Catherine,

Thank you for the opportunity to work together, I enjoyed the experience, and loved the camaraderie. I have always had a special place in my heart for Little Giants and now an offer of employment has been given to me. It was a tough decision to make, but I have decided to accept it and not return to the Little Giants this fall.

I want you to know that you have done great things for the program. I will miss you.

Ginger Nesbit

3. To learn the rules and significance of various games and activities and become better spectators, viewers and people.

TEAM PARTICIPATION CONDITIONS

7th and 8th grade athletics: The primary focus of this program is to allow each student athlete optimal participation regardless of his/her skill level. The following guidelines will apply to help assure that the program is for the benefit of the student athletes: ***(There is no guarantee that playing time will be equal.)***

- All student athletes who meet the attendance standard will be given practice time and game time.
- No team shall cut any student athlete desiring to participate (unless the student participant does not meet attendance and conduct requirements).
- All team participants will have a uniform or will be dressed alike for competition.

Each middle school coach shall adhere to the guidelines of assuring participation in both practice and competition. This is not always easy for coaches. The desire to win will not come before the requirement to include every student athlete in the practice/competition. Certain games or contest alternatives may be needed and may be implemented by the coaches to assure optimal participation.

Each coach must plan and organize his/her practices to make sure that all students will participate. Practices must be planned and organized to accommodate a wide spectrum of skill levels.

Facilities will be used to their greatest advantage. Cooperation will occur between boys' and girls' coaches as well as between other groups and organizations to make the most effective use of available facilities.

Coaches will remember that these guidelines and procedures are the result of coaches focusing on the "total development" of each participant. Each student who participates has many needs: physical, emotional, and social. The coach must coach the student athlete as well as the sport. Each coach will consider the following student/athlete characteristics in working with these students: (ISD 2397 believes that.)

- A. Students have a need to belong to a group.
- B. Students have a need to be accepted by their peers.
- C. Students have the need to explore a variety of experiences.
- D. Students need a chance to channel their energies in physical activity.
- E. Students need opportunities to express their feelings.
- F. Students need a place and/or situations to be with friends in social settings.
- G. Students require a means of achieving self-satisfaction. (Feeling successful)
- H. Students need a time in every day for fun and enjoyment.
- I. Students need a means of receiving approval from their parents, teachers, and adults they come in contact with.

The School Board expects every coach to work with all athletes who are interested and have a need to belong and not to work only with gifted, highly skilled student athletes. Each student participant is an important individual whose experiences shape attitudes and actions for the future. Therefore, every coach will adhere to these guidelines as established by the local School Board.

"C" teams: "C" teams are considered teams in transition. Participation in practice and in competition will continue to be a strong emphasis and no squad members will be cut on the basis of ability. Coaches will make every effort to give significant playing time to all players throughout the overall season. Teams, however, will strive to be competitive.

Varsity and "B" teams: Participation will be based upon the most skilled athletes who will maximize the possibilities for individual and team success. (In some instances, it may be necessary to limit the size of the varsity and "B" squads to a manageable number).

Selection Guidelines for Varsity and "B" Team Participation:

Responsibility for Selection:

- Choosing the members of varsity and "B" teams shall be the sole responsibility of the coaching staff.
- Prior to try-outs, the coach shall provide the following information to all eligible candidates for the team(s):
 - Length of try-out period;
 - Written criteria used to select the team members;
 - Number of team members to be selected;
 - Practice commitment for team members who make the team; and
 - Game commitments.

Procedures Used for Team Selections:

- When a squad selection number is limited, the process will include three important elements: (each candidate will)
 - have an opportunity to participate in a minimum of five (5) practices;
 - have performed in at least one intrasquad/scrimmage game/session; and
 - be personally informed of the reason(s) why the candidate was not chosen.
- **No posting of candidates.** The coach will meet one-on-one with all candidates who have tried out for the team. Everyone will be notified individually by the coach as to his or her selection status.
- Coaches will discuss alternative possibilities for participation in the sport or other areas the student athlete might participate in the activities program.
- If a coach foresees difficulties as a result of squad selections, s/he will discuss the situation with the activities director.

PROBLEM / CONFLICT RESOLUTION

As coaches/directors/advisors, we are professionals and are expected to conduct ourselves in a

professional manner. We cannot promise that all concerns can be resolved to individual or family preferences, but we can promise that we will listen to your concerns and respond to the best of our ability.

In order for our programs to be successful, we must all work together (parent, coach and participant). We strive to do what is best for each individual student-athlete. As teachers and coaches we care a great deal about your son/daughter and want to contribute to his/her individual development in a positive way.

To allow for an appropriate exchange of opinions when the need arises, a procedure has been developed to create an open line of communication between the school, parent/guardian, student athlete and coach. The following procedure will allow for an exchange of opinion in a professional manner.

Most conflicts are better resolved with an appropriate cooling down period. No conflict between a parent, student, official or coach/advisor should be addressed during or immediately after an activity. The activity site, practice field, lobby or locker room are not appropriate places to handle conflict. If you have a concern, please call or arrange a meeting the following workday after the incident/practice/game. Many of our coaches teach in the district. Most coaches have voicemail in the building where they teach. Leave a message and the coach will return your call. If you wish, a phone call or email to the coach/director may be the most appropriate way to initiate a dialogue. If your concern has not been addressed to your satisfaction, then refer to the flow chart below.

Chain of Communication

Every organization has and needs an orderly process to use when problems/issues arise. The Chain of Communication at Le Sueur-Henderson High School is as follows:

Step One: Player makes a direct contact with the Coach/Director

Step Two: Parent makes a direct contact with the Coach/Director

Step Three: Parents make a direct contact with the Activities Director

Step Four: Parents make a direct contact with the High School Principal

Step Five: Parents make a direct contact with the Superintendent

Step Six: Superintendent contacts the School Board

Parents/athletes are strongly encouraged to follow this chain of communication whenever an issue arises concerning a coach or director. If a concern is not resolved to your satisfaction at one level, you are encouraged to go to the next level in the chain of communication. However, all concerns should begin with the student and coach/director, and then advance up the chain of communication.

PARENTS RESPONSIBILITIES

Parents are expected to encourage their sons/daughters to perform to the best of their abilities both athletically and academically. They should be a source of support for the student athlete and the program in which they are participating.

We would like all of our parents to be role models for our student athletes and set a good example for all of our students at Le Sueur-Henderson Middle/High School. As such, they will exemplify good

attitudes by treating all players, coaches, fans, officials and other parents with respect and dignity. Parents must insist that athletes abide by the rules established by the coach, the school district, Section 2A, and the Minnesota State High School League.

Parents should be positive in support of their own team and recognize the achievements of the opposing team. Vulgar, racial, derogatory or disparaging remarks are never appropriate. Parents should allow their athletes to enjoy the benefits of competition, remembering that not everyone can be a star, be on the first team, or have equal playing time.

Any acts of misconduct may result in disciplinary action whether or not this misconduct is directly involved with a school event or activity. The Minnesota State High School League's Code of Responsibility allows school authorities to discipline spectators for violation of MSHSL, Region 2A, and/or local school rules. Disciplinary action may include removal from a contest and/or permanent removal from MSHSL and/or Le Sueur-Henderson sponsored events.

TEN TIPS FOR PARENTS OF STUDENT/ATHLETES

- 1) **TEACH RESPECT FOR AUTHORITY.** There will be times when you disagree with a coach or an official, but always remember they are trying to do their best.
- 2) **BE SUPPORTIVE OF THE COACH.** When talking with your child about any coach, be supportive and positive about the decisions the coach is making. If there is a problem, speak directly to the coach about it.
- 3) **GET TO KNOW THE COACH.** Coaches can have a powerful influence on your child, take the time to attend all pre-season meetings and get to know the coach's expectations, philosophy, and guidelines for the season.
- 4) **LET THE COACH DO THE COACHING.** It is confusing for an athlete when they are hearing a different message from their parents.
- 5) **SHOW UNCONDITIONAL LOVE.** Let your child know that you love him/her whether you win or lose, whether they played in the game or not, and whether they played well or not.
- 6) **LISTEN TO YOUR CHILD.** Always take the time to listen and support your child, but remember to stay rational until you have investigated the situation for yourself. Keep winning and losing in proper perspective!
- 7) **BE A POSITIVE ROLE MODEL.** Take a good honest look at your actions and reactions in an athletic setting.
- 8) **INSIST ON GOOD GRADES.** Check on your child's grades frequently.
- 9) **INSIST ON FOLLOWING THE RULES.** Help lead your child to follow all MSHSL, Section, LSH, and team rules. It is your duty to hold them accountable and report any violations to the head coach.
- 10) **NO EXCUSES.** Do not offer excuses if your child is not participating as much as you would like or if they are not at the level you would like.

SPORTSMANSHIP

School District 2397 students will demonstrate good sportsmanship at all activities. Student participants in co-curricular activities represent the school in a very public manner, and thus student conduct is under close scrutiny. Because of their visibility and status as a role model for other students, it is extremely important that all of our students demonstrate proper conduct and abide by school rules, Minnesota State High School League rules, local and state laws.

Student athletes, coaches, and fans representing Le Sueur-Henderson High School are expected to conduct themselves in a manner that would not cause the school, parents, or community any embarrassment. This applies whenever the student or coach is part of any activity, either athletic or non-athletic; before or after a contest/performance or practice, in transit to and from activities, or at any function associated with the activity.

Any acts of misconduct may result in disciplinary action whether or not this misconduct is directly involved with a school event or activity. The Minnesota State High School League's Code of Responsibility allows school authorities to discipline students for violation of League, State, Federal, and/or school rules.

In addition, coaches/advisors may establish their own additional specific rules. These rules should be presented to players and parents at the beginning of the season and are subject to the approval of the Activities Director.

SPECTATOR EXPECTATIONS at CO-CURRICULAR EVENTS

- It is recommended that elementary age students be accompanied by an adult at all activities and performances for their safety and the safety of others.
- We welcome enthusiastic fans that come to watch the game/performance and encourage our team/performers. Good sportsmanship is our goal.
- Please arrive at an appropriate time prior to the beginning of an auditorium event. If this is not possible, please enter quietly at an appropriate time, such as a scene change or after the first musical selection.
- Running, throwing objects, or horseplay, such as grabbing hats or playing catch in crowded areas are both annoying and dangerous. Spectators that endanger themselves or others by their behavior will be removed from the event.
- Alcohol, tobacco and tobacco products are not allowed on any of the school grounds. (This includes outdoor venues like football, baseball, softball, and track)
- We expect spectators to address volunteers, supervisors and each other respectfully. Offensive language has no place at Le Sueur-Henderson activities.
- Signs are to be designed to promote local and positive enthusiastic support.
- **Use of noisemakers, horns, whistles, or other artificial attention-getters is not permitted at any MSHSL sponsored event.**

FORMS NECESSARY FOR ATHLETIC PARTICIPATION

1. A physical form, not more than three years old, must be on file for all sports.
2. The Minnesota State High School League Eligibility Brochure must be read & the MSHSL Eligibility Statement must be signed by the student and the parent/guardian annually. **(Concussion management information added in the fall of 2011.)**
3. On the reverse side of #2 above, the Minnesota State High School League Sports Health Questionnaire must be signed annually. The signature of the parent or guardian approving participation is required.
4. A Weight Certification form for those athletes participating in wrestling must be on file in the Activities Office before the first contest.
5. Before a student starts an activity they must have the proper forms and/or fees turned into the

Activities Office. The student athlete must get the **Emergency Medical Information form** filled in and signed by the Activities Office before he/she can begin participation in any school activity.

FORMS NECESSARY FOR FINE ARTS PARTICIPATION

The Minnesota State High School League Eligibility Brochure & Statement must be signed by the student AND the parent/guardian annually.

SPORTS PHYSICALS

Le Sueur-Henderson Middle/High School, as a member of the Minnesota State High School League, requires students who participate in Middle/High School interscholastic athletic activities to complete a physical examination every three years. Only sports physicals as approved by the Minnesota State High School League are acceptable. This physical must be on file in the Activities Office before an athlete will be allowed to begin practice.

PARTICIPATION AFTER INJURY REPORT

Any time a participant goes to a doctor/chiropractor regarding an injury and the doctor/chiropractor has removed the student athlete from practice/competition, they may NOT participate in either practices or games until they have a signed release from the appropriate medical personnel. This is to be turned in to the Activities Office where it will be kept on file and shared with the coach.

If the injured participant is treated by the trainer and is not seen by a doctor/chiropractor, a signed release is not needed. However, it is the coach's responsibility to be in touch with the parents and the trainer to know if and when the participant would be returning to competition and what care and treatment should be continued for the athlete.

DUAL PARTICIPATION

A student/athlete may be allowed to participate in two co-curricular activities during the same season if the following conditions are met. An agreement about practice and game commitments are agreed upon by all of the following parties.

- 1) The Student/Athlete's Parents
- 2) The Student/Athlete
- 3) Both Head Coaches
- 4) LSH Activities Director
- 5) LSH H.S. Principal

The student/athlete would also be required to pay the participation fee for both activities.

ACADEMIC STANDARDS FOR PARTICIPATION

Academic Achievement and co-curricular activity participation go hand in hand to promote the educational growth of each student. For this reason and to encourage achievement in both curricular and co-curricular areas, the following academic standards and eligibility guidelines have been established. In order to be eligible for all co-curricular events, students must have all school work current and up to a passing level.

Every two to three weeks the Activities Director will obtain a "deficiency list" that includes each student that is currently failing a class. Any student whose name appears on the list will forfeit his/her privilege to

participate in co-curricular events until their grade is up to a passing level. The "deficiency list" will be reviewed every two to three weeks starting with the third week of each quarter/semester. ***In order to regain eligibility for co-curricular participation, verification by the teacher to the Activities Director or Activities Secretary stating that their schoolwork is at a passing level. This should be done as soon as possible. (Do not bring it to the coach.)***

APPEALS PROCESS

The Activities Director will notify students and parents when a student becomes ineligible. A student and/or parent may appeal an ineligibility decision by calling the Activities Director and requesting that a meeting be held with the Eligibility Committee. (Principal, Activities Director, teacher, School Board representative, and in some cases the School Psychologists.)

Ineligible students (if not suspended from school) may enjoy all opportunities of school and team membership, except wearing of the team uniform at games/contests and participation in any game, meet, contest, concert or festival. Whichever is greater. No exception is permitted.

MOOD-ALTERING CHEMICALS (Category I Policy)

Definition of Category I Activities: Those MSHSL sponsored activities in which a member school has a schedule of interscholastic contests, exclusive of MSHSL sponsored tournaments. (Athletics, Speech, One Act Play, Large Group and Solo/Ensemble Band & Choir.)

A. Philosophy and Purpose: The Minnesota State High School League recognizes the use of mood-altering chemicals as a significant health problem for adolescents, resulting in negative effects on behavior, learning and the total development of each individual. The misuse and abuse of mood-altering chemicals by adolescents affect co-curricular participation and development of related skills.

B. Bylaw: During the calendar year, regardless of the quantity, a student shall not: (1) possess or consume a beverage containing alcohol; (2) use tobacco; or, (3) use or consume, have in possession, buy, sell, or give away any other controlled substance.

1. The bylaw applies to the 12-month calendar year.

2. It is not a violation for a student to be in possession of a controlled substance specifically prescribed for the student's own use by his/her doctor.

C. Penalty:

1. First Violation: After confirmation of the first violation, the student shall lose eligibility for the next two (2) consecutive interscholastic contests or two (2) weeks of a season in which the student is a participant, whichever is greater. No exceptions will be permitted.

2. Second Violation: After confirmation of the second violation, the student shall lose eligibility for the next six (6) consecutive interscholastic contests in which the student is a participant or three (3) weeks, whichever is greater. No exception is permitted for a student who becomes a participant in a treatment program.

3. Third and Subsequent Violations: After confirmation of the third or subsequent violation, the

student shall lose eligibility for the next twelve (12) consecutive interscholastic contests in which the student is a participant or four (4) weeks, whichever is greater. If after the third or subsequent violation, the student has been assessed to be chemically dependent and the student on his/her own volition becomes a participant in a chemical dependency program or treatment program, then the student may be certified for reinstatement in MSHSL activities after a minimum period of six (6) weeks. The director or a counselor of a chemical dependency treatment center must issue such certification.

4. Accumulative Penalties: Penalties shall be cumulative beginning with the student's first participation in a League activity and continuing through the student's high school career.

5. Denial Disqualification: A student shall be disqualified from all inter-scholastic athletics for nine (9) additional weeks beyond the student's original period of ineligibility when the student denies violation of the rule, is allowed to participate and then is subsequently found guilty of the violation. Ineligible students (if not suspended from school) may enjoy all opportunities of school and team membership, except the wearing of the team uniform and participation in any game, meet, contest, concert festival.

The Right to Investigate: School District 2397 has the right to investigate any situation that deals with any and all potential MSHSL rules violations.

It is the parent's responsibility to inform the Athletic Director and/or coach if there has been a MSHSL violation.

Category II Activity Policy:

Definition of Category II Activities: Activities that do not have a schedule of interscholastic contests. (Fall Musical, Spring Play, Knowledge Bowl, LifeSmarts, Band, and Choir Concerts)

First Violation: The student will lose eligibility for the next activity performance.

Second Violation: The student will lose eligibility for the next two (2) activity performances.

Third Violation: The student will lose eligibility for the next four (4) activity performances.

If a student is involved in an activity in both Category I and Category II, they are required to serve penalties in each category. All penalties in either category are cumulative.

FEES

School District 2397 requires that a fee be paid prior to the first day of practice in all co-curricular activities. Fees are used to help offset the cost of equipment, supplies, officials, transportation and other related costs.

ATTENDANCE AND BEHAVIOR STANDARDS

Students involved in all co-curricular activities are expected to abide by all school attendance and behavior guidelines. Participation is a privilege offered to students in good standing.

- a. Students absent due to illness must be in school by the start of 2nd period and remain in school for the rest of the day in order to be eligible to practice or participate/play in activities that day. Coming home late from an activity, school event, or field trip is not an excuse to "sleep in" and come to school late
- b. Students who participate in co-curricular activities or attend a school sponsored field trip or event must be in school by the start of first period of the next day.
- c. (Exceptions may be made due to illness, death in the family or pre-approval.)
- d. Students with a pre-excused absence are allowed to practice and/or compete/perform.
- e. Students with in-school or out-of-school suspensions may NOT practice or compete/perform in activities/contests on days of suspension.
- f. Students with an unexcused absence for ANY hour of the day may not practice or compete/perform on that day. This includes lunch and study hall. Only Seniors are allowed to leave the campus during lunch.
- g. Students with detentions may practice or compete/perform in contests if their detention time is served after school first. Individual coaches may have more specific penalties.

If a student should practice or compete/perform on a day when he/she is ineligible. He/she will be held out of the next equivalent practice or contest/performance.

TRANSPORTATION

All participants attending activities are normally required to ride to and from these events on the transportation provided by the school.

A parent/guardian may transport a son/daughter home from an activity. Parent/guardian must sign-out with the coach/director and both a verbal and visual recognition are necessary before the student may leave an event with his/her parent/guardian.

Students are not allowed to drive or ride with other students to or from a contest in which the school provides transportation unless previous arrangements are made with the Activities Director. Failure to abide by this policy will result in suspension from the team.

AWARDS-LETTERING REQUIREMENTS

Every head coach/advisor must submit "specific requirements" for lettering in his/her sport/activity. These requirements are kept on file in the Activities Office.

AWARDS SYSTEM

A chenille "LSH" will be awarded the first time that a student meets the criteria for lettering in a sport/activity. For each year following they will receive a certificate.

SCRIMMAGES

All scrimmages must be pre-approved by the activities director. Only one away scrimmage will be allowed and a team cannot scrimmage more than three times.

(MSHSL Policy regarding the number of scrimmages.)

EQUIPMENT

Use of school equipment is a privilege. All equipment must be returned to the coach at the end of a season. Students will not be issued equipment for any other sport or activity until they have returned or paid for all equipment from the previous sport or activity. An athlete will be billed for the replacement cost for any lost, damaged, or non-returned equipment.

UNIFORMS

All athletic teams representing Le Sueur-Henderson High School shall wear uniforms and equipment issued by the school. All such issued equipment and uniforms are the responsibility of the student/athlete. These uniforms are **NOT** to be worn for personal use or during P.E. classes. They are only to be worn for official practices, games, or other specific school activities.

Individual team members are responsible for laundering school-issued uniforms during the season. DO NOT dry any school-issued uniforms on high heat. It is best not to put them in the dryer at all. All uniforms must be laundered before they are returned at the end of the season.

An athlete will be billed for the replacement cost for any lost, damaged, or non-returned uniform.

INITIATIONS/HAZING

Team gatherings and activities to build team unity are important and are encouraged; however, for safety and liability reasons and to prevent hazing and/or harassment, **initiation** events are **NOT allowed**. Students who violate this rule are subject to the same High School League consequences as those who violate High School League rules concerning chemical use and harassment. Participants in hazing or initiation may also be subject to criminal and/or civil action.

FUNDRAISING

Coaches may determine that fundraising is necessary to purchase equipment or "extras" that are not provided by the school. Such items could include team and individual awards, transportation costs to additional scrimmages, banquet expenses, equipment etc. All fundraising activities are voluntary. Coaches are encouraged to give parents the option to donate money instead of selling a fundraising item. We would like to encourage all parents, coaches, and GIANTS fans to get involved with the annual BLUE & GOLD golf tournament as well as the Fall Giant Night Out!

DATA PRIVACY

By law, certain personal information cannot be released by a coach unless both the student and parent give permission. Coaches will hand out forms at the beginning of the season if they intend on publishing data that is covered under the Data Privacy Laws.

PUBLIC RELATIONS/PUBLICITY

Our activity programs are in the eye of the public more than any of our academic programs. We receive more praise and are subject to more criticism than any other program. How we conduct ourselves as coaches, athletes, parents and fans will be a reflection of the entire school system.

All Head coaches are responsible for notifying all appropriate news media sources immediately at the conclusion of their contest

SOCIAL NETWORKING SITES

As a student at LSH High School, you are expected to follow the student handbook guidelines, even though an event may happen off school property or after school hours.

Social network sites, other digital platforms (including cell phones) and distribution mechanisms that facilitate students communicating with other students are considered "Social Networking" platforms. Participation in such networks has both positive appeal and potentially negative consequences. It is important the LSH students be aware of these consequences and exercise appropriate caution if they choose to participate.

Students are not restricted from using any online social network sites and/or digital platforms. However, users must understand that any content they make public via online social networks or digital platforms is expected to follow acceptable social behaviors and also to comply with federal, state and local laws, as well as, your Student Handbook. As an LSH student, you must be aware of your Student Handbook regulations and expectations of our said co-curricular programs. Ignorance of these regulations does not excuse students from adhering to them.

Guidelines for Students:

These guidelines are intended to provide a framework for students to conduct themselves safely and responsibly in an online environment. As a student at Le Sueur-Henderson you should:

1. Be careful with how much and what kind of identifying information you post on social networking sites. Virtually anyone with an email address can access your personal page. It is unwise to make available information such as full date of birth, social security number, address, phone number, cell phone numbers, class schedules, bank account information, or details about your daily routine. All of these can facilitate identity theft or stalking. Social Media sites provide numerous privacy settings for information contained in its pages. Use these settings to protect private information. However, once posted, remember the information becomes property of the website and public record.
2. Be aware that community members, family, and potential current and future employers and college admissions offices often access information you place on online social networking sites. You should think about any information you post on sites or similar directories that potentially portrays an image of you to a prospective employer or school. The information is considered public information. Protect yourself by maintaining a self-image that you can be proud of years from now.
3. Be careful in responding to unsolicited emails asking for passwords or PIN numbers. Reputable businesses do not ask for this information in emails.
4. Don't have a false sense of security about your rights to freedom of speech when using Social Media. Understand that freedom of speech is not unlimited. The online social network sites are NOT a place where you can say and do whatever you want without repercussions or personal accountability.
5. Remember photos once put on the social network site's server become their property and public record. You may delete the photo from your profile but it still stays on their server. Internet search engines like Google or Yahoo may still find that image long after you have deleted it from your profile. Think long and hard about what type of photo you want to represent you.

6. Whoever is the adult (over 18) responsible for the contracts, computers, phone lines, etc. is liable (civil and criminal) for your actions as a minor as well.

Things Students Should Avoid:

1. Derogatory language or remarks about our students, teammates, school personnel and our community at-large; as well as, teachers, or coaches; student-athletes, administrators or representatives of other schools.
2. Demeaning statements about or threats to any third party (including support of demeaning statements and threats - don't respond to these).
3. Distribution and possession of unauthorized videos and photos or statements depicting violence; hazing; sexual harassment and content; vandalism; stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.
4. Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.
5. Indicating knowledge of unreported felonies, crimes, thefts or damage to property or unethical behavior.
6. Indicating knowledge of an unreported school or team violation - regardless if the violation was unintentional or intentional.

One of the biggest lessons social network users can learn is that anything you post online enters the public record. You never know who may be looking and when.

Students, parents and guardians, let it be known that any student in violation of said conduct is subject to consequences to be determined by the Administration, Principal and/or Activities Director.

The Minnesota State High School League Student Code of Responsibilities, Bylaw 206.00, is applicable and relevant in all student related issues and concerns in such matters.

WEDNESDAYS/SUNDAYS

No practice or competition is allowed on Sundays as per MSHSL guidelines. Wednesday practices will end at 5:45pm so as not to conflict with family night. Rarely will an athletic activity take place on a Wednesday evening. Exceptions may result from Section tournaments/games in which we, as a school district, have no control.

HOLIDAYS/VACATIONS

Practices will not be held on Thanksgiving Day, Christmas Day and New Year's Day. Coaches will avoid practices on other holidays whenever possible. Practice or games may be held during holiday and vacation periods but separate practice schedules for these periods shall be made and distributed to the athletes involved well in advance of the holiday/vacation period

ACTIVITY PASSES

Activity passes may be purchased at the Activities Office at the High School or at the gate before games. **The passes may be used for regular season home events, excluding tournaments and/or playoffs.** *Passes cannot be used for post season tournament play.*

|-----------------------------|------|
| <u>Student Season Pass:</u> | \$30 |
| <u>Adult Season Pass:</u> | \$75 |
| Sr. Citizen (60 yrs. +) | Free |

EMERGENCY CLOSING OF SCHOOL

In most instances, if there is an emergency school closing or if school is closed due to inclement weather, all co-curricular practices, games, or events will be canceled or postponed. Exceptions to this policy may occur if conditions improve throughout the day and travel is deemed safe for games and/or practices. A final decision on participation in Activities during emergency closing situations will be made by the Superintendent, Activities Director, Building Principal, and Director of Transportation.

COACHES CODE OF CONDUCT

As a coach, I recognize:

- My position as a role model for all students in terms of my language, behavior and attitudes.

ACTIVITY EVALUATIONS

Included at the back of this packet is a copy of the Le Sueur-Henderson Middle/High School Activities Evaluation Form. Please use this form to evaluate your son/daughter's participation in school activities. The purpose of this evaluation is to gain feedback from parents and students so that we can constantly improve the activity programs offered at Le Sueur-Henderson Middle/High School. The evaluations also give coaches/directors feedback, which help them in their professional growth. You are asked to be constructive in your comments, providing positive and supportive feedback, as well as suggestions for improvement and/or criticism of a coach/director. Everyone appreciates hearing that they are doing a good job. Coaches have been asked to include a copy of this evaluation in their team handout or to make evaluations available at their end of season banquet. Thank you for your continued support of GIANTS activities!

What Are Sports Injuries?

The term sports injury, in the broadest sense, refers to the kinds of injuries that most commonly occur during sports or exercise. Some sports injuries result from accidents; others are due to poor training practices, improper equipment, lack of conditioning, or insufficient warm-up and stretching.

Although virtually any part of your body can be injured during sports or exercise, the term is usually reserved for injuries that involve the musculoskeletal system, which includes the muscles, bones, and associated tissues like cartilage.

Concussion Protocol

LSH will follow concussion protocol outlined by our Athletic Training provider (Orthopedic and Fracture Clinic). All coaches will have concussion training as part of their yearly coaches continuing education training and athletes in grades 7-9-11 will have baseline testing (if available) as part of our protocol. Should an athlete be diagnosed with a concussion the "Return to Play" protocol will be followed before an athlete can safely return to activity.

Other Common Types of Sports Injuries

A **bruise or contusion** results when muscle fiber and connective tissue are crushed; torn blood vessels may cause a bluish appearance. Most bruises are minor, but some can cause more extensive damage and complications.

*A **strain** is a twist, pull, or tear of a muscle or tendon, a cord of tissue connecting muscle to bone. It is an acute, non contact injury that results from overstretching or over-contraction. Symptoms of a strain include pain, muscle spasms, and loss of strength.*

*A **sprain** is a stretch or tear of a ligament, the band of connective tissue that joins the end of one bone with another. Sprains can range from first degree (minimally stretched ligament) to third degree (a complete tear). Signs of a sprain include varying degrees of tenderness or pain; bruising; inflammation; swelling; inability to move a limb or joint; or joint looseness, laxity, or instability.*

Acute fractures: a break with little damage to the surrounding tissue or compound break in which the bone pierces the skin with little damage to the surrounding tissue. Most acute fractures are emergencies. One that breaks the skin is especially dangerous because there is a high risk of infection.

Stress fractures: Stress fractures occur largely in the feet and legs and are common in sports that require repetitive impact, primarily running/jumping sports such as gymnastics or track and field. Running creates forces two to three times a person's body weight on the lower limbs. The most common symptom of a stress fracture is pain at the site that worsens with weight-bearing activity. Tenderness and swelling often accompany the pain.

What's the Difference Between Acute and Chronic Injuries?

Acute injuries, such as a sprained ankle, strained back, or fractured hand, occur suddenly during activity. Signs of an acute injury include the following:

- Sudden, severe pain, swelling
- Inability to move a joint through its full range of motion
- Inability to place weight on a lower limb

- Extreme tenderness in an upper limb
- Extreme limb weakness
- Visible dislocation or break of a bone

Chronic injuries usually result from overusing one area of the body while playing a sport or exercising over a long period. The following are signs of a chronic injury:

- pain when performing an activity
- Swelling
- A dull ache when at rest

What Should I Do if I Suffer an Injury?

First point of contact is the coaches and staff, then the athletic trainer. Most injuries can be treated with the help and direction from the athletic trainer but that doesn't eliminate a visit to the primary physician if desired. Whether an injury is acute or chronic, there is never a good reason to try to "work through" the pain. Just STOP! Continuing the activity only causes further harm and possible tissue damage.

When to Seek Medical Treatment

- The injury causes severe pain, swelling, or numbness.
- You can't tolerate any weight on the area.
- The pain or dull ache of an old injury is accompanied by increased swelling or joint abnormality or instability.

How to Treat at Home

If you don't have any of the above symptoms, it's probably safe to treat the injury at home—at least at first. If pain or other symptoms worsen, it's best to check with your healthcare provider. Use the RICE method to relieve pain and inflammation and speed healing. Follow these four steps immediately after injury and continue for at least 72 hours.

- *Rest.* Reduce regular exercise or activities of daily living as needed. If you cannot put weight on an ankle or knee, crutches may help.
- *Ice.* Apply an ice pack to the injured area for 15-30 minutes at a time, four to eight times a day. An ice bag or plastic bag filled with crushed ice can be placed directly on the skin but if a GEL pack is used, a barrier NEEDS to separate the pack and the skin.
- *Compression.* Compression of the injured area may help reduce swelling. Compression should also be used during the icing process; (1) to hold cold therapy in place, and (2) compression of tissue will promote an improved environment for healing. Elastic wraps or ACE bandage work well.
- *Elevation.* If possible, keep the injured ankle, knee, elbow, or wrist elevated on a pillow, above the level of the heart, to help decrease swelling. Whenever not in use—elevate the injury.

The Body's Healing Process

From the moment a bone breaks or ligament tears, your body goes to work to repair the damage. Here's what happens at each stage of the healing process:

At the moment of injury: Chemicals are released from damaged cells, triggering a process called inflammation. This process causes tissues to become swollen, tender, and painful; although inflammation is needed for healing, it can actually slow the healing process if left unchecked. Blood vessels at the injury site become dilated; blood flow increases to carry nutrients to the site of tissue damage.

Within hours of injury: White blood cells (leukocytes) travel down the bloodstream to the injury site where they begin to tear down and remove damaged tissue, allowing other specialized cells to start developing scar tissue.

Within days of injury: Scar tissue is formed on the skin or inside the body. The amount of scarring may be proportional to the amount of swelling, inflammation, or bleeding within. In the next few weeks, the damaged area will regain a great deal of strength as scar tissue continues to form.

Within a month of injury: Scar tissue may start to shrink; bringing damaged, torn, or separated tissues back together. However, it may be several months or more before the injury is completely healed.

Who Should I See for My Injury?

Depending on your preference and the severity of your injury or the likelihood that your injury may cause ongoing, long-term problems, you may want to see, or have your primary health care professional refer you to, one of the following:

- *Athletic Trainer:* A health care professional who can make an assessment, provide treatment, and develop a rehabilitation program for the injury right through the high school. Should advanced care and modalities be needed, free consults through the Orthopaedic and Fracture Clinic are available. Time specific, only at 8 am Monday thru Friday at the Wickersham Health Campus.
- *Physical Therapy:* A health care professional who can diagnosis, provide treatment, and develop a rehabilitation program immediately following an injury or upon referral from your primary care
- *Orthopaedic surgeon:* A doctor specializing in the diagnosis and treatment of the musculoskeletal system, which includes bones, joints, ligaments, tendons, muscles, and nerves.

Rest

Although it is important to get moving as soon as possible, you must also take time to rest following an injury. All injuries need time to heal; proper rest will help the process. Your health care professional can guide you regarding the proper balance between rest and rehabilitation.

Rehabilitation (Exercise)

A key part of rehabilitation from sports injuries is a graduated exercise program designed to return the injured body part to a normal level of function.

With most injuries, early mobilization - getting the part moving as soon as possible-will speed healing. Generally, early mobilization starts with gentle range-of-motion exercises and then moves on to stretching and strengthening exercise when you can without increasing pain.

As damaged tissue heals, scar tissue forms, which shrinks and brings torn or separated tissues back together. As a result, the injury site becomes tight or stiff, and damaged tissues are at risk of re-injury. That's why stretching and strengthening exercises are so important. You should continue to stretch the muscles daily and as the first part of your warm-up at the beginning of exercise.

The athletic trainer has prepared sheets of rehabilitation exercises for various injuries that can be performed at school and at home. Remember that progression is the key principle for the injured body part and return to play. Start with just a few exercises, do them often, and then gradually increase how much you do. A complete rehabilitation program should include exercises for flexibility, endurance, and strength; instruction in balance and proper body mechanics related to the sport; and a planned return to full participation.

Throughout the rehabilitation process, avoid painful activities and concentrate on those exercises that will improve function in the injured part. Don't resume your sport until you are sure you can stretch the injured tissues without any pain, swelling, or restricted movement, and monitor any other symptoms. When you do return to your sport, start slowly and gradually build up to full participation. For more advice on how to prevent injuries as you return to active exercise.

Other Therapies

- **Cold/cryotherapy:** Ice packs reduce inflammation by constricting blood vessels and limiting blood flow to the injured tissues. Cryotherapy eases pain by numbing the injured area. It is generally used for only the first 72 hours after injury. Cold therapy needs to be a timed event; 15-30 minutes on and 30-45 minutes off. The timing of the event permits sufficient vasoconstriction and slowed metabolism, only to allow the body a chance to return to homeostasis (98.6° F). At this time only warm, nutrient rich, and oxygen rich red blood enters and the repair process works optimally.
- **Heat/thermotherapy:** Heat, in the form of hot compresses or heating pads, causes the blood vessels to dilate and increase blood flow to the injury site. Increased blood flow aids the healing process by removing cell debris from damaged tissues and carrying healing nutrients to the injury site. Heat also helps to reduce pain. It should not be applied within the first 72 hours after an injury. Heating pads are dry heat and can damage tissue through the removal of body moisture and sweating; these should be used on a timed basis, err on the side of caution (5-10 minutes on low settings).
- **Massage:** Manual pressing, rubbing, and manipulation soothe tense muscles and increase blood flow to the injury site. Warming tissue prior to massage will assist this process, followed with a gentle stretch for 30 seconds.

LE SUEUR-HENDERSON PUBLIC SCHOOL GRIEVANCE PROCEDURE FOR COMPLAINTS OF DISCRIMINATION

The following grievance procedure applies to claims of sex and disability discrimination:

A. Any person who believes he or she has been the victim of unlawful discrimination or any person with knowledge or belief of conduct that may constitute unlawful discrimination shall report the alleged acts immediately to an appropriate school district official designated by this policy. The complaint must be filed within 30 calendar days of the alleged violation.

B. The Human Rights Officer is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. However, nothing in this policy shall prevent any person from reporting unlawful discrimination toward an employee or student directly with the Human Rights Officer, the school board or other school district official.

C. While the school board has designated the Human Rights Officer to receive complaints of unlawful discrimination, if the complaint involves the Human Rights Officer, the complaint shall be made to the superintendent.

D. Upon receipt of a complaint, the Human Rights Officer shall immediately notify the superintendent. If the superintendent is the subject of the complaint, the Human Rights Officer shall immediately notify the school board.

E. The Human Rights Officer may request but not insist upon a written complaint. Alternative means of filing a complaint, such as through a personal interview or by tape recording, shall be made available upon request for qualified persons with a disability. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.

F. The school district shall respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses, consistent with the school district's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

INVESTIGATION

A. The Human Rights Officer, upon receipt of a complaint alleging unlawful discrimination shall promptly undertake an investigation if deemed appropriate. The investigation may be conducted by the Title IX coordinator for complaints of sex discrimination or the Section 504 Coordinator for complaints of disability discrimination, or a school district official or neutral third party designated by the Title IX Coordinator, Section 504 coordinator or Human Rights Officer. The investigation shall be completed within 30 days of the complaint, unless impracticable.

B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint.

The investigation may also consist of other methods deemed pertinent by the investigator.

C. In determining whether the alleged conduct constitutes a violation of this policy, the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.

D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination.

E. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the superintendent or school board. The report shall include the facts, a determination of whether the allegations have been substantiated, whether a violation of this policy has occurred as well as a description of any proposed resolution which may include alternative dispute resolution.

F. The district shall comply with federal and state law pertaining to retention of records.

APPEAL

If the grievance has not been resolved to the satisfaction of the complainant, s/he may appeal to the Human Rights Officer within ten (10) school days of receipt of the findings of the school district investigation. The school district investigator shall conduct a review of the appeal and within ten (10) school days of receipt of the appeal, shall affirm, reverse, or modify the findings of the report. The decision of the school district investigator is final but does not preclude pursuit of alternative complaint procedures noted in the section entitled "Right to Alternative Complaint Procedures."

SCHOOL DISTRICT ACTION

A. Upon conclusion of the investigation and receipt of the findings, the school district shall take appropriate action. If it is determined that a violation has occurred, such actions may include, but is not limited to, warning, suspension, expulsion, transfer, remediation or termination.

School district action taken for violation of this policy shall be consistent with the requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.

B. The result of the school district's investigation of each complaint filed under these procedures shall be reported in writing to the complainant by the school district in accordance with state and federal law regarding data or records privacy.

RETALIATION

Retaliation includes, but is not limited to, any form of intimidation or harassment.

CONFLICT OF INTEREST

If there is a conflict of interest with respect to any party affected by this policy, appropriate action shall be taken such as, but not limited to, appointing or contracting with a neutral third party investigator to conduct the investigation or recusal from the process by the person for whom a conflict or potential conflict of interest exists.

DISSEMINATION OF POLICY

The school district shall adopt and publish these procedures.

LS-H Athletic Department
Acceleration Policy

Occasionally a need to accelerate an athlete to a higher level of play is required or requested. This is usually based upon team need or a particular athlete's skill level. The process of acceleration has several steps.

1. The coach will meet and discuss the situation with the Activities Director
2. The coach will discuss the situation with the parents (done prior to the athlete's knowledge)
3. If the parent(s) are in agreement with the acceleration, the athlete is informed and if the athlete is in favor of the move, the acceleration takes place.
4. If the parent(s) disapprove, the process stops and the athlete will stay at the current level without knowledge of the discussions.

Accelerating an athlete can be a touchy situation. There are pluses and minuses for such a move. I do not recommend accelerating an athlete unless it is to the varsity level and then only if it is seen that the athlete will make a significant impact on the success of the team.

This form pertains to students in grades 7 & 8 who may be asked by their coach to be move to a higher level of competition:

BRANDING STATEMENT

- Small Towns ... Giant Opportunities ... District of Choice.

Absences

Children are expected to be in school every day unless they are ill or there is an emergency in the family. If children are ill, it is better to keep them home than expose others to illness. When a student will be absent for any reason, the parent is expected to notify the school. Parents are requested to call the school office by 9:00 a.m. on the day of the absence to give the reason the child will be missing school. See "ATTENDANCE PROCEDURES" for more information regarding excused and unexcused absences.

Animals in the School

The building administrator must approve all animals brought to school at least 48 hours prior to the visit with a signed release form assuring the animal's health status.

Arrival Time

Park Elementary begins at 8:20 a.m. If your child does not ride the bus, please plan for your child's arrival between 8:00 a.m. - 8:15 a.m.

- **Expectations at Crossings:** When walking to school, all students are expected to stay on the sidewalks and cross intersections at the designated crosswalks.
- **Expectations if being dropped off:** Parents are expected to follow Park's morning drop off procedures. When dropping off children, parents are to remain in their vehicles. Simply pull forward and allow your child out of the vehicle when close to the main doors. **If parents are in need of exiting their vehicle, then the vehicle must be parked in the parking lot. Do not leave parked cars in the driveway.**
- **All children are either to attend breakfast or proceed immediately to the playground.**

Hilltop Elementary begins at 8:00 a.m. If your child does not ride the bus, please plan for your child's arrival between 7:45 a.m. - 7:55 a.m.

- 7:35 a.m. - 7:55 a.m. Breakfast and/or "Walk & Talk"

Assessments

Park and Hilltop Elementary Schools use a variety of assessments to measure student performance and growth. Results of these measures provide teachers with the information needed to develop appropriate lessons and improve instruction for all students. These assessments are administered throughout the year and primarily assess the areas of reading and mathematics.

Measures of Academic Progress (MAP): The MAP test (also known as NWEAs) is generally administered in the fall, winter and spring of each school year to students in grades Kindergarten - 5th grade. Students are tested on both reading and math. Fourth and fifth grade students will also take the Science NWEA at a minimum of one time this year.

The information is used to analyze student growth from year to year and to help target the teacher's instruction.

NWEA Fluency: New to Park and Hilltop Elementary School, NWEA Fluency will be replacing the Fountas and Pinnell Assessment. The NWEA Fluency is administered three (3) times a year for our students in kindergarten through second grade, and to any third, fourth, and fifth grader reading below the grade level standards. This assessment is to determine a student's level of achievement within the five components of reading: Phonics, Phonemic Awareness, Vocabulary, Fluency and Comprehension. This assessment will provide classroom teachers with specific guidance to provide interventions and extensions for each student.

Minnesota Comprehensive Assessment Test (MCA-II): The MN Comprehensive Assessment Test evaluates student progress toward achievement of high standards in reading and math at the 3rd, 4th, and 5th grade level. The 5th grade students have an additional test in science. This information is used to implement improvement strategies and to celebrate our successes. The MN Comprehensive Assessment Tests are administered in April. Please refer to the district assessment calendar found on isd2397.org for exact dates.

What if I choose not to have my student participate in statewide assessments?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/ guardians and include a form to complete if they refuse to have their student participate (see link below). All forms should be completed and returned to the student's site by January 15 to best support school district planning.

[Minnesota Department of Education Parent/Guardian Guide to Statewide Testing](#)

Attendance Procedures

It is the responsibility of the students, parents/guardians and the school to assure that the student attends school every day classes are in session. Absence, for whatever reason, is detrimental to a student's success.

Excused Absences:

To be considered an excused absence, the student's parent or legal guardian may be asked to verify, in writing, the reason for the student's absence from school. A note from a physician or a licensed mental health professional stating that the student cannot attend school is a valid excuse.

The following reasons may also be sufficient to constitute excused absences: illness, serious illness in the student's immediate family, a death or funeral in the student's immediate family or of a close friend or relative, medical, dental, or orthodontic treatment, or a counseling appointment, court appearances occasioned by family or personal action, religious instruction not to exceed three hours in any week, physical

emergency conditions such as fire, flood, storm, etc., official school field trip or other school/community-sponsored outings, removal of a student pursuant to a suspension (suspensions are to be handled as excused absences and students will be permitted to complete make-up work), family emergencies, or a student's condition that requires ongoing treatment for a mental health diagnosis.

Parent absence requests may be denied or counted as unexcused if they are for reasons other than those listed above.

Student Responsibility After An Excused Absence:

1. Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
2. Work missed because of absence must be made up within 2 days from the date of the student's return to school. Any work not completed within this period shall result in "no credit" for the missed assignment. However, the building principal or the classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.

Unexcused Absences:

The following are examples of absences which may be unexcused: Truancy (an absence by a student which was not approved by the parent and/or the school district), any absence in which the student/parent failed to comply with any reporting requirements of the school district's attendance procedures, work at home, work at a business, except under a school-sponsored work release program, parent related work obligations, oversleeping/sleeping in, car trouble, missing the bus, if suspended from the school district transportation, and the child does not attend school, absences resulting from accumulated unexcused tardies (3 tardies equals one unexcused absence), and any other absence not included under the attendance procedures set out in this handbook.

Tardiness:

Students are expected to be in their assigned area at designated times. Failure to do so constitutes tardiness.

- a. Elementary: Up to one hour late from the start of the student day. Your child will be considered ABSENT for ½ day if he/she misses more than one hour of morning or afternoon classes.
- b. Middle School & High School: Up to 10 minutes late to a class. Your child will be considered ABSENT if he/she is more than ten minutes late to class.

Excused Tardiness:

Valid excuses for tardiness may include: illness, serious illness in the student's immediate family, a death or funeral in the student's immediate family or of a close friend or relative, medical, dental, or orthodontic treatment, or a counseling appointment, court appearances occasioned by family or personal action, physical

emergency conditions such as fire, flood, storm, etc., and any tardiness for which the student has been excused in writing by an administrator or faculty member.

Unexcused Tardiness:

An unexcused tardiness is failing to be in an assigned area at the designated time class period commences without a valid excuse. The following are examples of tardies which may be unexcused: Truancy (an absence by a student which was not approved by the parent and/or the school district), any absence in which the student/parent failed to comply with any reporting requirements of the school district's attendance procedures, work at home, work at a business, except under a school-sponsored work release program, parent related work obligations, oversleeping/sleeping in, car trouble, missing the bus, if suspended from the school district transportation, and the child is late to school, absences resulting from accumulated unexcused tardies (3 tardies equals one unexcused absence), and any other tardiness not included under the attendance procedures set out in this handbook.

Consequences of Tardiness:

After one unexcused tardy, the student may be required to serve a detention. Three unexcused tardies are equivalent to one unexcused absence.

Attendance-Related Awards:

It will be at the discretion of the building principal if attendance-related awards will be distributed at the end of the school year.

1. Perfect attendance criteria: Child misses 0 days of school (excused or unexcused absences and/or tardies).
2. Exemplary attendance criteria: Child misses 1 day or less of school (excused or unexcused absences and/or tardies).

Background Checks

The LeSueur-Henderson School District has adopted a policy, the purpose of which is to promote the physical, social, and psychological well-being of its students. Pursuant to this policy, the school district shall seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also shall seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees, coaches, assistants, and advisors.

*This is a summary of the Criminal Background Check Policy 404, To view the complete policy, please visit our website www.isd2397.org,

Bicycles

Students are allowed to ride bicycles to school. Racks are provided for parking, but the school does not accept any responsibility for the bicycles. As a measure of safety, we have established the following guidelines:

- All bicycles must be parked in the racks provided; scooters must be kept in the student's locker during school hours.
- No child may ride a bicycle belonging to anyone else.
- Bicycle riders should ride with traffic and obey all traffic rules.
- Bicycles and scooters should be walked on school grounds

Birthdays

Birthday Invitations

- All children love to be invited to a birthday party. We ask your cooperation in not sending birthday invitations to school to be handed out. We have many disappointed children when invitations are handed out and they are not included.

Birthday Treats

- Please remember to let the teacher know ahead of time if you would like to send treats to class. The State Department of Education requires that all treats brought to school be commercially prepared.

Since many children have a variety of food restrictions we strongly encourage you to consider a non food item. A few suggestions would be pencils, erasers, small notebooks, yo-yos, bouncy balls, etc. A board game or book donation to the classroom are also fun ways to honor a child.

Bullying Prohibition Policy

An act of bullying, by either an individual student or a group of students, is expressly prohibited on school premises, on school district property, at school functions or activities, or on school transportation. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources.

No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.

*A bullying report form and the entire Bullying Prohibition Policy 514 can be found on our district's website www.isd2397.org

Field Trips

Elementary classes go on field trips related to units studied during the year. These trips are not only enjoyable; they enrich the learning experiences of our students. Teachers are responsible for arranging chaperones to ensure adequate supervision is provided and special needs are met for any student needing extra help or support.

Students participating in field trips are ambassadors of our schools. They are judged not only from the standpoint of discipline, but also appearance. For this reason students are expected to dress appropriately for appearance and the weather.

Before any student can participate in a field trip, a signed form must be on file with the classroom teacher. Parents/guardians will always be notified when classes are planning trips. All trips are free unless otherwise indicated.

Many field trips are sponsored by Parent organizations and H.A.V.E. (Humanities are Vital to Education). Without their financial support these experiences would not be available for our students. Students and staff appreciate their generous contributions.

E-Learning Days Due to Emergency Closings

The term "E-learning day" refers to a school day when instead of coming to our school buildings, teachers and students will be working off-site. Students in grades K-12 will do different learning activities throughout the E-Learning day. E-Learning Days are intended to counter the loss of curriculum momentum resulting from school cancellations due to Minnesota's winter weather. E-Learning Days cannot replace the face-to-face time students have with their teachers but it can provide better continuity when school is interrupted. E-Learning Days also negate the need for makeup school days in June. E-Learning Days are intended to be used for short-term closures; in comparison, Distance Learning is intended for remote learning for longer periods of time (e.g. two weeks or more).

The first two weather related days of school closure will not be made up and there will be no assignments. However, the third through seventh weather related emergency closings will be E-Learning Days. All E-Learning Days count as a day of school for our students and teachers; there will be required assignments.

A maximum of five E-Learning Days can occur per school year. If we exceed that threshold, then the District will activate the Emergency Make Up Days as denoted on the 2020-2021 calendar.

Information regarding free and reduced meal application procedures are made available to families in the fall of each year. If you need a form during the year please contact any of the school offices.

Please note: When a family qualifies for Free or Reduced meals, the school receives more state aid funding, even if the student(s) do not use the hot lunch program. We encourage ALL families to complete a form and return it to school. More state funding means more educational opportunities for our students!

Harassment and Violence Policy

The policy of the school district is to maintain a learning and working environment that is free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability. The school district prohibits any form of harassment or violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability.

Head Lice

As we begin the school year, Health Services would like to remind parents to periodically check their children for head lice. Head lice are not uncommon in school settings, but some studies have shown that lice are NOT highly transferable in the school setting. Below is helpful information about head lice.

LSH School District will follow this procedure:

1. A child will be checked as needed or as referred by a teacher.
2. If LIVE lice are found on a child at school
 - The parent/guardian will be contacted
 - Children will be sent home to be treated and cannot return until there are NO LIVE lice. If there are only nits, then the student can return.
 - Siblings or close contacts in the classroom will be checked as referred by the classroom teacher.
3. When a child returns to school:
 - School personnel will check the child's head, but they are NOT responsible for picking live lice and/or nits from the child's head
 - If there are only nits, then the child will be sent to class
 - If there are live lice, the child will be sent home again to retreat

Preserving the confidentiality of each student/family is mandated. Classroom or school-wide screening is currently discouraged. Screening for nits alone is not an accurate way of predicting which children are or will be infested, and screening for live lice has not been proven to have significant effect on the incidence of head lice in a school community over time*. School screenings cannot take the place of more careful parental checks*. It is the parent's responsibility, as with other conditions, to be aware of their child's needs and seek the necessary care. If information or resources are needed, please contact school health services or your family care provider.

*American Academy of Pediatrics

Health Screening

Vision and hearing screening is conducted in the fall for all students grades: 1, 3 and 5. If you request your child not be screened or if your child has a special health concern that may make it difficult for a routine vision screening, please contact your building health services office.

Vision and Hearing screenings can be conducted at any time by a special request or referral from teachers or parents. When suspected health problems are detected, a referral for a medical evaluation is made. If financial assistance is needed or resource information is requested, please contact the District School Nurse at (507)665-4711.

Healthy Snacks

The Le Sueur-Henderson School district has adopted a wellness policy that promotes healthy lifestyle choices for our students and staff. At Hilltop and Park we will be helping our school community make health conscious choices by offering healthy snacks at school.

whenever possible.

We know most children do not get enough fruits and vegetables on a daily basis. Research has shown five servings of fruits/vegetables a day is the minimum for good health, and years down the road, they can reduce heart disease and cancer. Fruits and vegetables are loaded with vitamins and minerals, are low in fat, sugars, and salt and are high in fiber. They are the original "Fast Food".

At the elementary level we would like to offer children in grades K-5 a healthy snack mid-morning to help encourage the five a day habit! We are able to order fruits, vegetables and other healthy options in bulk, reducing the cost to you. During back-to-school conferences you will have the opportunity to sign up for healthy snacks for your children. The cost will be \$40.00 for the entire school year. There will be several choices each day for students including: bananas, baby carrots, apples, oranges, sunflower/pumpkin seeds, string cheese, graham crackers and pretzels.

You may still choose to send a daily snack with your students. If you do, we ask that you choose from the following items: any fruits, any vegetables, crackers, pretzels, almonds/cashews, (no peanuts due to allergies), rice cakes, whole grain bagels or yogurt.

We hope you take advantage of this opportunity to perhaps save some money, enjoy the convenience of a school provided snack and most importantly provide "top notch" nutrition for your child at snack time. This is how the cost breaks down.

\$40.00 per year - 173 school days - \$0.23 per day

Please take the time to discuss the snack guidelines with your children. We encourage you to take your children to the produce section when you shop for groceries and let them try new fruits and vegetables. Please make sure to stop by the snack cart in the fall and have a healthy snack and sign your child up for the Healthy Eating Snack Program.

Homework

Any homework assigned will have been fully explained to the pupil and of a type that can be done with resources available in the home. Normally, a child who properly uses time available in school should not have an unreasonable amount of homework. A child who misses school for an appreciable length of time may have make-up work assigned to do at home. When your child has homework, you should help as follows:

1. Provide the child with a place to study which is free from distractions. Check to see the lighting is adequate.
2. Set aside a definite time period in the after school hours and designate it "homework time".
3. After school, in the afternoon, or right after dinner are better for study period than later on in the evening when the child is fatigued.
4. If a child is having a difficult time grasping material, contact the teacher to see if there is anything you can do at home to help your child climb the ladder to successful learning.

| | |
|--|---|
| | <p>5. Provide guidance when the child is doing homework, but don't do the homework.</p> <p>If you request homework for a child who is ill, call the school office before 11:00am to allow the teacher an opportunity to prepare the assignments. Better yet, mention it when you call the attendance line about the student being out ill. If you send a message requesting homework with a sibling or neighborhood student, please have them stop in to see the teacher when they arrive at school in the morning.</p> |

| <p>Immunization Requirements</p>  | <p>Minnesota law requires parents/guardians of students enrolled in public schools provide documentation that immunizations against certain communicable diseases have been received or provide a signed, notarized conscientious exemption to a school official. The following immunizations are required prior to entrance in Kindergarten:</p> <ul style="list-style-type: none"> ● 5 doses of diphtheria, tetanus, pertussis; ● 4 doses of polio; ● 2 doses of measles, mumps, rubella; ● 3 doses of Hepatitis B; and 2 doses of varicella (chicken pox). <p>For further information contact your clinic, public health office or the school nurse. A student will not be allowed to remain in school unless immunizations are up to date. See Minnesota Law.</p> |

| <p>Injury/Accidents</p> | <p>Students involved in any injury of any kind in gym, classroom, corridors, as well as in athletic competition, must report the accident to the teacher/adult in charge immediately. | <p>Internet Acceptable Use & Safety Policy</p> | <p>The school district is providing students and employees with access to the school district computer system, which includes Internet access. The purpose of the system is more specific than providing students and employees with general access to the Internet. The school district system has a limited educational purpose, which includes use of the system for classroom activities, educational research, and professional or career development activities. Users are expected to use Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses which might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose network.</p> <p>The use of the school district system and access to use of the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school</p> |

Life Threatening Allergies

In any given school year we may have students and staff with life threatening allergies to bee stings, peanuts and/or tree nuts. Although emergency medications and treatments are available in the health office in the event of a severe allergic reaction, the best treatment is prevention since measures may not be adequate to counteract the swift severe reactions that may occur.

Ideally our environment would be free of all allergens, including those related to foods, but this is not always possible. With peanuts it can be especially difficult since they can be a hidden ingredient in foods.

- In an effort to keep children and adults safe we ask that you:
- Frequently remind your child never to share any part of their lunch or snack.
 - Check with the school nurse regarding food allergies or dietary restrictions in the class if you would like to bring treats for a birthday or classroom party.
 - Bring treats that are nut and peanut free.

Lunchroom Expectations

1. Students must remain in the cafeteria.
2. Students are responsible for picking up after themselves and returning their trays to the dishwashing area.
3. Students should line up in an orderly manner to get their lunch.
4. Students should keep voices low and behave appropriately.
5. Students should NOT share food with one another from school or home due to potential unknown allergies and spreading germs.

Lockers

Students are assigned a locker. Students should never leave money or other items of value in their lockers. According to Minnesota State Law; lockers and desks are District property and may be searched without the student's permission or knowledge. In addition, if school personnel have reasonable suspicion, they may search through any personal belongings.

Lost & Damaged Materials

The school will charge an appropriate replacement fee for electronic devices, textbooks, workbooks and/or library books that are lost and/or damaged beyond repair.

Lost & Found

PLEASE PUT YOUR CHILD'S NAME on all of their personal items; so we can return them if they are lost. Remind your children to check the "lost and found" when something disappeared at school. Parents are welcome to check this area at any time.

Medication Policy

Before a school nurse or health aid designated by the school nurse can administer prescriptions or over-the-counter (OTC) medication to a student, the following must be provided by the parent/guardian:

1. A signed authorization from the parent/guardian
2. Written order from the physician
3. Bottle of medication labeled by a pharmacy/physician (for prescription medications or bottle labeled with student's name (OTC)
4. Asthma inhalers labeled by a pharmacy/physician may be kept by the student. The school nurse and classroom teacher should be aware of its use.

If the inhaler needs to be dispensed from the nurse's office, the above guidelines (1, 2, and 3) should be followed.

Messages

Each staff member has voice mail access. Those messages are picked up before and after school. Emergency messages need to be directed to the office staff.

Each day we receive many requests to get a message to students. We know that occasionally important family things come up and it is necessary to contact your child. However, because teaching/learning is a priority, we need to keep messages and classroom interruptions to a minimum.

Money Brought to School

Any money brought to school should be sealed in an envelope with the student's name, teacher's name, amount and purpose of money clearly marked on the envelope.

Parent Teacher Conferences

Parent-Teacher Conferences are one of the most important channels of communication between school and home. Conferences are held twice a year. You will sign up for a 15 minute visit with your child's teacher through an online scheduler. Watch for more information about how to sign up in the school newsletter.

TIPS FOR A SUCCESSFUL CONFERENCE:

- 1) Arrive on time;
- 2) Make a list before you come of items you want to discuss, or questions you'd like answered;
- 3) Ask for clarification of any information the teacher gives that you don't understand;
- 4) Follow-up with the teacher in the weeks to come.

Positive Behavior Interventions & Support (PBIS)

Park and Hilltop Elementary Schools use the Positive Behavior Interventions and Support (PBIS) system as a system for teaching our students behavior expectations.

PBIS is:

- Used with all students and staff at Park and Hilltop Elementary
- Used in all areas of the school (classrooms, cafeteria, playground, restrooms, buses, etc.)
- Used to help schools create learning environments that teach and support children in making appropriate decisions.

A PBIS school teaches the expectations to all students throughout the school year. PBIS schools provide consistent, predictable and fair use of consequences for all students. Our staff teaches the students these expectations and provides opportunities for them to practice using GIANT PRIDE.

Parents can support PBIS by:

- Reading and discussing the Behavior Expectations Matrix. Matrixes will be available at our upcoming conferences or in the school offices.
- Be involved in your child's daily routines by checking planners/folders, attending conferences and contacting the teacher when you have questions.
- Review the Behavior Expectation Matrix with your child if he/she experiences behavior problems at school.
- Work on a plan to help your child with strategies for choosing appropriate behaviors.
- Support teacher and administrative behavior decisions.

Teaching a behavior that schools expect to see works best when there is consistency across home and school settings. When a child has a challenging behavior at school, a strong partnership between the school and family is important. Family involvement is a key feature when developing positive behavior support plans for all students. School-wide positive behavioral interventions and support is a school-wide approach to helping all children learn to self-manage behaviors. However, parent involvement is really important

When parents are involved, outcomes for children are better.</p> <p>Participating in a PBIS initiative is more than volunteering to help with a school field trip or help out in the classroom. The secretary will then call your child to the office. |

School Counselor

The school counselor is a resource person within our schools who works with students, parents, teachers and administration. The school counselor may work with students during the year, either individually, in a group, as part of a family or in the classroom setting.

In the classroom, the school counselor uses materials and discussion along with group process skills to help students discover and clarify personal values, learn truths about themselves, develop positive attitudes towards others and find out how others feel and think about important matters. A great variety of topics are discussed: goals, friends, academic successes, cooperation, study habits, competition, family responsibility, self-awareness, justice and values.

The school counselor may

- conduct phone and parent conferences during the year
- provide short-term family support
- help those requiring longer-term support to find appropriate help.

The school counselor works closely with the principal and staff discussing school needs and educational planning. In general, the role of the school counselor is to work to improve communication within the school and between school and home for all those who are interested in academic and personal development of the children.

School Nurse

A certified school nurse is in the district during the school day. Health services are provided for all students and staff. **A diagnosis of any illness is NOT made by the nurse.**

- Park Nurse Hours: 8:00 a.m. - 10:00 a.m.
- Hilltop Nurse Hours: 1:15 p.m. - 3:00 p.m.

Health services include: (1) first aid, (2) hearing and vision screening, (3) limited classroom teaching, (4) individual student/family health counseling, (5) immunization clinic, (6) scoliosis screening, (7) keeping of health records on each child, and (8) a resource for teachers.

If a student becomes ill at school, the parent or guardian, or a person designated by the parent or guardian is called. It is their responsibility to take the student home. In case of an accident, first aid will be administered. The parent or guardian will be called. If the student needs further treatment, it is the responsibility of the parent or guardian to transport the student to the doctor. In the event that a parent or guardian cannot be reached, the school will contact the physician listed on the student information form or make whatever arrangements necessary to provide health services to the child.

It is very important to update the student information form for each of your students each fall, so we have the most current information should illness or an accident occur during the school day. If any changes occur during the year please contact the school secretary with a new address, phone number, work phone, neighbor contact, etc.

If a student's symptoms suggest the presence of a communicable disease, including fever, diarrhea, vomiting and uncontrolled coughing, they should remain home for at least 24 hours or until symptoms resolve.

Parents are requested to report any contagious disease to the school as soon as possible. The rules for returning to school and the incubation period (the length of time from first exposure to appearance of symptoms) for some diseases are listed:

- **CHICKEN POX:** Viral itchy rash illness. Incubation period can range from 10-21 days, usually 14 days. Exclude from school until all pox are dry and scabbed over or rash is faded and no new spots have developed for 24 hours. Immunization possible.
- **MEASLES (RUBEOLA):** Highly contagious viral rash. Incubation period 8-14 days. Contagious 4 days before to 4 days after the rash appears. Complications include diarrhea, ear infections, pneumonia and encephalitis. Immunizations available.
- **MUMPS:** Viral infection. Incubation period 12-25 days, usually 16-18 days. Contagious 7 days before until 9 days after swelling begins. Immunization possible.
- **PERTUSSIS:** Bacterial respiratory infection. Incubation period 6-20 days, usually 7-10 days. Exclude from school until 5 days after antibiotic treatment begins. Immunization available.
- **STREP THROAT:** Incubation period 2-5 days. Medical treatment recommended. Exclude from school for 24 hours after antibiotic treatment begins and no fever is present.
- **PINK EYE:** (Conjunctivitis, viral or bacterial) Incubation period 1-12 days depending on organism, usually 3 days. Contagious while symptoms are present. Medical treatment recommended. Exclude from school until 24 hours after antibiotics are started or until symptoms resolve if unable to keep hands away from eyes.
- **MRSA:** (Methicillin Resistant Staph Aureus) Bacterial skin infection. Exclude from school only if excessive drainage and/or wound cannot be covered.
- **INFLUENZA:** Viral respiratory infection. Incubation period 1-4 days. Exclude from school until the fever is gone and students can participate in activities (generally 5 days after onset of symptoms. Vaccine available.

School Parties

Classroom parties may occur for special events during the school year. Parents will be informed of any arrangements or donations that may be needed.

Birthday treats may be brought and shared with a child's classmates. The treats must be pre-packaged or commercially prepared as designated by State Health Regulations. Contact your child's teacher to set up the day and time and to inquire as to possible food allergies within the classroom.

Specialist Classes

Students rotate between the specialty classrooms once every four days

PHYSICAL EDUCATION

The basic goals of physical education are to have the children be active, to learn something about movement and to have fun. In the primary grades (K-3) emphasis is on movement education to develop basic skills and perceptual awareness. In the intermediate grades (4-5) many team sports and individual sports are introduced. There is still a concentration on basic skills. Rhythm is a major area at all levels. Physical fitness testing is done in the intermediate grades. Students will be dismissed from physical activities with a doctor's excuse.

GYM SHOES: Children are asked to have separate tennis shoes available for gym periods. This is a safety precaution for your child. The shoes do not need to be new, but clean and free of outside mud and dirt.

MUSIC

The students study a wide spectrum of topics; singing, music history, composers, music appreciation, rhythm and movement exploration, musical instruments and music theory.

ART

Students are exposed to different media; paint, crayon, wood, plastic, fibers, collages, sculptures and prints. The main emphasis in the primary grades is on originality and creativity. The upper grades move into more emphasis on design.

MEDIA

The elementary schools are fortunate to have well-established, cheerful, inviting library media centers for both students and staff. Fine collections of fiction and nonfiction books are available for pleasure reading, as well as, a wide range of popular children's magazines.

The students in K-3 have scheduled library/media classes to ensure their regular, habit

forming exposure to all kinds of reading materials. iPads and Chromebooks are also available to students and staff. Classes meet with the Library Media Specialists for a story time, a sharing of what they have been reading or an introduction to some new or previously unknown titles available in the library. Students are then given time to select their books for checkout.

In the intermediate grades, all students receive specific formal instruction in library/media skills and usage. They are introduced to different kinds of books, the card catalog and its use, reference books indexes and a variety of reference aides. They also become familiar with the arrangement of our library/media centers in order to become more self-sufficient now and in the years ahead and to transfer what they learned about our library/media centers to those libraries they encounter in middle school and high school.

Student Dress

We believe neat and proper dress contributes to positive attitudes and self-image. Articles of clothing promoting drug/tobacco use, violence, sexually offensive implications or containing profanity are never acceptable. Inappropriate dress also includes a lack of shoes or shirts, coats (exception: if the teacher believes the room temperature to be too cool), hats, bandanas and any other apparel that interferes with instruction. Please refer to the complete student dress code policy on the District website for further information.

Student Registration

Students enrolled at the elementary schools are automatically registered in the spring for the following school year. Children entering kindergarten in the fall are to be registered in the spring during Kindergarten Roundup (New Kindergarten Registration). Those students new to the district should register prior to school opening in the fall. This registration will take place approximately two weeks in advance of the start of school and may be done at the elementary offices.

Children entering kindergarten must be five (5) years of age on or before September 1. The school does have an early admission policy for underage children who qualify. Please consult with the principal if you have questions.

Student Telephone/Cell Phone Use

Students will not be called from classes to answer phone calls except in the case of a family emergency. Important messages will be relayed to students at appropriate times.

We encourage students to leave their cell phones at home. If it is absolutely necessary that your student has a cell phone in school, then they will be required to stay in the child's locker on silent or turned off. If a student brings their cell phone into the classroom and it interferes with the educational process, then it may be confiscated and parents/guardians may be required to pick it up from the office.

Textbooks & Instructional

All textbooks are furnished free of charge by the school district. However, parents/guardians will be charged for loss of books or wear beyond normal use. Personal items such as notebooks, pencils, colors, rulers, pens, etc. are purchased by the individual

GRIEVANCE PROCEDURE FOR
COMPLAINTS OF DISCRIMINATION**

The following grievance procedure applies to claims of sex and disability discrimination:

- A. Any person who believes he or she has been the victim of unlawful discrimination or any person with knowledge or belief of conduct that may constitute unlawful discrimination shall report the alleged acts immediately to an appropriate school district official designated by this policy. The complaint must be filed within 30 calendar days of the alleged violation.
- B. The Human Rights Officer is responsible for receiving oral or written complaints of unlawful discrimination toward an employee or student. However, nothing in this policy shall prevent any person from reporting unlawful discrimination toward an employee or student directly with the Human Rights Officer, the school board or other school district official.
- C. While the school board has designated the Human Rights Officer to receive complaints of unlawful discrimination, if the complaint involves the Human Rights Officer, the complaint shall be made to the superintendent.
- D. Upon receipt of a complaint, the Human Rights Officer shall immediately notify the superintendent. If the superintendent is the subject of the complaint, the Human Rights Officer shall immediately notify the school board.
- E. The Human Rights Officer may request but not insist upon a written complaint. Alternative means of filing a complaint, such as through a personal interview or by tape recording, shall be made available upon request for qualified persons with a disability. If the complaint is oral, it shall be reduced to writing within 24 hours and forwarded to the superintendent. Failure to do so may result in disciplinary action. The school district encourages the reporting party to complete the complaint form for written complaints. It is available from the principal of each building or the school district office.
- F. The school district shall respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses, consistent with the school district's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

INVESTIGATION

- A. The Human Rights Officer, upon receipt of a complaint alleging unlawful discrimination shall promptly undertake an investigation if deemed appropriate. The investigation may be conducted by the Title IX coordinator for complaints of sex discrimination or the Section 504 Coordinator for complaints of disability discrimination, or a school district official or neutral third party designated by the Title IX coordinator, Section 504 coordinator or Human Rights Officer. The investigation shall be completed within 30 days of the complaint, unless impracticable.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods deemed pertinent by the investigator.

- C. In determining whether the alleged conduct constitutes a violation of this policy, the school district shall consider the facts and the surrounding circumstances such as the nature of the behavior, past incidents or continuing patterns of behavior, the relationships between the parties involved and the context in which the alleged incident occurred.
- D. The school district may take immediate steps to protect the parties involved in the complaint process, pending completion of an investigation of alleged unlawful discrimination.
- E. Upon completion of the investigation, the school district investigator shall make a written report to the Human Rights Officer. If the complaint involves the Human Rights Officer, the report may be filed directly with the superintendent or school board. The report shall include the facts, a determination of whether the allegations have been substantiated, whether a violation of this policy has occurred as well as a description of any proposed resolution which may include alternative dispute resolution.
- F. The district shall comply with federal and state law pertaining to retention of records.

APPEAL

If the grievance has not been resolved to the satisfaction of the complainant, s/he may appeal to the Human Rights Officer within ten (10) school days of receipt of the findings of the school district investigation. The school district investigator shall conduct a review of the appeal and within ten (10) school days of receipt of the appeal, shall affirm, reverse, or modify the findings of the report. The decision of the school district investigator is final but does not preclude pursuit of alternative complaint procedures noted in the section entitled "Right to Alternative Complaint Procedures."

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student’s achievement, but your student’s participation is important to understand how effectively the education at your student’s school is aligned to the academic standards.

- In Minnesota’s implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered “proficient.”
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

| <p>Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS)</p> <ul style="list-style-type: none"> • Based on the Minnesota Academic Standards; given annually in grades 3–8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science. • Majority of students take the MCA. • MTAS is an option for students with the most significant cognitive disabilities. | <p>ACCESS and Alternate ACCESS for English Learners</p> <ul style="list-style-type: none"> • Based on the WIDA English Language Development Standards. • Given annually to English learners in grades K–12 in reading, writing, listening, and speaking. • Majority of English learners take ACCESS for ELLs. • Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities. |
|--|--|

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

Date _____ (This form is **only** applicable for the 20__ to 20__ school year.)

Student's Legal First Name _____ Student's Legal Middle Initial _____

Student's Legal Last Name _____ Student's Date of Birth _____

Student's District/School _____ Grade _____

Please initial to indicate you have received and reviewed information about statewide testing.

_____ I received information on statewide assessments and choose to opt my student out. MDE provides the *Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing* on the [MDE website](http://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading _____ MCA/MTAS Science
 _____ MCA/MTAS Mathematics _____ ACCESS/Alternate ACCESS for ELLs

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

If my student is in high school, I understand that by signing this form my student will not have an MCA score that could potentially save time and money by not having to take remedial, non-credit courses at a Minnesota State college or university.

STUDENT AND PARENT HANDBOOK

WELCOME TO LSH MIDDLE/HIGH SCHOOL

Welcome to Le Sueur-Henderson Middle and High School. It is a privilege to partner with the families, staff and communities on behalf of our students. At LS-H we are cultivating the skills and knowledge that our students will need in order to become independent, productive adults with the ability to determine their own future.

We provide a safe, caring environment for students to make mistakes and grow from these experiences. There is a strong sense of community at LS-H that has been developed throughout our rich history. The dedication of our staff to do what is right for each student has led to a school culture we can all be proud of. At LS-H, students are encouraged to make individual choices regarding their course selection and during their daily curricular activities to continually discover their interests and future career fields. We set high expectations for our students to engage in high quality academic learning opportunities in the dynamic learning community at LS-H Middle/High School.

We believe, in addition to learning content at high levels, students must be able to: think critically, solve problems, consume information, demonstrate effective interpersonal skills, and have the grit and perseverance necessary in order to adapt to a constantly shifting landscape. They must be prepared to learn beyond high school and be ready to engage in personalized learning opportunities.

It is for this reason Le Sueur-Henderson Middle/High School sets and consistently adheres to high expectations around academics and positive behaviors. These expectations apply to each and every student at LS-H. We strive to personalize our approach to student learning needs and develop systemic pathways to meet the needs of our students each and every day. We will continue to focus on student learning through our PLC process, through continued development of guaranteed and viable curriculum aligned to state standards, and engage students in rigorous and relevant learning. We will hold students accountable for their learning and behaviors in a safe, supportive learning environment.

We look forward to supporting each of our students to reach their potential, discover their strengths, and celebrate their successes.

Go Giants!

Sincerely,

Brian Thorstad
Middle School/High School

Students who elect to be off campus during their online class must leave school property each day and sign in/out through the school office.

CRISIS MANAGEMENT

The Le Sueur-Henderson School District has in place a Crisis Management Plan to provide guidelines, structure, and a process in dealing with a range of crisis situations which may interrupt the normal operation of school at our building sites and/or in our community. The plan provides a process to deal with any situation that has the potential to result in physical injury to one or more students, staff, or community members.

The key elements of the Crisis Management Plan involve the following:

- Routine and emergency building security procedures
- Keeping our students and staff safe and out of harm's way
- Identifying the specific role of each member of the school staff during a crisis
- Informing school district staff using information channels to communicate effectively
- Dealing effectively and fairly with the news media and
- Stopping the rumor mill (internally and externally).

For more information, please review [District Policy 806](#).

DATA PRIVACY/RELEASE OF STUDENT INFORMATION

Student records are classified as public, private, or confidential. State & federal laws protect student records from unauthorized inspection or use and provide parents/guardians and eligible students with certain rights. The directory information identified by the Le Sueur-Henderson School District can be found in Policy #515. Per Federal law, Le Sueur-Henderson Schools provides a list of high school students to secondary institutions and military recruiter offices as requested, unless the parent or student requests in writing that their name be removed from the listing. This information is public. The parent or student may, however, notify the school in writing that any or all of the information listed here not be released on that individual student. Parents (or students 18+) who do not want this information to be shared should give notice in writing to the district by October 1st of each year. For more complete information on the rights of parents/guardians and eligible students regarding student records, please review District Policy #515.

EMERGENCY EVACUATION PROCEDURES

Emergency evacuation procedures are posted in each classroom. It is the student's responsibility to know the procedure for each classroom.

- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
- Security deposits for the return of materials, supplies or equipment.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.

LOST AND FOUND

The lost and found service is located in the office. Contact the receptionist if you have lost or found items. Students should not leave money or valuables in lockers. Keep your locker locked at all times and do not share your locker combination with others.

PLEDGE OF ALLEGIANCE

In accordance with state law, schools in the district recite the Pledge of Allegiance to the United States of America one or more times each week. Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice.

POSTERS, BANNERS, SIGNS, AND BULLETIN BOARDS

School sponsored co-curricular activities may post signs/banners/posters to advertise activities concerning school functions with the approval of their group's advisor. School clubs may post signs to advertise meeting times and location with the approval of school administration. Functions that are not school sponsored must have approval of school administration before being posted. Le Sueur-Henderson Middle/High School will have designated posting areas within the building, and all signs/banners/posters must be within these designated posting areas. Any sign/banner/poster not posted in the approved areas or posted without administrative approval will be removed. Those who post information are expected to remove it the school day following the event. Prior permission of administration is required of anyone for the distribution or selling of pamphlets in or about Le Sueur-Henderson Middle/High School.

SCHOOL HOURS

Students are scheduled into classes from 8:10 to 3:08 each day. Students are responsible to report to their assigned classes in the time allowed. The building is open from 7:30 a.m. to 4:00 p.m. for students to use the library or meet with teachers. Students are expected to conduct themselves appropriately and be under the supervision of school staff at all times. Loitering in the building is not allowed.

SENIOR PRIVILEGES

Senior Privileges is a program for seniors who are on track for graduation. Students must have attained a minimum of 20 credits at the beginning of their senior year and 22.5 at the beginning of the second semester of their senior year. Students must demonstrate responsibility by maintaining a minimum cumulative GPA of 2.0 or

a most recent quarter GPA of 2.0 and sustaining a positive attendance record (no more than 5 excused or unexcused absences per semester and no more than 3 tardies during a semester). Seniors who qualify are released from school during their lunch and study hall periods. Senior Privileges will be removed for disciplinary, academic, and/or attendance issues. Seniors who qualify for Senior Privileges must complete the application form, have their parent or guardian sign it, and submit it. Seniors will be informed by the principal or their designee when they have been approved.

STUDENT INSURANCE

The school district has no student insurance for accidents occurring at school.

STUDENT LOCKERS

Students and parents are reminded that lockers are school property and “on loan” to the student for the school year. It is the responsibility of the student to ensure that no one else has the combination for the locker, and to keep the contents of the locker free of illegal or dangerous items. Valuables; including wallets or purses, should not be kept in the locker, as the district assumes no responsibility for lost or stolen items. Only school locks are allowed on lockers; this does not apply to athletic lockers. Other locks used in locker rooms will be removed, even if the lock is destroyed (with no replacement compensation), when deemed necessary by school administration. Students are reminded to report any problems with their locker, repairs needed or theft immediately. If the locker is damaged, a fine will be assessed. The fine will be based on the cost of the repairs. According to District Policy #502, school officials may inspect the interiors of lockers for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student’s personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. Students may be held responsible for damage done to his/her locker. All lockers must be emptied completely by the last day of the completion of each school year.

STUDENT MESSAGES/DELIVERIES

Parents/guardians are asked to refrain from calling students during the school hours. Only urgent phone messages from a parent/guardian will be delivered to students. Students are expected to stop in the office for packages delivered from parents. No work related messages from employers will be delivered. No student-to-student messages will be delivered. The school will not accept delivery of gifts, flowers, food, etc. for students.

STUDENT PARKING:

Student parking will not be assigned and will be on a first come, first choice basis each day. Students will need to complete a parking permit registration form and submit payment to the Le Sueur-Henderson High School office. This can be done beginning on the third Monday in August. The cost for a parking pass will be determined by the following dates of purchase and be valid through the school year:

- Permits purchased between August 2021 - Nov. 5, 2021 - \$70.00
- Permits purchased between Nov. 8, 2021 - Jan. 28, 2022 - \$52.50
- Permits purchased between Jan. 31 - April 1, 2022 - \$35.00
- Permits purchased between April 4 - June 3, 2022 - \$17.50

Upon receipt of payment and registration, the student will receive a parking permit allowing them to park in the North or West parking lots at LS-H High School. The school bus lot and faculty lot off of Ferry Street are off limits to students from 7:30 a.m. to 4:00 p.m. Parking lot will be randomly checked for vehicles that do not have permits as well as cars parked in nonstudent locations. Vehicles parked on school grounds without the proper permit or parked in nonstudent locations will be towed at the owner’s expense. Interiors of students’ vehicles in school district locations may be searched when school officials have a reasonable suspicion that the search will

uncover a violation of a law, school policy, or rule. If a search yields contraband, school officials may seize the item and may turn it over to legal authorities when appropriate. A student who violates this policy may be subject to withdrawal of parking privileges and/or discipline according to the school district's "Student Discipline" policy.

VISITORS

Students enrolled in other school districts may not attend LS-H Middle and High School during the academic day. They are welcome to attend extra curricular activities and must follow the guest procedures outlined for all school dances.

We value and encourage parental involvement. We also encourage parent visits to school, especially for special events such as concerts, conferences, open house, and sporting events, and also for volunteering opportunities. We also encourage parents to visit during the school day. In the interest of assuring student safety and minimizing disruptions to the educational process, visitors who plan to come in during the student day (8:10 AM-3:08 PM) must abide by the following guidelines:

1. Parents are welcome to visit the guidance or administrative offices at any time during the school day, but appointments are advised if you wish to see a specific person.
2. Please notify the school office at least 24 hours in advance if you wish to visit a classroom so that the teacher can also be notified.
3. Please do not use the classroom visit for parent-teacher conferencing. Teacher conferences should be scheduled for before 8:10 AM or after 3:08 PM.
4. Please do not bring others, especially young children, on your visit.
5. Classroom visitation will, in general, be permitted only for classes in which your child is enrolled and presently attending.
6. Actions or demonstrations that draw attention or disrupt the class in any way are prohibited.
7. Visitors will not audiotape, videotape or take photographs during the class without prior permission from the principal.
8. The names of students shall not be mentioned by the visitor when publicly discussing anything observed during the visit.
9. If a parent requests a visit to his or her school and custody of the child is an issue, the principal will abide by existing legal agreements.
10. School administrators have the discretion to adopt or enforce more specific and/or restrictive rules governing visits to school buildings.

Visitors must report to the school office when they arrive to obtain a visitor's pass. This is done to assure student safety. An individual or group may be denied permission to visit a school or school property or such permission may be revoked if the visitor(s) does not comply with the school district procedures and regulations or if the visit is not in the best interest of students, employees or the school district. During the school day, visitors will be asked to present a government-issued ID, such as a driver's license or passport, which will be scanned into the system. The Raptor system will then conduct an on-the-spot background check against the national sex-offender database. Once entry is approved, a sticker badge will be issued. The system does not create a copy of the ID. The Raptor scanner collects the ID photo, name, date of birth, and the last four digits of the license number. All visitors will both register and check out in the school office.

WEATHER EMERGENCIES

School cancellations or emergency late starts will be announced through the school notification system and on radio stations KEEZ (Z99) 99.1 FM; KYSM 103.5 FM; KRBI 105.5 FM; KMKO 95.7 FM (all are Three Eagles Radio Stations in Mankato); KCHK New Prague 103.5 AM, 95.5 FM and TV stations WCCO Channel 4, KSTP Channel 5, KMSP Channel 9, KARE Channel 11 and KEYC Channel 12. Please use these notification systems, rather than calling the school. It is important our lines are available for emergency calls. In most instances, if there is an emergency school closing or if school is closed due to inclement weather, all co-curricular practices,

games, or events will be canceled or postponed. Exceptions to this policy may occur if conditions improve throughout the day and travel is deemed safe for games and/or practices. A final decision on participation in Activities during emergency closing situations will be made by the Superintendent, Activities Director, Building Principal, and Director of Transportation.

II. ACADEMICS

ACADEMIC INFORMATION (GRADES 9 – 12)

COMPUTING GRADE POINT AVERAGE

Each grade is given a value. The quarterly GPA is the average value of the grades earned in the quarter just completed.

Grades are valued as follows:

| | | |
|-------------|------------|-----------|
| A = 4.00 | B- = 2.667 | D+ = 1.33 |
| A- = 3.667 | C+ = 2.333 | D = 1.000 |
| B + = 3.333 | C = 2.000 | D- = .667 |
| B = 3.000 | C- = 1.667 | F = .000 |

FLEX LEARNING DAYS DUE TO EMERGENCY CLOSINGS

The term “flexible learning day” refers to a school day when instead of coming to our school buildings, teachers and students will be working off-site. Students in grades K-12 will do different learning activities throughout the flexible learning day.

Flexible Learning Days are intended to counter the loss of curriculum momentum resulting from school cancellations due to Minnesota’s winter weather. Flexible Learning Days cannot replace the face-to-face time students have with their teachers but it can provide better continuity when school is interrupted. Flexible Learning Days also negate the need for makeup school days in June.

The first two weather related days of school closure will not be made up and there will be no assignments. However, the third through seventh weather related emergency closings will be Flexible Learning Days. All Flexible Learning Days count as a day of school for our students and teachers; there will be required assignments. A maximum of five Flexible Learning Days can occur per school year. If we exceed that threshold, then the District will activate the Emergency Make Up Days as denoted on the school calendar.

*This is a summary of the Flex Learning Days Procedures. To view the complete procedure, please visit our website www.isd2397.org

GRADING SCALE

| | | |
|-------------------|------------|------------------|
| A: 93% and higher | B-: 80-82% | D+: 67-69% |
| A-: 90-92% | C+: 77-79% | D: 63-66% |
| B+: 87-89% | C: 73-76% | D-: 60-62% |
| B: 83-86% | C-: 70-72% | F: 59% and lower |

*Alternate grading scales will be used as required for concurrent enrollment, PSEO, and courses sponsored by other institutions.

GRADUATION RECOGNITION

Le Sueur-Henderson High School will give special recognition for student academic achievement at the Commencement Ceremony as follows:

Honors: (GPA 3.0 to 3.5) will be recognized at the Graduation Ceremony as graduating with Honors and noted in the program.

High Honors: (GPA 3.51 to 3.85) students will be recognized at the Graduation Ceremony with yellow cords and noted in the program.

Graduating with Distinction: (GPA 3.86 and above) will be recognized at the Graduation Ceremony with medals and noted in the program.

*Graduation recognition will be determined at the end of first semester of senior year.

Students graduating with Distinction will be eligible to apply to speak at the graduation ceremony. Students will apply to the Faculty Leadership Team (SPDLT) and they will determine who will speak at graduation. The application will include why they wish to address the class and community and demographic information.

GRADUATION REQUIREMENTS

A primary goal of Le Sueur-Henderson High School is that each student who attends will be college and career ready upon graduation. We also strive to help each student be healthy, safe, engaged, supported, and challenged. All students must meet the requirements for graduation as prescribed by the State of Minnesota and the School Board of Independent School District #2397. For a detailed explanation of graduation requirements, see the Le Sueur-Henderson High School Student Registration Guide.

HONOR ROLL

1. Students must carry a minimum of three classes with letter grades to be listed on the honor roll.
2. Any class which is graded S (satisfactory) or U (unsatisfactory) will not be computed for honor roll purposes.
3. Students have the opportunity of being recognized each quarter in one of three levels:
A Honor Roll: GPA of 3.667 or above
B+ Honor Roll: GPA of 3.333 - 3.666
B Honor Roll: GPA of 3.000 - 3.332

INCOMPLETE GRADES

Incomplete grades are given only due to circumstances beyond the control of the student. Students who receive an incomplete at the end of a grading period have 2 weeks (10 school days) to complete the work. After that time, work not turned in will receive a failing grade.

RELEARNING OPPORTUNITIES

At Le Sueur-Henderson Middle/High School, we believe that all students should have the opportunity to make mistakes and demonstrate growth throughout the learning process. Our goal is that all students demonstrate mastery of our essential content area standards. As a result, reassessment opportunities will be provided to all students on summative assessments. Students are expected to work with their teacher to develop a relearning plan that must be completed prior to a reassessment opportunity being provided. Reassessment scores will replace the initial summative assessment score. Relearning opportunities will not be provided on assessments that occur at the end of Semester 1, Semester 2 or any Trimester.

SCHEDULES

Students must be registered and attending LS-H High School for seven periods each semester. Students may only register for two periods of study hall. Any variation from these guidelines would be at the principal's discretion.

SCHEDULE CHANGES

During summer, schedule changes can only be made during "Back to Business Days." Phone calls and emails regarding schedule changes will not be accepted. To make schedule changes once school starts, students must make changes during the first four days of the semester. Please note that the counselor will only be making schedule changes during the first four days of each semester. Because a thorough registration process occurred in

Spring semester of the previous school year that determined section numbers and teacher allocations, schedule change requests can only be made for the following reasons:

1. The student does not have the prerequisite(s) for the class listed.
2. The student failed a class.
3. There is an obvious error (two classes scheduled at the same time).
4. A class that is needed to graduate is not listed or was dropped from the schedule.
5. The schedule is unbalanced.

Due to the importance of keeping our class size as low as possible, changes cannot be accepted for the following reasons:

1. The student has not completed summer requirements.
2. To request a specific teacher or hour.
3. To have a class with a friend.
4. To have a specific lunch period.

SECTION 504 POLICY STATEMENT:

Section 504 is a federal regulation that prohibits discrimination against persons with a disability in any program with federal financial assistance. It defines a person with a disability as anyone who:

1. Has a physical or mental impairment which substantially limits one or more major life activity such as caring for one's self, performing manual tasks, seeing, hearing, speaking, breathing, learning and working;
2. Has a record of such an impairment; or
3. Is regarded as having such impairment. (34 Code of Federal Regulations Part 104.3)

It is the policy of the Le Sueur-Henderson Board of Education to provide a free and appropriate education to each handicapped student within its jurisdiction, regardless of the nature or severity of the handicap. It is the intent of the district to ensure that students who are handicapped within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated and provided with appropriate educational services. Students may be handicapped under this policy even though they do not require services pursuant to the Individuals with Disabilities Act (IDEA). Due process rights of handicapped students and their parents under Section 504 will be enforced. Questions or concerns can be directed to the school office.

SPECIAL EDUCATION

The district takes pride in offering high quality staff and programs to students with special needs for learning. Several special needs programs are offered within the school or in cooperation with the Minnesota Valley Education District (MVED).

STUDENT AND PARENT COMMUNICATION TIMELINES

Students and parents should check final grades on Infinite Campus at the end of each term. Dates for the 2021-2022 school year are as follows:

| | |
|---------------------|----------------|
| End of Quarter 1: | Nov. 5, 2021 |
| End of Trimester 1: | Dec. 3, 2021 |
| End of Semester 1: | Jan. 21, 2022 |
| End of Trimester 2: | March 4, 2022 |
| End of Quarter 3: | March 25, 2022 |
| End of Semester 2: | June 3, 2022 |

WEIGHTED GRADE CATEGORIES

Le Sueur-Henderson Middle/High School supports and encourages our students to make mistakes. We understand that mistakes are an essential part of the learning process. The weighted grade categories below will be used to reduce the impact of students' formative mistakes on their reported grade. They will also help to ensure each students' grade accurately communicates their mastery of content area standards.

Summative Assessments: 80%

Formative Assessments: 20%

*Course exceptions will only be granted as approved by administration or as required by a post-secondary institution.

III. ACTIVITIES

CO-CURRICULAR ACTIVITIES INFORMATION

Students are encouraged to participate in the many co-curricular activities available at Le Sueur-Henderson High School. Information regarding participation fees and head coaches/advisors can be found in the LS-H Activities Handbook.

A MSHSL Parent Permission form must be signed by both parent and student once each year; also, a physical examination form must be on file signed by doctor, parent and student and must be renewed every three years. (Participants cannot begin without these forms).

CO-CURRICULAR ACADEMIC ELIGIBILITY STANDARDS

Academic achievement and co-curricular activity participation go hand in hand to promote the educational growth of each student. Whenever there is a question of priority, however, we at Le Sueur-Henderson High School believe that academics should take precedence. For this reason and to encourage achievement in both curricular and co-curricular areas, the following academic standards and eligibility guidelines have been established.

In order to be eligible for all co-curricular events, students must have all school work current and up to a passing level. Every two weeks, starting with the 3rd week of each semester, a "deficiency list" will be generated by the Activities Director. All students whose name appears on the "deficiency list" will forfeit their privilege to participate in co-curricular events until they are passing all of their classes. In order to regain eligibility for co-curricular participation, ineligible students are required to bring teacher-signed verification to the Activities Director or the Activities Director's Secretary that their schoolwork is at a passing level.

STUDENT IN GOOD STANDING EXPECTATIONS

All Homecoming/Snow Week Dance/Prom/School Dance/Valleyfair attendees must qualify as a student in good standing. To qualify as a student in good standing, A student must:

- Complete all assigned detention time.
- Pay all fees.
- Not be serving any in or out of school suspension or exclusion during the scheduled event.
- Not have a record of repeated behavioral violations. Such a record may result in loss of participation as determined by school administration.
- Not have more than 4 unexcused absences at school for Homecoming.
- Not have more than 6 unexcused absences at school for Snow Week.
- Not have more than 7 unexcused absences at school for Prom or Valleyfair.

A student who is not in good standing significantly compromises their education and the integrity of the school

environment. Students must understand that going to homecoming and/or prom is a privilege and that their primary responsibility is to maximize their academic opportunities while at LS-H.

SCHOOL NURSE

A certified school nurse is in the district during the school day to provide health services for all students and staff. A diagnosis of any illness is not made by the nurse. Health services include: (1) first aid, (2) hearing and vision screening, (3) limited classroom teaching, (4) individual student/family health counseling, (5) immunization clinic, (6) scoliosis screening, (7) keeping of health records on each child, and (8) a resource for teachers.

If a student becomes ill at school, the parent or guardian, or a person designated by the parent or guardian is called by the school nurse. It is the parent's responsibility to take the student home. In case of an accident, first aid will be administered and the parent or guardian will be called. If the student needs further treatment, it is the responsibility of the parent or guardian to transport the student to the doctor. In the event that a parent or guardian cannot be reached, the school will contact the physician listed on the student information form or make whatever arrangements necessary to provide health service to the child.

It is very important to update the student information form for each of your students each Fall, so we have the most current information should illness or an accident occur during the school day. If any changes occur during the year please contact the school secretary with a new address, phone number, work phone, neighbor contact, etc.

Illnesses

Students not feeling well must report to the nurse's office. Students calling a parent/guardian for pickup from school prior to seeing the school nurse will receive an unexcused absence. When your child is ill, please call the school daily to report the illness. If we call because your child has become ill, please make arrangements for your child to be picked up within an hour.

Many students and parents are concerned about when students should stay home or attend school. The following information is intended to help with this decision:

- If the student has had a fever of 100 degrees or more, the student should stay home for 24 hours after the temperature returns to normal without medication.
- If the student has vomited or had diarrhea, he/she should stay home until 24 hours after the last episode.
- If the student has any rash that may be disease-related or the cause is unknown, check with your health care provider before sending him/her to school.
- If the student has open/draining skin sores, or inflamed/draining eyes or ears the student should stay home until seen by your healthcare provider.

ESSENTIAL OILS AND OTHER SCENTED PRODUCTS

Staff will not administer essential oils to students. If the student has a Doctor's prescription for essential oils, this should be administered by the nurse or designee. Staff will be cognizant of student health concerns that may be heightened with scents. Some students are sensitive to air fresheners, diffusers, essential oils or other scented products. If a classroom has a student or staff member that is sensitive, that classroom should not use these products. Please talk to the school nurse if you are unsure if a student is sensitive to these products.

LIBRARY MEDIA CENTER

The Library Media Center (LMC) serves as an instructional facility for all students and staff. It is here that the critical skills of information gathering, analyzing, and evaluating are practiced and reinforced. Located in the LMC are: a main reading and instructional area, a mini-lab for students conducting online research and working on computer projects, a video viewing station, and access to a variety of resources.

The resources of the LMC are made available to all students. Students, in turn, are expected to demonstrate proper care of the materials, equipment and facilities. This includes sharing resources with others by returning them when due. Students will be charged fees for lost or damaged materials.

Use of the LMC during Study Hall

The library is a place for quiet study. Students using the center must not interfere with others working there. No food or pop is allowed in the library or the computer labs. Come to the centers prepared.

Grades 6-8 Procedure: Teachers will take their students to the LMC during classes and stay with them while they are in the LMC.

Grades 9 - 12 Procedure: To use the LMC during study hall, students must obtain a pass from the academic teacher who assigned the materials being worked on. No more than 5 students from any one study hall will be allowed to use the LMC during any given class period. All students must write their name on the sign-in sheets provided at the Media Center desk. Classroom teachers will accompany their students to the LMC and stay with them if more than 5 students need to use the LMC. Students who are

taking online courses will not be allowed to use the LMC unless appropriate technology/resources are unable to be provided in their designated school location.

Penalty for Misuse of the LMC

Students who do not behave in a responsible manner will not be allowed to use the LMC for a time determined by the teacher and Dean of Students or Principal.

V. ATTENDANCE

ATTENDANCE PROCEDURES

It is the responsibility of the students, parents/guardians and the school to assure that the student attends school every day classes are in session. Absence, for whatever reason, is detrimental to a student's success. It is the student's responsibility to make up all work missed due to absence. In accordance with the regulations of the Minnesota Department of Education and the Minnesota Compulsory Attendance Law (MN. Stat.120A.22), students are required to be full time students and attend all assigned classes every day school is in session.

- Any student enrolled in PSEO courses, work experience programs, or on-line courses not affiliated with Le Sueur-Henderson School District #2397 may not be in the building without prior authorization during those periods due to a lack of supervision and potential disruption of the educational setting.
- No student may leave school property during school hours, unless authorized in writing by the Principal or Dean of Students with approval by a parent/guardian. Students must check out through the office if they need to leave the building during the school day. Leaving the school building without a pass will result in an unexcused absence for all classes missed.
- Students are not allowed to sit or be inside of a parked vehicle for any reason during the school day. Office permission must be obtained in order to go inside of a vehicle at any time during the school day; this includes the lunch period. Seniors who have obtained and intend to use Senior Privileges must leave school grounds during their study hall or lunch period. Loitering on school grounds is not allowed.
- Parent absence requests may be denied or counted as unexcused if they are for reasons other than those listed below.
- The school requires a phone call as early as possible. Office hours are 7:30 AM to 4:00 PM. Voicemail will be checked for those parents calling before the office is open. Absences not reported by parents will be recorded as unexcused. **THE ATTENDANCE LINE PHONE NUMBER is 507-665-5801.**

Excused Absences May Include:

- Illness of a student
- Extended illness (Medical Professional Verification May Be Required)
- Death of a family member
- Medical, dental, or orthodontic treatment, or a counseling appointment.
- Religious instruction not to exceed three hours in any week.
- Required court appearance
- Physical emergency conditions such as fire, flood, storm, etc.
- Official school field trip or other school/community-sponsored outings.
- Removal of a student pursuant to a suspension. Suspensions are to be handled as excused absences and students will be permitted to complete make-up work.
- Active duty in any military branch of the United States.
- A student's condition that requires ongoing treatment for a mental health diagnosis.
- Pre-approved/planned absences: The student is responsible for presenting the Pre-Arranged Absence Form to their teacher in order to obtain assignments for the time that he/she will be absent, this includes

school related activities, dental/medical appointments which cannot be scheduled outside the school day, and vacations.

- Any other absences that are pre-approved by the administration. Written application for approval of vacation days must be submitted to the school office by a parent/guardian.

College Visits:

Students are allowed a combination of 3 (three) college visits during their junior and senior years. Additional days may be used with school approval. Parents should notify the attendance secretary in advance of the visit.

Student's Responsibility After an Excused Absence:

- Students whose absences are excused are required to make up all assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher.
- Work missed because of absence must be made up within 2 days from the date of the student's return to school. Any work not completed within this period shall result in "no credit" for the missed assignment. However, the building principal or the classroom teacher may extend the time allowed for completion of make-up work in the case of an extended illness or other extenuating circumstances.

Unexcused Absences May Include:

- Truancy: An absence by a student which was not approved by the parent and/or the school district.
- Any absence in which the student/parent failed to comply with any reporting requirements of the school district's attendance procedures.
- Work at home.
- Work at a business, except under a school-sponsored work release program.
- Parent related work obligations - It is the parent's responsibility to ensure a child has transportation to attend school.
- Oversleeping.
- Car problems/trouble.
- Missing the bus.
- If suspended from the school district transportation, and the child does not attend school.
- Absences resulting from accumulated unexcused tardies, (3) tardies equal one unexcused absence.
 - Middle and High School: Up to 10 minutes late to a class
 - Your child will be considered ABSENT if he/she is more than ten minutes late to class.
- Any other absence not included under the attendance procedures set out in this policy.
- Skipping class.
- Leaving the building without office permission.
- Personal Business -- If an absence is absolutely necessary but the reason is too delicate or sensitive to discuss, the parent should call the Dean of Students or Principal who will ask for just enough information to determine that the absence should be excused. The administration has the right to determine the acceptability of using school time for personal business.

Parents should discuss, before the absence occurs, any other absences not mentioned above with the Dean of Students or Principal. For a student's absence to be excused, the parent or guardian shall notify the school by phone (507-665-5800) the morning of the absence.

Consequences of Unexcused Absences:

- Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.
- Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- In cases of recurring unexcused absences, the administration may also request the county attorney to file a petition with the juvenile court, pursuant to Minnesota statutes.

- A letter will be sent to parent/guardian after 3 (three) unexcused absences.
- If a student reaches 5 (five) unexcused absences a letter will be sent home and a parent meeting with the Dean of Students to make an attendance plan will occur. The county attorney's office may also be notified along with the county social worker.
- If a student reaches 7 (seven) unexcused absences they are considered habitually truant and the county attorney's office will be notified.
- Consequences of tardiness may include detention after 3 unexcused tardies. In addition 3 unexcused tardies are equivalent to one unexcused absence.

Participation in District Sponsored Extracurricular Activities and On-The-Job Training Programs:

This procedure applies to all students involved in any extracurricular activity scheduled either during or outside the school day and any school-sponsored on-the-job training programs.

- School-initiated absences will be accepted and participation permitted.
- A student may not participate in any activity or program if he or she has an unexcused absence from any class during the day.
- If a student is suspended from any class, he or she may not participate in any activity or program that day.
- If a student is absent from school due to medical reasons, he or she must present a physician's statement or a statement from the student's parent or guardian clearing the student for participation that day. The note must be presented to the coach or advisor before the student participates in the activity or program.

BULLYING REPORT FORM

A bullying report form has been established in an ongoing effort to maintain a safe learning environment. The purpose of the form is to provide students and parents with a simple way to report unsafe situations. Students can still share any concerns they might have with school staff. The Bullying Report Form is one more option students and parents have to help keep schools safe and communicate with district administrators.

[LSH Bullying Report Form Link](#)

FOOD AND BEVERAGES

In an effort to maintain high quality school facilities, food and beverages may not be consumed in classrooms and other instructional areas (Ex. fine arts and physical education areas). Students are allowed to carry a water bottle in instructional areas of LS-H Middle/High School. Food and beverage purchased from A'Viand's Food Service may be consumed in the commons or near a second chance breakfast location. Food and beverage may not be consumed in hallways, classrooms, or other areas of the building. If litter becomes a problem in the commons, food and beverage privileges in that area will be removed. Similarly, if refuse from items purchased from vending machines becomes problematic, we will close off access to the vending machines during the school day. Only a principal may grant an exception to the food and beverage policy stated above. Students with special health needs may possess and consume food and/or beverages by arrangement through the health office.

NUISANCE/CONTRABAND ITEMS

“Contraband” means any unauthorized item, the possession of which is prohibited by school district policy and/or law. Such items as fireworks; lighters of any kind; paintballs & paintball guns; squirt guns; knives of any kind; laser pointers/pens; inappropriate media (pictures, magazines, items displaying the Confederate flag or other racial symbols/innuendos, etc.); incense; etc. are all contraband & are NOT allowed in school, on school property/grounds, at school activities, and/or on school buses. If a student inadvertently brings such an item(s) to school, the student needs to report directly to the school office with the item & turn it over to appropriate staff. If this is done accordingly, no consequences will be considered. These items will be confiscated and must be picked up by a parent. Repeated violations of this policy will be considered insubordination and will be subject to further disciplinary consequences.

PICTURES/VIDEO/AUDIO RECORDING

Students shall not photograph or videotape other individuals at school or at school sponsored activities without their knowledge and consent, except for activities considered to be in the public arena such as sporting events or public performances. Use of cellular phones or other personal electronic devices is strictly prohibited in locker rooms and restrooms. Assuring academic integrity: Students shall not use cellular phones or other electronic devices in any way that may cause a teacher or staff member to question whether the student may be cheating on tests or academic work or violating copyright policy.

Use of cellular phones or other personal electronic devices must not violate any other district policies, including those regarding student privacy, copyright, cheating, plagiarism, civility, student code of conduct, electronic technologies acceptable use, or harassment. If a violation occurs involving more than one District policy, consequences for each policy will apply.

TECHNOLOGY USE

The Le Sueur-Henderson School District is committed to teaching 21st century skills. We believe that using technology for teaching and learning supports communication, collaboration, critical thinking and creativity in the classroom. LS-H Schools want to ensure students develop the skills and knowledge necessary to responsibly navigate this emerging modern world. Therefore, Le Sueur-Henderson Schools has implemented a 1:1 (student to computing device) program for grades 4-12 using chromebooks to create a seamless and dynamic educational experience for students. All chromebooks are the property of Le Sueur-Henderson Schools and as a result may be seized and reviewed at any time. Students should have no expectation of privacy of materials found on the chromebook. Please review District Policy 524 and the Device Handbook for further information.

TENNESSEN WARNING

During investigations of student misconduct, students may have the right to say nothing. There may be consequences applied, regardless of the student's decision. Students have the right to know the intended use of any personal information requested and who is authorized to see such information.

BEHAVIORS DEFINED AND CONSEQUENCES:

The following guidelines have been established in order to help students, parents, and teachers better understand the behavioral expectations for students. The consequences are aimed at assisting students in meeting expectations. They are not, however, absolute. Each disciplinary situation that arises will be handled with the best interests of the student involved and the school as a whole in mind. Therefore, professional judgment may be used when determining what, if any, consequences are enforced in a given disciplinary situation. The principal or designee may impose or recommend longer suspensions, expulsion, or any other discipline as appropriate on a case by case basis. Definition of violations follow the table.

ABUSE OF TECHNOLOGY:

Technology is available to students in many areas. Its use can enhance student learning and offer opportunities for student creativity. Specific guidelines are outlined in the Acceptable Use Policy. The use of the school district system and access to use of the Internet is a privilege, not a right.

ASSAULT: STAFF OR STUDENT:

Assault is committing acts of verbal and/or non verbal coercion through intimidation or threat of force. Assault

and battery is committing a physical attack upon another person with the intent of causing bodily harm.

BULLYING:

See School District Policy Bullying Prohibition at the end of the Le Sueur-Henderson High School Parent/Student Handbook.

BUS MISBEHAVIOR:

Safety is of prime concern for the school bus driver. A student is in violation of this rule when he/she interferes with the safe and efficient transportation of students to and from school and/or fails to accept and carry out reasonable instructions given by the bus driver. Students must remember that riding the school bus is a privilege, not a right.

CAFETERIA MISCONDUCT:

Le Sueur-Henderson Middle/High School has a closed campus (Except for Seniors) and students are expected to stay in school for lunch. Students are expected to behave appropriately and cannot take food out of the Commons.

CYBER BULLYING:

Cyberbullying is the act of using technology, such as the Internet or cellular phones, to bully or intimidate. Cyber bullying most often occurs outside of school; however, when the behavior causes a disruption at school and has a direct effect on school safety, students are subject to discipline. Cyber bullying includes messages intended for both students and staff members.

Students who engage in cyberbullying will suffer consequences ranging from a warning to expulsion.

DISORDERLY CONDUCT:

This is defined as engaging in obscene or abusive language or in boisterous and noisy conduct tending to arouse alarm or resentment in others (i.e. poor sportsmanship at athletic events, inappropriate cheers.) False fire alarms will result in an automatic five-day suspension and notification of police.

DISRUPTIVE CONDUCT (CLASSROOM):

Students who are disruptive in the classroom stop their own learning process and interfere with the learning process of other students.

ELECTRONIC DEVICES:

Electronic devices are generally a distraction to the educational process. Additionally, they can disrupt classrooms. If students choose to bring an electronic device to school, it must be muted so it does not disrupt the classroom. Lost or stolen items are often not retrieved and the school will not be responsible for them.

FIGHTING:

Fighting is mutual combat in which both parties have contributed to the situation by verbal and/or physical action. Students are expected to avoid fights and to seek other non-violent means of resolving conflicts. To that end, they are expected to walk away from situations in which they are provoked if at all possible.

HARASSMENT: RELIGIOUS, RACIAL, AND SEXUAL HARASSMENT:

See District 2397 Policy Against Religious, Racial and Sexual Harassment and Violence at the end of the Le Sueur-Henderson Middle/High School Parent/Student Handbook. www.isd2397.org

HAZING:

See School District Policy Hazing Prohibition at the end of the Le Sueur-Henderson Middle/High School Parent/Student Handbook.

Athletes who violate this rule are subject to the same High School League consequences as those who violate High School League rules concerning chemical use and harassment. Participants in hazing or initiation may also be subject to criminal and/or civil action.

DRESS STANDARDS:

At Le Sueur-Henderson Middle/High School, we take pride in the appearance of our students and our learning environment. Our dress reflects the quality of our school, conduct, and adhering to basic standards of dress is preparation for adhering to standards of dress in professional settings after high school. All students must be

attired appropriately. This means that undergarments and posterior will be covered at all times. Shoes must be worn at all times and must not pose a risk to damaging school property.

The following types of clothing are examples of items that are not considered school or workplace appropriate and should not be worn during the school day. This includes, but is not limited to the following:

- Shorts or skirts that reveal buttocks
- Tube tops, halter tops, low cut, midriff, bare back or strapless off-the-shoulder shirts
- Pants that reveal undergarments
- Any jewelry, accessory or clothing that could be used as a weapon is prohibited. This may include, but is not limited to: rings, chains, bracelets, spiked accessories, etc.
- Clothing that is lewd, vulgar, obscene or promotes products or activities that are illegal for use by minors.
- Objectionable emblems, badges, symbols, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to a protected minority group, evidences gang membership or affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals as defined in school policy. This includes representations of confederate flags, swastikas, KKK signs and similar symbols, and applies to school property or school sponsored events on or off of school property including the parking lot and the school buses.

Standards for attire and grooming while participating in elective co-curricular programs may involve additional requirements of students as they represent our school and community.

Students in violation of this policy will be asked to adjust their attire. This may include a phone call to a parent to bring appropriate clothing. If there is repetitive violation of dress code, further action will be taken. The school will reserve the right to change the dress code at any time.

INSUBORDINATION:

Each person, regardless of position or role at Le Sueur-Henderson Middle/High School, has the right to be treated with respect. The deliberate refusal to follow and obey the reasonable request or order of a school staff member or employee will be considered insubordination. For example, any student who refuses to give the proper name to a district employee or go to the office when directed to do so will be considered insubordinate.

Insubordination is also involved when students directly attack a staff member or employee, either physically or with words or manner including but not limited to swearing or obscene language or gestures.

LEAVING THE BUILDING WITHOUT A PASS:

Students are not allowed to leave the building during the day without a pass from the office. This includes going out to the parking lot to retrieve books or supplies from cars. If students need to leave the building, they need to stop in the office to receive a pass. Teachers do not have authority to give students passes to leave the building.

NUISANCE OBJECTS:

Nuisance devices detract from the learning environment and can be potentially dangerous. Nuisance items include but are not limited to firecrackers, water pistols, water balloons, and smoke bombs. Students cannot be in possession of these items on school grounds, at school events, or on school buses. Depending on the seriousness of the item, police may be called.

PLAGIARISM/CHEATING:

The acts of plagiarism and cheating interfere with the learning process. They keep one student from learning and others from having the uniqueness of their work recognized. The following are the most common types of plagiarism that occur in student work:

A. Blatant plagiarism or the direct copying of another's material without acknowledging that source

B. Plagiarizing material or using an original idea of someone else without crediting the source of the material or idea.

To cheat is to mislead an instructor in some way so as to receive a grade for work that the student did not originate, or work performed with unauthorized aid and assistance. Providing work to another student who then claims it as his/her own is considered cheating.

THEFT/BUYING OR RECEIVING STOLEN GOODS:

Students should not bring large amounts of money or valuable property to school. Theft is the unauthorized taking of the property of another. A student knowingly in possession of stolen items is in violation of this policy.

UNNECESSARY USE OF PHYSICAL FORCE OR ROUGHNESS:

This is defined as irresponsible/inappropriate behavior that presents either the potential for or is the cause of physical injury to self or others.

USE OR POSSESSION OF TOBACCO, VAPING PRODUCTS, MATCHES OR LIGHTER:

Use and tobacco is forbidden by state law to anyone under the age of 21. This includes e-cigarettes. Smoking and/or possession of tobacco products is prohibited in school, on school grounds, in the parking lot, and at school-sponsored events. This no-tobacco use/possession policy is in effect both before and after school hours. See School District Policy Tobacco-Free Environment at the end of the Le Sueur-Henderson Middle/High School Parent/Student Handbook.

USE/POSSESSION OF CHEMICALS, ALCOHOL, ITEMS INTENDED TO BE USED AS MOOD ALTERING, PARAPHERNALIA:

The possession or use of controlled chemical substances by students is harmful and illegal. Possession of controlled substances includes illegal drugs, alcohol, or substances intended to be used as mood altering chemicals. Possession and use of narcotics without a prescription is illegal at any age. The school district will help the student and family find resources when appropriate to help maintain the proper atmosphere for learning. Students in violation of this policy during end of year activities will not be allowed to participate in any final week activities including graduation.

VANDALISM:

All members of the school community want to be proud of their school. Vandalism is the willful destruction and/or defacement of property or the destruction and/or defacement through negligence. Students will be responsible to pay restitution for all acts of vandalism.

VULGAR LANGUAGE:

An effective learning and work environment is free of inappropriate language. Students should refrain from swearing while at school. This includes before school, during class, between classes and at lunch, after school, at school sponsored events, and during bus transportation. Using vulgar language towards a staff member may likely result in greater consequences.

WEAPONS:

Items included in this policy:

1. Any object, device or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury including, but not limited to, a firearm, whether loaded or unloaded; air guns; pellet guns; BB guns; all knives; blades; clubs; metal knuckles; nunchucks; throwing stars; explosives; fireworks; mace and other propellants; stun guns; ammunition; poisons; chains, arrows; and objects that have been modified to serve as a weapon.

A student who finds a weapon on the way to school or in a school location, or a student who discovers that he or she accidentally has a weapon in her or her possession, and takes the weapon immediately to the principal's office

shall not be considered to possess a weapon. The superintendent may use discretion in determining whether, under the circumstances, a course of action other than the minimum consequences specified is warranted. If so, other appropriate action may be taken, including consideration of a recommendation for lesser discipline.

VII. DISTRICT POLICIES AND PROCEDURES

CLASSROOM REMOVAL PROCEDURE (POLICY 506 VIII.A)

To maintain a proper learning environment, students will sometimes need to be removed from the classroom. Disruptive, uncooperative, or inappropriate behavior that affects the learning environment is subject to Le Sueur-Henderson Middle/High School's classroom removal policy. Grounds for removal from class shall include any of the following:

STUDENT DISCIPLINE (POLICY #506)

The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Proper positive discipline can only result from an environment which provides options and stresses student self-direction, decision-making, and responsibility. Schools can function effectively only with internal discipline based on mutual understanding of rights and responsibilities.

Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Overall decorum affects student at (Some of the policies printed in the following section of this handbook are summarized. Not all district policies are referenced in this handbook. Copies of these policies in their entirety may be obtained by visiting www.isd2397.org.)

Attitudes and influences student behavior. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. The position of the school district is that a fair and equitable district-wide student discipline policy will contribute to the quality of the student's educational

experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.

In view of the foregoing and in accordance with Minn. Stat. § 121A.55, the school board, with the participation of school district administrators, teachers, employees, students, parents, community members, and such other individuals and organizations as appropriate, has developed this policy which governs student conduct and applies to all students of the school district.

Lockers and Personal Possessions Within a Locker

Pursuant to Minnesota statutes, school lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school officials have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school officials must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

Desks

School desks are the property of the school district. At no time does the school district relinquish its exclusive control of desks provided for the convenience of students. Inspection of the interior of desks may be conducted by school officials for any reason at any time, without notice, without student consent, and without a search warrant.

Personal Possessions and Student's Person

The personal possessions of students and/or a student's person may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law or school rules. The search will be reasonable in its scope and intrusiveness.

It shall be a violation of this policy for students to use lockers and desks for unauthorized purposes or to store contraband. It shall be a violation for students to carry contraband on their person or in their personal possessions

STATEWIDE REASONABLE FORCE STATUTE ([MN Statute 121A.582](#))

This law allows use of reasonable force by a teacher, school employee, bus driver, or other agent of a school district. Reasonable Force may be used when it is necessary under the circumstances to restrain a student or prevent bodily harm or death to another. This law does not authorize corporal punishment, which is prohibited by M.S.121A.67 nor does it authorize aversive and deprivation procedures, which are prohibited by M.S.121A.67.

Students in grades 6-12 may occasionally leave the school grounds for a class. Teachers will notify parents before any events. These notifications will explain when and where the trip will take place and ask parents to notify the school if they decline the opportunity. If parents do not notify the school, it will be assumed that parents approve their child's attendance. If you have any questions about travel during school hours, please contact your child's teacher or the school office.

Some of the classes at Le Sueur-Henderson High School (9-12) will require students to travel during school hours from time to time. Teachers will notify parents of the requirements of the course and will make the necessary arrangements so that all students can participate. This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our students with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student’s achievement, but your student’s participation is important to understand how effectively the education at your student’s school is aligned to the academic standards.

- In Minnesota’s implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and for the purpose of school and district accountability calculations, including opportunities for support and recognition, will not be considered “proficient.”
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.
- English learners not taking ACCESS or Alternate ACCESS for ELLs will not receive a score to meet English learner program exiting criteria.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

| Minnesota Comprehensive Assessments (MCA) and Minnesota Test of Academic Skills (MTAS) | ACCESS and Alternate ACCESS for English Learners |
|---|---|
| <ul style="list-style-type: none"> • Based on the Minnesota Academic Standards; given annually in grades 3–8 and high school in reading and mathematics; given annually in grades 5, 8, and high school for science. • Majority of students take the MCA. • MTAS is an option for students with the most significant cognitive disabilities. | <ul style="list-style-type: none"> • Based on the WIDA English Language Development Standards. • Given annually to English learners in grades K–12 in reading, writing, listening, and speaking. • Majority of English learners take ACCESS for ELLs. • Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities. |

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCA are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.mn.gov) (education.mn.gov > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three-page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my school and I may lose valuable information about how well my student is progressing academically. As a result, my student will not receive an individual score. Refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning; for the purpose of school and district accountability calculations, my student will not be considered "proficient."

Members of the School Board
Independent School District No. 2397
Le Sueur, Minnesota

We appreciate the opportunity to work with you and the staff at Independent School District No. 2397 (the District) over the past three years to conduct your annual financial audits. This has been a successful working relationship because we have spent a great deal of time understanding how your District operates, and you getting to know how we conduct our audits. As a result, we have been able to achieve a process that is mutually beneficial to both parties through good working relationships, resulting in efficiencies in the process. However, if the District is ever dissatisfied with our services, the District has the option to terminate our services at any time during this three year extension period.

As a result, we are prepared to offer the District a three year extension of our services with a zero percent increase for audit services for year 2021 and a 2.0 percent increase for 2022 and 2023. This will allow us to continue a relationship that through the past years has been shaped and polished to provide both parties with outstanding results.

Our fee for these services will be as follows:

| <u>Year</u> | <u>Audit</u> | <u>Single Audit*</u> | <u>DCF</u> | <u>Total</u> |
|-------------|------------------|--------------------------|---------------|------------------|
| 2021 | \$ 16,100 | 3,000 | 250 | \$ 19,350 |

| Total | <u>\$ 49,500</u> | <u>\$ 9,300</u> | <u>\$ 825</u> | <u>\$ 59,625</u> |

* Cost per major program audited. Cost assumes one major program.

(1) The implementation of GASB 87 which is related to leases will involve additional time to implement. We are estimating the one time fee between \$750 - \$1,250. We will develop a plan in an attempt to minimize the costs related to this implementation.

The above fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract.
