the continuity plan for those specific sites and functional areas to prepare for an incident/event, communicate throughout the duration of the incident/event, assess the impact of the incident/event on essential functions in the school/department, respond to the incident/event, and detail what will be done to recover from the incident/event. ~~contain the details related to the continuity plan for those specific sites and functional areas to prepare for an event, communicate throughout the duration of an event, assess the impact of an event on essential functions in the unit, respond to the event, and detail what will be done to recover from the event.~~

The COOP shall account for the needs of all students and staff, including individuals with disabilities, English learners, and students requiring health and/or behavioral supports in compliance with the Individuals with Disabilities Education Improvement Act ("IDEA"), Section 504 of the Rehabilitation Act of 1973 ("Section 504"), and the Americans with Disabilities Act ("ADA").

Preparation for, response to, and recovery from a disaster affecting administrative, educational, and support functions of the District's operations requires the cooperative efforts of external organizations, in partnership with the functional areas supporting the business of the District. This includes local government agencies, law enforcement, emergency management, medical services, and vendors necessary to District operations. The COOP outlines and coordinates all efforts by the District, in cooperation with other local and State agencies and businesses, to restore the essential functions of the District ~~post-incident/event. post-disaster.~~

The Superintendent shall provide that all relevant staff receive ~~() annual () periodic~~ **[END OF OPTIONS]** training on their roles in the COOP.

Key components of the COOP shall be communicated to employees, students, and families as appropriate.

The Superintendent shall develop and recommend the COOP for Board review and approval; however, the COOP shall be considered a confidential document not subject to release under State public records laws, and accordingly, no copies shall be provided for public review.

The Superintendent shall conduct an annual review of and update to, as necessary, the COOP. Additionally, the Superintendent shall conduct annual table-top exercises to assess the expected effectiveness of the COOP and after-action reviews post-incident/event. See Policy 8400 – School Safety Information and Policy 8402 - Emergency Operations Plan (which discusses the conduct of annual emergency management tests). ~~The Superintendent shall conduct () an annual () a periodic~~ **[END OF OPTION]** review of the COOP.

Revised Policy - Vol. 40, No. 1

8305 - INFORMATION SECURITY

The District collects, classifies, and retains data/information from and about students, staff, vendors/contractors, and other individuals, about programs and initiatives undertaken by the school system, and about and related to the business of the District. This data/information may be in hard copy or digital format and may be stored in the District or off-site with a third party provider.

Data/Information collected by the District shall be classified as Confidential, Controlled, or Published. **The Superintendent shall define "Confidential," "Controlled," and "Published" in administrative guidelines and provide examples of data/information in each classification.** Data/Information will be considered Controlled until identified otherwise.

Protecting District Information Resources (as defined in Bylaw 0100) is of paramount importance. Information security requires everyone's active participation to keep the District's data/information secure. This includes Board of Education members, staff members/employees, students, parents, contractors/vendors, and visitors who use District Information & Technology Resources (as defined in Bylaw 0100). **If an employee suspects, discovers, and/or determines that a security breach has occurred, the employee shall promptly notify the employee's immediate supervisor and the Superintendent. The employee should follow up their oral notification in writing. The Superintendent will determine and implement the steps necessary to correct the unauthorized access and, as applicable, provide notification to those individuals whose personal information may have been compromised.**

Staff members, and individuals associated with the District through their affiliation with a District contractor/vendor, Individuals who are granted access to data/information collected and retained by the District must follow established procedures so that the data/information is protected and preserved. Board members, administrators, and all District staff members, as well as contractors, vendors, and their employees, granted access to data/information retained by the District are required to certify annually that they shall comply with the established information security protocols pertaining to District data/information. Further, all **persons granted access by the District, individuals granted access** to Confidential Data/Information retained by the District must certify annually that they will comply with the information security protocols pertaining to Confidential Data/Information. **For staff members, completing** ~~Completing~~ the appropriate section of the Staff Technology Acceptable Use and Safety form (Form 7540.04 F1) shall provide this certification.

All Board members, staff members/employees, students, contractors/vendors, and visitors who have access to Board-owned or managed data/information must maintain the security of that data/information and the District Technology Resources on which it is stored. **The Superintendent shall conduct an annual risk assessment related to the access and security of the District's Data/Information. Further, the District will maintain audit logs for access to Confidential Data/Information and regularly review such logs to detect unauthorized activity.**

District information security procedures shall comply with applicable Federal and State law including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA"), Protection of Pupil Rights Amendment ("PPRA"), and Children's Online Privacy Protection Act ("COPPA") regarding data breaches.

If an individual has any questions concerning whether this Policy and/or its related administrative guidelines apply to them or how they apply to them, the individual should contact the District's Technology Director or Information Technology Department/Office.

The Superintendent shall develop administrative guidelines that set forth the internal controls necessary to provide for the collection, classification, retention, access, and security of District Data/Information.

Further, the Superintendent is charged with developing a program and/or procedures that can be implemented in the event of a cybersecurity incident, whether it involves an inadvertent or intentional unauthorized release or breach of data/information. The program/procedures shall comply with the District's legal requirements as delineated below. In particular, in the event of a breach involving personally identifiable information, the District shall notify affected individuals and/or government officials in accordance with State and Federal law. ~~Further, the Superintendent is charged with developing procedures that can be implemented in the event of an unauthorized release or breach of data/information. These procedures shall comply with the District's legal requirements if such a breach of personally identifiable information occurs.~~

Cybersecurity incident" means any of the following:

- A. A substantial loss of confidentiality, integrity, or availability of a covered entity's information system or network;
- B. A serious impact on the safety and resiliency of a covered entity's operational systems and processes;
- C. A disruption of a covered entity's ability to engage in business or industrial operations, or deliver goods or services;
or
- D. Unauthorized access to an entity's information system or network, or nonpublic information contained therein, that is facilitated through or is caused by:
 1. a compromise of a cloud service provider, managed service provider, or other third party data hosting provider; or
 2. a supply chain compromise.

"Cybersecurity incident" does not include mere threats of disruption as extortion; events perpetrated in good faith in response to a request by the system owner or operator; or lawfully authorized activity of a United States, State, local, tribal, or territorial government entity.

"Ransomware incident" means a malicious cybersecurity incident in which a person or entity introduces software that gains unauthorized access to or encrypts, modifies, or otherwise renders unavailable a political subdivision's information technology systems or data and thereafter, the person or entity demands a ransom to prevent the publication of the data, restore access to the data, or otherwise remediate the impact of the software.

Cybersecurity Program

The District's cybersecurity program shall be designed to safeguard the District's data, information technology, and information technology resources to ensure availability, confidentiality, and integrity. The program shall be consistent with generally accepted best practices for cybersecurity, such as the National Institute of Standards and Technology's cybersecurity framework and the Center for Internet Security's cybersecurity best practices, and may include, but is not limited to, the following:

- A. Identify and address the critical functions and cybersecurity risks facing the District.
- B. Identify the potential impacts of a cybersecurity breach.
- C. Specify mechanisms to detect potential threats and cybersecurity events.
- D. Specify procedures for the District to establish communication channels, analyze incidents, and take actions to contain cybersecurity incidents.
- E. Establish procedures for the repair of infrastructure impacted by a cybersecurity incident and the maintenance of security after the incident.
- F. Establish cybersecurity training requirements for all Board employees; the frequency, duration, and detail of which shall correspond to the duties of each employee.

[x] It is the policy of the Board – if the District is experiencing a ransomware incident - not to pay or otherwise comply with a ransom demand unless the Board formally adopts a resolution to approve such a payment or compliance with the ransom demand. If that occurs, the resolution will specifically state why the payment or compliance with the ransom

demand is in the District's best interest. **[END OF OPTION]**

[DRAFTING NOTE: The Board need not include this option in its policy, but action consistent with this statement is required by law.]

Following a cybersecurity incident or ransomware incident, the Superintendent shall notify:

- A. The Executive Director of the Division of Homeland Security within the Department of Public Safety, as soon as possible, but not later than seven (7) days after the District discovers the incident.
- B. The Auditor of State, as soon as possible, but not later than thirty (30) days after the District discovers the incident.

Any records, documents, or reports related to the District's cybersecurity program and framework, along with the reports of a cybersecurity incident or ransomware incident addressed in the preceding paragraph, are not public records. Similarly, a record identifying cybersecurity-related software, hardware, goods, and services that are being considered for procurement, have been procured, or are being used by the District, including the vendor name, product name, project name, or project description, is a security record.

All staff members (x) and contractors **[END OF OPTION]** with access to Controlled and/or Confidential Data/Information must complete training on data privacy, information security practices (e.g., internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols), and breach response protocols. ~~The Superintendent shall require staff members to participate in training related to the internal controls applicable to the data/information that they collect and have access to and for which they are responsible for the security protocols.~~

Third party contractors/vendors who require access to Confidential Data/Information collected and retained by the District will be informed of relevant Board policies that govern access to and use of Information Resources, including the duty to safeguard the confidentiality of such data/information. Additionally, all contracts with third party contractors/vendors (e.g., technology providers) who access District Data/Information shall include provisions addressing data security, breach notification, data ownership, confidentiality, and destruction upon termination. Further, a contract between a technology provider and the District shall ensure appropriate security safeguards for education records and includes the following:

- A. a restriction on unauthorized access by the technology provider's employees or contractors;
- B. a requirement that the technology provider's employees or contractors may be authorized to access education records only as necessary to fulfill the official duties of the employee or contractor; and
- C. a stipulation that the District owns the data/information.

Failure to adhere to this Policy and its related administrative guidelines may put data/information collected and retained by the District at risk. Employees who violate this policy and/or its related administrative guidelines may be disciplined, up to and including termination of employment and/or referral to law enforcement. Students who violate this Policy and/or its related administrative guidelines will be disciplined, up to and including expulsion and/or referral to law enforcement. Contractors/Vendors who violate this Policy and/or its related administrative guidelines may face termination of their business relationships with and/or legal action by the District. Parents and visitors who violate this Policy and/or its related administrative guidelines may be denied access to the District's Information & Technology Resources.

At least annually, ~~the~~ Superintendent shall conduct ~~an () an annual () a periodic~~ **[END OF OPTION]** assessment of risk related to the access to and security of the data/information collected and retained by the District.

8330 - **STUDENT RECORDS**

In order to provide appropriate educational services and programming, the Board of Education must collect, retain, and use information about individual students. Simultaneously, the Board recognizes the need to safeguard student's privacy and restrict access to student's personally identifiable inform

If the parent or legal guardian of a student provides the District with notice that s/he/they have received a participation card issued by the attorney general under the address confidentiality program act, the District shall not disclose the confidential address of the student, regardless of any other provision of this policy. The Superintendent, or his or her designee, shall develop a process to ensure that a student's participation in the address confidentiality program act is appropriately noted to avoid disclosure of this information to any person or entity.

Student "personally identifiable information" ("PII") includes, but is not limited to: the student's name; the name of the student's parent or other family members; the address of the student or student's family; a personal identifier, such as the student's social security number, student number, or biometric record; other indirect identifiers, such as ~~the student's date of birth, place of birth, and~~ mother's maiden name; other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or information requested by a person who the District reasonably believes knows the identity of the student to whom the education record relates.

The Board of Education is responsible for maintaining records of all students attending schools in this District. Only records mandated by the State or Federal government and/or necessary and relevant to the function of the School District or specifically permitted by this Board will be compiled by Board employees. The Board hereby authorizes collection of the following student records, in addition to the membership record required by law:

- A. observations and ratings of individual students by professional staff members acting within their sphere of competency
- B. samples of student work
- C. information obtained from professionally acceptable standard instruments of measurement such as achievement tests and standardized intelligence tests
- D. authenticated information provided by a parent or eligible student concerning achievements and other school activities which the parent or student wants to make a part of the record
- E. verified reports of serious or recurrent behavior patterns
- F. rank in class and academic honors earned
- G. attendance records
- H. health records

In all cases, permitted, narrative information in student records shall be objectively-based on the personal observation or knowledge of the originator.

Student records shall be available only to students and their parents, eligible students, and designated school officials who have a legitimate educational interest in the information, or to other individuals or organizations as permitted by law. The term "parents" includes legal guardians or other persons standing in loco parentis (such as a grandparent or stepparent with whom the child lives, or a person who is legally responsible for the welfare of the child). The term "eligible student" refers to a student who is eighteen (18) years of age or older or a student of any age who is enrolled in a postsecondary institution.

In situations in which a student has both a custodial and a noncustodial parent, both shall have access to the student's educational records unless stipulated otherwise by court order. In the case of eligible students, parents will be allowed access to the records without the student's consent, provided the student is considered a dependent under section 152 of the Internal Revenue Code.

A school official is a person employed by the Board as an administrator, supervisor, teacher/instructor (including substitutes), or support staff member (including health or medical staff and law enforcement unit personnel); and a person serving on the Board. The Board further designates the following individuals and entities as "school officials" for the purpose of FERPA:

- A. persons or companies with whom the Board has contracted to perform a specific task (such as an attorney, auditor, insurance representative, or medical consultant);
- B. contractors, consultants, volunteers or other parties to whom the Board has outsourced a service or function otherwise performed by the Board employees (e.g. a therapist, authorized information technology (IT) staff, and approved online educational service providers).

The above-identified outside parties must (a) perform institutional services or functions for which the Board would otherwise use its employees, (b) be under the direct control of the Board with respect to the use and maintenance of education records, and (c) be subject to the requirements of 34 C.F.R. 99.33(a) governing the use and re-disclosure of PII from education records.

Finally, a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks (including volunteers) is also considered a "school official" for purposes of FERPA provided s/he meets the above-referenced criteria applicable to other outside parties.

"Legitimate educational interest" shall be defined as a "direct or delegated responsibility for helping the student achieve one (1) or more of the educational goals of the District" or if the record is necessary in order for the school official to perform an administrative, supervisory or instructional task or to perform a service or benefit for the student or the student's family. The Board directs that reasonable and appropriate methods (including but not limited to physical and/or technological access controls) are utilized to control access to student records and to make certain that school officials obtain access to only those education records in which they have legitimate educational interest.

The Board authorizes the administration to:

- A. forward student records, including any suspension and expulsion action against the student, on request to a school or school district in which a student of this District seeks or intends to enroll upon condition that the student's parents be notified of the transfer, receive a copy of the record if desired, and have an opportunity for a hearing to challenge the content of the record;
- B. forward student records, including disciplinary records with respect to suspensions and expulsions, upon request to a public school or school district in which a student in foster care is enrolled. Such records shall be transferred within one (1) school day of the enrolling school's request;
- C. provide "personally-identifiable" information to appropriate parties, including parents of an eligible student, whose knowledge of the information is necessary to protect the health or safety of the student or other individuals, if there is an articulable and significant threat to the health or safety of a student or other individuals, considering the totality of the circumstances;
- D. report a crime committed by a child with or without a disability to appropriate authorities and, with respect to reporting a crime committed by a student with a disability, to transmit copies of the student's special education records and disciplinary records including any suspension and expulsion action against the student to the authorities and school officials for their consideration;
- E. release de-identified records and information in accordance with Federal regulations;

- F. disclose personally identifiable information from education records, without consent, to organizations conducting studies "for, or on behalf of" the District for purposes of developing, validating or administering predictive tests, administering student aid programs, or improving instruction;

Information disclosed under this exception must be protected so that students and parents cannot be personally identified by anyone other than representative of the organization conducting the study, and must be destroyed when no longer needed for the study. In order to release information under this provision, the District will enter into a written agreement with the recipient organization that specifies the purpose of the study. (See Form 8330 F14.) Further, the following personally identifiable information will not be disclosed to any entity: a student or his/her family member's social security number(s); religion; political party affiliation; voting history; or biometric information.

While the disclosure of personally identifiable information (other than social security numbers, religion, political party affiliation, voting record, or biometric information) is allowed under this exception, it is recommended that de-identified information be used whenever possible. This reduces the risk of unauthorized disclosure.

- G. disclose personally identifiable information from education records without consent, to authorized representatives of the Comptroller General, the Attorney General, and the Secretary of Education, as well as state and local educational authorities;

The disclosed records must be used to audit or evaluate a federal or state supported education program, or to enforce or comply with Federal requirements related to those education programs. A written agreement between the parties is required under this exception. (See Form 8330 F16)

The District will verify that the authorized representative complies with FERPA regulations.

- H. request each person or party requesting access to a student's record to abide by the Federal regulations concerning the disclosure of information.

The Board will comply with a legitimate request for access to a student's records within a reasonable period of time but not more than forty-five (45) days after receiving the request or within such shorter period as may be applicable to students with disabilities. Upon the request of the viewer, a record shall be reproduced, unless said record is copyrighted, and the viewer may be charged a fee equivalent to the cost of handling and reproduction. Based upon reasonable requests, viewers of education records will receive explanation and interpretation of the records.

The Board shall maintain a record of those persons to whom information about a student has been disclosed. Such disclosure records will indicate the student, person viewing the record, information disclosed, date of disclosure, and date parental/eligible student consent was obtained (if required).

Upon written request by a student's parent or legal guardian, the District shall disclose to the parent or legal guardian any personally identifiable information concerning the student that is collected or created by the District as part of the student's education records.

If the District provides any personally identifiable information concerning the student that is collected or created by the District as part of the student's education records to any person, agency, or organization, then the District shall disclose to the student's parent or legal guardian upon his or her written request:

- A. the specific information that was disclosed;
- B. the name and contact information of each person, agency, or organization to which the information has been disclosed;
- C. the legitimate reason that the person, agency, or organization had in obtaining the information.

This information shall be provided without charge within thirty (30) days after the District receives the written request and without charge to the parent or legal guardian.

The District is not required to disclose to the parent or legal guardian, even upon written request, any personally identifiable information concerning the student that is collected or created by the District as part of the student's education records and is provided to any person, agency, or organization in any of the following situations:

- A. provision of such information to the Michigan Department of Education or CEPI
- B. provision of such information to the student's parent or legal guardian

- C. provision of such information to its authorizing body or to an educational management organization with which it has a management agreement
- D. provision of such information to or from its intermediate school district or to another intermediate school district providing services to the District or its students pursuant to a written agreement
- E. provision of such information to a person, agency, or organization with written consent from the student's parent or legal guardian or, if the student is at least age eighteen (18), the student
- F. provision of such information to a person, agency, or organization seeking or receiving records in accordance with an order, subpoena, or ex parte order issued by a court of competent jurisdiction
- G. provision of such information as necessary for standardized testing that measures the student's academic progress and achievement
- H. provision of such information that is covered by the opt-out form described above, unless the student's parent or legal guardian or, if the student is at least age eighteen (18) or is an emancipated minor, the student has signed and submitted the opt-out form referenced below

Only "directory information" regarding a student shall be released to any person or party, other than the student or his/her parent, without the written consent of the parent; or, if the student is an eligible student, the written consent of the student, except those persons or parties stipulated by the Board's policy and administrative guidelines and/or those specified in the law.

The Board shall exempt from disclosure directory information, as requested for the purpose of surveys, marketing, or solicitation, unless the Board determines that the use is consistent with the educational mission of the Board and beneficial to the affected students. The Board may take steps to ensure that directory information disclosed shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitations. Before disclosing the directory information, the Board may require the requester to execute an affidavit stating that directory information provided shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitation.

DIRECTORY INFORMATION

Each year the Superintendent shall provide public notice to students and their parents of its intent to make available, upon request, certain information known as "directory information." The Board designates as student "directory information": a student's name; date and place of birth; major field of study; participation in officially recognized activities and sports; height and weight, if a member of an athletic team; height if member of an athletic team; weight, if member of an athletic team which requires disclosure to participate; dates of attendance; date of graduation; awards received; honor rolls; scholarships; and school photographs or videos of students participating in school activities, events or programs.

The Board designates school-assigned e-mail accounts as "directory information" for the limited purpose of facilitating students' registration for access to various online educational services, including mobile applications/apps that will be utilized by the student for educational purposes and for inclusion in internal e-mail address books. School-assigned e-mail accounts shall not be released as directory information beyond this/these limited purpose(s) and to any person or entity but the specific online educational service provider and internal users of the District's Education Technology.

The Superintendent will also develop a list of uses for which the District commonly would disclose a student's directory information and develop an opt-out form that lists all of the uses or instances and allows a parent or legal guardian to elect not to have his or her child's directory information disclosed for one (1) or more of these uses.

Each student's parent or legal guardian will be provided with the opt-out form within the first thirty (30) days of the school year. The form shall also be provided to a parent or legal guardian at other times upon request.

If an opt-out form is signed and submitted to the District by a student's parent or legal guardian, the District shall not include the student's directory information in any of the uses that have been opted out of in the opt-out form. A student who is at least age eighteen (18) or is an emancipated minor may act on his or her own behalf with respect to the opt-out form.

Parents and eligible students may also refuse to allow the District to disclose any or all of such "directory information" upon written notification to the District within ten (10) days after receipt of the District's public notice.

The Board shall provide United States Armed Forces recruiters with at least the same access to the high school campus and to student directory information (names, addresses, District-assigned email addresses (if available) (except for students participating in the address confidentiality program act), and telephone listings of secondary students) as is provided to other entities offering educational or employment opportunities to those students. "Armed forces of the United States" means the armed forces of the United States and their reserve components and the United States Coast Guard.

If a student or the parent or legal guardian of a student submits a signed, written request to the Board that indicates that the student or the parent or legal guardian does not want the student's directory information to be accessible to official recruiting representatives, then the officials of the school shall not allow that access to the student's directory information. The Board shall ensure that students and parents and guardians are notified of the provisions of the opportunity to deny release of directory information.

Public notice shall be given regarding right to refuse disclosure of any or all "directory information" including in the armed forces of the United States and the service academies of the armed forces of the United States.

A fee, not to exceed the actual costs incurred by the high school, for copying and mailing student directory information under this section, may be charged an official recruiting representative.

Directory information received under armed services authorization request shall be used only to provide information to students concerning educational and career opportunities available in the armed forces of the United States or the service academies of the armed forces of the United States. An official recruiting representative who receives student directory information under this section shall not release that information to a person who is not involved in recruiting students for the armed forces of the United States or the service academies of the armed forces of the United States.

Annually, the Board will notify male students age eighteen (18) or older that they are required to register for the selective service.

Request to the District records officer shall be presented on a standardized form developed by the armed forces of the United States requesting access to a high school campus and a time for the access. Request should bear the signature of the ranking recruiting officer of the armed service making the request.

Whenever consent of the parent(s)/eligible student is required for the inspection and/or release of a student's education records or for the release of directory information, either parent may provide such consent unless stipulated otherwise by court order. If the student is under the guardianship of an institution, the Superintendent shall appoint a person who has no conflicting interest to provide such written consent.

The Board may disclose "directory information" on former students without student or parental consent, unless the parent or eligible student previously submitted a request that such information not be disclosed without their prior written consent.

The Board shall not sell or otherwise provide to a for-profit business entity any personally identifiable information that is part of a student's education records. This does not apply to any of the following situations:

- A. providing the information as necessary for standardized testing that measures the student's academic progress and achievement
- B. providing the information as necessary to a person that is providing educational or educational support services to the student under a contract with the District

The parent of a student or an eligible student has the right to inspect upon request any instrument used in the collection of personal information before the instrument is administered or distributed to a student. Personal information for this section is defined as individually identifiable information including a student or parent's first and last name, a home or other physical address (including street name and the name of the city or town, unless a parent is prohibited from doing so due to a student's participation in the address confidentiality program act), a telephone number, or a Social Security identification number. In order to review the instrument, the parent or eligible students, must submit a written request to the building principal at least five (5) work days before the scheduled date of the activity. The instrument will be provided to the parent within one (1) business days of the principal receiving the request.

The Superintendent shall directly notify the parent(s) of a student and eligible students, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when such activities are scheduled or expected to be scheduled.

This section does not apply to the collection, disclosure or use of personal information collected from students from the exclusive purpose of developing, evaluating, or providing educational products or service for, or to, students or educational institutions, such as the following:

- A. college or other postsecondary education recruitment, or military recruitment;
- B. book clubs, magazines, and programs providing access to low-cost literary products;
- C. curriculum and instructional materials used by elementary and secondary schools;
- D. tests and assessments used by elementary and secondary schools to provide cognitive, evaluative, diagnostic, clinical, aptitude, or achievement information about students (or to generate other statistically useful data for the purpose of securing such tests and assessments) and the subsequent analysis and public release of the aggregate data from such tests and assessments;
- E. the sale by students of products or services to raise funds for school-related or education-related activities; and
- F. student recognition programs.

The Board may establish online access for the parents or the eligible student to the student's confidential academic and attendance record. To authorize such access, the parents or the eligible student must sign a release (see Form 8330 F10). This release shall remind the parents or eligible student that the account and confidential information about the student is only as secure as they keep their account information. Neither the District nor its employees will be held responsible for any breach of this policy by the parent/eligible student or any unauthorized party.

The Superintendent shall prepare administrative guidelines to ensure that students and parents are adequately informed each year regarding their rights to:

- A. inspect and review the student's education records;
- B. request amendments if the record is inaccurate, misleading, or otherwise in violation of the student's rights;
