Exceptions for Closed Meetings

A board may conduct a closed meeting for the purposes described in the following provisions.

Attorney Consultation

A board may conduct a private consultation with its attorney only when it seeks the attorney's advice about pending or contemplated litigation or a settlement offer or on a matter in which the duty of the attorney to the board under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the requirement for open meetings. *Gov't Code 551.071* [See BE for permissible methods of communication for attorney consultations]

Real Property

A board may conduct a closed meeting to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. *Gov't Code 551.072*

Prospective Gift

A board may conduct a closed meeting to deliberate a negotiated contract for a prospective gift or donation to a district if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. *Gov't Code 551.073*

Personnel Matters

A board is not required to conduct an open meeting to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee or to hear a complaint or charge against an officer or employee. However, a board may not conduct a closed meeting for these purposes if the officer or employee who is the subject of the deliberation or hearing requests a public hearing. *Gov't Code 551.074*

The closed meeting exception for personnel matters does not apply when a board discusses an independent contractor who is not a school employee, such as an engineering, architectural, or consultant firm, or when a board discusses a class or group of employees, not a particular employee. *Atty. Gen. Op. MW-129 (1980), Atty. Gen. Op. H-496 (1975)*

Note: For restrictions on attendance by student trustees at closed meetings, see AIC

Employee-Employee Complaints

A board is not required to conduct an open meeting to deliberate in a case in which a complaint or charge is brought against a district employee by another employee and the complaint or charge directly results in the need for a hearing. However, a board may not conduct a closed meeting for this purpose if the employee against whom the complaint or charge is brought makes a written request for an open hearing. *Gov't Code 551.082*

Student Discipline

A board is not required to conduct an open meeting to deliberate in a case involving discipline of a public-school child. However, a board may not conduct a closed meeting for this purpose if the child's parent or guardian makes a written request for an open hearing. *Gov't Code 551.082*

Personally Identifiable Student Information

A board is not required to conduct an open meeting to deliberate a matter regarding a student if personally identifiable information about the student will necessarily be revealed by the deliberation.

Directory information about a public-school student is considered to be personally identifiable information about the student for this purpose only if a parent or guardian of the student, or the student if the student has attained 18 years of age, has informed a district that the directory information should not be released without prior consent. [See FL]

This exception does not apply if an open meeting about the matter is requested in writing by a parent or guardian of the student or by the student if the student has attained 18 years of age.

Gov't Code 551.0821

Medical or Psychiatric Records

A board that administers a public insurance, health, or retirement plan is not required to conduct an open meeting to deliberate: 1. The medical records or psychiatric records of an individual applicant for a benefit from the plan; or 2. A matter that includes a consideration of information in the medical or psychiatric records of an individual applicant for a benefit from the plan. *Gov't Code 551.0785* Security

A board is not required to conduct an open meeting to deliberate:

1. The deployment, or specific occasions for implementation, of security personnel or devices, or
2. A security audit

Gov't Code 551.076

Security

A board is not required to conduct an open meeting to deliberate:

1. The deployment, or specific occasions for implementation, of security personnel or devices; or
2. A security audit.

Gov't Code 551.076

A board is not required to conduct an open meeting to deliberate:

1. Security assessments or deployments relating to information resources technology;
2. Network security information as described by Government Code 2059.055(b); or
3. The deployment, or specific occasions for implementation, of security personnel, critical infrastructure, or security devices.

Gov't Code 551.089

Cybersecurity

A board is not required to conduct an open meeting to deliberate a cybersecurity measure or policy. "Cybersecurity" means the measures taken to protect a computer, computer network, a computer system, or other technology infrastructure against unauthorized use or access. *Gov't Code 551.0761*

Critical Infrastructure Facility

A board is not required to conduct an open meeting to deliberate a contract solely intended to protect a critical infrastructure facility located in the jurisdiction of the district. "Critical infrastructure facility" means a communication infrastructure system, cybersecurity system, electric grid, electrical power generating

facility, substation, switching station, electrical control center, dam, natural gas and natural gas liquids gathering, processing, and storage transmission and distribution system, hazardous waste treatment system, water treatment facility, water intake structure, wastewater treatment plant, pump station, or water pipeline and related support facility, equipment, and property. *Gov't Code 551.0761*

Assessment Instruments

A board shall conduct a closed meeting to discuss or adopt individual assessment instruments or assessment instrument items. *Education Code 39.030(a)*

Emergency Management

A board is not required to conduct an open meeting to deliberate information confidential under Government Code 418.175– 418.182, relating to Homeland Security. However, a board must make a tape recording of the proceedings of a closed meeting held to deliberate the information. *Gov't Code 418.183(f)*

Economic Development Negotiations

A board is not required to conduct an open meeting:

1. To discuss or deliberate regarding commercial or financial information that the board has received from a business prospect that the board seeks to have locate, stay, or expand in or near a district and with which the board is conducting economic development negotiations; or
2. To deliberate the offer of a financial or other incentive to such a business prospect.

Gov't Code 551.087

Procedures for Closed Meetings

If a closed meeting is allowed, a board shall not conduct the closed meeting unless a quorum of the board first convenes in an open meeting for which proper notice has been given [see BE] and the presiding officer has publicly announced that a closed meeting will be held and has identified the section or sections of Government Code Chapter 551 (Open Meetings Act) or other applicable law under which the closed meeting is held. *Gov't Code 551.101*

Vote or Final Action

A final action, decision, or vote on a matter deliberated in a closed meeting shall be made only in an open meeting for which proper notice has been given. *Gov't Code 551.102* [See BE]

Certified Agenda or Recording

A board shall either keep a certified agenda or make a recording of the proceedings of each closed meeting, except for private consultation with a district's attorney. The certified agenda must include a statement of the subject matter of each deliberation, a record of any further action taken, and an announcement by the presiding officer at the beginning and end of the closed meeting indicating the date and time. A presiding officer shall certify that a certified agenda is a true and correct record of the proceedings. If a recording is made, it must include announcements by the presiding officer at the beginning and end of the meeting indicating the date and time. *Gov't Code 551.103*

"Recording" means a tangible medium on which audio or a combination of audio and video is recorded, including a disc, tape, wire, film, electronic storage drive, or other medium now existing or later developed. *Gov't Code 551.001(7)*

Closed meetings may not be recorded by an individual trustee against the wishes of a majority of a board. *Zamora v. Edgewood Indep. Sch. Dist., 592 S.W.2d 649 (Tex. App.—San Antonio, 1979, writ ref'd n.r.e.)*

Preservation

A board shall preserve the certified agenda or recording of a closed meeting for at least two years after the date of the meeting. If a legal action involving the meeting is brought within that period, the board shall preserve the certified agenda or recording while the action is pending. *Gov't Code 551.104(a)*

Public Access

A certified agenda or recording of a closed meeting is available for public inspection and copying only under a court order issued as a result of litigation involving an alleged violation of the Open Meetings Act. *Gov't Code 551.104(b), (c)*

Prohibitions

No board member shall participate in a closed meeting knowing that neither a certified agenda nor a recording of the closed meeting is being made. *Gov't Code 551.145*

No individual, corporation, or partnership shall without lawful authority disclose to a member of the public the certified agenda or recording of a meeting that was lawfully closed to the public. *Gov't Code 551.146*

No board member shall knowingly call or aid in calling or organizing a closed meeting that is not permitted under the Open Meetings Act, close or aid in closing a regular meeting to the public except as permitted under the Open Meetings Act, or participate in a closed meeting that is not permitted under the Open Meetings Act. *Gov't Code 551.144(a)*

Affirmative Defense

It is an affirmative defense to prosecution under Subsection 551.144(a) that a board member acted in reasonable reliance on a court order or a written interpretation of the open meetings law contained in an opinion of a court of record, the attorney general, or the board's attorney. *Gov't Code 551.144(c)*

The Board encourages comments from citizens of the District and from District employees.

Policy BED local states that audience participation at a Board Meeting is limited to the public comment portion of the meeting designated for that purpose. At all other times during a Board Meeting, the audience shall not enter into discussion or debate on matters being considered by the Board, unless requested by the presiding officer. An open forum will be conducted at each meeting. The Board shall allot approximately 30 minutes for comments from members of the public about school district concerns.

Any member of the public who wishes to address the Board in Public Forum must complete and submit the Request to Address the Board of Trustees form (green sheet). This form may be obtained at the entrance to the Board room and must be submitted to Tim Savoy, Chief Communication Officer, at the entrance prior to the start of the meeting. Public participation in Board meetings is limited to the Public Forum portion of the meeting agenda, as is provided in Board policy.

Board Policy DEC (LOCAL) sets the maximum time for any individual presentation as 5 minutes, unless decreased by the Board President prior to the start of public comment. In order to ensure efficiency in all meetings, our standard practice is to afford 3 minutes for speakers covering current agenda items and 2 minutes for speakers covering non-agenda items. Speakers with comments on posted agenda items will be called to speak first. Speakers with comments on items not posted for tonight's agenda will then be called to speak, if time permits.

Please be aware that the audio and video of Public Forum is recorded as part of the recording of the entire meeting and is published on the District's website without alteration. A person who chooses to speak in Public Forum consents to the online publication of their comments.

Date: May 18, 2026

Agenda Item: J.1a

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of the Special Education Digital Assessment Library – NCS Pearson

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction
Michelle Velasquez, Executive Officer of Special Programs

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule
CH – Purchasing & Acquisition
EHBA – Special Education: Identification, Evaluation, and Eligibility

C. Goal or Need Addressed: The purpose of this agenda item is to procure digital assessment library from NCS Pearson for special education evaluations.

D. Summary:

- Previous board action relating to this item:** The Board approved the purchase of NCS Pearson digital assessment library March 2025
- Future action anticipated:** Yearly renewal for the digital assessment library used to evaluate students for special education eligibility.
- Background information:** The Digital Assessment Library Plus (DALs+) is a platform that allows for paperless assessment of students using Pearson assessment tools and can be used by LSSPs, Educational Diagnosticians, Speech Language Pathologists, and Occupational Therapists. DALs + will be used to complete special education assessments, initials and re-evaluations, and the information derived from these assessments will help determine eligibility for services as well as determine student strengths and weaknesses which can be used by the ARD Committee to determine goals and objective or the information can be used by general education staff to develop interventions for students who do not meet eligibility for special education services. Per NCS Pearson “[t]he library provides unlimited use of these systems, access to digital stimulus books and manuals, and extensive training resources. The assessments and resources cover Ability, Achievement, Behavior, Mental Health, Speech and Language, and Motor Sensory, all of which automatically upgrade to new editions as they’re published and available for unlimited use.

E. Comments Received:

- Cabinet DLT FBOC Teacher Org. Reps. Other:

F. Administrative Recommendation: The administration recommends approval of the procurement of Digital Assessment Library for Schools from NCS Pearson.

Advantages and benefits of this proposal: Allows digital option for evaluation reducing paper usage, storage and instant access to updated evaluation protocols.

Expected results in terms of student benefit/achievement: Students will be evaluated on time using research based, norm referenced evaluation approved to be used for special education evaluation.

Effect of this action on other parts of the system: Budget

Consequences of not approving this recommendation: Hays CISD will not retain professional and special education evaluations may not be completed on time. Additional, paper-based orders of protocols will need to be ordered to meet required tasks and timelines.

G. Fiscal Impact and Cost: \$104,344.45

Budget **Bond** **Grant/Special Funds:** **Other**

Budget Amendment Needed

Prior Year Spending for this item/service: \$89,914.65

Bid / Contract Information: BuyBoard 748-24

Reasons for rejecting alternatives:

Future/Ongoing: Yearly renewal is anticipated

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Michelle Velasquez, DeAnn Hoscheck

Evaluation method and timeline: Yearly monitoring and reporting to TEA regarding completed evaluations on time.

Next report to the Board: Spring 2027

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of special education digital assessment library from NCS Pearson for an amount not to exceed \$104,344.45, as presented.

Michelle Velasquez, Executive Officer of Special Programs

A. Purpose of Agenda Item:

Action needed Information only Receive input

B. Authority for This Action:

Local Policy: Law or Rule N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: The purpose of this agenda item is to renew the purchase of the online IEP and 504 software for the 2026-2027 school year for the district.

D. Summary:

- Previous board action relating to this item:** The item was most recently approved in March 2026.
- Future action anticipated:** Yearly renewal
- Background information:** SuccessEd is an innovative educational software provided by Frontline that combines the latest technology with expert knowledge and experience to put time-saving data management tools in the hands of educators which track compliance and services provided to student served in special education, Section 504, and Rti

E. Comments Received:

Cabinet DLT Teacher Org. Reps. Other: Teachers, Campus Admin, C&I Staff

F. Administrative Recommendation: The administration recommends approval of SuccessEd, the online IEP and 504 software for the 2026-2027 school year.

Advantages and benefits of this proposal: Provides time-saving data management of student individualized education plans, student assessment, consents, and notices; tracks compliance and services provided to students; provides Spanish translation of static information on forms; progress reporting system for IEP goals and secure email to parents; secures parent portal for parents to access student documents when notified; on-boarding training to use the system; on-time technical help; online tutorials and manuals

Expected results in terms of student benefit/achievement: Increase clean data regarding student services, accommodations, and evaluation for the use of teachers to develop individualized plans. In addition, keeps information regarding State Performance Plan Indicators for Special Education Funding.

Effect of this action on other parts of the system: Maintains information for meeting State and Federal compliance requirements for students who receive special services and for Special Education funding purposes.

Consequences of not approving this recommendation: Failure to recommend this item will result in the need to move to a new system that includes training all teachers and staff to use a new system.

G. Fiscal Impact and Cost: \$106,172.94

Budget: *SPED: \$65,556.34 / Academic Services: \$40,416.60*

Budget Amendment Needed

Prior Year Spending for this item/service: \$98,319.96

Bid / Contract Information: Allied States 24-7490

Reasons for rejecting alternatives: Success Ed is the online software we have been using for Special Education IEP and 504 compliance

Future/Ongoing: There will be an annual cost for this program

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel, Michelle Velasquez

Evaluation method and timeline: Yearly

Next report to the Board: July 2027

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of the Special Education IEP and 504 Software Success Ed from Frontline for an amount not to exceed \$106,172.94, as presented.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: J.1c

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of the Learning Management System Schoology - PowerSchool

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule: N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: The purpose of this agenda item is to secure the procurement of the Learning Management System Schoology for the 2026-2027 school year for all elementary, middle, and high school campuses.

D. Summary:

- Previous board action relating to this item:** The Board has approved Schoology as our Learning Management System since 2020
- Future action anticipated:** There will be an annual cost for this program
- Background information:** The Learning Management System, Schoology, provides a robust platform for our classrooms to maintain all online and offline resources, allowing students to track their learning progress and build their executive functioning skills necessary for college, career, and military readiness such as time management, task initiation, self-monitoring, organization, planning and prioritizing. It also supports a shift to student-centered models of learning through increased student ownership/agency and personalization. A Learning Management System is also required for implementation of any Blended Learning instructional model.

E. Comments Received:

- Cabinet DLT FBOC Other: Teachers and campus administrators, C&I Staff

F. Administrative Recommendation: The administration recommends the approval of the Schoology Learning Management System.

Advantages and benefits of this proposal: Schoology provides our students and staff a way to house their learning. Many assignments can be autograded, allowing teachers time to analyze the data and constructed responses to identify what students need additional learning opportunities as well as what students need enrichment. Hays CISD students, teachers, and administrators are familiar and comfortable with the Schoology platform and have invested substantial time in creating and organizing content within the platform. Teachers are able to share content across teams and their district colleagues easily. Curriculum resources are continuously updated to be used in the Schoology platform. Teachers are able to access fully online, blended and face to face professional development content any time, any place. The C&I department has designed a significant portion for our professional development using this platform and aligning our training and use of the LMS in professional development to model best practices for classroom use. Teachers at our Impact campus have greatly benefited from the collaboration provided when students transition to and from their home campus. This provides for a more seamless educational experience for students as well. Features in Schoology enable teachers to align assignments and assessments to TEKS with the built in Texas Standards bank and track students' progress towards mastery in real-time. It integrates with many of the other resources making it an efficient dashboard for teachers, students, and parents to learning material at any time and any place.

Expected results in terms of student benefit/achievement: As stated in the Hays CISD Student Learner Profile, graduates will be able to integrate technology with learning, communication and working; as well as think critically and creatively

Effect of this action on other parts of the system: C&I hosts professional development and instructional resources for teachers and administrators on the Schoology platform

Consequences of not approving this recommendation: Teachers would have to individually recreate all instructional materials in Google Classroom. Students would no longer have the ability to track their progress towards mastery or get consistently quick feedback on classroom formative assessments.

G. Fiscal Impact and Cost: \$130,036.77

Budget Bond Other: IMTA

Budget Amendment Needed

Prior Year Spending for this item/service: \$90,000.00

Bid / Contract Information:

Reasons for rejecting alternatives: Schoology is our ongoing Learning Management System

Future/Ongoing: Ongoing annual cost

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel, Emily Herrin

Evaluation method and timeline: The department of Curriculum and Instruction will continue evaluating this software through instructional walks and feedback from professional development and stakeholder groups.

Next report to the Board: July 2027

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of learning management system Schoology from PowerSchool for an amount not to exceed \$130,036.77, as presented.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: J.1d

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of Tier 1 Math Instructional Materials, STEMscopes – Accelerate Learning

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: The purpose of this agenda item is to approve the purchase of the online math program STEMscopes for the 2026-2027 school year for math at all elementary campuses.

D. Summary:

- Previous board action relating to this item:** Board approved purchase for the 2023-2024 school year, including the purchase of the STEMscopes Foundations kits for the teacher, which was a one-time purchase. The board also approved the purchase of online licenses for the 24/25 and 25/26 school years.
- Future action anticipated:** There is an annual cost for the online subscriptions.
- Background information:** Hays CISD has utilized the STEMscopes math program in all elementary school campuses since the 2023-24 school year. STEMscopes has continually improved their resources, professional developments, website, activities, assessments and much more to provide rigorous TEKS aligned mathematics curriculum. STEMscopes is a research based online program that provides students with hands-on activities and formative assessments. The online resource is user friendly, allowing teachers and students to use the platform frequently. As STEMscopes is a digital resource, they are able to frequently update and improve their product. Due to TEA's shift for online testing only, we have adapted to using more online resources by utilizing STEMscopes, allowing students more opportunities to be successful. The elementary school day-by-day math lesson plans include various activities and assessments specifically from STEMscopes to enrich daily lessons, allowing teachers to only use district curriculum and not having to purchase/use resources that haven't been vetted or checked for alignment. We are purchasing STEMscopes Math for K-5 teachers as the core, Tier 1 resource.

This purchase will be a renewal for the *online access only*. This purchase is being made off of the State Board of Education's High Quality Instructional Materials list.

E. Comments Received:

- Cabinet DLT Teacher Org. Reps. Other: C&I, Textbook Adoption Committee

F. Administrative Recommendation: The administration recommends approval of the renewal of STEMscopes Math.
Advantages and benefits of this proposal: Designed and developed in Texas to align specifically to the Texas state standards Follows the 5E lesson plan model Provides opportunities for engagement, hands-on exploration, modeling, interventions, differentiation, and extensions beyond the TEKS Provides formative assessment opportunities for just-in-time intervention Online platform for students to support blended learning models As a digital resource, STEMscopes is able to continuously adapt and improve the product.

Expected results in terms of student benefit/achievement: Aligned and engaging learning experiences for students
Increased opportunities for hands-on explorations and modeling Differentiated activities and instructional models for
accessing content for all students Increased student achievement on local and state assessments

Effect of this action on other parts of the system: N/A

Consequences of not approving this recommendation: Loss of aligned and differentiated instructional materials for
elementary mathematics.

G. Fiscal Impact and Cost: \$126,072.50

Budget

Bond

Other: SBOE Approved Instructional Materials Entitlement (IMRA)

Budget Amendment Needed

Prior Year Spending for this item/service: \$123,682.50

Bid / Contract Information: Choice Partners 24/029SG-02

Reasons for rejecting alternatives: Go Math was adopted in 2014 and expired after the 2021-2022 school year.
Publishers have not updated their math resources since the 2014 adoption because math TEKS are expected to be
revised in the coming school years. There is currently a lack of quality, aligned resources for Math. The Texas
Resource Review found that STEMScopes math is 100% aligned to K-5 Math TEKS – a higher rating than any other
resource.

Future/Ongoing: Ongoing annual cost for the online subscription only and teacher kits for growth.

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel

Evaluation method and timeline: The Executive Officer of Curriculum and Instruction, along with the Elementary
Coordinator for Mathematics, will be able to evaluate the data using CBAs and usage reports of STEMscopes per school
and teacher after each assessment.

Next report to the Board: May 2027

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of purchase of Tier 1 Math Instructional
Materials, STEMscopes, from Accelerate Learning for an IMRA-funded amount not to exceed \$126,072.50, as
presented.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: J.1e

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of Amplify Boost Reading Program Software - Amplify

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: CH – Purchasing & Acquisition Law or Rule: Texas Education Code (TEC) §28.006 (b-1) N/A

C. Goal or Need Addressed: The purpose of this agenda is to approve Amplify Boost Reading Program, a personalized reading supplemental program aligned with Amplify mCLASS DIBELS and Lectura screener and progress monitoring data. This program is for students in grades Kindergarten through 4th grade for the 2026-2027 school year.

D. Summary:

- Previous board action relating to this item:** Previously the board has approved this item
- Future action anticipated:** There will be an annual cost for this program.
- Background information:** This district currently utilizes Amplify Boost as a personalized reading software program for students in kindergarten through 4th grade. This program will help provide students with a personalized pathway for reading instruction. Amplify Boost is a supplemental reading curriculum that will help students progress at their individual level. The program meets all students where they are with powerful individualized instruction and practice, enabling student growth at all levels. The mCLASS universal screener works in conjunction with this software and places students at the appropriate reading level. The program addresses the following skills: phonological awareness, phonics and fluency, comprehension skills and vocabulary. The program provides easy to read usage and skills reports. The program also provides individualized reports for parents and caregivers.

E. Comments Received:

- Cabinet DLT . Other: Teachers and campus administrators, C&I staff

F. Administrative Recommendation: The administration recommends approval of the purchase of Amplify Boost reading software program.

Advantages and benefits of this proposal: Amplify Boost is a supplemental adaptive curriculum that empowers students at all reading levels to drive their own reading growth. It is a comprehensive and aligned system. The class is automatically enrolled in the program and it does not require additional set-up time. It is an adaptive curriculum that is 100% digital and works on any device. As students engage in reading practice it takes them through a game world that adapts to meet their unique learning needs. Provides robust classroom and administrator-level reports that give real-time results.

Expected results in terms of student benefit/achievement: To provide students with an engaging, supplemental, personalized reading program that addresses student's unique reading needs.

Effect of this action on other parts of the system: Amplify Boost aligns with mCLASS universal screener for reading

Consequences of not approving this recommendation: Students in grades kindergarten through 4th grade will not have a supplemental reading personalized software program.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: J.1f

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of Open Court Workbooks and Digital Licenses for Phonics for Grades K-2 – McGraw Hill

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: This purchase is for student workbooks and online licenses as part of the current K-2 Phonics program, Open Court. This purchase also includes digital licenses for district and campus staff to support the program. SPED staff, Instructional Coaches, campus administrators, etc. use the online platform to support students and teachers as well as monitor program usage in the classroom.

D. Summary:

- Previous board action relating to this item:** Board approved McGraw Hill workbook and online license purchase in the summer of 2025.
- Future action anticipated:** The usage of these resources is assessed annually and purchased as necessary.
- Background information:** 2026-2027 will be the district's 9th year with Open Court Phonics. Every K-2 teacher in the district is provided a Teacher edition and Foundational Skills Kit. Annually we purchase the online licenses for Teachers, Staff and Students as well as the print workbooks. Each student receives a Skills Practice workbook and a Decodable workbook that are an essential piece of our K-2 District-wide phonics program.

E. Comments Received:

- Cabinet DLT FBOC Teacher Org. Reps. Other: C&I, Campuses

F. Administrative Recommendation: The administration recommends approval of the K-2 Open Court workbooks and online materials from McGraw Hill.

Advantages and benefits of this proposal: Individual student copies of workbooks for students to practice phonics and handwriting skills. The decodables allow students to practice decoding what they have learned in Open Court. Students are able to take the decodables home to continue practicing. The Open Court workbook is aligned to the explicit, systematic instruction that happens during the Open Court lessons. The Open Court phonics curriculum and instructional resources are aligned to the TEA "Science of Teaching Reading" requirements.

Expected results in terms of student benefit/achievement: Increased phonics skills, decoding, and encoding. Gains on our universal screener and district assessments.

Effect of this action on other parts of the system: N/A

Consequences of not approving this recommendation: Without the workbook, students won't have opportunities to practice what they have learned in the phonics and handwriting lessons. Without the digital licenses, teachers and staff will lose access to the online portions of the Open Court program and all of the resources within. The Open Court workbooks and decodables allow us to have aligned resources for all students in the district.

Budget Bond Other IMTA

Budget Amendment Needed

Prior Year Spending for this item/service: \$155,636.43

Bid / Contract Information: RFP 22-032501JT

Reasons for rejecting alternatives: These workbooks and licenses are to support the district's currently adopted phonics program.

Future/Ongoing: This procurement will be a recurring cost (annually), as needed. Possible additional teacher kits purchased as needed for growth.

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel

Evaluation method and timeline: N/A

Next report to the Board: N/A

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of workbooks and digital licenses for Open Court Phonics for Grades K-2 from McGraw Hill for an amount not to exceed \$180,811.62, as presented.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: J.1g

Board Goal: Student Achievement

Subject: Consideration and possible approval of the purchase of the Online Universal Screener NWEA Map Growth for Elementary, Middle, and High School Campuses - NWEA

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction
Emily Herrin, Director of Curriculum & Instruction

A. Purpose of Agenda Item:

Action needed Information only Receive input

B. Authority for This Action:

Local Policy: Law or Rule N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: The purpose of this agenda item is to secure the procurement of online universal screener NWEA MAP Growth for all elementary, middle, and high school campuses.

D. Summary:

- Previous board action relating to this item:** Hays CISD has previously used the NWEA MAP Growth universal screener for K-8 mathematics from 2022-2026, and for secondary reading and 5-Biology during the 2024-2026 school years.
- Future action anticipated:** There will be an annual cost for this program.
- Background information:** For the previous four years, Hays CISD used the NWEA MAP Growth universal screener for mathematics in grades K-8. In the 2024-25 school year, we added secondary reading and 5-Biology in Science. Students were screened three times a year at the beginning, middle, and end of the year. The need for a research-based universal screener to identify individual student needs and implement instructional best practices for Multi-Tiered Systems of Support for mathematics, reading, and science is critical. MAP Growth offers a norm-referenced nationwide comparison for both achievement and growth over a student's academic career. The industry standard for universal screening, MAP Growth informs students, teachers, parents, and administrators on the percentile ranking for achievement and growth and identifies students' strengths and weaknesses. MAP Growth is also approved as a Teacher Incentive Allotment measure.

E. Comments Received:

Cabinet Other: C&I, Elementary & Secondary Principals, TIA Steering Committee

F. Administrative Recommendation: The administration recommends approval of the online universal screener, as presented.

Advantages and benefits of this proposal: Consistent assessment platform for K-8 Mathematics, Algebra I, Geometry, Algebra 2, 6-8 Reading, English 1, English 2, English 3, 5-8 Science, and Biology in an all-online system making test administration much easier for teachers. NWEA MAP is a preferred assessment on the TEA's Teacher Incentive Allotment (TIA) list. Adding MAP has allowed for English 3, Geometry, Algebra 2, 5-8 Science, and Biology teachers to be eligible for TIA. Accurate, norm-referenced data on students' achievement levels, growth, percentile rankings, strengths and weaknesses. Students, teachers, and parents will know exactly how much a student has grown over a certain period of time. MAP Growth accurately projects STAAR and SAT/ACT performance, giving campuses 3 additional checkpoints. Aligned to TEKS including the new TEKS for Science that started in 2024-2025. Administered three times a year for approximately 45-75 minutes each: Beginning, Middle, and End of each year.

Expected results in terms of student benefit/achievement: Students will benefit from the individualized learning pathways address their specific strengths and weaknesses. Teachers have accurate, research-based data to allow for intentional grouping and differentiated instruction.

Effect of this action on other parts of the system: Increased performance in building students' learning pathways develop confidence and proficiency as we prepare our students for the PSAT, AP, and SAT assessments.

Consequences of not approving this recommendation: Teachers will not have research-based data to make instructional decisions for mathematics. Students may not get the individualized instructional lessons that the data enables

G. Fiscal Impact and Cost: \$284,834.25

Budget

Bond

Other: IMTA

Budget Amendment Needed

Prior Year Spending for this item/service: \$259,438.75

Bid / Contract Information: N/A

Reasons for rejecting alternatives: The K-8 alignment and consistency of one universal screening platform for mathematics, reading, and science, as well as the historical accuracy of the norm-referenced comparison groups make MAP Growth the nation's leading universal screener. At the K-3 level, teacher and administrator feedback has focused on the Amplify Mathematics screener not being nearly as accurate nor easy to administer as the MAP Growth assessment. At the secondary level, MAP Growth provides consistency for students, teachers, and parents for mathematics, reading, and science.

Future/Ongoing: N/A

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel

Evaluation method and timeline: Immediately following BOY, MOY, and EOY screeners, campus teams evaluate students' needs. Student growth will be evaluated through universal screener

Next report to the Board: N/

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of the online universal screener NWEA MAP Growth for elementary, middle, and high school campuses from NWEA for an amount not to exceed \$284,834.25, as presented.

B. Authority for This Action:

- Local Policy: Law or Rule N/A
Education Code 42.155 (d)

C. Goal or Need Addressed: Safe transportation

D. Summary:

- Previous board action relating to this item:** Hays CISD staff brings this resolution forward each year, optimally in April, May or June in time for families to make good transportation decisions.
- Future action anticipated:** N/A
- Background information:** The Texas Education Agency (TEA) allows districts to obtain supplemental state funding for transporting regular, otherwise ineligible students who live within two miles of their school but who would be subject to hazardous traffic conditions if they walked to school.

The TEA handbook on School Transportation Allotments requires the Board to adopt language providing the definition of hazardous traffic conditions applicable to the district and to identify the specific hazardous areas for which such funding is requested.

TEC section 42.155(d) states, “a hazardous condition exists where no walkway is provided and students must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition.”

Approximately 2,645 students are currently impacted by hazardous traffic conditions.

**HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT
BOARD OF TRUSTEES**

Date: May 18, 2026

Agenda Item: K.3

Board Goal: Student Achievement

Subject: Consideration and possible approval to seek a Waiver from the Texas Education Agency to provide Special Education Homebound Instruction

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Michelle Velasquez, Executive Officer of Special Programs
Stephanie Norris, Director of Federal Programs and Grants

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule N/A
19 TEAC Section 129.1025

C. Goal or Need Addressed: The approval of this item will allow the district to seek a waiver from TEA to allow the affected student to generate attendance according to homebound funding provisions in the 2025-2026 Student Attendance Accounting Handbook

D. Summary:

- Previous board action relating to this item: None
 Future action anticipated: None
 Background information: Remote homebound instruction means remote instruction in which a student receiving special education and related services with an instructional setting code of 01 -Homebound receives instruction through special education homebound instruction and in which all requirements related to special education homebound instruction are met except for in-person instruction from the homebound teacher. Instruction and related services will be provided via a video conferencing platform. TEA will only grant these waivers in extremely severe medical circumstances, and a waiver must be submitted for each individual student.

In accordance with the 2025-2026 Student Attendance Accounting Handbook (SAAH), a district may, with the approval of a waiver request, provide remote homebound instruction to a student receiving special education and related services and count the student in attendance for FSP funding purposes, including weighted funding purposes, provided that the following requirements are met:

- The student’s ARD committee must have determined, in a manner consistent with state and federal law, that the remote homebound instruction to be provided meets the needs of the student.
- The ARD committee must have documented that determination in the student’s IEP.
- All requirements related to the provision of special education homebound instruction must be met except for face-to-face instruction from the homebound teacher.

Hays CISD staff have held the required ARD Committee meeting and determined that Remote Homebound Instruction is necessary to meet the health and special education related needs of a Hays CISD student with severe medical circumstances. The student is expected to be confined to the home for more than 4 weeks.

E. Comments Received:

- Cabinet DLT FBOC Teacher Org. Reps. Other:

- F. Administrative Recommendation:** Administration recommends that the Board approve the request for waiver
- Advantages and benefits of this proposal:** This waiver will allow the student to receive education services in a manner that meets their health-related needs and allows those services to generate eligible present days in accordance with the 2025-2026 Student Attendance Accounting Handbook
- Expected results in terms of student benefit/achievement:** The student will have the opportunity to continue to receive special education instruction and related services in accordance with their IEP and the recommendations of their physician.
- Effect of this action on other parts of the system:** None anticipated
- Consequences of not approving this recommendation:** The district will not be able to seek a waiver request.
- G. Fiscal Impact and Cost:** N/A
- H. Monitoring and Reporting Time Line:**
- Person responsible for evaluating this decision or action:** Marivel Sedillo, Michelle Velasquez
- Evaluation method and timeline:** The waiver will be submitted to the TEA following board approval. Student will receive Homebound services per the IEP and make progress on their IEP goals.
- Next report to the Board:** As-requested
- I. Suggested Motion:**
- I move that the Hays CISD Board of Trustees approve the request to seek a waiver from the Texas Education Agency for special education homebound instruction, as presented.

HAYS CONSOLIDATED INDEPENDENT SCHOOL DISTRICT BOARD OF TRUSTEES

Date: May 18, 2026

Agenda Item: K.4a

Board Goal: Student Achievement

Subject: Consideration and possible approval for the purchase of the Supplemental Math Program ST Math – Mind Research

Administrator Responsible/Position: Marivel Sedillo, Deputy Superintendent / Chief Academic Officer
Derek McDaniel, Executive Officer of Curriculum & Instruction

A. Purpose of Agenda Item:

- Action needed Information only Receive input

B. Authority for This Action:

- Local Policy: Law or Rule: N/A
CH – Purchasing & Acquisition

C. Goal or Need Addressed: The purpose of this agenda is to secure the procurement of ST Math supplemental math program for K-5 students in Hays CISD.

D. Summary:

- Previous board action relating to this item: N/A
 Future action anticipated: There will be an annual cost for this program.
 Background information: We received a grant from TEA for the last two school years for our campuses to use this program. This supplemental math program is now available through the IMRA funded platform. This software program is designed around how the brain learns best—through visual problem solving and spatial-temporal reasoning. It directly supports the objectives set out in our Math Vision for the district.

E. Comments Received:

- Cabinet DLT Teacher Org. Reps. Other: Curriculum & Instruction

F. Administrative Recommendation: The administration recommends approval of the purchase of math supplemental program, ST Math, as presented.

Advantages and benefits of this proposal: ST Math aligns with our vision for mathematics in Hays CISD: Hays CISD provides students with new, challenging, and unfamiliar mathematical experiences that are facilitated by conceptually fluent, student-focused teachers to develop confident, effective, and resilient problem solvers. We ask our teachers to be intentional about the software that they use in their classroom with students.

Expected results in terms of student benefit/achievement: Students will benefit from the challenging, unfamiliar problems presented through their math puzzles, building their conceptual understanding. We have identified three objectives as a part of our Math Leadership Team and this software supports the development of all three objectives.

- **Objective 1:** Students collaborate to solve new, challenging, and unfamiliar problems through effective problem-solving strategies.
- **Objective 2:** Students internalize and utilize a variety of vertically-aligned and concept-based strategies and models.
- **Objective 3:** Students develop procedural fluency (flexibility, efficiency, and accuracy) from conceptual understandings.

Effect of this action on other parts of the system: We have also gained greater understanding of best practices using this program in our math classroom over the last two years through professional learning opportunities, and we can build on that momentum towards deeper conceptual understanding.

Consequences of not approving this recommendation: Starting over with a new resource would mean additional funds needed for professional learning for teachers. We can continue the momentum we have gained over the last two years to continue improving student mathematical understanding and problem-solving skills.

G. Fiscal Impact and Cost: \$179,350.00

Budget Other: IMRA

Budget Amendment Needed

Prior Year Spending for this item/service: TEA grant funded (~\$97,600 cost)

Bid / Contract Information: N/A

Reasons for rejecting alternatives: We want to continue the momentum we have gained over the last two years in support of our math vision.

Future/Ongoing: Annual renewal is anticipated

H. Monitoring and Reporting Time Line:

Person responsible for evaluating this decision or action: Marivel Sedillo, Derek McDaniel

Evaluation method and timeline: The implementation and usage of the supplemental math program will be monitored on a monthly basis.

Next report to the Board: N/A

I. Suggested Motion:

I move that the Hays CISD Board of Trustees approve the purchase of the supplemental math program ST Math from Mind Research for an amount not to exceed \$179,350.00, as presented.
