Personnel Projects

NPS HR has been learning new systems and process for Nome Public Schools. Recruitment of teachers and doing new online training have absorbed almost all of the time to this point.

Public Comment Statement

The Board of Education welcomes community member input during meetings about issues on or not on the agenda. The Board is not able to respond directly to you during Public Comment; the Board may decide at the end of the meeting during Board Member Comment to discuss your topic at a work session, regular meeting, or direct the Superintendent to look into a situation further.

The Board may not speak about subjects that are protected by legal confidentiality such as specific student discipline issues or personnel issues that could disparage or slander district employees.

The general guideline is approximately three minutes per speaker; however, additional time is allowable if needed. When you speak to the Board, please state your first and last name for the record.

In February of 2023, the Board of Education conducted an Equity Leadership Retreat with both Board membership and administrative leadership in attendance facilitated by AASB. As a result of the retreat, the participants selected three main areas of focus for the Board and leadership as follows:

Family Engagement

- Strategic Equity Framework Sub-Initiative 4.2 – Adopt a district-wide culture that engages Alaska Native families as essential partners in district and school planning and decision making
- Strategic Plan Objective 3.1 - Increase parent and community engagement in each school

Cultural Knowledge in Curriculum and Instruction

- Strategic Equity Framework Sub-Initiative 3-3 – develop a plan for implementing culturally responsive standards and place-based curriculum, instruction, and assessment practices.
- Strategic Plan Objective 2.2 – Explicitly incorporate local knowledge in curriculum and classroom instruction

Equity Leadership

- Strategic Equity Framework Sub-Initiatives 1.1 through 1.4 – develop strong equity leadership and teamwork at the district and site levels, ensure open conversations about race and equity are part of district/school culture, and utilize resources to support equity work, including community/tribal partnerships.

The district leadership team will meet over the next few months to create an action plan at the district and site level with measurable indicators of progress, and future board reports will address the indicators and action plan in each area.

I would like to share the Nome Public Schools is partnering with AASB in a grant for the Alaska Family Engagement Center; I will be attending a meeting in April along with Ms. Lisa Leeper and Mr. Yusuf Rida. The goal of this meeting will be to partner with other school districts across Alaska to discuss ways to increase family engagement with an emphasis on Alaska Native families and other underrepresented family groups.

Secondly, the District will be applying for a competitive grant from DEED entitled Safer Communities/Stronger Connections Grant, with a focus on increasing culturally affirming school and classroom environments. This grant would allow the hire of a district Cultural Coordinator who could work with staff on ongoing culturally responsive curriculum writing, as well as coordinating incorporation of elders, culture bearers and placed-based instruction and learning experiences at all of our schools.

Staffing Update

The District is seeing approximately 20% turnover in classroom teachers this year, including the upcoming retirement of 2-3 long-time educators. Mrs. Donaldson has been working hard to find special education teachers, as our growing SPED population means additional staff will be needed for next year. In addition, we are seeking elementary teachers, a cultural studies teacher for Nome Elementary, and ELA teachers at NBMHS due to staff transfers. Mr. Pfau is working hard to share our open postings both with our community here in Nome as well as state and nationwide.

Legislative Update

The legislative session in Juneau is in full swing, and education and education funding continues to be the main focus at this point in time. Both the house and senate have bills with increases for the Base Student Allocation in committee at this time. SB52 recently was replaced with a committee substitute that would increase the BSA by \$1,000 in FY24, then an additional \$348 for FY25, and add an “inflation-proofing” calculation to the BSA after that. In addition, the new bill would require the Department of Labor to gather information on post-secondary outcomes for Alaska graduates. Governor Dunleavy also introduced a bill that would give classroom teachers in Nome a \$10,000 “bonus” after the end of school years in FY24, FY25 and FY26.

In addition, the Governor also introduced a “Parents Rights” bill; its outcome is somewhat uncertain, as there are varying levels of support/opposition to the bill in the Legislature.

Other bills of interest to our district include HB31, which would expand eligibility for the Alaska Performance Scholarship as well as the amount; SB29, which would require students to pass a “civics” examination based on the US Citizenship exam in order to receive a diploma; SB11/SB88 which would both address the current lack of a defined benefit option for teachers; and several other miscellaneous bills which would add required topics to those being taught in school.

National Conference and Legislative Fly-In

I appreciate the support of the Board in allowing me to attend the National Superintendent Conference in February. My focus was on attending various workshop offerings on equity and leadership. I also attended the ACSA Legislative Fly-In and was able to meet with Senator Löki Tobin and Senator Donny Olson to discuss the priorities and needs for Nome Public Schools. Representative Neal Foster was traveling during the Fly-In, but I was able to chat with him earlier in the month when he traveled here to Nome and discussed the issues with roof leaks at Nome-Beltz. He is optimistic that we will be able to get funding for the needed roof replacement during this legislative session.

Certified Association Negotiations

The District and Association’s respective negotiating teams met in February to begin negotiations on a new agreement. The teams agreed to a collaborative bargaining approach, and

exchanged topics for negotiation at our initial session. Updates for the Board will be provided as the process progresses.

Members of the Board of Education
Nome Public Schools
Nome, Alaska 99762

The Nome Public Schools (District) is pleased to present you with the budget for the fiscal year 2024. The budget document is the primary document that communicates the District's plans for spending in the ensuing fiscal year, and it also details its organizational goals and objectives in monetary terms. The District is required to prepare and approve a balanced budget and submit it to the City of Nome by May 1st and to the Department of Education & Early Development by July 15th each year. A balanced budget is defined as revenue budgeted at least the same as, or more than, the budgeted expenditures or use of fund balance.

In presenting the FY2024 Budget document, we may discuss the instructional, operational, and financial plans in an open forum. We believe community interaction and input between stakeholders leads to improvements benefiting the education of children at Nome Public Schools. The administration of Nome Public Schools has reviewed and discussed its plan for the FY2024 school year in terms of what can be accomplished within the bounds of a balanced budget.

Budget development and analysis is always a work in progress. Changes will occur in FY2024 when salaries, benefits, and foundation funding are finalized.

Organizational Component

The City of Nome was incorporated in 1901 as a first-class city under the laws of the Territory of Alaska. The City operates under council-manager form of government and performs municipal duties allowed by Alaska Statutes and as directed by its residents.

The Nome Public Schools is a component unit of the City of Nome and is organized under Title 29.42.030 of Alaska Statutes as amended. The City has delegated the administrative responsibility for these functions to the Nome Public Schools Board of Education. The School Board is governed by a five-member school board with members elected by district and complemented by a non-voting student representative.

Budget Process

Alaska Statute 14.14.065. Relationship between city school district and city. The relationships between the school board of a city school district and the city council and

executive or administrator are governed in the same manner as provided in AS 14.14.060. AS 14.14.060 (c) states “except as otherwise provided by municipal ordinance, the borough school board shall submit the school budget for the following year to the borough assembly by May 1 for approval of the total amount. Within 30 days after receipt of the budget the assembly shall determine the total amount of money to be made available from local sources for school purposes and shall furnish the school board with a statement of the sum to be made available. If the assembly does not, within 30 days, furnish the school board with a statement of the sum to be made available, the amount requested in the budget is automatically approved. Except as otherwise provided by municipal ordinance, by June 30, the assembly shall appropriate the amount to be made available from local sources from money available for the purpose.

The District’s School Board approves a budget timeline which includes opportunities for presentation to the public. Below is the FY2024 budget timeline.

FY 2024 BUDGET PROCESS AND TIMELINE

**Budget Process, Timeline, Revenue Presentation, Board Sets Education & Fiscal

General Fund Revenues and Expenditures

Below are the assumptions used to develop the budget.

Revenue Budget

We have developed this budget based on assumptions about legislative funding for FY2024. This budget assumes that we will be funded at **\$5,960** per base student allocation (BSA) with

no cuts to Basic Need or any part of the foundation formula itself. We are budgeting for a \$3.2M City of Nome appropriation, which is 87% of the maximum allowable appropriation.

In the State of Alaska, the number of students enrolled in a district during the 20-day count period is the basis for computing the Average Daily Membership (ADM) that is used to calculate the amount of state funding provided to each district.

Revenue projection of **\$15,824,356**:

- ❖ Enrollment projected at 693 students
- ❖ 90% of the BSA for Correspondence students – 27 projected
- ❖ Intensive students (13 x's the BSA of \$5,930) – **16 projected**
- ❖ ISER Area Cost Differential of 1.45
- ❖ Career & Technical Education (CTE) Factor – 1.015
- ❖ Special Needs Factor – 1.20
- ❖ Base Student Allocation (BSA) - \$5,930
- ❖ TRS On-Behalf and PERS On-Behalf – zero net effect against on-behalf expenditures
- ❖ City appropriation is budgeted at \$3,200,000
- ❖ Impact Aid estimated at \$35,200
- ❖ E-rate estimated with 90% discount rate on internet bills - \$1,338,461
- ❖ Other Revenues projected at \$310,000 (includes dorm and DOT rent, local contributions, gate fees)
- ❖ Utilize unreserved fund balance - **\$1,268,443**; leaving a **5.18%** fund balance which is *above* the Board stipulated 5% minimum.

Expenditure Budget

Below are the expenditure highlights and other considerations for FY2024. This budget includes:

- ❖ Annual step increases/salaries updated.
- ❖ A 2% increase to health insurance premium rates.
- ❖ Other employer-paid benefits remain status quo – 22% for PERS & 12.56% for TRS.
- ❖ Staffing based on a combination of needs-based and overall monetary availability per revenue and expenditure assumptions.
- ❖ **A 10% increase to liability and property insurance per AMLJIA letter.**
- ❖ Utilities remain close to status quo, with the exception of heating fuel which has been decreased slightly below FY23 costs, but still remains a hefty price tag of **\$950,000 total between bulk fuel purchase and drayage of fuel.**

Nome Elementary School

- ❖ Added back in the vacant 4th grade teacher position.
- ❖ **Added 2 FTE Special Education Teachers**; total of 4 FTE Sped Teachers.
- ❖ **Reduce Special Education paraprofessional from 3.2 FTEs to 2 FTEs.**
- ❖ Non-personnel budgets remain status quo.

Anvil City Science Academy

- ❖ Retained same staffing levels as FY23, **but moved 0.5 FTE Regular Instruction to 0.5 FTE Special Education Instruction.**

- ❖ Non-personnel budgets remain status quo.

Nome-Beltz Middle High School

- ❖ Increased staffing expense by 2.0 FTE – Behavior Specialist (was grant-funded in FY23) and Music Teacher.
- ❖ Non-Personnel budgets remain status quo.

Districtwide

- ❖ Increased Extensions Teacher FTE to 0.84 to accommodate higher student load and additional work days necessary.
- ❖ Changed 1.0 FTE Human Resources Director to 0.50 FTE Assistant Superintendent/0.50 FTE Human Resources Director, which is now filled.
- ❖ Transfer to Food Service status quo at \$75,000.
- ❖ Transfer to Pupil Transportation status quo at \$40,000.
- ❖ Transfer to CIP reduced to \$100,000.

We thank you for your consideration of the FY2024 budget.

Sincerely,

Jamie Burgess

Nome Public Schools Student Representative Report For

Month of February

Submitted on: March 7, 2023

- I. **Student Athletic Activities** : Nome Public Schools has a wide range of athletic activities that are branched out in the academic school year: Currently we have girls and boys basketball, cheerleading, as well as middle school volleyball
 - A. Boys and girls basketball had their senior nights. Celebrating seniors are (boys) Jade Greene, Thomas “Ethan” Hannon, Kelvin Lewis, (girls) Natallie Tobuk, Sophia Marble, Asa Hukill. Both teams did well against playing Unukaleet on home and away games. On Thursday, the 9th, both boys and girls will be in Bethel competing in the regional conference.
 - B. Cheerleading had their senior night. Celebrating seniors are Brenna Scholten, Victoria Gray, Cameron Minix, Christen Thurn, Addison Knuden. They will also be traveling to regions with the basketball teams later this week.
 - C. Middle School volleyball will be ending their season at the end of this week, before spring break. A team of 15 girls will be taken to Wasilla to compete in a middle school volleyball tournament.

- II. **Academics Activities**: Nome Public schools has been encouraging students to branch out to more academic based organizations.
 - A. Ed Rising went to Fairbanks to participate in the Educators Rising conference at the University of Alaska Fairbanks. 14 students from Nome went to the conference. Kaitlyn Johnson and Asa Hukill placed first in their division. Dorothy Callahan, and Sophia Marble placed second for their division. Alya Knodel, and Quinton Bankhe placed third for this division. The rest of the group still placed in the overall 10th places, meaning that the whole group qualified for the national conference, later in June.

- B. A Dual credit course, Tribal Governance 200, has a small group of children that are trying to attend the ICC conference in Greenland in late July. The small group of seven students are currently working and looking for funding to be able to attend the entire conference. Currently the topic of the course is developments and colonization in both Greenland and Alaska

III. Club/ Organization: Club organizations are ran by a teacher and usually help open up opportunities to students of all age/grades. These clubs can both be school oriented, or ran-by youth outside of school.

- A. The Junior Class has gotten together and has started to fundraise and officially organize the 2023 prom. This year's theme is Enchanted forest and is still currently being decided where it would take place.
- B. Drama club has had their auditions for roles. The play will be The Greek Mythology Olympiaganza. Practice for drama will start after spring break and will continue until either late April or Early May.
- C. Nome Youth Court is an organization not ran by the school, however many highschool/middle school students make up the organization. Nome Youth Court is made so that students can get a feel for the legal system and help their peers. Currently, the annual meeting for all the youth courts has been canceled due to certain circumstances, however four students from the high school will attend a court conference in late April. This meeting will allow students to gain awareness in how courts, lawyers, and other people affect the legal system.
- D. Nome Native Youth Leadership Organization and National Honor Society had helped clean up the middle school winter formal.

IV. Meals :

- A. For highschool and middle school meals, there has been no complaints. The students appreciate the other students that work in the kitchen.

V. Concerns:

- A. For the most part there were no major concerns from the students;
 - 1. Minor issue that has already been addressed at Juneau; the ceiling of our building. From highschool students helping in middle school volleyball

practices, have noticed the drippage from the elementary school, just like the high school ceiling.

March 9, 2023 (February Report)

Dear Board Members,

Third quarter has come to a close and February just zoomed by. March seems to be going even faster – we have so much to report for March already, but that will have to wait. As for February... 😊

With multiple storms, conferences, and a short month already, February is something of a blur. Despite having several staff traveling for conferences, sports, personal/medical, and getting stuck away due to weather, teachers worked diligently throughout the month to meet with families for conferences. We had about 73% of our families participate in conferences with staff. This includes in-person, virtual, and phone conferences.

The NES Leadership Team met for a second all-day Saturday work session on February 4th. We completed a review of our practices categorized by the four domains of rapid school improvement: Transformational Leadership, Talent Development, Instructional Transformation, and Culture of Learning. The team came to consensus on an implementation rating of “None,” “Initial,” “Partial,” or “Full” on 49 indicators, and recorded evidence to support each rating. This review was then presented to staff teams in PLC meetings so they could also provide their feedback. The final step was coming together as a staff on February 20th to review the feedback and determine a final rating by consensus. On Thursday, February 23rd we held our first full-team regular session, welcoming community members Rhonda Sparks and Yusuf Rida to the team. We reviewed with them our situational analysis efforts to that point, and planned our Community Review event – Read Across America Family Engagement Night. More on that in our March report! The team is working hard and making great progress!

In February we celebrated another 180 reading logs being turned in with nine new mascots posted. Congratulations to Ms. Ten Eyck’s class (two mascots); Ms. Secor’s class (one mascot); Mrs. Bourdon’s class (one mascot); Mrs. Erikson’s class (two mascots); and Mrs. Marvin’s class (three mascots). We love our culture of reading!

STEM Star for February: Zaden Wood! Zaden is a third grader who *“has improved leaps and bounds this year. He asks inquisitive questions alongside top-notch creative ideas. Zaden adds valuable contributions in class discussions and after school STEM Club activities.”*

~Sophia Pantelis, STEM Teacher. Congratulations, Zaden! He received a bridge-building kit and an “All You Need to Know About Science...” book.

This Month's Inupiaq Values & Phrases:

Commitment to the Family: Munnakłui kiñunnaisi

Love of Children: Nagguagiktut ilagit

Week of: Feb. 6: Piqpaiq (to love dearly)

Feb. 13: Uumatim Ublua (Valentine's Day)

Feb. 20: Piqpaiqpagikpin (I love you)

Feb. 27: Nasiaqsiq (February – time of the unborn seal)

Coming Events:

(-Mar. 2: Read Across America, Community Review, 6:00-7:30)

(-Mar. 8: NES Science Fair, 5:30PM)

(-Mar.9 : Hugh Neff Assembly, 1:15PM)

-Mar. 10: High Table – Ms. Secor's 1st Grade

-Mar. 13-17: Spring Break

-Mar. 24: High Table – Mr. Slingsby's 1st Grade

Statistics:

School was in session for 18 days in February (three were distance delivery due to weather):

-We had an attendance rate of 81.5% Most grade levels fall between 81% - 89% attendance. Kindergarten is much lower, at just 67.3%.

-We served 3,118 breakfasts, and 2,822 lunches.

-83 individuals from the community volunteered a total of 92 hours in the school. This includes nearly all of our family members of second grade students who came to enjoy High Table Luncheons with their children.

Nome Elementary School provides a positive and welcoming environment where our culturally-diverse students, staff, and community members are valued through mutual respect, collaboration, safe interactions, and enriching experiences. Clear and high expectations serve as guidelines to reach success and wellness for all students in this rapidly-changing world.

ACSA School Board Report March 14, 2023

Lisa Leeper, Principal

Enrollment / Attendance Update

- We had a 94% student attendance rate for February.
- There were no changes to enrollment in February.

Classes and Activities

- ACSA students spent several weeks of February preparing for their Student Led Conferences. This involved collecting artifacts, writing reflections, and practicing communication. On February 17 and 20, ACSA students lead conferences with their families. The students discussed successes and areas for growth, explained their high school ready traits, showed examples of their work and projects, and reviewed their MAP scores, attendance record and progress report. Conferences were well attended with about 90% of students having met with their family. Teachers were available throughout the conferences to speak with families or to help students when needed.

- During conferences, parents/guardians took a short survey that asked about the outcome of Student Led Conferences and about what types of communication platforms families use most. Data shows that people were generally pleased with the format of conferences and the information provided. Also, email and conversations with their children seem to be the most valuable forms of

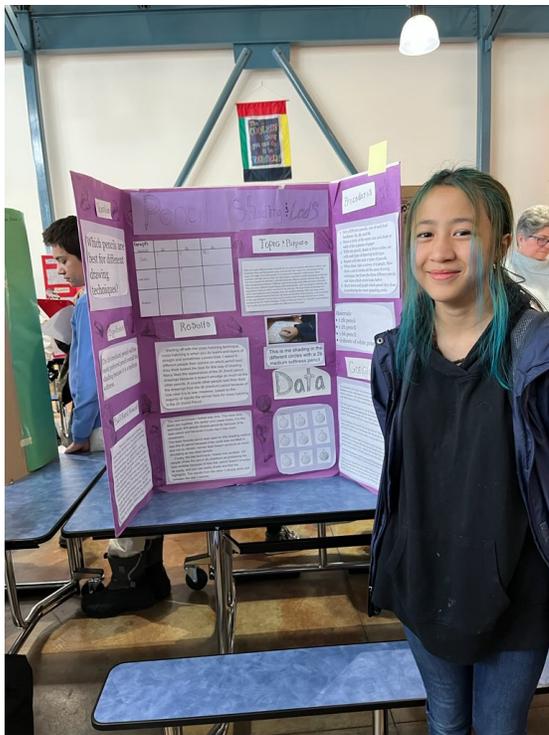

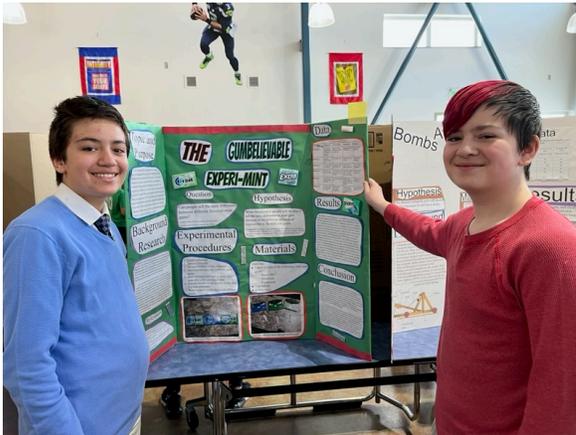

communication. Survey results are included at the end of this report, though I included just a sample of the open-ended responses.

- Jennifer Dean-Johnson from Kawerak's Child Advocacy Center visited ACSA to give presentations to students about Bree's Law (for dating violence prevention education) and Erin's Law (for child sexual abuse prevention education). Students paid careful attention and were appreciative of the information shared.
- Families, staff and students have all had the opportunity to take the School Climate and Connectedness Surgery. To date, 60% of families, 97% of students and most staff have completed the survey. We find the results of this survey to be one of the most meaningful tools for planning strategic goals for school improvement.
- Each January, two seats become available on the ACSA Academic Policy Committee. It took a couple rounds of advertising to find willing volunteers, but in February we received letters of interest from two parents of current students, and both candidates were accepted by APC vote as new members. We welcome Amy Johnson and Sherri Lewis as they take open seats.
- Students worked hard this month to prepare for this year's ACSA science fair which was held Wednesday, March 8th in the Nome-Beltz cafeteria. Ms. Smyke did an amazing job of leading students through the scientific process using online log books and allowing each to study a topic of choice. Three blizzard days affected student preparation for the ACSA Science Fair, but teachers coordinated to provide time and assistance in various classes to help every student complete an individualized project. Many volunteers from the community were on hand to help judge projects using criteria on a scoring rubric. In coordination and with funding from NACTEC, approximately 20

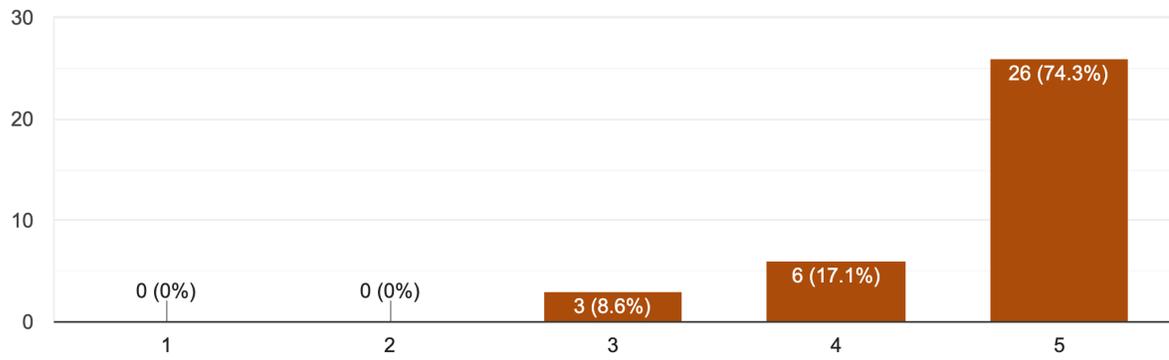

students who won top honors for their projects will have the chance to go to the state fair in Anchorage, March 31st-April 1st. The top two place winners are the following students:

- 1st) Roselynn Paniptchuk and Nevelo Hoogendorn: The Mood to My Music, does the genre of music affect a person's mood
- 2nd) Maxwell Breuker and Denali Walrath: Taste the Rainbow, does color of food affect a person's perception of its taste

I believe the structure of the conference is great for the students. It builds up their confidence and makes us parents have a clearer understanding how we can help at home.

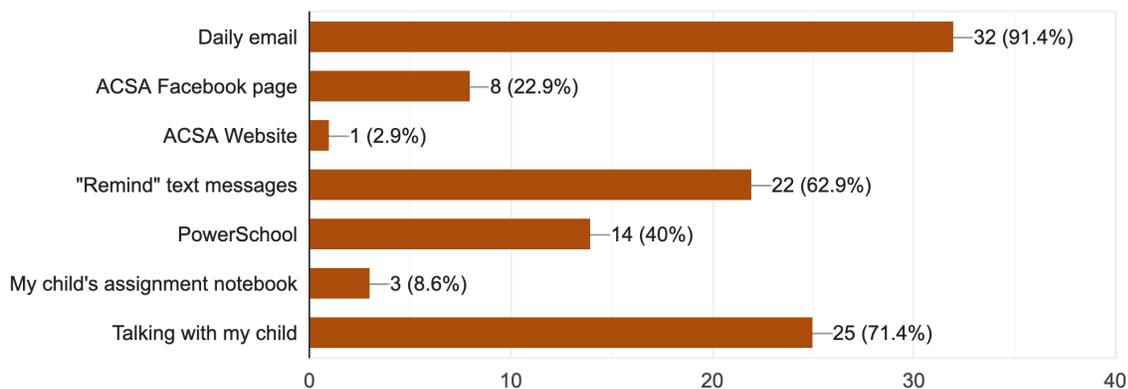

I believe that it is a good practice for the students to do these as a report setting. This process was a lot better than the prior student led conference as I believe my daughter has grown and understands more of what she is learning.

I do like that it allows the student to prepare their own presentation, as it is teaching them the planning stages of a presentation. I also think that it fosters accountability for the student, as they cannot shy away from what is, or isn't, done.

We like this idea of having the students accountable and provides them practice with speaking and presenting.

Lastly, how do you get information about school? Select the three most useful sources.

Student Celebrations:

- Due to the timing of the March School Board meeting, we will postpone student celebrations until the April session.

Cultural Reflections: In lieu of our monthly recognition, we would like to share a weekly round of celebrations that have been happening at the middle school. Every week, teachers nominate students who emanate cultural values in their day-to-day lives. Every Friday, at the end of breakfast, Mr. Akes presents the awards and students clap and celebrate their peers. Recent recognition includes the following students:

- Charlie Ellanna-tate (8th-grade): Cooperation
 - Mr. Fox shared that Charlie shows a strong interest in history and has a great grasp of social studies. Mr. Fox also shared that Charlie is respectful and sets an example for others.
- Lane Schuerch (8th-Grade): Responsibility
 - Ms. Davies shared Lane takes ownership for his work and pushes his classmates to do the same. Ms. Davies also shared that Lane has a strong work ethic and high morale.
- Levi Arnal (6th-grade): Hard Work
 - Ms. Rhodes shared that Levi has been working hard in reading class and he sets a good example for other students.
- Noel Pardee (6th-grade): Cooperation
 - Ms. Laurence shared that Noel works hard in class and shows respect for both the teacher and her classmates.
- Macy Hukill (7th-grade): Respect for Others
 - Mrs. Robb shared that Macy encourages and supports her classmates.
- Isaiah Sockpick (6th-grade):

- Mrs. Shreve shared that Isaiah is working hard to complete his assignments and he always tries to stay positive when things get difficult.

The following is a list of happenings that currently impact NBMHS:

- School closures and delays due to weather and staff shortages continue to impact academics, planned activities, and student engagement. Beltz teachers and staff have been meeting to discuss the efficacy of Blizzard Bags and exploring other options to maintain academic integrity during closures.
- While Mrs. Hansen continues to keep the high school music program running, the middle school program continues to face staffing issues while we work to fill the vacancy. Mr. Settle has been helping when possible, but the program has all but halted for the spring term.
- In continuing efforts to promote the safety of our students, Nome Volunteer Fire Department members performed a pre-event walkthrough of the Nome-Beltz campus while guided by Ms. Smith. During the evening walkthrough the above members were tasked with orienting themselves to the layout of the building as well as identifying any safety concerns if present. This team included:
 - Fire Chief Jim West Jr.
 - Assistant Chief Kevin Knowlton
 - Captain Randy Oles
 - Captain Shane Smithhisler
 - Lieutenant Paul Kosto
 - Firefighter Craig Teesateskie
 - Firefighter Chris Williamson
 - Firefighter Hunter Bellamy - Full Time Emergency Services Staff Member
 - Firefighter Brendon Tran
 - Firefighter Chase Gray
 - Firefighter Jake Stettenbenz
 - Firefighter Chris Ta
 - Probationary Firefighter Rose Reale-Gray - Full Time Emergency Services Staff Member
 - Probationary Firefighter Silas Takak

Growing the Den:

- *Educators Rising in Nome Shines*
 - Ms. Finney has worked tirelessly to grow our Educators Rising program. As a result, 14 Nome-Beltz High School students competed in the Alaska Educators Rising State Competition. They traveled to Fairbanks for the Awards Ceremony and Leadership Conference. Over 360 students

from around the state competed in 9 categories. Students who placed 1st-3rd were publicly recognized at the Awards Ceremony. Seven of our students placed in the Top 3 in their categories! Please congratulate these future teachers and leaders!

- Quinton Bahnke, Sophomore, placed 3rd in JV Lesson Planning & Delivery: STEM
- Iryna Kadastka, Junior, placed 3rd in Varsity K-3 Children's Literature
- Ayla Knodel, Junior, placed 3rd in Varsity Public Speaking
- Sophia Marble, Senior, placed 2nd in Varsity Public Speaking
- Dorothy Callahan, Senior, placed 2nd in Varsity Creative Lecture
- Asa Hukill, Senior, and Kaitlyn Johnson, Junior, tied for 1st place in Varsity Job Interview. Their trip to nationals will be completely paid for by Ed Rising Alaska!
- Half of our competing students placed in the Top 3, but the other half were not out of the running! Every single competitor placed within the Top 10 in their category! That means that all 14 students have the opportunity to compete at the national competition in Orlando, FL this summer. Here are the remaining results:
 - Sara James & Ayla Ta, Freshmen, placed 4th in JV K-3 Children's Literature
 - Angela Omedelina, Freshman, placed 4th in JV Lesson Planning & Delivery: STEM
 - Hattie Nattanguk, Sophomore, placed 5th in JV Lesson Planning & Delivery: STEM
 - Victoria Gray, Senior, placed 5th in Varsity Lesson Planning & Delivery: STEM
 - Julia Sinnok, Sophomore, placed 6th in JV Lesson Planning & Delivery: STEM
 - Amy Nguyen, Senior, placed 6th in Varsity K-3 Children's Literature
- *MS Arts*
 - Ms. Laurence is teaching a middle school art class and student feedback has been positive, supporting the importance of integrating the arts into our course offerings:
 - “This is the only time during the day that I can create something like this. I think art is really important.”
 - “My cousin took a bunch of art classes in high school. This is my first. I didn’t know I’d like it so much.”
 - “I feel comfortable making something.”

- ***PBIS in Progress***

- The middle school PBIS initiatives have proven to be successful. Students have met within their advisories to discuss the core Nanook values of respect, responsibility, and safety. Teachers and staff who note these values in practice and general good citizenship award Nanook cash. Students can redeem this cash for various items at the Middle School store run by Jill Peters and other students. Additionally, middle school teachers planned activities to promote positive behaviors. Mr. Fox took a group of students out snowshoeing! Other activities have included game competitions, films, and hand-on activities. To better support our growth in this area, Behavior Specialist Ashley Crowe, Guidance Counselor Aaron Brown, and Science teacher Michael Deering participated in the Creating Trauma Sensitive Schools Conference in Houston, Texas. Another team will head to Portland, Oregon in April for the Northwest PBIS Conference in April. Rolling out initiatives takes a strong team effort and time in order to be effective and we are on the right track!

- ***Shark Tank at the Middle School***

- During Ms. Peters' 8th grade elective Life Skills class, students took career interest surveys to see what kind of job they might be interested in having one day. As a whole, this particular group had a high interest in becoming entrepreneurs. Ms. Peters decided that they should begin to explore their interests immediately by creating proposals for a business they would like to start up and present them in the style of the popular Shark Tank television series.
- Students spent several weeks learning about product selection, advertising, start up costs, profit, and developing presentation skills. On the big day, there were three businesses competing for the grand prize of possibly receiving start up money to fund their business. Proposals included a middle school store to sell healthy snacks, a smoothie shop called Fruitland, an art shop, and custom made Nanook gear that was entirely run by the girls!
- Impressed with their hard work, creative ideas, and power of persuasion, Ms. Donaldson, the judge, declared that she wanted to combine parts of ALL of their ideas for one grand business operation!
- During the month of January, all 8th graders were invited to sign up to be customer service, stockers, advertisers, or product selectors. Students gave

suggestions of what they would like to see in their new store and then voted on their top items.

- On February 1st The Nanook Store held its grand opening to the excitement of many middle school students who had been asking for many years, "How come the high school has a store but we don't?"
- The Nanook Store is open during middle school lunch on Mondays, Wednesdays, and Fridays.
- Please stay tuned for the creation of some custom made Nanook gear by the ladies' team, as well as the arrival of their art supplies. Once the blenders arrive, Fruitland will be open for business on Tuesdays and Thursdays.
- The High School Store, Let Us Buy, is in its 7th year of operation. Not to be outdone by the middle schoolers, the high school has a new product: Beadwork by Angel Kuzuguk.
 - Angel is participating in a work study elective where she is paid for creating beaded earrings and necklaces which she then sells on Mondays and Fridays at the high school store.

- **High School Formal**

- The Sophomore Class raised \$1300 hosting the Winter Formal; more than 125 students, including students from North Pole who were in Nome for the basketball tournament, attended to get their boogie on with DJ A! All proceeds go to support this cohort's activities.

- **Volunteers Rock!**

- NBMHS welcomes Volunteer James Ventress. James comes into the building to interact with students during high school and middle school lunch; James also supports Mr. Coulter in his CTE classes. We appreciate his presence and we know that positive interactions with adults is good for our Nanooks and this promotes a culture that is one of safety and belonging. Thank you, James!

Activities Wrap-up:

- Beltz HS basketball teams hosted North Pole and Elim February 3-4 at the Nome Rec Center to allow for better community access to the games. The Norton Sound Shootout proved to be intense as the boys and girls went up against teams from around the region. AsaLuk Nichols and Peyton Weyiouanna garnered All-Tourney awards! In addition, teams traveled to and hosted Barrow, Bethel, and Unalakleet. The Lady Nanooks end the regular season with a 12-10 record. The Lady Nanooks will next play Bethel on Thursday, March 9 in the 1st round of the Western Conference Basketball Tournament. Nome-Beltz Boys end the regular season with a 20-2 record and will play Bethel at Western Conference.
- Cheering crowds, students, and staff bid farewell to seniors for Girls basketball on Saturday, February 25 and Cheer, Pep Band, and Boys Basketball on Friday, March 3, 2023. Cheer picture compliments of Yearbook staff photographer, Junior Jeremy Miller.

- MS Wrestling and VB are underway and going strong with competitions in Anchorage and Valdez.
- The NBMHS Ski Team is underway and hosting its first event Friday, March 10 and Saturday, March 11, 2023. Teams from White Mountain, Shishmaref, Galena, Wales, and Brevig Mission.

[Becky Miller for her work on a successful CHILD FIND!](#)

EQUITY GOAL

Increase qualification and opportunities for children with disabilities by May 1, 2023.

Hiring/Staffing

We are having success in recruiting special education staff to serve our students. Jeff Collins will serve as the .5 special education teacher at ACSA. We have two returning and one new special education teacher at the elementary school. At the high school we have hired two new teachers to join Jill Peters. Joy Foret has resigned to serve as a paraprofessional.

FASD

A new collaboration is beginning with the Nome School District, community members and the office of Substance Misuse and Addiction Prevention at the Department of Health to address the needs of our children and community. Staff working with children in our schools with Fetal Alcohol Syndrome Disorder require training. A parent from the community reached out to begin this conversation and to form an action team to begin planning.

Child Find

For the first time post COVID we had an early learning program CHILD FIND at Nome Elementary on February 17. As a result we are working closely with Head Start and Nome Preschool to serve our children. The current caseload of three and four year old children is twenty one children and growing!

Norton Sound Early Childhood Coalition

Working with Veronica Alviso on creating parent partnerships with pediatricians in adding parent support groups to well child visits. Veronica lends the coalition and it will be a beginning to forming partnerships.

SOUTHCENTRAL FOUNDATION

We are continuing our partnership in a quest to provide behavioral health specialists at the elementary school for children with needs. We have now expanded our partnership with Dr Matt Hershfeld at Norton Sound and Anne Paley from the Southcentral Foundation to serve ALL children with behavioral needs - not only autistic children. They will work with children and families in the community.

SPECIAL OLYMPICS HAS A TEAM

In March, we will participate in the 3 on 3 tournament in Anchorage. Special Olympics funds all expenses except for food for 2 coaches, 3 special education students and 2 "partners" as mentors. We are starting small but our hope is to expand to track in the spring.

POWERSCHOOL TRAINING

We continue to work on compliance. Paperwork and following state and federal regulations are essential to a successful special education program. This week special education staff were trained on compliance and powerschool paperwork.

Nome Public Schools Director of Technology Report

Completed Projects

Cyber Security compliance training - as of 28FEB23 approximately 88% of staff have completed the training. Increasing restrictions are being placed on accounts for personnel who have not completed the training and lists of those not compliant provided to Site admins for additional focus.

Tech Dept personnel attended the Alaska Society for Technology in Education (ASTE) conference in Anchorage from 18-21FEB23 (extended to 25FEB23 due to flight cancelations). This is the first in person attendance in three years. It was nice to be able to meet face to face with many of our counterparts from around the state as well as see the new and upcoming technology offerings from various vendors. I focused on attending many of the Apple sponsored meetings, Tim's focus was on Google offerings, and Justin took in as many teacher centered sessions as he could. We all came away with a renewed sense of belonging and excitement / appreciation for what technology truly brings to our staff and students.

Current projects

Completing the demo of 10 Vivi devices which will allow connection to any HDMI capable display, large screen TV, or interactive panel to a web interface for centralized control (by site or district admin) of emergency notifications (which can interrupt / force show on all connected displays), run a schedule to display digital signage / messages, and present internal video broadcasts. The devices will also allow classroom teachers to use additional built in classroom and presentation tools for: wireless screen mirroring, whiteboard operations, playing video / audio files / playlists, display clock / stopwatch / and timer tools, student screen sharing, distribute assessments, instant polling, and show wellness / mindfulness lessons that are embedded with the interface.

Training of NBMHS Registrar and NBMHS Attendance Secretary in PowerSchool Admin roles.

Installation of SPED and additional classroom interactive displays (4 total) at NES.

Installation of new network cabinet enclosure at NBMHS Kitchen areas.

Installation of environmental air quality (Vaping) in public restrooms at NBMHS.

The School Website Content Management Service replacement and redesign is off to a great start. We have received mockups of our [webpage](#) as well as a mockup for our [Nome public Schools App](#) design. Expected launch date mid May to early June (after school releases).

Testing Proof of Concept for an edge network appliance to allow dedicated secure connection to our internal network through issued access devices. These devices would allow remote workers to function (printing services, access to Network Attached Storage, local servers, etc) as if they were connected to our internal network.

End of year technology purchases district wide. Identifying equipment that is needed or needs replaced. Assisting schools with proper selection of equipment as needed.

Future Projects

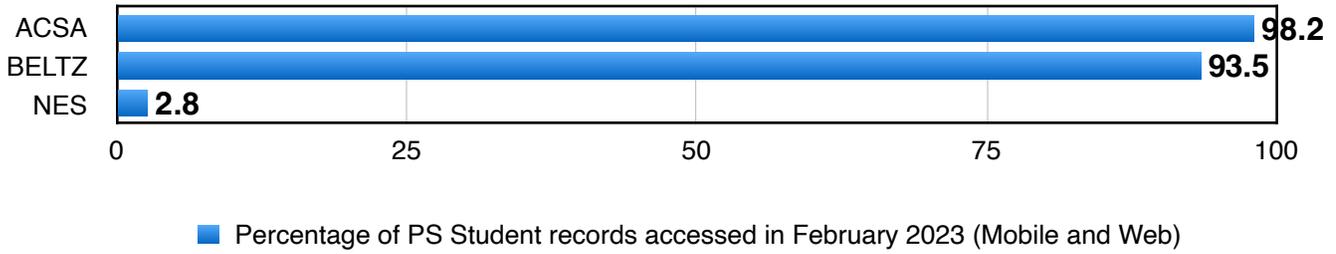

Network diagraming for our entire network infrastructure in support of District Data Protection Policy.

Replacement of classroom and pod printers (approximately 40) that are reaching end of lifecycle.

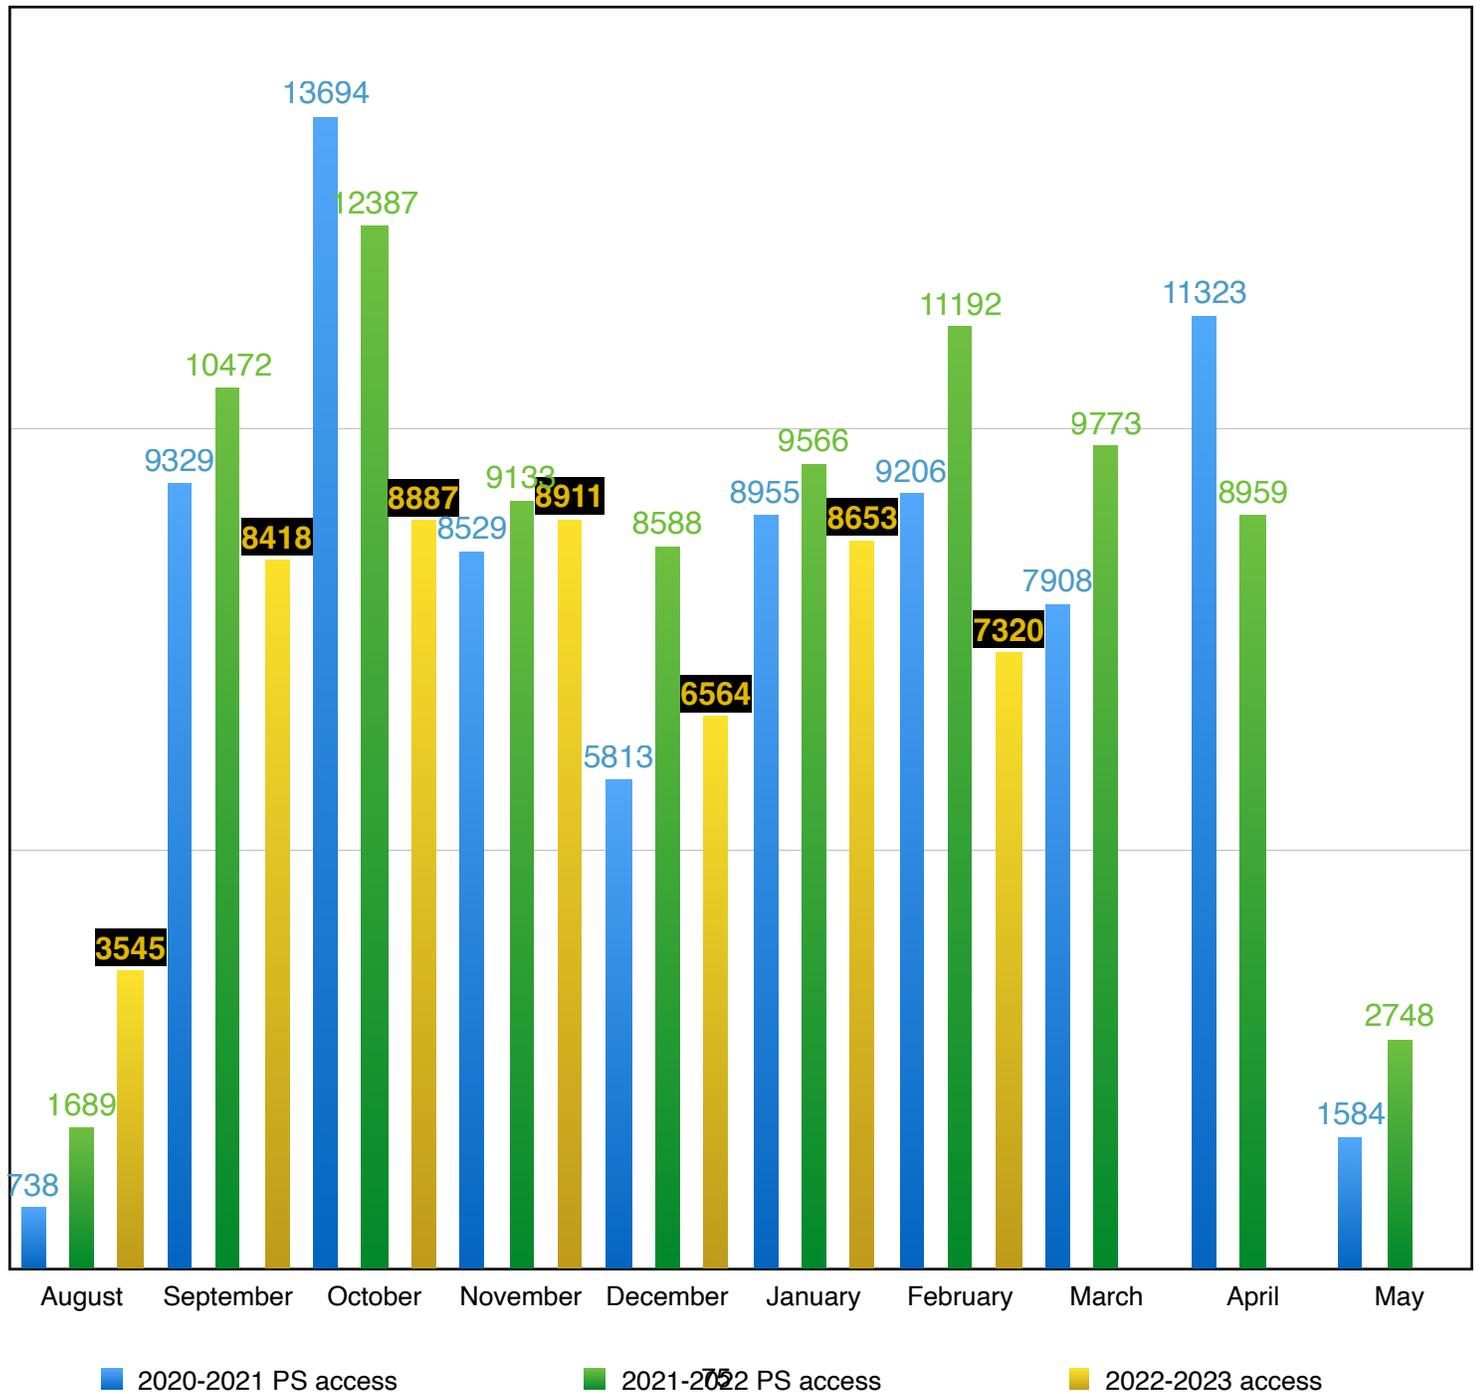

PowerSchool Online Enrollment

Creation / preparation of SY23-24 forms ongoing, expected launch for Kindergarten Roundup in April.

PowerSchool Student Information System Access data
PowerSchool use, by students and parents.

Technology Web HelpDesk

Part of the Technology Department's duty is to maintain the Technology Web Help Desk for staff to request repairs, training and troubleshooting. In February we closed / resolved 79 out of 84 (94%) of the tech requests submitted through the system. Our average response time was 4 hours and average resolution time remained 1.6 days. This includes being out for a full week at ASTE and working tickets remotely! We encourage staff to make use of this resource but many immediate needs are still handled outside of it.

Nome Public Schools Board Report

Megan Hayes

Director of Federal Programs

Report prepared for March 14, 2023 Nome Public Schools School Board Meeting

Grants- Consolidated ESEA: Title I-A/Title I-C/Title II-A/Title IV; EASIE; JOM; School Improvement Consolidated ESEA

- Title I-A- Improving the Academic Achievement of the Disadvantaged- funds for NES Only-** Title I-A continues to fund the reading specialist and reading specialist aide at NES.
- Title I-C, Migratory Education-** Second-semester tutoring is on-going at all sites. Migrant education continues to cover tuition at Nome Preschool for all migratory eligible students. We currently provide tuition for six 3-year-olds, and ten 4-year-olds. Migrant Education will cover migrant eligible 8th grade students’ travel to Washington. This will reduce the overall need for fundraising.
- Additional SIG (School Improvement Grant)-** filled out request for initial and additional funds for PBIS implementation. NPS received funding to support sending 4 teachers, 1 principal teacher, 2 principals, and a district office liaison to the Northwest PBIS Conference in PDX in April.
- Title IV-Student Support and Academic Enrichment-Districtwide-** Title IV-A continues to support skiing by providing gas cards for the volunteers who use their private snow machines to groom trails using the Title IV-A trail groomer. The trails continue to be groomed by a team of volunteers and students. Trails are open to the public. As of the writing of this report the trails are groomed and ready for action! SKI ON!
- Migratory Education Literacy Grant**—Coming soon- newly curated book list from Barnes and Noble to be delivered to students and parents via email. Students choose their books, place their order, and receive their books via USPS in 2-3 weeks.
- EASIE (aka Indian Education and Title VI-A)** – Completed and submitted Part I of the FY24 EASIE application. These funds cover a full-time kindergarten immersion aide, 84% of the salary and benefits for the cultural arts teacher at NBMHS, and 75% of the of the salary and benefits for the cultural arts teacher at NES. We anticipate receiving a similar award amount for FY 24. FY23 allocation-\$219,299.

Assessments, Curriculum and Data-

- The assessment window for ACCESS 2.0 for ESL students will close on March 31.
- The DTC, Megan Hayes and the NWEA facilitator, Jennifer Shreve attended the DEED led District Test Coordinators training for this Spring 23 AK STAR and Alaska Science assessments in ANC. Upon their return, Building Test Coordinators, Lisa Leeper, Liz Korenek-Johnson and Jennifer Shreve received training and have started training their site staff.
- Created and shared a webpage for BTC and staff to access the most relevant non-secure testing documents. <https://padlet.com/mhayes27/2023-ak-star-ak-science-i7wg05qrnl19>
- Prepared and uploaded student registrations for assessments.
- DEED released the windows for next year’s assessments at the DTC training. NPS will no longer have control over MAP Growth Test Windows. The State’s draft assessment calendar for SY23-24 is attached.
- AK STAR and Alaska Science test window open March 27th and close April 28th
- Site testing schedules are attached. Schedules are subject to change.

MEMORANDUM

To: Board of Education
Thru: Jamie Burgess, Superintendent
From: Genevieve Hollins, Contracted CFO
Alaska Education & Business Services, Inc.
Date: March 8, 2023
Subject: **Financial Narrative**

February has come and gone and it sure was quick! Items of note below:

Recently completed tasks include:

- ✓ Gaming annual financial statement submitted
- ✓ Amended Impact Aid application submitted (all Source Check forms returned)
- ✓ AMLJIA Cyber Liability Insurance renewal - additional requested items sent
- ✓ Meritain finished re-adjudicating claims and paying providers as required
- ✓ Certified negotiations meeting #1 completed
- ✓ RISQ completed and sent ACA forms
- ✓ Updated FY2024 Draft Budget with known information as of March 4th
- ✓ EASE Onboarding system updated after Payroll/HR/Supt meetings with EASE

Upcoming tasks:

- ✓ Certified negotiations and related calculations and meetings
- ✓ Food Service monthly claims for reimbursement
- ✓ 3rd Quarter-end - review grant budgets to actual, adjustments, submit reimbursements
- ✓ Awaiting FY2024 Health Insurance final rates in order to update budget

FY2024 Draft Budget #2

In this Board packet please find FY2024 Draft Budget #2. The teal highlighted items in the letter to the Board are the items that have been updated between Draft #1 and Draft #2. This includes:

- ✓ Increasing intensive projection from 15 to 16 students
- ✓ Increasing BSA from \$5,930 to \$5,960
- ✓ Utilizing more of fund balance in order to maintain a balanced budget
- ✓ Incorporating a 10% liability/property insurance increase
- ✓ Increasing fuel budget to \$950,000 per NJUS current usage and future cost projections
- ✓ Addition of 1 FTE Music teacher position at NBMHS
- ✓ Special Education staffing changes between para and teachers
- ✓ Updated more salaries/benefits as personnel changes occurred between January and current
- ✓ Added in rural differential stipends for classified staff per negotiated agreement
- ✓ Updated PERS/TRS On-Behalf rates as newly published (zero net effect)
- ✓ Updated FY2023 budget column as mid⁸⁵ year minor adjustments made

AMLJIA Liability Insurance

Attached please find a February 2nd memorandum from the District’s liability insurance provider, AMLJIA, noting a preliminary market report which includes large insurance increases for FY2024. Because the District is in a 3-year agreement, AMLJIA will “only” increase rates by 10% instead of the 15-20% increase for those not in a 3-year agreement. The FY2024 Draft Budget has been updated to reflect same.

Memorandum from Legislative Fiscal Analyst

Attached please find a January 30, 2023 memorandum from Alexei Painter, State Legislative Fiscal Analyst regarding the impact of inflation on K-12 funding and cost estimates of potential BSA increases. At the top of page 2 you can see the large inflation rates in FY22 and FY23 which have really impacted buying power over recent years. In the bar graph on page 2, you can see that even with a \$5,960 BSA in FY24, the buying power of that is equal to \$5,815 in FY23 dollars based on an estimated 2.5% inflation increase in FY24. On the top of page 3 it shows the equivalent BSA when applying the one-time outside the formula funding. You can also see the total cost to the State of various BSA increases, on page 4.

Standard Operating Procedure (SOP) #13

Attached you will find SOP Number 13 - Adjusting Journal Entries, for your information, comments, and any questions.

Thank you!

MEMORANDUM

DATE: February 2, 2023

TO: AMLJIA Members

FROM: Brennan Hickok, Deputy Director

RE: Preliminary Market Report

As we approach another renewal season, the AMLJIA would like to provide an update on market trends in order to convey pricing expectations for the upcoming fiscal year.

You'll recall last May, our Board distributed a letter to the membership regarding the hardening market and the significant increases in coverage costs we were receiving from our reinsurance partners. That, coupled with inflation, the rise in construction costs, and on-going deterioration of the excess property and liability markets have again created a perfect storm this renewal.

Historically, the AMLJIA has done what we can to help soften the blow of a hard market, and we continue to do so to the best of our ability. For those of you that are in three-year agreements, we will do our best to honor that commitment to renew below a 10% rate increase year-over-year. For those of you not in a three-year agreement, we are dedicated to keeping your business and pricing what is necessary.

We expect the costs for reinsurance to increase anywhere between 15 and 20 percent this renewal, you should expect the same for your program.

We recognize that your coverage costs make up a large portion of your budgets each year and we are committed to partnering with you in maintaining or reducing costs. While we are subject to the ebbs and flows of the global market, you can help insulate your entity by being vigilant in your loss reduction efforts. Helping the AMLJIA maintain a healthy net position provides the leverage necessary to counter global market pressures or take on more risk in order to save on reinsurance costs. The AMLJIA has eroded our net position substantially over the past several years in an effort to stabilize rates.

Expect further and more precise updates as we get closer to binding our reinsurance programs.

MEMORANDUM

DATE: January 30, 2023

TO: Senator Löki Tobin
Attn: Michael Mason

FROM: Alexei Painter
Legislative Fiscal Analyst 

SUBJECT: Impact of Inflation on K-12 Funding and Cost Estimates of Potential BSA Increase

You asked for a comparison of Alaska's K-12 foundation formula funding to inflation over the past decade, as well as for cost estimates of various potential BSA changes.

Background on Foundation Formula

Alaska's K-12 foundation formula (AS 14.17) is the largest source of funding for Alaska's school districts. The formula is based on multiplying the actual student count on Alaska's schools (known as the Average Daily Membership, or ADM) by a series of factors to adjust for differences between districts, including a school size factor and district cost factors, as well as block grants for special education and career and technical education, to arrive at an adjusted student count (Adjusted Average Daily Membership, or AADM). The AADM is then multiplied by the Base Student Allocation (BSA) to arrive at Basic Need, the total amount of funding provided by the formula. Basic Need is then paid by a combination of required local funding for municipal school districts, deductible federal impact aid, and State funds.

In addition to funding inside this formula, the legislature has frequently included one-time funding outside the foundation formula but distributed in the same way as the formula. This outside the formula funding makes comparisons across years that only use the BSA somewhat incomplete. This analysis will provide both comparisons to provide a fuller picture.

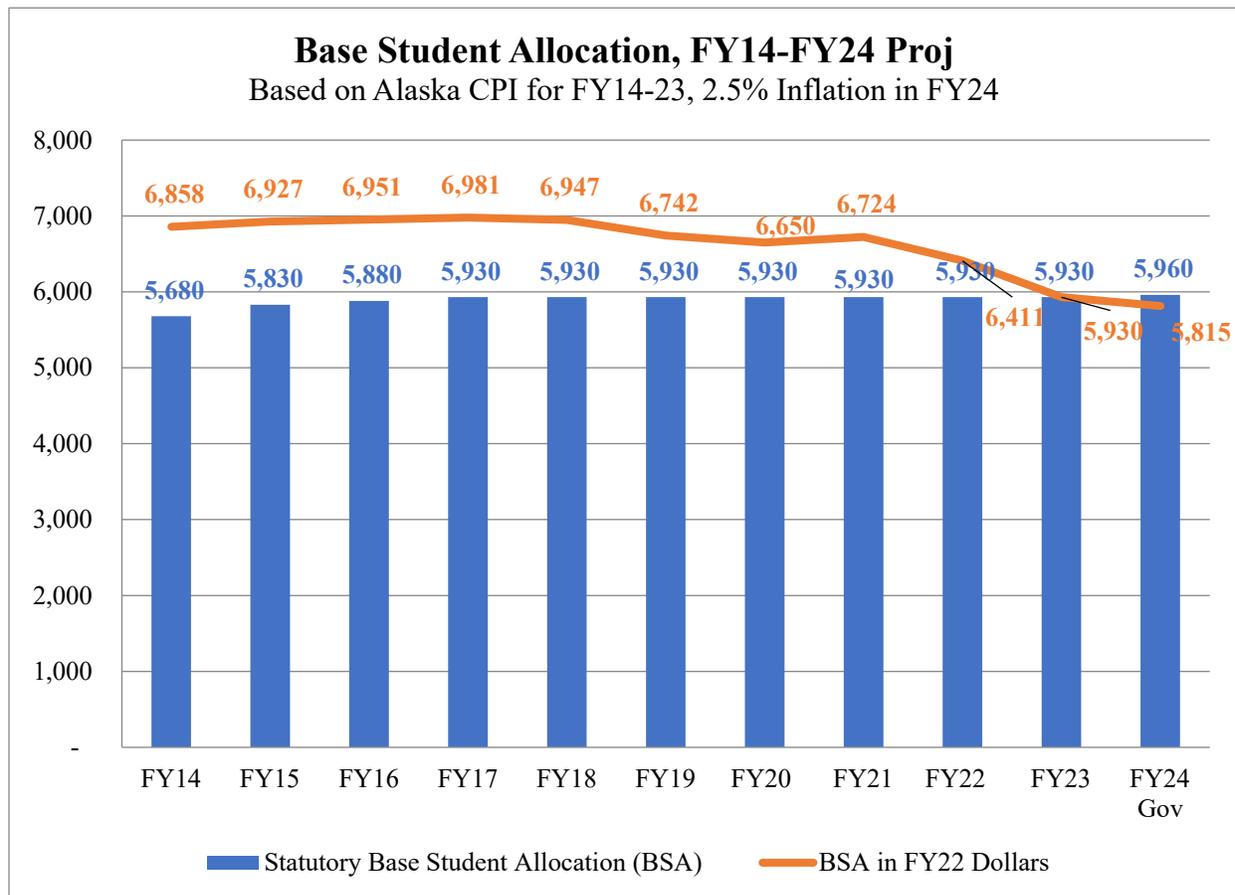

Impact of Inflation from FY14 through FY24

This analysis equalizes funding to the level in calendar year 2022, the most recently completed year, and applies that to FY23. It then assumes 2.5% inflation in FY24 (based on Callan and Associates' assumptions that are used by the Alaska Permanent Fund). The inflation data is the federal Bureau of Labor Statistics data for all urban Alaska consumers.

	FY14	FY15	FY16	FY17	FY18	FY19	FY20	FY21	FY22	FY23	FY24
Previous CY Inflation Rate	3.1%	1.6%	0.5%	0.4%	0.5%	3.0%	1.4%	-1.1%	4.9%	8.1%	2.5%
Inflation Factor to FY23	1.21	1.19	1.18	1.18	1.17	1.14	1.12	1.13	1.08	1.00	0.98

This table can be read to say that one dollar appropriated in FY14 would have the same buying power as \$1.21 appropriated in FY23.

Base Student Allocation Adjusted for Inflation

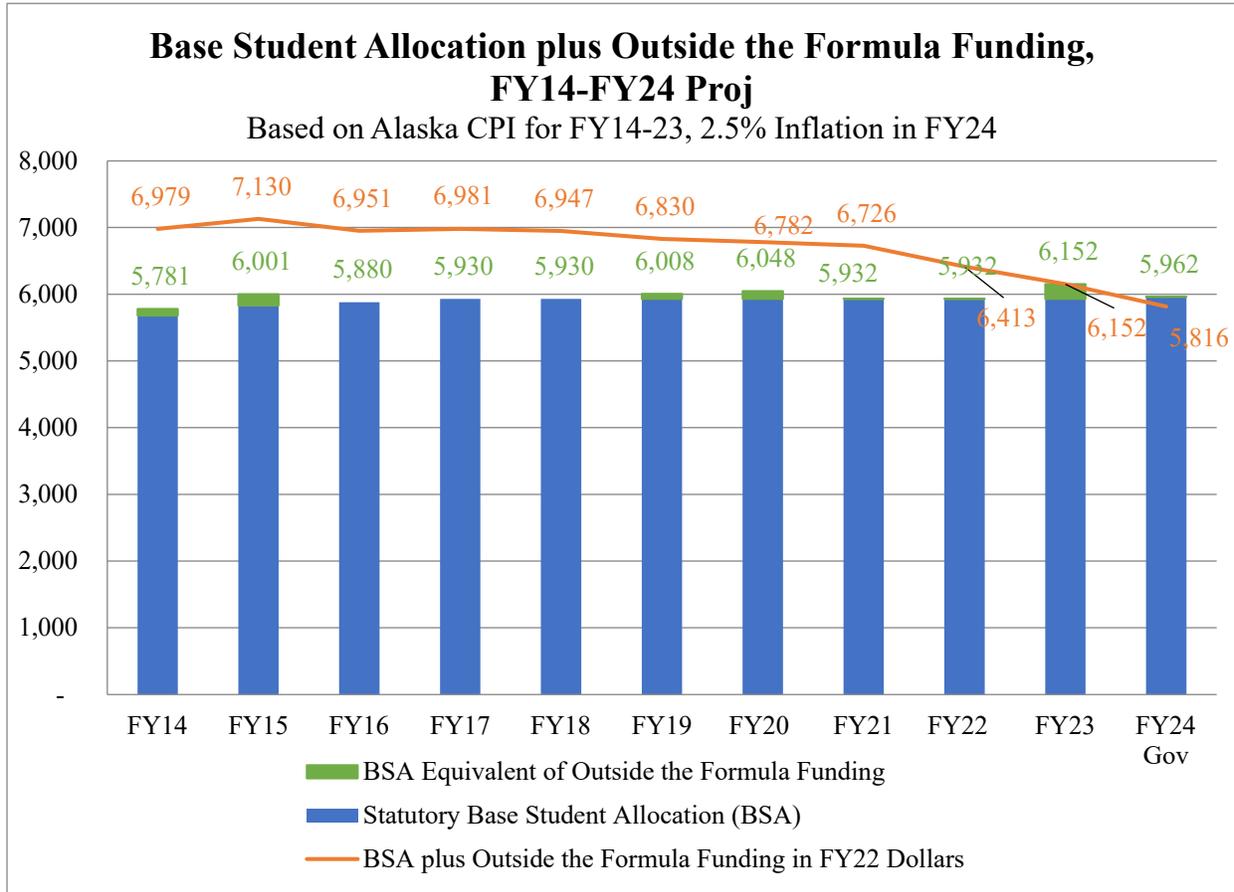

The BSA was \$5,930 from FY17-23 and is \$5,960 in FY24. The peak year over the past decade, adjusted for inflation, is FY17, which would be \$6,981 in FY23 dollars, while the FY24 figure is \$5,815 in FY23 dollars. Adjusting that FY17 figure to projected FY24 dollars would total \$7,155. To match the buying power of the FY17 BSA in FY24, the BSA would therefore need to increase by the \$1,195, from \$5,960 to \$7,155.

Depending on which year is selected as the base, “inflation proofing” the BSA would require different amounts: \$611 (to match the BSA in FY22 in real terms) to the above calculation of \$1,195. Therefore, which year is selected as the “base” for inflation-proofing makes a substantial difference in how much the formula would need to be adjusted in FY24.

Incorporating Outside-the Formula Funding

In Fiscal Years 2014, 2015, 2019, 2020, and 2023, the legislature appropriated additional funding outside the formula ranging from \$20 million to \$57 million. This funding is distributed according to the formula, and so the following graph converts it into a BSA equivalent.

When outside the formula funding is added in, FY15 becomes the new peak year due to \$43.0 million of outside the formula funding that year. For FY24 to match FY15's funding level in real terms, the BSA would need to increase by \$1,348 in FY24.

Cost of Increasing the Base Student Allocation

Based on the Department of Education and Early Development's (DEED) FY24 Foundation Report Projections as of November 15, 2022, each \$100 change in the BSA is estimated to increase State funding by \$25.7 million. The following table shows the estimated cost at \$100 intervals to \$1,000, as well as for an \$860 increase as requested.

BSA Change	New BSA	Projected State Aid	Projected Increase in FY24
\$100	\$6,060	\$1,213,541,843	\$25,718,583
\$200	\$6,160	\$1,239,260,426	\$51,437,166
\$300	\$6,260	\$1,264,979,009	\$77,155,749
\$400	\$6,360	\$1,290,697,592	\$102,874,332
\$500	\$6,460	\$1,316,416,175	\$128,592,915
\$600	\$6,560	\$1,342,134,758	\$154,311,498
\$700	\$6,660	\$1,367,853,341	\$180,030,081
\$800	\$6,760	\$1,393,571,924	\$205,748,664
\$900	\$6,860	\$1,419,290,507	\$231,467,247
\$1,000	\$6,960	\$1,445,009,090	\$257,185,830
\$860	\$6,820	\$1,409,003,074	\$221,179,814

SOP No. 13

ADJUSTING JOURNAL ENTRIES

1. PURPOSE: To establish procedures for identifying, preparing, authorizing, and recording adjusting journal entries (AJEs). The majority of the transactions entered into the general ledger are through the cash receipts, cash disbursements, and payroll processes. However, to make correction to account balances or to book items such as indirect expenses/revenue, prepaid expenses, etc., it is necessary to enter journal entries.
2. AUTHORITY: Superintendent or designee
3. RESPONSIBILITY: The CFO and all budget supervisors are responsible for ensuring compliance with this procedure.
4. PROCEDURES: The following are control activities for the journal entry process.
 - a. Actions (b) and (c) may be performed by budget supervisors or the business department.
 - b. Identify the activity to be recorded and the affected accounts. Examples of activities include incorrectly stated account balances, transactions recorded in the wrong accounts, write-offs of immaterial balances, approved expenditure or revenue transfers, automatic bank transactions, etc.
 - c. Compile supporting documentation (audit trail) including one or more of the following items: original entries for correcting AJEs, correspondence, spreadsheets, statements, and approvals from affected budget supervisors when appropriate.
 - d. The CFO receives the supporting documentation, enters an AJE in the financial software system, signs/dates the AJE and obtains a secondary signature on all AJEs.
 - e. Save posted AJEs electronically in chronological order, for easy transmission to the auditors during the annual audit.

SCHOOL BOARD COMMUNICATION

Title: Approval of FY23 Staff Bonuses

Date: March 14, 2023

Administrator: Jamie Burgess, Superintendent

Attachments: One-Time Funding Memorandum

Action Needed **For Discussion** **Information** **Other**

BACKGROUND INFORMATION

The District received a one-time funding allocation from the Legislature of \$383,020 in January of 2023 for the current fiscal year. With the encouragement of the Board, the Administration would like to recommend that a portion of this one-time funding be allotted towards an employee bonus for the year as detailed in the attached memorandum. The remainder of the funding is recommended to be held as revenue to offset the increase in this year's budget of energy costs of more than half a million dollars.

ADMINISTRATIVE RECOMMENDATION

The administration recommends approval of employee bonuses for the 2022-2023 school year as presented.

Sample Motion: I move to approve employee bonuses for the 2022-2023 school year as presented.

Memorandum

To: Nome Public Schools Board of Education

From: Jamie Burgess, Superintendent

Re: One-time Funding for FY23

Dear Board Members:

The administration would like to recommend that the additional \$383,020 of one-time funding from the legislature for the 2022-2023 school year be added to the current budget as follows.

1) Bonuses for District Employees as follows:

- Employees must have been employed for the entire 2022-2023 school year to qualify for the bonus.
- All certified, classified and administrative employees qualify for the bonus.
- All employees qualify for the bonus regardless of return status for FY24.
- Bonuses will pay out on the last paycheck for May 2023.
- Employees less than full-time will receive a pro-rated bonus amount.
- NMS staff do not qualify.

First Year Employees: \$500

Staff Employed Between 2 and 5 years: \$750

Staff Employed more than 5 years: \$1,000

Number of Employees in Each Category:

First Year Employees: 21 (1 is .5 FTE) = \$10,250

2-5 Years: 28 = \$21,000

5+ Years: 27 = \$27,000

TOTAL = \$58,250

2) Remainder of funds (\$324,770) will be retained as revenue to offset the increased cost of approximately \$500,000 electricity and fuel costs for this fiscal year as compared to the prior year.
