MEMORANDUM

TO: ELPS Board of Education, Dori Leyko, Superintendent

FROM: Richard Pugh, Director of Finance & Operations

SUBJECT: Informational Item – Employment contract for Supervisor of Custodial Services

DATE: February 8, 2023

Background:

With bringing custodial services back in-house there is a need to have a custodial supervisor for the day and night shift. In early November 2022 the District hired Vince Watson as a working day supervisor but under the general at-will agreement language as a hourly employee. We have not been able to fill the working night supervisor position and should this recommendation be approved that position will be removed from the budget. Mr. Watson has performed exceptionally well in his role. The attached contract is to promote Mr. Watson to the salaried position of Supervisor of Custodial Services. Mr. Watson will serve as the supervisor of both day and night custodial staff. From annual budget perspective this is approximately a \$44,000 savings to go from two hourly working supervisors to one salaried supervisor. Board action is anticipated on February 27, 2023.

CONTRACT

CONTRACT OF EMPLOYMENT

SUPERVISOR

It is hereby agreed by and between the Board of Education of the School District of the City of East Lansing (*hereinafter* "Board") and Vince Watson (*hereinafter* "Supervisor") that the Board employs the said Supervisor of Custodial Services commencing on February 27, 2023 and ending on June 30, 2025 according to the terms and conditions as described and set forth herein as follows:

1. **TERM**

The Supervisor shall perform the duties of Supervisor of Custodial Services as prescribed by the Board pursuant to the School Code of the State of Michigan as may be established and as described in the job description for said position as may be modified and/or amended from time to time by the Superintendent or designee. The Supervisor agrees to faithfully perform those duties assigned by the Board and under the supervision and direction of the Superintendent or designee. Supervisor acknowledges the ultimate authority of the Board and Superintendent or designee with respect to his/her responsibilities and directions related thereto.

2. **DUTIES**

The Supervisor agrees to devote his/her talents, skills, efforts and abilities toward competently and proficiently fulfilling all duties and responsibilities of the position assigned. Supervisor agrees to faithfully perform those duties assigned by the Board and Superintendent or designee and to comply with the directives of the Board and Superintendent or designee with respect thereto. Further, Supervisor agrees to comply with and fulfill all responsibilities and tasks required by state and federal law and regulations and by the Board and Superintendent or designee to carry out the programs and policies of the School District for which s/he is responsible during the entire term of this Agreement.

3. **COMPENSATION**

The Supervisor shall be paid at an annual salary rate of Sixty-Two Thousand dollars (\$62,000) for Contract year 2022-2023, Sixty-Five Thousand One Hundred dollars (\$65,100) for Contract year 2023-2024, and Sixty-Eight Thousand Three Hundred Fifty-Five dollars (\$68,355) for Contract year 2024-2025. The Parties agree that Supervisor is an exempt Administrative employee under the U.S. Fair Labor Standards Act and is not entitled to overtime. The Supervisor is also not an Administrator under the Michigan Revised School Code.

In the event of separation of the Supervisor during the term of this Contract, initiated by either party, any amounts due the Supervisor upon separation shall be remitted by the Board to him/her as soon as such amounts can diligently be determined and paid. Any amounts received by the Supervisor in excess of time worked during the fiscal/contract year shall be deducted from the Supervisor's remaining wages. The Supervisor, by executing this Contract, hereby gives written consent for such deduction. Any wage

overpayment not recoverable by the Board through wage deduction shall be remitted to the Board by the Supervisor within three (3) business days of receipt of notice of the amount. If not repaid in this manner, the Supervisor agrees that judgment may be entered against his/her in any Michigan court of competent jurisdiction for such amount(s).

4. WORK SCHEDULE/VACATION/HOLIDAYS

The Supervisor is employed on the basis of fifty-two (52) work weeks during a fiscal/contract year (July 1 - June 30) as scheduled by the Superintendent or designee.

The Supervisor shall be granted paid vacation time of twenty (20) days per fiscal/contract year. The Supervisor shall schedule use of vacation days in a manner to minimize interference with the orderly operation and conduct of business of the School District. All scheduling of vacation is subject to the approval of the Superintendent or designee. Maximum allowable vacation days to be banked shall not exceed ten (10) days. All other vacation days not banked at the end of each Contract year shall be transferred to the employee's sick bank. The Supervisor shall not be compensated for unused accrued/banked vacation upon cessation of employment with the District.

The Supervisor shall be entitled to paid leave for the holidays specified in Addendum A to this contract.

5. EVALUATION

The Supervisor's performance shall be evaluated by the Superintendent or designee at a minimum of once every two years.

6. TERMINATION

The Board shall be entitled to terminate the Supervisor's employment at any time during the term of this Contract with 30 day notice. The Board shall be entitled to terminate Supervisor's employment immediately, if and when it determines that Supervisor has engaged in acts of moral turpitude, misconduct, dishonesty, fraud, insubordination, incompetency, inefficiency, or if Supervisor materially breaches the terms and conditions of this Contract.

The foregoing standards for termination of this Contract during its term shall not be applicable to non-renewal of this Contract at the expiration of its term, which decision is discretionary with the Board.

7. DISABILITY or INCAPACITY

In the event of Supervisor's mental and/or physical incapacity to perform the duties of his/her office, he/she shall be granted an initial leave of ninety (90) work days for purpose of recovery. The Supervisor shall first exhaust any accumulated sick leave and accrued vacation time. The balance of the ninety (90) work day period shall be paid under the District's short-term disability plan (60%). Health plan premium payments shall be made on behalf of Supervisor during this interval to the extent required by law. Upon utilizing leave under this provision, Supervisor shall furnish medical certification to the Board (or its designee) respecting the necessity for the leave.

If the Board (or designee) has reason to doubt the validity of the medical certification supplied by Supervisor, it may require a second opinion, at Board expense.

8. TENURE

The parties agree that the Supervisor is not eligible for and is denied tenure in any capacity including but not limited to an administrative, classroom or non-classroom capacity. Supervisor does not hold nor has ever held classroom or administration certification in Michigan or any other state and will notify Superintendent if course work is undertaken to obtain such classroom or administration certification.

Supervisor agrees that he is not eligible for protections/requirements under the revised school code Section 1229 (MCL 380.1229).

9. INSURANCE PREMIUM PAYMENTS

Upon proper application and acceptance for enrollment by the appropriate insurance underwriter, policyholder and/or third-party administrator, the Board shall make premium payments on behalf of the Supervisor and eligible dependents for the insurance programs as provided in Addendum A to the extent allowed by Board Policy and/or Law.

10. AUTOMOBILE

Mileage for trips outside the Tri-County (Clinton-Eaton-Ingham) boundaries will be paid at the then-current IRS mileage rate upon the submission of documented mileage forms for preapproved trips. All mileage submissions for the fiscal year must be submitted to the employee's supervisor no later than June 30.

11. INSURANCE CARRIERS

The Board reserves the right to change the identity of the insurance carrier, policyholder or third-party administrator for the insurance programs as provided in Addendum A, provided that somewhat similar coverage, as determined by the Board, is maintained during the term of this Contract. The Board shall not be required to remit premiums for any insurance coverage for the Supervisor and eligible dependents if enrollment or coverage is denied by the insurance underwriter, policyholder or third-party administrator. The terms of any contract or policy issued by any insurance company or third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. The Supervisor is responsible for assuring completion of all forms and documents needed to receive the above-described insurance coverage and for payment of premium copays and deductibles required by the insurance plan, third-party administrator, School Board Policy, or State Law. The School District, by payment of its required premium payments to provide insurance coverage for the programs as provided in Addendum A, shall be relieved from all liability with respect to insurance benefits.

12. SICK LEAVE AND PERSONAL LEAVE

The Supervisor is credited twelve (12) days of sick leave days annually.

The Supervisor may use sick leave for personal illness or injury, as well as for medical, dental, optical, or other health-related examinations and treatments, and for attendance at the funeral service of persons whose relationship to the Supervisor warrants such attendance.

The Supervisor may use up to ten (10) days each Contract year to attend to the following issues for a member of the Supervisor's immediate family: illness, short-term emergency care, medical care, child care, or elder care. Certification by the attending physician may be required. Immediate family for purposes of this provision includes: current spouse,

child, parent, grandparent, grandchildren, brother, sister, father-in-law, mother-in-law, daughter-in-law, or son-in-law.

Unused sick leave days will accumulate without limit. The Supervisor shall also receive two (2) personal business days annually. Those days, if not used, will be added to the sick bank at the end of each contract year.

Leave of absence with pay not chargeable against the Supervisor's sick leave allowance shall be granted for the following reasons:

1. A maximum of five (5) days per school year for each death in the Employee's immediate family, which shall be interpreted to mean the Employee's current spouse, child, parent, grandparent, grandchildren, brother, sister, father-in-law, mother-in-law, daughter-in-law, or son-in-law.
2. Absence when employees are called for jury service. Employees who serve on jury-duty will draw their regular salary check from the Employer and endorse the jury duty check and return it to the Employer within three (3) school days of receiving the jury duty check. Employee will be reimbursed for any jury mileage paid on the endorsed jury duty check.
3. Court appearance as a witness in any case connected with the Supervisor's employment or the school, or whenever the Supervisor is subpoenaed to attend proceedings that involve Supervisor's employment responsibilities. However, this shall not apply to any proceeding brought by the Supervisor against the District or in which the Supervisor is testifying against the district.
4. For attending approved education conferences.
5. Any medical appointments related to the Supervisor's on-the job injury.

13. REIMBURSEMENT

The Supervisor shall be eligible to be reimbursed for out of district travel, meals and lodging in accordance with per diem expense and reimbursement procedures established by the Board. Any expense to be incurred by the Supervisor for out-of-district travel in excess of 50 miles shall be submitted in advance for review and approval by the Superintendent or designee. The Supervisor shall be required to present an itemized account of his/her reasonable and necessary expenses.

14. ENTIRE AGREEMENT

This Contract contains the entire agreement and understanding by and between the Board and the Supervisor with respect to the employment of the Supervisor, and no representations, promises, contracts or understandings, written or oral, not contained herein shall be of any force or effect. All prior contracts or other agreements (written or oral), pertaining to, connected with, or arising in any manner out of the employment of the Supervisor by the Board are hereby terminated and shall hereafter be of no force or effect whatsoever. Provided, that this Contract is voidable pursuant to the provisions of the Michigan Revised School Code pertaining to criminal records checks. No amendment to or modification of this Contract shall be valid or binding unless it is in writing, approved by official action of the Board reflected in its minutes, and signed by the Supervisor and the President and Secretary of the Board. No valid waiver of any provision of this Contract at any time shall be deemed a waiver of any other provision of this Contract at such time or at any other time.

20. SEVERABILITY PROVISION

If any provision of this Contract becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Contract shall continue in full force and effect without said provision(s).

21. GOVERNING LAW

Supervisor agrees that any claim or suit arising out of Supervisor's employment with the Board must be filed no more than six (6) months after the date of the employment action that is the subject of the claim or suit. Supervisor understands that the statute of limitations for claims arising out of an employment action may be longer than six (6) months, but agrees to be bound by the six (6) month period of limitation set forth herein and waives any statute of limitations to the contrary. Should a court of competent jurisdiction determine that this provision allows an unreasonably short period of time to commence a law suit, it is the intent of the parties that the court enforce this provision to the extent possible and declare the law suit barred unless it was brought within the minimum reasonable time within which the suit should have been commenced.

This Contract is executed on behalf of the School District pursuant to the authority granted by the Board of Education of the School District of the City of East Lansing.

The parties have caused this Contract to be executed in their respective names and in the case of the Board of Education and School District, by its President, Secretary and Superintendent of Schools.

Subj: INFORMATION ITEM – ELHS & MMS Auditorium Lighting Upgrades

Earlier in the school year the District contracted with Hamilton AV to design needed theatrical and house lighting upgrades in the ELHS and MacDonald Middle School auditoriums. Requests for proposals went out on January 9, 2023 with proposals due January 27, 2023.

Two companies submitted proposals, listed below:

Pierce Power Electric	\$720,065.95
Superior Electric	\$860,000.00

Post-bid interviews were conducted with both companies and it was determined that the lower bid from Pierce Power met every requirement and could be brought forward for approval.

The theatrical and house lighting in both auditoriums is in poor condition and parts are no longer available for various components of the system. On numerous occasions in the pasts, visiting contractors have performed minor repairs and voiced concerns about the continued functionality of the lighting systems. We have been experiencing issues, such as flickering house lights, which distracts from events in the auditorium and the issues will only get worse.

\$450,000.00 was budgeted in Sinking Fund for the project and the remaining amount would also come out of Sinking Fund but could impact other projects. Because of the overage to the planned budget the District is evaluating options to this project.

Attached are copies of the RFP cover letter and the proposal from Pierce Electric.

Iran Economic Sanctions Act Certification

Iran Economic Sanctions Act Certification to Accompany Construction Bids

I am the [job or position title] of [name of bidder], or I am bidding in my individual capacity ("Bidder"), with authority to submit a binding bid to the District. I have personal knowledge of the matters described in this Certification, and I am familiar with the Iran Economic Sanctions Act, MCL 129.311, et seq. ("Act"). I am fully aware that the District will rely on my representations in evaluating bids.

I certify that Bidder is not an Iran-linked business, as that term is defined in the Act. I understand that submission of a false certification may result in contract termination, ineligibility to bid for three (3) years, and a civil penalty of \$250,000 or twice the bid amount, whichever is greater, plus related investigation and legal costs.

MEMORANDUM

TO: East Lansing Board of Education

FROM: Glenn Mitcham, Assistant Superintendent

SUBJECT: Winter Benchmark Testing Data

DATE: February 10, 2023

Background:

According to state guidelines, I am reporting our aimsWeb Plus winter benchmark results to you in the following documents. Data is reported by grade level (K-8) for reading and math as well as by grade level for African American, Asian, Hispanic or Latino, and more than one race (multiple) sub groups. These Tiered Transition Reports show valuable growth information at the bottom of the page in the “Tier Transition Growth” box. “ROI” stands for “Rate of Improvement” – which is simply the difference between the Fall and Winter score divided by the number of weeks between assessments. “SGP” stands for “Standard Growth Percentile.” The SGP compares a student’s growth to other students who scored similarly to them on the Fall assessment. We have a district goal of students scoring 55 or higher in Tier 1 and 75 in Tier 2 and 3. These benchmarks, if achieved, would mean the student is “closing the gap” or lessening the discrepancy between their performance and typical peers. For a more detailed explanation of the Tier Transition Report, please see the information page included.

Admittedly, I have shared **a lot** of data – it can easily be overwhelming to digest. Overall, I would say that our students are showing good growth from Fall to Winter but in too many instances, our Tier 2 and 3 students are not making the gains necessary to close the gap. We will continue to address this issue with improved Tier 2 small-group instruction, an improved problem-solving system, an improved data analysis plan that includes specific building, classroom and individual student goals, summer school and possibly increased intervention.

Please do not hesitate to direct any questions, wonderings, or concerns to me. I would be glad to discuss this data more with any of you. My email is glenn.mitcham@elps.us.

Please note: The Tier Transition Report is not available for math scores for Kindergarten and 1st grade. The Scores and Skills Report has been provided instead.

What do these early numeracy scores mean?

The data above show the overall early numeracy performance of this group based on Winter benchmark testing.

The left portion of the bar graph shows the percentage of students in the five performance levels (see key below) for each measure. The national percentages for each performance level are also provided for comparison.

- 10% ■ Well Below Average
- 15% ■ Below Average
- 49% ■ Average
- 15% ■ Above Average
- 10% ■ Well Above Average

The right portion of the bar graph shows the percentage of students in each risk category based on their Early Numeracy Composite scores. The risk categories describe the likelihood that students will achieve year-end performance goals based on their current scores.

The tables show both the student percentages and the actual number of students in each of the five performance levels and in each of the three risk categories (see key below). The group's median percentiles for each measure and for the Early Numeracy Composite are also shown. Each percentile can be compared to the national median percentile of 50.

- High Risk (< 50% chance)
- Moderate Risk (50% to 80% chance)
- Low Risk (> 80% chance)

Tier Transition

The Tier Transition report is a comparative snapshot that tracks student progress and movement across the Fall, Winter, and Spring seasons. You can use the report to evaluate how well students are achieving performance targets in reference to end-of-year performance targets. It can be used to determine if instructional programs are effective. The report has these sections:

- » Tier Transition Summary
- » Transition Details
- » Tier Transition Growth
- » Student Details (optional)

You can view the information in the Tier Transition window or download it to a printable PDF report. The Student Details portion of the report illustrates the students' level of risk for not meeting the spring target as well as their possible need for intervention. Students are placed into three tiers based on benchmark testing performance and established national norms. For detailed information about tiers and risk levels, see the [Tiers Guide](#).

111

Tier	Color	Represents
1		Low risk students
2		Moderate risk students
3		High risk students

The report shows the following by tier for each season (Fall, Winter, Spring):

- » The number and percentage of students.
- » **Rate of improvement (ROI)** and **Student Growth Percentiles (SGP)**

The report shows the following for each transition period (Fall to Winter, Winter to Spring, and Fall to Spring):

- » The number of students who transitioned from their original tier to a new tier.
- » The number of students who remained in their current tier.

Notes:

- » Tier Transition report data consists of composite scores, not individual measure scores.
- » Tier Transition report data depends on grade: PreK-1 battery options are Early Literacy/Early Numeracy, Grades 2-12 battery options are Reading/Math.
- » For students who take both Spanish and English batteries, the report includes the earliest test score (the score with the oldest date) in the Tier Transition calculations.
- » Students who are no longer enrolled at the school are not included in the report.
- » Tiers are based on the risk of not meeting spring **targets**. They are not associated with a specific risk probability. Rather they represent the cut score at the 50th and 80th percentile among students who fell below the Target within the national norm for each period.
- » Spanish Early Literacy Risk Tiers for Kindergarten for the Fall Period are not available at this time.

» The **ROI** and **SGP** values are calculated differently in the Tier Transition Growth and Student Details sections. Values in the Tier Transition Growth section are based on the beginning season tier groups (for example, Fall to Winter values are based on Fall tier groups). Values in the Student Details table are based on the end season tier groups (for example, Winter to Spring values are based on Spring tier groups).

When you hover over the ROI or SGP values, a message opens explaining the calculation method.

Students (31)	FALL			WINTER			SPRING			ROI		
	Rate	Rate	SGP	F → W	ROI	Rate	SGP	W → S	ROI		SGP	F → S
Spring Tier 3	The group-level ROI and SGP values shown in the Student Details section are based on end season tier groups: Winter tier groups for Fall to Winter data, and Spring tier groups for Fall to Spring and Winter to Spring data.

V. Agenda Topics/Action Items

a. Introduction of Billy Hastings

b. Custodial Services - staffing update

Bringing the custodial services in-house has been very successful. Many positions have been hired. Daytime supervisor has been excellent. Still have 5 vacancies. Great feedback from staff, and particularly Green Elementary has been looking wonderful.

c. Updates on current/upcoming projects

i. Outdoor Learning Centers / drainage areas

Billy and Mike came up with a potential solution for the pooling water. By adding a secondary drain that will handle any overflow, they believe that they can prevent a pool of water from forming and can keep the areas safe for the kids. Also, vegetation will be

planted so that in the summer and fall the ponds should fully drain within 72 hours of precipitation.

Additionally, Don Manke has been hired as a grounds person to get grass growing on all playgrounds. He has experience as a golf course manager.

ii. Fencing at Donley

There are a couple of items left on the punch list: adding some missing caps and removing debris. Finishing those items will complete the project.

iii. Auditorium lighting

Project involves replacing all auditorium lighting at ELHS and MMS. RFP went out 1/9. There was a walk-through with four contractors on 1/13. Proposals are due 1/27. Assuming that supply chains work as necessary, the project should be completed before the beginning of school in fall of '23.

iv. Roofing

Project was approved by the Board at the last meeting. Assuming all goes according to schedule, the roof will be completed before the start of school in fall of '23. Project should not interfere with usage of the pool over the summer.

Written update from Mike Stahlmann, because he could not attend the meeting:

I am sure Rich will cover all the staffing we have done and the pool roofing project. I will add a hand out from our punch list on the ODLC's. If puddling at Whitehills and Glencarin rain gardens is still an issue we have a fix for that. We have moved staff around and we now have a former head grounds keeper from a local golf course to help get grass established at the elementary buildings. We will still probably need to do some hard surfacing or wood chips in an area at Whitehills by the playground.

Sound panels went up at Whitehills on MLK day and the ones for Glencarin are due to be shipped on the 25th of this month.

I want to extoll on how well our new in house custodians are doing. My self and Rich are receiving nice feedback from staff. We still have a few people to hire and due some more training.

The incident at Macdonald on the 18th was a true testament on what it means to have our own staff and quality equipment.

I want to personally thank the board and everyone else involved for making that happen, because every day of learning begins and ends with support staff.

Lastly I want to welcome Billy Hastings To ELPS. I look forward to working with him over the next 2 months. I believe he will be a great asset to the district and he has already shared with me how impressed he is with what he has seen so far. Welcome Billy, and I don't think it will take long for you to see what a truly amazing place ELPS is.

Thank you.
Michael

d. Safe Routes to School Update

The following is a written update provided by Ginger Ogilvie, the SRTS volunteer:

I'm sorry that none of our team members are able to attend the upcoming Facilities Committee meeting on January 23rd.

If you are able to share the following update at or following the meeting, that would be much appreciated!

1. Our Community Coordinator, Andrew Arbaugh (cc'd here), and I have been visiting our K-8 schools over the past few weeks to observe morning drop off. We currently have a couple more to go, but for the most part the elementary schools seem to be doing well. The middle school is still experiencing unsafe driver behavior on Burcham.

We did notice at Robert L. Green Elementary that it might be helpful to extend the concrete curb in the car line further back. It's a pretty short

distance between the start of the curb and the parking lot crosswalk, which is slowing the drop-off process. We are also still interested in following up on the addition of a path in the back of that school, as previously discussed with Brian Reeve. We'll follow up with Billy Hastings once he's settled in (Welcome Billy and wishing Mike a happy retirement!).

2. We heard at the recent Red Cedar Family Council that they could use another bike rack at the front entrance of the school and wanted to pass that along.

3. As reported previously, we have been working with the city to pull together a second Safe Routes to School Major Grant application for the following schools: Green, Whitehills, Glencairn, and Red Cedar. We're hoping to submit the application in October, so you'll be hearing more over the next few months. We can apply for up to \$300,000 per school for infrastructure improvements outside of school property and up to \$15,000 per school for programming, which can include things like signs on school property. We're getting close to finalizing a list of prioritized projects and should be able to bring that to the next Facilities Meeting. If you have any suggestions or questions please let me know as soon as possible.

4. The work for our previous Major Grant for Marble and MacDonald should be starting this summer after last year's delay. We will be seeing two pedestrian islands with flashing RRFBs (rectangular rapid-flashing beacons) going in on Burcham at John R and Lexington, as well as new sidewalk in the Bailey neighborhood (on Snyder, between Gunson and Stoddard).

(There will be additional work happening with that project that is not funded by our grant. One more pedestrian island with RRFB at the high school on Burcham near the bus stop/stadium, as well as new sidewalks along the north side of Burcham between MacDonald and Timberlane.)

Please see this link for more information:
<https://elsrts.weebly.com/major-grant.html>

5. Just fyi, our city really needs crossing guards. Please share: [Crossing Guard Job Posting](#)

6. We're looking forward to our next Safe Routes to School stakeholder meeting planned for March 16th at 9:30am. Our next monthly team meeting will be Feb. 9th at 6:30pm.

All the best,

Ginger Ogilvie
