REPORTS TO: Director – Meadowview Offsite Programs (190 Day Position)

SUMMARY

Under the direct supervision of the Director – Meadowview Offsite Programs and in accordance with established policies and procedures, the Administrative Assistant provides administrative and clerical support for the school's operations.

This position provides secretarial assistance and administrative support to department and unit administrators, enters and verifies data, and assists administrators in fulfilling various state reporting requirements. Additionally, the role maintains program accounting records as well as staff and student files.

PRINCIPAL DUTIES AND RESPONSIBILITIES

- Accurately enter student demographic information into school information system software, including enrollments and exits.
- Maintain staff Medicaid logs, attendance records, and program cancellation records.
- File correspondence, invoices, receipts, and related records systematically.
- Establish, maintain, and update recordkeeping and filing systems.
- Coordinate fall and spring pupil counts in partnership with accounting teams, ensuring all state reporting, MSDS data verification, attendance audits, and documentation requirements are fully met.
- Sort and distribute incoming mail.
- Order office supplies, arrange equipment repairs, and coordinate equipment placement.
- Verify received orders for accuracy and distribute materials within the building.
- Operate office machinery to duplicate, collate, and assemble documents.
- Coordinate logistics for meetings and events, including room reservations, catering, and materials.
- Draft and type memos, correspondence, forms, charts, and reports.
- Proofread and edit documents for accuracy, formatting, spelling, and grammar.
- Develop and update department databases.
- Maintain regular communication across ERESA departments to support workflow and resolve issues.
- Receive callers and visitors, routing calls or taking messages as needed.
- Respond to general inquiries using established policies and procedures.
- Perform other duties as assigned.
- Serve as primary receptionist, ensuring school safety and visitor protocols are followed.

The listed tasks are intended to describe the nature and level of work being performed by a person in this position. This is not an exhaustive list of all job duties performed, nor is it expected that all positions will be assigned every duty.

VI. RECOMMENDED BY: Kelly Hager, Assistant Superintendent for Special Education

It is agreed between Eaton Regional Education Service Agency, hereafter 'ERESA', and CompHealth Medical Staffing, hereinafter 'Contractor', that the following services will be provided based upon the expectations and conditions as follows:

Section 1: Description of Services: Contractor is a temporary allied healthcare professional staffing company. By this 'Agreement' the parties intend that Contractor may present healthcare professionals ('Provider(s)') to provide clinical services to ERESA and those worksites as directed by ERESA on a temporary basis ('Provider Coverage') for the time periods requested by ERESA ('Assignment'). Therefore, this Agreement describes the relationship between the parties with respect to Provider Coverage.

Occupational Therapy Services

Contractor is not authorized to act as an agent of ERESA for any purpose not addressed herein, and Contractor shall hold ERESA harmless for any liabilities that may occur to the extent directly arising from the execution of the work described in this Agreement in accordance with Section 7 of this Agreement.

ERESA will make space available for the Providers to conduct business related to the services provided under this Agreement. ERESA will make every effort to ensure that the work environment is free of safety hazards and is barrier free.

Section 2: Compensation and Billings: ERESA shall pay Contractor the total sum of $90.00 per hour, not to exceed 944 hours or a maximum of $84,960 for the Provider Coverage to be performed under this Agreement. Contractor shall work with ERESA to establish a schedule for the delivery of the prescribed services.

At the inception of this Agreement, Contractor must complete a W-9 form and provide a social security or company tax identification number and other pertinent information to establish a current and valid vendor file.

Contractor shall submit invoices for services to ERESA on a weekly basis. Invoices must include the Contractor's name, address, service dates and times as well as the location where services were provided. A service log may also be required. Payment is due within fifteen (15) days after the date of invoice.

Section 3: Insurance and Taxes: Contractor shall provide professional liability insurance coverage for each Provider while on Assignment with ERESA to cover all incidents which may occur during an Assignment, regardless of when a claim is made, in limits of $1,000,000 per incident and $3,000,000 in the annual aggregate or such limits as may be required by law. Insurance coverage is subject to the terms of the policy and covers medical malpractice only. ERESA agrees that it will not request Provider to furnish administrative services under this Agreement. Administrative services are defined as anything that is outside the scope of actual delivery of healthcare services directly to a patient (including, but not limited to, planning, organizing, directing and controlling business operations).

Contractor shall provide general liability insurance to cover each Provider while on Assignment with ERESA in limits of $1,000,000 per incident and $3,000,000 per annual aggregate. Insurance coverage is subject to the terms of the policy.

Each Provider is an employee of Contractor and Contractor shall therefore be responsible for compensating Providers directly. Contractor's obligation to compensate Providers includes the obligation to pay employment taxes and furnish Worker's Compensation coverage and other insurance as required by law. Providers are required to notify Contractor in the event they are injured while on an Assignment.

Section 4: Agreement Timeline/Duration: This Agreement shall be in effect on November 30, 2026 to June 4, 2027 or until such time as the services outlined in Section 2 are complete. Any extension of this Agreement must be in writing and signed by both parties.

Either party may cancel this Agreement by providing the other party with a thirty (30) day written notice.

For all Assignments for which verbal acceptance of a Provider has been given by ERESA, ERESA must provide to Contractor written and verbal notice of cancellation of an Assignment at least thirty (30) days in advance.

Section 5: Relationship of the Parties: The parties intend that an independent Contractor-Owner relationship will be created by this Agreement. ERESA is interested only in the results to be achieved and the conduct and control of the staffing services will lie solely with the Contractor. Contractor is not an employee of ERESA and, as such, is not entitled to any of the benefits or privileges extended to its employees. It is understood that ERESA does not agree to use Contractor exclusively, nor does the Contractor agree to exclusively provide services to ERESA.

Section 6: Contractor Responsibilities: To perform the stated services as agreed in a competent, professional and timely manner in accordance to the time period specified in Section 4.

For each Assignment, ERESA shall provide each Provider with a reasonable work schedule. ERESA acknowledges and agrees that it is responsible for its facilities, equipment, practice methods and environment, protocols, staffing levels, privileging and related matters and that Contractor does not direct, control nor have any responsibility for such matters. ERESA shall be responsible to provide each Provider with reasonably maintained and usual and customary equipment and supplies, and a suitable practice environment in compliance with acceptable ethical, medical and legal standards. ERESA agrees to be responsible for payment of the costs associated with obtaining privileges, if any, for each Provider that furnishes Provider Coverage hereunder.

ERESA reserves the right to approve the Provider(s) of the Contractor. Contractor shall provide such documentation as may be required by ERESA or other authorities to verify credentials/licensure and/or satisfy pertinent legal requirements. Contractor shall submit and/or facilitate completion of required criminal history and unprofessional conduct checks as may be required. No services shall be provided prior to execution of this Agreement and verification/acceptance of Provider(s) assigned to perform services.

Contractor is responsible for claims directly arising from an error or acts of omission by the Contractor. Contractor shall not assign this Agreement without the written consent of ERESA.

Section 7: Indemnity Covenant To the fullest extent permitted by law, each party hereby agrees to indemnify the other party for all claims, suits, actions and causes of action to the extent directly arising from the services provided while in the performance of its obligations under this Agreement, including, but not limited to, any negligent act, error or omission occurring on or about ERESA's premises or the premises where the services are provided, and acts of omissions including the Provider's use of data and/or equipment. Indemnification shall include, but is not limited to, any act of negligence of either party and/or also includes, but is not limited to, claims suits, actions and causes of action involving bodily injury or damages to any person(s) or entity or the data or property belonging to such person(s) or entity. Notwithstanding anything in this Agreement to the contrary, in no event shall either party be liable for any incidental, consequential, exemplary, special or punitive damages or expenses or lost profits (regardless of how characterized and even if such party has been advised of the possibility of such damages) under or in connection with this Agreement, regardless of the form or action (whether in contract, tort, negligence, strict liability, statutory liability or otherwise).

Section 8: Modification: Any amendment or waiver of the terms of this Agreement is not valid unless such amendment or waiver is in writing and executed by both parties to this Agreement.

Section 9: Use of Student Data, Data Breach, FERPA, and HIPAA: The Contractor and School District acknowledge and understand that the collaborative efforts required under this Agreement may, at times, require the Contractor and its necessary personnel to have access to data, or other information of the School District and/or a School District program, including pupils' educational records and/or personally identifying information (collectively the "Data"). The School District shall at all times remain the owner of its Data. In accordance with the Family Educational Rights and Privacy Act ("FERPA") and the regulations promulgated thereunder, School District and the Contractor shall use and maintain the Data (including any education records and personally identifiable information of pupils (PII)) in accordance with FERPA, and shall not disclose any Data (including any education records or PII) of the pupils to any other party without the prior written consent of the applicable Party (and the pupil's (or pupil's parent(s) if required by law) unless otherwise permitted by law. Moreover, the Parties acknowledge that the Contractor may access such Data to perform the obligations agreed to by the Parties, and the Contractor agrees to: (i) not disclose or disseminate to others any Data without written authorization from the School District, unless permitted or required by law or compelled by court order; (ii) use and access the Data only when necessary to perform the services under this Agreement; (iii) not copy or mine the Data or otherwise use any Data for advertising or marketing to students or parents; (iv) not alter or modify any Data; and (v) keep confidential all non-public, proprietary, or information (including Data) disclosed by or through the School District in any form, whether written, oral, electronic, or otherwise. store and possess any Data in accordance with industry standards including appropriate technical and organizational measures and safeguards (including access controls, encryption, secure storage and transmission of Data, and employee training on data privacy and security) to ensure a level of security appropriate to protect Data against unauthorized access, disclosure, alteration, or destruction. The Contractor shall not use Artificial Intelligence (AI) tools or systems (including generative AI models) to process, analyze, or otherwise interact with any Data unless explicitly authorized in writing by the School District. In the event of a security breach, violation of the privacy laws and/or security language, or a use or disclosure of Data in violation of this Agreement or applicable law, Contractor shall notify the School District as soon as possible, not to exceed 72 hours from the time Contractor learns of or reasonably believes of a security breach, violation, use or disclosure. The Contractor shall cooperate with the School District regarding any data breach, which shall include, but not be limited to: (i) sharing full and accurate details about the breach (e.g. timeline, affected systems/data, cause) with the School District; (ii) disclosing relevant logs, audit trails, and investigative findings to the School District; (iii) allowing access to relevant systems and personnel for investigation by the School District and its agents and cooperating with internal or third-party investigators; (iv) responding quickly and consistently to questions or requests for information; (v) working jointly on containment and mitigation efforts and to implement corrective actions; (vi) assisting in meeting regulatory obligations or law enforcement inquiries and providing documentation as needed promptly. Upon termination or expiration of this Agreement, or upon written request of the School District, the Contractor shall promptly return or securely destroy all Data and other confidential information of School District in its possession, and provide written certification of such destruction.

The Parties acknowledge and agree that the relationship among the Parties and the services rendered hereunder are not currently subject to the rules and regulations pertaining to the administrative simplification and privacy provisions of the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191, 110 Stat. 1936 ("HIPAA"), and the final regulations promulgated thereunder, as amended from time to time. Should either Party to this Agreement be notified by any governmental agency or its counsel that a change in HIPAA, FERPA or the regulations promulgated thereunder causes the Parties' performance under this Agreement to be in violation of these laws or creates a moderate to substantial risk of violation of these laws, such Party shall notify the other, and the Parties shall mutually attempt to amend this Agreement in all respects necessary to comply with such laws cited herein. If such amendment is not in compliance with applicable legal requirements in the written opinion of legal counsel for either Party, or if the Parties cannot agree on an alternative acceptable arrangement within forty-five (45) days, then this Agreement may be terminated by the School District upon delivery of sixty (60) days' prior written notice to the Contractor and all of the rights and obligations of the Parties hereunder shall cease unless expressly stated otherwise. The Contractor's employees will comply with HIPAA when performing the services to the extent applicable.

Section 10: Non-Discrimination: Each party stipulates that it does not discriminate on the basis of race, color, national origin, sex (including sexual orientation and transgender identify), disability, age, religion, height, weight, marital or family status, military status, genetic information, or any other legally protected category (collectively "Protected Classes"), in its programs and activities, including employment opportunities.

Section 11: Entire Agreement: With respect to the services contemplated in this Agreement, this Agreement supersedes all previous understandings and agreements, written or oral between ERESA and Contractor.

Nate Leale, Deputy Superintendent, is requesting Board approval of the Eaton RESA Strategic Plan for 2026–2031. Developed through a collaborative planning process involving staff and agency leadership, the plan establishes a shared direction for the organization through three strategic priorities: People First, Learner-Centered Services, and Impact & Collaboration. These priorities are supported by nine goals and three strategic accelerants (Organizational Excellence, Innovation & Learning, and Identity & Communication) that guide how the work is carried out. The plan also establishes a framework for developing, implementing, and monitoring strategies and action plans, allowing the agency to continuously learn, adapt, and respond to emerging needs.

2026-2031 EATON RESA STRATEGIC PLAN

STRATEGIC PRIORITIES & GOALS

1. PEOPLE FIRST: *A Community Where You Belong*

P1.1 — Recruit, Welcome, and Retain

Recruit, welcome, and retain talented staff who align with Eaton RESA's mission, vision, and values by creating an employee experience that prepares employees for long-term success and fosters a strong sense of belonging.

P1.2 — Culture of Belonging

Cultivate a workplace culture where every employee feels valued, respected, supported, and connected to our mission, strengthening engagement, organizational health, and the overall employee experience.

P1.3 — Learn, Grow, Lead, and Share

Create meaningful opportunities for every employee to learn, grow, lead, and share expertise while strengthening organizational capacity and long-term sustainability.

---

2. LEARNER-CENTERED SERVICES: *Exceptional & Expansive Support from Birth to Future*

P2.1 — Seamless Continuum of Services

Provide a seamless, high-quality continuum of services that supports learners from birth through adulthood. Ensure services are coordinated, visible, and responsive so learners and families experience a connected system rather than isolated programs.

P2.2 — Personalized Pathways and Workforce Experiences

Expand personalized learning opportunities, career pathways, and workforce experiences that prepare learners of all ages for successful futures. Leverage shared services and regional collaboration to provide opportunities that would be difficult to accomplish independently.

P2.3 — Equitable Access and Integrated Supports

Ensure every learner has equitable access to high-quality academic, behavioral, wellness, and family supports regardless of circumstance or location. Strengthen integrated systems that respond to learner needs while creating opportunities for intervention, enrichment, and accelerated growth.

---

3. IMPACT & COLLABORATION: *Connect, Convene, and Amplify Our Reach*

P3.1 — Trusted Regional Convener

Serve as the trusted regional convener that brings together school districts, community organizations, and partners to address shared opportunities and challenges. Foster collaboration that strengthens relationships, builds trust, and creates collective impact.

P3.2 — Shared Capacity and Scalable Solutions

Build the capacity of local districts and community partners by expanding shared expertise, leadership, and scalable solutions that maximize regional resources. Demonstrate that collaboration produces stronger outcomes than organizations can achieve independently.

P3.3 — Expand Reach and Impact

Expand the reach and impact of Eaton RESA's programs, partnerships, and expertise to improve outcomes across the region. Pursue new opportunities that increase access, strengthen quality, and position Eaton RESA as a valued regional and statewide partner.

STRATEGIC ACCELERANTS

Embedded throughout all priorities, goals, strategies, and action plans.

Organizational Excellence	***Innovation & Learning***	***Identity & Communication***
Clear, trustworthy, and reliable systems.	Leading at the edge of what is possible.	Capture and share our stories boldly and often.
