Communications To and From the Board

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Board of Education to discuss District business only at a properly noticed Board meeting. [PRESSPlus1](#) 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Note: *Public records* stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."** Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."**
2. Board members are permitted to discuss any topic other than District business with each other, whether in person or by telephone, email, text, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone, email, text, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, email, text, or other electronic means. Stated another way, a Board member may discuss District business in person or by telephone, email, text, or other electronic means with only one other Board member at a time.

5. A Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, emails, texts, or other electronic communications to, Board members individually.
6. A Board member should include a do not reply all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual.”**
Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as **“BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual.”**
7. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information “pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body.” 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include *junk mail*. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA’s treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a District-issued device or

District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

- c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Electronic communications that qualify under FOIA as *public records* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally advise their clients at the beginning of a legal proceeding that they must not destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Public notice of a rescheduled or reconvened meeting shall be given in the same manner as that for a special meeting, except that no public notice is required when the original meeting is open to the public and: (1) is to be reconvened within 24 hours, or (2) an announcement of the time and place of the reconvened meeting was made at the original meeting and there is no change in the agenda.

Questions and Answers:

***Required Question 1. Some attorneys find the Open Meetings Act's (OMA's) posting requirements for special meetings to be unclear and recommend that a board post notices and agendas of such meetings at the district's main office *and* at the location where the meeting is to be held. Consult the board attorney for guidance on this issue and ensure that posting practices align with this policy and administrative procedure 2:200-AP, *Types of School Board Meetings*. Posting at the meeting location promotes greater transparency.

Does the Board post notices and agendas for special meetings at the location where the meeting is to be held, in addition to posting at the district's main office? If yes, note that this policy may require posting in the same manner for reconvened and rescheduled meetings, in alignment with OMA.

BOARD OF EDUCATION

2:220 Board of Education Meeting Procedure

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. Discussion items suggested by District residents [PRESSPlus1](#) may be added to the agenda upon unanimous approval of those Board members present. The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote [Q1](#) shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

127

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 10 days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every

closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's main office.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. [PRESSPlus2](#) If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration. If neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the ¹⁸⁹Board President, as the presiding officer, will use the most recent edition of Robert's Rules of Order Newly Revised, as a guide when a question arises

concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this

grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parent(s)/guardian(s). The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681](#) et seq.), the Title IX Coordinator or designee shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation¹⁸². The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement,

(2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager.

This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's

Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers.

OPERATIONAL SERVICES

4:165 Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, *Curriculum Content*;
 - b. Information in policy 7:250, *Student Support Services*, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and employee-student boundary violations pursuant to policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; 5:90, *Abused and Neglected Child Reporting*; 5:100, *Staff Development Program*; and 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; and
 - c. How to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and employee-student boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of*

Interest, and how to prevent child sexual abuse from happening;

- b. Methods for how to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations to authorities; and
- c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, *Student Support Services*.

4. ~~Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.~~ [PRESSPlus1](#)

General Personnel

5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval.

No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80\(c\)](#).

All applicants must complete a District application in order to be considered for employment.

After September 1, 2006, applications for positions in the Lyons Elementary School District 103 may be hired only if they will not be supervised by, or directly supervising an immediate family member. Employees cannot be transferred into such a direct supervisory relationship. If the direct supervisory relationship is established after employment, the Superintendent or designee, and the Building Principal will work with the individuals to determine which will be transferred.

Examples of direct supervision include, but are not limited to:

- A. Evaluation of a staff member.
- B. Responsible for hiring or firing staff members in that position.
- C. Responsible for assigning working hours to a staff member.
- D. Responsible for approving payroll of the staff member.

For the purposes of this policy, immediate family includes: parents, spouse, brothers, sisters, children, grandparents, parent-in-law, brother-in-law, sister-in-law.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall

ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, appropriate Intermediate Service Center Executive Director, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a

successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination. [PRESSPlus1](#)

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

Professional Personnel

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Personal Leave, Leave of Absence Without Pay, Child-Rearing Leave

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave (FBLA)

While FBLA leave is normally unpaid, the District will substitute an unpaid leave for paid FBLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FBLA leave. Any substitution of paid leave for unpaid FBLA leave will count against the employee's FBLA leave entitlement. Use of FBLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 6 weeks, provided that the

use of FBLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FBLA leave entitlement.

Eligible employees shall be allowed up to five (5) workdays of absence without loss of pay in the event of the death of an immediate family member. An immediate family member for the purposes of this section includes a spouse, civil union partner (defined as a legal relationship between two (2) of either same or opposite sex, established pursuant to the Illinois Religious Freedom Protection and Civil Union Act), child, stepchild, brother, sister, step-brother, step-sister, grandchild, grandparent, legal guardian, parent, step-parent or parent-in-law. Eligible employees shall be allowed up to three (3)

school days of absence without loss of pay in the event of the death of a brother-in-law, sister-in-law, aunt, or uncle. Bereavement leave shall not be cumulative, nor shall the use of such leave cause any reduction in sick leave. The Superintendent or designee may grant bereavement leave for an immediate member of the household who is not listed above. Employees may be required to provide documentation with regard to their bereavement leave.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601](#) et seq.) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Sabbatical Leave

Sabbatical leave may be granted in accordance with the School Code.

Leaves for Service in the Military

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601](#) *et seq.*).

No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

or employees not covered by a current applicable bargaining agreement:

Full or part-time educational support personnel who work at least 600 hours per year receive 15 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be

used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Vacation

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Twelve-month employees shall be eligible for paid vacation days according to the following schedule:

<u>Length of Employment</u>		<u>Number of Days</u>
<u>From:</u>	<u>To:</u>	
Start date	6 Months	None
6 th Month	End of 1 st Year	5 Days
Beginning of 2 nd Year	End of 2nd Year	10 Days
Beginning of 3rd Year	End of 3rd Year	15 Days
Beginning of 4th Year	End of 4th Year	20 Days
Beginning of 5th Year		One additional day per year (as of July 1 st); 25 day maximum

Part-time employees who work at least half-time are entitled to vacation days on the same basis as full-time employees, but the pay will be based on the employee’s average number of part-time hours per week during the last vacation accrual year. The Superintendent will determine the procedure for requesting vacation.

Vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Holidays

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Unless the District has a waiver or modification of the School Code pursuant to [Section 2-3.25g](#) or [24-2\(b\)](#) allowing it to schedule school on a legal school holiday listed below, District employees will not be required to work on:

New Year’s Day	Labor Day

Veterans Day

Casimir Pulaski's Birthday

2024 General Election Day, when required

Thanksgiving Day

Juneteenth National Freedom Day

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Personal Leave

Please refer to the applicable collective bargaining agreement(s).

2. For staff members, this policy in the appropriate employee handbook(s), if applicable, and/or in any other areas where policies, rules, and standards of conduct are otherwise made available to staff.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly comply may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681](#) ¹⁰⁷ *et seq.*), the Title IX Coordinator or designee shall

consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged student harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policies 2:260, *Uniform Grievance Procedure*, and/or 7:190, *Student Behavior*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in [720 ILCS 5/11-9.1A\(b\)](#), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

Enforcement

Any District employee who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action up to and including discharge. Any third party who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any District student who is determined, after an investigation, to have engaged in conduct prohibited by this policy will be subject to disciplinary action, including but not limited to, suspension and expulsion consistent with the behavior policy. Any person making a knowingly false accusation regarding prohibited conduct will likewise be subject to disciplinary action.

Retaliation Prohibited

Retaliation against any person for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*).

Students should report allegations of retaliation to the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

STUDENTS

7:50 School Admissions and Student Transfers To and From Non-District Schools

Age

To be eligible for admission, a child must be 5 years old on or before September 1 of that school term. A child entering first grade must be 6 years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be 6 years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at 3 years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that 10-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U. S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade

level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Illinois Department of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

STUDENTS

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth grade; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grade 6.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician that their child was risk-assessed or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

As required by District 103: TB Test

Unless an exemption or extension applies, the failure to comply with the above requirements by the first day of school of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after the first day of school shall have 30 days following registration to comply with the health examination and

immunization regulations. If a medical reason prevents a student from receiving a required immunization by the first day of school, the student must present, by the first day of school, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by the first day of school may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by the first day of school, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after the first day of school. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second or sixth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written

verification.

3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

7:240 Conduct Code for Participants in Extracurricular Activities

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with Board of Education policy and the rules adopted by any association in which the School District maintains a membership. The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined. The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. In addition, coaches and sponsors of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 7 through 8 participating in these programs.

7:260 Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits a school board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-8, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases; and
2. The student's class schedule.

COMMUNITY RELATIONS

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District Board [PRESS Plus 1](#) policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club has bylaws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

Proposal for Middle School Clerical Staffing Reorganization

To: Board of Education

From: Superintendent

Date: May 26, 2026

Subject: Administrative Staffing Realignment: Middle School Secretarial Efficiency Plan

Executive Summary

To better align administrative support with current middle school needs and year-round District operational needs, this proposal outlines a reorganization of the Middle School clerical team. We recommend transitioning from the current three-person 10-month model to a tiered **12-month and 10-month hybrid model**. This plan includes a **Reduction in Force (RIF)** of one full-time 10-month secretarial position to streamline operations while increasing District-wide support during the summer months.

Current vs. Proposed Staffing Model

Position	Current State	Proposed State	Change
12-Month School Secretary	N/A	1 (Full-Time, 12-Month)	+2 Months
10-Month School Secretary	3 (Full-Time, 10-Month)	1 (Full-Time, 10-Month)	-1 Position
Parent Liaison	1 (Part-Time, 10-Month)	1 (Part-Time, 10-Month)	No Change

1. Alignment with Enrollment Data

As student enrollment at the Middle School has trended downward, the volume of daily clerical tasks (attendance, local filing, and daily check-ins) has decreased. Maintaining three full-time secretaries during the school year currently exceeds the operational demand.

2. Addressing the "Summer Gap" (The 12-Month Solution)

Historically, our 10-month secretarial staff is off-contract during the peak of summer registration. This creates a bottleneck for schools at the start of the school year.

- **The Solution:** By converting one position to a 12-month position, we ensure the District has a consistent point of contact for new families.
- **District-Wide Benefit:** This 12-month secretary will serve as a centralized resource to support district-wide summer enrollment, offloading the burden from school staff at the beginning of the school year and ensuring a smoother transition for incoming students.

Operational Impact & Efficiency

- **Fiscal Responsibility:** The RIF of one full-time 10-month salary and benefits package provides significant cost savings, even after accounting for the two-month extension of the lead secretary position.
- **Clearer Chain of Command:** Moving to a 12-month "Lead" secretary provides a clear point of contact for administration throughout the entire calendar year, eliminating the "restart" period every August.
- **Modernized Workflow:** This shift encourages the adoption of digital enrollment tools that the 12-month secretary can manage during the quieter summer months.

Recommendation: Approve the RIF of one 10-month Middle School Secretary and the reclassification of one 10-month Middle School Secretary to a 12-month position to optimize district enrollment processes and reduce overhead.

Proposal for Physical Education Paraprofessionals

To: Board of Education

From: Superintendent

Date: May 26, 2026

Subject: Staffing Optimization: PE Paraprofessional Support Model

Executive Summary

This proposal outlines a strategic shift in our Physical Education staffing model. By **Reductions in Force (RIF)** of a vacant PE Teacher position at Lincoln Elementary and repurposing those funds toward two (2) **Physical Education Paraprofessionals**, we can better address shifting enrollment patterns while maintaining high-quality instructional support and student safety.

1. Optimization of Resources (RIF Action)

Following a recent resignation at Lincoln Elementary, we have a vacant certified PE position. Given the decreased enrollment at Lincoln, replacing this with a full-time certified teacher is no longer the most efficient use of district funds.

2. Addressing High-Density Classrooms at Lincoln and Edison

Edison and Lincoln have grade-level class sizes of up to 55 students. Managing this volume alone is a safety and logistical challenge. A dedicated PE Paraprofessional at each location will:

- Ensure a safer student-to-adult ratio during high-energy physical activities.
- Allow for smaller breakout groups and individualized skill assessment.
- Assist with equipment setup and transition times, maximizing active "movement minutes."

3. Budgetary Neutrality & Sustainability

By RIFing one certified salary and benefits package, the District can fund paraprofessional support for *both* locations. This provides a "force multiplier" effect—supporting more students across the District for less cost than one certified teacher.

Approval of this proposal ensures that our staffing levels match our actual student footprint.
