Workshop Meeting

CERC Multi-purpose Room

1. Scott County Public Health Student Survey Results for JPS
Lisa Brodsky with Scott County Public Health will present a presentation and data related to the most recent Student Survey.
2. Indian Education Program Plan Review
This is an annual plan review. We'll conduct Q and A with the Board.
3. Kelly Educational Staffing Substitute Staffing Proposal
District representatives recently met with Kelly Staffing to discuss a possible contract for substitutes. Kelly can provide the district with subs for teachers, paraprofessionals, kitchen staff, and custodians. Attached you will find pricing from Kelly along with a contract. In addition, please find unfilled vacancy rates for 17-18 and other pricing documents. In particular, we've attached a comparison between a district-wide sub versus a contract with Kelley. Kelley is promising a high "fill rate" which would help us with the issue of pulling RTI and administrators from their daily duties.

I'd like to have this discussion with the Board regarding this possible service. The goal would be to generate any additional questions that we may have for Kelley, bring up concerns, and determine whether or not this is an avenue we wish to explore further as a district.
4. Update on Community Education and Recreation/CERC Staffing Plan and Program Restructuring
We've held several internal meetings and a "work session" with the joint powers and advisory council regarding moving CE forward. We'll share an update at this work session.
5. Update and Feedback on JES and JHS Space Conversion - Capital Facilities Bond Work

2. JES Media Center Flexible Glass Cubes

6. Student School Board Member
