*The results of the preK busing survey were discussed at the 2/27/17 Workshop meeting. The recommendation is to provide transportation to preschool students for the 2017-2018 school year for a fee of \$11-\$12 per month per child. The district would subsidize the remaining cost of the buses. It is important to note that we will only provide services if bus registration dictates a need. In addition, families who qualify for free and reduced lunch benefits would have access to transportation via a preschool transportation scholarship program as outlined in the executive summary.*
  5. 6. Review and Act on JHS 2017-18 Registration Guide
  5. 7. Review and Act on JMS 2017-18 Registration Guide  
*Please note that the JMS Draft Elective Options will not all run. They will run depending on staff availability/licensure, and student interest. Please also note that two courses are still being developed and the descriptions will be shared with the board at the next meeting.*
