4. Culture

- AISD will focus on culture, communication, and discipline on all campuses/departments this year. We will have trainings regarding all three areas to help build morale and provide support for all staff members.
- We are building in activities that will build a positive rapport with all staff, communication training, and discipline consistency on each campus. Team building activities planned with all departments, campuses, administrative teams and board of trustees.
- Leaders are doing a book study (The NRG BUS).

5. Facilities

- Bond- The weather has been amazing and we are getting closer to pouring the slab. Steel should begin going up in early September. AISD will discuss with the board the option of beginning the next phase of the bond (bus barn and maintenance building).
- Doug Witt will discuss with the board the options for the next phase at the July 31, 2023 meeting. My recommendation will be to move forward with the 2nd phase (bus barn and maintenance building).

6. Technology

- We are purchasing additional programs, chrome books, and smart boards this year, as well as upgrading areas of technology to handle the new safety upgrades (cameras).

7. Miscellaneous

- Safety- Fencing, gates, cameras, and film are near completion. Capsule TEK is working to finish the gates this week and then complete the film process.
- Meeting with Sheriff's office to discuss safety (additional SROs) on August 4, 2023
- MS Band named the 1C Honor Band for the State of Texas this summer. They will be performing in San Antonio in February at the TMEA Convention. This is the first time in school history.
- BOARD TRAINING (Goal Setting/Team Building): August 10, 2023 at the Administration Building. Training will be from 5:30 pm to 8:30 pm.

Mission Statement: AISD exist to prepare students to be life-long learners and to prepare them for their future in a competitive, global society.

Vision Statement: Empower, Educate, Everyone, Everyday

RESOLUTION OF THE BOARD REGARDING HAZARDOUS TRAFFIC CONDITIONS

WHEREAS, Education Code 42.155(d) allows the Board of Trustees of Anahuac School District to obtain supplemental state funding for transporting regular, otherwise ineligible students who live within two miles of their school but who would be subject to hazardous traffic conditions if they walked to school;

WHEREAS, the TEA handbook on School Transportation Allotments requires the Board to adopt language providing the definition of hazardous traffic conditions applicable to the District and identifying the specific hazardous areas for which such funding is requested;

WHEREAS, the Board acknowledges the Education Code 42.155(d) provisions stating that a hazardous condition exists where no walkway is provided and students must walk along or cross a freeway or expressway, an underpass, an overpass or a bridge, an uncontrolled major traffic artery, an industrial or commercial area, or another comparable condition;

NOW THEREFORE BE IT RESOLVED that the Board of Trustees of Anahuac School District has determined that a hazardous condition exists because there is no walkway where students can walk along. Students must cross bridges, uncontrolled major traffic arteries, highway FM 61, and highway FM 563.

And the Board of Trustees of Anahuac School District has identified the following specific hazardous areas in which such conditions exist:

1. The blocks bounded by FM 563, Texas Hwy 61, South Main Street, and Belton Lane.

Adopted this 31st day of July, 2023 by the Board of Trustees.
