7. Streetlight at Hillside / Sunset Dr.

We have received some concerns from citizens regarding the lighting at the intersection of Sunset and Hillside. We contacted the City of Jordan and Mike Waltman of Bolten and Menk regarding the issue. To add an additional light, the cost would be approximately \$6,600. Mr. Waltman reported that moving the existing light closer to the intersection and possibly changing the fixture to an LED fixture would likely be more cost effective. Before moving forward, I wanted to share this information and collect the Board's feedback.

Presenter: Matt Helgerson
