Statewide Tornado Drill

On Thursday, April 16th, staff and students will participate in the Wisconsin statewide tornado/severe weather drill. Information has been shared with all stakeholders, including a detailed script to ensure a consistent and well-coordinated response. This drill aligns with our Standard Response Protocol (SRP) and will focus on the “Shelter” action, reinforcing procedures for severe weather. Students and staff will practice moving to designated shelter areas, reviewing expectations for safety, and following staff directions to ensure a calm and efficient response.

Trap Shoot for Education Event

Please consider joining us on Saturday, April 25th from 10:00 a.m. to 3:00 p.m. at Westshore Sportsman’s Club for our 12th annual Trap Shoot for Education. This event serves as the largest annual fundraiser for our parent group and directly supports student opportunities and school initiatives. Raffle tickets are currently available, and we appreciate the continued support from our school community.

Elementary Music Position Interviews

I have completed the initial round of interviews for our elementary music teacher vacancy. There were nine total applicants, with four candidates being interviewed. Two finalists have been selected to move forward in the process and will be teaching lessons with students this week. This step will provide valuable insight into instructional practices and student engagement, with the goal of identifying a candidate to recommend to the board at the next meeting.

Upcoming IT Quotes and Planning

I have begun gathering quotes for hardware (chromebooks, laptops) , software (licensing renewals), and in-district support services (GDC) as part of our annual technology review process. These proposals will help ensure that our systems remain current, secure, and supportive of student learning and staff needs. I anticipate bringing formal recommendations to the board for review and approval in early May.

Respectfully Submitted,

Eric Nelson-Principal

Under these programs students are able to take college courses not offered at Mishicot High School. Students must be in good academic standing to be eligible for these programs. Students must apply now for Fall of 2026.

Lakeshore College - 1 application seeking approval for 3 Information Technology Courses

UW-Milwaukee - 1 application for Intro to Criminal Justice

For the 2026-2027 school year we will be supporting up to 12 students in the Rising Phoenix program and we anticipate 15 students taking 1 or 2 courses through the Bellin Health Care Academy in the 2026-2027 school year. Courses include Nursing Assistant, Medical Terminology and Health Care Customer Service.

New Partnership with WI Virtual School

The School District of Mishicot has a strong history of providing individualized learning opportunities through CTE pathways, dual enrollment, and work-based learning, as well as multiple online learning options. However, the district currently relies on outside providers such as Edgenuity and the Kiel School District to meet online learning needs. In the 2025–26 school year alone, Mishicot shared \$25,000 in revenue with Kiel, paid over \$2,000 to Edgenuity, and lost the per pupil aid of at least 5 students who left the district for full-time online schooling. Totaling over \$80,000 in expenses or lost revenue.

Partnering with Wisconsin Virtual School (WVS), a state-wide program offered by CESA 9 offers a more efficient, student-centered solution. By shifting to a pay-per-course model, the district can meet individualized student needs while reducing online learning costs to below \$20,000 annually. WVS also allows students who require or prefer virtual education to remain enrolled in Mishicot, preserving both continuity and revenue. Additional benefits include local control over virtual programming, alignment to Wisconsin standards, robust staff training and support, policy development assistance, AP and homework help resources, and comprehensive grade reporting; strengthening both the quality and sustainability of Mishicot's online learning options.

Present and Positively Mishicot!

Staff members from both the middle and high school make up our School Culture Team. This team focuses on recognizing the positive behaviors within our school environment and building upon areas where opportunity for growth presents itself.

Being *Present* at school is about more than simply regular attendance at school. Being *Present* includes giving full attention to the task at hand without the distraction. The School Culture team has and will continue to generate ideas for teachers to use in class to help keep students engaged in learning as well as share tips with students and parents on the importance of being fully *Present* in class.

Positively Mishicot is designed to recognize and reinforce the positive behaviors that strengthen the culture of Mishicot Middle and High School. Through a google form, staff can highlight students and colleagues who demonstrate leadership, kindness, resilience, a growth mindset, and other actions that contribute to a supportive learning environment. Submissions are reviewed multiple times each week, with selected recognitions shared in school announcements and others acknowledged directly by the School Culture Team.

Open Enrollment

With just shy of 3 weeks left of the regular open enrollment period, we have a total of 36 applications for students coming into the district and 13 applications for students open enrolling out of the district.

Of the 36 students applying to enter our school district, there are 8 that are already attending our school district (7 are on tuition waivers and 1 is already open enrolled; the parents just applied again but did not need to). There are 15 students applying to open enroll into 4K which is a typical amount for us as 4K and kindergarten are the largest number of applications. There are 7 applying for kindergarten, 4 for first grade, 2 for eleventh grade, 3 for ninth grade, and one each 8th, 5th, 4th, 3rd, and 2nd grades. The last 2 years we have had 36 and 43 applications for students wanting to enroll in Mishicot.

Of the 13 applications for students wanting to enroll elsewhere, 3 are for the same student. Six of the ten students have never attended our schools which indicates that most students and families who attend Mishicot want to stay in Mishicot.

At our May School Board meeting, I will bring the final numbers and recommendations for approval and denial of any open enrollment applications.

Summer PD and 2026-27 Planning

As I continue to meet with paraeducators and teachers, we continue to create our professional development plan for our paraeducators for 2026-27. We are excited to continue working with CESA 7 for some of these opportunities.

As an FYI, CESA 7 plans to have an article about our collaboration around professional development and our paraeducators in an upcoming newsletter. I am excited to have our district recognized for these efforts and will share the newsletter when I receive it.

Maintenance Board Report

- The spring break asbestos abatement has finished up and those areas will remain with cement flooring for the remainder of this school year. By getting in and knocking out some of the abatement now we will be better positioned to stay on our tight time schedule this summer.
- The new nurse's office cabinetry from D&D cabinetry at the elementary school has been installed. I am working on coordinating the final plumbing and electrical adjustments that are needed. The cabinetry looks great and the nurses are thrilled with their new space/layout.
- The press boxes are still moving along with their construction. The stone exterior is coming along nicely and will look great when finished. Mark Koepfel will be out now to finish up the wiring of the ball field project.
- JW Industries was out and has moved the new bleachers to their final resting place.
- I did receive quotes for the sound systems for the two press boxes. The quotes are in for approval during this meeting so we can get things moving along there. In order to keep the pricing down our maintenance department will be running some of the cabling and mounting some of the exterior boxes for the speakers.
- I have also received the quotes back for the illuminated signs for the back of the press boxes from Graphic House Design. This quote will also be up for approval during this meeting. Graphic House is the company that has handled all of the Districts exterior signs and display boards.

- There is a lot of construction already underway for the referendum project. They are hoping to start pouring some of the footings by the end of the week of April 6th-10th. As the Joe Schmitt team moves along we are trying to stay ahead of them, prepping things and saving what items we can for reuse.
- I have new door hardware ordered through LaForce Inc. for the press boxes and also the football/track storage building.
- I am hoping to meet with Shane Mulhaney of Signature Landscape to get a quote for regrading the baseball out field.
- As the temperature warms and things dry out some, I will be coordinating the practice field work that will be performed by Vinton and Scenic Landscaping. We will be starting with the 5/6th grade football practice field area and then transitioning over to the 7/8th grade area as soon as JV softballs season concludes.
- I do have a sub bus driver for approval. Daniel Me has applied and has passed his background check. Daniel currently carries a class B CDL with both his passenger and school bus endorsements. He is looking to just pick up some part time hours doing trips and subbing, as he is employed full time elsewhere.

Softball Pigeon Forge Trip

Over the course of spring break, the Varsity and JV softball teams stayed in Pigeon Forge for four nights. They played teams from Alabama, Ohio, and Illinois. Although the scores of the varsity games did not quite turn out in our favor, Coach Dawn Shimek is confident that the girls won a huge mental victory and are growing every day as a program. A big shoutout to the JV team, who earned a 19-5 win over Milton Union. The team is very excited for the regular season to begin ramping up and is looking forward to a great season.

State Solo and Ensemble Participation and Festival Choir

Mishicot Concert Choir and Soundwave are looking forward to their State Solo and Ensemble performances, bringing 13 events to this next round. The performances are on May 2nd at the UWGB campus. Additionally, the Concert Choir will be performing at Roncoli High School for the Festival Choir event. The Festival is on April 28th, and over 40 students will be attending. Lastly, this Friday, state forensics is occurring at UW-Madison, and we have events ranging from group acting to prose competitions. Good luck to everyone!

Mishicot Business Association Visit

On Wednesday, April 8th, the Mishicot Business Association came for their annual visit. MichiCup, FFA Floral, and Mishicot Enterprise all presented their school-based businesses and demonstrated their entrepreneurial spirit. The association saw a refresher tasting lab, an engraving demo, bouquet making, and plans for the 8th-grade mini-golf course. The Association was extremely impressed with the public speaking skills and knowledge of business that our students showcased.

Civics Games and Poll Working

On Tuesday, April 7th, Bradyn Fix and Eva Boness represented the Mishicot civics club at the local election. They greeted voters, documented voting numbers, and performed other miscellaneous tasks. Additionally, on April 8th, the rest of the civics club competed as two teams in the 6th annual civics games and placed 3rd and 5th in their respective divisions. They fell just short of advancing to the next round, but have demonstrated continuous growth from year to year.

Kohl Fellowship Winner

Dawn Shimek was awarded a 2026 Kohl Teacher Fellowship! We are incredibly happy for and proud of Dawn and her years of commitment to our district. Dawn is a model educator and incredibly deserving of this honor. Please share your congratulations with her when you see her.

MBA Visit

The Mishicot Business Association visited our schools on Wednesday, April 8th. They began with a complimentary drink from Mishicup, our school based coffee shop, and a demonstration of the STEM class mini-golf course set to be built this summer. Then, they heard from the student managers about what they are learning about management and how they are applying those lessons to their role as school-based business leaders. They also visited our Fab Lab to learn about Mishicot Enterprise and then the greenhouse to hear about Mishicot Floral.

UW-Oshkosh Career Fair

I attended another career fair last week, this time at UW-Oshkosh. I met lots of young, talented future teachers, and shared all the wonderful things about Mishicot schools. We don't often hire teachers directly from these events, but the time is well spent for a few reasons: district name recognition, gaining a sense of the job market, and networking with other district leaders to learn what positions are available in the area, to name just a few.

Legislative Breakfast

I attended a legislative breakfast at CESA 7 on Friday, April 10. We talked with state legislators from both sides of the aisle about school funding, cell phone policies, parental opt-outs, attracting and retaining talented staff, the rules related to rehiring retirees, and our constantly increasing costs. These are always respectful and productive conversations, and we are grateful for their time.

Superintendent Evaluation

Our next meeting will include a closed session to begin our superintendent evaluation process. I have completed a self-evaluation, and I will share it with you at that time. Then, you will have the opportunity to share your feedback with me via an online survey tool by May 11.

Upcoming Board Meetings

We need to set meeting dates for May-August. My proposals are:

- May 11 (one meeting)
- June 15
- July 13
- August 10 & 24

- d. **School Official.** In the event that Partner is a school district, Ampact shall be designated as a School Official in compliance with the federal Family Educational Rights and Privacy Act (“FERPA”).

- 2. **Scope of this Agreement.** This Agreement includes three components: 1) The terms and conditions set forth below; and 2) The terms and conditions in Exhibits A through F, which are attached hereto and incorporated by reference; and 3) The content contained in the Guide to Partnering, which is linked at <http://www.ampact.us/guides> and incorporated herein by reference.

3. **Term and Termination.** The term of this Agreement shall commence on August 1, 2026 and end on July 31, 2027, unless sooner terminated by either Party upon written notice to the other. Upon termination, outstanding obligations of the Parties shall be satisfied as described in this Agreement.

4. **Program Model.**

a. **Members.** Members are neither employees nor independent contractors of Ampact or the Partner. Their status is defined by federal law and the terms and conditions of this Agreement. Accordingly, they are ineligible to receive state and federal unemployment compensation.

Partner has been awarded AmeriCorps Members by Ampact. An award refers to the number and type of Members that have been approved for placement at Partner locations. Award details are communicated via email. The fulfillment of the award is contingent upon funding and successful recruitment of Members and is not a guarantee of placement. The award may be changed at the request of Partner or Ampact. Changes are communicated in writing.

b. **Federal Restrictions.** The Parties shall operate the Program in compliance with the AmeriCorps restrictions described in Exhibits A through D to this Agreement, as well as all other applicable statutes, executive orders, regulations, and policies governing the award and AmeriCorps, as they may be modified from time to time during the term of this Agreement.

c. **Service Environment.** Members are placed at service site locations operated by Partner. Service sites must be a physical site location in the geographic community where service occurs. Partner will ensure a safe and accessible service site environment where AmeriCorps members are treated with dignity and respect. Partner will provide training to Members on site-specific safety policies and procedures.

Each service site must be accessible to people with disabilities. Partner agrees to cooperate with Ampact in supporting AmeriCorps Members who request reasonable accommodations, as needed. Ampact will lead the accommodations process and communicate with the Partner regarding the accommodations process.

Each service site will post an AmeriCorps sign provided by Ampact in a visible place to identify the location as an AmeriCorps service site.

Partner will provide Members with a workspace necessary to complete all required service activities. Ampact will provide any instructional resources and manuals required by Members to understand and implement the Program. Partner will provide any materials, supplies, and/or equipment used by the Member to carry out service activities at or on behalf of site Partner, including but not limited to a computer or electronic device, office supplies and photocopies, and specialized equipment. Any electronic device issued to a Member by the Partner shall be solely based on a written technology agreement defining the terms of use. The terms of use shall comply with all of the data security requirements set forth in this Agreement. Partner shall bear the full risk of loss of any such device or its data.

d. **Member Recruitment and Selection.** Ampact will screen, interview, and manage offers for all candidates and make the final decision regarding Member selection and placement.

Member service is contingent upon successful completion of a three-part federally mandated background check (FBI, state repository, and sex offender registry checks) that is conducted and paid for by Ampact prior to official acceptance into the Program. Ampact will notify Partner if the applicant did not clear the background check according to Ampact policy. Actual results of the background check will not be shared with Partner without written permission from the applicant, as allowed by law. Partner assumes all responsibility for coordination of and costs associated with additional background checks required by Partner. Members may not be asked to pay for the cost of a background check.

- e. **Member Management and Supervision.** Partner will ensure the designation of Site Supervisor(s) to provide regular, on-site support and supervision to Members. The designated Site Supervisor will meet all standards of employment by Partner. Supervision includes the facilitation and verification of on-site service time and activities completed by each Member.

Ampact administers and oversees Member benefits (as applicable), including living allowance, education award, health insurance, federal student loan forbearance, childcare assistance, and any additional benefits for which the Member qualifies.

Partner may not hire or employ Members during the Member's term of service.

Ampact provides Members and Site Supervisors with training and support on the knowledge and skills necessary to participate in the Program and complete the essential functions of their role. The Partner provides Members with training and support related to site-based policies, procedures, and expectations. Members are expected to adhere to all site policies.

Ampact and Partner will work together to address Member performance issues, as needed. Partner will contact Ampact staff as soon as reasonably possible with any questions or concerns related to Member. Partner does not have the authority to terminate a Member but can request Ampact staff enact Ampact's performance management procedures, which may include a removal from the service site location.

A "Grievance" is a serious, persistent concern or complaint by a Member. Partner shall report any Grievance or other serious complaint to Ampact without delay.

Ampact is responsible for completing and maintaining a personnel file for each Member, which includes all required documents, including eligibility documentation, timesheets, performance evaluations, and performance management documentation.

Ampact will cover Members under a Worker's Compensation or Accidental Death & Dismemberment policy as required by state law. Members who sustain service-related injuries or illnesses must inform Ampact within 24 hours and complete all requested documentation.

- f. **Program Data Collection.** Ampact will provide access to a secure, online data management system for tracking service activities. In any Program providing direct services to participants, the Partner will support Members in collecting data for participants who receive services from Ampact. When participant data is collected, this data is maintained online in a secure, data-privacy-compliant system. Site Supervisors are responsible for completing data management

system training and monitoring their Members' reports to ensure data is submitted regularly and accurately.

5. **Non-Exclusivity.** Either Party may provide services of the same or similar nature to those described in this Agreement, or any other services at all at their sole discretion, so long as they remain in compliance with the terms of this Agreement.

6. **Data Privacy and Protection.**

a. **Data Definitions**

- i) **Personally Identifiable Information ("PII"):** Information that identifies or relates to an individual who can be identified, directly or indirectly, from the data alone or in combination with other information in the Party's possession or control or that the Party is likely to have access to (e.g. name, social security number, student ID, physical address, date of birth, email address, phone number etc.).
- ii) **Education Record (includes PII):** Any record maintained by an educational institution that relates to a student including, but not limited to, academic records (grades, transcripts, student schedules, student IDs), disciplinary records (suspensions, expulsions), special education records (IEPs, evaluations), and school-maintained health records (immunization records, nurse visits) but excluding teacher's sole-possession notes, law enforcement records, and employment records unrelated to student status.
- iii) **Directory Information (includes some PII):** A subset of education records, including basic student details (name, address, phone number, date/place of birth, major field of study), school-related recognition (participation in sports/clubs, degrees/awards received), and attendance details (enrollment dates, most recent school attended).
- iv) **Confidential Information:** "Confidential Information" means any and all nonpublic information belonging to either Party, its related businesses, or other related parties, which is or has been disclosed in the course of this Agreement, whether or not marked confidential, including, but not limited to: any and all data, by whomever created and wherever and however stored; product concepts, techniques and processes; market data, bids, estimates and proposals; lists and information; personal and business related financial information, including but not limited to prices, costs and discounts; future plans; business affairs; personnel information; and student information, including but not limited to data protected according to state and federal laws, including PII data, education records, and directory information.

b. **Data Collection and Sharing**

- i) If the Partner is a school district, the collection of all data regulated by the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, and its implementing regulations enacted at 34CFR § 99, as amended ("FERPA") collected pursuant to the Program shall be collected by Ampact pursuant to the school official exception under 34 C.F.R. § 99.31(a)(1)(i)(B) and use the FERPA-Protected Data only for the purposes of implementing the Program(s), evaluating, and/or utilizing the data to improve the Program(s) (the "FERPA Purposes").

- ii) Partner understands that Ampact is required to provide data collected pursuant to administering the Program(s) to ServeMN. ServeMN shall receive and use any FERPA-Protected Data as an agent of Ampact as described in 34 C.F.R. § 99.33(a)(2) and may only use the FERPA-Protected Data for the same purposes, to the same extent as Ampact, and may keep the data for as long as it is needed for those FERPA Purposes.
- iii) For all other data containing PII, Ampact will ensure that all data is collected, shared, and processed in accordance with all state and federal data privacy laws and regulations as they relate to the release of PII, student information, and health information.

c. **Data Protection**

- i) **All Programs** and their related parties are required to protect PII data that is collected or made available due to the nature of the Program. This information includes, but is not limited to, the PII of Members, Partner staff, or Program participants.
- ii) **Education Programs** (Reading Corps, Math Corps, and Early Learning Corps) and related parties are required to protect education records and directory information (unless being defined as an exclusion) that is collected or made available due to the nature of the Program, in addition to PII.

Protecting data includes establishing procedures to prepare for and respond to a breach of confidentiality. "Breach" is defined as: loss of control, compromise, unauthorized acquisition, unauthorized access, or any similar situation where persons other than the authorized users and for other than the authorized FERPA purposes have access or potential access to the data.

To protect all data, all third-party vendors, contractors, or consultants engaged by Ampact who require access to confidential data for the performance of services under this Agreement shall be bound by the terms and conditions of this security policy. These parties must adhere to the same data protection and security protocols as Ampact and must take all necessary measures to safeguard sensitive data, including but not limited to, implementing encryption, access controls, and monitoring as specified in this Agreement.

d. **Data Usages and Sharing**

For all Confidential Information, all parties agree:

- To use reasonable and prudent care to maintain all Confidential Information in confidence and not disclose it to any third party except in the performance of duties pursuant to this Agreement, unless required to do so by court order or by law; and
- To comply with all federal and state data protection laws, such as FERPA and HIPAA; and
- To maintain the security of all data in a password-protected, network-secured electronic format or in a lock-and-key secured physical location; and

- To use all data as needed to implement the Program in compliance with the terms and conditions of this Agreement, and for no other purpose except as may be authorized by a Party in writing; and
- Upon termination of this Agreement, to take such steps as may be agreed between the Parties, such as data destruction or transfer; and
- Not to use Confidential Information for the Party's own benefit or for the benefit of any third party without the written agreement of the other Party.

e. Data Retention

Generally, the Parties shall retain data collected only for as long as necessary to carry out the obligations or enforce rights under this Agreement, including, but not limited to, offering the Program or meeting its contractual or statutory obligations, including the FERPA Purposes (collectively the "Purposes"). Upon termination or expiration of this Agreement, all PII data collected pursuant to this Agreement that is no longer required to achieve the Purposes shall be deidentified or destroyed, in the sole discretion of Ampact, or as otherwise required by applicable state or federal law. The deletion or de-identification processes, as applicable, will comply with industry best practices and applicable laws to ensure that PII data cannot be recovered, reconstructed, or used inappropriately.

f. Data Breach

Ampact protects the confidentiality of PII by:

- Designating a PII Security Coordinator.
- Identifying the types of PII that we collect, the places where it is stored, and the service providers with whom it is shared.
- Documenting policies and procedures in place to protect PII, regardless of where it is stored.
- Identifying and documenting realistic risks to security, confidentiality, and integrity of PII; and
- Following those procedures in the event of a breach.

Ampact must be notified immediately if any Partner representative suspects a breach of confidentiality related to the execution of activities outlined in this Agreement.

7. **Ownership.** Ampact owns all rights, title, and interest in all "Works" created under this Agreement. "Works" means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, work products, tapes, and disks conceived, reduced to practice, created or originated by Ampact, its employees, Members, agents, and subcontractors, either individually or jointly with others in the performance of this contract.

Title to materials developed with the assistance of federal grant funding also may be governed by federal regulation at 2 C.F.R. § 200.315.

- 8. **Authority to Bind.** Neither Party may enter into any contract or agreement or otherwise make any binding commitment on behalf the other without prior written approval.
- 9. **Notices.** Any notice required pursuant to this Agreement shall be delivered in writing to the affected Party at its address set forth above, or otherwise as may be agreed.
- 10. **Liability.** Each Party assumes any and all risks of personal injury and property damage attributable to the negligent acts or omissions of their respective officers, employees, servants, Members and agents while acting within the scope of their roles.
- 11. **Assignment.** Neither Party may assign nor transfer any right or obligation under this Agreement without the prior written consent of the other.
- 12. **Governing Law.** This Agreement shall be subject to and construed in accordance with the laws of the State of Minnesota.
- 13. **Entire Agreement.** This is the entire Agreement between the Parties with respect to its subject matter. It supersedes and replaces any previous oral or written understandings or agreements between them. It may not be modified or amended except by a writing signed by both Parties.
- 14. **Signature.** Each Party understands and accepts all of the terms and conditions of this Agreement, including the terms included in Exhibits A though F, and the separate Guide to Partnering as described in Paragraph 2. above.

THIS AGREEMENT ("Agreement") is made this 13th day of April, 2026 effective immediately through and inclusive of June 30, 2027 by and between the **Board of Education of the School District of Mishicot**, 660 Washington Street, Mishicot, Wisconsin 54228, ("MSD") and **MishiKids Community Childcare Program**, 510 Woodlawn Drive, Mishicot, Wisconsin 54228 ("MishiKids").

WHEREAS, MishiKids provides educational opportunities throughout the school year;

WHEREAS, MishiKids is in need of bus services to transport its staff and children to and from OH Schultz Elementary School-sponsored field trips;

WHEREAS, the School District of Mishicot owns a fleet of school buses, possesses appropriate personnel and equipment to operate such buses, and desires to provide bus transportation to MishiKids on a fee-basis, as set forth herein; and

WHEREAS, the School District of Mishicot and MishiKids desire to memorialize the terms of their arrangement.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, it is agreed by and between the School District of Mishicot and MishiKids as follows:

I. TERM

This Agreement shall commence on April 13, 2026 and terminate on June 30, 2027, unless terminated earlier as set forth in Section VI below.

II. PROVISION OF TRANSPORTATION

- A. Requests for Transportation. MSD bus transportation for any MishiKids field trip must be requested by a MishiKids staff member in writing to the MSD's Business Manager or designee no less than ten (10) calendar days prior to the field trip in question. Each request made to the MSD shall identify the date and time of the proposed field trip, the location of the proposed field trip, and the estimated number of persons (children, staff, any anyone else) attending the proposed field trip. MishiKids will work collaboratively with the MSD in scheduling bus transportation for MishiKids field trips from OH Schultz Elementary School.

MSD reserves the right to deny: (1) all transportation requests that are received less than ten (10) calendar days prior to the field trip in question; (2) all transportation requests for which there are not enough available MSD buses or qualified MSD bus drivers, whether due to a conflicting MSD event or otherwise; (3) all transportation requests for field trips that are more than 100 miles from the MSD Offices (one way); and (4) all transportation requests for which MishiKids is unable to provide sufficient staff supervision, as determined in the MSD's sole discretion. MSD reserves the right to cancel transportation for scheduled field trips, in its sole discretion, should circumstances warrant cancellation.

- B. Insurance. All MSD-owned buses provided under this Agreement will be insured as required under Wis. Stat. § 121.53 and shall comply with the requirements of Wis. Stat. § 121.52.
- C. Personnel. In accordance with Wis. Stat. § 121.52, all MSD-provided bus transportation under this Agreement will be provided by licensed and qualified drivers, who shall be employees of MSD.

MishiKids is responsible for providing all personnel necessary for the supervision of children attending each field trip for which MSD provides transportation. Supervision of children attending the field trip shall

be MishiKids sole and absolute responsibility, and all risk associated with the supervision of MishiKids children shall be assumed by MishiKids.

- D. Maintenance of District Buses. MSD shall provide use of MSD-operated and -owned buses that are maintained in compliance with applicable Wisconsin Statutes and, at its own cost and expense, shall maintain and keep in good repair the buses supplied hereunder for MishiKids use; however, MishiKids shall take reasonable and proper care of all MSD buses provided under this Agreement and shall be responsible for any and all costs associated with maintenance or repairs resulting from negligence or intentional damage by a MishiKids staff member, child, parent, or chaperone. Upon becoming aware of intentional or incidental damage to MSD-owned buses in connection with this Agreement, MishiKids shall promptly report such damage to the MSD Business Manager or designee in writing.

III. COSTS

MishiKids and MSD agree that the cost per each MSD-owned and -operated bus provided under this Agreement shall be forty three dollars per hour (\$43.00/hour), plus ninety eight cents per mile (\$0.98/mile). The Parties agree that this charge shall be sufficient to reimburse labor, fuel, maintenance, and all other costs. MSD shall invoice MishiKids for such charges monthly, and MishiKids shall make payment by the first of every month. MishiKids shall not be charged transportation for trips cancelled in the sole discretion of MSD.

VI. TERMINATION

Either party may terminate this Agreement at any time, by giving not less than thirty- (30) days prior written notice to the other party of the intention to terminate this Agreement and the specific termination date. The rights of termination referred to in this Agreement are not intended to be exclusive and are in addition to any other rights available to either party at law or in equity.

VII. GENERAL PROVISIONS

- A. Entire Agreement. The terms, provisions, covenants and conditions herein contained constitute the entire agreement between MishiKids and the MSD and may not be altered, modified or amended except by a subsequent writing signed by both parties.
- B. Severability. In the event any term, covenant or condition herein contained shall be held to be invalid by any court of competent jurisdiction, such invalidity shall not affect any other term, covenant or condition herein contained, provide that such invalidity does not materially prejudice either the MSD or the MishiKids in their respective rights and obligations contained in the valid terms, covenants or conditions.
- C. Assignment. Neither the MishiKids nor the MSD shall assign this Agreement, in whole or in part, without the consent in writing of the other party.
- D. No Waiver. A waiver of any failure under this Agreement shall neither be construed as nor constitute a waiver of any subsequent failure. This Agreement supersedes all prior negotiations, representation or agreements. The article and paragraph headings are used solely for convenience and shall not be deemed to limit the subject of the articles and paragraphs or be considered in their interpretation.
- E. Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of which taken together shall be considered one and the same instrument.

- H. Binding Effect. This Agreement shall be binding upon, and shall insure to the benefit of, the parties hereto and their respective heirs, personal representatives, successors, and assigns.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement as of the day and year first above written.

TERMS AND CONDITIONS

Client is responsible for flagging of property owner's utilities, such as, but not limited to: sprinkling/watering systems, parking lot lighting, landscaping lighting, storm/sanitary sewers, or any other utility that the customer may have buried, etc.

Client is responsible for providing access to the JOB site. THERE HAS BEEN NO ALLOWANCE FOR REPAIRS OR BUILDING OF ACCESS TO PERFORM THE DUTIES DESCRIBED IN THE BID DOCUMENTS. ANY ADDITIONAL TIME OR MATERIALS NEEDED TO ACCESS THE JOB SITE OR CREATE A WORK AREA AT THE JOB SITE SO WE ARE ABLE TO PERFORM OUR SCOPE OF WORK, IS THE SOLE RESPONSIBILITY OF THE OWNER. WE ALSO HAVE NO RESPONSIBILITY TO ANY REPAIRS TO JOB SITE OR ACCESS TO JOB SITE BECAUSE OF DAMAGE WE MAY HAVE INCURRED COMPLETING OUR SCOPE OF WORK.

Client has identified the location in which the signage is to be installed. Client is responsible to have existing signage meet all state and local codes, and additional work to bring existing signage to code will be billed at time and materials. The client has the sole responsibility for the structural integrity of all existing structures to support the signage. Graphic House, Inc. is not responsible for any damage that may occur to sign installation areas such as (landscape, blacktop, etc. or otherwise). Graphic House, Inc. will not be responsible in any way for penetrations through roof membranes or wall materials or for any leakage or water damage resulting from any penetrations.

Graphic House, Inc. hereby warrants the sign display against defective workmanship in construction and assembly for one (1) year from the date of the invoice. Faux Corten has a warranty of two (2) years for finish deterioration. No other warranties will apply. Our warranty, and warranties by stand-alone subassemblies manufactured by other companies, are based solely on the client's responsibility to properly maintain, service and clean these sign components at no longer than each six-month interval. This warranty does not apply to vandalism, misuse, acts of God, and war.

Any deviation from prints or altered foundations will weaken the structure to the point that it may fail. This structure is engineered to hold only the signage specified. Do not add additional signage to the structure.

Any changes in the plans or specifications from the date this proposal and prints are approved and authorized will result in an administrative fee of \$400 per change plus the cost of the change. Any changes or extras may extend the time to complete the manufacturing and/or services specified.

Any alteration or deviation from the above specifications involving extra costs will be executed and will become an extra charge over and above the estimate, together with the terms and conditions set forth in the attached addendum which is incorporated herein in its entirety. All agreements contingent upon strikes, accidents or delays beyond our control.

As required by the Wisconsin construction lien law, Graphic House, Inc. hereby notifies the owner that the person or companies furnishing labor or materials for the construction on the owner's land, may have lien rights on the owner's land and building for unpaid costs. Those entitled to these lien rights, in addition to the undersigned contractor are those who contract directly with the owner or those who give the owner notice within sixty days after they first furnish labor or materials for the construction. Accordingly, the owner will probably receive notice from those who furnish labor or materials for the construction and should give a copy of each notice received to the mortgage lender, if any. The contractor agrees to cooperate with the owner and the owner's lender, if any, to see that all potential lien claimants are fully paid.

If collection action is required to collect a past due account, client agrees to pay the invoiced amount due, together with interest at the contract rate of 1.5% per month (18% annual), and costs of collection, including all attorney's fees incurred by Graphic House, Inc. in exercising its rights or remedies hereunder or enforcing any of the terms and conditions in this proposal. Client is solely responsible for determining the size, location and character of signage to Client's satisfaction and as permitted under applicable regulations and ordinances. A manufacturer's label will be affixed to the signage at the discretion of Graphic House, Inc.

This proposal will be a binding contract upon written authorization by Client and written acceptance by Graphic House, Inc. and supersedes all prior negotiations and discussions, oral or written, between the parties. It also grants Graphic House, Inc. consent to use client name and signage for all media and marketing purposes.
