1. 1. CALL TO ORDER

2. Preschool Expansion Proposal

An intrical part of our education is to provide all of our youngest learners a strong foundational experience that will prepare them for their educational career. Our current program provides the strong foundation, but there are barriers that prevent the children that have the greatest needs to attend. We have developed a proposal that will not only provide a strong program for all, but will eliminate the barriers that currently prevent many from attending.

Presenter: Rich Hanson, Layne Wilbright, Karyl Engel, Bill Bjorndahl, Anna Fleshmann
