East Lansing Archery 2019 Nationals Tournament ~ Louisville, KY - The National Tournament is for individual archers who score in the Top 10 at a State tournament or for teams who have a high enough qualifying score. There were 15,550 archers at this year's National tournament in Louisville, Kentucky. Three Elementary East Lansing Archery archers (5th graders from Marble School, coached by P.E. teacher Casey Bain) qualified for the Nationals tournament: Duncan Larzelere, Griffin Bruce, and Immanuel Hartley. Duncan and Griffin qualified in the regular Bullseye competition. Griffin and Immanuel qualified in the 3-D competition, where you shoot at lifelike animal targets.
- C. Physics Bowl Results - Our students finished 2nd in Region 07 (Delaware, District of Columbia, Indiana, Kentucky, Michigan, Virginia, West Virginia), Division 2 (2nd year physics students) in this year's American Association of Physics Teachers Physics Bowl test. We were second to Carmel High School in Indiana and one point better than Troy High School (the 3rd place school). The team score is based on the top five student scores. Our top five were: Shiangyi Lin, Noam Drews, Owen Marable, Ibrahim Elsadek, and John Ahlin (who had the highest score on our team).

- D. Jingting Lin and Eliza Lane are the State Champions in the Michigan Science Olympiad for the model airplane flying event called “Wright Stuff.” In this competition students built precision, delicate, propeller driven planes powered by rubber bands.
