Instructional Focus: COVID Gaps and Reading

AES is working hard to help students fill in the gaps created by the learning loss due to COVID. All students have been placed in groups during WIN Time based on Beginning of the Year assessments to work on students' needs. For most of our students, this time is for filling in learning gaps created by absence from face-to-face instruction. For other students, this time is used to provide additional supports as well as enrichment.

UIL tryouts are coming to an end and teams are being identified. Students are excited about the opportunities to compete in all of the events and our staff is eager to work with students in a different way. We had more than enough staff volunteer to coach UIL which is a nice change from years past. We also have a new UIL Coordinator, Mrs. Allie Fiegel. She is already doing a fantastic job.

Celebrations!
