<p>Background information:</p> <p>"It is with immense pride and excitement recommending Mark LaScala join our staff as an assistant basketball coach within our girls' program here at Lisle Senior High School. Coach LaScala spent 16 years as the Head Boys Varsity Basketball Coach here at Lisle, where he has had a significant impact on our students/athletes, not only in basketball, but, coaching in a variety of sports, as well as in the classroom as an educator. As I go into my 11th season as the Head Coach of the girls' program, I have spent a great deal of time with Coach LaScala over the years, including this past Summer where I had the chance firsthand to spend each day with him as he coached our players during camp. This was my first opportunity to work closely together on the court with Coach LaScala. He showed what an excellent coach that he truly is to me and our students/athletes.</p> <p>While being the boys coach, I observed many practices and saw many of their games</p>	

over the years. Not only did he demonstrate that he was an excellent coach, but also a fine mentor and role model for all players. He has shown that he is well-grounded and treats individuals with respect and dignity. Coach LaScala is respected by many in our district as a quality classroom teacher and a quality coach, but most importantly, as a superb person. He brings a vast wealth of knowledge and a great deal of experience, in which he will help develop our students/athletes along with helping me grow as a coach. I believe he will be a tremendous asset for our program. I look forward to collaborating closely with Coach LaScala. He will bring an excellent work ethic and a caring attitude, along with continuing to establish positive relationships. He has demonstrated his loyalty to our institution and community during his tenure here, and I am excited to continue to grow our friendship and relationship that we have established over the years.” Nick Balaban, Girls Basketball Head Coach.

**Lisle Community Unit School Dist. No. 202  
Board of Education Meeting  
August 28, 2023**

**SUBJECT:** Resolution Authorizing the Sale of Driver Education Vehicles

**BACKGROUND DATA:** The Administration recently purchased a new drivers' education vehicle to replace the 2010 Ford Edge SUV's currently in use. Despite passing the annual safety inspections, a recent oil change revealed additional repairs were necessary to make the vehicles safe for driving. After talking with the mechanic, the repairs were determined to be cost prohibitive based on the age and value of the vehicles. As a result, the Administration elected to purchase a used 2023 Honda CR-V with 4,000 miles for \$31,000. Since the vehicle was purchased used, it was not required to go through the bidding process making the vehicle available for the students to begin using immediately. Purchasing a new vehicle was already planned for the current fiscal year and included in the FY2024 Tentative Budget presented to the Board in June.

The administration is seeking Board approval to dispose of the driver's education vehicles that are no longer needed for school purposes. The attached resolution authorizes the Director of Finance to take the steps necessary to sell the vehicles. To dispose of the vehicles, he plans to solicit offers from used car vendors such as Carmax while also exploring the possibility of auctioning the vehicles.

**FINANCIAL IMPACT:** The Administration anticipates receiving a few thousand dollars for the vehicles.

# ILLINOIS SCIENCE ASSESSMENT

## BACKGROUND & RESULTS

AUGUST 28, 2023

### INFORMATION & DESCRIPTION

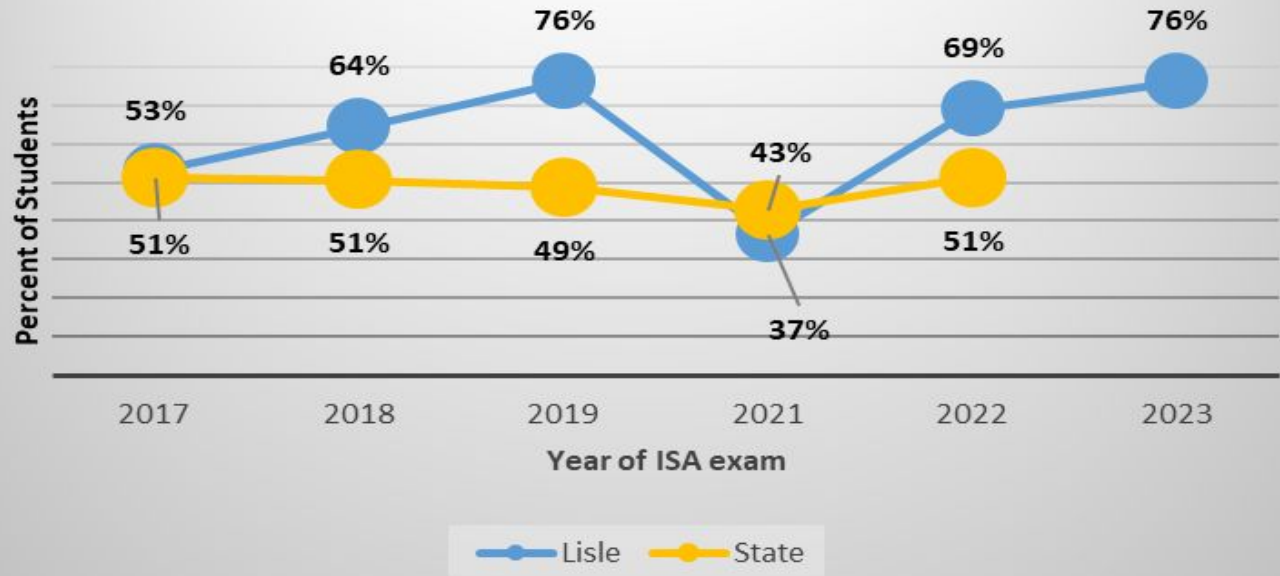

- **First administered in Spring 2016 (very limited basis).**
- **5th, 8th, and Biology (2016-2019) students in high school take exam in spring.**
- **2 Performance Levels: “Proficient” or “Not Proficient”.**
- **Test was redesigned in 2019. High School juniors now take the exam, covers all areas of NGSS standards, not just Biology.**
- **Lisle HS students took the ISA in the spring of 2020, but the majority of the state did not due to the pandemic. No standardized test scores were not included in state data or on the school report card for 2020.**
- **New design: 4 Performance Levels: “Emerging”, “Developing”, “Proficient”, “Exemplary”**
- **Score reports provided by the state contain little information that can be used to analyze curriculum. Score reports have historically been delayed anywhere from 6 to 18 months after administration, rendering the limited information even less valuable.**

**ExcelEdge Enrollment vs ERW Expected Growth Level**

## Data

Of the 98 students who took the SAT, 42 of them enrolled in at least one ExcelEdge prep course.

## Conclusion

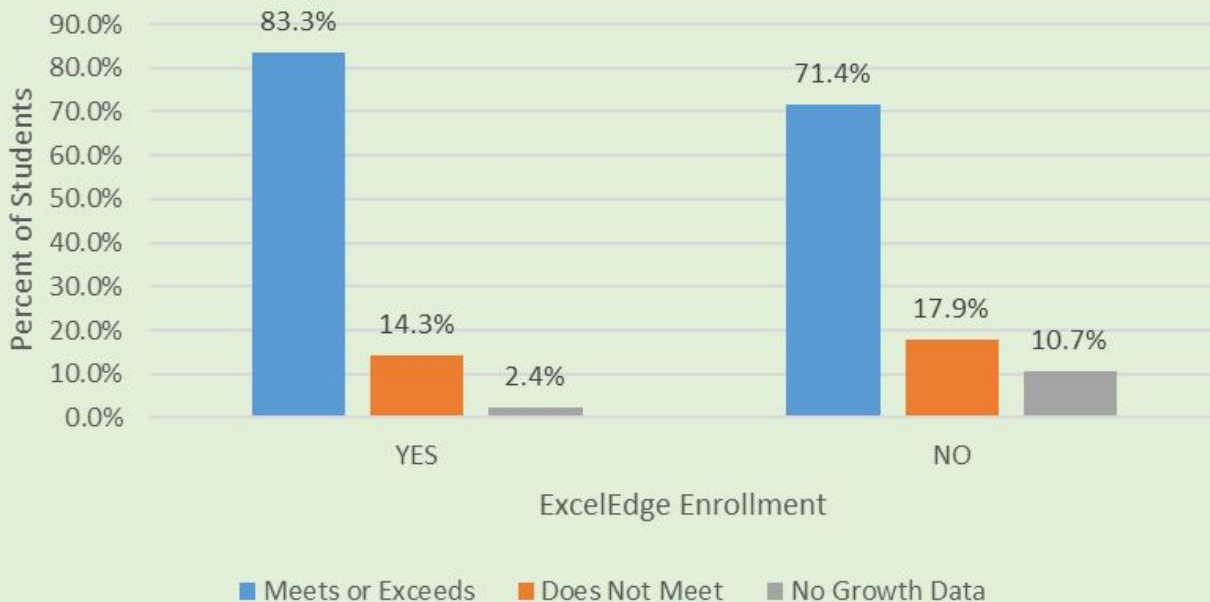

Results show a significantly larger percentage of students in the meets/exceeds level among those that DID enroll in the preparation course versus those that did not.

*These results merely indicate correlation. Other factors should be considered. For example, which students are likely to take an evening test prep course on their own time?*

Results for the Class of 2022 in the previous year showed virtually no difference in the distribution of expected growth levels in ERW based on enrollment.

Superintendent  
Lisle Community Unit School District 202

Lisle, Illinois Illinois 60532-2306

Sent via email to: [district202foia@lisle202.org](mailto:district202foia@lisle202.org)

Dear Dr. Filipiak:

This is a request under the Illinois Freedom of Information Act. I am sending this request to more than 375 public school districts in the Chicago area, including Lisle Community Unit School District 202. I have also already sent this request to more than 200 Chicago-area public library systems – all for a series of stories I plan to do on book-ban-requests and other challenges to material in our local public libraries, school libraries, and school classrooms.

- Please provide me with documents sufficient to show all communications (emails, letters, texts, board proceedings, or notes from phone calls) received by Lisle Community Unit School District 202, which include a request to reconsider, ban, and/or challenge any book or any other material in any of your school district's libraries or classrooms. I am hoping that any existing documents will include the following:
  1. The date of each such request;
  2. The title(s) of each book(s) or other material that was requested to be pulled from your shelves or classrooms, as well as any reason stated by the requestor;
  3. Any response (email, letters, texts, board proceedings, or notes from phone calls) from anyone in your district, your school board, or individual school, to each request;
  4. The resolution of each request (i.e.: the book or material was removed completely; the book or material was partially restricted; the book or material remains on your shelves or in your classrooms; etc.).
- Please also provide me with any documented threats that have been received by Lisle Community Unit School District 202, your school board, or any of your individual schools, librarians or teachers, via email, letters, texts, or voicemail recordings, that are related to books or other material kept in one of your libraries or classrooms.

I am requesting all such material from January 1, 2013 to the present.

Because this request is in the public interest, I ask that you waive all fees. And if you choose to deny any part of this request, please let me know why.

If you have any questions, please don't hesitate to contact me. In the meantime, thanks – as always – for your time and attention to this request!
