102 EQUAL EDUCATIONAL OPPORTUNITY

I. PURPOSE

- A. The purpose of this policy is to ensure that equal educational opportunity is provided for all students of the school district.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the school district is to provide equal educational opportunity for all students. The school district does not unlawfully discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, including gender identity and expression, or age. The school district also makes reasonable accommodations for students with disabilities.

[Note: Part of the definition of “sexual orientation” within the Minnesota Human Rights Act (MHRA) is “having or being perceived as having a self-image or identity not traditionally associated with one’s biological maleness or femaleness,” which is how gender identity and expression gain protection under the MHRA. Minn. Stat. § 363A.03, Subd. 44.]

- B. The school district prohibits harassment and discrimination of any individual based on any of the protected classification listed above. For information about the types of conduct that constitute violation of the school district’s policy on harassment and violence and the school district’s procedures for addressing such complaints, refer to the school district’s policy on harassment and violence (Policy 413).
- C. The school district prohibits discrimination of students with a disability, within the intent of Section 504 of the Rehabilitation Act of 1973 (“Section 504”), who need services, accommodations, or programs in order to receive a free appropriate public education. For information as to protections that may apply pursuant to Section 504 and the school district’s corresponding procedures for addressing disability discrimination complaints, refer to the school district’s policy on student disability nondiscrimination (Policy 521).
- D. The school district prohibits sexual harassment discrimination of any individual on the basis of sex in its education programs or activities. For information as to the protections that apply pursuant to Title IX and school district’s corresponding

procedures and processes for addressing sexual harassment and discrimination refer to the school district's policy on Title IX sex nondiscrimination (Policy 522).

- E. The school district shall provide equal opportunity for members of each sex and to members of all races and ethnicities to participate in its athletic program. In determining whether equal opportunity to participate in athletic programs is available for the purposes of this law, at least the following factors shall be considered to the extent that they are applicable to a given situation: whether the opportunity for males and females to participate in the athletic program reflects the demonstrated interest in athletics of the males and females in the student body of the educational institution; whether the opportunity for members of all races and ethnicities to participate in the athletic program reflects the demonstrated interest in athletics of members of all races and ethnicities in the student body of the educational institution; whether the variety and selection of sports and levels of competition effectively accommodate the demonstrated interests of members of each sex; whether the variety and selection of sports and levels of competition effectively accommodate the demonstrated interests of members of all races and ethnicities; the provision of equipment and supplies; scheduling of games and practice times; assignment of coaches; provision of locker rooms; practice and competitive facilities; and the provision of necessary funds for teams of one sex.
- F. This policy applies to all areas of education including academics, coursework, co-curricular and extracurricular activities, or other rights or privileges of enrollment.
- G. Every school district employee shall be responsible for complying with this policy conscientiously.
- H. Any student, parent or guardian having questions regarding this policy should discuss it with the appropriate school district official as provided by policy. In the absence of a specific designee, an inquiry or a complaint should be referred to the superintendent.

- G. Possession of alcohol on school grounds pursuant to the exceptions of Minnesota Statutes 624.701, Subdivision 1a, shall be by permission of the school board only. The applicant shall apply for permission in writing and shall follow the school board procedures for placing an item on the agenda.

VI. SCHOOL PROGRAMS

- A. Starting in the 2026-2027 school year, the school district must implement a comprehensive education program on cannabis use and substance use, including but not limited to the use of fentanyl or mixtures containing fentanyl, for students in middle school and high school. The program must include instruction on the topics listed in Minnesota Statutes, section 120B.215, subdivision 1 and must:
 - 1. respect community values and encourage students to communicate with parents, guardians, and other trusted adults about cannabis use and substance use, including but not limited to the use of fentanyl or mixtures containing fentanyl; and
 - 2. refer students to local resources where students may obtain medically accurate information about cannabis use and substance use, including but not limited to the use of fentanyl or mixtures containing fentanyl, and treatment for a substance use disorder.
- B. School district efforts to develop, implement, or improve instruction or curriculum as a result of the provisions of this section must be consistent with Minnesota Statutes, sections 120B.10 and 120B.11.
- C. Notwithstanding any law to the contrary, the school district shall have a procedure for a parent, a guardian, or an adult student 18 years of age or older to review the content of the instructional materials to be provided to a minor child or to an adult

student pursuant to this article. The district must allow a parent or adult student to opt out of instruction under this article with no academic or other penalty for the student and must inform parents and adult students of this right to opt out.

VII. ENFORCEMENT

A. Students

1. Students may be required to participate in programs and activities that provide education against the use of alcohol, tobacco, marijuana, smokeless tobacco products, and electronic cigarettes, and nonintoxicating cannabinoids; and ~~including~~ edible cannabinoid products.)
2. Students may be referred to drug or alcohol assistance or rehabilitation programs; school based mental health services, mentoring and counseling, including early identification of mental health symptoms, drug use and violence and appropriate referral to direct individual or group counselling service. which may be provided by school based mental health services providers; and/or referral to law enforcement officials when appropriate.
3. A student who violates the terms of this policy shall be subject to discipline in accordance with the school district's discipline policy. Such discipline may include suspension or expulsion from school.

B. Employees

1. As a condition of employment in any federal grant, each employee who is engaged either directly or indirectly in performance of a federal grant shall abide by the terms of this policy and shall notify his or her supervisor in writing of his or her conviction of any criminal drug statute for a violation occurring in any of the places listed above on which work on a school district federal grant is performed, no later than five (5) calendar days after such conviction. Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
2. An employee who violates the terms of this policy is subject to disciplinary action, including nonrenewal, suspension, termination, or discharge as deemed appropriate by the school board.
3. In addition, any employee who violates the terms of this policy may be required to satisfactorily participate in a drug and/or alcohol abuse assistance or rehabilitation program approved by the school district. Any employee who fails to satisfactorily participate in and complete such a program is subject to nonrenewal, suspension, or termination as deemed appropriate by the school board.

4. Sanctions against employees, including nonrenewal, suspension, termination, or discharge shall be pursuant to and in accordance with applicable statutory authority, collective bargaining agreements, and school district policies.

C. The Public

A member of the public who violates this policy shall be informed of the policy and asked to leave. If necessary, law enforcement officials will be notified and asked to provide an escort.

419 TOBACCO-FREE ENVIRONMENT; POSSESSION AND USE OF TOBACCO, TOBACCO-RELATED DEVICES, AND ELECTRONIC DELIVERY DEVICES; VAPING AWARENESS AND PREVENTION AND INSTRUCTION EDUCATION

I. PURPOSE

The purpose of this policy is to maintain a learning and working environment that is tobacco free.

II. GENERAL STATEMENT OF POLICY

- A. A violation of this policy occurs when any student, teacher, administrator, other school personnel of the school district or person smokes or uses tobacco or tobacco-related devices, or carries or uses an activated electronic delivery device in a public school. This prohibition extends to all facilities, whether owned, rented, or leased, and all vehicles that a school district owns, leases, rents, contracts for, or controls. In addition, this prohibition includes vehicles used, in whole or in part, for work purposes, during hours of school operation, if more than one person is present. This prohibition includes all school district property and all off-campus events sponsored by the school district.
- B. A violation of this policy occurs when any elementary school, middle school, or secondary school student possesses any type of tobacco or tobacco-related devices, or electronic delivery devices in a public school. This prohibition extends to all facilities, whether owned, rented, or leased, and all vehicles that a school district owns, leases, rents, contracts for, or controls and includes vehicles used, in whole or in part, for work purposes, during hours of school operation, if more than one person is present. This prohibition includes all school district property and all off-campus events sponsored by the school district.
- C. The school district will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school personnel, or person who is found to have violated this policy.
- D. The school district will not solicit or accept any contributions or gifts of money, curricula, materials, or equipment from companies that directly manufacture and are identified with tobacco products, tobacco-related devices, or electronic delivery devices. The school district will not promote or allow promotion of tobacco products or electronic delivery devices on school property or at school-sponsored events.

III. DEFINITIONS

- A. “Electronic delivery device” means any product containing or delivering nicotine, lobelia, or any other substance, whether natural or synthetic, intended for human consumption through inhalation of aerosol or vapor from the product. Electronic delivery devices include but are not limited to devices manufactured, marketed, or sold as electronic cigarettes, electronic cigars, electronic pipe, vape pens, modes, tank systems, or under any other product name or descriptor. An electronic delivery device includes any component part of a product, whether or not marketed or sold separately. An electronic delivery device excludes drugs, devices, or combination products, as those terms are defined in the Federal Food, Drug, and Cosmetic Act, that are authorized for sale by the United States Food and Drug Administration.
- B. “Heated tobacco product” means a tobacco product that produces aerosols containing nicotine and other chemicals which are inhaled by users through the mouth.
- C. “Tobacco” means cigarettes and any product containing, made, or derived from tobacco that is intended for human consumption, whether chewed, smoked, absorbed, dissolved, inhaled, snorted, sniffed, or ingested by any other means, or any component, part, or accessory of a tobacco product including, but not limited to, cigars; cheroots; stogies; perique; granulated, plug cut, crimp cut, ready rubbed, and other smoking tobacco; snuff; snuff flour; cavendish; plug and twist tobacco; fine cut and other chewing tobacco; shorts; refuse scraps, clippings, cuttings and sweepings of tobacco; and other kinds and forms of tobacco. Tobacco excludes any drugs, devices, or combination products, as those terms are defined in the Federal Food, Drug, and Cosmetic Act, that are authorized for sale by the United States Food and Drug Administration.
- D. “Tobacco-related devices” means cigarette papers or pipes for smoking or other devices intentionally designed or intended to be used in a manner which enables the chewing, sniffing, smoking, or inhalation of aerosol or vapor of tobacco or tobacco products. Tobacco-related devices include components of tobacco-related devices which may be marked or sold separately.
- E. “Smoking” means inhaling, exhaling, burning or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated product containing, made, or derived from nicotine, tobacco, marijuana, or other plant, whether natural or synthetic, that is intended for inhalation. Smoking includes carrying or using an activated electronic delivery device.
- F. “Vaping” means using an activated electronic delivery device or heated tobacco product.

IV. EXCEPTIONS

- A. A violation of this policy does not occur when an American Indian adult lights tobacco on school district property as a part of a traditional American Indian spiritual or cultural ceremony. An American Indian student may carry a medicine pouch containing loose tobacco intended as observance of traditional spiritual or cultural practices. An American Indian is a person who is a member of an Indian tribe as defined under Minnesota law.
- B. A violation of this policy does not occur when an adult non-student possesses a tobacco or nicotine product that has been approved by the United States Food and Drug Administration for sale as a tobacco cessation product, as a tobacco dependence product, or for other medical purposes, and is being marketed and sold solely for such an approved purpose. Nothing in this exception authorizes smoking or use of tobacco, tobacco-related devices, or electronic delivery devices on school property or at off-campus events sponsored by the school district.

V. VAPING PREVENTION INSTRUCTION

- A. The school district must provide vaping prevention instruction at least once to students in grades 6 through 8.
- B. The school district may use instructional materials based upon the Minnesota Department of Health's school e-cigarette toolkit or may use other smoking prevention instructional materials with a focus on vaping and the use of electronic delivery devices and heated tobacco products. The instruction may be provided as part of the school district's locally developed health standards.

VI. ENFORCEMENT

- A. All individuals on school premises shall adhere to this policy.
- B. Students who violate this tobacco-free policy shall be subject to school district discipline procedures.
- C. School district administrators and other school personnel who violate this tobacco-free policy shall be subject to school district discipline procedures.
- D. School district action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota or federal law, and school district policies.
- E. Persons who violate this tobacco-free policy may be referred to the building administration or other school district supervisory personnel responsible for the area or program at which the violation occurred.

- F. School administrators may call the local law enforcement agency to assist with enforcement of this policy. Smoking or use of any tobacco product in a public school is a violation of the Minnesota Clean Indoor Air Act and/or the Freedom to Breathe Act of 2007 and is a petty misdemeanor. A court injunction may be instituted against a repeated violator.
- G. No persons shall be discharged, refused to be hired, penalized, discriminated against, or in any manner retaliated against for exercising any right to a smoke-free environment provided by the Freedom to Breathe Act of 2007 or other law.

VII. DISSEMINATION OF POLICY

- A. A summary of this policy shall appear in the student handbook.
- B. The school district will develop a method of discussing this policy with students and employees.

602 ORGANIZATION OF SCHOOL CALENDAR AND SCHOOL DAY

I. PURPOSE

The purpose of this policy is to provide for a timely determination of the school calendar and school day.

II. GENERAL STATEMENT OF POLICY

The school calendar and schedule of the school day are important to parents, students, employees, and the general public for advance, effective, planning of the school year.

III. CALENDAR RESPONSIBILITY

A. The school calendar shall be adopted annually by the school board. It shall meet all provisions of Minnesota statutes pertaining to minimum number of school days and other provisions of law. The school calendar shall establish student days, workshop days for staff, provide for emergency closings and other information related to students, staff and parents.

B. Except for learning programs during summer and flexible learning year programs, the school district will not commence an elementary or secondary school year before Labor Day, except as provided in Section III.B.1., III.B.2., or III.B.3. Days devoted to teacher's workshops may be held before Labor Day.

1. The school district may begin the school year on any day before Labor Day to accommodate a construction or remodeling project of \$400,000 or more affecting a school district school facility.
2. The school district may begin the school year on any day before Labor Day if the school district has agreement under Minnesota Statutes, section 123A.30, 123A.32, or 123A.35 with a school district that qualifies under Section III.B.1.
3. The school district may begin the school year on any day before Labor Day if the school district agrees to the same schedule with a school district in an adjoining state.

- C. Employee and advisory groups shall be provided an opportunity to participate in school calendar considerations through a meet and confer process.

IV. SCHOOL DAY RESPONSIBILITY

- A. The superintendent or designee shall be responsible for developing a schedule for the student day, subject to review by the school board. All requirements and provisions of Minnesota Statutes and Minnesota Department of Education Rules shall be met.
- B. In developing the student day schedule, the superintendent shall consider such factors as school bus schedules, cooperative programs, differences in time requirements at various grade levels, effective utilization of facilities, cost effectiveness, and other concerns deserving of attention.
- C. Proposed changes in the school day shall be subject to review and approval by the school board.

V. E-LEARNING DAYS

- A. An “e-learning day” is a school day where a school offers full access to online instruction provided by students’ individual teachers due to inclement weather.
- B. A school district may designate up to five e-learning days in one school year.
- C. An e-learning day is counted as a day of instruction and included in the hours of instruction pursuant to Section III.A., above.
- D. A school board may adopt an e-learning day plan after consulting with the exclusive representative of the teachers. The e-learning day plan developed by the school district will include accommodations for students without Internet access at home and for digital device access for families without the technology or with an insufficient amount of technology for the number of children in the household. The plan must also provide accessible options for students with disabilities.
- E. The school district must notify parents and students of its e-learning day plan at the beginning of each school year.
- F. When an e-learning day is declared by the school district, notice must be provided to parents and students at least two hours prior to the normal school start time that students will need to follow the e-learning day plan for that day.
- G. On an e-learning day, each student’s teacher must be accessible both online and by telephone during normal school hours to assist students and parents.

- H. When the school district declares an e-learning day, it must continue to pay the full wages for scheduled work hours and benefits of all school employees for the duration of the e-learning period. During the e-learning period, school employees must be allowed to work from home to the extent practicable, be assigned to work in an alternative location, or be retained on an on-call basis for any potential need.

616 SCHOOL DISTRICT SYSTEM ACCOUNTABILITY

I. PURPOSE

The purpose of this policy is to focus public education strategies on a process which promotes higher academic achievement for all students and ensures broad-based community participation in decisions regarding the implementation of the Minnesota **K-12** Academic Standards and federal law.

II. GENERAL STATEMENT OF POLICY

~~The school district will establish a system to review and improve instruction, curriculum and assessment, which will include substantial input by students, parents or guardians and local community members. The school district will be accountable to the public and the state through annual reporting.~~

Implementation of the Minnesota K-12 Academic Standards and federal law requires accountability for the school district. The school district established a system to transition to the graduation requirements of the Minnesota K-12 Academic Standards. The school district also established a system to review and improve instruction, curriculum, and assessment which will include substantial input by students, parents or guardians, and local community members. The school district will be accountable to the public and the state through annual reporting.

III. DEFINITIONS

A. “Credit” means a student’s successful completion of an academic year of study or a student’s mastery of the applicable subject matter as determined by the school district.

~~B. “Graduation Standards” means the credit requirements and Minnesota Academic Standards that school districts must offer and certify that students complete to be eligible for a high school diploma.~~

C. “World’s best workforce” means striving to: meet school readiness goals; ~~have all third grade students achieve grade-level literacy;~~ close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.

IV. ESTABLISHMENT OF GOALS; IMPLEMENTATION; EVALUATION AND REPORTING

A. School District Goals

1. The school board has established school district-wide goals, which provide broad direction for the school district. Incorporated in these goals are the graduation and education standards contained in the Minnesota Academic Standards and federal law. The broad goals shall be reviewed annually and approved by the school board. The school board shall adopt annual goals based on the recommendations of the school district's Advisory Committee.
2. The District Advisory Committee, created under Policy 603 (Curriculum Development) is established by the school board to will ensure active community participation in all phases of planning and improving the instruction and curriculum affecting state and district academic standards.
3. The school district-wide improvement goals should address recommendations identified through the District Advisory Committee process. The school district's goal setting process will include consideration of individual site goals. School district goals may also be developed through an education effectiveness program, an evaluation of student progress committee, or through some other locally determined process.

B. System for Reviewing All Instruction and Curriculum.

Incorporated in the process will be analysis of the school district's progress toward implementation of the Minnesota Academic Standards. Instruction and curriculum shall be reviewed and evaluated by taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, and teacher evaluations under Minn. Stat. § 122A.40, Subd. 8, or 122A.41, Subd. 5.

A local cycle for continuous review of curriculum and instruction will be developed.

C. Implementation of Graduation Requirements

1. The District Advisory Committee shall also advise the school board on implementation of the state and local graduation requirements, including K-12 curriculum, assessment, student learning opportunities, and other related issues. Recommendations of the District Advisory Committee shall be published annually to the community. The school board shall receive public input and comment and shall adopt or update these policies at least annually.

2. The school board shall annually review and determine if student achievement levels at each school site meet state expectations. If the school board determines that student achievement levels at a school site do not meet state expectations and the site has not made adequate yearly progress for two consecutive school years, **the District** Advisory Committee shall work with the school site to adopt a plan to raise student achievement levels to meet state and local expectations. The **District** Advisory Committee may seek assistance from the Commissioner of the Department of Education (the Commissioner) in developing a plan, which must include parental involvement components.
3. The educational assessment system component utilized by the school board to measure individual students' educational progress must be based, to the extent annual tests are administered, on indicators of **current** achievement **growth** that show **growth relative to** an individual student's prior achievement. Indicators of achievement and prior achievement must be based on highly reliable statewide or district-wide assessments. The school board will utilize models developed by the Commissioner for measuring individual student progress. The school board must coordinate with the Department of Education in evaluating school sites and continuous improvement plans, consistent with best practices.

D. Comprehensive Continuous Improvement of Student Achievement

1. The **District** Advisory Committee will meet to advise and assist the school district in the implementation of the school district system accountability and comprehensive continuous improvement process.
2. The **District** Advisory Committee, working in cooperation with other committees of the school district will provide active community participation in:
 - a) Reviewing the school district instructional and curriculum plan, with emphasis on implementing the Minnesota Academic Standards;
 - b) Identifying annual instruction and curriculum improvement goals for recommendation to the school board;
 - c) Making recommendations regarding the evaluation process that will be used to measure school district progress toward its goals;
 - d) Making recommendations regarding the development of the annual report.
3. The **District** Advisory Committee shall meet the following criteria:

- a) The **District** Advisory Committee shall ensure active community participation in all planning for instruction and curriculum affecting Graduation Standards.
- b) The **District** Advisory Committee shall make recommendations to the school board on school district-wide standards, assessments and program evaluation.
- c) Building teams may be established as subcommittees to develop and implement an education effectiveness plan and to carry out methods to improve instruction, curriculum, and assessments as well as methods to use technology in meeting the school district improvement plan.
- d) A local plan to evaluate student progress, using a local process, shall be used for developing a plan for assessment of student progress toward the Graduation Standards, as well as program evaluation data for use by the **District** Advisory Committee in the instruction and curriculum review process. This plan shall annually be approved by the school board.

4. ~~The Advisory Committee shall, when possible, be comprised of at least two-thirds community representatives and shall reflect the diversity of the community. To the extent possible, the Advisory Committee shall reflect the diversity of the school district and its school sites and include teachers, parents, support staff, students, and other community residents. Included in its membership should be:~~

- a) ~~The Director of Curriculum and Instruction (or similar educational leader)~~
- b) ~~Principal(s)~~
- c) ~~School Board Member(s)~~
- d) ~~Student Representative(s)~~
- e) ~~Teacher(s)~~
- f) ~~Parent(s)~~
- g) ~~Resident(s) without school aged children, and/or~~
- h) ~~Resident(s) representative of local business or industry~~
- i) ~~School District Test Administrator (if different from "a." above)~~

5. Translation services should be provided to the extent appropriate and practicable.
6. The **District** Advisory Committee shall meet four – five times each year:

E. Evaluation of Student Progress Committee

A committee of professional staff shall develop a plan for assessment of student progress **toward the Literacy by Grade 3**, Graduation Standards, as well as program evaluation data for use by the **District** Advisory Committee to review instruction and curriculum, cultural competencies, including cultural awareness and cross-cultural communication, and student achievement. This plan shall annually be reviewed by the school board.

F. Reporting

1. Consistent with Minn. Stat. § 120B.36, **subdivision Subd. 1**, the school board shall publish a report in the local newspaper with the largest circulation in the district, by mail, or by electronic means on the school district website. The school board shall hold an annual public meeting to review and revise, where appropriate, student achievement goals, local assessment outcomes, plans, strategies, and practices for improving curriculum and instruction and cultural competency and efforts to equitably distribute diverse, effective, experienced, and in-field teachers, and to review school district success in realizing the previously adopted student achievement goals and related benchmarks and the improvement plans leading to the world's best workforce. The school board must transmit an electronic summary of its report to the Commissioner in the form and manner the Commissioner determines. The school district shall periodically survey affected constituencies in their native languages, where appropriate and practicable, about their connection to and level of satisfaction with school. The school district shall include the results of this evaluation in its published reports and in its summary report to the Commissioner.
2. The school performance report for a school site and a school district must include performance reporting information and calculate proficiency rates as required by the most recent reauthorized Elementary and Secondary Act.
3. **The school district must annually report the district's class size ratios by each grade to the commissioner of education in the form and manner specified by the commissioner.**
4. **The school district must report whether programs funded with compensatory revenue are consistent with best practices demonstrated to improve student achievement.**

601 SCHOOL DISTRICT CURRICULUM AND INSTRUCTION GOALS

I. PURPOSE

The purpose of this policy is to establish broad curriculum parameters for the school district that encompass the Minnesota Academic Standards and the federal Elementary and Secondary Education Act and are aligned with creating the world's best workforce.

II. GENERAL STATEMENT OF POLICY

It is the policy of the school district to establish the “world's best workforce” in which all learning in the school district should be directed and for which all school district learners should be held accountable.

III. DEFINITIONS

- A. “Academic standard” means a summary description of student learning in a required content area or elective content area.
- B. “Antiracist” means actively working to identify and eliminate racism in all forms in order to change policies, behaviors, and beliefs that perpetuate racist ideas and actions.
- C. “Benchmark” means specific knowledge or skill that a student must master to complete part of an academic standard by the end of the grade level or grade band.
- D. “Culturally sustaining” means integrating content and practices that infuse the culture and language of Black, Indigenous, and People of Color communities who have been and continue to be harmed and erased through the education system.
- E. “Curriculum” means district or school adopted programs and written plans for providing students learning experiences that lead to expected knowledge, skills and career and college readiness. The term curriculum encompasses what is written, taught and assessed.
- F. “Ethnic studies” as defined in Minnesota Statutes, section 120B.25, has the same meaning for purposes of this section. Ethnic studies curriculum may be integrated in existing curricular opportunities or provided through additional curricular offerings.

- G. “Experiential learning” means learning for students that includes career exploration through a specific class or course or through work-based experiences such as job shadowing, mentoring, entrepreneurship, service learning, volunteering, internships, other cooperative work experience, youth apprenticeship, or employment.
- H. “Institutional racism” means structures, policies, and practices within and across institutions that produce outcomes that disadvantage those who are Black, Indigenous, and People of Color.
- I. “Instruction” means methods of providing learning experiences that enable students to meet state and district academic standards and graduation requirements including applied and experiential learning.
- J. “Performance measures” are measures to determine school district and school site progress in striving to create the world’s best workforce and must include at least the following:
1. student performance on the National Assessment of Educational Progress where applicable;
 2. the size of the academic achievement gap; and rigorous course taking, including college-level advanced placement, international baccalaureate, postsecondary enrollment options including concurrent enrollment, other statutorily recognized courses of study or industry certification courses or programs and enrichment experiences by student subgroup;
 3. student performance on the Minnesota Comprehensive Assessments;
 4. high school graduation rates; and
 5. career and college readiness under Minn. Stat. § 120B.30, Subd. 1.
- K. “World’s best workforce” means striving to: meet school readiness goals; ~~have all third-grade students achieve grade-level literacy~~; close the academic achievement gap among all racial and ethnic groups of students and between students living in poverty and students not living in poverty; have all students attain career and college readiness before graduating from high school; and have all students graduate from high school.
- L. “Experiential learning” means learning for students that includes career exploration through a specific class or course or through work-based experiences such as job shadowing, mentoring, entrepreneurship, service learning, volunteering, internships, other cooperative work experience, youth apprenticeship, or employment.

IV. LONG-TERM STRATEGIC PLAN

- A. The school board, at a public meeting, shall adopt a comprehensive, long-term strategic plan to support and improve teaching and learning that is aligned with creating the world's best workforce and includes the following:
1. clearly defined school district and school site goals and benchmarks for instruction and student achievement for all student categories identified in Minnesota Statutes, section 120B.35, subdivision 3, paragraph (b)(2), under the federal Elementary and Secondary Education Act and two student gender categories of male and female;
 2. a process for assessing and evaluating each student's progress toward meeting state and local academic standards and identifying the strengths and weaknesses of instruction in pursuit of student and school success and curriculum affecting students' progress and growth toward career and college readiness and leading to the world's best workforce;
 3. a system to periodically review and evaluate the effectiveness of all instruction and curriculum, taking into account strategies and best practices, student outcomes, principal evaluations under Minn. Stat. § 123B.147, Subd. 3, students' access to effective teachers who are members of populations under-represented among the licensed teachers in the district or school and who reflect the diversity of enrolled students under Minn. Stat. § 120B.35, subdivision Subd. 3(b)(2), and teacher evaluations under Minn. Stat. § 122A.40, subdivision Subd. 8, or 122A.41, Subd. 5;
 4. strategies for improving instruction, curriculum, and student achievement, including the English and, where practicable, the native language development and the academic achievement of English learners;
 5. a process to examine the equitable distribution of teachers and strategies to ensure children in low-income and minority children families, children in families of People of Color, and children in American Indian families are not taught at higher rates than other children by inexperienced, ineffective, or out-of-field teachers;
 6. education effectiveness practices that
 - a) integrate high-quality instruction, rigorous curriculum, technology, and curriculum that is rigorous, accurate, antiracist, and culturally sustaining; a collaborative professional culture that develops and supports teacher quality, performance, and effectiveness; and;

- b) ensure learning and work environments validate, affirm, embrace, and integrate cultural and community strengths for all students, families, and employees;
 - c) provide a collaborative professional culture that seeks to retain qualified, racially and ethnically diverse staff effective at working with diverse students while developing and supporting teacher quality, performance, and effectiveness; and;
 - 7. an annual budget for continuing to implement the school district plan; and
 - 8. identifying a list of suggested and required materials, resources, sample curricula, and pedagogical skills for use in kindergarten through grade 12 that accurately reflect the diversity of the state of Minnesota.
- B. The school district is not required to include information regarding literacy in a plan or report required under this section, except with regard to the academic achievement of English learners.
- ~~C. School district site and school site goals shall include the following:~~
 - ~~1. All students will be required to demonstrate essential skills to effectively participate in lifelong learning. These skills include:~~
 - ~~a) reading, writing, speaking, listening and viewing in the English language;~~
 - ~~b) mathematical and scientific concepts;~~
 - ~~c) locating, organizing, communicating and evaluating information and developing methods of inquiry (i.e. problem solving);~~
 - ~~d) creative and critical thinking, decision making and study skills;~~
 - ~~e) work readiness skills;~~
 - ~~f) global and cultural understanding.~~
 - ~~2. Each student will have the opportunity and will be expected to develop and apply essential knowledge that enables that student to:~~
 - ~~a) live as a responsible, productive citizen and consumer within local, state, national and global political, social, and economic systems;~~
 - ~~b) bring many perspectives, including historical, to contemporary issues;~~

- c) develop an appreciation and respect for democratic institutions;
- d) communicate and relate effectively in languages and with cultures other than the student's own;
- e) practice stewardship of the land, natural resources and environment;
- f) use a variety of tools and technology to gather and use information, enhance learning, solve problems, and increase human productivity.

3. — Students will have the opportunity to develop creativity and self-expression through visual and verbal images, music, literature, world languages, movement and the performing arts.

4. — School practices and instruction will be directed toward developing within each student a positive self image and a sense of personal responsibility for:

- a) establishing and achieving personal and career goals;
- b) adapting to change;
- c) leading a healthy and fulfilling life, both physically and mentally;
- d) living a life that will contribute to the well being of society;
- e) becoming a self-directed learner;
- f) exercising ethical behavior.

5. — Students will be given the opportunity to acquire human relations skills necessary to:

- a) appreciate, understand, and accept human diversity and interdependence;
- b) address human problems through team effort;
- c) resolve conflicts with and among others;
- d) function constructively within a family unit;
- e) promote a multicultural, gender fair, disability sensitive society.

D. Every child is reading at or above grade level every year, beginning in kindergarten, and multilingual learners and students receiving special education services are receiving support in achieving their individualized reading goals pursuant to Policy XXX (Reading and the Read Act)

E. Every child is reading at or above grade level no later than the end of grade 3, including English learners, and teachers provide comprehensive, scientifically based reading instruction, including a program or collection of instructional practices that is based on valid, replicable evidence showing that, when the programs or practices are used, students can be expected to achieve, at a minimum, satisfactory reading progress. The program or collection of practices must include, at a minimum, effective, balanced instruction in all five areas of reading (phonemic awareness, phonics, fluency, vocabulary development, and reading comprehension), as well as instructional strategies for continuously assessing, evaluating, and communicating the student's reading progress and needs.

1. The school district shall identify, before the end of kindergarten, grade 1, and grade 2, students who are not reading at grade level before the end of the current school year and shall identify students in grade 3 or higher who demonstrate a reading difficulty to a classroom teacher. Reading assessments in English and in the predominant languages of district students, where practicable, must identify and evaluate students' areas of academic need related to literacy. The school district also must monitor the progress and provide reading instruction appropriate to the 601-5 specific needs of English learners. The school district must use locally adopted, developmentally appropriate, and culturally responsive assessment.

2. At least annually, the school district must give the parent of each student who is not reading at or above grade level timely information about:

- a) the student's reading proficiency as measured by a locally adopted assessment;
- b) reading-related services currently being provided to the student and the student's progress; and
- c) strategies for parents to use at home in helping their students succeed in becoming grade-level proficient in reading English and their native languages.

This provision may not be used to deny a student's right to a special education evaluation.

3. For each student who is not reading at or above grade level, the school district shall provide reading intervention to accelerate student growth and reach the goal of reading at or above grade level by the end of the current grade and school year. If a student does not read at or above grade level by the end of grade 3, the school district must continue to provide reading intervention until the student reads at grade level. Intervention methods shall encourage family engagement and, where possible, collaboration with appropriate school and community programs. Intervention methods may include, but are not limited to, requiring attendance in summer school, intensified reading instruction that may require that the student be removed from the regular classroom for part of the school day, extended day programs, or programs that strengthen students' cultural connections.

301 SCHOOL DISTRICT ADMINISTRATION

I. PURPOSE

The purpose of this policy is to clarify the role of the school district administration and its relationship with the school board.

II. GENERAL STATEMENT OF POLICY

- A. Effective administration and sound management practices are essential to realizing educational excellence. It is the responsibility of the school district administration to develop a school environment that recognizes the dignity of each student and employee, and the right of each student to access educational programs and services equitably.
- B. The school board expects all activities related to the operation of the school district operations to be administered in a well-planned manner, conducted in an orderly fashion, and to be consistent with the policies of the school board.
- C. The school board shall seek specific recommendations, background information and professional advice from the school district administration, and will hold the administration accountable for sound management of the schools.
- D. Although the school board holds the superintendent ultimately responsible for administration of the school district, and annual evaluation of each principal, the school board also recognizes the direct responsibility of principals for educational results and effective administration, supervisory, and instructional leadership at the school building level.
- E. The school board and school administration shall work together to share information and decisions that best serve the needs of school district students within financial and facility constraints that may exist.

302 SUPERINTENDENT

I. PURPOSE

The purpose of this policy is to recognize the importance of the role of the superintendent and the overall responsibility of that position within the school district.

II. GENERAL STATEMENT OF POLICY

The school board shall employ a superintendent who shall serve as an ex officio, nonvoting member of the school board and as chief executive officer of the school system.

III. GENERAL RESPONSIBILITIES

- A. The superintendent is responsible for the management of the schools, the administration of all school district policies, and is directly accountable to the school board.
- B. The superintendent shall annually evaluate each principal assigned responsibility for supervising a school building in the district.
- C. The superintendent may delegate responsibilities to other school district personnel, but shall continue to be accountable for actions taken under such delegation.
- D. Where responsibilities are not specifically prescribed, nor school board policy applicable, the superintendent shall use personal and professional judgment, subject to review by the school board.

303 SUPERINTENDENT SELECTION

I. PURPOSE

The purpose of this policy is to convey to the school community that the authority to select and employ a superintendent is vested in the school board.

II. GENERAL STATEMENT OF POLICY

The school board shall employ a superintendent to serve as the chief executive officer of the school ~~district board~~ and to conduct the daily operations of the school district.

III. QUALIFICATIONS

A. The school board shall consider applicants who meet or exceed the licensing standards set by the Minnesota Board of School Administrators and qualifications established in the job description for the superintendent position. State and federal equal employment and nondiscrimination requirements shall be observed throughout the recruitment and selection process.

B. The school board will consider professional preparation, experience, skill and demonstrated competence of qualified applicants in making a final decision.

IV. SELECTION

A. A process for recruitment, screening, and interviewing of candidates shall be developed by the school board.

B. The school board may contract for assistance in the search for a superintendent.

C. The school board shall provide the contract for the superintendent and specifically identify all conditions of employment mutually agreed upon with the superintendent. In so doing, the school board shall observe all requirements of state and federal law and school board policy.

304 SUPERINTENDENT CONTRACT, DUTIES AND EVALUATION

I. PURPOSE

The purpose of this policy is to provide for the use of an employment contract with the superintendent, a position description and the use of an approved instrument to evaluate performance.

II. GENERAL STATEMENT OF POLICY

- A. The superintendent's contract shall be used to formalize the employment relationship and to specifically identify and clarify all conditions of employment with the superintendent.
- B. The specific duties for which the superintendent is accountable shall be set forth in a position description for the superintendent and shall be measured by a performance appraisal instrument approved by the school board in consultation with the superintendent. The school board shall use this instrument to periodically evaluate the performance of the superintendent.
- C. The school board may use the model contract approved by the boards of the Minnesota School Boards Association and the Minnesota Association of School Administrators as a model instrument.

305 POLICY IMPLEMENTATION

I. PURPOSE

The purpose of this policy is to clarify the responsibility of the school administration for implementation of school ~~board~~ district policy.

II. GENERAL STATEMENT OF POLICY

- A. It shall be the responsibility of the superintendent to implement school board policy and to recommend additions or modifications thereto. The administration is authorized to develop guidelines and directives to effectuate the implementation of school ~~board~~ district policies. These guidelines and directives shall not be inconsistent with said policies. ~~At least annually, these written procedures shall be presented to the school board for review.~~
- B. The Employee Handbook and the Student Rights and Responsibilities Handbooks shall be subject to annual review and approval by the school board.
- C. School principals and other administrators who have handbook responsibilities shall present recommended changes necessary to reflect new or modified policies. Changes of substance within the Student Rights and Responsibilities Handbooks shall be reviewed by the superintendent to assure compliance with school board policy and shall be approved by the school board.

306 ADMINISTRATOR CODE OF ETHICS

I. PURPOSE

The purpose of this policy is to establish the requirements of the school board that school administrators adhere to the standards of ethics and professional conduct in this policy and Minnesota law.

II. GENERAL STATEMENT OF POLICY

A. An educational administrator's professional behavior must conform to an ethical code. The code must be idealistic and at the same time practical, so that it can apply reasonably to all educational administrators. The administrator acknowledges that the schools belong to the public they serve for the purpose of providing educational opportunities to all. However, the administrator assumes responsibility for providing professional leadership in the school and community. This responsibility requires the administrator to maintain standards of exemplary professional conduct. It must be recognized that the administrator's actions will be viewed and appraised by the community, professional associates, and students. To these ends, the administrator must subscribe to the following standards.

B. The Educational Administrator:

1. Makes the well-being of students the fundamental value of all decision-making and actions.
2. Fulfills professional responsibilities with honesty and integrity.
3. Supports the principle of due process and protects the civil and human rights of all individuals.
4. Obeys local, state, and national laws and does not knowingly join or support organizations that advocate, directly or indirectly, the overthrow of the government.
5. Implements the school board's policies.
6. Pursues appropriate measures to correct those laws, policies, and regulations that are not consistent with sound educational goals.
7. Avoids using positions for personal gain through political, social, religious, economic, or other influence.

8. Accepts academic degrees or professional certification only from duly accredited institutions.
9. Maintains the standards and seeks to improve the effectiveness of the profession through research and continuing professional development.
10. Honors all contracts until fulfillment, release, or dissolution is mutually agreed upon by all parties to the contract.
11. Adheres to the Code of Ethics for School Administrators in Minnesota law.
