Strategic Directions

- A. Enhancing student, parent, staff, and community connections
- B. Integrating data-informed instruction, assessment and learning as a core competency in every classroom
- C. Embedding professional development and collaboration into our daily work focused on student achievement
- D. Aligning and refining our resources to maximize efficiency and effectiveness
- E. Shifting technology from a department to a systemic core capacity and asset for all aspects of our district work
- F. Aligning our actions, words and decisions for leadership, partnership and performance
