Whereas American women of every race, class, and ethnic background have made historic contributions to the growth and strength of our Nation in countless recorded and unrecorded ways;

Whereas American women have played and continue to play a critical economic, cultural, and social role in every sphere of the life of the Nation by constituting a significant portion of the labor force working inside and outside the home;

Whereas American women have played a unique role throughout the history of the Nation by providing the majority of the volunteer labor force of the Nation;

Whereas American women were particularly important in the establishment of early charitable, philanthropic, and cultural institutions in our Nation;

Whereas American women of every race, class, and ethnic background served as early leaders at the forefront of every major progressive social change movement;

Whereas American women have served our country courageously in the military;

Whereas American women have been leaders, not only in securing their own rights to suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, and other movements, especially the peace movement, which created a more fair and just society for all; and

Whereas, despite these contributions, the role of American women in history has been consistently overlooked and undervalued in the literature, teaching and study of American history:

Therefore, be it proclaimed that the Royal Oak Schools Board of Education designates March 2026 as "Women's History Month" in Royal Oak Schools.

Whereas, civic education is vital to sustaining and strengthening constitutional democracy in the United States of America; and

Whereas, the practice of democracy must be taught and learned anew by each generation; and

Whereas, schools play a central role in building the civic strength of our populace and nation; and

Whereas, Civic Learning Week seeks to unite our community and highlight the importance of civic knowledge, skills, and dispositions that provide the foundation for an informed and engaged populace; and

FIELD TRIP POLICY

1. It is the belief of the school district that field trips can enhance the educational program and make it more meaningful to students. A field trip is defined as any approved trip involving students away from school property, including music and athletic trips. Such a trip is approved with the understanding that it is an extension of the curriculum or co-curricular program of the school district.

2. Teachers and appropriate school-related groups may organize field trips and related activities only after approval is received. Should field trips require the absence of children from school during the usual class hours, written request for authorization must be made to, and permission received from the building administrator. In the secondary schools, care will be taken in each building to see that students and teachers keep school-related absences to a reasonable minimum. A student may be determined to be ineligible for a particular field trip due to academic, attendance, or behavioral considerations.

Authorization will be granted under the following conditions:

- A. All field trips will be funded (including transportation and substitute teacher costs) by a specific building or district budget and/or funds raised according to the Board adopted fund-raising policy, and/or charging a participation fee provided the student shall not be restricted from attending due to insufficient funds. Exceptions may be approved by the Superintendent or designee.
 - B. Pupils shall not be required to participate and the participation of any pupil shall not be related to successful completion of any class nor affect the grade or marks received in that class.

Rescind Policy - Vol. 40, No. 1

~~1422.02 — NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.~~

~~In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.~~

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.~~

~~"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.~~

~~The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information.~~

~~The warning shall read as follows:~~

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services () including a wellness program [END OF OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board. Replacement Policy - Vol. 40, No. 1

1422 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or

more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:
 - a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching **(X)**; and obscene gestures **[END OF OPTION]**.
 - b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
 - c. Rape, sexual assault, or other acts of sexual violence.
 - d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
 - e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
 - f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
 - g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
 - h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, **[x]** referral to Employee Assistance Program, **[END OF OPTION]** and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the

employee's child's birth. The Board will provide the employee with a space, other than as a bathroom, that is clean, bright, and free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. [END OF OPTION]~~

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see**

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 1422 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).

3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]

[END OF DRAFTING NOTES]

The Board designates and authorizes the following individual(s) to coordinate its efforts to comply with the Board’s responsibilities under Federal and State laws that prohibit discrimination, including harassment, based on Protected Classes and retaliation (also known as “Civil Rights Coordinator(s)” or “Anti-Harassment Compliance Officer(s)”) (hereinafter referred to as the “District Compliance Officer(s)” or “CO(s)”):

[DRAFTING NOTE: The District may want to create a static (i.e., fixed) District Compliance Officer -specific email address and phone number that will not change when the person(s) and/or position(s) designated to be the CO(s) change(s) – e.g., CO4CivilRights@(insert District’s domain) – which the Technology Director/Department can program to be forwarded to the actual individual(s) serving as the District Compliance Officer(s) at any given time. Likewise, the District may want to establish a static Telephone Number for the position of District Compliance Officer that can be forwarded to, and accessed by, the actual person(s) serving in the CO position(s) at any given time. These two (2) steps will help reduce the information that needs to be updated in policy, AG, and/or the requisite notices/postings and publications when changes occur to the specific person(s)/position(s) designated to serve as the CO(s).]

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

The Board designates Patrick Wolynski, Executive Director Staff & Student Services **[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District's compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation as the individual who is ultimately responsible for oversight over the Board's compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. [END OF OPTION]**

~~The District Compliance Officer may delegate specific duties to one (1) or more designees. [END OF OPTION]~~

~~The contact information concerning the District Compliance Officer(s) will be published on the School District's website () and annually [END OF OPTION]:~~

- ~~B. () in the School District Annual Report to the public.~~
- ~~C. () on each individual school's website.~~
- ~~D. () in the School District's calendar.~~
- ~~E. () _____.~~

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to **[SELECT ONE OF THE FOLLOWING]** ~~() the Board President~~ the Board's Legal Counsel ~~() _____ [OTHER] [END OF INTERNAL OPTIONS]~~ until the matter in which the Superintendent is a party is concluded. **[END OF OPTION]**

Questions about this policy and AG 1422 **[END OF OPTION]** should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender specific terms should be eliminated from such contracts. [END OF OPTION] Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and

application form that it makes available to the persons listed above, or which are otherwise used in connection with the recruitment of employees. See AG 1422 and Form 1422F1 – Notice and Statement of Nondiscrimination. **[END OF OPTION]**

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). Anonymous reports may be submitted using the online reporting form posted at _____ **[insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"]** the hotline reporting number (_____ **[insert phone number]**). **[END OF OPTION]**

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) **business** days of learning the information or receiving the report. **[DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."]** The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. **[DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]**

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies and/or administrative guidelines **[END OF OPTION]**, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) **business** days **[DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."]** of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy and AG 1422 **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District's education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, ~~()~~ and the ~~facilitator of the informal resolution process, [END OF OPTION]~~ shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

The CO may serve simultaneously as an investigator and/or a decisionmaker. [END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall , in consultation with ~~()~~ and approval of [END OF OPTION] the Superintendent or ~~()~~ Board Board President (as appropriate), [END OF OPTION] secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) business [INSERT AMOUNT] days of receiving the complaint. [DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]

B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) business [INSERT AMOUNT] days of the CO determining the charges require investigation. [DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigation/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties and the Superintendent [END OF OPTION] and will thereafter keep the parties and the Superintendent [END OF OPTION] informed of the status of the matter on a regular [INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR] basis.

C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint , or the Determination, [END OF OPTION] must do so within five (5) business [INSERT AMOUNT] days of receiving the Dismissal or Determination [END OF OPTION]. [DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. [END OF OPTION] The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered,

except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy and AG 1422 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and

F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination and the procedures and permissible bases for the complainant and respondent to appeal **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

- 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;

2. coordinate the imposition of any disciplinary sanctions on a respondent , including notification to the complainant of any such disciplinary sanctions **[END OF OPTION]**; and
3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within **five (5) business (INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~(-) the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~
- E. ~~(-) [OTHER] _____.~~

~~The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**~~

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~**[OPTION 1]**~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (-), as set forth in AG 1422 **[END OF INTERNAL OPTION]**.~~

~~The CO has authority (-), in consultation with (-) and approval of **[END OF OPTION]** the Superintendent or (-) Board (-) Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker—this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**~~

~~**[END OF OPTION 1]**~~

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal

decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained , as set forth in AG 1422 **[END OF INTERNAL OPTION]**.

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) business **[INSERT AMOUNT]** days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have five (5) business **[INSERT AMOUNT]** days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

[OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

{OR}

[OPTION 2]

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~**[END OF OPTION 2]**~~

~~**{OR}**~~

() [OPTION 3]

submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.

[END OF OPTION 3]

The appeal decisionmaker's ~~() Board's~~ **[END OF OPTION]** decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules, mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; referral to Employee Assistance Program; **[END OF OPTION]** and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counseling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

When the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution and the principles of academic freedom as set forth in the applicable collective bargaining agreement **[END OF OPTION]**. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers **[END OF OPTION]**.

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. **[END OF OPTIONAL SENTENCE]** The training shall not rely on stereotypes involving Protected Classes.

~~Training materials will be made available for inspection upon request by members of the public. **[END OF OPTION]**~~

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule – see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above and in AG 1422 **[END OF OPTION]**.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

~~Discretion in Application~~

~~The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.~~

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

1623 - **SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT**

The Board of Education prohibits discrimination against any employee or applicant based upon **the employee's or applicant's** disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website and posted throughout the District, and included the District's recruitment statements or general information publications.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render a his/her decision within ten (10) days of the hearing.
- E. The employee may be represented, at the employee's his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s) /ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) () is () are [END OF OPTION] responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, one (1) of the Compliance Officers(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to one (1) of the Compliance Officer(s) within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to one (1) of the Compliance Officer(s) within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with one (1) of the Compliance Officer(s) within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01—Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal shall report the act of bullying, aggressive behavior, and/or harassment to a Compliance Officer who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 1662 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 1662-F1)

Except for Sexual Harassment that is covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through either the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officer(s) are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the allegedly inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A Complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officer(s); and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officer(s) who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement, including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment Policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

The decision of the Superintendent shall be final.

OR

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

~~[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

Privacy/Confidentiality

~~The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.~~

~~During the course of a formal investigation, the Compliance Officer or designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.~~

Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).~~

~~Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.~~

Retaliation

~~Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.~~

~~Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.~~

~~Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.~~

~~The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.~~

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

~~State law requires any school teacher or school employee who knows or suspects that a child with a disability under the age of twenty one (21) or that a child under the age of eighteen (18) has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.~~

~~Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.~~

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);

2260.01 - **SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY**

Pursuant to Section 504 of the Rehabilitation Act of 1973 ("Section 504"), the Americans with Disabilities Act of 1990, as amended ("ADA") and the implementing regulations (collectively "Section 504/ADA"), no otherwise qualified individual with a disability shall, solely by reason of **the individual's** ~~his/her~~ disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, or participation or treatment in its programs or activities. As such, the Board's policies and practices will not discriminate against students with disabilities and the Board will make its facilities, programs, and activities accessible to qualified individuals with disabilities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproductive functions.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aids and cochlear implants or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, assistive technology, reasonable accommodations or auxiliary aids or services, or learned behavioral or adaptive neurological modifications.

With respect to public preschool, elementary and secondary educational services, a qualified person with a disability means a disabled person:

- A. who is of an age during which nondisabled persons are provided educational services;
- B. who is of any age during which it is mandatory under Michigan law to provide educational services to disabled persons; or
- C. to whom the State is required to provide a free appropriate public education pursuant to the Individuals with Disabilities Education Improvement Act (IDEIA).

With respect to vocational education services, a qualified person with a disability means a person with a disability who meets the academic and technical standards requisite to admission or participation in the vocational program or activity. The Board will not deny a student with disabilities access to its vocational education programs or courses due to architectural and/or equipment barriers, or because the student needs related aids or services to receive an appropriate education.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

Patrick Wolynski
Executive Director Staff & Student Services
248-435-8400 x1211
800 Devillen, Royal Oak, MI 48073
patrick.wolynski@royaloakschools.org

Katherine Abela
Executive Director Finance and Facilities
248-435-8400 x1232
800 Devillen, Royal Oak, MI 48073
katherine.abela@royaloakschools.org

The name(s), title(s), and contact information of this/these individual(s) will be published annually on the School District's web site and in the parent/student and staff handbooks.

Building Principals shall serve as Building Section 504/ADA Compliance Officer(s) ("Building Compliance Officers").

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the ADA. A copy of Section 504 and the ADA, including copies of the implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below. The Board will further establish and implement a system of procedural safeguards in accordance with Section 504, including the right to an impartial due process hearing. See AG 2260.01B.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities. This includes, but is not limited to, providing accommodations to parents with disabilities who desire access to their child's educational program or meetings pertinent thereto. Programs and activities will be designed and scheduled so that the location and nature of the facility or area will not deny a student with a disability the opportunity to participate on the same basis as students without disabilities.

Education

The Board is committed to identifying, evaluating, and providing a free appropriate public education (FAPE) to students within its jurisdiction who have a physical or mental impairment that substantially limits one or more major life activities, regardless of the nature or severity of their disabilities.

An appropriate education may include regular or special education and related aids and services to accommodate the unique needs of students with disabilities. For students with disabilities who are not eligible for specially designed instruction under the IDEA, the special education and related aids and services (including accommodations/modifications/interventions) they need in order to have their needs met as adequately as the needs of nondisabled students are met, shall be delineated, along with their placement, in a Section 504 Plan (Form 2260.01A F13). Parents/guardians/custodians ("parents") are invited and encouraged to participate fully in the evaluation process and development of a Section 504 Plan. The quality of education services provided to students with disabilities will be equal to the quality of services provided to students without disabilities.

The Board is committed to educating (or providing for the education of) each qualified person with a disability who resides within the District with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the District places a person in a setting other than the regular educational environment, it shall take into account the proximity of the alternate setting to the person's home. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

The District will provide non-academic extracurricular services and activities in such a manner as is necessary to afford qualified persons with disabilities an equal opportunity for participation in such services and activities. Non-academic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interests groups or clubs sponsored by the District, referrals to agencies that provide assistance to persons with disabilities, and employment of students. In providing or arranging for the provision of meals and recess periods, and non-academic and extracurricular services and activities, including those listed above, the District will verify that persons with disabilities participate with persons without disabilities in such services and activities to the maximum extent appropriate.

Notice

Notice of the Board's policy on nondiscrimination in education practices and the identity of the District's Compliance Officer(s) will be republished on the District's website and posted throughout the District, and included in the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that ~~they have s/he~~ has been discriminated against on the basis of ~~his/her~~ disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), parents and students will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, students and their parents will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights. Finally, students and parents will be advised of their right to request a due process hearing before an Impartial Hearing Officer (IHO) regarding the identification, evaluation or educational placement of persons with disabilities, including the right to participation by the student's parents or guardian and representation of counsel, and their right to examine relevant education records.

Internal complaints and requests for due process hearings must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint or the request for a hearing, and offer possible solutions to the dispute. The complaint or request for due process hearing must be filed with a District Compliance Officer within specified time limits. The District's Compliance Officer is available to assist individuals in filing a complaint or request.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Internal Complaint Procedures

An internal complaint may be filed by a student and/or parent. A student and/or parent may initiate the internal complaint procedure when ~~the student and/or parents s/he/they~~ believe that a violation, misapplication or misinterpretation of Section 504 has occurred. Additionally, the following procedure may be used for any disagreement with respect to actions regarding the identification, evaluation, or educational program or placement of students who are identified as disabled or believed to be disabled pursuant to Section 504, and are not eligible under the IDEIA, except in the case of disciplinary actions where the provisions of the Student Code of Conduct apply. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights or requesting a due process hearing.

Step 1

Investigation by the Building Compliance Officer: A student or parent may initiate an investigation by filing a written internal complaint with the Building Compliance Officer. The complaint should fully describe the circumstances giving rise to the dispute and how the child is adversely affected. The complaint must be filed as soon as possible, but not longer than thirty (30) days after disclosure of the facts giving rise to the complaint. The Building Compliance Officer shall conduct an impartial investigation of the complaint. As part of the investigation, the Building Compliance Officer shall permit the complainant to present witnesses and other evidence in support of the complaint. The investigation shall be completed within fifteen (15) days of the written complaint being filed. The Building Compliance Officer will notify the complainant in writing of ~~the~~ ~~his/her~~ decision.

Step 2

Appeal to the District Compliance Officer: If the complaint is not resolved satisfactorily at Step 1, the student or parent may appeal the Building Compliance Officer's decision in writing to the District Compliance Officer. The appeal must be made within five (5) days following receipt of the Building Compliance Officer's decision. The District Compliance Officer will review the case, may conduct an informal hearing, and will notify all parties in writing of their his/her decision within ten (10) days of receiving the appeal.

Step 3

If the complaint is not resolved satisfactorily at Step 2, the student or parent may request a due process hearing, provided the complaint involves an issue related to the identification, evaluation, or placement of the student.

If it is determined that the Complainant was subjected to unlawful discrimination, the Building and District Compliance Officers must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if a student or parent believes that the student or parent s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). The OCR can be reached at:

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by Section 504 or the ADA, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

2260 - **NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY**

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship and/or personal sense of self-worth.

As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or gender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

A. Curriculum Content

review current and proposed courses of study and textbooks to detect any bias based upon Protected Classes, ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc. toward the development of human society;

B. Staff Training

develop an ongoing program of in-service training for school personnel designed to identify and solve problems of bias based upon Protected Classes in all aspects of the program;

C. Student Access

1. review current and proposed programs, activities, facilities, and practices to ensure that all students have equal access thereto and are not segregated on the basis of the Protected Classes in any duty, work, play, classroom, or school practice, except as may be permitted under State regulations;
2. verify that facilities are made available, in accordance with Board Policy 7510 - Use of School Facilities, for non-curricular student activities that are initiated by parents or other members of the community, including but not limited to any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

D. District Support

verify that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. Student Evaluation

verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of Protected Classes.

Definitions:

Words used in this policy shall have those meaning defined herein: words not defined shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Respondent is the individual who has been alleged have engaged in unlawful discrimination/retaliation, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

School District community means students and Board employees (i.e., administrators, and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means a business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

District Compliance Officers

The Board designates the following individuals to serve as the District's "Compliance Officers" (also known as "Civil Rights Coordinators") (hereinafter referred to as the "COs").

Patrick Wolynski
Executive Director Staff & Student Services
248-435-8400 x1211
800 Devillen, Royal Oak, MI 48073
patrick.wolynski@royaloakschools.org

Katherine Abela
Executive Director Finance and Facilities
248-435-8400 x1232
800 Devillen, Royal Oak, MI 48073
katherine.abela@royaloakschools.org

The names, titles, and contact information of these individuals will be published annually on the School District's web site.

The District will accommodate the use of certified service animals when there is an established need for such supportive aid in the school environment. Certain restrictions may be applied when necessary due to allergies, health, safety, disability or other issues of those in the classroom or school environment. The goal shall be to provide all students with the same access and participation opportunities provided to other students in school. Confirmation of disability, need for a service animal to access the school programming, and current certification/training of the service animal may be required.

The COs are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, retaliation or denial of equal access. The COs shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination Act of 1975 is provided to students, their parents, staff members, and the general public. A copy of each of the Acts and regulations on which this notice is based may be found in the CO's office.

The Superintendent shall annually attempt to identify children with disabilities, ages 0-25, who reside in the District but do not receive public education.

The Board is committed to educating (or providing for the education of) each qualified person with a disability with persons who are not disabled to the maximum extent appropriate. Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

In addition, the Superintendent shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading and writing, on an annual basis (also see Policy 2225). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient (LEP) in one or more programs is not the result of discrimination.

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and Board employees are required, and all other members of the School District community and Third Parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the CO within two (2) days.

Members of the School District community, which includes students or Third Parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party, or receive reports that are initially filled with another Board employee. Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent any person who files a complaint. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO/designee must contact the Complainant, if age eighteen (18) or older, or the Complainant parents/guardians if the Complainant is under the age eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex Education Programs or Activities, any student who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the **U.S. Department of Education, Office for Civil Rights, Lyndon Baines Johnson Department of Education Building, 400 Maryland Ave., SW, Washington, DC 20202-1100, Telephone: (800) 421-3481, FAX: (202) 453-6012, TDD:**

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the Complainant's wishes, informal resolution may involve, but not be limited to, one or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 2260 – Non-Discrimination and Access to Equal Educational Opportunity to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint, and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official at the student's school, the CO, Superintendent, or another District official who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO/designee within two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. The Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participate or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The District will endeavor to assist the student and/or the student's his/her parents in their access to District programs by providing notices to the parents and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student's individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation, which may include, but not be limited to:

- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

These investigative records and materials created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years, but longer if required by the District's records retention schedule.

~~The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.~~

~~In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. ~~"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record in accordance with law.~~

~~The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:~~

Replacement Policy - Vol. 40, No. 1

3122 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. It may involve: (a) threats; (b) intimidation; (c) stalking; (d) cyberstalking; (e) cyberbullying; (f) physical violence; (g) theft; (h) sexual, religious, or racial harassment; (i) public humiliation; or (j) destruction of property. Bullying rises to the level of unlawful harassment when one (1) or

more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more employees, and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal and/or State civil rights laws. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:
 - a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (x)); and obscene gestures [END OF OPTION].
 - b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
 - c. Rape, sexual assault, or other acts of sexual violence.
 - d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
 - e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
 - f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
 - g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
 - h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, (x) referral to Employee Assistance Program, [END OF OPTION] and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the

employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. [END OF OPTION]~~

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see**

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 3122 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).

3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]

[END OF DRAFTING NOTES]

[END OF OPTION]

[DRAFTING NOTE: As discussed above, if the Board designates more than one (1) CO, Neola recommends that the District select the following option.]

[x] The Board designates Patrick Wolynski, Executive Director Staff & Student Services **[DRAFTING NOTE: Insert Name and/or Title of the District Compliance Officer who is ultimately responsible for the District’s compliance with its responsibilities under Federal and State laws that prohibit discrimination/harassment based on Protected Classes and retaliation]** as the individual who is ultimately responsible for oversight over the Board’s compliance with applicable Federal and State laws and regulations that prohibit discrimination based on the basis of Protected Classes and retaliation. **[END OF OPTION]**

~~**[]** The District Compliance Officer may delegate specific duties to one (1) or more designees. **[END OF OPTION]**~~

~~The contact information concerning the District Compliance Officer(s) will be published on the School District’s website ~~()~~ and annually **[END OF OPTION]**:~~

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

[x] The District Compliance Officer(s) shall report directly to the Superintendent except when the Superintendent is a party to a complaint (i.e., either the complainant or the respondent). Under such circumstances, the CO(s) shall report directly to **[SELECT ONE OF THE FOLLOWING]** ~~() the Board President~~ **(x)** the Board’s Legal Counsel ~~() _____~~ **[OTHER]** **[END OF INTERNAL OPTIONS]** until the matter in which the Superintendent is a party is concluded. **[END OF OPTION]**

Questions about this policy **(x)** and AG 3122 **[END OF OPTION]** should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~**[]** Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. **[END OF OPTION]** **[]** In addition, as practical, gender specific terms should be eliminated from such contracts. **[END OF OPTION]** Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District’s education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District’s website and in each handbook, catalog, announcement, bulletin, and

application form that it makes available to the persons listed above, or which are otherwise used in connection with the recruitment of employees. (x) See AG 3122 and Form 3122F1 – Notice and Statement of Nondiscrimination. [END OF OPTION]

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using () the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] [or] () the hotline reporting number (_____ [insert phone number]). [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) business days of learning the information or receiving the report. [DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."] The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. [DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies (x) and/or administrative guidelines [END OF OPTION], the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) business days [DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."] of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity of complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy (x) and AG 3122 **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District's education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, ~~() and the facilitator of the informal resolution process,~~ **[END OF OPTION]** shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

The CO may serve simultaneously as an investigator and/or a decisionmaker. **[END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]**

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall , in consultation with ~~() and approval of~~ **[END OF OPTION]** the Superintendent or ~~() Board~~ Board President (as appropriate), **[END OF OPTION]** secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (10) business **[INSERT AMOUNT]** days of receiving the complaint. **[DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]**

B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) business **[INSERT AMOUNT]** days of the CO determining the charges require investigation. **[DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]**

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigation/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties and the Superintendent **[END OF OPTION]** and will thereafter keep the parties and the Superintendent **[END OF OPTION]** informed of the status of the matter on a regular **[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]** basis.

C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint , or the Determination, **[END OF OPTION]** must do so within five (5) business **[INSERT AMOUNT]** days of receiving the Dismissal or Determination **[END OF OPTION]**. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. **[END OF OPTION]** The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered,

except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures () and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy () and AG 3122 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and

F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination (), and the procedures and permissible bases for the complainant and respondent to appeal **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

- 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;

2. coordinate the imposition of any disciplinary sanctions on a respondent (), including notification to the complainant of any such disciplinary sanctions **[END OF OPTION]**; and
3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within five (5) **business (INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and
- C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

- D. ~~() the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~
- E. ~~() [OTHER] _____.~~

~~[] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. [END OF OPTION]~~

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~[] [OPTION 1]~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (), as set forth in AG 3122 [END OF INTERNAL OPTION].~~

~~The CO has authority (), in consultation with () and approval of [END OF OPTION] the Superintendent or () Board () Board President (as appropriate), [END OF OPTIONS] to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~[] In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker— this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. [END OF OPTIONAL SENTENCE]~~

~~[END OF OPTION 1]~~

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal

decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (), as set forth in AG 3122 [END OF INTERNAL OPTION].

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal () or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) business [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have five (5) business [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

[OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

[OR]

~~() [OPTION 2]~~

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[OR]~~

~~()~~ [OPTION 3]

~~submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[END OF OPTION 3]~~

The appeal decisionmaker's ~~() Board's~~ [END OF OPTION] decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules, mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; referral to Employee Assistance Program; [END OF OPTION] and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counseling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

When the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution () and the principles of academic freedom as set forth in the applicable collective bargaining agreement **[END OF OPTION]**. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment () and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers **[END OF OPTION]**.

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. **[END OF OPTIONAL SENTENCE]** The training shall not rely on stereotypes involving Protected Classes.

~~Training materials will be made available for inspection upon request by members of the public. **[END OF OPTION]**~~

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule – see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above () and in AG 3122 **[END OF OPTION]**.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

Discretion in Application

~~The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.~~

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

3362 — ANTI-HARASSMENT

General Policy Statement

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges, or is alleged, to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday—Friday, excluding State recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior including any threatening, insulting, or dehumanizing gesture by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) is are **[END OF OPTION]** responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, a Compliance Officer or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community along with Third Parties are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01—Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 3362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 3362-F1)

Except for Sexual Harassment that is covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is promptly to stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

The decision of the Superintendent shall be final.

OR

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

[END OF OPTIONS]

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

~~[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

Privacy/Confidentiality

~~The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.~~

~~During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.~~

Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).~~

~~Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.~~

Retaliation

~~Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.~~

~~Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.~~

~~Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.~~

~~The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.~~

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

~~State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability, or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.~~

~~Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.~~

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

Title	Vol. 40, No. 1 - Nondiscrimination - September 2025 Rescind NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE

Adopted	September 13, 2012

Rescind Policy - Vol. 40, No. 1

~~4122.02 — NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE~~

~~The Board of Education prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of his/her genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.~~

~~In accordance with the Genetic Information Nondiscrimination Act (GINA), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with this Act, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.~~

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information.~~

~~"Genetic information," as defined by GINA, means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.~~

~~If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider it shall be treated as a confidential medical record in accordance with law.~~

~~The Superintendent shall appoint a compliance officer who shall be responsible for overseeing the District's compliance with Federal regulations and promptly dealing with any inquiries or complaints. S/He shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:~~

~~The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an~~

immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTIONAL PARAGRAPH]~~

~~[NOTE: It should be noted that any sections of the District's collective bargaining agreements dealing with terms and conditions of employment should contain a statement of nondiscrimination similar to that in the Board's statement above.]~~

Replacement Policy - Vol. 40, No. 1

4122 - NONDISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AND ANTI-HARASSMENT

The Board of Education does not discriminate on the basis of race, color, national origin, sex (including pregnancy, childbirth, and related medical conditions; sexual orientation; and gender identity), disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, or any other legally protected category (collectively, Protected Classes) in its programs and activities, including employment opportunities.

The Board is committed to providing a work environment that is free from Prohibited Conduct, responding promptly and effectively when it has knowledge of conduct that reasonably may constitute Prohibited Conduct, and addressing Prohibited Conduct in its education programs or activities. This commitment applies to all District operations and this policy applies to Prohibited Conduct occurring within or as a part of the District's education programs and activities, whether on school property or at another location during an activity sponsored by the Board.

Persons who commit Prohibited Conduct are subject to the full range of disciplinary sanctions set forth in this policy.

The Board will provide persons who have experienced Prohibited Conduct with ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs or activities.

All school employees share responsibility for avoiding, discouraging, and reporting any form of Prohibited Conduct.

The Board will take immediate action to address the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging Prohibited Conduct, or has participated in the below-described grievance procedures.
- B. Filing a malicious or knowingly false report or complaint of Prohibited Conduct.
- C. Disregarding, failing to appropriately address, or delaying action to appropriately address allegations of Prohibited Conduct when responsibility for reporting and/or investigating such charges comprises part of one's administrative/supervisory duties.

Definitions:

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Bullying means: any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult, that is sufficiently severe or pervasive to create an intimidating, hostile, or offensive work environment; or unreasonably interfere with the individual's work performance or participation. Ordinary teasing, horseplay, arguments, and peer conflict do not constitute bullying for purposes of this policy.

Complainant means: an employee who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or a person, other than an employee, who is alleged to have been subjected to conduct that could constitute Prohibited Conduct and who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged Prohibited Conduct.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., days that the Board office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination that the respondent engaged in Prohibited Conduct.

Education programs or activities refer to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all programs and activities operated by the Board on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority (e.g., at off-campus activities sponsored by the Board).

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish that a respondent did not engage in Prohibited Conduct.

Genetic information means: information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (i.e., family medical history); (d) an individual's request for, or receipt of, genetic services, or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

Harassment means: any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an employee that (a) places the employee in reasonable fear of harm to their person or damage to their property; (b) has the effect of substantially interfering with the employee's work performance; or (c) has the effect of substantially disrupting the orderly operation of a school. Each of the following types of harassment involves unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's protected characteristic(s) and has the purpose or effect of interfering with the individual's work performance or creating an intimidating, hostile, or offensive work environment.

- A. **Age Harassment** means: harassment based on negative perceptions about older workers. It also includes harassment based on stereotypes about older workers, even if they are not motivated by animus, such as pressuring an older employee to transfer to a job that is less technology-focused because of the perception that older workers are not well-suited to such work or encouraging an older employee to retire.
- B. **Disability Harassment** means: harassment based upon a person's disability and includes harassment based upon stereotypes about individuals with disabilities in general or about an individual's particular disability. It also includes harassment based on traits or characteristics linked to an individual's disability, such as how the person speaks, looks, or moves. For example, negative comments about an individual's speech patterns, movement, physical impairments, or defects/appearances, or the like. Disability-based harassment includes: (a) harassment because an individual requests or receives reasonable accommodation; (b) harassment because an individual is regarded as having an impairment, even if the individual does not have an actual disability, or a record of disability; (c) harassment because an individual has a record of a disability, even if the individual currently does not have a disability; and (d) harassment based on the disability of an individual with whom the employee is associated. Finally, disability-based harassment may occur where conduct is directed at or pertains to a person's genetic information.
- C. **National Origin/Ancestry Harassment** means: harassment due to a person's (or their ancestor's) place of origin. Such harassing conduct can include ethnic slurs or epithets, derogatory comments about individuals of a particular nationality, and use of stereotypes about a person's national origin. Additionally, it can include harassment regarding traits or characteristics linked to an individual's national origin, such as physical characteristics, ethnic or cultural characteristics or customs (e.g., surnames, attire, or diet), or linguistic characteristics (e.g., a person's manner of speaking, non-English language accent, or a lack of fluency in English).
- D. **Race/Color Harassment** means: unwelcome physical, verbal, or nonverbal conduct that is based upon an individual's race or color and has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive work environment. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

E. **Religious (Creed) Harassment** means: harassment based on a person's surname, religion (including atheism or lack of religious belief), religious traditions and practices, or religious dress/clothing, and includes making offensive comments about the same. It also includes religious slurs or epithets, harassing conduct based on religious stereotypes, and harassment associated with a person's request for and/or receipt of religious accommodation. Religious harassment also involves explicitly or implicitly coercing an employee to engage in religious practices at work.

F. **Sexual Harassment** means (for purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964): unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment; (b) submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of interfering with the individual's work performance; or creating an intimidating, hostile, or offensive working environment. Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

1. Sexual Harassment covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.
2. Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:
 - a. Conduct of a sexualized nature, such as unwanted conduct expressing sexual attraction or involving sexual activity (e.g., unwelcome sexual propositions, invitations, solicitations, and flirtations; unwanted physical and/or sexual contact, including unwelcome and inappropriate touching, patting, or pinching (); and obscene gestures [**END OF OPTION**]).
 - b. Sexual attention or sexual coercion, such as demands or pressure for sexual favors (e.g., threats or insinuations that a person's employment, wages, or other conditions of employment may be adversely affected by not submitting to sexual advances; giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship; leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin).
 - c. Rape, sexual assault, or other acts of sexual violence.
 - d. Discussing or displaying visual depictions of sex acts or sexual remarks (e.g., unwelcome verbal expressions of a sexual nature, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls, texts, etc.; sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment; asking or telling about sexual fantasies, sexual preferences, or sexual activities; speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history).
 - e. A consensual sexual relationship where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
 - f. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.
 - g. Non-sexual conduct based on sex, such as sex-based epithets; sexist comments (such as remarks that women do not belong in management or that men do not belong in the nursing profession); or facially sex-neutral offensive conduct motivated by sex (such as bullying directed toward employees of one sex).
 - h. Harassment based on pregnancy, childbirth, or related medical condition, which may include issues pertaining to lactation, using or not using contraception, or deciding whether to have, or not to have, an abortion.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be objectively offensive (a reasonable person would find it hostile or abusive), subjectively offensive (the complainant actually perceived it as abusive), and either sufficiently severe (a single extremely serious incident) or pervasive (a pattern of behavior), such that it adversely affects, limits, or denies an individual's employment, or creates a hostile or abusive employment environment.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in Prohibited Conduct (i.e., has culpability).

Military status means: a person's past, current, or future membership, service, or obligation in a uniformed service (e.g., Army, Marine Corps, Navy, Air Force, Space Force, Coast Guard, Public Health Service Commissioned Corps, and National Oceanic and Atmospheric Administration Commissioned Officer Corps). Service in the uniformed services also means the performance of duty, on a voluntary basis, or involuntary basis, in a uniformed service, under competent authority, and includes active duty, active duty for training, initial active duty for training, inactive duty for training, and full-time National Guard duty. It further includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any such duty as listed above.

Party means: a complainant or respondent.

Pregnancy, childbirth, or related medical conditions means:

- A. "Pregnancy" and "childbirth" refer to the pregnancy or childbirth of a specific employee and include, but are not limited to, current pregnancy; past pregnancy; potential or intended pregnancy (which can include infertility, fertility treatment, and the use of contraception); labor; and childbirth (including vaginal and cesarean delivery).
- B. "Related medical conditions" are medical conditions relating to the pregnancy or childbirth of a specific employee, and may include termination of pregnancy, including via miscarriage, stillbirth, or abortion; ectopic pregnancy; preterm labor; pelvic prolapse; nerve injuries; cesarean or perineal wound infection; maternal cardiometabolic disease; gestational diabetes; preeclampsia; HELLP (hemolysis, elevated liver enzymes and low platelets) syndrome; hyperemesis gravidarum; anemia; endometriosis; sciatica; lumbar lordosis; carpal tunnel syndrome; chronic migraines; dehydration; hemorrhoids; nausea or vomiting; edema of the legs, ankles, feet, or fingers; high blood pressure; infection; antenatal (during pregnancy) anxiety, depression, or psychosis; postpartum depression, anxiety, or psychosis; frequent urination; incontinence; loss of balance; vision changes; varicose veins; changes in hormone levels; vaginal bleeding; menstruation; and lactation and conditions related to lactation, such as low milk supply, engorgement, plugged ducts, mastitis, or fungal infections. The preceding list of related medical conditions is not exhaustive.

Prohibited Conduct means: unlawful discrimination or harassment based on a person's Protected Class(es) or retaliation. Such misconduct involves a violation of Federal and/or State civil rights laws.

Relevant means: related to the allegations of Prohibited Conduct under investigation as part of the Board's grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged Prohibited Conduct occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged Prohibited Conduct occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education programs or activities limited or denied by Prohibited Conduct. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that Prohibited Conduct occurred.

Respondent means: a person who is alleged to have engaged in Prohibited Conduct.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education programs or activities, for the purpose of interfering with any right or privilege secured by Federal or State law, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under applicable Federal or State laws or regulations.

School District community means: students and Board employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Supportive measures means: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, without fee or charge to the complainant or the respondent before or after making a report or filing a complaint. Such measures are designed to restore or preserve that party's access to the District's education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Prohibited Conduct. Supportive measures may include modifications of work schedules, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain work settings; training related to Prohibited Conduct, () referral to Employee Assistance Program, [END OF OPTION] and other similar measures.

Third Parties means: guests and/or visitors on District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Pregnancy, Childbirth, and Related Medical Conditions

The Board will not discriminate against an employee based on the person's current pregnancy, potential or intent to become pregnant, past pregnancy, or medical condition related to pregnancy or childbirth, or because the person uses birth control, or has had or not had an abortion.

Additionally, the Board will provide a reasonable accommodation to an employee's known limitation related to pregnancy, childbirth, or a related medical condition, unless the accommodation will cause the District undue hardship.

The Board will treat pregnancy, childbirth, and related medical conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; accrual of seniority and any other benefit or service; reinstatement; and under any fringe benefit offered to employees by virtue of employment.

The Board will provide reasonable break time for an employee to express breast milk while at work for the first year after the

employee's child's birth. The Board will provide the employee with a space, other than a bathroom, that is clean, shielded from view, free from intrusion from coworkers and the public, and which the employee can use as needed to express breast milk. See Board Policy 6700 – Fair Labor Standards Act.

Nondiscrimination Based on Employee's Genetic Information

The Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of an employee as an employee, based on genetic information. Harassment of a person because of the individual's genetic information is also prohibited. Likewise, retaliation against an applicant or employee for engaging in protected activity is prohibited.

In accordance with the Genetic Information Nondiscrimination Act ("GINA"), the Board shall not request, require, or purchase genetic information of employees, their family members, or applicants for employment. Further, in compliance with GINA, employees are directed not to provide any genetic information, including the individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be acquired as part of the certification process for FMLA leave, when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the District's application process.

~~[] The District recognizes that genetic information may be acquired through commercially and publicly available documents like newspapers, books, magazines, periodicals, television shows, or the Internet. The District prohibits, however, its employees from searching such sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. [END OF OPTION]~~

If the District either legally and/or inadvertently receives genetic information about an employee or applicant for employment from the employee, applicant for employment, or a medical provider, it shall be treated as a confidential medical record in accordance with law.

The District Compliance Officer (see below) shall be responsible for overseeing the District's compliance with applicable Federal regulations and promptly dealing with any inquiries or complaints. The District Compliance Officer or designee shall also verify that proper notice of nondiscrimination for Title II of the Genetic Information Nondiscrimination Act of 2008 is provided to staff members, and that all District requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the Americans with Disabilities Act ("ADA") or a request for sick leave) is accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The warning shall read as follows:

The Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by GINA Title II, including the Board of Education, from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by law. To comply with this law, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

~~[] The District offers health services (), including a wellness program [END OF INTERNAL OPTION]. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to the person's health services providers, but only genetic information in aggregate form will be provided to the Board. [END OF OPTION]~~

District Compliance Officer(s)

[DRAFTING NOTES:

- 1. Neola suggests the Board appoint both a male and a female to serve as the District Compliance Officers. By appointing two (2) District Compliance Officers, there should always be a District Compliance Officer available to address a claim that pertains to the other District Compliance Officer. If, however, the Board appoints more than one (1) District Compliance Officer, Neola recommends that it designate one (1) of the District Compliance Officers to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under applicable Federal and State laws that prohibit unlawful discrimination/harassment based on protected classes and retaliation. Alternatively, the Board could appoint a District Compliance Officer and one (1) or more persons to assist the District Compliance Officer with performance of the responsibilities identified in this policy and its accompanying administrative guidelines. Often the person(s) designated to assist a District Compliance Officer is/are called Deputy or Assistant Compliance Officer(s). If the Board elects this alternative approach, it would designate a District Compliance Officer for purposes of this policy, and then designate the other position(s) through its AG. The person(s) in the alternative support role(s) will need to be trained in the same manner as the District Compliance Officer (see**

2. The Board must list in this policy either the Name(s) or Title(s) of the District Compliance Officer(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 4122 if the District elects to identify the District Compliance Officer in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the District Compliance Officer(s).

3. Reminder: Whenever a new person begins to serve as the District Compliance Officer (or in a support role to the District Compliance Officer), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the position to which the person is assigned.]

[DRAFTING NOTE: The Board may want to select the following option when the Superintendent is not the CO. While Neola recognizes that this may not always be possible, it may be preferable to have the CO be someone other than the Superintendent because then – if the CO serves as the investigator and decisionmaker – the Superintendent can serve as the appeal decisionmaker or the facilitator for the informal resolution process.]

Questions about this policy ~~(-x)~~ and AG 4122 [END OF OPTION] should be directed to the District Compliance Officer(s).

The CO(s) is/are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination, harassment, retaliation, or denial of equal opportunity/access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), Genetic Information Nondiscrimination Act (GINA), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. ~~[] Any sections of the District's collective bargaining agreements dealing with hiring, promotion, demotion, discipline, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement set forth above. [END OF OPTION] [] In addition, as practical, gender specific terms should be eliminated from such contracts. [END OF OPTION] Copies of the laws and regulations listed above are available upon request from the CO(s).~~

The CO(s) will be available during regular work hours to discuss concerns related to Prohibited Conduct, to assist employees, other members of the District community, and third parties who seek support or advice when informing another individual about Prohibited Conduct, including unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The CO(s) shall monitor the District's education programs and activities for barriers to reporting information about conduct that reasonably may constitute Prohibited Conduct pursuant to Federal and/or State laws that prohibit discrimination/harassment based on the basis of a Protected Class/Category and retaliation, and take steps reasonably calculated to address such barriers.

Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. Specifically, the Superintendent shall post the notice of nondiscrimination on the District's website and in each handbook, catalog, announcement, bulletin, and

application form that it makes available to the persons listed above, or which are otherwise used in connection with the recruitment of employees. (x) See AG 4122 and Form 4122F1 – Notice and Statement of Nondiscrimination. [END OF OPTION]

NOTIFICATION/REPORTS OF PROHIBITED CONDUCT

Any person may provide information to the CO(s) concerning conduct that reasonably may constitute Prohibited Conduct. Such information may be submitted in person, by mail, by telephone, or by electronic mail using the CO's(s') published contact information, or by any other means (oral or written) that results in the CO(s) receiving the information. Information may be provided at any time (including during non-work hours). ~~[] Anonymous reports may be submitted using () the online reporting form posted at _____ [insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"] [or] () the hotline reporting number (_____ [insert phone number]). [END OF OPTION]~~

All Board employees are required to notify the CO(s) of conduct that reasonably may constitute Prohibited Conduct. For the Board to fulfill its responsibilities under applicable Federal and/or State laws, if a Board employee has knowledge of conduct that reasonably may constitute Prohibited Conduct, the Board employee must notify the/a CO within two (2) business days of learning the information or receiving the report. [DRAFTING NOTE: The applicable statutes and regulations do not specify within how many days the Board employee must notify the CO of receiving notification/a report of Prohibited Conduct; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "** * * must immediately/promptly notify the/a CO of such information or report."] The Board employee must also comply with mandatory reporting responsibilities pursuant to Policy 8462 – Student Abuse and Neglect, if applicable. If the Board employee's knowledge about the alleged Prohibited Conduct is based on another individual bringing the information to the Board employee's attention, and the reporting individual submitted a written notification/report or complaint to the Board employee, the Board employee must provide the written notification/report or complaint to the CO.

Notification can be provided orally or in writing and should be as specific as possible. The person making the notification/report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a notification/report or complaint involves allegations of Prohibited Conduct by or involving the CO, the person making the report (i.e., providing the notification or filing the complaint) should submit it to the Superintendent or another Board employee who, in turn, will notify the Superintendent of the report/complaint. The Superintendent will then serve in place of the CO for purposes of addressing that report of Prohibited Conduct. [DRAFTING NOTE: If the Superintendent is the CO, substitute "Board President" in place of "Superintendent."]

When a Board employee notifies the CO of suspected Prohibited Conduct, the employee is required to report all known details about the alleged Prohibited Conduct including: (1) the name of the alleged respondent(s); (2) the person who experienced the alleged Prohibited Conduct (i.e., the complainant); (3) other persons involved in the alleged Prohibited Conduct (e.g., witnesses); and (4) any other relevant facts, such as date, time, and location. Failure to provide such notification may result in discipline, up to and including suspension or termination of employment.

Any allegations of misconduct not involving Prohibited Conduct as defined in this policy will be addressed through the procedures outlined in other Board policies (x) and/or administrative guidelines [END OF OPTION], the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

When a notification/report or complaint of Prohibited Conduct is made, the CO shall promptly (i.e., within two (2) business days [DRAFTING NOTE: The applicable laws and/or regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days."] of the CO's receipt of the notification/report or complaint of Prohibited Conduct) contact the purported complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a complaint, and explain to the complainant the process for filing a complaint. The CO is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the complainant or respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

GRIEVANCE PROCEDURES

Overview:

The Board adopts the following grievance procedures to provide for the prompt, effective, and equitable resolution of complaints made by employees, applicants, or other individuals who are participating or attempting to participate in the District's education programs or activities (i.e., members of the School District community and Third Parties), or by the CO alleging any act of Prohibited Conduct.

These grievance procedures shall be used for all complaints of Prohibited Conduct unless it involves conduct involving a student, in which case the grievance procedures set forth in Policy 2260 or Policy 5517.01 shall apply. These grievance procedures set forth the means for investigating and resolving claims involving such Prohibited Conduct; in particular, the procedures provide a method for assessing – in a prompt, effective, and equitable manner – whether an applicable Federal or State law was violated and, if it was, how best to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.

Due to the sensitivity of complaints of Prohibited Conduct, timelines are flexible for initiating the grievance procedures; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner.

[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") prohibits discrimination in employment. Specifically, it prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination based on sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. Title IX is addressed by Board Policy 2266 and AG 2266. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a District Compliance Officer receives a complaint or notification of alleged misconduct involving sex discrimination (in particular, sexual harassment) that involves an employee complainant and an employee respondent, the District Compliance Officer should consult with the Title IX Coordinator and/or the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]

Under all circumstances, the CO shall offer and coordinate supportive measures, as appropriate, in accordance with this policy (x) and AG 4122 **[END OF OPTION]**.

Complaints:

The following people may make a complaint of Prohibited Conduct – i.e., request that the District investigate and determine whether Prohibited Conduct occurred:

A. a "complainant," which includes:

1. an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct; or
2. a person other than an employee of the District who is alleged to have been subjected to conduct that could constitute Prohibited Conduct at a time when that individual was participating or attempting to participate in the District's education programs or activities;

B. an authorized legal representative with the legal right to act on behalf of a complainant;

C. the District Compliance Officer.

A person is entitled to make a complaint of unlawful harassment only if they themselves are alleged to have been subjected to the unlawful harassment, or if the CO initiates a complaint.

[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of unlawful harassment, the person has to have been subjected to the alleged misconduct directly or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph, where the complainant is identified as an employee who was "subjected to conduct that could constitute Prohibited Conduct." The following paragraph, on the other hand, expands who can file a complaint – when the alleged Prohibited Conduct does not involve unlawful harassment, or the complaint involves allegations of retaliation – to persons who are aware of the alleged Prohibited Conduct, even if that person was not directly affected by or subject to the alleged Prohibited Conduct.]

With respect to complaints of Prohibited Conduct other than unlawful harassment, or complaints involving allegations of retaliation, in addition to the people listed above, the following persons have a right to make a complaint:

A. any employee of the District; or

B. any person other than an employee who was participating or attempting to participate in the District's education programs or activities at the time of the alleged Prohibited Conduct.

The District may consolidate complaints of Prohibited Conduct against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of Prohibited Conduct arise out of the same facts or circumstances. When more than one (1) complainant or more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

A person may file criminal charges simultaneously with filing a complaint. A person does not need to wait until the District's internal grievance procedures are completed before filing a criminal complaint. Likewise, questions or complaints relating to alleged violations of applicable Federal or State laws may be filed with the U.S. Department of Education's Office for Civil Rights, the U.S. Department of Justice's Civil Rights Division, the U.S. Equal Employment Opportunity Commission, or the Michigan Department of Civil Rights, at any time based on the underlying statutory basis for the complaint.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the grievance procedures and any other aspects of this Policy, including the District Compliance Officer, the investigator, the decisionmaker, and the appeal decisionmaker, ~~()~~ and the facilitator of the informal resolution process, ~~[END OF OPTION]~~ shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

The CO may serve simultaneously as an investigator and/or a decisionmaker. ~~[END OF OPTION]~~ **[DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the CO can decide when to serve in both roles and when to designate one or more persons to perform these responsibilities in a given case.]**

If the CO does not intend to serve as the investigator/decisionmaker in a specific case, the CO shall designate one (1) or more administrators who are appropriately trained to serve in the role.

In circumstances when the CO and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons impair the CO and other trained administrators from serving as an investigator/decisionmaker in a specific case, the CO shall , in consultation with ~~()~~ and approval of ~~[END OF OPTION]~~ the Superintendent or ~~()~~ Board Board President (as appropriate), ~~[END OF OPTION]~~ secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker.

The District presumes that the respondent is not responsible for the alleged Prohibited Conduct until a determination is made at the conclusion of its grievance procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the grievance procedures within the timeframe specified below:

A. **Evaluation** – The District Compliance Officer will determine whether to dismiss a complaint or investigate it within ten (~~10~~) business ~~[INSERT AMOUNT]~~ days of receiving the complaint. **[DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the CO receiving notice of the complaint.]**

B. **Investigation** – The CO, or designated investigator/decisionmaker, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) and issue a Determination (i.e., consider the relevant and not otherwise impermissible evidence and decide whether Prohibited Conduct occurred) within twenty (20) business ~~[INSERT AMOUNT]~~ days of the CO determining the charges require investigation. **[DRAFTING NOTE: Recognizing that it is important for investigations to be completed and Determinations issued in a prompt and equitable manner, Neola recommends that a school district typically complete an investigation and issue a Determination within twenty (20) days.]**

[DRAFTING NOTE: If the investigator/decisionmaker is someone other than the CO, upon written request from the investigator/decisionmaker, the CO should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. If the CO is the investigator/decisionmaker: upon written request from the CO, the Superintendent should be permitted to approve a reasonable extension of time for the investigation to be completed and the Determination issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]

If, however, the CO, or designated investigator/decisionmaker, determines that the investigation is going to take longer, the CO will so notify the parties and the Superintendent ~~[END OF OPTION]~~ and will thereafter keep the parties and the Superintendent ~~[END OF OPTION]~~ informed of the status of the matter on a regular ~~[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]~~ basis.

C. **Appeal** – A party filing an appeal of the CO's decision to dismiss a complaint , or the Determination, ~~[END OF OPTION]~~ must do so within five (5) business ~~[INSERT AMOUNT]~~ days of receiving the Dismissal (~~-x~~) or Determination ~~[END OF OPTION]~~. **[DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section.]**

The CO, or the Superintendent if the CO is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses. These steps will not restrict the ability of the parties to present evidence or otherwise participate in the grievance procedures. ~~[END OF OPTION]~~ The parties shall not engage in retaliation, including against witnesses.

The CO, or designated investigator/decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking such evidence, are impermissible (i.e., will not be accessed or considered,

except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- A. evidence that is protected under a privilege recognized by Federal or State law, unless the person to whom the privilege or confidentiality is owed voluntarily waived the privilege or confidentiality; and
- B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless the District obtains that party's or witness's voluntary, written consent for use in its grievance procedures.

Notice of Allegations:

Upon initiation of the Board's grievance procedures, the District Compliance Officer shall notify the parties of the following:

- A. the Board's grievance procedures () and informal resolution process **[END OF OPTION]** associated with claims involving Prohibited Conduct; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**
- B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute Prohibited Conduct, and the date(s) and location(s) of the alleged incident(s); and
- C. retaliation is prohibited.

Should the CO decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the CO will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The CO may dismiss a complaint of Prohibited Conduct if:

- A. the District is unable to identify the respondent after taking reasonable steps to do so;
- B. the respondent is not participating in the District's education program or activity and is not employed by the Board;
- C. the complainant voluntarily withdraws any or all the allegations in the complaint, the CO declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute Prohibited Conduct even if proven; or
- D. the District determines the conduct alleged in the complaint, even if proven, would not constitute Prohibited Conduct. Before dismissing the complaint, the CO will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, the CO will promptly notify, in writing, the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, the CO will also simultaneously notify, in writing, the respondent of the dismissal and the basis for the dismissal.

The CO will further notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of the complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the CO will also notify the respondent that the dismissal may be appealed.

Dismissals may be appealed on the following bases:

- A. procedural irregularity that would change the outcome;
- B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- C. the CO had a conflict of interest or bias for or against complainants or respondents generally, or the individual complainant or respondent, that would change the outcome.

If the dismissal is appealed, the CO will:

- A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- B. implement appeal procedures equally for the parties;
- C. ensure that the appeal decisionmaker did not take part in the original dismissal of the complaint;
- D. ensure that the appeal decisionmaker has been trained consistent with this Policy () and AG 4122 **[END OF OPTION]**;
- E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and

F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the CO will, at a minimum:

- A. offer supportive measures to the complainant as appropriate;
- B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- C. take other prompt and effective steps, as appropriate, to ensure that Prohibited Conduct does not continue or recur within the District's education programs or activities.

[DRAFTING NOTE: Neola encourages the Board to select the following option so the CO can choose, in appropriate circumstances, to offer the parties the opportunity to participate in an informal resolution process, or to honor the parties' request to use an informal resolution process, to end the Prohibited Conduct, prevent its recurrence, and remedy its effects.]

[OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Informal Resolution Process:

In lieu of resolving a complaint through the Board's formal grievance procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer informal resolution to resolve a complaint when such a process would conflict with Federal, State, or local law.

[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of Prohibited Conduct by the respondent toward the complainant that are not included in the original Notice of Allegations or to consolidate charges raised in a different complaint involving the same respondent, the CO will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether Prohibited Conduct occurred.

The CO, or the designated investigator/decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The CO, or the designated investigator/decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible, regardless of relevance.

Determination of Whether Prohibited Conduct Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the CO or designated investigator/decisionmaker will:

- A. Use the preponderance of the evidence standard of proof to determine whether Prohibited Conduct occurred. This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that Prohibited Conduct occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that Prohibited Conduct occurred. **[DRAFTING NOTE: While a board of education could elect to use the "clear and convincing" evidence standard of proof, Neola does not recommend it. If a board does select the "clear and convincing" standard, it should use it in all other comparable proceedings. Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof.]**
- B. Notify the parties, in writing, of the determination whether Prohibited Conduct occurred, including the rationale for such determination (), and the procedures and permissible bases for the complainant and respondent to appeal **[END OF OPTION]**.
- C. Not impose discipline on a respondent for Prohibited Conduct unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in Prohibited Conduct.
- D. If there is a determination that Prohibited Conduct occurred, the CO will, as appropriate:

- 1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education programs or activities limited or denied by the Prohibited Conduct;

2. coordinate the imposition of any disciplinary sanctions on a respondent (), including notification to the complainant of any such disciplinary sanctions **[END OF OPTION]**; and

3. take other appropriate prompt and effective steps to ensure that the Prohibited Conduct does not continue or recur within the District's education programs or activities.

E. Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent.

F. Not discipline a party, witness, or others participating in the grievance procedures for making a false statement based solely on the determination of whether Prohibited Conduct occurred.

[DRAFTING NOTE: If the CO dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation), the complainant may appeal as set forth above. Neola also recommends the Board include an appeal process related to the Determination.]

[OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Appeal of Determinations:

If a party disagrees with the decisionmaker's determination as to whether Prohibited Conduct occurred, the party may file an appeal. Appeals must be submitted, in writing, within five (5) **business (INSERT AMOUNT)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

A. procedural irregularity that would change the outcome;

B. new evidence that would change the outcome and that was not reasonably available when the investigation occurred and the Determination was made; and

C. the CO, or the designated investigator/decisionmaker, had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome;

[DRAFTING NOTE: The Board may insert additional grounds on which an appeal may be filed.]

D. ~~() the recommended remedies (including disciplinary sanctions/consequences) are unreasonable in light of the findings of fact (i.e., the nature and severity of the Prohibited Conduct).~~

E. ~~() [OTHER] _____.~~

~~[] The complainant may not challenge the ultimate disciplinary sanction/consequence that is imposed. **[END OF OPTION]**~~

[DRAFTING NOTE: The following options are offered in case the Board wants the Superintendent to serve as the appeal decisionmaker or the Board wants to nominally be identified as the appeal decisionmaker but will be delegating the responsibility to a person who is properly trained. Neola does not recommend that the Board itself be named as the appeal decisionmaker because of the preference for the decisionmaker to be trained to render a decision. If the Board wants to serve as the appeal decisionmaker, it should discuss this issue with its Legal Counsel. Select OPTION 1 or OPTION 2 below.]

~~[] **[OPTION 1]**~~

~~The CO will designate an appeal decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (), as set forth in AG 4122 **[END OF INTERNAL OPTION]**.~~

~~The CO has authority (), in consultation with () and approval of **[END OF OPTION]** the Superintendent or () Board () Board President (as appropriate), **[END OF OPTIONS]** to secure an independent Third Party to serve as the appeal decisionmaker.~~

~~[] In designating an appeal decisionmaker, the CO will work with the Board to identify and appoint an independent Third Party to serve as the appeal decisionmaker— this individual shall be considered to be the Board's designee and will submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO who will send it simultaneously to the parties. **[END OF OPTIONAL SENTENCE]**~~

~~**[END OF OPTION 1]**~~

[OPTION 2]

The Superintendent shall serve as the appeal decisionmaker, provided the Superintendent has not been otherwise involved in the grievance procedures (i.e., did not serve as the investigator/decisionmaker or informal resolution process facilitator) and is appropriately trained. If the Superintendent is not eligible to serve as the appeal decisionmaker, the CO will designate an appeal

decisionmaker, who will be a person who did not conduct the Investigation and render the Determination, and is appropriately trained (), as set forth in AG 4122 [END OF INTERNAL OPTION].

[END OF OPTION 2]

[END OF OPTIONS]

If a party appeals the Determination, the CO will:

- A. notify the parties of the appeal;
- B. implement appeal procedures equally for the parties;
- C. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the Determination;
- D. provide the appeal decisionmaker with the relevant and not otherwise impermissible evidence and the Determination; and
- E. notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.

Parties Provided a Reasonable and Equal Opportunity to Make a Statement in Support of, or Challenging, the Dismissal () or Determination [END OF OPTION]

When a party files an appeal, the party must set forth the reason(s)/basis/bases for the appeal, and the other party will have five (5) business [INSERT AMOUNT] days to provide the appeal decisionmaker with a statement in support of their position. Once the decisionmaker receives the statement (or the deadline for filing such a statement expires), the appeal decisionmaker will have five (5) business [INSERT AMOUNT] days to issue a decision on the appeal.

[DRAFTING NOTE: Neola suggests any appeals should be filed within five (5) days of the parties receiving written notice of the Determination. Neola further suggests that the timeline for the other party submitting a statement be equivalent to the timeframe in which an appeal has to be filed. Finally, Neola suggests the appeal decisionmaker have ten (10) days from receipt of the statements to issue a decision.]

While a party appealing a Determination may argue the reason/basis for the appeal is that new evidence has been discovered/obtained that would change the outcome and that said new evidence was not reasonably available when the Determination was originally made, the party may not submit the new or additional evidence during the appeal process. Rather, the party appealing should identify/describe in detail the evidence, including how and when it was discovered/obtained, and explain why it was not reasonably available during the Investigation (i.e., prior to the Determination). If the appeal decisionmaker accepts the proffered explanation, the appeal decisionmaker should remand the case back to the investigator/decisionmaker (i.e., reopen the investigation) so the new evidence may be submitted and considered by the other party and the investigator/decisionmaker.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence and the written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the original Determination unless the appeal decisionmaker concludes the original Determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the original Determination.

The appeal decisionmaker shall

[DRAFTING NOTE: The Board must select either OPTION 1 or OPTION 2 unless the Board appointed an independent Third Party to serve as the Board's appeal decisionmaker, in which case the Board should select OPTION 3.]

() [OPTION 1]

simultaneously notify the parties, in writing, of the result of the appeal and the rationale for the outcome.

[END OF OPTION 1]

{OR}

() [OPTION 2]

~~notify the CO, in writing, of the result of the appeal and the rationale for the outcome. The CO will then simultaneously notify the parties, in writing, of the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

~~[END OF OPTION 2]~~

~~{OR}~~

~~()~~ [OPTION 3]

~~submit the appeal decision to the Board who will promptly adopt it as written and forward it to the CO, who will send it simultaneously to the parties. The appeal decision shall set forth the result of the appeal and the appeal decisionmaker's rationale for the outcome.~~

[END OF OPTION 3]

The appeal decisionmaker's ~~() Board's~~ [END OF OPTION] decision shall be final.

[END OF OPTIONAL LANGUAGE - APPEAL OF DETERMINATION]

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education programs or activities or provide support during the grievance procedures and/or during the informal resolution process. For allegations of Prohibited Conduct other than prohibited harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory/retaliatory conduct for the purpose of providing a supportive measure.

The CO shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the CO deems to be reasonably available. Supportive measures may include, but are not limited to: modifications of work schedules, mutual restrictions on contact between the parties; changes in work locations; leaves of absence; increased security and monitoring of certain work settings; training related to Prohibited Conduct; referral to Employee Assistance Program; [END OF OPTION] and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's grievance procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The CO may, as appropriate, modify or terminate supportive measures at the conclusion of the grievance procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education programs or activities, or as otherwise permitted under existing law and/or policy.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's grievance procedures.

Disciplinary Sanctions and Remedies:

Following a determination that Prohibited Conduct occurred, the District may impose disciplinary sanctions, which may include:

- A. oral or written warning;
- B. written reprimands;
- C. required counseling;
- D. required training or education;
- E. demotion;
- F. suspension with pay;

[END OF OPTIONS]

- G. suspension without pay;
- H. termination; and

I. any other sanction authorized by any applicable Board policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies, which may include disciplinary sanctions/consequences. The CO will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as a result of possible delays caused by the Board implementing the preceding grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging Prohibited Conduct or retaliation, or participates in an investigation, is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by the U.S. Constitution, the Michigan Constitution, Federal or State law, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve Prohibited Conduct but arises out of the same facts and circumstances as a complaint or information reported about possible Prohibited Conduct, for the purpose of interfering with the exercise of any right or privilege secured by Federal or State law constitutes retaliation. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance procedures set forth above. The District shall initiate its grievance procedures upon receiving any complaint alleging retaliation.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination that Prohibited Conduct occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. The District will keep confidential the identity of any individual who has made a complaint of Prohibited Conduct, any complainant, any individual who has been reported to be the perpetrator of Prohibited Conduct, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of relevant Federal or State law or regulations, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether Prohibited Conduct occurred). All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the respondent must be provided the complainant's identity.

During an investigation, the CO or designated investigator/decisionmaker will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to other members of the School District Community or Third Parties any information that is learned or provided during the course of the investigation.

Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against Prohibited Conduct by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter. In those cases where Prohibited Conduct is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

When the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution () and the principles of academic freedom as set forth in the applicable collective bargaining agreement **[END OF OPTION]**. In no case will a respondent be found to have committed Prohibited Conduct based on expressive conduct that is protected by the First Amendment () and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers **[END OF OPTION]**.

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the District Compliance Officer(s), and other persons who are responsible for implementing the Board's grievance procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under applicable Federal and State laws and this policy. The training shall be provided promptly upon hiring or a change of position that alters their duties under this policy, and annually thereafter. **[END OF OPTIONAL SENTENCE]** The training shall not rely on stereotypes involving Protected Classes.

~~Training materials will be made available for inspection upon request by members of the public. **[END OF OPTION]**~~

Recordkeeping (including retention of investigatory records and materials)

The District Compliance Officer(s) is/are responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy must retain all information, documents, electronically stored information, and electronic media (as defined in Policy 8315) created and received as part of an investigation. Records and materials associated with the implementation of this policy shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for the period set forth below, unless required to be maintained for a longer period pursuant to the District's records retention schedule.

[DRAFTING NOTE: For purposes of uniformity, Neola recommends that the Board use the same seven (7) year period for recordkeeping that is required by the 2020 Title IX regulations - see Board Policy 2266; if the Board selects a different timeframe for maintaining the below specified records, it should verify the time period selected is consistent with and/or reflected in its record retention schedule – see AG 8310.]

The District shall maintain for a period of seven (7) calendar years the following records:

- A. for each complaint of Prohibited Conduct, records documenting the informal resolution process and/or the grievance procedures followed and the resulting outcome;
- B. for each notification that the District Compliance Officer receives of information about conduct that reasonably may constitute Prohibited Conduct, records documenting the actions the District took to implement this policy; and
- C. all materials used to provide the training referenced above () and in AG 4122 **[END OF OPTION]**.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records, medical records).

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the District Compliance Officer, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual, and such delegation may be rescinded by the Superintendent at any time.

[DRAFTING NOTE: The following option expressly sets forth authority that the Board has, regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]

Discretion in Application

~~The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.~~

~~Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible that unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.~~

~~The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time and for any reason. 4123 - **SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT**

The Board of Education prohibits discrimination against any employee or applicant based upon **the employee's or applicant's** disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Complaint Procedures

If a person believes that **they have** ~~s/he~~ has been discriminated against on the basis of ~~his/her~~ disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e, a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render a his/her decision within ten (10) days of the hearing.
- E. The employee may be represented, at the employee's his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

Rescind Policy - Vol. 40, No. 1

4362 — ANTI-HARASSMENT

General Policy Statement

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information (collectively, Protected Classes) that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment) and encourages those within the School District community, as well as Third Parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

[] The District will offer counseling services to any person found to have been subjected to unlawful harassment, and, where appropriate, the person(s) who committed the unlawful harassment.

Other Violations of the Anti-Harassment Policy

The Board will also take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment, or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who has been alleged to have engaged in unlawful harassment, regardless of whether the Reporting Party files a formal complaint or is seeking an informal resolution to the alleged harassment.

School District community means students and Board employees (i.e., administrators and professional and support staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday—Friday, excluding State recognized holidays).

Bullying

Bullying rises to the level of unlawful harassment when one (1) or more persons systematically and chronically inflict physical hurt or psychological distress on one (1) or more students or employees and that bullying is based upon one (1) or more Protected Classes, that is, characteristics that are protected by Federal civil rights laws. It is defined as any unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational or work environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school or work performance or participation; and may involve:

- A. teasing;
- B. threats;
- C. intimidation;
- D. stalking;
- E. cyberstalking;
- F. cyberbullying;
- G. physical violence;
- H. theft;
- I. sexual, religious, or racial harassment;
- J. public humiliation; or
- K. destruction of property.

Harassment means any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against a student or school employee that:

- A. places a student or school employee in reasonable fear of harm to his/her person or damage to his/her property;
- B. has the effect of substantially interfering with a student's educational performance, opportunities, or benefits, or an employee's work performance; or
- C. has the effect of substantially disrupting the orderly operation of a school.

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, sexual harassment is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment, or status in a class, educational program, or activity.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include, but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations.
- B. Unwanted physical and/or sexual contact.
- C. Threats or insinuations that a person's employment, wages, academic grade, promotion, classroom work or assignments, academic status, participation in athletics or extra-curricular programs, activities, or events, or other conditions of employment or education may be adversely affected by not submitting to sexual advances.
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes, or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls.
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings, or literature placed in the work or educational environment that may reasonably embarrass or offend individuals.
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures.
- G. Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities.
- H. Speculations about a person's sexual activities or sexual history, or remarks about one's own sexual activities or sexual history.
- I. Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship.
- J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin.
- K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another.
- L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment.
- M. Inappropriate boundary invasions by a District employee or other adult member of the School District community into a student's personal space and personal life.
- N. Verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent such that it adversely affects, limits, or denies an individual's employment or education, or such that it creates a hostile or abusive employment or educational environment.

[DRAFTING NOTE: Sexual conduct/relationships with students by District employees or any other adult member of the School District community is prohibited, and any teacher, administrator, coach, or other school authority who engages in sexual conduct with a student may also be guilty of the criminal charge of sexual battery. The issue of consent is irrelevant in regard to such criminal charge and/or with respect to the application of this policy to District employees or other adult members of the School District community.]

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working, and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references relative to racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working and/or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment may further occur where conduct is directed at or pertains to a person's genetic information.

Anti-Harassment Compliance Officers

The following individual(s) shall serve as the District's Anti-Harassment Compliance Officer(s) (hereinafter, "the Compliance Officer(s)"):

[DRAFTING NOTE: Neola suggests the Board appoint both a male and a female Compliance Officer in order to provide Complainants with the option to report their concerns to an individual of the gender with which they feel most comfortable. The same individual(s) assigned to serve as Compliance Officer(s) may also be assigned to serve as the District's Section 504 Compliance Officer(s)/ADA Coordinator(s) and/or Title IX Coordinator(s). Additionally, by appointing two (2) Compliance Officers, there should also be a Compliance Officer available to investigate a claim of harassment that pertains to the other Compliance Officer.]

The Compliance Officer(s) is are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment.

The Compliance Officer(s) will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about unwelcome conduct, or to intercede informally on behalf of the individual in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

The Compliance Officers shall accept reports of unlawful harassment directly from any member of the School District community or a Third Party or receive reports that are initially filed with an administrator, supervisor, or other District level official. Upon receipt of a report of alleged harassment, the Compliance Officer(s) will contact the Complainant and begin either an informal or formal complaint process (depending on the request of the Complainant or the nature of the alleged harassment) or the Compliance Officer(s) will designate a specific individual to conduct such a process. The Compliance Officer(s) will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the Compliance Officer(s) will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All Board employees must report incidents of harassment that are reported to them to a Compliance Officer within two (2) days of learning of the incident.

Any Board employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a Compliance Officer within two (2) days. Additionally, any Board employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the Compliance Officer(s) or designee must contact the Complainant if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Reports and Complaints of Harassing Conduct

Members of the School District community, along with Third Parties, are encouraged to promptly report incidents of harassing conduct to an administrator, supervisor, or other School District official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any administrator, supervisor, or other District official who receives such a report shall file it with a Compliance Officer within two (2) days of receiving the report of harassment.

Members of the School District community and Third Parties who believe they have been unlawfully harassed by another member of the School District community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01—Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may have created a hostile work environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Principal will report the act of bullying, aggressive behavior, and/or harassment to the Compliance Officer(s) who shall investigate the allegation in accordance with this policy. If the alleged harassment involves Sexual Harassment as defined by Policy 2266, the matter will be handled in accordance with the grievance process and procedures outlined in Policy 2266. While the Compliance Officer investigates the allegation, or the matter is being addressed pursuant to Policy 2266, the Principal shall suspend the Policy 5517.01 investigation to await the Compliance Officer's written report or the determination of responsibility pursuant to Policy 2266. The Compliance Officer shall keep the Principal informed of the status of the Policy 4362 investigation and provide the Principal with a copy of the resulting written report. Likewise, the Title IX Coordinator will provide the Principal with the determination of responsibility that results from the Policy 2266 grievance process.

Investigation and Complaint Procedure (See Form 4362-F1)

Except for Sexual Harassment that is covered by Policy 2266—Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee or other member of the School District community or Third Party (e.g., visitor to the District) who believes that they have been subjected to unlawful harassment may seek resolution of the complaint through the procedures described below. The formal complaint process involves an investigation of the Complainant's claims of harassment or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education Office for Civil Rights and/or Equal Employment Opportunity Commission (EEOC).

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and to facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student, other member of the School District community, or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee, any other adult member of the School District community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the allegedly harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The Compliance Officers are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the alleged inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the Compliance Officer may advise against the use of the informal complaint process.

A complainant may make an informal complaint, either orally or in writing: 1) to a teacher, other employee, or building administrator; 2) directly to one (1) of the Compliance Officers; and/or 3) to the Superintendent or other District level employee.

All informal complaints must be reported to one (1) of the Compliance Officers, who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Board's informal complaint procedure is designed to provide employees, other members of the School District community, or third parties who believe they are being unlawfully harassed with a range of options designed to bring about a resolution of their concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve, but not be limited to, one (1) or more of the following:

- A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.
- B. Distributing a copy of this policy as a reminder to the individuals in the school building or office where the Respondent works or attends.
- C. If both parties agree, the Compliance Officer may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the Compliance Officer/designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, or the Complainant, from the outset, elects to file a formal complaint, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, Compliance Officer, the Superintendent, or other District official. Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs while the facts are known and potential witnesses are available. If a Complainant informs a teacher, Principal, Superintendent, or other District official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to a Compliance Officer/designee within two (2) business days.

Throughout the course of the process, the Compliance Officer should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the Compliance Officer shall ask for such details in an oral interview. Thereafter, the Compliance Officer will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the Compliance Officer will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the Compliance Officer should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the Compliance Officer may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the Compliance Officer/designee will initiate a formal investigation to determine whether the Complainant has been subjected to offensive conduct/harassment/retaliation. The Principal will not conduct an investigation unless directed to do so by the Compliance Officer.

Simultaneously, the Compliance Officer will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including the Board's Anti-Harassment policy. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the Compliance Officer/designee will attempt to complete an investigation into the allegations of harassment/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the Compliance Officer/designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment/retaliation of the Complainant. The Compliance Officer's recommendations must be based upon the totality of the circumstances. In determining if discriminatory harassment or retaliation occurred, a preponderance of evidence standard will be used. The Compliance Officer may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent must either issue a final decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a written decision as described above.

The decision of the Superintendent shall be final.

{OR}

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representative within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each party within ten (10) business days of this meeting. The decision of the Board will be final.

{END OF OPTIONS}

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment/retaliation regardless of whether the member of the School District community or Third Party alleging the unlawful harassment/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

~~[] The parties may be represented, at their own cost, at any of the above described meetings/hearings.~~

~~The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.~~

Privacy/Confidentiality

~~The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided with the Complainant's identity.~~

~~During the course of a formal investigation, the Compliance Officer/designee will instruct all members of the School District community and Third Parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.~~

Sanctions and Monitoring

~~The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further such harassment. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).~~

~~Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.~~

Retaliation

~~Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report or formal complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or the policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.~~

~~Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.~~

~~Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.~~

~~The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.~~

Allegations Constituting Criminal Conduct: Child Abuse/Sexual Misconduct

~~State law requires any school teacher or school employee who knows or suspects that a child under the age of eighteen (18) or that a person with a disability receiving services as a student from the school regardless of age has suffered or faces a threat of suffering a physical or mental wound, disability or condition of a nature that reasonably indicates abuse or neglect of a child to immediately report that knowledge or suspicion to the county children's services agency. If, during the course of a harassment investigation, the Compliance Officer or a designee has reason to believe or suspect that the alleged conduct reasonably indicates abuse or neglect of the Complainant, a report of such knowledge must be made in accordance with State law and Board Policy.~~

~~Any reports made to a county children's services agency or to local law enforcement shall not terminate the Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.~~

Education and Training

In support of this Anti Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and harassment in general, will be age and content appropriate.

Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing the retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation which may include, but not be limited to:

Status	
Adopted	September 13, 2012

3123 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The Board of Education prohibits discrimination against any employee or applicant based upon the employee's or applicant's/his/her disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

"An individual with a disability" means a person who has, had a record of, or is regarded as having, a physical or mental impairment that substantially limits one (1) or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

A qualified person with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position such individual holds or desires and, with or without reasonable accommodation, can perform the essential functions of the job in question.

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the District's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the District's 504 Compliance Officer(s)/ADA Coordinator(s) (hereinafter referred to as the "District Compliance Officer(s)").

The names, titles, and contact information of these individuals will be published annually on the School District's web site.

The District Compliance Officer(s) are responsible for coordinating the District's efforts to comply with and fulfill its responsibilities under Section 504 and Title II of the Americans with Disabilities Act, as amended ("ADA"). A copy of Section 504 and the ADA, including copies of their implementing regulations, may be obtained from the District Compliance Officer(s).

The District Compliance Officer(s) will oversee the investigation of any complaints of discrimination based on disability, which may be filed pursuant to the Board's adopted internal complaint procedure, and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Training

The District Compliance Officer(s) will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Section 504 and the ADA, and are informed of the Board's policies, administrative guidelines and practices with respect to fully implementing and complying with the requirements of Section 504/ADA.

The Board will provide in-service training and consultation to staff responsible for the education of persons with disabilities, as necessary and appropriate.

Facilities

No qualified person with a disability will, because the District's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies.

For facilities constructed or altered after June 3, 1977, the District will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the District is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Notice

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the District's Compliance Officer(s) will be published on the District's website and posted throughout the District, and included the District's recruitment statements or general information publications.

Complaint Procedures

If a person believes that **they have s/he** has been discriminated against on the basis of **his/her** disability, the person may utilize the following complaint procedures as a means of reaching, at the lowest possible administrative level, a prompt and equitable resolution of the matter.

In accordance with Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation or misapplication of Section 504. In addition, employees will be notified of their right to file a complaint with the U.S. Department of Education's Office for Civil Rights.

Internal complaints must be put in writing and must identify the specific circumstances or areas of dispute that have given rise to the complaint, and offer possible solutions to the dispute. The complaint must be filed with a District Compliance Officer within the time limits specified below. The District's Compliance Officer is available to assist individuals in filing a complaint.

Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Board office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).

Internal Complaint Procedure

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination based upon disability. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the U.S. Department of Education's Office for Civil Rights.

- A. An employee with a complaint based on alleged discrimination on the basis of disability may first discuss the problem with the District Compliance Officer.
- B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the District Compliance Officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the District Compliance Officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) days of the circumstances or event giving rise to the complaint, unless the time for filing is extended by the District Compliance Officer for good cause.
- C. The District Compliance Officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The District Compliance Officer will provide the complainant with a written disposition of the complaint within ten (10) days. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent. The District Compliance Officer shall maintain the District's files and records relating to the complaint.
- D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

The Superintendent will render a his/her decision with ten (10) days of the hearing.
- E. The employee may be represented, at the employee's his/her own cost, at any of the above-described meetings/hearings.
- F. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights or the filing of a court case. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the Complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

OCR Complaint

At any time, if an employee believes that they have s/he has been subjected to discrimination based upon his/her disability in violation of Section 504 or the ADA, the individual may file a complaint with the U.S. Department of Education's Office for Civil Rights ("OCR"). Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because

that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

The Board of Education believes that the consideration of ~~controversial~~ **contentious** issues has a legitimate place in the instructional program of the schools.

Properly introduced and conducted, the consideration of such issues can help students learn to identify important issues, explore fully and fairly all sides of an issue, weigh carefully the values and factors involved, and develop techniques for formulating and evaluating positions. In the discussion of any issue, a teacher may express a personal opinion, but shall identify it as such, and must not express such an opinion for the purpose of persuading students to ~~his/her~~ **their** point of view.

For purposes of this policy, a ~~controversial~~ **contentious** issue is a topic on which opposing points of view have been promulgated by responsible opinion and likely to arouse both support and opposition in the community.

The Board will permit the introduction and proper educational use of ~~controversial~~ **contentious** issues provided that their use in the instructional program:

- A. is related to the instructional goals of the course of study and level of maturity of the students;
- B. ~~does not tend to indoctrinate or persuade students to a particular point of view;~~
- C. **B.** encourages open-mindedness and is conducted in a spirit of scholarly inquiry.

When ~~controversial~~ **contentious** issues have not been specified in the course of study, the Board will permit the instructional use of only those issues which have been approved by the Principal or Superintendent.

The Board recognizes that a course of study or certain instructional materials may contain content or activities that some parents find objectionable. If after careful, personal review of the program lessons and materials, a parent indicates to the school that either content or activities conflicts with ~~his/her~~ **their** religious beliefs or value system, the school may honor a written request for ~~his/her~~ **their** child to be excused from particular classes for specified reasons. The student may be required to substitute the missing lessons or classes with alternative learning activities. The student must fulfill graduation requirements in order to graduate from Royal Oak High School.

Revised Policy - Vol. 40, No. 1

4162 - CONTROLLED SUBSTANCE AND ALCOHOL POLICY FOR COMMERCIAL MOTOR VEHICLE ("CMV") DRIVERS AND OTHER EMPLOYEES WHO PERFORM SAFETY-SENSITIVE FUNCTIONS

Purpose

The Board of Education believes that the safety of students while being transported to and from school or school activities is of utmost importance and is the primary responsibility of the driver of the school vehicle. To fulfill such a responsibility, each driver, as well as others who perform safety-sensitive functions with District vehicles (collectively "Covered Employees"), must be mentally and physically alert at all times while on duty.

To that end, the Board has established this policy, which includes an alcohol and controlled substances testing program. The Board also expects all Covered Employees to comply with Board Policy 4122.01 on Drug-Free Workplace, which prohibits the possession, use, sale, or distribution of alcohol and any controlled substance on school property at all times.

Further, the Board concurs with the Federal requirement that all Covered Employees should be free of any influence of alcohol or controlled substance while on duty. Therefore, participation in the alcohol and controlled substances testing program is a condition of employment for all Covered Employees.

Definitions

For purposes of this policy and the guidelines associated with the policy, the following definitions shall apply.

- A. The term *alcohol* means the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohols, including methyl or isopropyl alcohol.
- B. The term *illegal drug* means drugs and controlled substances, the possession or use of which is unlawful, pursuant to Federal, State, and/or local laws and regulations.
- C. The term *controlled substance* includes any illegal drug and any drug that is being used illegally, such as a prescription drug that was not legally obtained or not used for its intended purposes or in its prescribed quantity. The term does not include any legally-obtained prescription drug used for its intended purpose in its prescribed quantity unless such use would impair the individual's ability to safely perform safety-sensitive functions.
- D. The term *controlled substance abuse* includes excessive use of alcohol as well as prescribed drugs not being used for prescribed purposes, in a prescribed manner, or in the prescribed quantity.
- E. The term *safety-sensitive functions* includes all tasks associated with the operation and maintenance of District-owned and/or operated vehicles. This term further includes any period in which an individual is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.
- F. The term *Covered Employee* means all commercial driver license ("CDL") holders and regular and substitute bus drivers, as well as other staff who operate, inspect, service, and condition a commercial motor vehicle ("CMV") while on duty, regardless of whether they are required to hold a CDL.

~~() This policy also covers other staff members who drive students in or inspect, service, and condition non-CMV District vehicles.~~

G. The term *while on duty* means all time from the time the Covered Employee begins to work or is required to be in readiness for work until the time the Covered Employee is relieved from work and all responsibility for performing work.

Procedures

The Superintendent shall establish a drug and alcohol testing program whereby each Covered Employee is tested for the presence of alcohol in their system as well as for the presence of the following controlled substances:

- A. Marijuana
- B. Cocaine
- C. Opioid
- D. Amphetamines
- E. Phencyclidine (PCP)

The alcohol and controlled substances tests are to be conducted in accordance with Federal and State regulations a.) prior to employment (**Controlled Substances Only**), b.) reasonable suspicion, c.) upon return to duty after any alcohol or drug rehabilitation,

[OPTION 1]

d.) post-accident 1) resulting in human death, 2) where the driver is issued a citation and the accident results in an injury that requires immediate medical attention away from the scene, or 3) where there is disability damage to any motor vehicle that requires towing,

[END OF OPTION 1]

~~[] [OPTION 2]~~

~~d.) post-accident,~~

~~[END OF OPTION 2]~~

[DRAFTING NOTE: must select one (1) option. OPTION 1 mirrors the DOT regulations; OPTION 2 provides a more affirmative approach to drivers who are primarily involved with transporting children.]

[END OF OPTIONS]

e.) on a random basis, and f.) on a follow-up basis.

Candidates shall also be tested for the presence of alcohol in their system prior to employment. **[END OF OPTION]**

The Superintendent shall require that the District query the FMCSA's Drug and Alcohol Clearinghouse for current and prospective CDL drivers' drug and alcohol violations before allowing a driver to operate a District-owned and/or operated vehicle, consistent with Federal regulations, including consent requirements.

Any staff member who tests positive as defined in the guidelines shall be immediately prohibited from driving any District-owned and/or operated vehicle or conducting a safety-sensitive function:

- A. and evaluated by a substance abuse professional;
- B. and provided information regarding drug/alcohol counseling, or referred to the District's Employee Assistance Program;
- C. and subject to discipline, up to and including discharge, in accordance with District guidelines and the terms of any applicable collective bargaining agreements.

No staff member who has tested positive for alcohol or a controlled substance may be returned to a safety-sensitive position without having been evaluated by a qualified substance abuse professional ("SAP"), completing any required treatment program, and passing a retest. Return to a safety-sensitive position is solely at the District's discretion, and the employee may be required to participate in ongoing services if recommended by the SAP. Any staff member who has tested positive for alcohol or a controlled substance will be provided with a list of SAPs available and acceptable to the District.

Furthermore, if during any test the lab determines that an adulterant has been added to the specimen, then

(x) the test will be considered positive and the employee shall be prohibited from performing any safety-sensitive functions and be referred to the District's Employee Assistance Program.

~~() the employee will be re-tested with an observed collection to prevent the addition of an adulterant to the specimen. [END OF OPTIONS]~~

Any staff member who refuses to submit to a test shall immediately be prohibited from performing or continuing to perform his/her safety-sensitive functions (e.g., driving any Board-owned vehicle).

Prior to the beginning of the testing program, the District shall provide a drug-free awareness program which will inform Covered Employees and their supervisors about:

- A. the dangers of illegal drug use and controlled substance and alcohol abuse;
- B. indicators of probable alcohol misuse and controlled substance abuse;
- C. Board Policy 4122.01 - Drug-Free Workplace, Policy 4161 - Unrequested Leaves of Absence/Fitness for Duty, Policy 4170 - Substance Abuse, and Policy 4170.01 - Employee Assistance Program;
- D. the sanctions that may be imposed for violations of Policy 4122.01.

All time spent undergoing an alcohol or controlled substance test, including travel time, will be paid at the staff member's regular rate of pay or overtime rate, if applicable. Any staff member who is not allowed to return to work while awaiting test results will be compensated during the waiting period for all work time lost, including overtime, if applicable. The Board shall pay all costs associated with the administration of alcohol and controlled substance tests. This includes testing of the "split specimen" at a Federally certified laboratory if so requested by a staff member. Requests for a "split specimen" must be made within seventy-two (72) hours of receipt of the notification of a positive drug test. The Board will not pay for the employee's time while not on duty if the split specimen test results are positive.

Alcohol and drug test results shall be protected as confidential medical records as appropriate under Federal law (i.e. test results shall be provided on a right-to-know basis - the employee, the employer, and the substance abuse professional - and the results shall not be presented until analyzed by a Medical Review Officer).

A tested individual, upon written request, will be promptly provided copies of any records relating to the individual's use of drugs and alcohol, including any records pertaining to the individual's drug and alcohol tests. A tested individual must provide specific written consent before the individual's test result can be provided to any other person except as required by law.

All tests shall be conducted in accordance with Federal testing guidelines and be performed by a laboratory that is Federally certified.

The alcohol and drug testing program shall be under the direction of the Superintendent.

The Superintendent shall arrange for periodic retraining of supervisors and staff members as necessary. The Superintendent shall provide a copy of this policy and testing guidelines to all Covered Employees and will include available resources to assist employees with problems related to the use of alcohol and controlled substances.

The Superintendent shall submit, for Board approval, a contract with a certified laboratory to provide the following services:

- A. testing of all first and second test urine samples
- B. clear and consistent communication with the District's Medical Review Officer ("MRO")
- C. methodology and procedures for conducting random tests for controlled substances and alcohol
- D. preparation and submission of all required reports to the District, the MRO, and to Federal and State governments

The Superintendent shall also select the agency or persons who will conduct the alcohol breathalyzer tests, the District's MRO, and the drug collection site(s) in accordance with the requirements of the law.

Notification

A tested candidate shall be notified of the results of a pre-employment controlled substances test conducted under this part if the driver requests such results within sixty (60) calendar days of being notified of the disposition of the employment application.

A tested individual shall be notified of the results of random, reasonable suspicion, and post-accident tests for controlled substances conducted under this policy if the test results are verified positive. The tested individual shall also be informed which controlled substance or substances were verified as positive.

The Superintendent shall make reasonable efforts to contact and request each driver who submitted a specimen under the employer's program, regardless of the driver's employment status, to contact and discuss the results of the controlled substances test with a medical review officer who has been unable to contact the driver.

The Superintendent shall immediately notify the medical review officer that the driver has been notified to contact the medical review officer within seventy-two (72) hours.

Individuals holding a CDL license must notify all current employers of any DOT violations (such as testing positive for the presence of alcohol or a controlled substance in violation of this policy). The notification must be made 1) by the end of the business day following the day the individual first receives notice of the violation or 2) prior to performing any safety-sensitive function, whichever comes first. Individuals are not required to notify the employer that administered the test or that documented the circumstances giving rise to the violation.

In the event that an individual is selected for testing, the Superintendent will inform the individual that the test is required by applicable law.

Reporting Test Results

The Superintendent shall report all information required by Federal regulations to the Clearinghouse in a timely manner. The Superintendent shall prepare and maintain a summary of the results of its alcohol and controlled substances testing programs performed under this policy during the previous calendar year when requested by the Secretary of Transportation, any DOT agency, or any State or local officials with regulatory authority over the employer or any of its drivers. Such summaries shall be submitted in a manner and timeline as required by law.

Educational Materials Related to Certain Federal Regulations, Board Policies, and Procedures

CDL License Holders and other employees who perform safety-sensitive functions will be provided educational materials at the time of hire or at any time when required to operate a school vehicle. The educational materials shall explain the requirements of applicable Federal regulations and the Board's policies and the District's procedures with respect to meeting these Federal regulations. The Board designates ~~the~~ **Durham School Services** _____ as the individual responsible for providing educational materials to CDL License Holders and other employees who perform safety-sensitive functions. The educational materials will include, at a minimum, the following:

- A. the contact information for ~~the~~ **Durham School Services** _____, who is the individual designated by the Board to answer questions about the educational materials;
- B. a statement that all CDL License Holders and other employees who perform safety-sensitive functions are subject to Federal law addressing the misuse of alcohol and other controlled substances;
- C. information sufficient to make clear to employees the period of the work day during which they are required to comply with the regulations;
- D. information concerning prohibited conduct;
- E. the circumstances under which employees are subject to testing for alcohol and/or controlled substances;
- F. the procedures for testing for the presence of alcohol and controlled substances in order to protect the employee and the integrity of the testing process, safeguard the validity of the test results, and confirm the results are attributed to the correct employee, including post-accident information, procedures, and instructions required under Federal regulations;
- G. the requirement that staff members must submit to alcohol and controlled substance testing as required by the regulations;
- H. an explanation of what constitutes a refusal to be tested for alcohol or controlled substances and the attendant consequences;
- I. the consequences of testing positive, including the requirements of immediate removal from safety-sensitive functions, and the procedures regarding referral, evaluation, and treatment;
- J. the consequences for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04;
- K. information concerning the effects of alcohol and controlled substances use on an individual's health, work, and personal life; signs and symptoms of an alcohol and/or controlled substances problem (the employee's or a co-worker's); and available methods of intervening when controlled substances and/or alcohol problem is suspected (including confrontation and how to refer someone to an Employee Assistance Program or to management);
- L. information regarding the requirement that certain personal information collected and maintained under Federal law be reported to the Commercial Driver's License Drug and Alcohol Clearinghouse; and
- M. information indicating that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance, including alcohol, is prohibited on all School Board property and at school-sponsored activities. Individuals are strictly

prohibited from reporting to work or being on duty while under the influence of alcohol or a controlled substance.

These materials are to be distributed to each staff member upon being hired or transferred into a covered position thereafter. Each staff member must sign a statement certifying receipt of these materials. A staff member who refuses to sign the requisite statement shall be prohibited from performing any safety-sensitive functions. Each employee (and the labor organization representing Board employees) shall receive written notice of the availability of this information, and the identity of the Board's designated representative in charge of answering employee questions about the materials.

Return-to-Duty (Safety-Sensitive Positions)

Employees who are removed from performing safety-sensitive functions as a result of this policy must complete the Return-to-Duty ("RTD") process as required by the U.S. Department of Transportation ("DOT") regulations and their Federal Motor Carrier Safety Act ("FMCSA") Drug and Alcohol Clearinghouse status must be changed from "prohibited" to "not prohibited" before resuming safety-sensitive duties. The RTD process requires an evaluation by a qualified Substance Abuse Professional ("SAP"), successful compliance with the SAP's prescribed education and/or treatment program, and a follow-up evaluation by the SAP determining that the employee has complied with the program. The employee must then complete a DOT return-to-duty test and obtain a verified negative drug test result and/or an alcohol test result of less than 0.02 before being permitted to return to the performance of safety-sensitive functions.

In addition, employees must comply with the SAP's written follow-up testing plan, which will be administered by the District in accordance with DOT regulations. An employee who fails to comply with the follow-up testing plan will not be permitted to perform safety-sensitive duties.

Subject to any collective bargaining agreement or other legal requirements, employees who are otherwise eligible to resume safety-sensitive functions may not do so without the Superintendent's approval.

Employees who are removed from performing safety sensitive functions as a result of this policy must take and pass a return to duty test before returning to performing safety sensitive functions. The return to duty test will not occur until after a Substance Abuse Professional (SAP) has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety sensitive duties. The employee will not be permitted to perform safety sensitive functions until the start of the employee's next regularly scheduled duty period, but not less than twenty four (24) hours following administration of the return to duty test.

Employees must also comply with the SAP's written follow up testing plan, which will be administered by the District, or they will not be permitted to perform safety sensitive duties.

Subject to any collective bargaining agreement or other legal requirements, employees who are eligible to return to performing safety sensitive functions may not do so without the approval of the Superintendent.

2340 - **FIELD AND OTHER DISTRICT-SPONSORED TRIPS**

The Board of Education recognizes the value of organized trips or other excursions away from the classroom as a valuable part of the District's educational programming and a valuable opportunity to obtain additional educational experiences not offered directly in the curriculum offerings. These opportunities occur in four (4) primary forms addressed in this policy: (a) field trips; (b) extra-curricular/co-curricular program-related trips; (c) overnight trips; and (d) other District-sponsored trips.

Field Trips

For purposes of this policy, a field trip shall be defined as any planned journey by one (1) or more students away from District premises, which is under the supervision of a professional staff member, approved by the Superintendent **or designee** and furthers or supplements an integral part of a course of study as planned for and incorporated into that course of study by the teacher.

The Board shall approve those field trips that are planned to keep students out of the State.

Properly planned and executed field trips should cultivate new interests among students, help students relate school experience to the reality of the world outside of school, bring the resources of the community within the students' learning experience, and afford students the opportunity to study real things and processes in their actual environment.

Extra-Curricular/Co-Curricular Trips

The Board recognizes that student trips will occur for reasons that are not directly incorporated into the curriculum as part of a class, but rather are part of the extra-curricular/co-curricular activities offered by the District. For example, a District athletic team may travel to away games or take a trip to an out-of-town tournament. Any such trips must be identified at the beginning of the activity for the school year or for the particular season. Extra-curricular or co-curricular trips shall be approved by the Administration Athletic Director in accordance with the same procedures used for approving field trips. In cases where such advance notice is not possible (such as travel to a State tournament competition), the staff member responsible for such activity shall notify the Athletic Director, Principal Superintendent of the activity, and provide pertinent information.

Extra-curricular trips that extend to an overnight stay are considered overnight travel, other than MHSAA athletic teams participating in State tournaments/meets.

Overnight Travel

Overnight travel is defined as a field trip that involves one (1) or more overnight stays. The District views overnight travel outside of the District related to the curriculum/program as an adjunct to that curriculum/program. As such, it is an important feature of the overall educational program. The District recognizes the importance of overnight travel outside of the District to amplify and enhance studies that occur in the schools' classrooms through unique enrichment opportunities that are not available locally. Overnight travel shall first be approved by the Principal Superintendent in accordance with the District's overnight travel guidelines.

International field trips present special considerations that need to be taken into account when planning these activities. The Board must approve these trips to be considered District-sponsored trips. The Board will only approve international field trips that are affiliated with a sponsoring or commercial organization that specializes in international travel and that is responsible for establishing

the cost of such programs and for collecting payment directly from participating students or their parents.

Approval of international travel shall also take into account travel warnings for Americans to avoid travel to specified countries. These warnings are issued by the United States Department of State based on current conditions around the world and are updated as deemed necessary.

Other District-Sponsored Trips

Other District-sponsored trips shall be defined as any planned, student-travel activity which is approved as part of the District's total educational program, but not a part of a particular course and not expressly connected to an established extra-curricular/co-curricular activity. These trips may include such trips as summer trip programs, youth service trips, and other types of day trips that are organized by or through school staff or facilitated in some fashion through the District.

Trip Approval Process

No staff member may offer or lead any trip as a District-sponsored trip unless the trip has been approved in the manner prescribed in this policy.

Proposals shall include the details of the trip, the cost of the trip, identify any third-party entities that will be involved in the trip, identify the curriculum-based purpose of the trip, identify what students will be eligible to participate, and any other pertinent information. If overnight, the proposal must describe how accommodations will be provided and how such arrangements will be properly supervised.

The Board shall approve those field trips that are planned to keep students out of the State.

General Trip Provisions

Students on all District-sponsored trips remain under the supervision of this Board and are subject to the District's administrative guidelines.

The Board does not endorse, support, or assume liability in any way for any staff member, volunteer, or parent of the District who takes students on trips not approved by the Board, ~~or Superintendent,~~ or designee. No staff member may solicit students of this District for such trips within the facilities or on the school grounds of the District without permission from the Superintendent or designee. Permission to solicit neither grants nor implies approval of the trip.

The Superintendent shall prepare administrative guidelines for the operation of both field and other District-sponsored trips, including athletic trips, which shall ensure:

- A. the safety and well-being of students;
- B. parental permission is sought and obtained before any student leaves the District on a trip;
- C. each trip is properly planned, and if a field trip, is integrated with the curriculum, evaluated, and followed up by appropriate activities which enhance its usefulness;
- D. the effectiveness of field trip activities is judged in terms of demonstrated learning outcomes;
- E. each trip is properly monitored (see administrative guideline for specific ratios);
- F. student behavior while on all field trips complies with the Student Code of Conduct, and on all other trips complies with an approved code of conduct for the trip;
- G. the staff member in charge shall have access to each student's Emergency Medical Authorization Form;
- H. provisions have been made for the administration of medication to those students for whom medications are administered routinely while at school;
- I. provisions have been made at the trip destination and in transportation, if and when required to accommodate students and/or chaperones with disabilities;

A professional staff member shall not change a planned itinerary while the trip is in progress, except where the health, safety, or welfare of the students in the staff member's charge is imperiled or where changes or substitutions beyond the staff member's control have frustrated the purpose of the trip.

In any instance in which the itinerary of a trip is altered, the professional staff member in charge shall notify the administrative superior immediately.

Trips Not Sponsored by the District

No staff member, volunteer, coach, or other individual acting in some capacity for the District may solicit students of this District to participate in any trip not sponsored by the District unless that staff member has received approval from the Principal Superintendent to promote such trips within the facilities or on the school grounds. This includes summer trips abroad or other trips offered through a third-party organizer in which a staff member, volunteer, coach, or other individual acting in some capacity for the District is participating, as well as athletic activities outside the District's athletic program.

If approval is granted to solicit students to participate, that individual must clearly communicate to parents that the trip is not District-sponsored and that the individual is not participating within the staff member's role representing the District. Coordination and/or participation in such a program shall be consistent with Policy 3210 - Staff Ethics/Policy 4210 - Support Staff Ethics.

Transportation for Field and Other District-Sponsored Trips

Regular or special-purpose school vehicles will be used for transportation on field and other District-sponsored trips.

The transportation for all field and other District-sponsored trips is to be by vehicles owned or approved by the District and driven by approved drivers. Exceptions must have the approval of the Superintendent.

Transportation may be limited by the availability of vehicles, drivers, and scheduling, and will not be available when needed for general school purposes.

All students are expected to ride the approved vehicle to and from each activity. A special request must be made to the staff member or sponsor by the parent, in writing or in person, to allow an exception.

District students not affiliated with the trip activity, nondistrict students, and/or children of preschool age shall not be permitted to ride on the trip vehicle without the approval of the Principal.

No student is allowed to drive on any trip. An exception may be made by the Principal on an individual basis, provided the student has written parental permission and does not transport any other student.

The Superintendent shall prepare administrative guidelines to ensure that all transportation is in compliance with Board policy on the use of District vehicles and/or private vehicles.

MEMORANDUM

To: Dr. John Tafelski

From: Stephen Melchor

Date: April 2, 2026

Re: Firewall Replacement

Royal Oak Schools current firewall has reached its end of life and support and is scheduled for replacement. A firewall is an essential network security device that protects systems by blocking malicious traffic, preventing unauthorized access, and managing network resources. Upgrading to the latest version ensures improved security features, better performance, and compliance with current standards.

Oakland Schools issued two Requests for Proposals for Firewall hardware and licensing on behalf of the 15 supported Technology Field Service Districts. Royal Oak Schools can procure the new Firewall through this bid which ensures product consistency, ease of appliance management and increased savings. The bids were analyzed by The OS Network Security Operations Team. After a thorough bid review, the Firewall replacement has been awarded to Delta Network Services, LLC as they are the lowest responsive and responsible bidder that met specifications.

Through the Federal E-rate program, Royal Oak Schools is eligible for a 50% reimbursement on the firewall hardware from Delta Network Services, \$67,533.00. The licensing cost of \$9,565.26 will be billed separately via Oakland Schools. The total project cost for the firewall replacement is \$77,098.26.

REQUEST FOR PROPOSAL

FOR

ENGINEERED MULCH FOR PLAYGROUNDS, PARKS, AND
OTHER RECREATIONAL AREAS

BID SUMMARY

Commodity/Service Being Requested: Engineered Mulch for Playgrounds, Parks, and Other Recreational Areas

Type of Solicitation: Request for Qualifications (RFQu) - Huron Valley Schools, in partnership with the Michigan Association of Counties (MAC) bid program, is implementing an Engineered Mulching procurement program statewide throughout Michigan. School districts and other public entities across the state have been requesting a contract vehicle be put in place that makes the purchase of engineered mulch for playgrounds, parks, and other recreational areas affordable and easy to order.

Through this process, it is the goal of Huron Valley Schools to competitively pre-qualify and establish a list of contractors that will provide engineered mulch for playgrounds, parks, and other recreational areas for the next three to five years. The resulting contract(s) will enable public municipalities, non-profit organizations, and school districts to “piggyback” and purchase on an as-needed basis from the awarded pool of contractors. Huron Valley Schools intends to reopen the Request for Qualifications (RFQu) process on a as needed basis to consider new RFQu responses, and potentially supplement the list of prequalified contractors. The list of entities that will be using this bid will continue to grow statewide. **Please be sure in your proposal to list the areas of the state where you provide services (Refer to Appendix A).** Huron Valley Schools as part of this process is requesting a pricing plan to purchase engineered mulch for playgrounds, parks, and other recreational areas.

Type of Resulting Contract: Statewide Cooperative Contract - As a result of this RFQu, Huron Valley Schools will work with the Michigan Association of Counties to market and extend the resulting contract to other government municipalities and school districts statewide.

Resulting Contract Term: Three (3) years with two (2) one-year renewal options.

Superior Groundcover Inc. has been supplying and installing EWF playground mulch and landscape mulch for municipalities, schools, park systems, daycare centers, churches and others for 25 years. With our fleet of 29 blower trucks, we are able to process and complete orders in a very timely manner and provide unparalleled service to our clients. A district the size of Huron Valley Schools can be completed in 1 day, provided we are permitted to stage the material at a central location in the district. We have capacity to install thousands of cubic yards in a day. If staging is not an option, we are still able to install in a timely manner running from our yards due to the size of our fleet.

1.2 Product and Service Categories

Huron Valley Schools, in partnership with the MAC Cooperative, is seeking a distributor/operator/manufacturer that has the depth, breadth, and quality of resources necessary to install engineered wood fiber mulch and other types of engineered mulch intended for playgrounds, parks, and other recreational areas at various locations. The provider must demonstrate a level of expertise, technical knowledge, innovation, and overall capacity to provide engineered mulching services. The provider needs to be capable of delivering a comprehensive range of high-quality products and services to meet the diverse needs of our educational institutions and other partner entities across Michigan. Huron Valley Schools is also interested in

the introduction of products that will offer Huron Valley Schools/MAC Cooperative members a wide range of solutions. The district is looking for a dynamic supplier partner that will adapt with the changing needs of our ordering entities to assist them in finding new products and savings.

Scope of Services:

- **Depth, Breadth, and Quality:** HVS/MAC Cooperative is looking for provider(s) with the capacity to offer a wide array of engineered wood fiber mulch and other types of engineered mulch ensuring that our schools and partner entities have access to the resources they need to maintain and service their playgrounds and other areas requiring engineered mulch.
- **Innovative Solutions:** HVS/MAC Cooperative is interested in suppliers who can introduce new products and solutions that enhance efficiency, safety, and cost-effectiveness for its cooperative members.
- **Dynamic Partnership:** HVS/MAC Cooperative is seeking supplier partners(s) who can adapt to evolving needs and collaborate closely with our districts and ordering entities to identify opportunities for product innovation and cost savings.

Our Cooperative Partners: Our partner entities include school districts, counties, townships, cities, and non-profit organizations throughout Michigan. They require engineered mulch for playgrounds, parks, and other recreational areas.

Pricing Model: Vendors are requested to provide pricing based on a percentage off catalog pricing. This percentage may apply to the entire catalog or may be specified by segment, category, or manufacturer. Please provide a clear explanation of your pricing model in your bid proposal.

We encourage a diverse range of providers to submit bids, regardless of the size of their product offerings.

If you believe your company can meet our requirements and provide exceptional value to our cooperative members, we invite you to submit a proposal.

Therefore, playgrounds and other recreational areas are to be considered when submitting a proposal in response to this RFQ.

PURPOSE

The purpose of this test report is to present the test results obtained during the performance of a test program. This report includes a brief description of the samples presented for test, a list of the documents presented as test instructions, and a summary of the testing performed, and the results obtained. Applicable requirements and conclusions are based on the criteria provided by our client, or as specified in the reference document(s).

WORK REQUESTED / REFERENCE DOCUMENT(s)

Perform testing in accordance with ASTM F1951-14, Standard Specification for Determination of Accessibility of Surface Systems Under and Around Playground Equipment.

TEST SEQUENCE

1. Wheelchair work measurement method – straight propulsion with no material on a flat surface with a grade of 7.1%.
2. Wheelchair work measurement method – straight propulsion with material and no grade.
3. Wheelchair work measurement method – turning 90° with no material on a flat surface with a grade of 7.1%.
4. Wheelchair work measurement method – turning 90° with material and no grade.

Testing was performed March 23, 2021.

SAMPLE DESCRIPTION

Superior Groundcover, Inc. submitted approximately sixty (60) cubic feet of Engineered Wood Fiber playground surfacing material, identified as Featherwood.

TESTING PERFORMED

ACCESSIBILITY OF SURFACE SYSTEMS

Procedure

Sample material, Featherwood, was installed in four-inch layers, and tamped using a 10 inch X 10 inch hand tamper until a depth of twelve inches was achieved. The sample material was tested, propelling the wheelchair with four even propulsion strokes, per trial, across the material 6.56 feet, within eight seconds. This process was repeated five times for each test, (straight and 90° turn).

Per ASTM F1951-14, section 5.1, no additional modification occurred between propulsion trials. Installation instructions were provided by the manufacturer.

Results

The average work force over one foot, in pound force-inch values, for straight propulsion and for turning with material surface in place, shall be less than the average work per foot values for straight propulsion and for turning, respectively, on a hard, smooth, surface with a grade of 7.1% \pm 2% (1:14).

Discard the high and low work per foot values and average the remaining three trials to determine the average work per foot required to negotiate the test surface and the hard, smooth surface with a grade of 7.1% \pm 2% (1:14).

Conclusion

The average work force over one foot, in pound force-inch values, measured **less** when propelling the wheelchair over the Featherwood than when propelling the wheelchair over a flat surface with a grade of 7.1%.

The material **met** the requirements of ASTM F1951-14.

Sample Disposition

The sample material will be retained by TÜV SÜD America, Inc., for fifteen (15) days, then disposed of at the discretion of TÜV SÜD America, Inc., unless otherwise requested by Superior Groundcover, Inc.

REMARKS

- Per ASTM F1951-14, section 7.1.2 Test Wheelchair Rider; a 165 + 11, -4.4lbs., test wheelchair rider shall propel the wheelchair during testing. The rider's weight was measured at 185lbs prior to testing.
 - The wheelchair rider weight was 185lbs, which combined with the wheelchair for a total of 233.7lbs.
 - The wheelchair rider weight of 185lbs deviates from the standard, however, the total system weight falls within parameters.

Per section 7.1.3 Weight of Total System - The total weight of the wheelchair Rider System, including any distance measurement or data acquisition equipment residing on the wheelchair shall be a minimum of 187.2lbs and a maximum of 255lbs.

Post Bid Interview/reference checks: March 27, 2026

Two vendors submitted proposals. Proposals were reviewed by Jeff Synowiec and Mark Paulus. Post-bid meeting was held, and references were checked.

Based on the bids and post-bid interviews, we are recommending the low-responsive bidder, Miller-Boldt, Inc., be awarded a contract in the amount of \$37,200.00. Additionally, we are requesting a 10% contingency to address any unforeseen conditions.
