Public Participation at Board Meetings

We recognize the value of public comments and the importance of expressing yourselves to us on district matters.

Here are the guidelines for public comments:

- You must virtually “raise your hand”.-- Click raise hand in the Zoom webinar control box
- Please recognize yourself by stating your name, address and group affiliation if any
- Each statement shall be limited to THREE (3) minutes
- The statements shall be directed at the board only
- Generally the board will not respond to public comments during the meeting
- To ensure due process and respect of individual rights, the district maintains a formal process for handling complaints against individuals. A problem involving an individual or specific incident is best handled through administrative channels. Such matter should be reduced to writing and sent to Dr. Heidrich or the board president.
- Speakers are asked to express themselves in a civil manner, with due respect for the dignity and privacy of others who may be affected by your comments.
- While it is not our intent to stifle public comment, speakers should be aware that if your statements violate the rights of others under the law of defamation or invasion of privacy, you may be held legally responsible. If you are unsure of the legal ramifications of what you are about to say, we urge you to consult first with your legal advisor.

The board wants to hear what people want to say. We expect each speaker will model for our students and others in the audience on how one can respectfully disagree with others' views or voice an opinion or ask questions.
